 00:09:48

🎧 And it's really hard to cut through that noise.

要穿透这些纷杂声音实在不易。

🎧 And I think we'll see a lasting generation impact from the kind of work he did.

我相信他的工作将产生#持久#的世代影响。

🎧 And what happens now, as you say, he had events scheduled for the future.

如你所说，他原本还安排了许多未来活动，现在该怎么办？

🎧 Is there is there another voice within turning point USA who would be able to to reach people in the same way that Charlie Kirk did?

"转折点美国"组织内是否还有人能像查理·柯克那样触动人心？

 00:10:14

🎧 Well, you know, with President Trump coming back into office, we've certainly seen, you know, an expanding conservative media ecosystem, especially around podcasts.

随着特朗普总统重返政坛，保守派媒体#生态圈#确实在扩张，尤其是播客领域。

⏮ Obviously turning point is he's built that into a big organization.

显然"转折点"已被他打造成庞大组织。

很难说有人能真正取代他。

⏮ I mean, think about, you know, the lasting image sadly, obviously, is him sitting alone in that tent.

⏮ You know, he was really, you know, doing this himself with, it wasn't a full panel up there, right?

⏮ You know, speaking to thousands of students and it's really hard to replicate that.

但我们不能忽视：他在很多方面是如同传教士般独自承担这份事业的。

 00:11:01

⏮ And what would you now be advising Republican lawmakers to do in the wake of this tragedy as the country asks for solutions to this kind of political violence?

在国家寻求解决此类政治暴力时，你会建议共和党立法者如何应对这场悲剧？

⏮ Yeah, I mean, you know, the easy answer of being mean is for me to say, and I'm sure there's a lot of this floating around tonight about, you know, dialing down the rhetoric, you

know, finding ways to, you know, again, be more civil as President Bush said, you know, I think in a lot of these situations, as you know, there are a lot of meetings about security.

当然，最简单的回应是呼吁降低言论激烈程度——就像布什总统说的回归文明对话。这类情况下通常会有大量安全会议。

🎧 I was a part of countless meetings on Capitol Hill about giving members more security, giving their families more security, both here in Washington and in their, their districts.

我参加过无数国会山会议，讨论如何加强议员及家属在华盛顿和选区的安保。

 00:11:42

🎧 So certainly those conversations are going to be happening.

这类讨论必然持续进行。

🎧 But again, I think finding ways to carry on Charlie's message about being thoughtful about having God more in our lives, about embracing truth and kindness.

但更重要的是传承查理的精神：保持深思熟虑，让信仰融入生活，拥抱真理与善意。

🎧 I really do believe that leaders 10 model that more.

我坚信领导者更应以身作则。

🎧 And, you know, obviously it starts with the President and with the leaders of Congress.

这显然需要从总统和国会领袖做起。

 00:12:03

🎧 But of course, there'll be conversations about security, but hopefully, you know, hopefully leaders will kind of look into their own hearts and think more about what kind of messages they can carry forward.

虽然会有安全讨论，但希望领导者能审视内心，思考应传递怎样的信息。

犹他州州长斯宾塞·考克斯一小时内召开的发布会上暗示，他们可能仍在寻找其他嫌疑人。

 00:14:54

▶ And so the fact that the suspect that they had in custody has now been released means that the shooter is at large.

因此嫌犯获释意味着枪手仍在逃。

▶ And the manhunt continues with a partnership between FBI and local law enforcement.

FBI与当地执法部门正联合展开搜捕。

▶ And what are authorities asking the public to do as this goes on?

但视频画质较差。

▶ They said from that security camera footage.

执法部门如此说明监控画面情况。

▶ Okay, so that will be one piece of evidence that there no doubt pouring over.

这无疑是正在重点分析的证据。

▶ Now, I understand your governor there at Spencer Cox has been a voice for peaceful dialogue.

据我所知，斯宾塞·考克斯州长一贯倡导和平#对话#。

▶ And in fact, even started an initiative called disagree better.

他甚至发起名为"更好地异见"的倡议。

▶ Given that background, what was his message for the public tonight?

基于此，他今晚向公众传递了什么信息？

bilibili 00:16:28

▶ His message was that he was certain this was a politically motivated assassination.

他明确表示这起事件是政治动机的#暗杀#。

▶ And like he has been saying for the last year and a half with his disagree better campaign, he said that this can't be tolerated and it is downstream from the kind of rhetoric that we're using.

正如他一年半来通过"更好地异见"运动强调的：这种行为不可容忍，正是当前言论环境导致的恶果。

▶ And less than a month ago, I sat down with Charlie Kirk in his headquarters in Phoenix, Arizona to talk about this precise point.

不到一个月前，我曾在亚利桑那州凤凰城的查理·柯克#总部#与他讨论过这一点。

bilibili 00:16:49

▶ And he told me it is important to approach these conversations with grace, but he said that inevitably his debates where he addressed.

他告诉我带着风度进行对话很重要，但也说自己的辩论——

▶ Truth as he referred to it will cause division.

他所秉持的"真理"必然引发分歧。

▶ And so it was it was a risk that he was willing to take when it came to talking about these hop on issues.

因此谈论这些#热点#议题是他自愿承担的风险。

▶ So you think he was aware of the potential danger to his own life that he faced by by carrying out his activism?

您认为他意识到自身 activism 可能带来的生命危险了吗？

bilibili 00:17:13

▶ He didn't say that, but he did say and in his 2024 book, he did liken himself to Jesus Christ as someone who comes with a sword and results in division.

他未直接说明，但在2024年著作中将自己比作"持剑而来引发纷争"的耶稣基督。

⏮ And so this is something that he took as being part of his broader mission to win a cultural argument argument in the United States.

他将这视为在美国赢得文化论战更广泛使命的一部分。

⏮ Now, I do want to ask you also what kind of services are being provide.

请问现场提供了哪些援助服务？

 00:17:36

⏮ We believe there were thousands of students who were attending this event and saw this really horrific bloody scene in front of them.

⏮ As of right now, there's a lot of unanswered questions.

截至目前，仍存在大量未解之谜。

▶ Well, thank you so much for bringing us the latest that we can report at this hour of speaking with Brigham Tonko with Deseret News.

非常感谢您带来与《德撒律新闻》布里格姆·汤科对话的最新进展。

▶ Now, Charlie Kirk had a large online presence as we've said, TikTok influencer and radio host.

正如我们所说，查理·柯克在网络上有巨大影响力，他是TikTok网红兼电台主持人。

 00:18:35

▶ He also tweeted and posted on Instagram inviting young people to form conservative groups at their high schools and colleges.

他还在推特和Instagram上发帖#邀请#年轻人在高中和大学组建保守派团体。

▶ Now, Kirk's podcast drew in more than half a million listeners each month and his ex account had at least 5.5 million followers.

柯克的播客每月吸引超过50万听众，他的X账号拥有至少550万粉丝。

▶ That is no small feat joining me to discuss this live.

能邀请到嘉宾参与直播讨论绝非易事#壮举#。

 00:18:54

▶ I'd like to welcome Taylor Lorenz author of extremely online and a technology journalist for user magazine.

欢迎《极度在线》作者、《用户杂志》科技记者泰勒·洛伦兹。

▶ So Charlie Kirk really had an enormous audience.

查理·柯克确实拥有庞大受众群。

▶ Perhaps you could just start by giving us a sense of his reach to young conservatives.

或许您可以先谈谈他对年轻保守派群体的影响力。

▶ Yeah, Charlie Kirk was one of the most powerful voices in the young right wing conservative movement.

是的，查理·柯克是年轻右翼保守运动中最具影响力的声音之一。

 00:19:16

⌂ He founded Turning Point USA, which was initially this sort of college activism conservative activism group.

他创立了"转折点美国"，最初是一个大学保守派行动主义组织。

⌂ But it became actually one of the most powerful right wing influencer networks as well.

但后来它实际上也发展成为最强大的右翼网红网络之一。

⌂ As you mentioned, he had a podcast, he had a huge audience on social and he would engage in a lot of these IRL debates, whether on a big YouTube channel like Jubilee or out on actual college campuses.

如您所言，他拥有播客、大量社交媒体粉丝，并经常参与现实辩论——无论是在Jubilee等大型YouTube频道还是亲赴大学校园。

 00:19:39

⌂ And do you think those in real life events were what helped him build his audience and draw more people to work his cause?

您认为这些现实活动是否帮助他扩大受众并吸引更多人支持其事业？

⌂ I mean, yeah, I think Turning Point, which was his organization, was so incredibly powerful.

我认为他创办的"转折点"组织确实具有惊人影响力。

⌂ I mean, it was very well funded, but they would have these big meetups and they had like America fast and they would have, they would sort of get all of the conservative influencers together and really mainstream.

该组织资金雄厚，不仅举办大型集会、"美国快车"等活动，还能将保守派网红聚集起来实现主流化传播。

 00:20:02

▶ These messages, he was also just really good at expertly kind of manipulating the internet and generating outrage usually from people, which would cause them to engage and cause his videos to succeed online.

他尤其擅长操纵网络情绪，通常通过激发公众愤慨来提升参与度，推动其视频在网络上传播。

▶ So he knew he knew which buttons to push there and he really did have something of a media empire.

他深谙如何触动舆论神经，确实建立了自己的媒体帝国。

▶ Who was funding this?

资金来自何方？

▶ Where where was the money coming from behind Turning Point USA?

"转折点美国"背后的金主是谁？

 00:20:26

▶ That's a good question.

这个问题很好。

▶ I think originally it was affiliated with Tea Party donors.

最初应该与茶党捐助者有关。

▶ I don't remember the exact sort of funding that they've had more recently.

近期具体资金来源我记不清了。

▶ They've had various conservative donors over the years, but Charlie was also successful in his own right.

这些年来他们有各种保守派捐助者，但查理本身也取得了成功。

▶ You know, this wasn't somebody that was just propped up by right wing funding.

他并非仅靠右翼资金扶持。

 00:20:44

▶ Like he also was able to generate his own successful influencer career and was really, you know, made his own markets, like a media personality.

他成功打造了网红事业，真正开拓了自己的市场，成为媒体名人。

▶ So I'm sure you've been looking all over the internet for reaction in the wake of his killing.

相信您一直在搜集网络对其遇害事件的反应。

▶ What have you been seeing from his supporters and followers in reaction to this this violent and untimely death?

他的支持者和追随者对这种暴力猝死有何反应？

 00:21:08

▶ Yeah, I think his supporters are outraged.

支持者们非常愤怒。

▶ They're taking to the internet to say, you know, to condemn violence.

他们在网络上发声#谴责#暴力。

▶ One thing that does concern me and I think I heard it earlier in this program is people conflating some of the topics of conversation that were happening right before his death with his death.

令我担忧的是（节目前期也提到），有人将他遇害前的谈话主题与死亡事件本身混为一谈。

▶ We don't know who the shooter is yet, but you know, he was talking about trans people right before his death and talking about actually there's very few trans shooters.

凶手尚未确认，但他遇害前恰在讨论跨性别者，并提到美国大规模枪击案凶手很少是跨性别者。

 00:21:34

▶ Most mass shooters in America are not trans, but because that was this topic of conversation right before his death and because we don't know who killed him yet.

由于谈话主题与遇害时间相近，加上凶手未明。

▶ I think there's just a lot of kind of harmful speculation right now and hate being driven towards the LGBTQ community.

导致当前出现大量有害猜测，引发对LGBTQ群体的仇恨。

▶ It's interesting.

这很值得关注。

▶ And as you say, we do not have a suspect.

如您所说，目前没有嫌疑人。

 00:21:54

▶ We do not have any indication of what a motive would be in this attack.

袭击#动机#也毫无线索。

▶ We did have a Republican strategist on the show just a while ago saying that he thinks Kirk will become something of a martyr among his supporters.

刚才节目中有共和党战略家认为柯克将成为支持者心中的殉道者。

▶ Have you seen indications of that already?

您是否已观察到相关迹象？

▶ So I, you know, I the thing about the internet is that it moves on so quickly.

互联网的特点就是信息更迭极快。

 00:22:16

▶ And do I think that people will turn him into a martyr in some sense, but you know, look at a lot of other, you know, we have a very violent country.

人们确实会某种程度上将其神圣化，但美国本身暴力事件频发。

▶ And in fact, a lot of political violence is escalating.

事实上政治暴力正在升级。

▶ We have a sort of a tinder box of a political situation right now in America.

美国政治局势如同#火药桶#。

▶ And we're seeing, you know, just a lot of violent rhetoric and a lot of people sort of enacting violence outside the system.

我们看到大量暴力言论以及体制外的暴力行为。

bilibili 00:22:39

▶ We also have rampant guns all over.

枪支泛滥#猖獗#。

▶ I don't know how quickly people will move on.

不确定人们多久会淡忘此事。

▶ I think that his death will remain relevant in the minds of conservatives.

保守派群体应该会长期铭记他的死亡。

▶ Of course, and I'm sure that they will do a ton to memorialize him again.

他们肯定会大力纪念他。

▶ This is a major American media figure.

他毕竟是美国媒体界重要人物。

▶ But the internet moves so quickly and people move on so quickly.

但网络 and 公众注意力转移速度太快。

bilibili 00:23:01

▶ And, you know, I don't, I don't know, you know, how long that morning will sort of take place online.

不确定这种悼念氛围会持续多久。

▶ Well, Taylor, thank you so much for sharing your insights with us on BBC news.

感谢泰勒在BBC新闻分享您的见解。

▶ We've been talking to Taylor Lorenz author of extremely online.

刚才对话的是《极度在线》作者泰勒·洛伦兹。

▶ We do want to get the latest news now from our correspondent, Peter Bose.

现在请连线本台#记者#彼得·博斯获取最新消息。

▶ And Peter, we now have cash, Patel tweeting, well, writing on X of the subject in custody has been released after an interrogation by law enforcement.

彼得，卡什·帕特尔在X平台发文称，被拘押的嫌疑人在执法部门问讯后已获释。

 00:23:33

▶ Tell us the latest that that suggests.

请说明此事的最新进展。

▶ It is somewhat confusing, isn't it, that we were led to believe that some time ago that there was a person of interest in custody.

这有些令人困惑——此前我们被告知已有相关人员被拘留。

▶ It seems as if that was the case.

当时情况似乎如此。

▶ But this person apparently has been interrogated by law enforcement and subsequently released.

但此人经执法部门问讯后#随后#获释。

▶ And cash, Patel saying that the FBI will continue to release information in the interests of transparency.

卡什·帕特尔表示FBI将继续透明化发布信息。

 00:24:00

▶ So essentially what he is saying is that the attacker is still at large and clearly there will be a very large search underway to try to find that person going on right now.

也就是说袭击者仍在逃，目前显然正在展开大规模搜捕。

▶ Indeed.

确实如此。

▶ And for those who are just joining us in our coverage, could you perhaps just talk us through the events of the last hours or the key takeaways that people need to know about what has happened in the case of Charlie Kirk?

请为刚收看的观众梳理过去几小时的关键事件，概述查理·柯克案需要了解的重点。

bilibili 00:24:27

▶ Yes, Charlie Kirk was assassinated.

查理·柯克遭遇了刺杀。

▶ He a political assassination as many people are describing it now.

许多人将其描述为政治#暗杀#。

▶ He was just a few moments into one of his typical question and answer sessions at the Utah Valley University, about 3,000 students there in the audience and open venue.

他在犹他谷大学进行典型问答环节仅几分钟，现场有约3000名观众，场地是开放式的。

▶ And he was taking questions.

当时他正在回答问题。

▶ The question that he was addressing at the time was about mass shootings.

讨论主题恰好是关于大规模枪击事件。

bilibili 00:24:55

▶ There was a single shot.

一声枪响。

▶ He was shot in the neck.

他被击中颈部。

▶ And we learned a short time later from President Trump, who posted on his social media account that Charlie Kirk had died.

不久后特朗普在社交媒体发文证实查理·柯克死亡。

🎧 And ever since then, we have been really hearing an outpouring of grief and it is fair to say a lot of anger.

此后我们听到无数#悲痛#之声，可以说还有大量愤怒情绪。

🎧 On both sides of the political divide in this country that this could happen, that a very prominent political figure, a young man who has made a name for himself in terms of galvanizing and organizing students, conservative students and entering into debates which he shared in his podcast and in social media in a way that has really used the modern digital world to get his message out.

美国政治光谱两端都难以接受这样一位著名政治人物遇害——这位年轻人通过动员组织保守派学生、参与辩论并在播客社交媒体传播观点，真正运用了数字时代传播手段。

 00:25:39

🎧 He was a polarizing figure.

他是个两极分化的人物。
