bilibili 00:01:29

▶ Now, the presidents were originally slated to meet one-on-one with translators, but just hours before the meeting, the White House said this was changed to three-on-three.

原本两位总统计划在翻译陪同下进行一对一会议，但在会议开始前几小时，白宫表示改为三方会谈。

▶ President Trump is joined by his national security adviser, U.S. Secretary of State Marco Rubio and his special envoy Steve Witkov, who met with President Putin last week, was supposed to lay the groundwork for today's summit.

特朗普总统由他的国家安全顾问、美国国务卿马可·鲁比奥和上周与普京总统会面的特使史蒂夫·惠特科夫陪同，后者本应为今天的峰会奠定基础。

▶ Other high-level U.S. cabinet officials are part of a wider delegation in Anchorage, Defense Secretary Pete Hegseth, Joint Chiefs General Dan Cain, CIA Director John Ratcliffe, and White House Chief of Staff Suzy Wiles.

其他高级别美国内阁官员也是安克雷奇更广泛代表团的一部分，包括国防部长皮特·赫格塞斯、参谋长联席会议主席丹·凯恩、中央情报局局长约翰·拉特克利夫和白宫幕僚长苏西·怀尔斯。

bilibili 00:02:04

▶ President Trump also invited Treasury Secretary Scott Bessent and Commerce Secretary Howard Lutnick, signaling that the threat of possible U.S. sanctions on Russia looms large over this meeting.

特朗普总统还邀请了财政部长斯科特·贝森特和商务部长霍华德·卢特尼克，这表明美国可能对俄罗斯实施的制裁在这次会议上投下阴影。

▶ On the Russian side, President Putin is joined in the meeting by two very close advisors, Foreign Minister Sergey Lavrov and presidential aide Yuri Ushakov, both central to Russian foreign policy.

在俄罗斯方面，普京总统在会议中由两位非常亲近的顾问陪同，外交部长谢尔盖·拉夫罗夫和总统助手尤里·乌沙科夫，两人都是俄罗斯外交政策的核心人物。

▶ Mr. Lavrov has led the foreign ministry for over 20 years, and Ushakov previously served as Russia's ambassador to the U.S.

▶ So we have our chief North America correspondent, Gary O'Donohue, standing here with me.

所以我们有北美首席记者加里·奥多诺休和我一起站在这里。

▶ Gary, we've been speaking all morning here in Alaska, of course, evening elsewhere, but really interesting now, as these two leaders have headed into these talks, there is little now that we actually know about what is happening from what their meeting will look like, how it was prepared from President Trump's side, and how long this meeting will go.

加里，我们整个早上都在阿拉斯加交谈，当然其他地方已经是晚上了，但现在非常有趣的是，随着这两位领导人进入会谈，我们实际上对他们会议的情况、特朗普总统方面如何准备以及会议将持续多久知之甚少。

 00:03:08

▶ That's right.

没错。

▶ I mean, they've been in there over an hour now.

我是说，他们已经在那里待了一个多小时了。

▶ We have no real agenda.

我们没有真正的议程。

▶ We've seen the agenda in verbal terms fluctuate throughout the week from setting the table, right through to discussion, potentially, of swapping bits of Ukrainian territory without the Ukrainians here, right through to discussion about business opportunities.

我们看到本周的议程在口头表述中不断变化，从“摆好谈判桌”到可能讨论在没有乌克兰人在场的情况下交换乌克兰部分领土，再到讨论商业机会。

 00:03:30

▶ So there's plenty to discuss if they do range across all those issues, but at the end of the day, what people want to know is, can there be a ceasefire, can there be a pathway towards peace in Ukraine?

所以如果他们确实涉及所有这些议题，有很多可以讨论的，但归根结底，人们想知道的是，能否实现停火，能否找到通往乌克兰和平的道路？

▶ We just simply have no idea whether they're even, sort of, there's even any kind of meeting of minds on those key subjects.

我们根本不知道他们是否在这些关键议题上达成了任何共识。

▶ Talk to us a bit about what President Trump has messaged before the summit.

跟我们谈谈特朗普总统在峰会前传达的信息。

 00:03:53

▶ We saw him give a number of interviews, even on the plane ride over here, speaking to reporters, speaking to Fox News as well, and he said, "I won't be happy if President Putin walks away and there's no ceasefire."

我们看到他在飞往这里的飞机上接受了许多采访，对记者和福克斯新闻都说过，“如果普京总统离开而没有停火，我不会高兴。”

▶ He also said, "We might never meet again."

他还说，“我们可能再也不会见面了。”

▶ I mean, what did you make of all of that?

我是说，你对这一切怎么看？

▶ Well, you know he was asked what would be successes, is that what I know?

嗯，你知道他被问及什么是成功，这是我所知道的吗？

bilibili 00:04:14

▶ But I would be very unhappy if there wasn't a ceasefire.

但如果没有停火，我会非常不高兴。

▶ So that seems to be one.

所以这似乎是一个标准。

▶ There seems to be another level of success which would involve this second meeting that he's talked about, that he's very much telegraphed, including the Ukrainian President Volodymyr Zelensky and potentially some European leaders.

似乎还有另一个层面的成功，那就是他多次提到的第二次会议，包括乌克兰总统弗拉基米尔·泽连斯基和一些欧洲领导人。

▶ If that's not something that emerges from today, that will be seen, I think, as a failure as well.

如果今天没有出现这种情况，我认为那也将被视为失败。

bilibili 00:04:38

▶ I think, you know, this President has tried multiple times over the last months to end the war.

我认为，你知道，这位总统在过去几个月里多次试图结束这场战争。

▶ He promised to end it on day one, and he's been disappointed every time.

他承诺在第一天就结束战争，但每次都失望而归。

▶ And there is, I think, a hint at some of the things he's said this week that if it doesn't go his way, he would still be prepared to walk away from this.

我认为，他本周的一些言论暗示，如果事情不按他的方式进行，他仍然准备退出。

bilibili 00:05:00

▶ And you know, we really have to underline here again, Gary.

你知道，加里，我们真的必须再次强调这一点。

▶ It was extraordinary that we saw the two leaders on the red carpet, that one handshake, and Donald Trump even applauding Vladimir Putin briefly.

我们看到两位领导人在红毯上握手，特朗普甚至短暂地为普京鼓掌，这非常不寻常。

▶ And then they get into Donald Trump's car together, which wasn't planned, was it?

然后他们一起上了特朗普的车，这不是计划中的，对吧？

▶ No, that's right.

不，没错。

▶ I mean, you see that little hand clap, that little handshake, they get into the back of the beast, the famous presidential armored limo, the smile from Vladimir Putin.

我是说，你看到那个小小的鼓掌，那个小小的握手，他们上了“野兽”的后座，那辆著名的总统装甲豪华轿车，普京的微笑。

bilibili 00:05:27

▶ This is a man indicted as a war criminal by the International Criminal Court.

这是一个被国际刑事法院指控为战犯的人。

▶ Not something that the US has signed up to, not something that Russia has signed up to.

美国没有加入该法院，俄罗斯也没有。

▶ Not even so, an international pariah.

尽管如此，他还是一个国际弃儿。

▶ And here he is getting the red carpet treatment from the most powerful man in the world.

而在这里，他得到了世界上最有权势的人的红毯待遇。

▶ That for Vladimir Putin is a huge success.

对弗拉基米尔·普京来说，这是一个巨大的成功。

 00:05:49

▶ Let's actually wait and see whether Donald Trump can produce any success of his own for this meeting.

让我们拭目以待，看看特朗普能否为这次会议取得自己的成功。

▶ Fascinating historic, of course.

当然，这是引人入胜的历史性时刻。

▶ Gary will be speaking to the course of the evening here in Alaska as well.

加里今晚也将在阿拉斯加继续报道。

▶ Thank you so much for your chief North America correspondent, Gary O'Donohue.

非常感谢我们的北美首席记者加里·奥多诺休。

▶ And President Trump, we were just discussing this, was raising expectations before departing for Alaska.

我们刚才讨论的特朗普总统在前往阿拉斯加之前提高了人们的期望。

 00:06:12

▶ He posted some comments on Truth Social saying, "High stakes, that's it, just high stakes" with two exclamation points, three, rather.

他在Truth Social上发帖说：“高风险，就是这样，就是高风险”，用了三个感叹号。

▶ On Air Force One, President Trump said he could face, "President, we could face severe consequences if he refuses to end the war."

在空军一号上，特朗普总统说，“总统先生，如果他拒绝结束战争，我们可能会面临严重后果。”

▶ He was also asked by a reporter if territorial swaps are on the table to which he said that would be discussed, but he would let Ukraine make the decision.

他还被记者问及领土交换是否在讨论范围内，他说这将进行讨论，但会让乌克兰做出决定。

bilibili 00:06:36

▶ There's nothing said in stone.

没有什么是板上钉钉的。

▶ I want certain things.

我想要一些东西。

▶ I want to see a ceasefire.

我想看到停火。

▶ This is not to do with Europe.

这与欧洲无关。

▶ Europe's not telling me what to do, but they're going to be involved in the process, obviously, as well, so let's keep it.

欧洲没有告诉我该做什么，但他们显然也会参与这个过程，所以让我们继续。

▶ I want to see a ceasefire rapidly.

我想迅速看到停火。

▶ I don't know what it's going to be today, but I'm not going to be happy if it's not today.

我不知道今天会是什么样子，但如果今天没有停火，我不会高兴。

bilibili 00:06:59

🎧 Laid out his expectations for the summit where he doesn't have a seat at the table, despite the war raging in his country, the Ukrainian President, I quote President Trump's social media post saying, "Indeed, high stakes," he went on to say, "The key thing is that this meeting should open up a real path toward a just peace and a substantive discussion between leaders in a trilateral format, Ukraine, the U.S., and the Russian side."

尽管战争在他的国家肆虐，乌克兰总统没有席位，他引用了特朗普总统的社交媒体帖子说：“确实，高风险”，他接着说，“关键是这次会议应该为公正和平开辟一条真正的道路，并以乌克兰、美国和俄罗斯三边形式进行实质性讨论。”

🎧 "It is time to end the war and the necessary steps must be taken by Russia."

“是时候结束战争了，俄罗斯必须采取必要措施。”

🎧 "We are counting on America."

“我们指望美国。”

 00:07:29

🎧 "We are ready, as always, to work as productively as possible."

“我们一如既往地准备好尽可能高效地工作。”

🎧 Joining me now is Andrii Zagorodnyuk, who served as Ukraine's defense minister in 2019 and 2020.

现在加入我们的是安德烈·扎戈罗德纽克，他在2019年和2020年担任乌克兰国防部长。

🎧 Very good to have you with us.

非常高兴你能和我们在一起。

🎧 I'm wondering how you, and your President Zelensky, will be seeing this meeting between President Trump and Putin in particular starting with some of the imagery that we saw, that handshake, these two leaders together, getting in a car together.

我想知道你和你的总统泽连斯基如何看待特朗普总统和普京的这次会晤，特别是从我们看到的那些画面开始，那次握手，这两位领导人一起上了一辆车。

 00:07:58

▶ What does that signal to you, as a concern to you?

这对你来说意味着什么，你有什么担忧？

▶ Well, of course, because this is probably the biggest criminal right now living on Earth.

嗯，当然，因为这可能是目前地球上最大的罪犯。

▶ A person who murdered his own, like hundreds of thousands of people, destroyed cities and so on.

一个杀害了自己的人民，比如数十万人，摧毁城市等等的人。

▶ So, it's very tough to see that clearly that whole attention and the whole level of the meeting and massive attention and special treatment and all that is an enormous favor to Putin.

所以，很难清楚地看到整个关注和会议的整个级别、大量关注和特殊待遇，所有这些对普京来说都是巨大的恩惠。

 00:08:28

▶ We believe that this favor was given in order to, in order than to have a kind of a strong and negotiation position, however it's difficult for us to see that, obviously.

我们认为给予这种恩惠是为了在谈判中占据强势地位，但显然我们很难看到这一点。

▶ We have to see the overall outcome, but most of the people in Ukraine have to say quite skeptical about the outcome because we don't believe that Putin has changed his, like, a high-level strategy at all.

我们必须看整体结果，但乌克兰大多数人不得不对结果持相当怀疑的态度，因为我们不相信普京改变了他的高层战略。

▶ There is no single indicator that he did.

没有任何迹象表明他这样做了。

 00:08:56

▶ So we believe that he would be trying to, for lack of better word, please Trump, you know, President Trump to make sure that he is not an enemy.

所以我们认为他会试图，用更好的词来说，讨好特朗普，你知道，特朗普总统，以确保他不是敌人。

▶ But at the same time, we don't believe that he will change something dramatic and basically will, you know, change his war plans and so on.

但与此同时，我们不相信他会做出戏剧性的改变，基本上也不会改变他的战争计划等等。

▶ But we'll see.

但我们会看到。

▶ We'll see.

我们会看到。

 00:09:14

▶ President Zelensky has said we are counting on the United States and on our first one, President Trump had said, you know, if we're talking about territorial swaps, Ukraine has to sign off on that.

泽连斯基总统说我们指望美国，而特朗普总统说过，你知道，如果我们谈论领土交换，乌克兰必须同意。

▶ Does that give you confidence that Ukraine's position, Ukraine's red lines will be represented in this meeting that's going on right now?

这是否让你相信乌克兰的立场、乌克兰的红线将在目前正在进行的这次会议中得到体现？

▶ Well, that's what President Trump has said and that seems like he promised, so he's not going to trade Ukrainian territories for some promises.

嗯，这是特朗普总统所说的，看起来他承诺了，所以他不会用乌克兰的领土来换取一些承诺。

 00:09:43

▶ But frankly speaking, the territorial swaps are not going to be helpful.

但坦率地说，领土交换不会有帮助。

▶ But that's basically a dead-end solution.

但这基本上是一个死胡同的解决方案。

🎧 And it's not just because they're illegal and unconstitutional and it's not because it legitimizes Putin's acquisitions because he's swapping something he stolen from Ukraine, you know, so it's not like he's swapping any other territories, you know.

这不仅是因为它们是非法的和违宪的，也不是因为它们合法化了普京的侵占，因为他是在交换他从乌克兰偷来的东西，你知道，所以不像他在交换任何其他领土。

 00:10:08

🎧 So it's deeply unfair and from a strategic perspective, that's extremely wrong.

所以这是非常不公平的，从战略角度来看，这是极其错误的。

🎧 But more and most importantly, it doesn't bring peace.

但更重要的是，它不会带来和平。

🎧 And that's what the most important thing because even hypothetically giving up the territories for some promises of not to continue the war, these promises can be revoked at any time.

这是最重要的事情，因为即使假设为了某些不继续战争的承诺而放弃领土，这些承诺随时可以被撤销。

 00:10:29

🎧 Putin has changed his mind and there is absolutely no way to enforce that promise.

普京已经改变了主意，绝对没有办法强制执行这一承诺。

🎧 The United States is not going to provide security guarantees to Ukraine.

美国不会向乌克兰提供安全保障。

🎧 It seems like off the table.

这似乎是不可能的。

🎧 Europe cannot provide because Europe doesn't have those capabilities, so it's even theoretically impossible.

欧洲无法提供，因为欧洲没有这些能力，所以甚至在理论上也是不可能的。

🎧 So Ukraine will have to enforce that promise from Russia by itself, which is not much different from what's happening today.

所以乌克兰将不得不自己强制执行俄罗斯的这一承诺，这与今天的情况没有太大不同。

 00:10:52

🎧 And you only can give territory once.

而且你只能放弃领土一次。

🎧 And I'm saying it's hypothetically because again, I don't think the president Zelensky will entertain that idea.

我说这是假设性的，因为我不认为泽连斯基总统会考虑这个想法。

🎧 But you know, that's a false promise of something better in the future.

但你知道，那是对未来更美好事物的虚假承诺。

🎧 But it may set and stone the Russian one-kering Ukrainian land and it will be terrible for the future history, both if you're praying and the rest of the three worlds.

但这可能让俄罗斯对乌克兰土地的觊觎成为定局，对未来历史将非常糟糕，无论是对祈祷者还是其他三方世界。

 00:11:21

🎧 So what do you think it would take then for President Zelensky to now get on a plane, let's say, if President Trump were to say that the three of us are now going to meet here in Alaska, what outcome would be needed for President Zelensky to agree to that?

那么你认为需要什么条件才能让泽连斯基总统现在登上飞机，比如说，如果特朗普总统说我们三人将在阿拉斯加会面，需要什么结果才能让泽连斯基总统同意？

🎧 I think President Zelensky would come because if President Trump suggests the meeting, the peace always has to be given a chance.

我认为泽连斯基总统会来，因为如果特朗普总统提议会面，和平总是应该得到机会。

▶ We cannot walk away from the peace process because in any case, you know, we have to be in a good face, we have to follow the process, whatever that is.

我们不能放弃和平进程，因为无论如何，我们必须保持体面，必须遵循这一进程，无论它是什么。

 00:11:56

▶ But it's a question of that process has to be reasonable and it has to actually lead to peace rather than to some wrong goals.

但问题在于这一进程必须合理，并且必须真正导向和平，而不是某些错误目标。

▶ But I think President Zelensky will participate in the any meetings suggested by United States.

但我认为泽连斯基总统会参加美国提议的任何会议。

▶ We'll leave it there for today.

我们今天就此打住。

▶ Andres Egordanyok, former Defense Minister of Ukraine, very good to get your perspective on this historic summit here in Alaska.

乌克兰前国防部长安德烈·埃戈尔丹约克，很高兴在阿拉斯加这次历史性峰会上听取你的观点。

 00:12:22

▶ Thank you very much.

非常感谢。

▶ Well, President Trump said, if you might remember, he would end Russia's war in Ukraine on his first day back and off.

特朗普总统曾说过，如果你还记得，他会在重返岗位的第一天结束俄罗斯在乌克兰的战争。

▶ So reality, as we know, has proven more difficult.

但现实，如我们所知，已被证明更加困难。

▶ Let's take a look back at the events that led to today's summit.

让我们回顾一下导致今天峰会的事件。

🎧 On February 13th, President Trump spoke with President Putin for the first time in the second term, instructing his staff to lead peace negotiations on February 28th.

2月13日，特朗普总统在第二任期首次与普京总统通话，并于2月28日指示其团队主导和平谈判。

 00:12:48

🎧 President Trump and President Zelensky held their contentious overall office meeting leading Trump to briefly halt military aid and military intelligence sharing for Kiev.

特朗普总统与泽连斯基总统举行了充满争议的全面办公室会议，导致特朗普短暂停止了对基辅的军事援助和军事情报共享。

🎧 On March 18th, President Putin declared a 30-day pause on striking Ukrainian energy infrastructure.

3月18日，普京总统宣布暂停打击乌克兰能源基础设施30天。

🎧 But the atrocities continued in mid-April.

但暴行在四月中旬仍在继续。

 00:13:08

🎧 Russia launched its deadliest attack on civilians since 2023.

俄罗斯发动了自2023年以来对平民最致命的袭击。

🎧 In May, Russian and Ukrainian delegations met face-to-face in Istanbul, yielding a prisoner exchange but no ceasefire.

5月，俄罗斯和乌克兰代表团在伊斯坦布尔面对面会晤，达成了囚犯交换但未实现停火。

🎧 On July 14th, President Trump warned Russia of severe tariffs unless Russia agreed to a ceasefire within 50 days.

7月14日，特朗普总统警告俄罗斯将面临严厉关税，除非俄方在50天内同意停火。

🎧 On July 28th, he then cut that deadline down to 10 to 12 days.

7月28日，他又将这一期限缩短至10到12天。

 00:13:33

▶ As that deadline approached, Steve would cut the special envoy met President Putin in Moscow.

随着期限临近，特别使节史蒂夫在莫斯科会见了普京总统。

▶ Finally, on August 8th, which was that deadline, by the way, President Trump announced that the problem confirmed today's Alaska summit with President Putin joining me now from the BBC's newsroom is chief international correspondent, Least You've Said.

最终在8月8日（顺便一提正是最后期限），特朗普总统宣布问题已解决，确认了今天在阿拉斯加的峰会。现在与我一起在BBC新闻直播间的是首席国际记者丽莎·尤·赛义德。

▶ Least very good to talk to you.

丽莎，很高兴与你交谈。

 00:13:54

▶ I just wonder what you make of what we've seen so far today, not only the images, but the body language between President Trump and Putin.

我想知道你对今天所见有何看法，不仅是画面，还有特朗普总统与普京之间的肢体语言。

▶ And what you think we should be looking for, as we see at some point, these two leaders come out of this meeting, of course.

以及你认为我们应该关注什么，当我们看到这两位领导人最终从会议中走出来时。

▶ We don't know when that might be.

我们不知道那会是什么时候。

▶ Indeed.

确实。

▶ Well, Sumi, it's often been said that diplomacy is both symbols and substance.

苏米，人们常说外交既是象征也是实质。

▶ And from the moment we saw President Putin coming out of his plane and President Trump coming out of his, that split-screen moment, the symbols were exactly what we were.

从我们看到普京总统走出他的飞机，特朗普总统走出他的飞机那一刻起，分屏画面的象征意义正是我们所期待的。

▶ What President Putin would have wanted.

这正是普京总统想要的。

▶ Him touching down on American soil, a red carpet welcome, the warm welcome by the U.S. president, breaking that taboo, which has been enforced since Russia's full-scale invasion of Ukraine in February of 2022, that there were no meetings of this kind, no high-level symmetry between Vladimir Putin and any other Western leader.

他踏上美国土地，红毯欢迎，美国总统的热情接待，打破了自2022年2月俄罗斯全面入侵乌克兰以来实施的禁忌——即普京与任何其他西方领导人之间没有此类会晤或高层互动。

▶ That red line was crossed today on that red carpet.

今天在红毯上越过了这条红线。

▶ That's the symbolism of it.

这就是其象征意义。

▶ And of course, them getting into their cars together, all this warm.

当然，他们一起上车，这一切都很热情。

▶ Perhaps if you want to be positive about it, you'll say, well, it's set the tone for what could be a very, a very warm meeting, establishing the relationship so that they can go then behind those doors to deal with the substance.

如果你想积极看待，可以说这为可能非常热情的会议定下了基调，建立了关系，以便他们随后可以在门后处理实质问题。

▶ But as we've been hearing throughout our special coverage, Sumi, we're not really clear on what the substance is, what President Trump wants to get out of this, what President Putin wants to get out of this.

但正如我们在特别报道中听到的，苏米，我们并不清楚实质是什么，特朗普总统想从中得到什么，普京总统想从中得到什么。

▶ In the world of mediators, it's often say, mediators often say they have 500 days of failure and one day of success.

在调解界，人们常说调解人有500天的失败和1天的成功。

▶ President Trump is always in a hurry.

特朗普总统总是很匆忙。

 00:15:37

▶ You keep referring to his campaign promise to end it in a day.

你不断提到他竞选时承诺一天内结束战争。

▶ Now it's been many months.

现在已经过去好几个月了。

▶ So today he said he would be, he would be very, wouldn't be happy if there wasn't a cease-fire today.

所以今天他说他会非常——如果今天没有停火，他会很不高兴。

▶ President Putin is not interested in a cease-fire.

普京总统对停火不感兴趣。

▶ Again, a lesson from the mediators world.

再次说明调解界的教训。

▶ Ever since there was a deal made in Northern Ireland, there was talk about what was called a mutually hurting stalemate, until both sides understood that there was nothing more to be gained from military, from the military side, then they would come to the table.

自从北爱尔兰达成协议以来，人们一直在谈论所谓的"相互伤害的僵局"，直到双方都明白从军事角度无法再获得更多，他们才会来到谈判桌前。

 00:16:08

▶ President Putin believes he's winning this war.

普京总统认为他正在赢得这场战争。

▶ He must now be calculating.

他现在一定在盘算。

▶ He must have calculated before he came.

他来之前一定已经盘算过了。

▶ He's got to find a form of words, something to please President Trump, which keeps the President on his side.

他必须找到一种措辞，取悦特朗普总统，让总统站在他这边。

▶ At least I imagine European leaders are apprehensive watching all of this take place, knowing that they are not at the table.

至少我想象欧洲领导人看着这一切发生会感到担忧，因为他们不在谈判桌上。

 00:16:32

▶ President Zelensky is not at the table.

泽连斯基总统不在谈判桌上。

▶ That is true, but the Europeans did actually make some progress this week in insisting that there be a telephone conversation involving President Zelensky and European leaders before President Trump sat down with President Putin, was very much a victory for their side.

这是事实，但欧洲人本周确实取得了一些进展，坚持在特朗普总统与普京总统会面前安排泽连斯基总统与欧洲领导人的电话会议，这对他们来说是一个很大的胜利。

▶ They actually went and achieved something that they hadn't been able to achieve in these many months of trying to gain the upper hand with President Trump.

他们实际上取得了一些成果，这是他们多月来试图在特朗普总统面前占据上风都未能实现的。

 00:17:06

▶ The kind of language you've been talking about that President Trump has been using in the past few days.

你提到的特朗普总统过去几天使用的语言。

▶ We haven't heard that before.

我们以前没有听过。

▶ When he even hinted that the United States could be involved in security guarantees for any deal which emerges.

他甚至暗示美国可能参与为任何达成的协议提供安全保障。

▶ Up until now he had been saying security guarantees are for Europe.

直到现在他还说安全保障是欧洲的事。

▶ This is Europe's war.

这是欧洲的战争。

 00:17:24

▶ They're going to pay for it.

他们将为这买单。

▶ They're going to do the troops.

他们将提供军队。

▶ They're going to provide the weaponry.

他们将提供武器。

▶ Now he's saying, well, maybe the United States will be involved.

现在他说，也许美国会参与。

▶ And then he also said, well, when it comes to territory, that's for Ukraine.

然后他还说，在领土问题上，那是乌克兰的事。

▶ And yet only days ago he talked about land swaps.

然而就在几天前他还谈到土地交换。

▶ U.S. American leaders must have taken some reassurance from that.

美国领导人一定从中得到了一些安慰。

 00:17:44

▶ But there's also a risk in that.

但这也有风险。

▶ A worry in that is, after six hours with President Putin, is he going to come out talking like President Putin?

令人担忧的是，在与普京总统相处六小时后，他会不会出来时说话像普京总统？

▶ Our chief international correspondent, Lisa, said always a pleasure.

我们的首席国际记者丽莎说，总是很愉快。

▶ Thank you so much.

非常感谢。

▶ And just an update, we are hearing from reporters in the pool that the three-on-three meeting between President Trump and their advisers is still ongoing.

最新消息，我们从记者团获悉，特朗普总统及其顾问的三对三会议仍在进行中。

 00:18:14

▶ They have not moved to the larger portion of the lunch.

他们还没有进入午餐的主要部分。

▶ That means, of course, that they've been speaking for at least about an hour and a half at this point.

这意味着到目前为止他们已经谈了至少一个半小时。

🎧 So, again, that closer circle of President Trump and Putin and their advisers, they are still meeting at the moment.

所以，特朗普总统和普京及其顾问的更核心圈子此刻仍在会晤。

🎧 Now to give you an idea, this war has taken a very deadly toll on civilians and soldiers in both Ukraine and Russia.

现在让你了解一下，这场战争对乌克兰和俄罗斯的平民和士兵造成了非常致命的伤亡。

 00:18:39

🎧 Let's take a look at the numbers, because this really is significant.

让我们看看数字，因为这确实很重要。

🎧 Since the start of the war in 2022, more than one million Russian troops have been killed or injured, that is according to the British Ministry of Defense.

自2022年战争开始以来，已有超过100万俄罗斯军人伤亡，这是根据英国国防部的数据。

🎧 Ukraine, of course, has also suffered very high losses, sustaining more than 400,000 casualties with between 60,000 and 100,000 deaths.

乌克兰当然也遭受了非常高的损失，伤亡超过40万，其中6万至10万人死亡。

 00:19:00

🎧 The war in Ukraine has proven far deadlier for the Kremlin than other recent conflicts.

对克里姆林宫来说，乌克兰战争比最近的其他冲突致命得多。

🎧 For example, Russia has lost roughly 15 times more lives than those suffered during the Soviet Union's decade-long war in Afghanistan.

例如，俄罗斯的死亡人数大约是苏联在阿富汗十年战争中损失的15倍。

🎧 And 10 times that of Russia's casualties in their 13-year war in Chechnya.

是俄罗斯在车臣13年战争中伤亡人数的10倍。

🎧 So that just gives you a picture of how truly deadly and destructive this war has been both for Ukraine and for Russia.

所以这让你了解这场战争对乌克兰和俄罗斯来说是多么致命和具有破坏性。

 00:19:27

🎧 Well, for more on the summit that is happening, these talks that are taking place right now, let's bring in our North America, editor Sarah Smith, our Russia editor Steve Rosenberg, both of them are at the joint-based Umndorff, Richard Sin, where, of course, we are expecting a press conference to take place at some point later in the day.

关于正在进行的峰会和当前正在举行的会谈，让我们请来北美编辑莎拉·史密斯和俄罗斯编辑史蒂夫·罗森伯格，他们都在联合基地乌姆多夫，理查德·辛，当然我们预计今天晚些时候会举行新闻发布会。

🎧 But Sarah, starting with you, I mean, I would love to get a reaction from both of you.

但莎拉，从你开始，我想听听你们两位的反应。

🎧 Just what we've seen so far, of course, we haven't heard the leaders take any questions, but take us through what we've experienced to this point.

就我们目前所见，当然我们还没有听到领导人回答任何问题，但带我们回顾一下我们到目前为止的经历。

 00:19:58

🎧 I was very struck by just how worn that welcome was that Donald Trump gave to Vladimir Putin.

我对特朗普给予普京的热情欢迎印象深刻。

🎧 I mean, he literally and metaphorically rolled out the red carpet for his arrival back on American soil for the first time in 10 years since Vladimir Putin has been here.

我的意思是，他实际上和象征意义上都为普京十年来首次重返美国土地铺上了红地毯。

🎧 And that's pretty high stakes for Donald Trump to do that, because he is not guaranteed the outcome of this summit.

特朗普这样做风险很高，因为他不能保证这次峰会的结果。

 00:20:22

▶ It's really, really unusual for us to be here at such a high level meeting.

对我们来说参加如此高级别的会议真的非常不寻常。

▶ And have no idea what's likely to be agreed.

而且不知道可能会达成什么协议。

▶ And as far as we understand it, the principles in the room don't know what's going to be agreed.

据我们了解，房间里的主要人物也不知道会达成什么。

▶ Normally, these kind of things, it has worked out well in advance.

通常这类事情会提前安排好。

▶ There have been lots and lots of meetings and pre-meetings.

会有很多很多会议和预备会议。

 00:20:40

▶ And basically, you know, the two heads of state meet to sign off what their staff have agreed.

基本上，你知道，两国元首会面是为了签署他们的工作人员已经商定的内容。

▶ That doesn't seem to be the case here.

这里似乎不是这样。

▶ They have been contacts between Russia and America, but we just don't know if Vladimir Putin will agree to a ceasefire to stop the fighting in Ukraine, which is Donald Trump's clear demand from these talks.

俄罗斯和美国之间有接触，但我们就是不知道普京是否会同意停火以停止乌克兰的战斗，这是特朗普总统对这次会谈的明确要求。

 00:20:58

▶ And we're all here waiting to find out whether or not that will be the outcome.

我们都在这里等待看看这是否会成为结果。

▶ Steve, you know, I've been speaking with you through the course of the day, and you've said clearly for President Putin, you saw he was all smiles as he arrived, as he got in the car with President Trump beyond that, however.

史蒂夫，你知道，我今天一直在和你交谈，你清楚地表示，对普京总统来说，你看到他到达时满面笑容，和特朗普总统一起上车时也是如此，然而除此之外。

▶ How do you see the Russians' perspective about these negotiations?

你如何看待俄罗斯人对这些谈判的看法？

bilibili 00:21:21

▶ What do we know about how this was prepared and what President Putin will be presenting President Trump?

关于这次会谈的准备和普京总统将向特朗普总统提出什么，我们知道些什么？

▶ Well we don't know whether that is Putin is prepared to make any compromise, any concessions.

我们不知道普京是否准备做出任何妥协或让步。

▶ He's shown no sign of that up to this point on the question of Ukraine.

在乌克兰问题上，到目前为止他还没有表现出任何迹象。

▶ Donald Trump has been urging him to sign up to a ceasefire in Ukraine, but that is when Putin's position up to this point has been, well why should I?

特朗普总统一直敦促他签署乌克兰停火协议，但普京迄今为止的立场是，我为什么要这样做？

bilibili 00:21:53

▶ Everything is going okay for me on the battlefield.

战场上一切对我来说都很顺利。

▶ Russia is winning for us, he believes, this war, and so why stop now?

他认为俄罗斯正在赢得这场战争，那么为什么要现在停止？

▶ So will Donald Trump convince Vladimir Putin at these talks to change his position and to sign up to a ceasefire?

唐纳德·特朗普会在这次会谈中说服弗拉基米尔·普京改变立场并同意停火吗？

▶ We'll know perhaps in a few hours' time that this press conference has been prepared behind this.

我们或许在几小时后就会知道，这次新闻发布会已经为此做好了准备。

bilibili 00:22:16

▶ Apart from that, I think what we can expect are deals perhaps on economic cooperation.

除此之外，我认为我们可以期待的可能是一些经济合作协议。

▶ There was talk of some kind of nuclear deal too.

也有人提到某种核协议。

▶ Clearly I think both men want to show that they're building a new partnership, that this US-Russia partnership is going places.

显然，我认为两人都想展示他们正在建立一种新的伙伴关系，这种美俄伙伴关系正在取得进展。

▶ And I think the place where the summit is happening is symbolic.

我认为峰会举办的地点具有象征意义。

bilibili 00:22:36

▶ You know, where Russia and America are so close geographically, that's a symbol.

你知道，俄罗斯和美国在地理上如此接近，这是一种象征。

▶ And also so far from Europe and so far from Ukraine, that's symbolic too.

而且远离欧洲和乌克兰，这也具有象征意义。

▶ Sarah, I want to ask you what you think of the three-on-three meeting and President Trump having Steve Woodcott, the special envoy and the Secretary of State, Mark Rubio with him in the room.

莎拉，我想问问你对这次三对三会议的看法，以及特朗普总统让特别代表史蒂夫·伍德科特和国务卿马克·卢比奥与他一起在房间里。

 00:23:00

▶ What do you make of that and how they might be approaching this from what we've seen in the last few weeks?

你对此有何看法？根据过去几周的情况，他们可能会如何应对？

▶ Yes, fascinating is that because we had been led to believe that some portion of the talks would be just Vladimir Putin and Donald Trump in a room with translators, but not the rest of their aids and advisors and cabinet members.

是的，有趣的是，我们之前一直以为部分会谈将只有弗拉基米尔·普京和唐纳德·特朗普在房间里，带着翻译，而没有其他助手、顾问和内阁成员。

▶ And that's not how it's worked out.

但事实并非如此。

 00:23:22

▶ There are, as you say, three principles on each side in these talks.

正如你所说，这次会谈中双方各有三位主要人物。

▶ Steve Woodcott, whom you mentioned, is Donald Trump's special envoy, who has been back and forward to Russia several times, has met with Vladimir Putin and talked about what a settlement in Ukraine might look like and ferry those messages back to Washington to Donald Trump, but has not been able yet to tell him exactly what a deal would look like.

你提到的史蒂夫·伍德科特是特朗普的特使，他曾多次往返俄罗斯，与普京会面，讨论乌克兰问题的解决方案，并将这些信息带回华盛顿给特朗普，但尚未能确切告诉他协议的具体内容。

▶ And then Mark Rubio, the Secretary of State, he's in there.

然后是国务卿马克·卢比奥，他也在场。

 00:23:48

▶ He is more of a Russia halt.

他对俄罗斯的态度更为强硬。

⏮ He has been much more critical of Vladimir Putin than Donald Trump himself has been and and much more strict about wanting to see a ceasefire in Ukraine before they go further with any other talks, much more hawkish about trying to defend Ukraine, essentially, than Donald Trump has sounded in a lot of his rhetoric.

他比特朗普本人对普京的批评更为严厉，也更坚持在进一步谈判前看到乌克兰停火，本质上比特朗普的许多言论更倾向于捍卫乌克兰。

⏮ So it may be that by having more of these advisors in the room, Donald Trump is going to be curtailed from, perhaps, giving away too much to Vladimir Putin.

因此，让更多顾问在场可能会限制特朗普向普京让步过多。

 00:24:17

⏮ That might be why they've insisted on being there.

这可能是他们坚持在场的原因。

⏮ But the truth is, we just don't know what's going on behind those closed doors and we won't know until they come out and possibly give us a joint press conference, both the presidents of Russia and America together on the stage talking to the Gallaudet press here, but Donald Trump has said if it doesn't go well, then maybe you won't do a joint press conference.

但事实是，我们不知道闭门会谈中发生了什么，只有等他们出来并可能举行联合新闻发布会时才会知道，届时俄美两国总统将一起上台向这里的加劳德特媒体讲话，但特朗普说过，如果进展不顺利，可能就不会举行联合新闻发布会。

⏮ Maybe he'll just go down and he's playing and go back to Washington.

也许他会直接离开，返回华盛顿。

 00:24:39

⏮ If he does that, we'll know it really didn't go well.

如果他这样做，我们就知道会谈确实不顺利。

▶ Steve, just quickly before we let you go, you have been at press conferences with President Putin in the past.

史蒂夫，在你离开前简单说一下，你过去参加过普京总统的新闻发布会。

▶ Just give us a sense of what you might expect to see in a joint press conference.

给我们讲讲你对联合新闻发布会的预期。

▶ Well, first of all, I think that I'm a Putin is going to enjoy this.

首先，我认为普京会享受这次机会。

▶ When he's up on that stage on the podium, he'll be in the geopolitical spotlight.

当他站在讲台上时，他将处于地缘政治的聚光灯下。

 00:25:07

▶ He'll be exactly where he wants to be.

他将处于他想要的位置。

▶ You know, center stage, the world's attention, everyone listening to what he's going to say.

你知道，舞台中央，全世界的注意力，所有人都在听他要说什么。

▶ And, you know, he was a pariah because of his full-scale invasion of Ukraine.

而且，你知道，他因为全面入侵乌克兰而成为众矢之的。

▶ He's gone from that to someone sitting at the top table of global politics with Donald Trump.

他从那种处境变成了与特朗普一起坐在全球政治顶级谈判桌前的人。

▶ So it'll be interesting to see what they say at the press conference.

因此，看看他们在新闻发布会上说什么会很有趣。

 00:25:30

🎧 I remember the press conference in Helsinki in 2018, the Trump Putin press conference, which is quite astonishing because on the question of whether Russia meddled in the U.S. presidential election, Donald Trump took the side of that image Putin over the U.S. intelligence agencies, which is quite astonishing.

我记得2018年赫尔辛基的特朗普-普京新闻发布会，那相当令人震惊，因为在俄罗斯是否干预美国总统选举的问题上，特朗普站在了普京那边，而不是美国情报机构，这相当惊人。

🎧 So we'll wait to see what they say this time.

所以我们将等待看看他们这次会说什么。

🎧 Right. Okay, Steve, Sarah, fascinating.

好的，史蒂夫、莎拉，非常有趣。

 00:25:55
