

Britain, Canada, Australia Recognize Palestinian State in Historic Shift

【BBC News 20250922 以色列重大外交挫折 | 英国、加拿大和澳大利亚联合宣布正式承认巴勒斯坦为主权国家】

Summary: Britain, Canada, and Australia have jointly announced formal recognition of Palestine as a sovereign state, marking a significant foreign policy shift. The move aims to revive hopes for a two-state solution amid ongoing criticism of Israel's military operations in Gaza. Israeli Prime Minister Benjamin Netanyahu condemned the decision as "rewarding terrorism," while Palestinian representatives welcomed it as long-overdue recognition of their rights. The recognition is largely symbolic for now, with significant practical barriers remaining, including Hamas's control of Gaza and Israeli settlement expansion. Additional countries are expected to follow suit at the UN General Assembly this week.

摘要：英国、加拿大和澳大利亚联合宣布正式承认巴勒斯坦为主权国家，标志着外交政策的重大转变。此举旨在重启两国解决方案的希望，同时以色列在加沙的军事行动持续受到批评。以色列总理内塔尼亚胡谴责该决定是"对恐怖主义的奖励"，而巴勒斯坦代表则欢迎这一迟来的权利承认。目前承认主要具有象征意义，仍存在重大实际障碍，包括哈马斯对加沙的控制和以色列定居点扩张。预计本周联合国大会期间将有更多国家跟进。

 I think that what I'm feeling probably representative of a lot of hostage family and our citizens, it's a lot of frustration.

我认为我的感受可能代表了许多#人质#家庭和我们的公民，那就是充满了#挫败感#。

 00:08:57

 I feel it's a diversion of the main conversation, putting the pressure, putting the conversation in a different direction.

我觉得这是对主要议题的#转移#，把压力、把对话引向了一个不同的方向。

 Instead of focusing on how we can end this war, I'm longing for this war to end for a very, very long time.

而不是专注于如何结束这场战争，我#渴望#这场战争结束已经很久很久了。

我们想要拯救生命。

 We want to see our hostages back.

我们希望看到我们的人质回来。

🎧 We also want to see a decrease of suffering in this region and securing our safety.

我们也希望看到这个地区的苦难减少，并保障我们的安全。

bilibili 00:09:24

🎧 But this is unrelated to what is going on today, the UN.

但这与今天在联合国发生的事情无关。

🎧 And I also feel that the pressure is being put on the very wrong side.

而且我也觉得压力被施加在了完全错误的一方。

🎧 How can you pressure hummus to end this war, to make an end to this immense suffering that is going on and on because they refuse to lay down their arms and bring back our hostages.

你怎么能向哈马斯施压来结束这场战争，结束这持续不断的巨大苦难呢？正是因为他们拒绝放下武器并归还我们的人质，才导致这一切。

bilibili 00:09:51

🎧 How is this helpful?

这有什么帮助呢？

🎧 But Gilly, so many of the hostage families, many of whom I've spoken to in Israel, were very much in, still are many of them in favor of peace and many of the hostages themselves.

但是吉利，很多人质家属，我在以色列和他们中的许多人交谈过，他们过去非常，现在仍然有许多人支持和平，许多人质本人也是如此。

🎧 I'm not perhaps also your sister worked for that and worked for a two-state solution.

或许你的姐姐也为此努力过，为两国方案努力过。

🎧 Isn't that what this recognition is trying to achieve just to say that is the end political goal here?

这不正是这次承认试图达到的目的吗？不就是说这是最终的政治目标吗？

▶ First of all, and someone that I worked for peace, I'm a peace educator.

首先，我是一个为和平工作的人，我是一名和平教育者。

▶ This is what I did.

这就是我所做的。

▶ Very big portions of my life, of course, also my family, my sister.

但是和平与两国方案，首先，它们不是一回事。

▶ It's not the say, it's not the same thing.

这不是一回事，不是一回事。

▶ It's not peace can hopefully be achieved in many ways, in order to put all the emphasis only on one solution, whether I agree with it or not.

和平有望通过多种方式实现，不能把所有重点只放在一种解决方案上，无论我同意与否。

▶ We need to lay very strong foundations before we get to the final solutions and we are very, very far away from this.

在达成最终解决方案之前，我们需要打下非常坚实的基础，而我们离这一点还非常非常遥远。

▶ So, currently I do not see what is the main goal here.

所以，目前我看不出这里的主要目标是什么。

▶ What is the point?

重点是什么？

▶ If you want to talk about peace, first of all, you need to be realistic and talk about what is going on on the ground.

如果你想谈论和平，首先，你需要现实一点，谈谈实地正在发生什么。

 00:11:20

▶ On the ground we have a war with a fundamentalistic, jihadist leadership of the Palestinians.

在实地，我们正在与一个原教旨主义、圣战的巴勒斯坦领导层作战。

▶ That is controlling Gaza, not willing to concede, not willing to lay down its arms, and very, very popular at the West Bank where your administration wants to form an independent state that will also be controlled by Hamas.

这个领导层控制着加沙，不愿让步，不愿放下武器，并且在西岸非常非常受欢迎，而你们的政府却想在那里建立一个也将由哈马斯控制的独立国家。

▶ How is this leading us to this?

这怎么会把我们引向这个目标呢？

 00:11:49

▶ Although I have to say that the Tsukkis, Dama and others have said they will have nothing to do with Hamas in the future, but you have to ask, is your leadership serious?

尽管我不得不说，巴勒斯坦权力机构（PA）和其他人说过他们未来将与哈马斯毫无关系，但你必须问，你们的领导层是认真的吗？

▶ Because they cannot even help us win this very justified war against Hamas.

因为他们甚至不能帮助我们打赢这场非常正义的对抗哈马斯的战争。

▶ They did not put any reliable pressure, not diplomatic, no economic, not military, on Hamas or their supporters like Qatar and Iran.

他们没有对哈马斯或其支持者如卡塔尔和伊朗施加任何#可靠的#压力，没有#外交#压力，没有经济压力，也没有军事压力。

 00:12:27

▶ They did nothing, almost nothing that is effective.

他们什么也没做，几乎没做任何有效的事。

🎤 So how can they promise that?

那么他们怎么能承诺那一点呢？

🎤 You have to take them seriously and ask, if you say that, how can you promise that when you have zero accountability, you have no proof of any either willingness or effectiveness of dealing with the leaderships of the Palestinians.

你必须认真对待他们并问，如果你这么说，当你零问责、没有任何证据表明你有意愿或能有效处理巴勒斯坦领导层时，你怎么能承诺这一点？

 00:12:54

🎤 We are two years into the war, after one of the worst massacres in our history and modern history.

这场战争已经打了两年，这是发生在我们历史上和现代史上最严重的大屠杀之一。

🎤 What is the UK administration, your leadership, has done effectively to assure that Hamas is not going to be in control of the Palestinians?

🎤 Well, France is among other nations expected to follow suit this week at the UN General Assembly in New York by recognizing a Palestinian state.

法国是预计将于本周在纽约联合国大会上效仿此举、承认巴勒斯坦国的其他国家之一。

🎤 Here's the French President Emmanuel Macron, speaking to our U.S. partner, CBS.

法国总统埃马纽埃尔·马克龙接受了我们的美国合作伙伴CBS的采访。

🎤 The objective of Hamas is absolutely not to create the Palestinian state.

哈马斯的目标绝对不是建立巴勒斯坦国。

▶ The objective of Hamas is to destroy Israel, to convince the maximum number of people that they have no chance to have peace and stability and precisely a Palestinian state.

哈马斯的目标是摧毁以色列，是让尽可能多的人相信他们没有机会获得和平与稳定，确切地说，没有机会建立巴勒斯坦国。

bilibili 00:13:48

▶ And to kill the maximum number of Israeli people, and this is why, if we want to stop this why, if we want to isolate Hamas, the recognition process and the peace plan which goes with this recognition process is a precondition.

并且杀害尽可能多的以色列人，这就是为什么，如果我们想阻止这一点，如果我们想孤立哈马斯，承认进程以及伴随这一进程的和平计划就是一个先决条件。

▶ So my first point is to say, I don't answer the MS with that.

所以我的第一点是要说，我这样做并不是在回应哈马斯的期望。

▶ I don't meet the expectations of Hamas.

我没有满足哈马斯的期望。

bilibili 00:14:12

▶ Hamas is just obsessed by destroying Israel.

哈马斯只是一心想着摧毁以色列。

▶ But I recognize the legitimacy of so many Palestinian people who want a state, who are a people, they want a nation, they want a state, and we should not push them toward Hamas.

但我承认那么多想要一个国家的巴勒斯坦人的合法性，他们是一个民族，他们想要一个民族国家，想要一个国家，我们不应该把他们推向哈马斯。

▶ If we don't offer them a political perspective and such a recognition, the unique answer will be security and they will be completely trapped by Hamas as the unique option.

如果我们不向他们提供政治前景和这样的承认，唯一的答案将是安全，他们将完全被哈马斯困住，将其作为唯一的选择。

▶ James started by asking his reaction to today's recognition of a Palestinian state.

詹姆斯首先询问了他对今天承认巴勒斯坦国的反应。

▶ They recognize after 140 countries have already recognized the state of Palestine.

他们是在140个国家已经承认巴勒斯坦国之后才承认的。

 00:15:02

▶ I do believe it's very important, especially if after the recognition it is translated into a genuine commitment to make peace under two states' solution a reality.

我确实认为这非常重要，特别是在承认之后，如果能转化为真正的承诺，使两国解决方案下的和平成为现实。

▶ But people say a two-state solution, you know, it's a slogan.

但人们说两国方案，你知道，它是一个#口号#。

▶ It's no longer a viable option.

它不再是一个#可行的#选择。

▶ It's something that is trotted out by politicians, but actually the chances of getting there are close to zero.

它是政客们老生常谈的东西，但实际上实现它的机会接近于零。

 00:15:27

▶ Well, the two-state solution is still the right of the Palestinian for self-determination.

嗯，两国方案仍然是巴勒斯坦人自决的权利。

▶ It's still a concept which will allow the Palestinian to live in their homeland, which is Palestine.

它仍然是一个能让巴勒斯坦人生活在他们的家园——巴勒斯坦——的概念。

🎧 So it is true that the two-state solution has been more even for far too long, but today I really hope that after what happened in the region, there is a genuine wake-up call to make this finally a reality.

所以确实，两国方案被更多地谈论已经太久了，但今天我真的希望，在该地区发生这些事情之后，能有一个真正的警钟，最终使其成为现实。

🎧 We have two people, one land or two lands, they have to live together.

我们有两个民族，一块土地或两块土地，他们必须生活在一起。

🎧 What does recognition mean for people on the ground in

承认对实地的人们意味着什么

🎧 Gaza?

加沙？

🎧 For the time being, it doesn't mean anything as long as there is not a genuine ceasefire, but there is a hope for the people in Gaza that if these countries are going for recognition, that we will also redouble the effort to make the ceasefire first a reality.

就目前而言，只要没有真正的停火，这就没有任何意义，但加沙人民希望，如果这些国家打算承认，我们也会加倍努力，首先实现停火。

 00:16:26

🎧 So you think that even for people in Gaza who are thinking about safety, security, food, a house or something to shelter themselves in, they still need that hope of a political horizon.

所以你认为，即使对于正在考虑安全、保障、食物、房屋或某种庇护所的加沙人来说，他们仍然需要那种政治前景的希望。

🎧 Well, anyone to survive needs to believe that there will be a better future, because if you do not have this kind of believer, what remains?

嗯，任何要生存下去的人都需要相信会有更美好的未来，因为如果你没有这种信念，还剩下什么？

⏮ No hope in this hell, I mean this is unbearable, I remember people saying that when they had no hope anymore, I wish I would die because I might go to the real hell and maybe in this real hell we will be better treated and we will be far food.

在这个地狱里没有希望，我的意思是这难以忍受，我记得人们说，当他们不再有希望时，我宁愿死去，因为我可能会去真正的地狱，也许在那个真正的地狱里，我们会得到更好的待遇，会有充足的食物。

bilibili 00:17:05

⏮ This is certainly not the kind of future you hope for the people of Gaza.

这当然不是你希望加沙人民拥有的那种未来。

⏮ Is there a risk that this recognition is counterproductive, that it creates a political row with Israel and that actually hinders efforts to get aid into Gaza?

是否存在这种承认适得其反的风险，即引发与以色列的政治争端，并实际阻碍向加沙提供援助的努力？

⏮ Well, there will be a reaction, there is no doubt, but we have to overcome this reaction.

嗯，会有反应，这是毫无疑问的，但我们必须克服这种反应。

bilibili 00:17:27

⏮ I think this recognition has to be accompanied by your genuine commitment to involved, invest in a peace process into region.

🎧 I asked him for his thoughts ahead of the memorial service.

我请他在#纪念#仪式前谈谈他的想法。

🎧 They just paint the picture for us if you can, likely to be on a similar kind of scale.

如果可以的话，请为我们描述一下情况，规模可能类似。

🎧 We understand almost a state funeral.

我们了解到这几乎是一场国葬。

🎧 I think the scale is what strikes you the first.

我认为规模是首先让你震惊的。

🎧 As soon as you sort of make your way towards this venue behind me, that stadium is where the memorial service is going to be held and you know, as soon as we turned into that, the last stretch heading towards that, it took us about two hours to cover a stretch which was just about one mile because there were just cars lined up trying to get to the venue.

一旦你朝我身后的这个场地走去，那个体育馆就是举行纪念仪式的地方，你知道，我们一拐进那条路，最后一段通往那里的路，我们花了大约两个小时才走完仅仅一英里左右的路程，因为汽车排着长队试图到达场地。

bilibili 00:19:23

🎧 That is also partly because this is such a massive security operation as well because you've got those high profile visitors who will be coming into this stadium.

这部分也是因为这是一场大规模的安全行动，因为有那些高调的访客将来到这个体育馆。

🎧 And then when we got here, we saw a huge crowd just in snaking lines trying to make their way to the stadium which to be honest over the last half an hour or so, it's thinned down because a lot of them have finally managed to make their way in.

当我们到达这里时，我们看到巨大的人群排着蜿蜒的长队试图进入体育馆，说实话，在过去的半小时左右，人群已经变少了，因为很多人终于设法进去了。

⏮ Some of them who we spoke to decided to give up because they've been standing in line since three or four or even six in the morning.

我们与之交谈的一些人决定放弃，因为他们从凌晨三四点甚至六点就开始排队了。

🎵 00:19:50

⏮ So they kind of just gave up and decided to go on.

所以他们有点放弃了，决定离开。

⏮ But it's been quite a short strength, not just because turning point USC, the North for profit organization, the Charlie Cook founded when he was 18 and 20.

但这股力量相当短暂，不仅仅是因为转折点USC（注：此处原文Charlie Cook似为Charlie Kirk之误，组织名Turning Point USA），查理·柯克在18到20岁时创立的非营利组织。

⏮ It's a headquartered here.

它的总部就在这里。

⏮ But also we've heard a lot of people who have been coming in from other states as well.

但我们也听说有很多人从其他州赶来。

🎵 00:20:07

⏮ I spoke to a few people who came in from states like California and other parts of the US as well to show support on a day like this which they feel is very important as they told me to honor the life and legacy of Charlie Cook.

我和一些从加利福尼亚等州和美国其他地区来的人交谈过，他们在这个他们认为非常重要的日子来表示支持，正如他们告诉我的，是为了纪念查理·柯克（注：原文为Cook，应为Kirk）的生命和遗产。

⏮ And a run today to a memorial or a killing I should say that has taken on a deeply political dimension too, not unifying as I suppose it could have been but perhaps further polarising the United States.

而今天的一场纪念活动，或者我应该说一场杀戮，也呈现出深刻的政治维度，并不像我猜想的那样具有团结性，反而可能进一步加剧美国的两极分化。

Well certainly and you know when speaking to a lot of people this is the 10th of September since this incident took place and it's it's something that a lot of these analysts have pointed out that you know it's something that has definitely bruised the political spectrum of the US, of US politics in what is being seen widely especially by the conservatives as a political assassination.

当然，你知道，当与很多人交谈时，这是事件发生后的9月10日，许多分析人士指出，这确实挫伤了美国的政治光谱，美国政治，尤其被保守派广泛视为一次政治暗杀。

 00:20:55

You know here was a man they say who was engaged in debate who was trying to generate opinions and trying to you know speak to people and sort of get them in conversation who was who was eliminated by a bullet so that's that's the sort of emotional appeal that has come in from the conservative side but you know you know as popular as he was he was also a very polarising figure because of his views and hard views on some very very indentionous issues that have dominated the discourse here in the US politics as well as you know society.

你知道，他们说他是一个参与辩论、试图激发观点、试图与人交谈并引导对话的人，却被一颗子弹消灭了，所以这就是来自保守派的那种情感诉求，但你知道，尽管他很受欢迎，但由于他在一些非常、非常有争议的、主导美国政治和社会话语的问题上的观点和强硬立场，他也是一个非常有分歧的人物。

Now two newspapers here in the UK have reported on an email from the Duchess of York to the late convicted sex offender Jeffrey Epstein in which she described him as a supreme friend.

现在，英国的两家报纸报道了约克公爵夫人发给已定罪的性犯罪者杰弗里·爱泼斯坦的一封电子邮件，她在邮件中称他为“至高无上的朋友”。

 00:21:39

▶ The gushing email came weeks after Sarah Ferguson who was once married to Prince Andrew publicly distanced herself from Epstein saying she would never have anything to do with him again.

在这封热情洋溢的邮件发出几周前，曾与安德鲁王子结婚的莎拉·弗格森公开与爱泼斯坦保持距离，称她绝不会再与他有任何瓜葛。

▶ A spokesperson former's Ferguson says the email was sent to counter a threat that Epstein had made to sue her for defamation.

弗格森的一位发言人表示，发送这封邮件是为了应对爱泼斯坦威胁要#起诉#她诽谤。

▶ For more on this I spoke a little earlier to the royal commentator and former BBC royal correspondent Jenny Bond.

关于此事，我稍早前与王室#评论员#、前BBC王室#记者#珍妮·邦德进行了交谈。

 00:22:04

▶ This is a story that's rumbled on for well I remember talking about it in 2012 so we're talking more than a decade.

这是一个持续发酵的故事，我记得在2012年就谈论过它，所以我们已经谈了十多年了。

▶ I think it's deeply disturbing it's embarrassing it's humiliating and it's enormously distasteful to think that the Duchess of York was continuing an association even just by email with a convicted sex offender and calling him a supreme friend even if it was because she was trying to stop a lawsuit, a defamation lawsuit because this time it didn't just involve her and if you think back you know 1992 when she was caught with her toes being sucked by her financial advisor we all thought that couldn't really get much worse but that was just her personal nightmare if you like but this is a nightmare that involved obviously many underage girls and for them to be part of this latest royal scandal and really don't think things go much worse now for for Sarah Ferguson.

我认为这非常令人不安、尴尬、羞辱，而且极其令人反感，想到约克公爵夫人即使只是通过电子邮件与一个定罪的性犯罪者保持联系，并称他为“至高无上的朋友”，即使这是因为她试图阻止一场诉讼，一场诽谤诉讼，因为这次不仅仅涉及她，如果你回想一下1992年，她被拍到脚趾被她的财务顾问吮吸，我们都以为情况不会更糟了，但那只是她个人的噩梦，如果你愿意这么说的话，但这是一个显然涉及许多未成年女孩的噩梦，而她们也卷入了这最新的王室丑闻，真的认为现在对莎拉·弗格森来说情况不会更糟了。
