如前所述，多位欧洲领导人将于周一赴华盛顿与泽连斯基会合，我们请英国政治记者莱拉·纳图分析会谈对乌克兰未来的预期。

▶ Leyla, very visible show of support here from European allies.

莱拉，欧洲盟友展现出高度可见的支持。

▶ Talk us through Kierstarmher's position and what he wants to get out of these talks.

请分析基尔·斯塔默的立场及他想从会谈中获得什么。

 00:08:19

🎧 Well, Kierstarmher has been chairing a call today, along with President Macron of the so-called coalition of the willing, those nations that have agreed to support Ukraine and pledge to support their long-term security in the event of a peace deal.

斯塔默今天与马克龙总统共同主持“意愿联盟”电话会议，该联盟国家同意支持乌克兰并承诺在和平协议后保障其长期安全。

🎧 Now, yesterday after that debrief that they got from President Trump, it was interesting to see Kierstarmher actually put out his own statement in addition to the joint European statement, the response to President Trump's debrief of the Alaska summit, kind of going further really than the European nations in his praise for President Trump's leadership.

昨天听取特朗普汇报后，斯塔默除联合欧洲声明外还单独发表声明回应阿拉斯加峰会汇报，其对特朗普领导力的赞扬甚至超越欧洲国家。

🎧 So clearly, playing that role of a bit more of a bridge between Europe and the US.

显然他更多扮演欧美桥梁角色。

 00:09:03

🎧 Now today, interestingly, there was only a joint statement from President Macron and Kierstarmher together, no individual one from Kierstarmher.

有趣的是，今天仅有马克龙与斯塔默的联合声明，斯塔默未单独发声。

🎧 So I think today it's very much European nations trying to present a united front standing up with President Zelensky in that very visible show of support really to try to bolster President Zelensky's position going into those talks with President Trump tomorrow.

我认为今天欧洲国家更试图展现团结立场，通过高调支持泽连斯基以增强其明日与特朗普会谈的地位。

🎧 Now, it appears that actually the suggestion for European leaders to join President Zelensky tomorrow in Washington actually came from President Zelensky himself and then that was supported by Donald Trump, hence that element of the trip being quite hastily arranged.

实际上，欧洲领导人赴华盛顿与泽连斯基会合的建议似乎由泽连斯基本人提出，后获特朗普支持，因此行程安排仓促。

bilibili 00:09:43

▶ But it is an important show of solidarity and you can see from the official statement, the readout of that call, what they are interested in.

但这是重要的团结姿态，从官方声明和通话记录可见他们的关注点。

▶ So President Macron, excuse me, and Kierstarmher's statement stressed that the reassurance force promised by the coalition of the winning was ready to be deployed once fighting at end.

马克龙与斯塔默的声明强调，“胜利联盟”承诺的安抚部队准备在战斗结束后部署。

▶ They also welcomed President Trump's apparent commitment to provide security guarantees for Ukraine.

他们还对特朗普明显承诺提供安全保障表示欢迎。

bilibili 00:10:10

▶ That is something that they will obviously want to pin him down on.

这显然是他们希望特朗普落实的。

▶ Kierstarmher, I'm told, also stressed the need to hit Moscow with further sanctions.

据悉斯塔默还强调需对莫斯科实施进一步制裁。

▶ That is something that President Trump didn't mention in the aftermath of Alaska.

这是特朗普在阿拉斯加会谈后未提及的。

▶ But the immediate aim really of Kierstarmher and all European nations is to get President Zelensky in the room, the next time President Trump and President Putin come face to face to discuss the future of Ukraine and the potential end to the war.

但斯塔默及欧洲国家的直接目标是让泽连斯基参与下次特朗普与普京的面对面会谈，讨论乌克兰未来及可能的战争结束。

bilibili 00:10:38

▶ So it is going to be a flying visit for Kierstarmher and other European allies tomorrow in Washington, but certainly an important one.

因此斯塔默及其他欧洲盟友明日华盛顿之行虽短暂但至关重要。

🎧 Leyla Nathoud there.

莱拉·纳图报道。

🎧 While President Zelensky is once again reiterated the need for a ceasefire before any substantive talks on a final peace deal in the war, this is the current situation on the ground.

泽连斯基再次强调在最终和平协议实质性谈判前需停火，以下是当前地面局势。

bilibili 00:10:57

🎧 Areas controlled by Russia in the east are marked in red and it's the Luhansk and Donetsk areas which make up the Donbas region, which Russia wants in any final settlement, including parts still currently under Ukrainian control.

东部俄控区以红色标注，卢甘斯克和顿涅茨克地区构成顿巴斯，俄罗斯希望在最终解决方案中获得该地区，包括目前乌控部分。

🎧 Well, joining us live now is Charles Cookchan, he's a senior fellow at the Council on Foreign Relations and Professor of International Relations at Georgetown University, Professor Cookchan.

现在连线的是查尔斯·库普钱，他是外交关系委员会高级研究员及乔治城大学国际关系教授。

🎧 Good to have you with us again.

再次欢迎您。

bilibili 00:11:23

🎧 I always appreciate you joining us on the program.

感谢参与节目。

🎧 There's been discussion about this article five like security guarantee for Ukraine.

关于对乌克兰类似《第五条》的安全保障已有讨论。

🎧 Of course, referring to the article five agreement in NATO, meaning an attack on one is an attack on all.

当然，这指北约《第五条》协议，即对一国的攻击视为对全体的攻击。

🎧 How do you envisage this could look for some kind of Ukrainian security guarantee?

您认为乌克兰的安全保障可能如何实现？

 00:11:44

🎧 I think at this point, we just don't know the answer to that question.

我认为目前尚无法回答。

🎧 I'm somewhat skeptical that what emerges is going to be article five like because that would suggest an iron clad legally binding Senate ratified American commitment to the defensive Ukraine.

我怀疑最终结果会类似《第五条》，因为这需要美国参议院批准具有法律约束力的对乌防御承诺。

🎧 We now have in the Trump administration many who aren't sure they want to send more weapons to Ukraine.

当前特朗普政府中许多人不确定是否应向乌提供更多武器。

 00:12:14

🎧 Trump himself has yet to announce whether he's going to ask Congress to send more weapons to Ukraine.

特朗普本人尚未宣布是否会要求国会向乌提供更多武器。

🎧 And so I'm guessing it's going to be something short of a Senate ratified article five commitment.

因此我猜测结果将弱于参议院批准的《第五条》式承诺。

🎧 A security pact, a pledge that the United States will do what it's needed to help Ukraine achieve security and autonomy.

可能是安全协议或美国将尽力助乌实现安全与自治的承诺。

🎧 And I think as your correspondent said a few minutes ago, the United States is going to look primarily to Europe to provide something more.

如记者刚才所言，美国将主要指望欧洲提供更多支持。

 00:12:47

▶ That may take the form of boots on the ground, what we this coalition of the willing that we hear about.

这可能以地面部队的形式出现，也就是我们所说的“自愿联盟”。

▶ And maybe a formal security guarantee may await Ukraine's membership in the EU, which through article 42.7 does provide a formal security guarantee.

也许正式的安保保证可能取决于乌克兰加入欧盟，因为欧盟第42.7条确实提供了正式的安保保证。

▶ Is there any concern that a formal security guarantee wouldn't actually be that watertight?

是否有人担心正式的安保保证实际上并不那么严密？

 00:13:14

▶ Many people point to the agreement made in the early 90s in Budapest when Ukraine effectively gave up its nuclear weapons on the promise that Russia wouldn't invade it.

许多人提到90年代初在布达佩斯达成的协议，当时乌克兰放弃了核武器，条件是俄罗斯承诺不会入侵。

▶ It's been forward to the 2020s and of course that's exactly what happened.

时间来到2020年代，而事实恰恰相反。

▶ How can we be certain that any agreement now would last longer term?

我们如何确定现在的任何协议能长期有效？

▶ Well, you know, I think that's in the front mind of Zelensky and Ukrainians as they figure out whether they want to go down this road here because they don't trust Putin and they shouldn't trust Putin.

我认为这是泽连斯基和乌克兰人最关心的问题，他们在考虑是否要走这条路，因为他们不信任普京，也不应该信任普京。

 00:13:51

⏮ And as a consequence, I think they have to number one figure out what Putin is prepared to accept.

因此，我认为他们首先必须弄清楚普京愿意接受什么。

⏮ He seems to have said in Alaska, yeah, I can live with security guarantees.

他似乎曾在阿拉斯加表示，他可以接受安保保证。

⏮ And he live with a Ukraine that is allowed to make its own decisions about the size of its military force is Putin going to agree to allow any kind of weaponry into Ukraine.

他是否能接受乌克兰自主决定其军队规模？普京会同意任何武器进入乌克兰吗？

 00:14:15

⏮ He has always been concerned about what he calls the demilitarization of Ukraine, the denocification of Ukraine, which is a code word for toppling the government in Kiev.

他一直关注他所谓的乌克兰“去军事化”和“去纳粹化”，这些是推翻基辅政府的代名词。

⏮ So I just think we need much more detail about the state of play here.

因此，我认为我们需要更多关于当前局势的细节。

⏮ And in the end of the day, precisely because the Ukrainians can never be sure about whether those guarantees are watertight, they will need to have the right, the ability to acquire what they need to defend themselves.

归根结底，正因为乌克兰人无法确定这些保证是否严密，他们需要有权利和能力获得自卫所需的东西。

 00:14:45

⏮ That will be their best protection against Russia.

这将是他们对抗俄罗斯的最佳保障。

⏮ Professor Kupchen, Russian officials are saying Russia agrees to the principle of security guarantees for Ukraine, but it has equal rights to expect that Moscow will also get efficient security guarantees.

库普琴教授，俄罗斯官员表示俄罗斯同意乌克兰的安保保证原则，但莫斯科同样有权要求获得有效的安保保证。

▶ What security guarantees does Russia want it was the country that invaded Ukraine.

俄罗斯想要什么安保保证？它可是入侵乌克兰的国家。

 00:15:08

▶ Is Moscow worried that it's going to be invaded by the United States?

莫斯科是否担心会被美国入侵？

▶ You know, this is the same kind of rhetoric that we've seen when Russia first launched the full-scale invasion in early 2022.

你知道，这和2022年初俄罗斯全面入侵时的论调如出一辙。

▶ And Putin sent his military, what he called the special military operation.

普京派遣军队，他称之为“特别军事行动”。

▶ He was talking about rolling back military force from NATO's eastern flank, getting right the post-Cold War settlement.

他当时提到从北约东翼撤军，纠正冷战后的安排。

 00:15:36

▶ Has he given up on all of that?

他现在放弃这些了吗？

▶ We just don't know.

我们不得而知。

▶ And because the details of what was discussed in Alaska have yet to come out, it's very difficult to know whether what we're looking at here is more or less a pipe dream that's going to crash and burn tomorrow in the Oval Office or whether we are actually getting close to an agreement.

由于阿拉斯加会谈的细节尚未公布，我们很难判断这究竟是很快就会在白宫破灭的空想，还是我们真的接近达成协议。

 00:16:01

▶ And there's the big question, is Zelensky going to agree to give the rest of Donetsk oblast to Putin?

关键问题是，泽连斯基会同意将顿涅茨克州的剩余部分交给普京吗？

▶ That's a big chunk of territory.

那是一大片领土。

▶ It will require moving probably hundreds of thousands of Ukrainians out.

这将需要数十万乌克兰人迁出。

▶ Unclear to me that Zelensky is going to be ready to make that deal.

我不清楚泽连斯基是否准备好做这笔交易。

▶ Although, clearly it will be tempting if he thinks it will lead to security on the other side of that ceasefire line.

不过，如果他认为这能带来停火线另一侧的安全，显然会很有诱惑力。

 00:16:28

▶ Okay, Professor Charles Coupchand, senior fellow at the Kremlin Foreign Relations, also with Georgetown University.

好的，查尔斯·库普昌教授，克里姆林宫外交关系高级研究员，同时任职于乔治城大学。

▶ Professor, thank you very much.

教授，非常感谢。

▶ Good to be with you.

很高兴和你交谈。
