▶ Standing charges crucial to keep the energy network running and secure, fixed as a daily charge for gas and electricity, but among some frustrating because they can't be cut by reducing your energy use.

固定费用对维持能源网络稳定运行至关重要，作为每日收取的燃气电力费，却令人沮丧因其无法通过节能降低。

bilibili 00:02:19

▶ And they're getting more expensive.

且费用持续上涨。

▶ Next week, the gas standing charge will rise to more than 34 p.a. Day.

下周燃气固定费将涨至逾34便士/日。

▶ For electricity, the daily fee is going up to nearly 54 p.a. Day, but charges vary by region.

▶ In north Wales, a mercy side, the electricity standing charge will be nearly 70 p.a. Day.

▶ Offgem's latest plan would see all suppliers offering at least one tariff in which these fees are lower, but customers will pay more for each unit of energy.

bilibili 00:02:49

▶ Whether that's the right tariff for somebody will depend on their individual circumstances.

这是否适合需视个人情况而定。

▶ So I would say to people, if you are interested in getting more control over your bill and you are perhaps a low energy user, you want to see a greater link between perhaps safely reducing your energy and the amount that you pay, then have a look at these tariffs, torch your supplier and get some advice to each see whether this is the right thing for you.

建议有意控制账单的低能耗用户：若希望节能与支出更直接挂钩，可查阅这些套餐，联系供应商咨询是否适合自己。

▶ These new tariffs will be available by the end of January, the coldest time of year, but charities and campaigners say people struggling to pay their bills in freezing homes is a bigger concern.

新套餐将于一年中最寒冷的一月底推出，但慈善机构指出严寒中无力支付账单的人群更值得关注。

bilibili 00:03:22

▶ They could have reduced standing charges.

他们本可降低固定费。

▶ There are lots of excess cost profits and levies in the standing charge, but instead of doing that, they've hidden the standing charge within the unit cost.

固定费包含过多超额利润和税费，但他们却将其隐藏进单位成本。

▶ So it's going to leave vulnerable consumers still unable to pay for heat this winter.

▶ Emma is here to make sense of all of this for us.

艾玛将为我们解读这些变化。

▶ So Emma, why are they bringing in these changes?

艾玛，为何推行这些改革？

▶ A lot of it comes down to what's going to be fairer for people.

核心在于追求更公平的收费方式。

▶ And the argument here has been that even for people who are being really careful about saving energy, keeping their usage down, well, they were still paying relatively high charges.

争议点在于：即便节能意识强的用户仍承担较高费用。

 00:04:11

▶ There wasn't that much benefit for people who are saving energy.

节能者并未获得相应回报。

▶ So this is designed to address that, but some campaigners worry it will only create greater confusion in what already can be quite confusing pricing for people and that it won't help households struggling to pay bills.

新方案旨在解决此问题，但活动人士担忧这会让本就复杂的计价体系更令人困惑，且无助于困难家庭。

▶ Now, reminder, energy costs, they're set to go up again in October when the next price cap takes effect.

需注意能源费用将于10月新一轮价格上限生效后再次上涨。

 00:04:34

▶ That means the average household paying by direct debit will pay on average, £320 a year in standing charges on a typical energy bill.

这意味着普通家庭通过直接#借记#支付能源账单时，年均固定费达320英镑。

▶ So they might well be even more incentives to some people to switch to lower standing charges.

因此或促使更多人转向低固定费套餐。

▶ And we should know by the end of the year if off-gem are going to go ahead with those latest proposals, Sally.

莎莉，年底前应可知晓Ofgem是否推进最新提案。

 00:04:55

▶ Now we were working on those all the time.

而我们始终在接触这些飞机。

▶ The ground crew with the brigade counters walking towards the aircraft and then suddenly stopped and back off and they backed off caught a long way.

地勤人员带着辐射计量仪走向飞机，突然止步后退，一直退到很远距离。

▶ The readings were off the scale.

读数爆表了。

▶ You know, they weren't anywhere near the aircraft then.

他们当时根本不敢靠近飞机。

▶ They put their aircraft down for 24 hours before we work on it.

他们会让飞机停飞24小时才允许我们检修。

 00:18:13

▶ But even then after 24 hours you don't get a lot of decreases in that radio activity.

但即便过了24小时，辐射量也下降不多。

▶ Colin has had cancer and other serious health issues which he suspects were caused by his exposure to the radioactive dust.

科林罹患癌症等严重健康问题，他怀疑这源于曾#暴露#于#放射性#尘埃。

▶ We just got on with the jobs basically.

我们基本上就是埋头干活。

▶ You know, you didn't really think about it.

当时根本不会细想。

▶ If somebody says stay away from it for this sort of time we stayed away from it.

若要求远离一段时间，我们就照做。

 00:18:40

▶ If they said okay and go out and serves it we went out and serviced it.

若通知可以检修，我们就出动。

▶ It was easy to do that.

这很简单。

▶ I mean it's not sort of job being in the air force.

在空军服役就是这样。

▶ It can turn around and say, why ain't going to go and do that.

总不能反问为何要执行命令。

▶ You know, if somebody tells you do something you get on and do it.

接到命令就得执行。

▶ 23 years ago he won a case against the Ministry of Defence as he campaigned to receive a war pension and believes the nuclear test veterans have been betrayed by various governments time and time again.

23年前他诉国防部胜诉获战争养老金，但他认为核试验老兵已被历届政府反复背叛。

 00:19:14

▶ I'm sorry, I've lost too many friends and I know who's responsible for it.

我失去了太多战友，也清楚谁该负责。

▶ And you know, those should stand up and the guts stand up and say okay we accept responsibility.

那些责任人应当挺身而出，坦然担责。

▶ It's just the unbelief.

但这简直难以置信。

▶ The men of Collins Squadron aren't currently eligible for the nuclear test veterans medal created in 2022 as it covers just the British and American bombs, not as in Collins case French tests.

科林中队成员目前无法获颁2022年设立的核试验老兵勋章，因该勋章只涵盖英美核试验，不包含科林参与的法国核试验。

 00:20:04

▶ It's just one of the many injustices he says the men whose service and sacrifice has been at best forgotten and at worst denied and ignored deliberately.

这只是众多不公之一——这些人的奉献与牺牲往好里说被遗忘，往坏里说遭刻意否认与忽视。

BBC新闻约翰·麦圭尔于南格洛斯特郡报道。

🎧 What we're going to be speaking to veterans and their families at about half past eight this morning to hear how they've been affected.

今早八点半我们将采访老兵及其家属，了解他们遭受的影响。

bilibili 00:20:29

🎧 Several of them will be here and they're also going to talk about the kind of action that they now want from the UK government.

部分当事人将到场，并阐述他们希望英国政府采取的行动。

🎧 Well their calls have been backed by the mayor of Greater Manchester Andy Burnham.

大曼彻斯特市长安迪·伯纳姆已表态支持。

🎧 He told me why he has been supporting their campaign.

他向我说明了支持缘由。

🎧 I think it is just morally indefensible to deny people access to their medical records, to tell them the truth about what happened to them because they've been unable to protect their sons, their daughters, even I think their granddaughters and grandsons from the potential impacts of that nuclear radiation.

拒绝让人们查阅医疗记录、隐瞒真相是道德上站不住脚的——这导致他们无法保护子女甚至孙辈免受核辐射潜在影响。

bilibili 00:21:06

🎧 I mean there can be no justification.

这毫无#正当性#可言。

🎧 And yet successive governments have kept their medical records, secret have kept them closed.

然而#历届#政府却始终保密医疗记录。

▶ What is their motivation for doing that do you think?

你认为他们此举的#动机#何在?

▶ I am certain they will say it's something to do with national security but quite honestly that just simply isn't good enough at all.

他们定会以国家安全为由，但坦白说这完全站不住脚。

▶ We're talking about events that happened five decades ago or more in many instances.

我们谈论的是五十多年前甚至更早的事件。

bilibili 00:21:35

▶ When he was in opposition, Sakeer Starmer said he would meet the veterans.

反对党时期，基尔·斯塔默曾承诺会见老兵。

▶ He has not done that yet.

但至今未兑现。

▶ What should he do now for these people, these survivors?

他现在应为这些幸存者做些什么?

▶ Well I do applaud the Prime Minister for that landmark Hillsborough Law that was presented to Parliament last week.

我确实#赞赏#首相上周向议会提交的#里程碑式#《希尔斯堡法案》。

▶ That does in my view change things with regard to the nuclear test veterans.

我认为这将改变核试验老兵的处境。

bilibili 00:22:00

▶ It empowers them but what I would say to the government now is meet them, sit down and the same commitment is given in opposition now need to be given in government.

该法案赋予他们权利，但我希望政府能当面沟通，将反对党时期的承诺转化为执政行动。

▶ You've called for a public inquiry, why?

你呼吁进行公开#调查#，原因是？

▶ For all the reasons that I've given it's plain that there's been a monumental cover-up here.

综合所有迹象，显然存在#系统性#掩盖。

▶ I think there is a very strong case that there has been a criminal cover-up and that's why the police have been engaged because in the absence of a public inquiry it is essential that these issues are investigated by somebody and we're grateful that Tems Valley Police are looking at these issues now.

有充分证据表明存在犯罪性隐瞒，因此警方介入调查——在缺乏公开调查时，必须有人追查这些事，感谢泰姆斯河谷警方正在处理。

 00:22:41

▶ But the best thing to do is to give the veterans a time-limited, urgent public inquiry to get to the facts the truth, make reparation now so that you can look them in the eye and say a wrong was done to you.

但最佳方案是启动有时限的紧急公开调查，查明真相并立即赔偿，才能坦然面对老兵承认过错。

▶ That's what they've fought all of their lives for.

这是他们毕生争取的目标。

▶ Time is running out to be able to do that but it's absolutely critical to me that that is what is done.

时间紧迫，但完成此事至关重要。

 00:23:07

▶ What does reparation look like?

#赔偿#应如何落实？

▶ I don't think you can fully make good.

无法完全弥补。

▶ It's not possible anymore given the damage of the passage of time, the years spent in the wilderness.

时光流逝造成的伤害与被漠视的岁月已无法逆转。

▶ I've seen so many victims of injustice.

我见过太多#不公#的受害者。

▶ The Hillsborough families and the contaminated blood victims, particularly where there's a re-traumatising effect of having to fight all of your life to try and get the correct version of events established.

希尔斯堡遇难者家属与血液污染受害者，尤其因终生寻求真相而遭受反复创伤。

 00:23:35

▶ I know that's felt by the nuclear test veterans as well so nothing can make it good now but you know what?

核试验老兵同样如此，如今已无法弥补，但你知道么？

▶ This country stepping forward and saying to them we know a major wrong was done would mean a great deal.

这个国家若能站出来承认重大过错，将意义非凡。

▶ It is honestly the least that should be done.

这实在是最基本的交代。

▶ The United States have done it.

美国已做到这点。

▶ Why do you think the UK haven't?

你认为英国为何迟迟不行动？

▶ I think we've had a culture of cover-up in this country where it has been too easy for public authorities, government departments to create narratives that suit themselves even if they are inaccurate and are directly damaging to those who've been let down.

我认为这个国家存在一种掩盖真相的文化，公共机构和政府部门太容易编造对自己有利的说辞，即使这些说辞不准确且直接伤害了那些被辜负的人。

 00:24:16

▶ This goes way beyond those considerations, way beyond issues of party politics.

这远远超出了这些考量，远非党派政治问题。

▶ It's about what's right and proper in respect of people who serve this country in good faith overseas.

这关乎如何公正对待那些在#海外#真诚为国家服务的人。

▶ If we can't put that right, I don't see how our fine words about veterans will have any real meaning going forward.

如果我们不能纠正这一点，我不认为我们关于退伍军人的漂亮话在未来会有任何实际意义。

▶ We'll be really interesting to see the reaction to that interview I think from Andy Burnham and we are going to be talking to some of those veterans here on the programme just a little bit later on and getting their own personal stories, the incredible stories they have of the last decade of fighting.

我们将密切关注安迪·伯纳姆对该采访的反应，稍后节目中我们将与一些退伍军人对话，聆听他们过去十年征战经历中的个人故事——那些非凡的故事。

 00:24:52

▶ For generations, for their families.

为了几代人，为了他们的家庭。

▶ Yeah.

是的。

▶ Right, 24 minutes past six, let's look at the papers this Wednesday morning starting today with the Daily Telegraph which has this photograph of Catherine Princess Wales on a visit to Southport at the Prince and Princess visited the town yesterday to show their support for those affected by the attacks last year.

好的，现在是六点二十四分，在这个周三早晨我们来看看报纸——首先从《每日电讯报》开始，该报刊登了威尔士王妃凯瑟琳访问绍斯波特的照片，王子与王妃昨日到访该镇以表达对去年袭击事件受影响者的支持。

We're going to hear that a lot, I think, over the next couple of months.

我想在接下来几个月我们会反复听到这种说法。

I think we are.

我想是的。

I think we are.

我想是的。

Staying on a theme of money, new figures are suggesting the cost of running a home is as much of a barrier to getting on the property ladder as saving for a deposit.

继续金钱话题，新数据显示维持家庭运转的成本与攒首付一样，成为人们购置房产的巨大障碍。

Emma has got the data and can talk us through what it means for, well, for so many people, into entire generation of people who would love the idea of buying.

艾玛掌握了数据，可以为我们解读这对众多渴望购房的整整一代人意味着什么。

 00:25:58

▶ And it does look like a lot of people are now living with their parents for much longer than we've seen in previous decades.

确实看起来现在很多人与父母同住的时间比我们过去几十年所见要长得多。

▶ There have been a lot of focus, hasn't there, on how hard it is for young people to save enough for a deposit to buy a home.

一直以来有很多关注点集中在年轻人攒够购房首付有多困难上，不是吗？

▶ Here's what the figures say.

数据是这样显示的。

▶ We'll look nearly five million adults at the moment, live with their parents according to the latest census.

根据最新#人口普查#，目前有近五百万成年人与父母同住。

 00:26:18

▶ And that's up 700,000 from the last count in 2011.

这比2011年上次统计时增加了70万人。

▶ But new figures show that even if they can afford a deposit, the vast majority remain priced out because they can't afford to run a new home.

但新数据显示，即使他们能付得起首付，绝大多数人仍因无力承担新家的运转费用而被挡在市场之外。

▶ In recent years, mortgage payments, council tax, utility bills, insurance and maintenance have become dramatically more expensive, outstripping any wage increases.

近年来，#按揭#还款、市政税、#公用事业#账单、保险和维护费用急剧上涨，涨幅超过了任何工资增长。

 00:26:41

▶ Now, the government says it's building 1.5 million new homes, to help a generation of young people locked out of home ownership.

目前政府表示正在建造150万套新住房，以帮助被排除在住房#所有权#之外的一代年轻人。

▶ But that doesn't address the issues of how to afford a big enough deposit for a mortgage and other costs.

但这并未解决如何为#按揭#攒够首付及其他费用的问题。

▶ As our cost of living correspondent, Kaleta Smith has been finding out.

我们的生活成本#记者#卡莱塔·史密斯一直在调查。

▶ Renting her first home was a big deal for Leone.

租下第一套房子对莱奥内来说是件大事。

 00:27:02

▶ But after nine months, she and her boyfriend had to face reality.

但九个月后，她和男友不得不面对现实。

▶ Being able to afford running a home, it's just insane.

能负担得起一个家的运转费用，简直#不可思议#。

▶ Consider when we first moved in and did have some savings ready.

想想我们刚搬进去时确实准备了一些#储蓄#。

▶ By the time we moved out, the guns.

等到我们搬出去时，钱已耗尽。

▶ Food, council tax, rent and utility bills have all gone up much faster than Leone's wage.

食品、市政税、租金和#公用事业#账单的上涨速度都远远超过了莱奥内的工资涨幅。

 00:27:21

▶ So she's back at home.

于是她回到了父母家。

▶ Even home, it was, it was a big change.

即使是回家，也是一个巨大的变化。

▶ It was a big change.

这是一个巨大的变化。

▶ It's nice to have meals cooked for me again, I suppose.

又有人给我做饭了，这挺好的，我想。

▶ But I don't know, it just doesn't, I don't feel like it's my place.

但我不知道，就是感觉不像是我自己的地方。

▶ I share a bedroom with my little sister, which means absolutely zero privacy.

我和妹妹共用一间卧室，这意味着完全没有#隐私#。

▶ She's only 10 and it feels like a huge step back.

她才10岁，这感觉像是巨大的倒退。

bilibili 00:27:49

▶ It's not great for my mental health.

这对我的心理健康不太好。

▶ So Leone's saving like mad because this skipton group's home affordability index also includes a survey of 2,000 adults still living with their parents and suggests that just saving for a deposit isn't enough.

所以莱奥内正在疯狂储蓄，因为斯基普顿集团的住房负担能力指数还包括对2000名仍与父母同住的成年人的调查，表明仅仅为首付储蓄是不够的。

▶ Between April and June, living expenses including mortgage payments, council tax, utility bills, maintenance costs would have taken up about 26% of a typical adult's income.

在四月至六月期间，包括按揭还款、市政税、公用事业账单、维护费用在内的生活开支会占去一个普通成年人收入的约26%。

bilibili 00:28:18

▶ But for adults in this survey, even if they had managed to get a first time by a property in their local or thoracy, on average just running the property would have taken up 118% of their income.

但对于本次调查中的成年人，即使他们设法在当地首次购置了房产，平均仅维持房产运转就会花掉他们收入的118%。

▶ In other words, all of it.

换句话说，是全部收入。

▶ And that's not only impacting the 5 million adults living back at home, but their parents too.

这不仅影响着500万回家居住的成年人，也影响着他们的父母。

bilibili 00:28:39

▶ This one is particularly difficult because it has social consequences.

这一点尤其困难，因为它具有社会后果。

 00:29:21

▶ I think as a single person it would be very very difficult and again it probably would be leading into the bank of Mum and Dad to help out.

我认为作为单身人士会非常非常困难，很可能又要求助父母银行了。

▶ By the houses is the equivalent to walk into the moon.

▶ It's absolutely impossible.

这绝对不可能。

▶ The government say they are building more affordable homes and plenty within the industry say there are ways to buy.

政府表示他们正在建造更多经济适用房，业内也有很多人表示有办法购买。

 00:29:42

▶ The way to do that is by really understanding your finances and going to talk to an independent mortgage broker that can help you and understand what schemes you can access that will enable you to get the home that you want.

方法是真正了解自己的财务状况，然后去咨询能帮助你的独立抵押贷款经纪人，了解你可以利用哪些计划来获得想要的房子。
