🎧 So what these countries that have got together to try to support Ukraine may be swiftly realizing is that a coalition of the willing is something very different from a coalition of the able.

这些试图支持乌克兰的国家可能正迅速意识到，"意愿者#联盟#"与"有能力者联盟"截然不同。

🎧 President Putin has ruled out any NATO forces as part of a settlement, saying they will be legitimate targets.

普京总统排除北约部队作为解决方案的可能性，称其将成为#合法#打击目标。

🎧 As Kiev, once again, burns.

问题在于，进一步制裁是否足以迫使俄罗斯回到谈判桌？

很高兴见到您。

▶ Thank you for being with us.

感谢您参与节目。

▶ What do you make of these latest strikes, some of the worst we've seen?

bilibili 00:07:28

▶ It's the largest attack overnight by drones from the air than we've seen this entire war.

这是整场战争中我们见过的最大规模#夜间#无人机空袭。

▶ But it's very significant to take this in context.

▶ In other words, it suggests that the summit in Alaska was not only a failure at bringing about peace or some kind of ceasefire, but it's also been a failure in trying to diminish the violence.

这表明阿拉斯加#峰会#不仅未能实现和平或停火，也未能成功#减少#暴力。

bilibili 00:07:47

▶ And so this attack is very significant for the suffering of the Ukrainian people, but it's also, in a way, a humiliation for President Trump, who has not been able to achieve his goal of furthering peace in Ukraine.

因此此次袭击对乌克兰人民的苦难至关重要，某种程度上也是对未能实现推动乌和平目标的特朗普总统的羞辱。

🎧 And Mr. Trump, when asked earlier, gave a very brief answer, saying he's considering additional sanctions.

🎧 Mr. Trump likes to give quite long answers normally and kind of share his thoughts.

 00:08:13

🎧 What do you make of the fact that it was that really succinct comment to reporters and where this goes?

你如何看待他向记者发表的这番非常#简洁#的评论及其后续影响？

🎧 Well, that's right, because he recognizes that President Putin is essentially calling his bluff over and over again.

确实如此，因为他意识到普京总统实际上是在反复试探他的虚张声势。

🎧 This means that these kinds of responses that if President Putin doesn't show more commitment to negotiating a peace element that the United States will respond.

这意味着此类回应表明：若普京总统不展现出更多促成和平谈判的诚意，美国将会采取反制措施。

 00:08:39

🎧 But because the escalation continues, it does suggest that this is nothing more than empty threats and meaningless deadlines coming from the United States.

但由于局势持续升级，这确实表明美国的表态不过是虚张声势的威胁和毫无意义的最后通牒。

🎧 So I don't think President Trump had any possibility other than to say, yes, we will respond.

因此我认为特朗普总统除了表态"我们会采取行动"之外别无选择。

▶ But the fact that there are no details and no elaborations suggests he's not ready to figure out what that means exactly.

▶ This is beyond some significant developments in terms of secondary sanctions on countries buying Russian oil and gas.

这比针对购买俄油气国家的次级制裁等重大进展更为关键。

▶ That is meaningful in the sense that that flow of revenue has been so important for Russia being able to wage this war.

其意义在于油气收入对俄罗斯维持战争能力至关重要。

▶ But nonetheless, a direct response to what Putin is doing on Russia has been evasive so far.

但#尽管如此#，针对普京在俄行动的直接回应迄今仍显#含糊其辞#。

bilibili 00:09:20

bilibili 00:09:41

▶ What more is there that can be done in terms of economic impact?

在经济打击层面还能采取哪些措施？

▶ Unfortunately, what you're suggesting is absolutely correct.

遗憾的是您的观点完全正确。

▶ It doesn't make many of us feel confident or enthusiastic that additional sanctions will have the impact that President Trump seems to be going for.

我们多数人难以相信追加制裁能产生特朗普总统所期望的效果。

▶ This impact is to further the peace process.

这种效果本应推动和平进程。

▶ So I don't really see that.

因而我对此持怀疑态度。

bilibili 00:10:02

▶ The question is, is the damage to the Russian economy going to be significant enough to really move the needle on this?

关键在于对俄经济造成的打击是否足以真正改变局势？

▶ And so far, it's a mistake to think that the president of Russia cares that much about his GDP.

▶ That he's not willing to take a further economic hit in order to try to advance a goal that to him is deeply meaningful.

bilibili 00:10:25

▶ This goal is gaining greater territory, if not all of the territory of Ukraine.

这个目标就是获取更多——若非全部——乌克兰领土。

🎧 And finally, Professor Briefly, if you can, this strike overnight, as we saw, it's a Ukrainian government building for the first time.

最后请教布里夫利教授，此次#夜间#袭击如我们所见首次针对乌克兰政府大楼。

🎧 What do you make of the symbolism behind that?

您如何看待其象征意义？

🎧 That's significant, but I'm hearing some reports that there's a question whether or not that was an intentional strike.

这很重要，但我听到有报道质疑这是否属于#故意#袭击。

 00:10:50

🎧 Or whether that is the consequence of shooting down a drone or a missile.

或是击落#无人机#或#导弹#导致的后果。

🎧 It would be significant.

若是故意袭击将意义重大。

🎧 This has not happened yet.

此类情况尚未发生过。

🎧 And to strike a government building, no less the building that the prime minister has her office in, let alone other ministers, is another form of escalation.

袭击政府大楼——且是总理办公室所在建筑——是另一种形式的升级。更不用说楼内还有其他部长官员。

🎧 It is new and important.

这是前所未有且重要的。

 00:11:09
