

BC Public Sector Labor Dispute Escalates Amid Wage Negotiations

【加拿大本地新闻 BC Today 20250905 BC省公共部门罢工升级：工会要求加薪 vs 政府财政困境 | 教育包容性危机 | 听众激辩】

Summary: The BC General Employees Union (BCGEU) has escalated strike actions, with pickets expanding to Ministry of Finance offices in Vancouver. Representing 34,000 workers, the union demands an 8.25% wage increase over two years plus cost-of-living adjustments, rejecting the province's offer of less than half that amount. Premier David Eby acknowledges significant public sector negotiations this year but emphasizes fiscal constraints, noting each 1% wage increase costs \$500 million. With BC facing a record \$10 billion deficit, the dispute highlights tensions between fair compensation and economic reality as teachers and nurses prepare for their own negotiations.

摘要：不列颠哥伦比亚省公共服务员工工会（BCGEU）已升级罢工行动，在温哥华财政部办公室外增设纠察线。代表34,000名员工的工会要求两年内加薪8.25%外加生活成本调整，拒绝接受省政府不足该数额一半的报价。省长尹大卫承认今年公共部门谈判的重要性，但强调财政限制，指出工资每增长1%将耗费5亿加元。面对全省创纪录的100亿加元赤字，这场纠纷凸显了公平薪酬与经济现实之间的紧张关系，而此时教师和护士工会也正准备进行各自的谈判。

我觉得这呃这几乎是对我们所有不得不为此买单的人的一种操纵。

你怎么看，你知道那里已经发生了，你知道，一些罢工。

▶ Canada comes to mind.

想到加拿大邮政。

▶ That's of course um uh dealing um with the federal government, but uh you know unions do have a right to strike and this is um you know uh

那当然是呃呃与联邦政府打交道，但是呃你知道工会确实有罢工的权利，这是呃你知道呃

▶ you know of course I support unions but I don't support uh how every like I know people that work in unions and the things I hear that go on

你知道我当然支持工会，但我不支持 呃每个.....比如我认识在工会工作的人，我听到发生的事情

bilibili 00:11:44

▶ I just can't condone any of it between their with all their their flexities this and that and it's just one thing after another and I feel like there's always they they have something to complain about no matter what union it is.

我就是不能容忍其中的任何一件事 介于他们所有那些弹性这个那个之间，而且只是一件接一件事，我觉得不管是什么工会，他们总是有事情要抱怨。

▶ Sophia the postal whether what is I'm just normally I support it but like for teachers or healthcare workers but you know what the wages I see for they need more soldiers out there that get paid more the management can get cut out

Sophia 邮政 不管 我只是 通常我支持，比如教师或医护人员，但你知道我看到的新资.....他们需要更多在外面的一线人员获得更高报酬，管理层可以裁掉

▶ because I feel like there's a lot of uh excessive um hier hierarchy that's being paid a lot of money

因为我觉得有很多呃过多的呃等级 hierarchy，他们拿着很多钱

bilibili 00:12:27

⏮ and I don't support that uh the workers their wages uh yes I'm a support I we're all living without a living wage right now if you contrast that with people that are non-unions you're going to see and especially in my industry which I'm a hair stylist so we have no perks

我不支持那个，呃工人的工资呃是的我支持，我们现在都拿着不够生活工资的收入，如果你和非工会的人对比，你就会发现，尤其是在我的行业，我是一名发型师，所以我们没有任何福利

⏮ so when we hear about these flex days and sick days and special uh requirements for they can't go to work at the office this or that.

所以当我们听到这些弹性工作日、病假以及特殊的呃要求，比如他们不能去办公室上班这个那个。

⏮ It It's just too much.

这这实在是太过分了。

 00:13:01

⏮ Sophia, I'm really not in support of it.

Sophia, 我真的不支持。

⏮ Yeah. Thank Thank you so much for the call.

是的。非常感谢您的来电。

Sophia也提到了邮政工人的罢工，嗯，那持续了一段时间，并且影响了，你知道，去年我们进入假期时的事情。

⏮ What do you make of that?

您对此怎么看？

⏮ Are people feeling like it's piling up less?

人们是否觉得罢工在堆积的感觉减少了？

 00:13:19

▶ Well, the I think the main trigger for most strikes is is pretty simple.

嗯，我认为大多数罢工的主要诱因相当简单。

▶ It's inflation.

是通货膨胀。

▶ That's what uh really um drives I think if you go back through history in time and look at the inflation rate when it starts peing labor unrest follows because the full the function of the union is to keep their members as well paid as possible and everybody is I think acutely aware of what inflation does to your check and walk into a grocery store anytime in the past three years it hits you in the face every other aisle.

那就是呃真正呃推动的，我想如果你回顾历史，看看通货膨胀率，当它开始飙升时，劳工骚乱就随之而来，因为工会的全部职能就是让成员尽可能获得高薪，而且每个人我想都深切地意识到通货膨胀对你的薪水做了什么，走进过去三年中任何时间的杂货店，它每隔一个过道就迎面打击你。

bilibili 00:13:52

▶ So um this just the inevitable way to deal with inflation.

所以呢这只是应对通货膨胀的必然方式。

▶ Inflation goes away and strikes and labor unrest really do subside.

通货膨胀消失，罢工和劳工骚乱确实会平息。

▶ And so Sophia also mentioned management and this is something that the opposition party has raised as well.

我们来听一下。

▶ For the government to be semisurprised uh that that this is starting to unfold uh really shouldn't shock them.

政府对此开始展开表现得有点惊讶呢实在不应该让他们震惊。

▶ Uh you know, part of the problem is that over the last several years, uh they've hired in the public service uh exponentially faster than the the private sector has.

呃你知道，部分问题在于过去几年，呃他们在公共服务部门的雇佣速度呢比私营部门快得多。

▶ Um you know, that that day has come back to to roost now.

嗯你知道，那个日子现在报应来了。

 00:14:43

▶ And when you look at the numbers, a lot of it's actually in management and administration.

而当你看数字时，其中很多实际上是在管理和行政方面。

▶ Les, what do you make of that criticism that that the the management administration has grown and become bloated?

 00:15:07

▶ and we can't much in the way of raises.

以及我们没法大幅加薪。

🎧 But he also addressed um we have to address issues of administrative costs and bloat in the public service.

但他也谈到呃我们必须解决公共服务中的行政成本和臃肿问题。

🎧 That's a bit of a startling eye.

那有点令人吃惊。

🎧 That kind of raised my eyebrows because what Peter Melibar was saying is just demonstrably true through the whole 78 years the NDP government the public sector is just exploded.

这让我有点惊讶，因为彼得·米利巴尔所说的在整个NDP政府执政的78年里是明显真实的，公共部门确实爆炸式增长。

 00:15:30

🎧 So he's acknowledging that

所以他在承认那一点

🎧 he's well bloat isn't a very positive word and I think they've acknowledged it.

他.....嗯，“臃肿”不是一个很积极的词，我想他们已经承认了。

🎧 Um basically this year the NDP has conceded that they've let the deficit get out of control.

嗯基本上今年NDP已经承认他们让赤字失控了。

🎧 the spending um they went they walked in with a huge surplus and they spent all of it a lot more.

开支呃他们.....他们带着巨额盈余上台，然后把它全花光了，还花得更多。

▶ They're trying to nibble \$300 million out of health spending this year.

他们今年试图从医疗支出中削减3亿美元。

▶ just what the caller was saying on administrators and middle management.

就像刚才来电者谈到行政人员和中层管理人员时所说的那样。

▶ But when you hire so many tens of thousands more people in the broad public sector, >>

但是当你更广泛地公共部门额外雇佣了数万人时，

▶ like you just can't have 10 20,000 more line workers without more middle management and more what apparently we're calling now bloat.

就像你不可能在没有更多中层管理和更多我们现在显然称之为臃肿的东西的情况下，增加一两万名一线工人。

 00:16:39

▶ It it's just inevitable.

这这是不可避免的。

▶ You need more management to go with it.

你需要更多的管理人员来配合。

▶ So that's where it comes from and that's um that's why they are kind of basically pleading poverty.

所以这就是它的来源，而且嗯，这就是他们基本上在哭穷的原因。

▶ It's not I think they're they're relying on the tariff war and the economic warfare instigated by the US but I think a lot of the headwinds they're talking about are coming from this uh fiscal hole they've dug themselves into >>

我不认为他们是在依赖美国挑起的关税战和经济战，但我认为他们所说的许多阻力来自这个呃他们自己挖下的财政窟窿。

 00:17:05

▶ that he seem that Pimmer Eie now seems to say yeah that's right.

他似乎，那个，Pimmer Eie 现在似乎说，是的，没错。

▶ So what kind of position does this put the province in then you know as it's heading into or continues I guess uh um negotiations with the BCGU although as as I understand it they're not at the table right now um but also heading into talks with the teachers and the the nurses union.

那么，这让该省处于什么样的境地呢，你知道，因为它正在进入或继续，我猜，呃，嗯，与BCGU的谈判——尽管据我了解他们现在还没有回到谈判桌上——嗯，而且还要与教师和护士工会进行谈判。

▶ So what is the the position the province is taking then?

那么，该省采取的立场是什么呢？

 00:17:30

▶ Well, they're gonna um you know, it's really hard to show these things take on the dynamics in the actual room at the negotiating table.

嗯，他们将会，嗯，你知道，很难展示这些东西在谈判桌上的实际房间里所呈现的动态。

▶ They can surprise you a lot.

它们会让你大吃一惊。

▶ These miracles can can come out of nowhere or things can just go south in a very major way at the blink of an eye.

这些奇迹可能不知从何而来，或者事情可能眨眼之间就变得非常糟糕。

▶ It's very hard to figure this out.

这很难弄清楚。

▶ But right now in short form, the government's offering the GEO about 3 and a.5% over two years with a couple of little uh wrinkles here and there.

但眼下简而言之，政府向GEO提供大约两年内3.5%的涨幅，附带一些小小的，呃，零零碎碎的条件。

 00:18:01

▶ The union's asking for 8.2 and so like they're 100% apart in short form.

工会要求的是8.2%，所以简而言之，他们的差距是100%。

▶ Um and they are going to have to find ways to bridge it.

嗯，他们将必须找到弥合差距的方法。

▶ There's there's just a a whole number of different ranges and in the health sector there's a kind of an extraordinary development where they've got a framework deal right with the that's quite startling and the the some of the innovations in that might become applicable in the GEU talks.

有有很多不同的范围，在医疗部门有一个非凡的进展，他们达成了一个框架协议对 这相当令人吃惊，而且其中的一些创新可能适用于GEU的谈判。

 00:18:30

▶ It just depends basically on how things go.

这基本上取决于事情的进展。

▶ Uh Josh is our next caller in ano now.

呃，Josh是我们下一位来自纳奈莫的来电者。

▶ Hi Josh.

你好，Josh。

▶ Hi Josh, are you there?

你好，Josh，你在吗？

▶ Yeah.

是的。

▶ Can you hear me?

你能听到我吗？

▶ Yes, sure can.

是的，当然能。

▶ Go ahead, please.

请讲。

 00:18:44

▶ What are your thoughts on uh these labor negotiations?

你对于，呃，这些劳资谈判有什么看法？

▶ Um I I've been hearing a lot of people like saying I support unions but and then coming up with all these excuses for why they don't support unions like your previous caller.

嗯，我我一直听到很多人说，我支持工会，但是，然后找各种借口来解释他们为什么不支持工会，就像你上一位来电者那样。

▶ I just wanted to say that like in like for anybody who makes their income through working um is you know is a worker and instead of attacking other workers for asking more and trying to drag other people down any any workers should be looking at what unions are asking for and saying hey I want that too.

我只是想说，对于任何通过工作赚取收入的人来说，嗯，你知道，就是工人，任何工人都不应该攻击其他要求更多的工人并试图拖垮别人，而应该看看工会的要求，然后说，嘿，我也想要那些。

bilibili 00:19:24

▶ So your previous caller Sophia, instead of saying hair stylists don't get vacation, they don't get flex.

所以你上一位来电者Sophia，与其说发型师没有假期，没有弹性工作制。

▶ And so the public service shouldn't get those either, she should be saying, hey, the f the public service gets flex, they get vacation, they get accommodations, they get higher wages.

所以公共服务人员也不应该得到这些，她应该说，嘿，公共服务人员有弹性工作制，有假期，有住宿条件，有更高的工资。

▶ Hair stylists should be getting those things, too.

发型师也应该得到这些东西。

bilibili 00:19:43

▶ This is the whole idea of solidarity.

这就是团结的全部意义。

▶ Work workers working together and and banding together to ask for more, to demand more because that's the only power that workers have.

工人们一起工作，并且联合起来要求更多，要求更多，因为那是工人们唯一的力量。

▶ I'll ask you then Josh, you know, I asked Sophia, right?

那我问你，Josh，你知道，我问过Sophia，对吧？

▶ Don't unions have the right to strike?

工会没有罢工的权利吗？

🎧 And the sense I got from her was this frustration over a number of consecutive strikes just that have impacted her life and and do you get the sense that that's that's part of of what that that position or opinion might be?

我从她那里感受到的是对连续多次罢工影响了她生活的沮丧，你是否有这种感觉，那就是那种立场或观点可能的一部分？

 00:20:11

🎧 I totally totally get that.

我完全完全理解那一点。

🎧 And you know, it's it's not but it's not the unions or the workers fault that they have to strike.

而且你知道，这这不是工会或工人的错，他们不得不罢工。

🎧 It's it's it's widespread like economic mismanagement like across the board and that's been happening for decades, right?

这是这是普遍存在的，像是全面的经济管理不善，而且这已经持续了几十年了，对吧？

🎧 the government has let things explode in terms of costs and people are having difficulty living and yeah everybody's struggling and so because like if if the people in the union are struggling is she saying they shouldn't try to not be struggling or because other people who aren't in unions are also struggling that the unions shouldn't be exercising their power to try and improve their lives and then also hopefully the lives of other people because you know what unions negotiate sets precedence for others.

政府让成本方面的事情失控，人们生活困难，是的，每个人都在挣扎，所以因为，就像，如果工会里的人正在挣扎，她是在说他们不应该尝试摆脱挣扎吗？或者因为不在工会里的其他人也在挣扎，工会就不应该行使他们的权力来试图改善他们的生活，并希望也能改善其他人的生活，因为你知道工会谈判的结果为他人树立了先例。

 00:21:00

🎧 So if we do get a good deal if then yeah then that means other people can use that and say hey I want that too and that's what that they should be doing instead of trying to tear

unions down.

所以如果我们确实达成了一项好协议，那么是的，那就意味着其他人可以利用它，然后说嘿，我也想要那个，而那就是他们应该做的，而不是试图诋毁工会。

▶ Josh good to hear from you as well.

Josh，也很高兴听到你的观点。

▶ Thank you very much for the call from Naimo.

非常感谢你从纳奈莫打来电话。

▶ Um two opposing views or two differing views there less.

嗯，两种对立的观点或两种不同的观点，Les。

 00:21:22

▶ I just have about 30 seconds.

我只有大约30秒了。

▶ What are you going to be watching for then?

那么你接下来会关注什么？

▶ Do you think there will be another increment uh another escalation?

你认为会有又一次升级，呃，又一次加剧吗？

▶ Yeah, it looks like uh slow and steady.

是的，看起来像是，呃，缓慢而稳定。

▶ They're not backing down, that's for sure.

他们没有退缩，这是肯定的。

▶ The one thing I'm kind of interested in, the government a few months ago appointed George Haymon as a special adviser in this situation.

我有点感兴趣的一件事是，政府几个月前任命George Haymon为这种情况的特别顾问。

 00:21:42

▶ He's a former retired NDP cabinet minister, environment minister, but he ran the GE.

他是一位前新民主党退休的内阁部长，环境部长，但他曾管理过GE。

▶ He was president for nine years, 15 20 years ago, >>

他担任了九年的主席，十五二十年前，

▶ and now he's working for the management side.

而现在他为资方工作。

▶ um when the strike started.

嗯，当罢工开始时。

▶ I'm just going to jump in and say goodbye to our TV audience as we go into a break and uh let let's go back to you then, Les.

我要插句话，向我们电视观众道别，因为我们要进入广告时间，呃，那我们回到你，Les。

bilibili 00:22:01

▶ You're talking about George Haymon.

你刚才在谈George Haymon。

▶ Yeah, go ahead.

是的，请继续。

▶ So, he's a special adviser uh to get this done.

所以，他是呃为了解决这个问题的特别顾问。

▶ Strike started and I thought, well, that um didn't work very well.

罢工开始了，我想，嗯，那效果不是很好。

▶ They're paying him \$60,000 for this advice.

他们为这个建议付给他六万美元。

▶ But I'm informed that uh he's actually playing a kind of a role behind the scenes.

但我得知，呃他实际上在幕后扮演着一种角色。

⏮ He's not a mediator and he's not a uh a negotiator by any stretch, but he's kind of a intermediary.

他不是调解人，也绝不是呃谈判者，但他算是一种中间人。

 00:22:28

⏮ He's keeping lines of communication open with all the different there's so many different tables in this public sector and he's just keeping everyone if not on side at least on in contact with one another.

他保持着与所有不同方面的沟通渠道畅通——公共部门有这么多不同的谈判桌——他只是让每个人，即使不是站在同一边，至少也保持彼此联系。

⏮ And I'm just um curious as this as this rolls out that that might be a valuable service um as people on the management side think uh highly of him from what I can think of and he might be play a role uh further down the road.

我只是嗯好奇，随着事态发展，这可能是一项有价值的服务，嗯，因为据我所知，管理层的人对他评价很高，他可能呃在后续阶段发挥作用。

⏮ But generally in short form I think this might get much worse before it gets better.

但总的来说，简而言之，我认为情况在好转之前可能会变得更糟。

 00:23:06

⏮ On that note I'll let you go.

既然如此，我就不留你了。

⏮ Thank you very much for watching this for us less.

非常感谢你为我们关注这件事，Les。

⏮ Uh, good to good to talk to you today.

呃，今天很高兴和你交谈。

⏮ Take care, Michelle.

保重, Michelle。

▶ On day three of job action, NBC General Employees Union President Paul Finch says public service workers are prepared to strike for as long as it takes to get a fair deal from the province.

在 job action（劳工行动）的第三天，不列颠哥伦比亚省政府雇员工会（BCGEU）主席保罗·芬奇表示，公共服务部门的工人准备进行长期罢工，直到从省政府那里获得公平的协议。

▶ And he says the union's escalating strike action is an effort to compel government back to the bargaining table.

并且他表示，工会升级罢工行动是为了迫使政府回到谈判桌前。

▶ Premier David Eie says any deal made with the union must be fair to both workers and BC taxpayers.

省长戴维·伊比表示，与工会达成的任何协议都必须对工人和BC省的纳税人公平。

 00:26:28

嗯，残疾儿童和青少年经常被排斥在教室和同伴之外。

▶ That's according to a report from the Family Support Institute of BC.

这是根据BC省家庭支持协会的一份报告得出的结论。

▶ And this may mean a student being sent home or not being included in class activities or field trips, extracurricular activities.

这可能意味着学生被送回家，或者不被纳入课堂活动、实地考察或课外活动。

 00:29:57

▶ The report is called the exclusion tracker and last year it found nearly 5,000 incidents reported by families.

这份报告名为“排斥追踪器”，去年它发现了近5000起由家庭报告的事件。

▶ Earlier this year, BC's ombuds person Jay Chalk announced that his office has begun an investigation into the exclusion of students uh in BC schools from K to 12.

🎤 I should also mention that I have taken part in some workshops organized by the family support institute.

 00:30:49

🎤 Joining me now is Angela Clansancy who is the executive director of the family support institute of BC.

现在与我连线的是安吉拉·克兰桑西，她是BC省家庭支持协会的执行董事。

🎤 Good afternoon Angela.

下午好，安吉拉。

🎤 Thanks for joining us.

感谢您参加我们的节目。

🎤 Thanks for having me.

谢谢邀请我。

🎤 Can you tell me a bit more about uh these incidents of exclusion 5,000 found last year.

您能多告诉我一些关于、呃、去年发现的这5000起排斥事件吗？

🎤 Is that more or fewer than previous years?

这比往年多还是少？

🎤 Do you know?

您知道吗？

 00:31:08

🎤 It's about the same.

数量大致相同。

🎧 Um, so we had um, and I just want to start by saying I know you said that it was the Family Support Institute Exclusion Tracker and it is, but it originated with a grassroots society called the BCED Access Society and we're now working in partnership with them.

嗯，所以我们有，嗯，首先我想说明一下，我知道您刚才说这是家庭支持协会的排斥追踪器，确实如此，但它最初是由一个名为BCED Access Society的草根协会发起的，我们现在正与他们合作。

🎧 Um, and so there was just over 4,800 incidents of exclusion this past school year and the year before that it was 5,973 um, incidents of reported exclusion.

嗯，在刚刚过去的这个学年，有刚刚超过4800起排斥事件，而再前一个学年是5973起，嗯，报告的排斥事件。

 00:31:40

🎧 And so even though that number has gone down a little bit, I want to be really clear.

所以，尽管这个数字略有下降，但我想非常明确地说明。

🎧 Don't let the decline um, fool you into thinking that the problem is better.

不要因为（数量）下降就让你误以为问题有所改善。

🎧 a lot of students uh have left the public education system as result of exclusion.

很多学生呢，因为被排斥而离开了公共教育系统。

🎧 I'd like to get into that uh with you as well in terms of how what the the re recourse parents and and families may have.

我也想和你深入探讨一下，关于父母和家庭可能有什么样的追索权。

 00:32:06

🎧 But can you tell me more about these incidents?

但你能告诉我更多关于这些事件的信息吗？

🎧 What what do they actually entail and look like?

它们实际上包含什么内容，具体是什么样子的？

▶ Yeah.

是的。

▶ So the way that the exclusion tracker is set up and has been set up for many years is if somebody feels excluded um then that would be a reportable incident.

这个排斥追踪器的设置方式，以及它多年来的运作方式是，如果有人感觉自己被排斥了，嗯，那么这就是一个可以报告的事件。

▶ And so it can be anywhere from um you're told you have to have a gradual entry at the beginning of the school year or there's no educational assistance support so you can't attend until there is.

所以它的范围很广，从呃，被告知在学年开始时必须逐步入学，或者因为没有教育援助支持所以你不能上学，直到有了支持为止。

 00:32:34

▶ It can also be something like you're not allowed to attend field trips or you must take your education in the hallway or the only way you can attend school is if you're in a segregated classroom.

也可能是不被允许参加实地考察旅行，或者你必须在走廊里上课，或者你唯一能上学的方式就是待在一个隔离的教室里。

▶ And that list goes on.

这样的例子还有很多。

▶ Sometimes it can be one incident like for example one field trip.

有时可能只是一次性的事件，比如一次实地考察旅行。

▶ Um in the stats for last year 26% of that over 4,800 reportable incidents were for 4 months or longer.

嗯，在去年的统计数据中，超过4800起可报告的事件里，有26%持续了4个月或更长时间。

 00:33:02

▶ How does it go on for four months?

这种情况怎么会持续四个月呢？

▶ It's a really good question.

这是个非常好的问题。

▶ I think um one of the things that we've seen at the Family Support Institute and many other advocacy organizations have seen as well is that exclusion should be set up as a very last resort.

我想，嗯，我们在家庭支持研究所以及许多其他倡导组织看到的情况之一是，排斥本应被设定为万不得已的最后手段。

▶ And unfortunately, it's the first response.

但不幸的是，它却成了首选对策。

▶ And what ends up happening is when a child is excluded, particularly not allowed to come to school or told you can only come for 15 minutes a day, there isn't a return to full education plan developed.

最终发生的情况是，当一个孩子被排斥时，特别是被告知不能来上学或每天只能来15分钟时，并没有制定一个重返完整教育的计划。

 00:33:35

▶ There isn't a return to school plan developed.

并没有制定一个重返学校的计划。

▶ And so families end up flying into crisis and students left are left unsupported and not included or not attending at all because there isn't a really proactive way to respond to how do we get kids back in the classroom.

因此，家庭最终陷入危机，而被留下的学生则得不到支持、不被包容或者根本不上学，因为没有一种真正积极主动的方式来应对如何让孩子们回到教室的问题。

▶ Okay, we would love to hear from our audience as well.

好的，我们也非常想听听听众们的看法。

 00:33:54

▶ My guest is Angela Clansancy, executive director of the Family Support Institute of BC and they've issued an exclusion tracker and this is something that was started by uh the group BC Ed Access and they have tracked uh the number of incidents of exclusion.

我的嘉宾是Angela Clansancy，BC省家庭支持研究所的执行主任，他们发布了一个排斥追踪器，这是由呃BC教育接入组织发起的，他们追踪了呃排斥事件的数量。

▶ You heard the examples there uh finding 5,000 in the last year.

你们刚才听到了那些例子，呃，去年发现了5000起。

▶ We're asking you, how are you feeling about the school year ahead for your child with a disability or complex needs?

我们想问大家，对于您有残疾或复杂需求的孩子即将到来的学年，您感觉如何？

 00:34:21

▶ Our number is again 1 800825-59506046693733.

我们的号码再次重申：1-800-825-5950，或者604-669-3733。

▶ You can hit pound690 on your cell phone or email bctoday@cbc.ca.

您可以在手机上按#690，或者发送邮件至 bctoday@cbc.ca。

▶ You can uh leave a comment on our Tik Tok live as well.

您也可以呃在我们的TikTok直播上留言。

▶ And so, Angela, what is the impact on the student and their family?

那么，Angela，这对学生和他们的家庭有什么影响呢？

▶ Yeah, there's so many.

是的，影响非常多。

▶ I mean, the very beginning, you know, the ones that people would automatically think to is those kids aren't getting an education.

我的意思是，首先，你知道，人们会自动想到的是那些孩子没有接受教育。

 00:34:54

▶ They're not having the ability to learn alongside their peers.

他们没有能力与同龄人一起学习。

▶ But there's other impacts.

但还有其他影响。

▶ There is the loss of social networks and loss of peer relationship.

这包括失去社交网络和同伴关系。

▶ You know, when we think about the school community, when you see a child with a disability, um, excluded or not permitted to come on field trips over and over and over again, it's extremely stigmatizing and so it feels shameful.

你知道，当我们想到学校社区时，当你看到一个残疾孩子，嗯，被排斥或一次又一次不被允许参加实地考察旅行，这是极具侮辱性的，因此会感到羞耻。

 00:35:19

▶ Um, there's been a lot of research done that it it correlates with increased depression, anxiety, trauma, and stress.

嗯，已有大量研究表明，这与抑郁、焦虑、创伤和压力的增加有关。

▶ Not only that, but it has contributed to dropping out of school, delinquencies, and an increased participation in the justice uh system.

不仅如此，它还导致了辍学、行为不良以及更多地参与司法系统。

▶ And so, you know, those are the things that we know through research that we've seen for students.

所以，你知道，这些都是我们通过研究了解到的、在学生身上看到的情况。

 00:35:43

▶ Um, but there's also a lot of impact on the family.

嗯，但对家庭也有很多影响。

▶ If you consider that uh at least half of the people who responded to the surveys um live well below the poverty line when they lose their employment and that occurs when people are told again and again and again to come pick up their children from school there's the loss of employment which contributes to a loss of income, loss of benefits.

如果你考虑到，呃，在回应调查的人中，至少有一半人呃生活在远低于贫困线的水平，当他们失去工作时——这种情况发生在人们一次又一次被叫来学校接孩子的时候——就会导致失业，从而造成收入损失、福利损失。

▶ What happens then is we're then contributing to that poverty.

接下来发生的情况就是我们进一步加剧了这种贫困。

bilibili 00:36:13

▶ um families can't can't sustain that amount of recurring loss.

嗯，家庭无法承受这种反复发生的损失。

▶ So what ends up happening on top of that is the impact of parental mental health as well.

所以，最终除此之外，还会对父母的心理健康产生影响。

▶ Not only the economics of it but their feelings of shame and less than which is really put on them.

不仅是经济上的影响，还有他们感到的羞耻和低人一等，这确实是强加给他们的。

▶ And a lot of times these incidents of exclusion put that blame on the child, on their disability, on their background because there's a high prevalence of indigenous kids and racialized kids that are excluded as well.

很多时候，这些排斥事件将责任归咎于孩子本身、他们的残疾、他们的背景，因为被排斥的原住民孩子和种族化孩子比例也非常高。

bilibili 00:36:44

▶ Um and then that contributes to those long-term effects.

嗯，然后这又助长了那些长期的影响。

▶ It's not just in the moment.

这不仅仅是一时的影响。

▶ It is longlasting.

它是持久的。

▶ We have an email from uh Katherine in Penticton who writes, "I just want to say this exclusion very very much.

我们收到一封来自呃彭蒂克顿的Katherine的邮件，她写道：“我只是非常非常想说说这种排斥。

▶ Uh I see it with my daughter who has autism.

呃我在我患有自闭症的女儿身上看到了这一点。

▶ She'll run up to other children and treat treat they will treat her really meanly.

她会跑向其他孩子，对待（他们会非常刻薄地对待她）。

 00:37:09

▶ I don't understand why there isn't more of an attempt by teachers especially to include them."

我不明白为什么老师们，尤其是老师们，没有做出更多努力去包容他们。”

▶ Katherine, I appreciate your email and I'm sorry that that's been your experience.

Katherine，感谢你的来信，我很抱歉你有这样的经历。

▶ Thanks so much for writing us.

非常感谢你写信给我们。

▶ Um, so Angela, what are the attempts made then to resolve these cases?

嗯，那么，Angela，目前做了哪些尝试来解决这些案件呢？

▶ Yeah.

是的。

▶ You know what I mean?

你明白我的意思吗？

bilibili 00:37:31

🎧 I I can't encourage families enough to get an advocate.

我再怎么鼓励家庭去找一位辩护人也不过分。

🎧 I think it's really really important that you have someone standing alongside you speaking with you on these issues.

我认为，有一个站在你身边、就这些问题为你发声的人真的真的非常重要。

🎧 Um, because sometimes those advocates will know the policy and the legislation and the rights under the UN convention that we've signed on to.

嗯，因为有时候这些辩护人会了解政策、立法以及我们已签署的联合国公约所规定的权利。

bilibili 00:37:50

🎧 And I think all of that helps move us forward.

我认为所有这些都有助于我们向前推进。

🎧 I also think that having a good relationship with your school is key.

我还认为，与学校保持良好的关系是关键。

🎧 We know that teachers, you know, are pressurized in their jobs.

我们知道，老师们，你知道，他们的工作压力很大。

🎧 We know it's a hard job.

我们知道这是一份艰苦的工作。

🎧 Um, and we all need to be working together.

嗯，我们都需要共同努力。

🎧 And so I can't encourage families enough to get an advocate.

所以我再怎么鼓励家庭去找一位辩护人也不过分。

bilibili 00:38:09

▶ Um, but I think one of the things that we also need to recognize is that access to an education is a child's legal right.

嗯，但我认为我们还需要认识到的一点是，接受教育是孩子的合法权利。

▶ And when we start there and we know kids are entitled to this education um then we start with the how and the how is the hard part.

当我们从这个起点开始，并且我们知道孩子们有权接受这种教育时，嗯，那么我们就要开始解决“如何做”的问题，而“如何做”是困难的部分。

▶ Um people often ask me you know is it about funding is it about finances and the solution um is multifaceted.

嗯，人们经常问我，你知道，是资金问题吗？是财务问题吗？而解决方案嗯是多方面的。

 00:38:37

▶ Funding and finances is part of it.

资金和财务是其中的一部分。

▶ Education is another part of it.

教育是另一部分。

▶ A willingness and desire is is a piece of it.

意愿和渴望也是一部分。

▶ Partnership collaboration.

伙伴合作。

▶ There's there's so many different pieces.

有有很多不同的部分。

▶ But I think oftent times in these times of struggle people become entrenched and they become in the just they become stuck in the justification.

但我认为，在这些挣扎的时刻，人们常常会变得固执己见，陷入——他们只是陷入为自己辩护的境地。

bilibili 00:39:01

Um so I really think we all need to start with it's the law now.

嗯，所以我真的认为我们都需要从“这是法律”开始。

How do we how do we make this happen and how do we ensure success for all students and it's not easy but I think as soon as we all align on that we can move forward together towards those solutions that are really important.

我们如何实现这一点，我们如何确保所有学生都成功，这并不容易，但我认为只要我们在这个目标上达成一致，我们就可以共同努力，朝着那些真正重要的解决方案前进。

Andrew is on the line in Victoria as we ask you how you're feeling about the school year ahead for your child who with a disability or uh complex needs.

youth with disabilities.

我们向您提出这个问题，是因为一份刚刚发布的报告列出了由残疾儿童和青少年家庭报告的排斥事件的数量。

 00:40:02

 Andrew in Victoria, hello.

维多利亚的安德鲁，你好。

 Thanks so much for calling us.

非常感谢您打电话给我们。

 Hey, no worries.

嘿，不客气。

 What's your experience?

您有什么经历？

 Um I've always found the school system great.

嗯，我一直觉得学校系统很棒。

 Uh my own child is on the spectrum but very high functioning but I've always found them very accommodating at every level.

呃，我自己的孩子是自闭症谱系，但功能很高，但我一直发现他们在各个层面都非常包容。

 Um I would just say like I do feel that there's it just sounded like a little bit of an attack on the teachers here and you're having this debate at a time of day in the week when their side isn't going to come out.

嗯，我只是想说，我确实觉得这听起来有点像在攻击老师，而且你们在一周中的这个时间进行这场辩论，他们那一方无法出来发声。

 00:40:34

 um my own experience of being around other parents with children with disabilities that a lot of them, I'm afraid to say it, are very quick to play the victim and they'll just complain.

嗯，根据我与有其他残疾儿童父母相处的经验，恐怕他们中的很多人会很快扮演受害者角色，他们只会抱怨。

🎧 I mean, 5,000 definitely a huge number of uh people's complaints about not being included.

我的意思是，5000人抱怨被排斥，这绝对是一个巨大的数字。

🎧 But I think I think we should be careful reporting that the way we are.

但我认为我们在报道这件事时应该谨慎。

 00:40:57

🎧 And I think we should acknowledge that like some of those stories like I'm sure some are very valid but some will be very questionable and uh it just I don't like the way the report was making it sound like it's just across the board.

而且我认为我们应该承认，其中一些故事，我确信有些是非常合理的，但有些会非常值得怀疑，呃，我只是不喜欢这份报告让它听起来像是普遍现象的方式。

🎧 It came across very accusatory and I I think that uh teachers are going to be pretty upset that they can't be calling in with you know some of their stories.

它给人的感觉非常具有指责性，而且我认为老师们会因为他们不能打电话进来分享他们的一些故事而感到相当难过。

🎧 I'm sure they're they're pretty sad too.

我相信他们也相当难过。

 00:41:21

🎧 Yeah.

是的。

🎧 And I I'm about to ask about the BCTF in fact have have been following or or calling for an election promise from the province to be um fulfilled.

事实上，我正要询问关于BC教师联合会（BCTF）的事，他们一直在跟进或呼吁省政府兑现一项选举承诺。

▶ Andrew, I'm glad to hear that you have had a good experience and you touched on you know what Angela was just talking about which is having a good relationship with a school that would include teachers as well.

安德鲁，我很高兴听到你有一个好的经历，而且你提到了安吉拉刚才谈到的，即与学校（也包括老师）建立良好的关系。

 00:41:43

▶ Um and I I'm I'm wondering how how that is for you.

嗯，我想知道这对你来说是怎么样的。

▶ How do you approach it so that you're working together?

你是如何处理的，以便你们能共同努力？

▶ Um I I think you just try and be honest with your teacher when you speak to them and you offer your support.

嗯，我认为当你和老师交谈时，你只需尽量诚实，并提供你的支持。

▶ I just I do feel that a lot of parents want to like of course it must be very difficult with some of the disabilities and so maybe some of them treat the school system as their rest bite like oh I just need this out of my hair I need a break.

我只是觉得很多父母，当然，面对某些残疾情况一定非常困难，所以也许他们中的一些人把学校系统当作他们的喘息之机，就像‘哦，我只需要摆脱这个，我需要休息一下’。

 00:42:12

▶ Um and I think that's where some of these issues unfold and unfortunately you you don't get a break do you? and you you've got to help out a little bit more and and be a little bit more proactive.

嗯，我认为这就是一些问题出现的地方，不幸的是，你得不到休息，不是吗？你必须多帮忙一点，并且更主动一点。

▶ And like I say, I'm sure there are some pretty severe cases and justified, but just saying, "Oh, 5,000, I think it sensationalizes it a little bit."

就像我说的，我确信有一些相当严重且合理的情况，但仅仅说“哦，5000例”，我认为这有点耸人听闻。

▶ And I think there's way more to this story in these cases.

而且我认为这些案例背后还有更多故事。

 00:42:35

▶ Andrew, thank you very much.

安德鲁，非常感谢你。

▶ And certainly we can't speak to each and every case.

当然，我们无法谈及每一个案例。

▶ Um, but let me just uh point to what the BCTF has said as well because this is an issue that they've raised as well.

嗯，但请允许我也指出BCTF的说法，因为这也是他们提出的一个问题。

▶ um and uh calling for uh this promise from the NDP during the election uh when they promised uh an uh education assistant in every classroom from K to three.

并且呼吁新民主党（NDP）兑现选举期间的承诺，即他们承诺在从幼儿园到三年级（K-3）的每个教室都配备一名教育助理。

 00:43:01

▶ And we were talking about labor unions just in the last half hour.

就在刚才半小时前，我们还在谈论工会。

▶ And so the BCTF have been calling for the NDP to fulfill this promise of education assistance in every classroom from K to grade three.

因此，BCTF一直呼吁新民主党兑现这一承诺，即在从幼儿园到三年级（K-3）的每个教室都提供教育援助。

▶ Uh counselors in every school as well.

以及每所学校都配备辅导员。

▶ and they've raised the issue of the uh inability to um include students because of lack of supports.

他们还提出了由于缺乏支持而无法包容学生的问题。

 00:43:23

▶ Um Angela Clancy, what are your your thoughts on on Andrew's comments there?

嗯，安吉拉·克兰西，你对安德鲁的评论有什么看法？

▶ Yeah, you know, I I want to reiterate what you were saying.

是的，你知道，我想重申你刚才说的。

▶ I'm really really glad to hear you've had a positive experience in the schools.

我真的很高兴听到你在学校有积极的经历。

▶ And I will say there are many many positive experiences in the school systems all around the province.

而且我要说，全省各地的学校系统中都有许许多多积极的经历。

 00:43:41

▶ Um in terms of uh kind of blaming teachers, absolutely not wanting to ever blame anybody actually.

嗯，在指责老师这方面，绝对不想指责任何人，实际上。

▶ This is a systemic problem.

这是一个系统性问题。

▶ Um it is a systemic problem that involves all of us and we all need to be a part of the solution and teachers have shared with us they're concerned about it too.

嗯，这是一个涉及我们所有人的系统性问题，我们都需要成为解决方案的一部分，老师们也向我们分享了他们的担忧。

▶ They're concerned about their inability to support in the way they want to.

他们担心自己无法以他们想要的方式提供支持。

🎧 Teachers are, you know, they went into this line of work because they love children.

老师们，你知道，他们从事这份工作是因为他们热爱孩子。

🎧 They believe in inclusion.

他们相信包容。

🎧 They believe in an education for all kids and so the system is set up that they can't always do that the way they want to.

他们相信所有孩子都应接受教育，但系统的设置使他们不能总是按照他们想要的方式去做。

🎧 Um you know and the ombbuds person's uh survey that they've been executing over the last several months has been enhanced to include teacher perspectives because teachers have advised they want to tell their story.

嗯，你知道，监察员在过去几个月里一直在进行的调查已经加强，以纳入教师的观点，因为教师们表示他们想讲述自己的故事。

🎧 Um so I I absolutely hear you.

嗯，所以我绝对听到了你的意见。

🎧 I think one thing I will say around you know are we sensationalizing the data?

我想说的一件事是，你知道，我们是在耸人听闻地报道数据吗？

🎧 Um, you know, I can appreciate your opinion on that.

嗯，你知道，我理解你对此的看法。

🎧 I think every single story has validity and needs to be told.

我认为每一个故事都有其有效性，都需要被讲述。

🎧 And so, um, it tells a story about a system that needs some repair.

因此，嗯，它讲述了一个需要修复的系统故事。

⏮ and BC's umbbuds person I I I should note as well started or announced this uh investigation earlier this year uh that his office was investigating the exclusion of students from BC uh schools K to2 uh the public education system there and CHO's office is examining the extent to which K to2 students are being excluded and whether those exclusions are fair and he wrote we will assess the role of the Ministry of Education and Child Care as well as school districts.

而且BC省的监察员，我我还应该指出，今年早些时候启动或宣布了这项调查，即他的办公室正在调查BC省公立教育系统中K-12学生被排斥的问题，CHO的办公室正在审查K-12学生被排斥的程度以及这些排斥是否公平，他写道，我们将评估教育部和儿童保育部以及学区的作用。

 00:45:20

⏮ And uh Chalk said, "I'm concerned about the outcomes for children who are excluded from school with little or no instruction.

呃，乔克说：“我担心那些被排斥在学校之外、很少或没有接受教育的孩子们的结局。

⏮ I did reach out to the Ministry of Education this morning seeking comment regarding this report.

今天早上我联系了教育部，寻求关于这份报告的评论。

⏮ Um and they're working on getting us a statement uh right now as we speak.

嗯，就在我们说话的时候，他们正在努力给我们一份声明。

⏮ Thanks so much for the call.

非常感谢您的来电。

 00:45:39

⏮ Uh and our next caller now is Burton in Vancouver.

呃，我们的下一位来电者是温哥华的伯顿。

⏮ How are you feeling about the year ahead for your child, Burton?

伯顿，你对孩子接下来的一年感觉如何？

⏮ Hey, uh it's uh pretty complicated for us.

嘿，呃，这对我们来说相当复杂。

▶ We don't currently have a school for her.

我们目前还没有为她找到学校。

▶ Um, last year she experienced a tremendous amount of bullying and also trouble with teachers not being able to teach in a way that she could understand.

嗯，去年她经历了大量的欺凌，还有老师无法以她能理解的方式教学的麻烦。

bilibili 00:46:05

▶ And the school, the only school in our area or the school that we chose in our area didn't have a lot of support for her.

而我们所在地区唯一的学校或者说我们选择的学校，没有为她提供很多支持。

▶ So, it it's it's we're looking at trying to get her last minute into a different school that's further away.

所以，我们现在正在考虑最后一刻尝试让她进入一所更远的不同的学校。

▶ And if that doesn't work, then I think we're stuck with private school, which is significantly more expensive for us, right?

如果那不行，我想我们就只能选择私立学校了，这对我们来说要贵得多，对吧？

bilibili 00:46:29

▶ I can imagine.

我可以想象。

▶ Um, what is the impact on you and your family?

嗯，这对你和你的家庭有什么影响？

▶ Uh, well, it means that my妻子和我必须确保我们中的一个人负责教学。

呃，嗯，这意味着我的妻子和我必须确保我们中的一个人负责教学。

▶ um we have to switch our schedules around in order to uh get her get her the appropriate educational stuff and try to homeschool and we both work full-time so that becomes harder

but yeah.

嗯，我们必须调整我们的日程安排，以便为她提供适当的教育材料并尝试在家教育，而我们俩都是全职工作，所以这变得更难了，但是的。

 00:46:58

 Yeah.

是的。

 Uh Burton, thank you so much for sharing that.

呃，伯顿，非常感谢你的分享。

 Uh and that um recourse that step of turning to the private system, Angela, is something you alluded to earlier.

呃，而那种求助于私立系统的做法，安吉拉，是你之前提到过的。

 How are families coping?

家庭们是如何应对的？

 Yeah, it it's it's so complicated.

是的，这太复杂了。

 There's a lot of um families.

有很多嗯家庭。

 So, I I hear you, Burton, um at the Family Support Institute, we hear from families all the time that don't have an assigned school um or they're being advised the school can't accommodate their children.

所以，我听到了，伯顿，嗯，在家庭支持研究所，我们一直听到家庭说他们没有指定的学校，或者被告知学校无法容纳他们的孩子。

 00:47:28

 And so, families are turning to either private.

因此，家庭们要么转向私立。

▶ That does mean you have to have the means to be able to pay for it.

这确实意味着你必须有能力支付费用。

▶ Um and that isn't every family.

嗯，但这并不是每个家庭都有的。

▶ It's a struggle.

这是一种挣扎。

▶ Um the other thing is they're moving to either online learning or diversified learning.

嗯，另一件事是他们转向在线学习或多样化学习。

▶ Lots of different

很多不同的

▶ Options but um there are pros and cons to those and there is a parental responsibility uh that not all people can accommodate.

选择是有的，嗯，但这些选择都有利弊，而且还有一种父母的责任，嗯，不是所有人都能承担得起。

 00:47:51

▶ and um you know the last caller had referenced that school can sometimes be used as a respite and that's absolutely true.

而且，嗯，你知道，上一位来电者提到学校有时可以被用来作为一种喘息，这绝对是事实。

▶ You know the kids do go to school and they're you know they're there because they have a legal right to be there and there's peer engagement.

你知道孩子们确实去上学，他们，你知道，他们在那里是因为他们有合法的权利在那里，并且有同伴互动。

▶ Hopefully that's positive.

希望那是积极的。

▶ There is a lot there's a huge prevalence of bullying.

存在很多，存在非常普遍的欺凌现象。

 00:48:10

▶ Um but when kids aren't in school, there's huge pressures on everybody else.

嗯，但是当孩子们不在学校时，对其他所有人都有巨大的压力。

▶ Um and and when they move to online learning or homeschooling or all of those different options, they lose out on all of those beautiful things that kids remember growing up.

嗯，而且当他们转向在线学习或家庭教育或所有那些不同的选择时，他们就错过了所有那些孩子们长大后记得的美好的事情。

▶ Who do I play with at recess?

课间休息时我和谁玩？

▶ Who do I play with at lunch?

午餐时我和谁玩？

 00:48:28

▶ Who's going to be my partner in this activity in class?

课堂上这个活动谁来做我的搭档？

▶ And kids with disabilities don't always get those opportunities when they're in school, but they certainly don't get them when they're not in school at all.

而有残疾的孩子在学校时并不总能得到那些机会，但他们肯定在根本不上学时是得不到的。

▶ Just want to read some comments here.

只想在这里读一些评论。

▶ Deanna wrote on Tik Tok, "Applause to teachers.

Deanna在Tik Tok上写道：“为老师们鼓掌。

▶ They have a tough job."

他们工作很辛苦。”

 00:48:45

▶ And John writes about uh some of these students have extreme violent and disruptive behavior patterns.

而John写道，呃，其中一些学生有极端暴力和破坏性的行为模式。

▶ And when parents are unwilling or uninterested in addressing their own children's issues, they offload in schools and teachers and claim their students are their child is being excluded.

而当父母不愿意或不感兴趣解决自己孩子的问题时，他们就把责任推给学校和老师，并声称他们的学生他们的孩子被排斥了。

▶ Um what do you make of that the concern that and teachers have and and staff have raised it around, you know, violent incidents and behaviors?

嗯，你怎么看待那个担忧，那个老师和工作人员提出的，你知道的，关于暴力事件和行为的担忧？

 00:49:11

▶ It it definitely has been raised and we've heard that before.

它肯定被提出过，我们以前也听到过。

▶ I think from our experience and and many other advocacy organizations too.

我认为根据我们的经验以及许多其他倡导组织的经验也是如此。

▶ Again, it's about the how.

再次说明，这关乎方法。

▶ What What is this?

这是什么？

▶ What does success look like for that student?

对那个学生来说，成功是什么样子的？

▶ A lot of times, school districts um and school-based teams will develop a safety plan.

很多时候，学区嗯和校本团队会制定一个安全计划。

 00:49:31

⌂ And that's great when somebody does have aggressive tendencies or they have reactive behaviors.

当某人确实有攻击倾向或他们有反应性行为时，这很好。

⌂ You need to have a safety plan because we absolutely believe everybody has a right to be safe in school.

你需要有一个安全计划，因为我们绝对相信每个人都有权在学校里安全。

⌂ At the same time, there is also a lot um that can be done to prevent crisis from happening.

与此同时，也有很多嗯可以做的事情来防止危机发生。

⌂ And so schools can play a role in that.

因此学校可以在这方面发挥作用。

⌂ Schools can play a role in developing plans and um strategies.

学校可以在制定计划和嗯策略方面发挥作用。

⌂ You know, I do recognize and one of the callers had mentioned or maybe it was an email um the the dwindling resources and supports that are available in the schools and that's absolutely true.

你知道，我确实认识到，并且有一位来电者提到过，或者可能是一封电子邮件，嗯，学校里可用的资源和支持正在减少，这绝对是事实。

⌂ There's not enough uh professionals in the schools to be able to help develop those plans and implement them and modify them, tweak them as they need it.

学校里没有足够的呢专业人员来帮助制定这些计划、实施它们、修改它们、根据需要调整它们。

🎧 I have just a couple of minutes left, but we've been talking about those dwindling resources at the provincial government level dealing with a deficit right now.

我只剩下几分钟了，但我们一直在谈论省级政府层面那些正在减少的资源，他们现在正处理赤字。

🎧 You know, what are the what impact will that have on uh you the supports that you're talking about?

你知道，那会对呃你所谈论的支持产生什么影响？

🎧 I think we're going to see the the trend continue to rise.

我认为我们会看到这个趋势继续上升。

 00:50:33

🎧 I think um you know, we're kind of hanging on with baited breath to see the data from the ombbbits person's office um and the stats and what their recommendations are going to be.

我想，嗯，你知道，我们有点屏息以待，想看ombudsman办公室的数据、嗯统计数字以及他们的建议将会是什么。

🎧 Um, I know we met with them about a week into their survey and they already had 1,500 respondents onto their survey.

嗯，我知道我们在他们的调查开始大约一周时与他们见了面，那时他们的调查已经有1500名受访者了。

🎧 So, it it's probably going to be a staggering number and hopefully we can work in partnership with the province to develop a plan to move forward so that this isn't happening and schools are well resourced and well supported to do the job they love doing because I agree with the one comment, you know, credit to teachers.

所以，这可能将是一个惊人的数字，希望我们能与省政府合作制定一个向前推进的计划，以便这种情况不再发生，学校资源充足、得到良好支持来做他们热爱的工作，因为我同意一条评论，你知道，赞扬老师们。
