 He is Paul Adams.

我是保罗·亚当斯。

 These could be decisive days in the search for peace in Ukraine, but it's clear that Vladimir Putin and Donald Trump expect Kiev to give up places that have already been through hell, where the sacrifices have been enormous.

这可能是寻求乌克兰和平的决定性日子，但很明显，弗拉基米尔·普京和唐纳德·特朗普期望基辅放弃那些已经经历地狱、牺牲巨大的地方。

 Vladimir Putin has been trying to conquer the eastern region known as the Donbass for more than a decade.

弗拉基米尔·普京十多年来一直试图征服被称为顿巴斯的东部地区。

 00:08:01

 It consists of two administrative areas, Donetsk and Luhansk.

它由两个行政区组成：顿涅茨克和卢甘斯克。

 But Ukraine still holds around 30% of Donetsk.

但乌克兰仍控制着顿涅茨克约30%的地区。

 There's a line of cities here from Slavic through Kramatosk and down to Constantinivka.

这里有一系列城市，从斯拉维扬斯克到克拉马托尔斯克，再到康斯坦丁诺夫卡。

 It's become known as Ukraine's fortress belt.

这被称为乌克兰的堡垒带。

 Giving it up and allowing Russia to gobble up what remains of Donetsk would leave other parts of Ukraine vulnerable to a future Russian attack.

放弃它并允许俄罗斯吞并顿涅茨克剩余部分将使乌克兰其他地区在未来容易受到俄罗斯的攻击。

 00:08:29

🎧 Losing this defensive line opens up future vulnerabilities and the Ukrainians would have to dig in again and rebuild fortifications, but on much less favorable terrain.

失去这条防线会带来未来的脆弱性，乌克兰人将不得不再次挖掘并在更不利的地形上重建防御工事。

🎧 And that raises the question not just of territory, but Ukraine's future security too.

这不仅引发了领土问题，还引发了乌克兰未来的安全问题。

🎧 Ukrainian troops have been training in the UK and elsewhere since early on in the war.

自战争初期以来，乌克兰军队一直在英国和其他地方接受训练。

 00:08:53

🎧 Kiev's allies are determined to bolster its defenses to make it as hard as possible for Russia to take advantage of a ceasefire.

基辅的盟友决心加强其防御，使俄罗斯尽可能难以利用停火。

🎧 As I've often said, Ukraine must become a steel porch opine and digestible for potential invaders.

正如我常说的，乌克兰必须成为一道钢铁屏障，让潜在的入侵者难以消化。

🎧 Since March, discussions have focused on a so-called coalition of the willing led by Britain and France.

自3月以来，讨论的重点是由英国和法国领导的所谓“意愿联盟”。

 00:09:16

🎧 And now for the first time, Washington says it's prepared to help guarantee Ukraine's future.

现在华盛顿首次表示准备帮助保障乌克兰的未来。

🎧 We agreed to robust security guarantees that I would describe as game-changing.

我们同意了强有力的安全保障，我称之为改变游戏规则的保障。

▶ But we still don't know what those guarantees are or what Russia is really offering, if anything.

但我们仍然不知道这些保障是什么，或者俄罗斯真正提供了什么（如果有的话）。

▶ War has dominated life in Kramatorsk for more than 10 years.

战争主导了克拉马托尔斯克十多年的生活。

 00:09:40

▶ While discussions about its future are held in distant capitals, people here are clinging on.

当关于其未来的讨论在遥远的首都进行时，这里的人们仍在坚持。

▶ Paul Adams, BBC News.

▶ Well, despite all the diplomacy from Alaska at the weekend to Washington today, on the ground in Ukraine, the fighting goes on.

尽管从周末的阿拉斯加到今天的华盛顿进行了各种外交活动，但在乌克兰境内，战斗仍在继续。

▶ There was an attack on the city of Harkeev overnight, which killed at least seven people, some of them children.

昨晚哈尔科夫市遭到袭击，造成至少7人死亡，其中一些是儿童。

 00:10:03

▶ Well, Katie Watson is live in the capital Kiev for us now.

凯蒂·沃森现在在首都基辅为我们进行现场报道。

▶ A big moment in Washington.

华盛顿的重要时刻。

▶ How are the people where you are viewing events?

你所在地方的人们如何看待这些事件？

▶ Well, those attacks overnight, Harkeev was the most deadly local media talking about a whole, an entire family, including a toddler and teenager who died, but not the only in attacks.

昨晚的袭击中，哈尔科夫是最致命的，当地媒体报道了一个完整的家庭，包括一名幼儿和一名青少年死亡，但这并不是唯一的袭击。

bilibili 00:10:28

▶ And I think that's the thing.

我认为这就是问题所在。

▶ Zelensky is negotiating in Washington against a backdrop of active war.

泽连斯基在华盛顿谈判的背景是活跃战争。

▶ That affects everybody here every single day with people who have friends and family on the front line.

这每天都在影响这里的每个人，他们有朋友和家人在前线。

▶ So I think people here have high hopes.

所以我认为这里的人们抱有很高的期望。

▶ I was talking to one Ukrainian yesterday who said Ukrainians will not give up hope of a lasting peace deal, but perhaps expectations are low about what is to come out of this meeting.

昨天我与一位乌克兰人交谈，他说乌克兰人不会放弃持久和平协议的希望，但对这次会议的结果期望可能很低。

bilibili 00:10:55

▶ That said, President Zelensky, over the last few days, has continually put forward Ukraine's position, wanting to find a reliable and long-lasting peace deal and condemning Russia for continuing the killing.

尽管如此，泽连斯基总统在过去几天里不断提出乌克兰的立场，希望找到一个可靠和持久的和平协议，并谴责俄罗斯继续杀戮。

▶ But I think people here are most concerned about this talk of having to hand over the Donbass in return for a halt to the killing.

但我认为这里的人们最关心的是关于必须交出顿巴斯以换取停止杀戮的讨论。

▶ Because people here do not see that as a concession.

因为这里的人们不认为这是一种让步。

 00:11:20

▶ They see that as handing over land to Russia that Russia shouldn't have taken in the first place.

他们认为这是将土地交给俄罗斯，而俄罗斯本不应该首先占领这些土地。

▶ Yeah.

是的。

▶ Events overnight, Katie, a brutal reminder of what these talks are all about.

▶ What I think we're going to do is actually bring in Paul Adams, who is with me, Paul.

我认为我们现在应该请保罗·亚当斯加入我们，保罗就在我身边。

▶ We're hearing the situation on the ground there, overnight attacks.

我们了解到当地的情况，包括夜间的袭击。

▶ It's clear that Moscow is ratcheting up the pressure while these talks are actually taking place in Washington.

很明显，莫斯科正在加大施压，而这些谈判正在华盛顿进行。

▶ It does look like that.

看起来确实如此。

▶ And the rhetoric, too.

言辞也是如此。

▶ I'm just looking at some comments that the foreign ministry spokeswoman Maria Zaharova has made in Moscow in the last few minutes, talking about what she described as the deliberately unviable idea of deploying a Western military contingent in Ukraine, the so-called coalition of the willing, also saying that for years Britain has strained to demonstrate leadership in the matter of supporting the Ukrainian puppet regime.

我刚刚看到俄罗斯外交部发言人玛丽亚·扎哈罗娃在莫斯科发表的评论，她谈到西方在乌克兰部署军事力量的所谓“自愿联盟”是蓄意不可行的想法，并称多年来英国一直竭力在支持乌克兰傀儡政权的问题上展示领导力。

bilibili 00:12:23

▶ There is absolutely no indication so far from any Russian official that they are resiling from their view, which is that essentially President Zelensky is an illegitimate leader of an illegitimate government in, frankly, an illegitimate country.

目前没有任何迹象表明俄罗斯官员会改变他们的观点，即泽连斯基总统是一个非法政府的非法领导人，坦率地说，这个国家本身也是非法的。

▶ So, you know, that doesn't exactly suggest an approach to a dialogue that's going to unfold.

所以，这并不预示着对话会顺利展开。

▶ All right.

好的。

bilibili 00:12:49

▶ Okay.

好的。

▶ Paul, thank you for that.

保罗，谢谢你的分享。

▶ Paul Adams there.

 00:13:08

▶ So we're going to find out now from Lucy Williamson, what all that could mean, Lucy, what's the latest?

现在我们将请露西·威廉姆森为我们解读这一切的含义，露西，最新情况如何？

▶ Well, this is a real shift in tone and position from Hamas.

这是哈马斯在语气和立场上的重大转变。

▶ Until now, Hamas has been insisting that it wants a guaranteed end to the war in order to sign on to any kind of ceasefire.

此前，哈马斯一直坚持要求战争必须得到保证结束，才会同意任何形式的停火。

▶ It's rejected proposals that look a lot similar, a lot like this proposal in the past, which makes it striking why it's agreed to this one.

它过去曾拒绝过许多类似的提议，因此这次同意显得尤为引人注目。

 00:13:35

▶ In fact, the BBC understands that it's agreed unconditionally and without amendments to this staged proposal.

BBC了解到，哈马斯是无条件同意这一分阶段提议的，且未作任何修改。

▶ And I think that just shows the kind of pressure that Hamas is now under, not just from its own people in Gaza and not just from its own allies and mediators too, but also from Israel's campaign, military campaign.

我认为这表明哈马斯目前面临的压力，不仅来自加沙的民众、盟友和调解人，还来自以色列的军事行动。

▶ That's something that the Prime Minister Benjamin Netanyahu was very keen to highlight tonight.

这是以色列总理内塔尼亚胡今晚非常强调的一点。

 00:14:02

▶ And we're getting reports as well of a fresh offensive in Gaza City in just the last hour or so.

我们刚刚收到消息，加沙城在过去一小时左右又发生了新的攻势。

▶ I mean, all eyes now, of course, are on Israel and the kind of response that Israel will give.

现在所有人的目光都集中在以色列及其可能的回应上。

所有人质获释，哈马斯投降。

 00:14:25

▶ That's the only thing he's going to consider.

这是他唯一会考虑的条件。

▶ He says, but he's under enormous pressures, conflicting pressures of his own.

但他表示，自己也面临着巨大的、相互矛盾的压力。

▶ And what this deal would give him is two months before he has to commit to any kind of official end to the war.

而这项协议将给他两个月的时间，之后他才需要承诺正式结束战争。

▶ All right, Lucy.

好的，露西。

▶ Thank you.

谢谢。

▶ Lucy Williams from there reporting live for us.

露西·威廉姆斯为我们带来的现场报道。

▶ We're going to take you straight back to the White House.

我们将直接带您回到白宫。

 00:14:47

▶ And President Zelensky has arrived for these crucial talks with President Trump.

泽连斯基总统已抵达，将与特朗普总统进行关键会谈。

▶ We can bring you some of those pictures, I think, coming up now.

我们现在可以为您带来一些现场画面。

▶ There they are.

他们就在那里。

▶ I remember very well.

我记得很清楚。

▶ Exactly the same picture is pretty much back in February, which led to that.

几乎与二月份的画面一模一样，那次导致了争议。

▶ Incredibly controversial meeting in the White House at the Oval Office.

在白宫椭圆形办公室的那次极具争议的会面。

 00:15:13

▶ One hopes, certainly, as far as the Ukrainian people are concerned, and the European leaders who are with President Zelensky, that the situation will not repeat itself.

乌克兰人民和陪同泽连斯基的欧洲领导人当然希望这种情况不会重演。

▶ Sarah Smith is there for us now.

莎拉·史密斯正在现场为我们报道。

▶ We understand it will be that meeting between the two presidents that will take place first, Sarah.

我们了解到两位总统的会面将首先进行，莎拉。

▶ Yes, that's right.

是的，没错。

▶ And that is where they will talk about what President Trump discussed with Vladimir Putin in Alaska and what we've talked about earlier in the program.

他们将在讨论特朗普总统与普京在阿拉斯加的会谈内容，以及我们之前节目中提到的内容。

 00:15:42

▶ The possibility of some territorial, well, Donald Trump's called them swaps, but it's not really.

关于领土的可能性，特朗普称之为交换，但实际上并非如此。

▶ So Ukraine giving up some territory to Russia, some that's currently occupied, some that is not in the Donbass.

乌克兰将部分领土割让给俄罗斯，包括目前被占领的和未被占领的顿巴斯地区。

▶ We don't know how President Zelensky is going to react to that.

我们不知道泽连斯基总统会如何回应。

▶ It's very unlikely that they will come to an agreement in the room.

他们不太可能在会议中达成协议。

 00:16:00

▶ Much, much more expected is that he will listen seriously to this proposal and say he needs to take it back to Ukraine to discuss with his other advisors, with his parliament, and so forth before they can come to any decision.

更可能的是他会认真听取提议，并表示需要带回乌克兰与其他顾问和议会讨论后才能作出决定。

▶ And then it's later in the day that all of these European leaders, seven in all, will also join in.

随后，所有七位欧洲领导人也将加入会谈。

▶ And that's when talks will focus on the idea of security guarantees.

届时会谈将聚焦于安全保障问题。

 00:16:22

▶ Because Russia has always said it's a red line, they don't want to see Ukraine joining NATO at the end of this war.

因为俄罗斯一直表示这是红线，他们不希望乌克兰在战争结束后加入北约。

▶ What's being proposed instead is a NATO-style type assurance where a coalition of nations, including all of those European nations and the United States, crucially, would agree that any attack on Ukraine would be treated as an attack on all countries and they would come to Ukraine's defence.

目前提出的替代方案是北约式的保障，即包括欧洲国家和美国在内的联盟将同意任何对乌克兰的攻击都将被视为对所有国家的攻击，并将共同保卫乌克兰。

▶ The European leaders are here to say that they would lend their support to that and to try to flesh out some more detail as to what could be involved in these security guarantees.

欧洲领导人此行的目的是表示支持，并进一步细化安全保障的具体内容。

 00:16:55

▶ And the key thing for all of them, of course, as they go into these negotiations is to make sure that they don't antagonise Donald Trump, that they don't criticise what he's come up with in Alaska.

当然，他们在谈判中的关键是要确保不激怒特朗普，不批评他在阿拉斯加提出的方案。

▶ But at the same time, holding the line for what they believe Ukraine needs to get in these discussions.

但同时也要坚持他们认为乌克兰在谈判中应得的条件。

▶ Sure.

当然。

▶ All right, Sarah.

好的，莎拉。
