稍后继续为您带来新闻。

▶ I'll see you next time.

下次再见。

🎵 Now, you may not have noticed, but pop songs are getting longer again.

或许你尚未察觉，流行歌曲正再度变长。

🎵 But the advent of TikTok artists have been making their songs a little bit shorter, a little bit snappier.

但TikTok出现后，音乐人开始创作更短小精悍的歌曲。

🎵 But it seems there's a bit of a rebellion underway.

如今似乎正兴起一股反叛浪潮。

 00:12:05

🎵 BBC Analysis shows in 2020 the average duration of a top 40 hit dropped to a record low of three minutes and 12 seconds.

BBC分析显示2020年公告牌Top40单曲平均时长创下3分12秒的历史新低。

🎵 But fast forward to 2025 and the average length is up by 12 seconds and some of the biggest hits are far longer.

而到2025年，平均时长已增加12秒，部分热门歌曲时长显著增加。

🎵 Chapel Rowan's hit, for example, Pink Pony Club, which you're listening to is one example.

例如正在播放的Chapel Rowan热单《粉红小马俱乐部》。

 00:12:25

🎵 It comes in at four minutes and 18 seconds.

这首歌长达4分18秒。

🎵 Well, St. Adams is a content creator and pop culture enthusiast.

内容创作者兼流行文化爱好者圣·亚当斯表示：

🎵 A lot of this is due to the fact that we are in, or the music, consumption is in this error called the streaming error.

这主要源于我们正处于音乐消费的"流媒体时代"。

🎵 So before it was digital and then now it's physical.

过去是数字时代，如今是实体时代。

🎵 And with streaming, unfortunately, for example, every time you listen to something on Spotify, all the artists and the label are getting from that song is 0.003% worth of stream.

不幸的是，在Spotify等平台，每次播放艺人及厂牌仅能获得0.003%的流媒体收益。

 00:12:57

🎵 So, for example, for it to equate to a single download, you need to stream a song 1,500 times.

相当于需要1500次播放才能等同一次下载收益。

🎵 And obviously most people aren't doing that.

显然多数用户不会如此高频播放。

🎵 So because of that artist has been forced into making shorter music as the quicker it is to listen to it means the more streams.

因此艺人被迫创作更短小的歌曲以获取更多播放量。

🎵 But you also have platforms like TikTok where all you really need is maybe 10, 15 seconds to go viral.

而TikTok等平台仅需10-15秒片段即可病毒式传播。

 00:13:18

🎵 It forces an artist to be like, OK, if I want to go big and go viral and I want my label to invest in me being able to per own album, I need to hit.

这迫使艺人思考：若想走红并获得厂牌投资，就必须制造爆款。

🎵 So it forces them to make their music a lot shorter.

因此他们不得不缩短歌曲时长。

🎵 So why is it now changing?

为何现在出现转变？

▶ What is happening now?

当前趋势如何？

▶ What are artists doing?

音乐人正在做什么？

▶ So I think the problem that's happening is a lot of...

我认为问题在于...

 00:13:38

▶ And I think it's a fatigue that artists and both artists and audiences are experiencing where we as consumers are aware that you just kind of are being forced to make a viral hit.

艺人与观众都感到疲乏——消费者意识到艺人被迫制造病毒热单。

▶ And artists are also just tired who are kind of being constrained into a box of making really, really short music.

艺人亦厌倦被束缚在超短歌曲的创作框架中。

▶ And again, like audiences feel that one of the things that a lot of people complain about with R&B and pop is the lack of bridges.

观众也抱怨当代R&B与流行乐缺乏过渡段落。

 00:14:01

▶ And these are the things that are essential to being able to like ultimately connect to a song.

这些元素对建立情感联结至关重要。

▶ So I think now a lot of artists are completely abandoning these rules because if they keep playing the streaming game of, OK, I need to go viral, I need to go viral.

所以我认为现在很多艺术家已经完全放弃了这些规则，因为如果他们继续按照“我要火，我要火”的这种流媒体游戏来运作，最终只会让自己迷失方向。

▶ They're not only limiting their creative potential, but their ability to have longevity in their entire career.

他们不仅限制了自己的创造潜力，也限制了整个职业生涯的持久发展能力。

 00:14:22

▶ And very briefly, if you can, saying, do you prefer songs longer or shorter?

简而言之，你偏好长曲还是短歌？

▶ What do you think?

你怎么看？

▶ I think a short song can work.

短歌有其价值。

▶ For example, I think of an artist like Pink Pantheras, who is an example of this TikTok viral hit.

例如凭借TikTok走红的Pink Pantheras。

▶ She makes great short music.

她创作了优秀的短篇音乐。

▶ And if it works, it works.

只要效果好就成立。

▶ But I think for artists, for songs to really connect, there's just certain things that you need in there.

但要让歌曲真正打动人心，某些元素不可或缺。

 00:14:44

▶ A longer runtime is what you need.

更长时长正是所需。

▶ But I think it's based on what an artist needs, but it shouldn't be a thing where an artist has to be.

这应取决于艺人需求，而非强制要求。

▶ Yeah, they feel obliged.

是的，不应被迫妥协。

▶ Shouldn't be that.

不该如此。

▶ Yeah, to make a song to, yeah, it goes viral.

是的，仅为制造爆款而创作。

▶ Now, what you're about to see are probably some of the oldest tattoos in the world.

接下来您将看到可能是全球最古老的纹身。

▶ High-resolution imaging has found tattoos on a two and a half thousand year old Siberian ice mummy.

▶ This image shows tattoo of a rooster, which was discovered on the body of a woman aged around 50.

而我成了最年长的。

🎵 Our reporter, Yasmin Rufo, caught up with one of the stars, the film.

记者亚斯明·鲁佛采访了主演之一。

🎵 I mean, Jamie Lee Curtis has just touched my shoulder.

杰米·李·柯蒂斯刚才碰了我的肩膀。

 00:16:57

🎵 I don't think that shoulder is ever going to be washed.

我这肩膀再也不洗了。

🎵 I don't know if I've touched it.

不确定我是否碰到了。

🎵 I'm leaning on it.

我正靠着它。

🎵 Leaning is the same thing for me.

对我而言靠着就是碰到。

🎵 Okay.

好吧。

🎵 I'm leaning on your shoulder.

我正靠着你的肩膀。

🎵 But it's been 20 years since the body swapping, global hits, hit the screens.

距身体互换题材的全球热映已过去二十年。

▶ And now we are back for the sequel.

如今我们带着续集回归。

bilibili 00:17:13

▶ We've got Lindsay Lohan, Jamie Lee Curtis, re-enighting for this brilliant film.

琳赛·罗翰与杰米·李·柯蒂斯再度合作这部精彩影片。

▶ The really deals with the complexities of mother-daughter relationships and a very different stage in their life.

本片探讨母女关系的复杂性及其人生新阶段。

▶ Now, as you can see, Jamie Lee Curtis is here with me.

如您所见，杰米·李·柯蒂斯就在我身旁。

▶ Jamie, can we start by finding out why did you want to do the sequel?

杰米，首先请谈谈为何接拍续集？

▶ Well, first of all, the original movie was beloved all over the world.

原版电影风靡全球。

bilibili 00:17:32

▶ And of course, I wanted to do a sequel, but there was one thing that had to happen in the sequel, which is Lindsay Lohan had to be old enough to have a 15-year-old child.

我当然想拍续集，但前提是琳赛·罗翰需达到能饰演15岁孩子母亲的年龄。

▶ And, you know, she was a young girl and so we waited and waited and then finally, she's old enough to have a teenager, even though she has a two-year-old.

当年她还是少女，我们等待多年，如今她虽有个两岁孩子，但已适合饰演青少年母亲。

▶ And so we, I call Disney and said, I think it's time.

于是我致电迪士尼表示时机已到。

bilibili 00:17:54

▶ And you and Lindsay became such an iconic duo on the screen.

你与琳赛成为银幕经典搭档。

▶ Yes.

是的。

▶ What was it like re-enighting?

再度合作感受如何？

▶ Was the chemistry there straight away?

默契是否依旧？

▶ We've actually been united.

其实我们从未断开联系。

▶ You know, it's funny.

很有趣的是。

▶ It's very important that people understand.

大家需要明白：

▶ I take my job very seriously.

我极其认真对待工作。

 00:18:08

▶ And when I'm the mother or an elder to a young actor, I take great responsibility that this fake life that we're acting does stops.

当我扮演一位母亲或年轻演员的长辈时，我深感责任重大，因为我们演绎的这种虚假生活必须适时停止。

▶ We say, okay, bye, but then I'm not ever going to say goodbye.

我们会说“好的，再见”，但我永远不会真正告别。

▶ That I can always be counted on for counsel, for friendship, for love, because I love her.

因为我爱她，所以她永远可以依赖我获得建议、友谊和关爱。

▶ And so we didn't re-enight.

因此我们并未重新疏远。

bilibili 00:18:35

▶ We've been united all the way through her teens, her 20s.

我们从她的少女时代到二十多岁一直紧密相连。

▶ And now she's a young mom.

如今她已成为一位年轻母亲。

▶ She brought her baby to see me in Los Angeles.

她带着宝宝来洛杉矶看望我。

▶ And now we're making another movie together.

现在我们又在合作拍摄另一部电影。

▶ And it's hard.

这并不容易。

▶ Freaky Friday is about sympathy and understanding.

《辣妈辣妹》探讨的是共情与理解。

▶ How do you resonate with those terms as a mother and an advocate?

作为母亲和倡导者，您如何理解这些概念？

bilibili 00:18:52

▶ Well, I think that's, you know, understanding is at short supply right now in the world.

我认为当今世界正极度缺乏理解。

▶ And I think this is an example of what we all need to be doing, which is say, look, I will experience your life through your eyes, you experience my life through mine.

这正是我们都需要践行的——通过对方的眼睛去体验彼此的生活。

⏮ And maybe we will find some common ground, which is really how you build out of any conflict.

或许这样我们能找到共同点，这才是化解任何冲突的方法。

bilibili 00:19:17

⏮ And, you know, it's funny, really funny.

而且这很有趣，真的非常有趣。

⏮ It's very silly, obviously, because this becomes like a young British beauty fashion designer wannabe ends up in this, which is not fun for her.

当然也很荒诞，就像一个梦想成为英国时尚设计师的年轻人陷入这种境地，对她来说可不好玩。

⏮ And, you know, I end up understanding loss because she's lost her mom.

而我也最终理解了失去，因为她失去了母亲。

⏮ And, you know, the Disney, French, all the Disney movies at the root have lost.

迪士尼所有电影的核心都关乎失去。

bilibili 00:19:48

⏮ Bambi, the original Freaky Friday and this one, the parent, you know, there is loss.

《小鹿斑比》、原版《辣妈辣妹》和这部作品都涉及父母之失。

⏮ And loss creates empathy, right?

而失去能催生共情，对吧？

⏮ Because what is universal in the world?

因为这世上什么才是共通的？

⏮ So, that's a very important aspect here that we explore in a really funny way.

所以我们以非常幽默的方式探讨了这个问题。

⏮ That's Jamie Lee Curtis there talking to Yasmin Rufo.

以上是杰米·李·柯蒂斯与亚斯明·鲁弗的对话。
