🎤 These talks in Alaska on Friday, is President Zelensky going to be back to the corner?

周五的阿拉斯加会谈中，泽连斯基总统会被逼入绝境吗？

🎤 Is Ukraine going to have to give up land to secure peace?

乌克兰是否需割让土地换取和平？

🎤 Well, I think that's a concern.

我认为这确实令人担忧。

🎤 I mean, look how much has changed just in the last six or seven days a week ago.

过去六七天的变化堪称剧变。

🎤 We thought on Friday President Trump would be announcing major news sanctions on Russia.

上周五我们以为特朗普总统将宣布对俄重大新制裁。

 00:04:43

🎤 And instead, he's announcing no news sanctions, but that he's going to be meeting with Vladimir Putin in Alaska next Friday.

结果他宣布不追加制裁，却将于下周五在阿拉斯加会见普京。

🎤 This is a win for Vladimir Putin.

这对普京而言是一场胜利。

🎤 First of all, Mr. Putin has been boycotted by most, actually all Western leaders since February of 2022 when Russia launched this major invasion of Ukraine.

自2022年2月俄罗斯全面侵乌以来，普京实际上遭所有西方领导人抵制。

🎤 And now Mr. Trump is breaking that boycott.

如今特朗普打破了这种抵制。

 00:05:07

▶ Second though, Mr. Trump is, Mr. Putin now is going to be negotiating with Trump.

其次，普京将与特朗普而非乌总统泽连斯基谈判和平计划细节。

▶ Not Vladimir Zelensky, the Ukrainian president on the details of a peace plan.

特朗普只求达成协议却不关心细节，而泽连斯基在乎。

▶ Now, Mr. Trump wants to have an agreement, but he doesn't care about the details.

这可能导致结果越过乌方多条红线，反而无助于和平进程。

▶ Zelensky does.

泽连斯基确实如此。

▶ And so I think they're setting up a situation where you could have some kind of an outcome that would cross multiple red lines on the Ukrainian side and would in fact not advance the peace process.

我认为他们正在制造一种可能越过乌方多条红线且无助于和平进程的局面。

 00:05:38

▶ Well, you say President Putin is negotiating with President Trump rather than President Zelensky directly, but in his defense, Mr. Trump has turned his tone somewhat on Ukraine.

您说普京是与特朗普而非泽连斯基直接谈判，但特朗普近期对乌态度有所转变。

▶ He's increased military aid to Ukraine and he's repeatedly said in recent months that he's angry at Vladimir Putin.

他增加了对乌军援，近月多次表达对普京的愤怒。

▶ Add to that, you've got Ukraine's European allies speaking of Mr. Trump's ear as well.

此外乌克兰的欧洲盟友也在向特朗普进言。

 00:06:04

▶ Surely Mr. Trump is going to be in there, batting for Ukraine.

特朗普理应会为乌克兰力争。

🎧 Well, I'm not so sure.

我对此存疑。

🎧 I hope that is the case, but let's look at what's happened.

希望如此，但看看现实：特朗普同意向乌出售武器（现由欧洲国家购买），但未像拜登那样要求国会提供数百亿美元军援赠款。

🎧 In fact, Mr. Trump has said he's prepared to sell weapons to Ukraine and they're now being bought by European countries, but he's not done what Joe Biden did, which was asked Congress provide many billions of dollars of grant assistance to Ukraine for military assistance.

这是重大差异。

 00:06:30

🎧 So I think that's a big difference.

在领土问题上，我担心特朗普对乌方可接受范围缺乏准确判断。

🎧 And on this question of land again, I worry that Mr. Trump doesn't have a good feel for what is going to be acceptable and not acceptable on the Ukrainian side.

您认为乌克兰的欧洲盟友如英国、法国能影响特朗普的谈判进程吗？

🎧 Do you think Ukraine's European allies, Jeremy Britain, France have much sway over President Trump when it comes to how these talks progress?

这是第二个问题——泽连斯基不会出席阿拉斯加会谈，但主要欧洲国家必须参与，因为特朗普方案设想欧洲将在执行协议中发挥重要作用。

 00:06:57

🎧 Well, that's, I think, a second issue.

若未参与设计，欧洲国家可能难以同意加入解决方案。

🎧 Mr. Zlonsky is not going to be in Alaska, but also I think you have to involve the major European countries because the Trump plan envisages that Europe will play a major role in implementing any agreement.

展望乌克兰未来和平，您认为可能需要欧洲或美国派出维和部队吗？

🎧 And it may be hard to get countries to agree to be in on the settlement if they don't have a hand in designing it.

今年早些时候英法曾提议组建“意愿联盟”派驻部队为乌提供保障，但欧洲要求美国在部队遇袭时提供后备支持——据我所知华盛顿从未应允。

 00:07:21

🎧 Looking at the future of potential peace in Ukraine, do you think we could see some sort of agreement which requires European or American peacekeeping boots on the ground?

领土问题固然关键，但安全保障同样重要——乌方或需暂时接受俄占领土，但需要防止两三年后俄方利用乌弱点再次进攻。

🎧 Well, there was a proposal by the British and the French earlier this year to put a coalition of the willing with boots on the ground to provide some assurance to the Ukrainians.

这是合理诉求，但根据周三传达给特朗普谈判代表维特科普夫的俄方提案，似乎未考虑这点。

🎧 But there was from the European side, the way requests that the United States would provide a backstop in case that force ever became subject to attack.

普京反复强调反对乌克兰加入北约——您认为他会接受导致乌加入该军事联盟的和平协议吗？

 00:07:52

🎧 And at least as far as I know, that backstop has never been on offer by Washington.

目前看来不会。

🎧 So at the end of the day, I think that this is a critical question.

周三莫斯科传达的俄方提案仍未偏离其核心要求：乌方需割让顿涅茨克和克里米亚，并保持中立。

🎧 Territory is a big issue, but also security for Ukraine is a big issue.

感谢前美国驻乌克兰大使斯蒂芬·普费弗的连线。

🎧 The Ukrainians, I think, believe or they understand that they may have to de facto at least temporarily accept some Russian occupation of Ukraine's territory.

现在转向中东——巴勒斯坦高级官员向BBC表示，埃及和卡塔尔调解人提出重启加沙停火谈判的新提案。

 00:08:18

▶ But they also want, understandably, a security guarantee so that two years, three years down the road, the Russians don't just launch a second attack on Ukraine.

此前国际社会批评以色列计划加强对加沙城的控制。

▶ That in fact would take advantage of Ukrainian vulnerabilities.

哈马斯管理的加沙卫生部周六称，过去24小时以军袭击致至少38人死亡，许多人在等待援助时遇难——以色列未予置评。

▶ I think that's a reasonable demand.

该部门还称另有11人死于营养不良，加沙此类死亡总数达212人。

▶ And I'm not sure based on what we've heard of the Russian proposal that was conveyed to Mr. Whitkopf.

以色列全国数万人抗议政府扩大加沙军事行动的决定，包括被扣押人员家属称这将使亲人更危险。

 00:08:40

▶ Mr. Trump's negotiator on Wednesday takes account of that.

最大规模抗议发生在特拉维夫。

▶ One of the things that President Putin has repeatedly said he doesn't want to see is Ukraine joining NATO.

本台记者阿米尔·纳迪尔在耶路撒冷另一场反政府计划抗议现场。

▶ Do you think President Putin would accept some kind of peace agreement which does result in Ukraine joining the military alliance?

我们在耶路撒冷一场支持被扣押人员的抗议现场，同时可见许多声援加沙巴勒斯坦人的标语。

▶ Thus far, no.

内塔尼亚胡政府昨日宣布将升级战争进入加沙城后，抗议更显紧迫——这可能对加沙城百万民众及据信仍被关押在加沙地带（部分或在加沙城）的人质造成难以估量的灾难。

 00:09:01

▶ I mean, it's not clear to me yet that this Russian proposal that was received by Mr. Whitkopf in Moscow on Wednesday deviates from Russian demands.

调解方今日提出重启谈判的新提案，但尽管国内外谴责，以色列政府似乎决心升级战争，停火协议比以往更遥远。

▶ And those are that Ukraine cede to Russia, to Nets, Ukraine, and Crimea.

现连线美国大学国际服务学院副教授盖西布教授。

▶ And they quickly, Ukraine must be neutral.

感谢您参与我们。

▶ It's Stephen Pfeiffer, former US ambassador to Ukraine, Mr. Ambassador.

哈马斯与以色列已进行多轮谈判却未达成加沙停火协议，主要障碍是什么？

 00:09:27

▶ Thank you very much for joining us.

主要障碍在于哈马斯与以色列领导层——哈马斯新领导人伊斯梅尔·哈尼亚（10月7日袭击主谋之一）拒绝交权或解除武装，要求以军完全撤离却无视民众苦难；而内塔尼亚胡坚持所谓“全面胜利”（不现实的空口号），既不愿哈马斯执政，也未提出由阿拉伯方接管加沙的计划。

▶ Thank you.

他正用老套路安抚极右翼盟友，避免其吞并企图。

▶ Let's go to the Middle East now and mediators from Egypt and Qatar have put forward new proposals to revive talks for a ceasefire in Gaza, that's according to a senior Palestinian official who spoke to the BBC.

内阁强硬派斯莫特里奇因此批评他。

 00:09:42

▶ It follows international criticism of Israel's plans to push for control of Gaza City.

重新占领加沙城的计划实为承认失败——近两年战斗造成加沙广泛破坏，哈马斯仍在掌权，约50名人质未获释，这将给据信存活的20名人质判死刑，并加剧加沙人苦难，更使以色列国际声誉跌至谷底。

▶ The health ministry in Gaza, which is run by Hamas, said on Saturday at least 38 people were killed by Israeli attacks over the preceding 24 hours.

值得注意的是，该计划也缺乏以色列公众支持——今晚约6-8万人上街要求结束战争。

▶ A spokesperson said many were killed while waiting to collect aid.

您提到以色列因加沙行动遭国际孤立——其打击对象还包括黎巴嫩真主党等组织，巴勒斯坦权力机构在此冲突中能发挥什么作用？

 00:10:03

▶ Israel hasn't committed on those plagues.

多年来内塔尼亚胡削弱巴勒斯坦权力机构，错失过去达成两国方案基础的机会（他2009年曾口头支持但无诚意），至今仍拒绝考虑让改革后的巴权力机构接管加沙（最合理方案），客观上助长了哈马斯。

▶ The health ministry also said another 11 people died from malnutrition bringing the total number of such deaths in Gaza to 212.

那么终结战争的关键是否在于“首席调停者”特朗普总统？

▶ Tens of thousands of people are protesting across Israel against the government's decision to expand its military operations in Gaza.

若有任何人能结束战争（尽管不确定），恐怕就是特朗普——他拥有尚未施加于内塔尼亚胡的影响力，至少能阻止荒谬的加沙城重占计划。

 00:10:23

▶ That includes families of hostages held in the territory.

他需通过卡塔尔和埃及调解人向哈马斯施压，同时向其好友内塔尼亚胡施压。

▶ You say it'll put their relatives at greater risk from Hamas.

有报道称其特使维特科夫正与卡塔尔讨论新的埃卡联合停火提案——在局势升级前达成部分协议并非不可能。

▶ The largest demonstration is taking place in Tel Aviv.

感谢美国大学国际服务学院的盖西布教授。

▶ Our correspondent Amir Nadir is in Jerusalem at another protest against the government's plans.

五年前的今天，白俄罗斯民众因普遍认为舞弊的选举走上街头抗议总统卢卡申科——这是该国史上最大规模示威。

bilibili 00:10:40

▶ We're here in Jerusalem at one of the protests taking place in Israel tonight in support of the hostages.

此后其政权进一步镇压异见，人权组织称现有超千名政治犯被关押。

▶ But also as you can see many people are holding signs of thousands of Palestinians in Gaza.

但正如你所见，许多人举着标语，上面写着加沙数千名巴勒斯坦人的诉求。

▶ These protests have had a renewed urgency after the announcement by the government of Prime Minister Netanyahu yesterday that it intends to escalate the war by entering Gaza City with potentially untold catastrophic consequences for the 1 million Palestinians of Gaza City.

这些抗议活动在昨天内塔尼亚胡总理政府宣布计划升级战争、进入加沙城后重新变得紧迫，这可能对加沙城的100万巴勒斯坦人造成难以估量的灾难性后果。

bilibili 00:11:08

▶ And indeed some of the hostages that are alive still believe to be kept in the Gaza Strip and indeed some of whom may be being held in Gaza City.

事实上，一些人质仍被认为被关押在加沙地带，其中一些人可能就在加沙城内。

▶ We've seen a renewed round of negotiation efforts with mediators at Qatar in Egypt this afternoon, putting forward new proposals to try and bring the negotiations back to life.

今天下午，我们看到新一轮谈判努力在卡塔尔和埃及的调解下展开，提出了新提议以试图重启谈判。

▶ But despite the protests here in Israel we are just 100 metres away from the residents of Prime Minister Netanyahu despite this international condemnation both here and abroad.

尽管以色列国内外的抗议和国际谴责，我们距离内塔尼亚胡总理的住所仅100米。

 00:11:40

▶ Israel's government seems intent for escalating the war and a ceasefire deal seems further away than ever.

以色列政府似乎决心升级战争，而停火协议似乎比以往更加遥远。

▶ For joining us live now is Professor Geysib, an associate professor in the American University's School of International Service Professors.

现在加入我们的是美国大学国际服务学院的副教授盖西布教授。

▶ Good to talk to you.

很高兴与你交谈。

▶ Thank you for being with us.

感谢你的参与。

▶ We have had several rounds of talks involving Hamas, Israel, and there is other external partners as well and yet have not reached a peace agreement in Gaza.

我们已经进行了多轮涉及哈马斯、以色列和其他外部伙伴的谈判，但尚未达成加沙的和平协议。

 00:12:08

▶ What are the main blocking points here?

主要的阻碍是什么？

▶ Major barriers to a ceasefire remain the leadership of both Hamas and Israel.

停火的主要障碍仍然是哈马斯和以色列的领导层。

🎵 On the one hand you have Hamas that refuses to see power or to disarm their their new leader is that Isal Dino Haddad is a hardliner even by Hamas standards.

一方面，哈马斯拒绝放弃权力或解除武装，他们的新领导人伊斯梅尔·哈尼亚即使以哈马斯的标准也是一个强硬派。

🎵 He was one of the masterminds of the October 7th attacks and he's demanding a complete Israeli withdrawal but he opposes disarming Hamas or removing it from power and he's clearly impervious to his own people's suffering.

他是10月7日袭击的策划者之一，要求以色列完全撤军，但反对解除哈马斯的武装或将其赶下台，显然对他自己人民的苦难无动于衷。

 00:12:44

🎵 And then Israel of course being led by Netanyahu refuses to end the war until he achieves what he calls total victory which is really an empty slogan and not a realistic strategic goal.

另一方面，由内塔尼亚胡领导的以色列拒绝结束战争，直到他实现所谓的“全面胜利”，这实际上是一个空洞的口号，而非现实的战略目标。

🎵 Prime Minister Netanyahu has said he doesn't want Israel to have long term control of Gaza but at the same time he's not put forward any plans for any Arab control of Gaza.

内塔尼亚胡总理表示不希望以色列长期控制加沙，但与此同时，他也没有提出任何由阿拉伯国家控制加沙的计划。

🎵 He doesn't want Hamas in charge who potentially could control Gaza in the future.

他不希望哈马斯掌权，后者未来可能控制加沙。

 00:13:18

🎵 Well, Netanyahu is claiming to his old playbook.

内塔尼亚胡正在沿用他的老套路。

🎵 He's kicking the can down the road.

他在拖延问题。

⏮ He's doing just enough to keep his far right coalition partners on board while stopping short of their messianic push for annexation.

他做得刚好能让极右翼联盟伙伴支持他，同时避免他们推动吞并的狂热目标。

⏮ He was attacked by by Smotrich who is one of the hardliners and is cabinet for that very reason.

他因此遭到强硬派斯莫特里赫的攻击，后者是内阁成员之一。

⏮ But look this proposal of a history to reoccupy Gaza City is kind of an admission of failure in a sense because his strategy up until now has failed.

但重新占领加沙城的提议在某种程度上承认了失败，因为他迄今为止的战略已经失败。

 00:13:51

⏮ I mean, we're talking about nearly two years of fighting widespread devastation in Gaza.

我们谈论的是近两年的战斗，加沙遭受了广泛的破坏。

⏮ Hamas is still in power.

哈马斯仍然掌权。

⏮ There are still 50 Israeli hostages that remain in captivity.

仍有50名以色列人质被扣押。

⏮ This would be a death sentence for the 20 or so hostages who are said to be alive.

这对据称还活着的约20名人质来说将是死刑。

⏮ And of course it would add tremendously to the suffering of the gauzens.

当然，这将极大地加剧加沙人的苦难。

 00:14:15

⏮ And Netanyahu is also turning Israel into a pariah state with its global standing at rock bottom.

内塔尼亚胡还将以色列变成了一个被孤立的国家，其国际地位跌至谷底。

🎤 So this is I should note as well.

这一点我也应该指出。

🎤 This is not a plan that has a support of Israeli public.

这并不是一个得到以色列公众支持的计划。

🎤 I mean, you were showing images of tonight's protest or something to the tune of 60 to 80,000 Israelis on the streets demanding an end to this war.

我是说，你们展示了今晚抗议的画面，大约有6万到8万以色列人走上街头要求结束这场战争。

 00:14:38

🎤 You mentioned Israel being something of a pariah state being pushed into the cold slightly because of its activities in Gaza.

你提到以色列因其在加沙的行动而有点被孤立。

🎤 It says it's fighting not just her mass but also groups of course like Esbalat operating out of Lebanon.

它表示不仅在对抗哈马斯，还包括像真主党这样从黎巴嫩活动的组织。

🎤 What role is there in this conflict for organizations like the Palestinian Authority?

巴勒斯坦权力机构等组织在这场冲突中扮演什么角色？

🎤 Well, over the years, Netanyahu has actually undermined the Palestinian Authority.

多年来，内塔尼亚胡实际上削弱了巴勒斯坦权力机构。

 00:15:06

🎤 There were plenty of opportunities in the past to make a deal and kind of create the foundations for a Palestinian state along the lines of the two state solution, which by the way, Netanyahu endorsed, I don't think he was ever committed to it, but he did endorse at one point in 2009.

过去有很多机会达成协议，为巴勒斯坦国奠定基础，按照两国方案的路线，顺便说一下，内塔尼亚胡曾支持过这一方案，我不认为他真正致力于此，但他在2009年确实支持过。

▶ But instead he weakened undermined a boss, undermined a Palestinian Authority.

但他反而削弱了巴勒斯坦权力机构。

▶ And to this day does so because he refuses to even consider a reformed Palestinian Authority taking over the Gaza Strip, which makes the most sense.

直到今天他仍然如此，因为他甚至拒绝考虑让改革后的巴勒斯坦权力机构接管加沙地带，这是最合理的方案。

bilibili 00:15:40

▶ And it has emboldened Hamas.

这助长了哈马斯的气焰。

▶ So did then does this all fall at the feet of the peacemaker in chief, President Donald Trump?

那么，这一切是否都归咎于首席调解人唐纳德·特朗普总统？

▶ Well, I think that if there's any single individual who can end this war, and I'm not sure there is, but if there's one person who can do so, it's probably President Trump.

我认为，如果有任何一个人能结束这场战争，我不确定是否存在这样的人，但如果有，那可能就是特朗普总统。

▶ He has leveraged over Netanyahu that he hasn't yet exercised, but he could put an end to at least this absurd plan to reconquer Gaza City.

他对内塔尼亚胡有影响力但尚未使用，但他至少可以阻止重新占领加沙城的荒谬计划。

bilibili 00:16:09

▶ So he would need to apply, first of all, focused on this, he's focusing on a lot of different things he's distracted, but he would need to apply mass pressure on both Hamas via the Qatari and Egyptian mediators, but also on his friend B.B. Netanyahu.

因此，他首先需要专注于这一点，他现在分心于许多不同的事情，但他需要通过卡塔尔和埃及的调解人对哈马斯施加巨大压力，同时也要对他的朋友内塔尼亚胡施压。

▶ And there are reports that his special envoy Steve Wicoff is meeting the Qataris to discuss a new Egyptian-Katari kind of joint ceasefire proposal.

有报道称，他的特使史蒂夫·韦科夫正在与卡塔尔人会面，讨论一项新的埃及-卡塔尔联合停火提议。

▶ So it's not inconceivable that a deal, even a partial one, will be reached prior to an escalation.

因此，在局势升级之前达成协议，哪怕是部分协议，并非不可想象。

 00:16:40

▶ Okay, Professor Geisel from the American University's School of International Service, Professor, thank you very much.

好的，来自美国大学国际服务学院的盖西布教授，非常感谢。

▶ Thank you.

谢谢。

▶ Five years ago today, people in Belarus took to the streets.

五年前的今天，白俄罗斯人民走上街头。

▶ To protest against President Alexander Lukashenko on the heels of an election which was widely seen as rigged.

抗议被广泛认为舞弊的选举后的亚历山大·卢卡申科总统。

▶ It was the largest demonstration in the country's history.

这是该国历史上最大规模的示威活动。

 00:17:02

▶ Since then, his regime has further clamped down on dissent.

自那以后，他的政权进一步压制异议。

▶ Human rights groups say there are now more than a thousand political prisoners behind bars.

人权组织表示，现在有超过一千名政治犯被关押。

▶ Mr. Lukashenko has... He had Belarus for more than three decades, but on Friday, he gave an interview saying he's not planning to seek another term.

卢卡申科先生已经统治白俄罗斯超过三十年，但周五他在采访中表示不打算寻求连任。

▶ He also denied lining up his son as a successor.

他还否认安排儿子作为继任者。

 00:17:23

▶ If he sticks to his word, what could happen next?

如果他遵守诺言，接下来会发生什么？

▶ Early Ron, I spoke to his fellow man at Gennoskaya, the leader of the Belarusian opposition, who ran against Mr. Lukashenko in the 2020 election and is now living in exile.

早些时候，我与白俄罗斯反对派领袖斯维特兰娜·季哈诺夫斯卡娅交谈，她在2020年选举中与卢卡申科竞争，现在流亡海外。

▶ She says the opposition is united and ready to take action whenever they get the chance.

她表示反对派团结一致，随时准备在有机会时采取行动。

 00:17:42

▶ You've written a piece in foreign affairs and you talk in it about how Belarus, this neighbor of Russia's, which President Putin used as a launching pad for his full-scale invasion of Ukraine, is overlooked.

你在《外交事务》中撰文谈到白俄罗斯作为俄罗斯的邻国，被普京用作全面入侵乌克兰的跳板，却被忽视了。

▶ Why do you say it's overlooked?

你为什么说它被忽视了？

▶ You know, in our region, it's a huge crisis between two countries, Russia and Ukraine and the whole world, democratic world, trying to help to solve this crisis and not everyone understands that Belarus has strategic importance in our region as well.

在我们地区，俄罗斯和乌克兰之间的危机巨大，整个民主世界都在试图帮助解决这一危机，但并非所有人都明白白俄罗斯在该地区也具有战略重要性。

 00:18:17

▶ And if Belarus is overlooked, so it can be a land of constant threats and blackmailing for Ukraine, but also for our Western neighbors, Poland and Lithuania.

如果白俄罗斯被忽视，它可能成为对乌克兰以及我们的西方邻国波兰和立陶宛持续威胁和勒索的源头。

▶ So in Belarus now, a huge political and humanitarian crisis, you know, our independence is under threat, thousands of political prisoners behind bars, but usually people can pay a pain and in Ukraine, people are being killed by Russia in Belarus.

如今白俄罗斯面临巨大的政治和人道主义危机，我们的独立受到威胁，数千名政治犯被关押，但通常人们可以忍受痛苦，而在乌克兰，人们被俄罗斯杀害，在白俄罗斯则是政治犯。

▶ It's like only political prisoners, so people mostly look into Ukraine and we actually fully support this, but don't like abandon Belarus in attention as well.

看起来只有政治犯，所以人们主要关注乌克兰，我们完全支持这一点，但也不希望白俄罗斯被忽视。

 00:18:59

▶ You talk about political prisoners until recently, your husband was one of them.

你谈到政治犯，直到最近你的丈夫也是其中之一。

▶ He was freed through efforts of the Trump administration.

他通过特朗普政府的努力获释。

▶ He also said, right, my husband spent five years in jail, two and half of which he spent in full isolation in Inkomenikado mode.

他还说，我丈夫在监狱中度过了五年，其中两年半处于完全隔离的“不接触”模式。

▶ I haven't known anything about him.

我对他一无所知。

🎧 I wasn't sure if he was alive.

我不确定他是否还活着。

 00:19:21

🎧 And the last efforts of President Trump administration to release a group of people was succeed.

特朗普政府最后一次释放一群人的努力成功了。

🎧 And among other people, it was my husband.

其中就包括我的丈夫。

🎧 Of course, it was such a huge joy for me personally, you know, to hug him and to see how our family is reunited.

当然，对我个人来说，拥抱他、看到家庭团聚是巨大的喜悦。

🎧 But honestly speaking, you cannot enjoy this happiness because still more than 1,100 political prisoners stay behind bars.

但老实说，你无法享受这种幸福，因为仍有超过1100名政治犯被关押。

 00:19:48

🎧 And of course, we are struggling for the moment when our beloved, our friends can reunite with the families.

当然，我们仍在为我们的亲人和朋友能与家人团聚的那一刻奋斗。

🎧 But the fact that this group of people in previous ones are released is in joint efforts of European Union, UK, Canada and the USA.

但这群人和之前获释的人是欧盟、英国、加拿大和美国共同努力的结果。

🎧 All these five years, you kept pressure on Lukashenko's regime.

这五年来，你们一直对卢卡申科政权施加压力。

🎧 You didn't recognize his legitimacy.

你们不承认他的合法性。

▶ Lukashenko was isolated and also thanks to rather delicate diplomatic efforts of the USA.

卢卡申科被孤立，这也得益于美国相当微妙的外交努力。

▶ This releases our succeed.

这些释放成功了。

▶ So we are encouraged.

因此我们受到鼓舞。

▶ Our democratic partners continue policy of pressure on Lukashenko because dictators understand only the language of power.

我们的民主伙伴继续对卢卡申科施压，因为独裁者只懂权力的语言。

▶ But of course, President Trump has leverages, carrots and sticks, you know, how to release more and more people from the recent prisons.

当然，特朗普总统有筹码，既有胡萝卜也有大棒，知道如何让更多人从监狱中获释。

▶ Well, you talk about the things that the United States, the European Union and others have done to put pressure on the leader of Belarus.

你谈到美国、欧盟和其他国家对白俄罗斯领导人施加压力的举措。

▶ There are issues elsewhere in the world that these countries have to focus on as well.

这些国家还需要关注世界其他地区的问题。

▶ What more do you expect them to be able to do?

你期望他们还能做些什么？

▶ So what is important to pay attention to is that Belarus has strategic importance in security issues.

重要的是要注意白俄罗斯在安全问题上具有战略重要性。

bilibili 00:21:12

▶ And now when European Union, for example, European countries are intensifying the military presence in the country because dictators ambitions can go further and further.

现在，例如欧盟国家正在加强在该国的军事存在，因为独裁者的野心可能越来越大。

▶ We sometimes all the look, independence of Belarus.

我们有时都关注白俄罗斯的独立。

▶ And now Lukashenko actually, this illegitimate leader, as you say, he is serving to Putin's interest.

现在卢卡申科实际上，正如你说，这个非法领导人正在为普京的利益服务。

bilibili 00:21:37

▶ He is ready to provide our territory, our infrastructure for the possible invasion when Ukraine or NATO countries.

他准备为可能入侵乌克兰或北约国家提供我们的领土和基础设施。

▶ We don't know what might happen.

我们不知道会发生什么。

▶ But until Lukashenko is there, it will be constant source of turbulence and threat.

但只要卢卡申科还在，就会是持续动荡和威胁的源头。

▶ So that's why we are asking our democratic allies pay attention to Belarus.

因此我们要求民主盟友关注白俄罗斯。

▶ During these possible negotiations between Russia and Ukraine, don't give Belarus a cancellation price for Putin because Belarus then would serve to Russian interest against the view of Belarusian people.

在俄罗斯和乌克兰可能的谈判中，不要将白俄罗斯作为普京的筹码，因为白俄罗斯将违背白俄罗斯人民的意愿服务于俄罗斯的利益。

bilibili 00:22:12

🎤 So we are asking our partners continue this firm and principled policy regarding Belarus.

因此我们要求伙伴们继续对白俄罗斯采取坚定而有原则的政策。

🎤 On the one hand, keeping pressure on Lukashenko regime through sanctions, through policy of non-reclination.

一方面，通过制裁和不承认政策对卢卡申科政权施压。

🎤 But on the other hand, strengthen people, strengthen our civil society, show your solidarity and support.

另一方面，加强人民力量，加强我们的公民社会，展示你们的团结和支持。

🎤 Show your PL perspective to Belarusians as alternative to Russian world, to Ruskymil.

向白俄罗斯人展示你们的视角，作为“俄罗斯世界”的替代选择。

 00:22:43

🎤 Well, if I made that, are you worried by efforts that Mr. Lukashenko has made, therefore, to talk to the Trump administration to try to be something other mediator in the Russia-Ukraine war?

那么，卢卡申科先生试图与特朗普政府接触，试图成为俄乌战争的其他调解人，你是否对此感到担忧？

🎤 Does that worry you that he might be getting friendly with Donald Trump?

他可能与特朗普交好，这让你担心吗？

🎤 Actually, of course, we see that Lukashenko is trying to make this friendship again with the democratic world and he wants to be important in this geopolitical situation.

当然，我们确实看到卢卡申科正试图与民主世界重建友谊，并希望在这一地缘政治局势中扮演重要角色。

 00:23:14

🎤 But for five years, we are in close communication with the US government, with the State Department and they know our view on this situation.

但五年来，我们一直与美国政府、国务院保持密切沟通，他们清楚我们对此局势的看法。

▶ We have strategic dialogue actually with the United States of America.

事实上，我们与美国保持着战略对话。

▶ And we are in close communication and coordination and we ask the USA government that any lifting of sanctions or softening of sanctions can be in game just if we see systematic changes in Belarus.

我们保持紧密沟通与协调，并要求美国政府只有在白俄罗斯出现系统性变革时，才考虑解除或放宽制裁。

bilibili 00:23:47

▶ If we see that repressions are stopped because every day for five years in a row, people are detained daily.

如果我们看到镇压停止——因为连续五年来，每天都有人被拘留。

▶ And we say to our allies that if regime releases 20 people, regime detained in twice more.

我们告诉盟友，如果政权释放20人，就会再拘留两倍的人。

▶ It's not changing of the policy.

这并非政策的改变。

▶ Between its systematic changes, so please stand firm with the policy.

除非是系统性变革，否则请坚持现有政策。

▶ Look, the USA administration is not naive.

要知道，美国政府并不天真。

五年前，你曾试图推翻他。

▶ Independent observers said that you won that election fair in square.

独立观察员称你当年公平赢得了选举。

▶ Mr Lukashenko claimed 80% of the votes in the end.

而卢卡申科最终宣称获得了80%的选票。

▶ Are you going to run again?

你会再次参选吗？

▶ Actually, our final aim is free and fair elections in Belarus, the democratization of the country.

实际上，我们的最终目标是白俄罗斯的自由公正选举及国家民主化。

bilibili 00:24:41

▶ But only speaking though, I really gained huge political experience.

但仅就个人而言，我确实积累了丰富的政治经验。

▶ And I know almost all the leaders of the democratic world, I'm not going to participate in the French elections because I promise to be awesome people that my role here is to bring the country to elections and to hold this transitional period, but not to participate.

我几乎认识所有民主世界的领导人，但不会参加法国大选——因为我向优秀的人们承诺过，我的职责是带领国家走向选举并度过过渡期，而非参选。

▶ And of course, I'm going to fulfill my promise.

当然，我会履行承诺。

bilibili 00:25:12

▶ Before we go, I just want to bring you some breaking news on our top story and our US news partner, CBS News reporting that President Trump says he is willing to add Ukraine's President Vladimir Zelensky to the planned ceasefire talks with President Putin, you to take place in Alaska on Friday.

结束前，我想插播一条头条突发新闻：我们的美国合作伙伴CBS新闻报道，特朗普总统表示愿邀请乌克兰总统泽连斯基加入原定周五在阿拉斯加举行的与普京总统的停火谈判。

▶ Although the meeting is still officially only between President Trump and Putin.

尽管官方安排仍是仅限特朗普与普京会晤。

▶ A senior White House official has told NBC News that while their visit has been finalized, it is quote, absolutely possible at the same time.

一位白宫高级官员向NBC新闻透露，虽然访问行程已确定，但"同时进行绝对有可能"。

bilibili 00:25:45
