▶ When threatening to go into Gaza City, I'm curious of something you've just said there because when Israel initially said it would go into occupy Gaza City in this latest push, it seemed that perhaps it was a way for the Netanyahu government to pressure Hamas to come to the table and agree to a ceasefire on term.

在威胁进入加沙城之际，我对您刚才说的一些话感到好奇，因为当以色列最初表示将在这次最新行动中占领加沙城时，这似乎是内塔尼亚胡政府向哈马斯施压的一种方式，迫使其回到谈判桌，并同意按（以色列的）条件停火。

▶ These fire on terms that Israel deemed would be acceptable to it.

这些是以色列认为可以接受的条款。

⏮ But it seems like they're pushing ahead with taking control of Gaza City, doesn't it?

但他们似乎正在推进控制加沙城的计划，不是吗？

bilibili 00:05:29

⏮ Yes, certainly.

是的，当然。

⏮ Hamas agreed to a ceasefire proposal.

哈马斯同意了一项停火提议。

⏮ That was essentially identical to one that Israel had agreed several months ago.

该提议与以色列几个月前同意的提议基本相同。

⏮ But as we've seen, Israel seems to be moving the goalpost pretty frequently as the talks have moved forward or say not moved forward because they seem to be as far away from the Gaza City.

但正如我们所看到的，随着谈判的推进（或者说没有推进，因为他们似乎离加沙城一样遥远），以色列似乎经常改变目标。

bilibili 00:05:48

⏮ And this is what has led to the mass protests in Israeli cities because Hamas long ago offered to release all the hostages and return for a permanent ceasefire in the withdrawal of Israeli troops from Gaza.

这正是导致以色列城市发生大规模抗议的原因，因为哈马斯早就提出释放所有人质，以换取永久停火和以色列军队从加沙撤军。

⏮ But Netanyahu seems to be pressing ahead with that regardless.

但内塔尼亚胡似乎不顾一切地坚持推进。

⏮ So the hostages don't seem to be really the issue anymore.

所以人质似乎不再是真正的问题了。

bilibili 00:06:13

以色列已征召了6万名预备役人员，他们将加入战斗。

bilibili 00:07:01

⏮ And there are a number of people, not just they, they reservist themselves and their families, but many people in the Israeli high command who are questioning whether the potential sacrifices on their end is worth whatever Netanyahu has in store for his long range goals.

并且有许多人，不仅仅是他们自己——预备役人员及其家人，还有以色列高层指挥部的许多人，都在质疑他们可能做出的牺牲是否值得，无论内塔尼亚胡为其长远目标准备了什么。

⏮ What's in store for the Palestinians in Gaza City, both those who choose to heed Israel's advice and move south to what it's calling a humanitarian zone and for those who can't or decide not to leave?

加沙城的巴勒斯坦人将面临什么，无论是那些选择听从以色列建议向南转移到其所谓的人道主义区的人，还是那些不能或决定不离开的人？

⏮ Well, the humanitarian zones so called have not been the sanctuaries we've seen how Israel has attacked those as well.

嗯，所谓的人道主义区并非避难所，我们已经看到以色列也攻击了那些地方。

 00:07:41

⏮ There have been large scale civilian casualties.

那里已经发生了大规模平民伤亡。

⏮ Some are trying to making that risk, seeing it's less, you know, less risky than staying in Gaza itself.

⏮ Others seem to be willing to stick it out, you know, hoping that somehow they might be able to survive.

🎧 So that was a manual brake and also there is an automatic pneumatic brake.

所以那是一个手动制动器，还有一个自动气动制动器。

bilibili 00:14:06

🎧 But it does raise the possibility that another automatic system that should have kicked in when the electric circuit was cut due to the cable coming loose, that that may not have been applied.

但这确实提出了另一种可能性，即当电路因缆绳松动而切断时，本应启动的另一个自动系统可能没有启动。

🎧 It also may not have been applied.

它也可能没有启动。

🎧 It also mentioned another number of other details such as, for example, that when the car derails and hit a building right near the bottom of the slope, that it was travelling at that point at 60 kilometres per hour, it says rather curiously at this point in the proceedings that it still is not possible to state with certainty how many people were in the two cars.

它还提到了其他一些细节，例如，当车厢脱轨并撞上斜坡底部附近的一栋建筑时，其速度为每小时60公里，声明中相当奇怪地指出，目前仍无法确定两节车厢内到底有多少人。

bilibili 00:14:52

🎧 And that's perhaps because some people are so badly injured, it's not clear in the confusion whether some of them were standing on the pavement or were in the cars at that point.

这也许是因为一些人伤势严重，在混乱中不清楚他们当时是站在人行道上还是在车厢里。

从喜马偕尔到北阿坎德邦，再到查谟和克什米尔，喜马拉雅山脉的洪水正淹没其平原地区。

▶ Experts blame climate change, unseasonal cloudbursts, extreme rainfall, and shrinking river capacity are making floods fiercer, longer and deadlier.

专家归咎于气候变化，不合时节的暴雨、极端降雨以及河流容量的缩小，正使洪水更猛烈、持续时间更长、更致命。

印度气象部门警告，本周北部地区，如旁遮普邦、哈里亚纳邦、喜马偕尔邦、北阿坎德邦、北方邦和德里，将有强到极强降雨。

▶ Tennis now and the women's final at the U.S. Open in New York has come to an end.

现在关注网球，纽约美国网球公开赛的女单决赛已经结束。

▶ Defending champion, Arena Subllienca, retained her title at Flushing Meadows as she won in straight sets against the American Amanda and Isomova.

卫冕冠军阿瑞娜·萨巴伦卡在法拉盛公园直落两盘击败美国选手阿曼达·阿尼西莫娃，成功卫冕。

▶ The Wimbledon runner-up who was looking for that first grand slam title.

这位温网亚军当时正在寻求她的第一个大满贯冠军头衔。

▶ And now we can get across to New York and tennis journalist Stephanie Miles for the very latest.

现在我们将连线纽约的网球记者斯蒂芬妮·迈尔斯，获取最新消息。

bilibili 00:21:16

▶ Stephanie, thank you so much for joining us.

斯蒂芬妮，非常感谢你加入我们。

▶ It seems like Subllienca reigns supreme once again as she retains this title.

看来萨巴伦卡再次统治了赛场，成功卫冕。

▶ You certainly did.

她确实做到了。

▶ It was a difficult match up to know how it was going to go because the best matches have contrasts and styles.

这是一场难以预测结果的比赛，因为最精彩的比赛往往风格迥异。

▶ And with these two women, it's pretty much full on power all the time.

而这两位选手，几乎整场比赛都在全力比拼力量。

bilibili 00:21:37

▶ But what Subllienca did was she was the more mature of the two on the tennis court.

但萨巴伦卡所做的是，她在球场上表现得更为成熟。

▶ She's got more experience and she didn't go for as many winners and she basically let Enesomova kind of lose the match in a way.

她经验更丰富，没有追求过多的制胜分，她基本上是让阿尼西莫娃自己某种程度上输掉了比赛。

▶ And then at the end when Enesomova started playing better, she raised her level better.

然后在最后，当阿尼西莫娃开始打得更好时，她也把自己的水平提得更高。

▶ So really it was a masterclass in mature tennis from a woman who definitely wears her heart on her sleeve and her emotions on her sleeve.

所以这真是一场成熟网球的典范之作，来自一位绝对情感外露、毫不掩饰情绪的球员。

 00:22:06

▶ But she was really tremendous today.

但她今天确实表现得非常出色。

▶ What do you think happened with the home favorite Enesomova?

你认为本土宠儿阿尼西莫娃发生了什么问题？

▶ It feels like she struggled a bit there in the final and still no grand slam title for her.

感觉她在决赛中有些挣扎，至今仍未获得大满贯冠军。

▶ Well, I think we're expecting a lot for her to have one already.

嗯，我认为我们对她已经拥有一个的期望太高了。

▶ You know the fact that she's she took a long period of time off and came back and it's sort of gotten herself back into shape and she's made the last two grand slam finals is already a tremendous accomplishment for her.

你知道，她经历了长时间的休整后复出，并让自己恢复了状态，还打进了最近两个大满贯的决赛，这对她来说已经是巨大的成就了。

 00:22:33

▶ She's going to be number four in the world.

她将成为世界第四。

▶ So as Subllienca said in the trophy ceremony afterwards, you know, you'll get one and when you do, it'll feel it'll taste even more sweet than it would have otherwise.

正如萨巴伦卡在之后的颁奖仪式上所说，你会赢得一个的，而当你赢得时，它的滋味会比原本更加甜美。

▶ You know, having gone through the defeats.

你知道，经历了这些失败之后。

▶ I mean, she lost to a better player.

我的意思是，她输给了一位更优秀的球员。

▶ So so that there's certainly no shame in that and she she battled right to the end.

所以这当然没有什么可羞耻的，而且她一直战斗到了最后。

 00:22:52

▶ She can't ask for really for more than that from herself.

她真的不能对自己要求更多了。

▶ Yeah, that's for sure.

是的，确实如此。

▶ And for those who didn't get a chance to see the match, what was your highlight, which moment really made you sit up and think this is amazing tennis to be watching?

对于那些没能观看比赛的人，你印象最深刻的时刻是什么，哪个瞬间真的让你觉得这网球看得太值了？

▶ It was it was towards the end and Subllienca surf for the match and got broken because all of a sudden, you know, sometimes when you're when your back is to the wall, you play some desperate tennis and I just came up with some really, really good shots, but you know what?

那是在接近比赛尾声的时候，萨巴伦卡发球胜赛局却被破发，因为突然间，你知道，有时当你被逼入绝境时，你会打出一些拼命的网球，阿尼西莫娃就打出了几个非常、非常漂亮的回球，但你知道吗？

bilibili 00:23:21

▶ She turned the page right away and then she came out in the next game and she started hitting harder and better and she said, well, no, you thought you had a chance in this one.

她立刻翻过了这一页，然后在下一局中，她开始打得更用力、更好，她仿佛在说，不，你以为你在这局有机会。

▶ Well, I'm here to tell you who's boss right now.

好吧，我现在就来告诉你谁才是这里的老大。

▶ So that was really the turning point for me and really the most impressive part of a very good day for her.

所以那对我来说真的是转折点，也是她这非常出色的一天中最令人印象深刻的部分。

bilibili 00:23:38

▶ Let's turn to this eagerly awaited men's final on Sunday between Sinner and Al-Qaraf.

让我们转向周日这场备受期待的男单决赛，辛纳对阵阿尔卡拉斯。

▶ Give us a little preview there.

给我们简单预览一下。

▶ What can we expect?

我们能期待些什么？

▶ Well, we've seen it so many times before and it's sort of a funny thing because because when the big three were around, everybody was so bored with all the same guys are always winning all the Grand Slimes and thought, well, once they were going to win the match, once they were tired or sort of faded away a little bit that there would be more opportunity for some of these other great players to step up and and get a big title.

嗯，我们以前见过太多次了，这有点好笑，因为当三巨头还在的时候，每个人都对总是那几个人赢得所有大满贯感到厌倦，并且认为，一旦他们累了或者有点状态下滑，其他一些优秀球员就会有更多机会站出来赢得一个大冠军。

bilibili 00:24:09

▶ But no, the new two came along Al-Qaraf and Sinner and they've already played, this will be their 16th meeting already and they're only 22 and 24.

但没有，新的两个人出现了，阿尔卡拉斯和辛纳，他们已经交手过，这将是他们的第16次对决了，而他们才22岁和24岁。

▶ So, you know, I suspect they might be into the 50s or 60s before they're done because they are so clearly superior to the rest of the field that and they're only getting better because they're so young.

所以，你知道，我怀疑在他们退役前，交手次数可能会达到五六十次，因为他们显然比其他人优秀得多，而且他们还这么年轻，只会变得更好。

▶ So it's not as though as though the other guys have much of a chance to really catch up even if they do improve themselves.

所以，即使其他人确实提高了自己，他们也没什么机会真正赶上。

 00:24:37

▶ So it's tricky, but I'll tell you what, they're both brilliant.

所以这很棘手，但我告诉你，他们俩都很出色。

▶ They both had pretty brilliant runs so far.

到目前为止，他们俩的征程都相当出色。

▶ Al-Qaraf has not lost a set and Sinner has lost two.

阿尔卡拉斯一盘未失，而辛纳输了两盘。

▶ Both to Canadians, so I should point that out as a Canadian that, you know, we at least we have that going for us.

都是输给了加拿大人，所以我作为加拿大人应该指出这一点，你知道，我们至少还有这点可说的。

▶ He had a little bit of a stomach pull or issue or something last night against Felix Ojeal-assim, but I'm sure he's fine.

昨晚对阵菲利克斯·奥热-阿利亚西姆时，他的胃部有点拉伤或不适什么的，但我相信他没事。

▶ I think the first match to get everybody's attention with those two was a quarter final at the US Open three years ago when they really were just kids and it was so blinding.

我认为他们俩第一次引起所有人注意的比赛是三年前美网的四分之一决赛，那时他们还只是孩子，那场比赛精彩得令人眩目。

▶ It was, if you're ever a certain age and you remember the video game, Pong, which is basically two paddles just going back and forth, while it was like Pong at speed 55 or something.

那场比赛，如果你到了一定的年纪，还记得电子游戏《Pong》的话，那个游戏基本上就是两个拍子来回打，而那场比赛就像是速度调到55的《Pong》一样。

▶ It was just completely insane how well they executed at the speed they were doing it, which I'm not sure it's quite, you can't really quite tell on television, I think, as much as you can live, how fast they play and how good they are.

他们在那样的速度下执行得如此之好，简直疯狂，我不确定电视上是否能完全展现出来，我认为现场观看更能体会他们打得有多快、有多好。

▶ So they've set a very, very high bar for finals, but Sinner won the Wimbledon final, but he really, either if that has not beaten Al-Qaraf in two years.

所以他们为决赛设定了非常非常高的标准，但辛纳赢得了温网决赛，但他确实，或者说，他已经两年没有击败过阿尔卡拉斯了。

▶ So, so that you know, I said the bar is set very high.

所以，所以你知道，我说标准定得很高。

▶ Let's hope we have another epic classic five set drama.

让我们希望我们能再看到一场史诗般的经典五盘大战。

▶ Yeah, but who knows, you know, it knows how to say Al-Qaraf has gone under the weather under the radar very, very much of the world.

是的，但谁知道呢，你知道，可以说阿尔卡拉斯在很大程度上避开了世界的关注，这是肯定的。

▶ That's for sure.

这是肯定的。

▶ Thank you so much for joining us.

非常感谢您加入我们。

我是斯蒂芬妮·迈尔斯。
