🎤 First of all, this is our Israeli Prime Minister Benjamin Netanyahu's slams countries for recognizing a Palestinian state as dozens of UN delegates walked out in protest to his speech.

首先，以色列总理本杰明·内塔尼亚胡猛烈抨击那些承认巴勒斯坦国的国家，与此同时，数十名联合国代表为抗议其演讲而离场。

关于国际上日益增长的对巴勒斯坦建国的承认，他是这样说的：

▶ Giving the Palestinians a state, one mile from Jerusalem after October 7th, is like giving Al Qaeda a state, one mile from New York City after September 11th.

在10月7日之后，在距离耶路撒冷一英里处给予巴勒斯坦人一个国家，就如同在9/11之后，在距离纽约市一英里处给予基地组织一个国家。

 00:02:22

▶ This is sheer madness.

这简直是#彻头彻尾#的疯狂。

▶ It's insane, and we won't do it.

这太#荒谬#了，我们不会这么做。

▶ Israel's far right politicians are praising his speech, however the head of Israel's opposition, Ya'yir Lapid, criticized the Israeli Prime Minister for not laying out a path to end the war or to explain why Israel has not yet defeated Hamas as Netanyahu promised.

以色列极右翼政客赞扬了他的演讲，然而以色列反对党领袖亚伊尔·拉皮德则批评总理未能提出结束战争的路径，也未解释为何以色列尚未如内塔尼亚胡所承诺的那样击败哈马斯。

▶ I wonder, watching the Israeli Prime Minister on the stage there is, as those delegates walked out, and also seeing the math of this, right?

我在想，看着以色列总理站在那个讲台上，同时代表们离场，再看看这个数字，对吧？

bilibili 00:03:44

▶ Israel and the U.S. alongside it are very much on a shrinking island now, being among the few countries that have not now recognized Palestinian statehood.

以色列及其身边的美国现在如同身处一个不断缩小的孤岛，属于少数尚未承认巴勒斯坦国地位的国家之列。

▶ Does that isolation, growing isolation, doesn't matter.

这种#孤立#，日益加剧的#孤立#，是否无关紧要？

▶ Is it at all influencing policy in Israel now?

它到底有没有在影响以色列当前的政策？

▶ So, Jim, I would distinguish between where the United States and Israel sit, not making the unilateral declarations of Palestinian statehood and the ways in which President Trump and Prime Minister Netanyahu used a world stage at the UN to speak only to their base.

所以，吉姆，我想区分一下美国和以色列的立场，即不单方面宣布巴勒斯坦建国，与特朗普总统和内塔尼亚胡总理利用联合国这个世界舞台只向各自基本盘喊话的方式。

bilibili 00:04:23

▶ And it, very narrow bases, particularly with respect to Prime Minister Netanyahu's speeches, you pointed out the extreme right in Israel.

而且，是非常狭隘的基本盘，特别是就内塔尼亚胡总理的演讲而言，你提到了以色列的极右翼。

▶ So, I think the question now is what to be done, how to move forward.

所以，我认为现在的问题是该怎么办，如何向前推进。

▶ I am encouraged by some of the words I heard from President Trump earlier today, indicating that his meeting with Arab countries, I think was justified, was, may well lead to laying out a plan away forward.

今天早些时候听到特朗普总统的一些话让我感到鼓舞，他表示他与阿拉伯国家的会晤（我认为是合理的）很可能会促成一项未来计划的制定。

▶ Do you believe that President Trump is truly ready to push Israel to a deal to ending the war?

您是否相信特朗普总统真的准备好推动以色列达成协议以结束战争？

▶ Because it's not the first time he's complained or said that he's running out of patience.

因为这已经不是他第一次抱怨或者说他失去耐心了。

▶ He's been doing so for weeks.

几周来他一直如此。

▶ And yet, it seems, forced Netanyahu's hand.

然而，这似乎迫使内塔尼亚胡采取了行动。

▶ So, Jim, I think where I differ with you a little bit is, is I don't think the United States, despite popular perception, can force another country to do anything.

所以，吉姆，我想我与你略有分歧的地方在于，我认为尽管普遍看法如此，但美国并不能强迫另一个国家做任何事。

 00:05:41

▶ And I think what you want to do is mobilize a variety of different actors to be incentivizing along the path that's in your interest.

我认为需要做的是动员各种不同的行为体，沿着符合你利益的道路进行激励。

▶ Diplomacy is the art of letting others have it your way.

#外交#就是让别人按你的方式行事的艺术。

▶ And that's what needs to come about.

这正是需要实现的目标。

▶ I think there's a possible grouping of European countries, what Macron said is indicative of that.

我认为有可能形成一个欧洲国家集团，马克龙所说的话就#表明#了这一点。

 00:06:00

▶ The Gulf countries, Jordan, Egypt, along with President Trump in the United States, that show the way forward here.

#海湾#国家、约旦、埃及，连同美国的特朗普总统，共同指明了前进的方向。

▶ To your point, Israel has proven your point right in the past where it has the Israeli leaders often ignored American pressure, certain going back to the Biden administration.

说到你的观点，以色列过去确实证明了你的观点是对的，以色列领导人常常无视美国的压力，这肯定可以追溯到拜登政府时期。

▶ But there are things President Trump can do to pressure, right?

但特朗普总统确实可以采取一些措施施压，对吧？

bilibili 00:06:23

▶ For instance, withholding armsales, which is something he has shown even in the midst of his criticism, no appetite for.

例如，暂停武器销售，但即使在他批评之际，他也显示出对此毫无#兴趣#。

▶ I mean, that would be the true pressure point, would it not?

我的意思是，那才是真正的施压点，不是吗？

▶ So I'm not sure.

所以我不太确定。

▶ I just wanted to say Israel has ignored what various presidents have wanted for decades well before President Biden.

我只是想说明，以色列无视历任总统的意愿已有数十年之久，远在拜登总统之前。

bilibili 00:06:47

▶ And there's kind of always a public and a private back and forth.

而且总有一种公开和私下的来回#拉扯#。

▶ I don't think it's about pressure on the negative side.

我认为关键不在于负面施压。

▶ I think the arms sales, the arms agreements the United States has with Israel are in the United States interest, as much as there in Israel's interest.

我认为美国与以色列的武器销售、武器协议既符合美国的利益，也符合以色列的利益。

▶ And I think it's more about where the incentives are going forward on something like the Abraham Accords that would really support economic and security frameworks in the region

that would benefit Israel, that would benefit the United States, and that will not happen, will not be able to proceed if we don't have a day after plan for Palestinians.

我认为更关键的是，在诸如《亚伯拉罕协议》这类事情上，未来的激励措施在哪里，这些协议将真正支持该地区的经济和安全框架，使以色列受益，也使美国受益，而如果我们没有针对巴勒斯坦人的"战后"计划，这一切就不会发生，也无法推进。

 00:07:23

 And that remains very much an open question.

而这仍然是一个非常开放的问题。

 Mara Rudman, thanks so much for joining.

玛拉·拉德曼，非常感谢您的参与。

 Thank you.

🎧 All have denied those allegations, standing by the line of treason.

🎧 Alaina, when the president says there will be others, and when an indictment follows the president tweeting, pressuring his attorney general to prosecute people, naming Komi, how does the White House explain that he is not directing these prosecutions?

阿莱娜，当总统说还会有其他人，以及当起诉紧随总统发推文、向其司法部长施压起诉点名科米之后，白宫如何解释他并未指挥这些起诉？

🎧 And that these prosecutions are not politically motivated?

并且这些起诉并非出于政治动机？

 00:14:21

🎧 Yeah, they are continuing to argue that.

是的，他们继续这样主张。

🎧 We actually saw that argument from the FBI Director, Kash Patel, saying this isn't politically motivated.

我们实际上从联邦调查局局长卡什·帕特尔那里看到了这个论点，他说这不是政治动机。

🎧 But of course, they aren't going there when pressed on this about the behind the scenes.

但当然，当被追问幕后情况时，他们不会深入谈及。

🎧 We know from our reporting, and I know from my conversations with people in that building behind me, that the president did urge the attorney general, Pam Bondy, to bring charges against Komi.

我们从报道中得知，我也从我与身后那栋大楼里的人的交谈中得知，总统确实敦促司法部长帕姆·邦迪对科米提起诉讼。

 00:14:44

⏮ And of course, I would know, you know, from my conversations people throughout the Trump administration, they said once they saw that Seabird and who you just pointed to, had stepped down from his role, he was also pressured to do so, I should note, by the president, the president then put in one of his closest allies, Lindsey Halligan, her, his former personal attorney, someone who was considered a loyalist to the president, put her in that role in the Eastern District of Virginia.

当然，我从与特朗普政府内部人士的交谈中得知，他们说一旦看到西伯德和你刚才提到的人辞职——我应该指出，他也是受到总统压力才这样做的——总统随后任命了他最亲密的盟友之一林赛·哈利根，他的前私人律师，一位被认为是总统忠诚者的人，让她担任弗吉尼亚东区的那个职务。

⏮ That was assigned to many people across the administration that charges against Komi were likely to come.

这向整个政府的许多人表明，对科米的指控很可能即将到来。

⏮ And I think, you know, the thing that I keep picking up from my conversations today, in the aftermath of this indictment, Jim, is that this is something the president has lamented for months now.

吉姆，我想，从我今天在起诉后的交谈中不断了解到的是，这是总统几个月来一直在哀叹的事情。

 00:15:29

⏮ This idea, and he kind of said it in that post over the weekend, this idea that he was prosecuted, he was indicted multiple times when he was out of office, he was impeached during his first term twice.

这个想法，他在周末的帖子中也略有提及，即他被起诉，他在离职后被多次起诉，他在第一个任期内被弹劾两次。

⏮ These are things that he wants to see the people who were behind that held accountable.

这些都是他希望看到幕后之人被追究#责任#的事情。

▶ And he does believe, I mean, part of this is he does firmly believe that these people somehow violated the law, and that's why he's pushing a lot of this, but it's still the same, this idea of wanting to seek retribution against political opponents.

而且他确实相信，我的意思是，部分原因在于他坚信这些人以某种方式违反了法律，因此他大力推动此事，但本质未变，仍是那种想要对政治对手进行报复的念头。

 00:15:57

▶ That is what they tell me, that it's not just personal, it's something that he believes, but they still will admit that.

这是他们告诉我的，即这不只是个人恩怨，而是他真心相信的事，不过他们依然会承认这一点。

▶ And so, I think a key question, of course, is what is going to happen next.

因此，我认为关键问题当然是接下来会发生什么。

▶ There's no question though that he hopes that more are to follow.

但毫无疑问，他希望有更多人步其后尘。

▶ And he is publicly, as you saw in that post, publicly pressuring the Attorney General, not just doing it behind the scenes.

而且他公开地，如你在那条帖子中所见，公开向司法部长施压，而不仅仅是在幕后操作。

▶ What's the crime though?

可罪行是什么呢？

▶ I mean, Schiff followed a legal impeachment process, which is enshrined in the Constitution.

我是说，希夫遵循的是宪法规定的合法弹劾程序。

▶ By the way, there's a Republican who voted for a conviction in that first impeachment trial.

顺便提一下，在第一次弹劾审判中，有一位共和党人投票支持#定罪#。

▶ And seven Republicans who voted for conviction in the second impeachment trial.

而在第二次弹劾审判中，有七名共和党人投票支持#定罪#。

▶ What is the alleged crime that White House officials mentioned?

白宫官员提到的所谓罪行是什么？

▶ See, this is what's so fascinating to me because it's not what the president has been really criticizing Komey over.

看，这就是让我觉得如此#着迷#的地方，因为这并非总统真正批评科米的原因。

▶ What he is being charged with is for making false statements during a hearing in 2020, a Senate hearing, essentially about whether or not he had leaked to the media details of the

Russian investigation and whether the Trump 2016 campaign had colluded with Russia to help him when the presidency.

他被指控的罪名是在2020年的一次参议院听证会上作虚假陈述，核心内容是关于他是否曾向媒体泄露俄罗斯调查的细节，以及特朗普2016年竞选团队是否与俄罗斯合谋以助其赢得总统宝座。

 00:17:33

 And that's really what this is about.

这才是事情真正的核心。

 It's about whether he made, whether he purged himself while testifying whether there was an obstruction of justice.

关键在于他是否在作证时作了伪证，是否构成了#妨碍#司法公正。

 Those are the charges.

这些就是指控的内容。

 It's not really related to what the president, the broader Russia investigation itself.

这与总统本人、与更广泛的俄罗斯调查本身并无直接关联。

 And so that's where I think watching how this actually plays out in court.

因此，我认为重点在于观察此事在法庭上的实际进展。

 00:17:53

 I am no legal expert.

我不是法律专家。

 We have a lot of those at CNN, but from my conversations with them, they say it's going to be a tall order to see what the judges do, what a grand jury will do when this is actually brought into the courtroom.

CNN有很多这样的专家，但根据我与他们的交谈，他们认为要看法官和大陪审团在案件真正进入法庭后的行动，将是一项艰巨的任务。

🎧 And so it's going to be very telling to see whether that also potentially leads to different type of motivation.

所以，观察这是否也可能导致不同类型的#动机#，将非常能说明问题。

 00:18:11

🎧 And other cases, whether that makes them reconsider.

以及其他案件是否会因此重新考虑。

🎧 I don't know, but what is clear is that the president very much is feeling emboldened with this.

我不知道，但清楚的是，总统因此感到倍受鼓舞。

🎧 And he's also been celebrating it.

而且他一直在庆祝此事。

🎧 I mean, today we saw him post early this morning calling Komi a dirty cop.

我的意思是，今天一早我们就看到他发帖称科米是肮脏的#警察#。

🎧 We've seen a number of different messages from other top officials, including people in this White House saying similar things and celebrating that.

我们还看到其他高层官员，包括白宫内的人员，发出许多类似的信息并表示庆祝。

 00:18:31

🎧 So by and large, they look at this as a win for them, even though a lot of people are criticizing, of course, concerned about what this could mean for the Justice Department overall.

因此，总的来说，他们视此为一场胜利，尽管当然有很多人在批评，担心这对整个司法部可能意味着什么。

🎧 I mean, celebrating these commenting on an active legal case, right, which is something that, you know, used to be against the rules.

我是说，庆祝这些对正在审理的法律案件的评论，对吧，这你知道，过去是违反规则的。

🎵 Could ultimately be used against him too in this trial.

最终也可能在这次审判中被用来对付他。

bilibili 00:18:52

🎵 So we'll see.

所以我们拭目以待。

🎵 Sure.

当然。

🎵 I'll let it train.

我会留意后续。

🎵 Thanks so much.

非常感谢。

🎵 Join me now, former federal prosecutor, Gene Rossi.

现在和我一起的是前联邦检察官，#吉恩#·罗西。

🎵 So Gene used to serve in the Eastern District of Virginia.

那么#吉恩#曾在弗吉尼亚东区任职。

🎵 The previous US Attorney, what's that?

前任美国检察官，什么？

🎵 I got that right, right?

我说对了吧？

bilibili 00:19:07

🎵 I said proudly proud.

我说得很自豪。

🎵 Yeah.

是的。

🎧 So you know, the US Attorney there who I believe was appointed by Trump, he was effectively pushed out because he didn't see merits of case here.

所以你知道，那里的美国检察官我相信是特朗普任命的，他实际上是被排挤走的，因为他认为此案缺乏法律依据。

🎧 He brings in a Trump loyalist, Lindsey Halligan, and you know, two days later, the charges come.

他换上了特朗普的忠诚支持者林赛·哈迪根，然后你知道，两天后，指控就来了。

🎧 Do we still have a rule of law operating in this country?

我们这个国家还有法治在运作吗？

 00:19:29

🎧 I take a deep breath because I'm sad to say that the rule of law yesterday took a huge hit.

我深吸一口气，因为我悲伤地说，法治昨天遭受了重创。

🎧 The Department of Justice was started around 1870 in the presidency of our Ulysses S grant.

司法部大约成立于1870年，在我们的尤利西斯·S·格兰特的#总统任期#内。

🎧 That was a great year for the DOJ.

那对司法部来说是伟大的一年。

🎧 And since that time, the DOJ has had in a spree to core unmatched and any federal agency in my humble view.

自那时起，司法部就拥有在我看来任何联邦机构都无法比拟的核心诚信。

 00:19:54

🎧 Let's talk about the rule of law.

我们来谈谈法治。

🎧 When I worked in EDVA for almost 20 years, the rule of law was my north star.

当我在弗吉尼亚东区工作了近20年时，法治是我的北极星。

▶ It was my moral compass.

它是我道德的#指南针#。

▶ I prosecuted people without fear or favor, without bias for anybody, prejudice against anybody, sympathy or empathy.

我起诉他人时无所畏惧也无所偏袒，对任何人没有#偏见#，没有#成见#，不掺杂同情或#共情#。

▶ I did what Justice Sutherland said a US Attorney should do.

我做了萨瑟兰法官所说的美国检察官应该做的事。

bilibili 00:20:18

▶ I was struck hard blows, but they cannot be foul ones.

我出手沉重，但绝非#肮脏#的手段。

▶ And the presentation of the indictment yesterday by Lindsey Hardigan, who stands on the shoulders of great US Attorneys, including John Marshall.

而昨天林赛·哈迪根提出的#起诉书#，她是站在包括约翰·马歇尔在内的伟大美国检察官的肩膀上的。

▶ She struck a foul blow yesterday.

她昨天使出了#肮脏#的一击。

▶ And the reason I say that is you mentioned Eric Seibert.

我这么说是因为你提到了埃里克·塞伯特。

▶ He was a phenomenal pick by Donald Trump to be US Attorney.

他是唐纳德·特朗普选出的#非凡#的美国检察官人选。

bilibili 00:20:47

▶ He was vetted by Senators Warner and Kane.

他经过了华纳和凯恩参议员的审查。

⏮ And they had set up a panel of two Republican US Attorneys, of Democratic US Attorney and a federal public defender.

他们成立了一个由两名共和党美国检察官、一名民主党美国检察官和一名联邦公设辩护人组成的小组。

⏮ And they all strongly recommended Eric Sebert, with whom I worked for about six years from 2010 to 2016.

他们都强烈推荐埃里克·塞伯特，我在2010年至2016年间与他共事了大约六年。

⏮ He's impeccable.

他是#无可挑剔#的。

⏮ He said, he said, because he was following that north star, he said, I can't do this.

他说，他说，因为他遵循着那个北极星，他说，我不能这么做。

 00:21:17

⏮ We have no case.

我们没有站得住脚的案子。

⏮ Therefore, the rule of law, as propounded by Lindsey Hardigan, is at best an embarrassment and a disgrace.

因此，林赛·哈迪根所宣扬的法治，充其量是一种难堪和#耻辱#。

⏮ Listen, it's not the first time this happened.

听着，这不是第一次发生这种事了。

⏮ We saw this with the US Attorney in New York, right?

我们在纽约的美国检察官身上也见过，对吧？

⏮ They, you know, trying to push cases and they walked out, even once with conservative Bonafidus.

他们，你知道，试图推动案件，然后他们退出了，甚至有一次是和保守派的博纳菲德斯一起。

▶ The president has said in so many words, there will be others.

总统已经多次表示，还会有其他人。

▶ And we should take him at his word, given he demanded action this weekend, and a few days later it happened.

我们应该相信他的话，鉴于他上周末要求采取行动，几天后事情就发生了。

▶ What are the fail safes here?

这里的保障措施是什么？

▶ What, what are the stopgaps?

什么，有什么权宜之计？

▶ Jim, I got to say this.

吉姆，我得这么说。

▶ Normally you'd want a gag order in a case.

通常在一个案件中你会希望有#禁言#令。

▶ And a Patrick Xero, who's phenomenal, is going to be Jim Colmy's defense attorney.

而帕特里克·泽罗，一位#非凡#的律师，将担任吉姆·科米的辩护律师。

▶ God save those prosecutors.

上帝保佑那些检察官吧。

▶ They don't know what's going to hit him.

他们不知道会面临什么。

▶ But I would not ask for a gag order.

但我不会要求#禁言#令。

▶ You want to know why?

你想知道为什么吗？

▶ Because Donald Trump has an insatiable urge to run his proverbial illogical insane mouth.

因为唐纳德·特朗普有一种#贪得无厌#的冲动，要去说他那众所周知的、不合逻辑的#疯狂#言论。

▶ And every time he runs his mouth, whether verbally on the lawn of the White House or through his stupid tweets or postings, he is adding fuel to the following.

每次他信口开河，无论是在白宫草坪上口头发表，还是通过他愚蠢的推文或帖子，他都在为以下事情火上浇油。

 00:22:33

▶ The motion I would file, Abinitio at the beginning is a motion for vindictive prosecution and doors selected prosecution.

我会提交的动议，从一开始就是关于#报复性#起诉和选择性起诉的动议。

▶ And all of Trump's comments over the last months about Jim Colmy, and you're going to get a lot more.

而特朗普过去几个月所有关于吉姆·科米的评论，而且你还会听到更多。

▶ They are going to be exhibit one.

它们将成为证据一。

▶ They're going to be on one CD, and you're just going to play him to the judge or the jury.

它们会被刻在一张光盘上，然后你只需在法官或陪审团面前播放。

 00:22:55

▶ And it's going to be a great day for Jim Colmy.

那对吉姆·科米来说将是伟大的一天。

▶ Here's my prediction.

这是我的#预测#。

▶ Jim Colmy will be acquitted, or the case will be tube by Judge Nakmanoff, who's a really good guy, fair and impartial.

吉姆·科米将被宣告无罪，或者此案将被纳克马诺夫法官驳回，他是个非常好的人，公正且不偏不倚。

▶ Well, we'll have you back, Gene Rossi, to discuss as this moves forward.

好的，我们会再请你回来，#吉恩·罗西，随着事态发展继续讨论。

▶ Thanks so much for joining.

非常感谢你的参与。

▶ Thanks, Jim.

谢谢，吉姆。

bilibili 00:23:18

▶ Still ahead, Jimmy Kimmel Live will be back on the air across the United States tonight.

接下来，吉米·坎摩尔直播秀将于今晚在全美恢复播出。

▶ After a major reversal from two major broadcasting groups, why station otis next star and sinclair reversed course.

在两大广播集团出现重大反转之后，为何奥的斯下一站星和辛克莱尔改变了方向。

▶ Right after this.

广告之后马上回来。
