⏮ Effing Forest District Council brought this case on planning grounds they had to argue in court about what makes a true hotel, but the judge also took into account local fears of safety that have got worse since the protests began and in taking those arguments into account, he's caused a real headache for the home secretary because this case sets a potentially grave precedent.

埃平森林区议会以规划为由提起了此案，他们不得不在法庭上争论什么才是真正的酒店，但法官也考虑到了当地自抗议开始以来日益加剧的安全担忧，在考虑了这些论点后，他给内政大臣带来了真正的麻烦，因为此案可能开创一个严重的先例。

但我认为政府也可能面临更广泛的政治代价，因为他们实际上已经成功地将庇护酒店的数量从高峰期的400多家减少到现在的200家左右，但尽管如此，这项判决使他们在庇护和非法移民方面的记录牢牢地成为焦点，而这并不是他们希望看到的情况。

我们将揭晓全部。

▶ A British woman who was sexually assaulted on a flight from Qatar to London wants the government to change its criminal injuries compensation scheme after she was refused damages.

一名在从卡塔尔飞往伦敦的航班上遭受性侵犯的英国女性，在她的赔偿要求被拒绝后，希望政府修改其刑事伤害赔偿计划。

 00:17:12

▶ She's not entitled to a payout because she was flying with a foreign airline, this despite her attacker being convicted in a British court and going to prison.

她没有资格获得赔偿，因为她乘坐的是外国航空公司的航班，尽管袭击者已在英国法院被定罪并入狱。

▶ She's been speaking to Sima Kutetcher and a warning her report contains details some viewers may find distressing.

她一直在和西玛·库特彻交谈，并警告说她的报告包含一些观众可能会感到痛苦的细节。

▶ I haven't been out in almost a year to events, some of my friends, I can't do that, too scared, don't want to be touched.

我几乎一年没有外出参加活动了，我的一些朋友，我做不到，太害怕了，不想被触碰。

 00:17:37

▶ Last September, Kelly was on a Qatar airways flight from Doha to London getwik airport.

去年九月，凯莉乘坐卡塔尔航空的航班从多哈飞往伦敦盖特威克机场。

▶ She was sleeping when the man sitting next to her sexually assaulted her, we've changed her name and blurred her face.

当她睡着时，坐在她旁边的男子对她进行了性侵犯，我们更改了她的名字并模糊了她的脸部。

▶ His hands were down my trousers and I said to him what you doing, I said stop, he said no please and that just made me get up straight away.

他的手伸进了我的裤子，我对他说你在干什么，我说停下，他说不请，这让我立刻站了起来。

 00:18:04

▶ The attacker was this man, 66 year old, Mammad Jussab.

▶ In May he was found guilty of sexual assault by penetration and is now serving a six and a half year sentence in prison.

五月，他被判犯有插入式性侵犯罪，目前正在监狱服刑六年半。

▶ She's now fighting for compensation under the government's criminal injuries compensation scheme which compensates victims of sexual abuse.

她现在正根据政府的刑事伤害赔偿计划争取赔偿，该计划对性虐待受害者进行补偿。

▶ But her applications been rejected twice, the reason she's told is because the attack happened on a foreign airline.

但她的申请被拒绝了两次，她被告知的原因是袭击发生在外国航空公司航班上。

 00:18:34

▶ The current rules of the compensation scheme say an aircraft is only considered a relevant place if it's British controlled, something her lawyers say is unfair.

赔偿计划的现行规则规定，只有飞机是英国控制的才被视为相关地点，她的律师称这是不公平的。

▶ Had she been assaulted on a British airways flight to the UK in the same circumstances on a reading of the scheme she'd been entitled to compensation because it happened to be on a Qatar airways flight, she's not and that creates what we see as a two-tier justice, it's unfair and it's unreasonable.

如果她在相同情况下是在英国航空公司的航班上飞往英国时遭到袭击，根据对该计划的理解，她本有权获得赔偿，但因为碰巧是在卡塔尔航空的航班上，她就不能，这造成了我们所认为的双重标准的司法，这是不公平和不合理的。

▶ The government says the rules that the criminal injuries compensation authority follows and the values of payments for injuries are set by Parliament, other routes are available for victims to receive support.

政府表示，刑事伤害赔偿局遵循的规则以及伤害赔偿金额是由议会设定的，受害者可以通过其他途径获得支持。

 00:19:19

▶ In 1996 the Civil Aviation Act was changed so that crimes committed on foreign airline flights going to the UK could be prosecuted in the UK criminal courts.

1996年，《民航法》进行了修改，以便在飞往英国的外国航空公司航班上犯下的罪行可以在英国刑事法院起诉。

▶ Kelly says this alteration needs to be reflected in the compensation scheme.

凯莉表示，这一修改需要在赔偿计划中得到体现。

▶ I just want to be compensated for what I've been through, it's not something that's easy, I want professional help, I want to feel like I've been hurt and that's really all.

我只想为我所经历的事情得到补偿，这并不容易，我想要专业的帮助，我想感觉到我受到了伤害，仅此而已。

▶ Now Antarctica's whaling history and the health of its ocean is about to be unlocked by scientists, researchers have drilled deep into the sea bed for mud samples to analyse.

现在，南极的捕鲸历史及其海洋健康状况即将被科学家揭开，研究人员已深入海床钻取泥样进行分析。

▶ Any genetic material could reveal among other things how industrial whaling changed the ocean over the almost last century.

任何遗传物质都可能揭示，除其他外，工业捕鲸在过去近一个世纪里如何改变了海洋。

▶ Here's Victoria Gill.

▶ The Antarctic Peninsula is an icy haven for marine life.

南极半岛是海洋生物的冰冷天堂。

▶ But the environment here is changing, so researchers are on a mission to gather physical evidence of the effect that human activity has on this place and its wildlife.

但这里的环境正在变化，因此研究人员正在执行一项任务，收集人类活动对这个地方及其野生动物影响的实物证据。

▶ In rough seas, held by ice and snow, these researchers used a special drill to dig up long cores of Antarctic sea bed mud.

在波涛汹涌的海面上，被冰雪包围，这些研究人员使用一种特殊的钻头挖出长长的南极海床泥芯。

 00:21:11

每一块海底都记录着海洋中生物的生死。

▶ Evidence laid down in layer upon layer of sediment over centuries.

证据层层沉积在几个世纪以来的沉积物中。

▶ It's taken six months, but all of those precious pieces of the Antarctic sea floor have been brought by boat from the other side of the world, from Antarctica, to be analysed here in Barcelona.

花了六个月时间，但所有那些珍贵的南极海底碎片都已用船从世界另一端、从南极洲运来，在巴塞罗那这里进行分析。

 00:21:34

▶ What are those cores to you as scientists?

对你们科学家来说，这些岩芯是什么？

▶ It's like a book of history, you know?

这就像一本历史书，你知道吗？

▶ We can detect all the DNA and cells of the animals that they have been swimming in the water, and at the end they have finished at the bottom of the sea.

我们可以检测出所有曾在水中游动的动物的DNA和细胞，最终它们都沉入了海底。

▶ Some of the precious cores have been kept whole to be scanned, but out of each layer of Antarctic mud, the scientists also extracted hundreds of smaller samples to be dated and

analysed.

一些珍贵的岩芯被完整保存下来用于扫描，但从每一层南极泥中，科学家还提取了数百个较小的样本用于测年和分析。

 00:22:02

▶ And these samples are frozen in time at minus 80 degrees to stop them degrading.

这些样本在零下80度的环境中被“时间冻结”，以防止它们降解。

▶ The Japanese whaling feature turns to its own hunting grounds in the Antarctic.

日本捕鲸活动的焦点转向其在南极的自家猎场。

▶ Scientists will also use the material to measure the effect that industrial whaling had on the ocean and on our atmosphere.

科学家还将利用这些材料来衡量工业捕鲸对海洋和我们大气层的影响。

▶ As whales grow, their bodies absorb huge amounts of carbon that would otherwise warm up our planet.

随着鲸鱼的生长，它们的身体会吸收大量的碳，否则这些碳会使我们的星球变暖。

 00:22:27

▶ When the animals die naturally and sink, they take that planet warming carbon to the bottom of the sea, where it's buried.

当这些动物自然死亡并下沉时，它们将那些使地球变暖的碳带到了海底，并被埋藏起来。

▶ These scientists will study the sea bed to work out how a century of whale hunting disrupted this and affected our planet.

这些科学家将研究海床，以弄清楚一个世纪的捕鲸如何破坏了这一过程并影响了我们的星球。

▶ If we realise that they can help us with the fight against climate change, we should enhance the population, not just to keep what we have, but to fight to have much more whales in the ocean.

如果我们意识到它们能帮助我们应对气候变化，我们就应该增加它们的数量，不仅仅是为了维持现状，而是努力让海洋中有更多的鲸鱼。

▶ Evidence of the health and the history of the ocean here could show how this vast ecosystem can help us in the fight against climate change.

这里海洋健康状况和历史的证据可以显示这个巨大的生态系统如何能帮助我们对应对气候变化。

▶ Back to that story now about the UK apparently backing down in a privacy fight with the tech giant Apple.

现在回到关于英国显然在与科技巨头苹果公司的隐私战中让步的报道。

▶ Here's Zoe Klyman.

这里是佐伊·克莱曼。

▶ If you use an iPhone or an iPad, your personal data like photos, messages and documents are stored and protected by Apple.

如果你使用iPhone或iPad，你的个人数据，如照片、信息和文件，都由苹果存储和保护。

▶ But late last year, the UK government issued the tech giant with a formal notice demanding the right to access any data belonging to Apple users anywhere in the world in the event of a perceived national security threat.

但在去年年底，英国政府向这家科技巨头发出了正式通知，要求有权在全球范围内访问任何苹果用户的数据，以应对感知到的国家安全威胁。

▶ The notice was supposed to legally be kept a secret, and Apple doesn't have access to all of that data itself.

该通知在法律上本应保密，而且苹果公司本身也无法访问所有这些数据。

▶ In order to comply with the instruction, Apple would have to break its own encryption methods, which it says it will never do.

为了遵守该指令，苹果将不得不破坏自己的加密方法，而该公司表示绝不会这样做。

 00:23:49

🎵 So instead, it pulled its toughest data protection tool called ADP from the UK market and began legal action against the UK government.

因此，它将其最强大的数据保护工具ADP从英国市场撤下，并对英国政府提起了法律诉讼。

🎵 The tech giant and the home office have been in a standoff ever since.

自此，这家科技巨头和内政部一直处于僵持状态。

🎵 The home office said it wouldn't comment on operational matters, but national security was its priority.

内政部表示不会对具体行动发表评论，但国家安全是其首要任务。

 00:24:07

🎵 We would suggest that encryption is really important for national security too.

🎵 The US administration has always been highly critical of the UK's action, which it saw as an attack on the privacy of its citizens and an overreach of power.

莫尔科姆的财务困境迫使他们推迟了新赛季的前三场比赛，但他们现在已被“旁遮普勇士”财团收购，该财团表示他们的信仰是其行事方式的关键。

 00:26:19

discipline, to the compassion we want to bring that within Moorcombe.

对我们来说，我们的传统、我们的文化以及我们的信仰是构成我们身份的核心原则，我们正是希望将这些原则——那种真诚、纪律和同情心——带入莫尔科姆。

▶ The decision to sack experienced past Derek Adams though has divided the fans, especially as Johal has never managed a first team side.

然而，解雇经验丰富的前任德里克·亚当斯的决定在球迷中产生了分歧，尤其是因为约哈尔从未执教过一线队。

▶ Indeed he only received his UEFA pro license this summer, but after coaching alongside former Arsenal star Cesc Fabregas he's ready for this historic step.

事实上，他今年夏天才获得欧足联职业级教练证书，但在与前阿森纳球星塞斯克·法布雷加斯一起执教后，他已为这一历史性的一步做好了准备。

现在是天气预报时间，伊丽莎白，待会儿见。

 00:29:54

▶ Hi there.

你好。

▶ Hi, thank you, Clive.

你好，谢谢你，克莱夫。

▶ Well, it was dry today.

嗯，今天天气干燥。

▶ It was cloudy for most of us, tea, but there were some showers across the far southwest of England and some thunderstorms visible from the Channel Islands, too, but that is it in terms of wet weather as we head through the rest of the week because it is looking dry.

我们大部分地区多云，呃，但英格兰最西南部有一些阵雨，从海峡群岛也能看到一些雷暴，但这就是本周剩余时间所有的潮湿天气了，因为天气看起来会很干燥。

 00:30:11

▶ There'll also be some sunshine for most of us.

我们大部分地区还会有一些阳光。

▶ Toon in the sun, it always still feels warm at this time of year, but it is generally going to be feeling a little cool, a little fresh and some of the mornings could even have a bit of an all-tominal twist to them as well, certainly cooler by night over the next few days.

在阳光下，每年这个时候仍然感觉很暖和，但总体上会感觉有点凉，有点清新，有些早晨甚至可能还会有点秋天的意味，未来几天的夜晚肯定会更凉。

▶ Now, this is the situation overnight tonight, so we're going to see those showers gradually clear right from the past southwest, a very weak weather front, introducing a bit more cloud, it's sinking further southwards across England and Wales, so the cloud will thicken for some, but in the clear skies across northern England and Scotland, we could see temperatures that are perhaps as low as 6 or 7 degrees Celsius in the tomorrow morning, of course, mild underneath all of that cloud towards the south.

现在，这是今天夜间的天气情况，我们将看到那些阵雨从西南部逐渐消散，一道非常弱的锋面会带来更多云层，它正进一步向南穿过英格兰和威尔士，因此有些地方的云层会加厚，但在英格兰

北部和苏格兰的晴朗天空下，明天早晨的气温可能会低至6或7摄氏度，当然，在南部所有这些云层覆盖下会比较温和。

 00:30:53

▶ Let's take a look at tomorrow, which is generally a brighter and abresier looking day.

让我们看看明天，总体上是一个更明亮、更清爽的日子。

▶ We've still got that northeasterly wind that's going to blow more cloud on shore towards North Sea facing coast where it will always feel quite cool, could be a few spots to drizzle, but otherwise dry best of the sunshine in the west, and there will be more of it than most of us saw today.

我们仍然有那股东北风，会将更多云吹向面向北海的海岸，那里总会感觉相当凉爽，可能会有零星小雨，但除此之外天气干燥，阳光最好的地方在西部，而且会比我们大多数人今天看到的阳光更多。

▶ Temperatures, the high teens, the low 20s, just think back to a week ago tomorrow when temperatures were in the low 30s across parts of northern England, that is quite a change, and it's another locally cool start to the day on Thursday, too.

气温，高的十几度，低的二十度左右，回想一下一周前的明天，英格兰北部部分地区的气温还在三十度出头，变化相当大，而且周四又是一个局部凉爽的开端。

 00:31:28

▶ There will be a bit more cloud bubbling up through the afternoon, but again, some sunshine and it's a bit less windy, too, but these temperatures are below the seasonal average.

下午会有更多的云团冒出来，但同样会有阳光，风也会小一些，但这些温度低于季节平均水平。

▶ They will be rising a bit as we head into the bank holiday weekend, of course, in Northern Ireland, England, and Wales, you can check for more on the BBC Weather app.

随着我们进入银行假日周末，气温会略有上升，当然，在北爱尔兰、英格兰和威尔士，您可以在BBC天气应用程序上查看更多信息。
