特朗普提出的方案虽诱人却过于简略，仅模糊提及立即释放所有加沙人质并实现停火，或可能促成战争正式结束。

▶ Now according to sources in Israel, including the Israeli foreign minister Gideon Tsar, Israel has accepted a plan like that that would lead to the immediate release of all the hostages.

据以色列外长吉迪恩·察尔等消息源称，以方已接受此类能立即释放所有人质的方案。

▶ But it's unlikely that that would be acceptable or practical for Hamas, because in crude terms, Hamas doesn't want to give up all of its bargaining chips, the hostages in one go.

bilibili 00:08:30

▶ Now the big question is will Mr. Taxi go to jail?

他一生未曾完整服刑一日——回溯其因总理任内滥用职权被判八年监禁。

▶ Now that eight-year sentence was commuted to one year by the Royal Pardon and after spending only hours at the jail, he was sent to the VIP wing of a hospital saying there's a medical necessity and then after spending six months in this VIP wing, he was paroled and he left the hospital.

经御准减刑至一年后，他仅在监狱待了数小时即以医疗需要为由转入医院VIP病房，六个月后获假释离院。

 00:09:06

▶ So the court is trying to decide whether there was a deception and it can go multiple ways.

故法院正裁决是否存在#欺骗#行为，结果存在多种可能。

▶ The best case scenario for Taxi is of course saying that there was indeed a medical necessity and that he gets off scot free or the worst case scenario is of course he has to now go back to the go back to the jail to spend six months or the year after the Royal Pardon or the worst case very highly unlikely is that he has to spend the original eight years of sentence.

最佳情况是法院认定确属医疗需要且其免于追责；最坏情况是需回狱服完御减后剩余的六个月或一年刑期；极小概率需补足原始八年刑期。

▶ Now we will hear in about an hour or two with the verdict.
