

Tragic Murder of Ukrainian Refugee in Charlotte Exposes Failures of Cashless Bail System

【美国白宫新闻发布会 20250910 卡罗琳回应以色列袭击卡塔尔 | 记者追问爱泼斯坦文件真实性】

Summary: On August 22nd, Arena Zerutsko, a 23-year-old Ukrainian refugee, was fatally stabbed on Charlotte's rail system by repeat offender D. Carlos Brown Jr. Surveillance footage shows Brown attacking Zerutsko as she returned home from her pizzeria job. The incident has ignited fierce debate about criminal justice policies, with officials highlighting Brown's extensive criminal history spanning 14 charges since 2011, including armed robbery and felony larceny. Despite his record, a Democratic judge released Brown without bail months earlier. The White House expressed condolences while emphasizing the need for justice and policy reforms. President Trump has taken executive action targeting cashless bail systems, directing the Attorney General to identify jurisdictions implementing such policies for potential federal fund suspension. Meanwhile, new border data shows illegal crossings have dropped 93% compared to peak Biden administration levels.

总统已签署行政令打击无现金保释制度，要求司法部长统计实施该政策的地区并考虑暂停联邦拨款。同期边境数据显示，非法越境数量较拜登政府时期峰值下降93%。

 It's great to be here.

十分荣幸到场。

 I want to see if you could give some insight whe the president is considering additional measures against Europe and Brazil not just for censorship but also for preventing political candidates from actually competing in elections.

我想了解总统是否考虑对欧洲和巴西采取进一步措施——不仅针对审查制度，还包括阻止政治候选人实际参选的行为。

 We've now seen uh in Romania, France and now Germany with Yim Paul efforts to basically just prevent candidates from being able to compete in elections.

我们已在罗马尼亚、法国以及如今德国的伊姆·保罗事件中看到基本阻止候选人参选的行为。

 00:06:57

 President has shown some concern around President Bolsinara who's being prevented from running.

总统对博索纳罗总统被禁止参选表示关切。

 Um, all of this is coming in the context of increased censorship of online platforms, of American platforms, and efforts to censor Americans.

所有这些都发生在加强对在线平台（包括美国平台）#审查#以及对美国人实施#审查#的背景下。

 I'm personally being uh investigated under a criminal investigation with my Brazilian colleagues for publishing the Twitter files Brazil.

我本人正与巴西同事因发布"推特档案巴西版"而接受刑事调查。

 00:07:16

 We're very grateful that the president has imposed Magnitzki sanctions on the judge.

▶ Is the president considering additional actions given that it appears that they're going to end up with a conviction against President Bolsonaro preventing him from running?

鉴于博索纳罗总统似乎最终将被定罪从而禁止参选，总统是否考虑采取额外行动？

▶ Is he considering doing anything about this crackdown in Europe?

他是否考虑对欧洲的镇压行动采取措施？

▶ I mean, it's shocking to see Yuing Paul, this mayoral candidate in Germany, the criminal indictment against him, cites him, quote, saying that he loves the Lord of the Rings as reason why he's he's an extremist and shouldn't be able to run.

德国市长候选人伊姆·保罗的刑事起诉书竟引用其"热爱《指环王》"的言论作为认定其为极端分子且不应参选的依据，令人震惊。

 00:07:44

▶ So, I just wonder if you could speak to that.

不知您能否就此置评。

▶ And again, I'm grateful to be here.

再次感谢邀请。

▶ Nice to meet you all.

很高兴见到各位。

▶ And I I'm grateful for what the Trump administration has done to to push for free speech abroad.

我也感激特朗普政府为推动海外言论自由所做的努力。

▶ Freedom of speech is arguably the most important issue of our time.

言论自由可谓当今时代最重要议题。

▶ It is enshrined in our constitution and the president believes in it strongly.

它铭刻于我国宪法，总统对此坚信不疑。

bilibili 00:08:02

▶ He himself face censorship in his road back to this beautiful oval office here in Washington DC.

他本人重返华盛顿特区这座美丽的#椭圆形#办公室途中就曾遭遇#审查#。

▶ So he takes this very seriously as does I know the vice president of the United States and the entire Trump administration which is why we have taken significant action with regards to Brazil in the form of both sanctions and also leveraging the use of tariffs to ensure that countries around the world are not punishing their citizens in this way.

因此他极其重视此事，我知道美国副总统及整个特朗普政府也是如此——这正是我们对巴西采取制裁与关税杠杆等重大行动的原因，以确保各国不再以此类方式迫害公民。

▶ Uh and at the same time the president is uh while he's leveraging the United States to safeguard our interests abroad, he's also making sure that freedom of speech remains here in the United States of America.

同时总统在运用美国力量维护海外利益之际，也确保言论自由在美国本土得到保障。

bilibili 00:08:37

▶ So I don't have any additional actions to preview for you today, but I can tell you this is a priority for the administration and the president is unafraid to use the economic in uh might, the military might of the United States of America um to protect free speech around the world.

今日我无法预告更多行动，但可以说这是政府的优先事项，总统毫不畏惧运用美国的经济与军事力量保护全球言论自由。

▶ Quick follow up to that.

请快速跟进提问。

▶ Sure.

好的。

▶ Followup which is just um there was a Reuters story saying that the the Trump administration was looking at this Europe US trade deal as one of the sticking points this issue of the censorship not just of US platforms of of Americans.

后续情况是这样的——路透社有报道称，特朗普政府将欧美贸易协定视为一个争议焦点，特别是涉及审查制度的问题，这不仅针对美国平台，还针对美国人。

bilibili 00:09:02

▶ Do you have any updates on how those trade talks are going?

关于贸易谈判的进展，您是否有最新消息？

▶ And I also wonder if the president is concerned about NATO membership.

我还想了解总统是否对北约成员国资格问题感到担忧。

▶ NATO membership requires that you be a democracy and you have free speech.

北约成员国资格要求申请国必须是民主政体且拥有#言论自由#。

▶ Is it possible that some of these actions that we've seen in Romania, France, and Germany would disqualify those countries from being in NATO after this?

我们在罗马尼亚、法国和德国看到的某些行为，是否可能导致这些国家失去北约成员国资格？

bilibili 00:09:20

▶ I have not heard the president discuss NATO membership in regards to this issue in particular, but I have heard him discuss the issue of free speech and the importance of free speech with foreign leaders around the world, including um the prime minister of the United Kingdom when we were in Scotland.

我未曾听闻总统特别就此事讨论北约成员国资格，但确实听到他与世界各国领导人——包括我们在苏格兰时会见的英国首相——讨论过言论自由及其重要性。

▶ He the president brought this up and how important it is for the prime minister to protect free speech in the UK uh and in various conversations with other world leaders.

总统在不同场合与其他世界领导人交谈时，都提出过保护英国#言论自由#对首相的重要性。

🎧 So, he brings it up and I think the entire world knows that this is a priority for the president of the United States.

因此他经常提及此事，我认为全世界都明白这是美国总统的优先事项。

 00:09:47

🎧 Thank you, Gabe.

谢谢，盖博。

🎧 Uh, thank you, Caroline.

🎧 Regarding the Israeli strike in Doha, how much time or how much of a heads up did the US get and does the president support the strike?

关于以色列对多哈的袭击，美国提前多久获得了预警？总统是否支持这次行动？

🎧 Sure.

当然。

🎧 Well, I have a statement to read for all of you with respect to the Israeli strike in Doha.

我有一份关于以色列袭击多哈的声明要向大家宣读。

🎧 And here it is.

声明如下。

🎧 This morning, the Trump administration was notified by the United States military that as Israel was attacking Hamas, which very unfortunately was located in a section of Doha, the capital of Qatar, unilaterally bombing inside Qatar, a sovereign nation in close ally of the United States that is working very hard in bravely taking risks with us to broker peace, does not advance Israel or America's goals.

今晨，美军通知特朗普政府：以色列正在攻击位于卡塔尔首都多哈某区域的哈马斯。单方面轰炸卡塔尔——这个与美国紧密合作、勇敢承担风险推动和平的主权盟国——无助于推进以色列或美国的目标。

 00:10:30

⌂ However, eliminating Hamas, who have profited off the misery of those living in Gaza, is a worthy goal.

然而，消灭哈马斯——这个以加沙民众#苦难#牟利的组织——是#值得#追求的目标。

⌂ President Trump immediately directed special envoy WhitF to inform the Qataris of the impending attack, which he did.

特朗普总统立即指示特别#特使#惠特F告知卡塔尔方#即将来临#的袭击，特使已完成通知。

⌂ The president views Qatar as a strong ally and friend of the United States and feels very badly about the location of this attack.

总统视卡塔尔为美国的坚定盟友和朋友，对此次袭击的发生地点深感遗憾。

 00:10:52

⌂ President Trump's wants all of the hostages in Gaza and the bodies of the dead released and this war to end now.

特朗普总统要求立即释放所有加沙人质和遇难者遗体，并结束这场战争。

⌂ President Trump also spoke to Prime Minister Netanyahu after the attack.

特朗普总统在袭击后也与内塔尼亚胡总理进行了通话。

⌂ The prime minister told President Trump that he wants to make peace and quickly.

总理向特朗普总统表示希望尽快实现和平。

⌂ President Trump believes this unfortunate incident could serve as an opportunity for peace.

特朗普总统认为这一不幸事件可成为推动和平的契机。

 00:11:15

⌂ The president also spoke to the Amir and prime minister of Qatar and thanked them for their support and friendship to our country.

总统还同卡塔尔埃米尔及首相通话，感谢他们对我国的支持与友谊。

🎧 He assured them that such a thing will not happen again on their soil.

他向对方保证此类事件不会在其领土上重演。

🎧 And to be clear, the president disagrees with the location of the strike and that he passed that along to the prime minister.

需要明确的是，总统不认同袭击地点选择，并已向总理明确传达了这一立场。

 00:11:32

🎧 The prime the president just confirmed that in the statement that I just read to you um which I spoke with him about before coming out here.

总统刚刚在我宣读的声明中确认了这一点——我出来前与他商讨过声明内容。

🎧 Thank you Caroline.

谢谢卡罗琳。

🎧 So is the president upset with Netanyahu now?

那么总统现在对内塔尼亚胡感到不满吗？

🎧 The president made his uh thoughts and concerns about this very clear and he spoke again both to Prime Minister Netanyahu and also the Amir and the Prime Minister of Qatar after this attack.

总统已明确表达了他的看法与关切，并在袭击后再次同内塔尼亚胡总理及卡塔尔埃米尔、首相通话。

 00:11:54

🎧 And the president has always made it very clear that he wants peace in the Middle East just like he sought that and accomplished that in his first term.

总统始终明确表示追求中东和平，正如他在第一任期内寻求并实现的那样。

🎧 He expects all of our allies and friends in the region that includes both Qatar and Israel to seek peace as well.

他期望包括卡塔尔和以色列在内的所有地区盟友与友邦共同追求和平。

⏮ And he wants to see that happen and he's working with um all of our allies in the region to get that done.

他期待实现这一目标，正与所有地区盟友携手推进。

🎵 00:12:12

⏮ any consequences so to speak for Netanyahu uh doing this as it sounds against the president's wishes um or at least his belief that it was appropriate.

对于内塔尼亚胡此举——似乎违背总统意愿或至少其认为恰当的做法——是否会有什么后果？

⏮ Is is there going to be any um directive from the president to Netanyahu in terms of what's allowed in the future?

总统是否会向内塔尼亚胡发出关于未来行动许可的#指令#？

⏮ And also is there any concern this could jeopardize the Abraham Accords?

是否担心此事可能#危及#《亚伯拉罕协议》？

🎵 00:12:33

⏮ Look, that's a decision only the president can make with respect to your first question.

第一个问题的决定权仅属于总统。

⏮ To answer your second question, as you heard from the president, he said he believes that this can serve as an opportunity for peace and he's still actively and aggressively pursuing it with all of our allies and partners in the region.

关于第二个问题：如总统所言，他认为此事可成为和平契机，他仍在积极与所有地区盟友及伙伴推进此事。

⏮ Jennifer, just to follow up on that, Caroline, are you able to say how often the president spoke to the prime minister of Israel before this?

詹妮弗追问：卡罗琳，能否说明此事前总统与以色列总理的通话频率？

🎵 00:12:55

⏮ Because he that's one question.

这是一个问题。

🎧 And then what did he mean on Sunday when he posted, "I've given my last warning to Hamas, etc."

另外他在周日发文"我已向哈马斯发出最后警告"是何意？

🎧 He wasn't talking about this strike on Doha.

他指的不是这次对多哈的袭击。

🎧 No, he was not.

确实不是。

🎧 Um, as I told you, the Trump administration was notified by the United States military that Israel was attacking Hamas and the president spoke to the prime minister after the attack as well as again the Amir and the prime minister of Qatar.

如我所言，美军通知特朗普政府以色列正在攻击哈马斯，总统在袭击后同总理以及卡塔尔埃米尔、首相进行了通话。

 00:13:18

🎧 And I know Secretary Rubio and special envoy Whit were present for those that call with the Qataris as well.

我知道鲁比奥部长和特别#特使##惠特#也参与了同卡塔尔方的通话。

🎧 Uh, Reagan, thanks Caroline.

里根提问：谢谢卡罗琳。

🎧 I have two questions for you on crime crackdown.

我有两个关于打击犯罪的问题。

🎧 Sure.

请讲。

🎧 Uh, Democrats have tried to argue that red states have higher crime rates while overlooking problems of high crime in blue cities.

民主党试图声称红州犯罪率更高，却忽视蓝城市的高犯罪率问题。

 00:13:37

🎤 I'm wondering if the president would consider working with red state governors to fix high crime in blue cities like in Memphis, Tennessee.

请问总统是否会考虑与红州州长合作解决蓝城市（如田纳西州孟菲斯）的高犯罪率问题？

🎤 So, first of all, I want to get to the premise of your question, Reagan, which is being pushed by Democrats, that there is crime in red states.

首先我想回应你问题的前提——民主党宣扬的"红州存在犯罪"之说。

🎤 Of course, there is crime in all states, but the crime in these cities is all in cities that are run by Democrats.

当然各州都存在犯罪，但这些城市的犯罪都发生在民主党执政的城市。

 00:13:59

🎤 If you look at the the list of the top 20 high crime cities in the United States, every single one with the exception of one in Louisiana is run by a Democrat.

美国犯罪率最高的20个城市中，除路易斯安那州某城外，全部由民主党执政。

🎤 And these Democrats have supported the same policies that I spoke about at the beginning of this briefing like cashless bail.

这些民主党人都支持我在简报开头提到的无现金#保释#等政策。

🎤 If you look at a red state, Mississippi, but a Democrat-run city in that state, Jackson, in 2019, Jackson, Mississippi, eliminated cash bail for virtually all misdemeanor cases.

以红州密西西比为例：该州民主党执政城市杰克逊于2019年取消了几乎所有轻罪案件的现金保释。

 00:14:26

🎤 And while Jackson is not formerly a sanctuary city, the state of Miss Mississippi formally banned sanctuary cities.

虽然杰克逊并非正式#庇护#城市，但密西西比州正式禁止了#庇护#城市。

⌂ And this city has acted as a de facto sanctuary city for criminals and illegal aliens since 2017.

而自2017年以来，该市实际上已成为罪犯和非法移民的#庇护#所。

⌂ Same thing Birmingham, Alabama, a Democrat-run city in a red state.

阿拉巴马州伯明翰亦然——红州中的#民主党#执政城市。

⌂ In 2017, the Birmingham City Council unanimously passed a resolution quote committing to establish sanctuary policies.

2017年伯明翰市议会一致通过决议，"承诺建立#庇护#政策"。

⌂ 00:14:52

⌂ So, if you actually look at the facts from these Democrat-run cities, these are cities that are run by Democrats and by blue uh by members of the Democrat party, these are blue cities.

因此纵观这些民主党执政城市的事实：这些都是由民主党人管理的蓝色城市。

⌂ Uh and they have all supported these disastrous policies which allow repeated career criminals back onto the streets to further commit acts of violence.

它们都支持这些#灾难性#政策，使惯犯屡屡重回街头实施暴力犯罪。

⌂ And so to answer your question, yes, the president wants to work with anyone across this country who wants to end these horrible policies um and to bring law and order to our streets.

回答你的问题：是的，总统愿与全国任何希望终结这些恶劣政策、恢复街道法治的人合作。

⌂ 00:15:22

⌂ And I think that is proven by his tremendous cooperation with the mayor of Washington DC and our nation's capital.

他与华盛顿特区市长的#巨大##合作#就是明证。

⌂ And just look at the results of that.

只需看取得的成果。

🎧 And I do have some updates for you on the DC crime crackdown if anyone is interested.

我有些关于华盛顿特区打击犯罪的最新数据，如果大家感兴趣。

🎧 Um, there have been a total of 2,177 arrests made since the start of the operation on August 7th.

自8月7日行动开始以来，共逮捕2177人。

 00:15:44

🎧 Just last night, there were 57 arrests made in Washington DC.

仅昨晚就在华盛顿特区逮捕57人。

▶ Um the president uh says you know he plans to speak with Putin soon.

总统表示计划很快与普京通话。

▶ Um can we expect a call between the two leaders this week?

🎤 I don't have any phone calls to read out between you uh the president and any other foreign leaders.

我目前没有总统与其他外国领导人通话的消息可供发布。

🎤 Ed, thanks.

埃德提问，谢谢。

🎤 I want to ask about the benchmark revisions that came out.

我想询问公布的#基准#修订数据。

 00:17:44

🎤 You look at the revisions uh between March of 2024 and March of 2025 and you do a little math, it averages out to 73,000 jobs roughly per month added to the economy.

回顾2024年3月至2025年3月间的修订数据，稍作计算便可发现，经济平均每月增加约73,000个就业岗位。

🎤 Less than than what was thought.

低于此前预期。

🎤 When can we expect the Trump administration out there policies are rolling out for that increase that average to increase?

我们何时能期待特朗普政府推行政策以提高这一平均值？

 00:18:03

🎤 Well, let me just say something about the revisions that came out this morning.

关于今早公布的修订数据，请允许我说明几点。

🎤 And this was one of the biggest revisions in absolute terms in decades.

这是几十年来绝对数值上最大规模的修订之一。

🎤 Uh, in the benchmark year, March 2024 to 2025, shows that the job growth was vastly weaker during the Biden administration than ever previously reported.

在基准年2024年3月至2025年期间的数据显示，拜登政府时期的就业增长远弱于以往报告。

▶ Between this revision and last year's, job growth was actually overstated by approximately 2 million jobs.

此次与去年的修订相结合，就业增长实际被高估约200万个岗位。

bilibili 00:18:27

▶ And the Biden administration stood up here and vouched for that data and told you that data was real.

而拜登政府曾公开担保这些数据真实性。

▶ And when President Trump calls into question the veracity of that data like he did before he took the oath of office and even now as president of the United States, he was ridiculed for that.

当特朗普总统像就职前乃至现在这样质疑数据真实性时，他因此遭受嘲讽。

▶ And turns out this revision proves two things.

事实证明此次修订说明两个问题。

bilibili 00:18:44

▶ Number one, the president was right.

第一，总统是正确的。

▶ And this is why we need new leadership at the Fed.

这正是我们需要美联储新领导层的原因。

▶ Uh and this makes it very clear that President Trump inherited a much worse economy by the Biden administration than ever reported.

这清楚表明特朗普总统从拜登政府接手的经济状况比以往报道的更为糟糕。

▶ And it also proves that the Federal Reserve is holding uh our monetary policy far too restrictive.

同时也证明美联储当前实施的#货币政策#过于紧缩。

bilibili 00:19:00

▶ Interest rates are too high.

利率水平过高。

▶ The Fed needs to cut the rates because of the mess that we inherited from the Biden administration.

鉴于我们从拜登政府接手的混乱局面，美联储需要降息。

▶ Time frame.

▶ The president has said a year.

总统曾表示需要一年。

▶ Secretary Besson said maybe the fourth quarter.

贝森部长称可能在第四季度。

▶ When can we expect these numbers to increase?

我们何时能期待这些数字增长？

▶ Well, first we need accurate numbers.

首先我们需要准确数据。

▶ We need truthful and honest data, which is why the president took the monumental step to try and appoint and and confirm new leadership at the BLS so we can have data that we can actually rely on.

需要真实可靠的数据，因此总统采取重大举措任命并确认劳工统计局新领导层，以确保获得可信数据。

 00:19:24

▶ U and that's what the president has been is is doing and we hope that his nominee will soon be confirmed.

这正是总统持续推动的工作，我们希望他的#提名人选#能尽快获得确认。

▶ Charlie, you addressed the crime of Iran Zaruka and the president has done a lot to deliver justice for victims of crimes like that horrific stabbing and the Epstein files are back in the news because a lot of Americans feel that those victims never got justice.

查理，你提到伊朗扎鲁卡案，总统为此类恶性刺案受害者伸张正义付出诸多努力；爱泼斯坦文件重回新闻视野，因为许多美国人认为这些受害者从未获得公正。

▶ Is the president care about these victims?

总统是否关心这些受害者？

bilibili 00:19:49

▶ Do you think he can does he want to deliver more justice for them?

您认为他是否愿意为他们争取更多正义？

▶ And is he willing to meet with them?

他是否愿意会见他们？

▶ The president cares about victims of all crimes and that's why Republicans and the Trump Department of Justice have done more in terms of transparency when it comes to the Epstein case than any prior administration.

总统关心所有罪案受害者，因此共和党人及特朗普领导下的司法部在爱泼斯坦案中比任何往届政府都更注重透明度。

▶ And why are the Democrats all of a sudden caring about this?

为何民主党人突然开始关注此事？

bilibili 00:20:10

▶ It's because they are desperately trying to concoct a hoax to smear the president of the United States.

因为他们正竭力#捏造#一场#骗局#以#抹黑#美国总统。

▶ We have seen this time and time again.

我们已屡见不鲜。

⏮ Ro Kana and all of these other Democrats, they could have cared about those victims four years ago when Joe Biden was in office.

罗·卡纳等民主党人本可在四年前拜登执政时就关心这些受害者。

⏮ They could have pushed for transparency then.

当时本可推动透明度。

⏮ Unfortunately, the Democrats are using victims as political pawns to try to to smear and to push a hoax against the president of the United States.

可悲的是，民主党正将受害者当作政治棋子，试图推行骗局抹黑美国总统。

 00:20:35

⏮ And I will get you uh numbers on the amount of child predators that this administration and this FBI and this Department of Justice have locked up under President Trump's leadership.

我将提供本届政府、联邦调查局及司法部在特朗普总统领导下拘捕儿童性侵者的具体数据。

⏮ We have done more than any president to protect uh victims of crime, especially disgusting, heinous sexual crimes.

⏮ And that includes the deportation of illegal aliens who are perpetrating these crimes against innocent victims in our country right now today.

包括驱逐当前在我国对无辜受害者实施此类犯罪的非法移民。

 00:20:59

⏮ And that remains a top priority for this administration.

这仍是本届政府的首要任务。

⏮ Does the president will he meet with the victims um uh on the Doha strikes?

总统是否会会见多哈袭击事件受害者？

⏮ Did the president speak with Netanyahu before they were carried out?

袭击实施前总统是否与内塔尼亚胡通话？

▶ Did he urge him to not go through with it or did they only speak afterwards?

他是否劝阻对方停止行动，还是仅在事后通话？

▶ Again, I read you a statement.

我再次向各位宣读声明。

▶ The Trump administration was notified by the United States military that Israel was attacking Hamas.

关于爱泼斯坦案，白宫是否支持由专业笔迹专家审查昨日发布文件，以证明非总统签名？

 00:21:40

▶ Uh sure, we would support that.

当然支持。

🎧 And in fact, I have already seen many forensic uh analysts of signatures coming out.

事实上我已看到多位#笔迹鉴定#专家进行分析。

🎧 I believe it was the Daily Signal that published a piece with three separate uh signature analysts who said that this absolutely was not the president's authentic signature.

《每日信号》刊登三位独立笔迹分析师的结论，均表示这绝非总统真实签名。

🎧 And we have maintained that position all along.

我们始终坚持这一立场。

 00:21:58

🎧 The president did not write this letter.

总统未书写此信。

🎧 He did not sign this letter and that's why the president's external legal team is aggressively pursuing litigation against the Wall Street Journal and they will continue to.

也未签署此信，因此总统外部法律团队正积极对《华尔街日报》提起诉讼并将持续跟进。

🎧 Christian, thanks Caroline.

克里斯蒂安，谢谢卡罗琳。

🎧 Following up on Ed, now that we have these revised jobs numbers, is the president concerned at all that price spikes, you know, stemming from his tariffs through the end of the year might actually be driving the country towards a depression or a recession.

接着埃德的问题，鉴于修订后的就业数据，总统是否担心其关税政策导致的物价飙升可能在年底前将国家推向萧条或衰退？

 00:22:24

🎧 What I'm asking is, is he committed to these policies now that we know how faulty the jobs data was?

鉴于就业数据如此#不可靠#，他是否仍坚持这些政策？

▶ The president is committed to his policies because his policies are working, Christian.

总统坚持其政策因为政策正在见效，克里斯蒂安。

这在很大程度上归功于总统在能源领域释放我国能源主导地位的卓越工作。

bilibili 00:23:53

▶ Again, these jobs uh the the numbers from the BLS today prove um that the economy was an absolute mess and we are working every single day to fix it and all of those indicators I just read for you are positive sign of what is to come.

▶ And the Supreme Court upheld the Trump administration's right to stop individuals in Los Angeles to briefly question them regarding their legal status because the law allows this and this has been the practice of the federal government for decades.

最高法院维护了特朗普政府在洛杉矶拦截个人并简短询问其法律身份的权利，因为法律允许这样做，并且这是联邦政府几十年来的做法。

▶ And the immigration and nationality act states that immigration officers can briefly stop an individual to question them about their immigration status if the officer has reasonable suspicion that the individual is illegally present in the United States.

《移民和国籍法》规定，如果移民官员有合理怀疑某人非法存在于美国，可以短暂拦截该人并询问其移民身份。

bilibili 00:31:32

⏮ And reasonable suspicion is not just based on race.

而合理怀疑不仅仅基于种族。

⏮ It's based on a totality of the circumstances to review.

它是基于对整体情况的审查。

⏮ And I will tell you, I spoke to our borders are about this this morning.

我会告诉你，我今天早上和我们的边境人员谈过这件事。

bilibili 00:31:49

⏮ They are doing so with law enforcement sources.

他们是凭借执法部门的消息来源这样做的。

⏮ They are doing so uh in most cases with the backing of local law enforcement who know exactly where these illegal alien criminals and drug traffickers and drug dealers are hiding in plain sight in American communities.

他们在大多数情况下，呃，是在当地执法部门的支持下进行的，这些部门确切知道这些非法外国罪犯、毒贩和毒品贩子在美国社区中明目张胆地藏匿在哪里。

⏮ And the men and women of ICE are doing everything they can to not only follow the law, but to enforce the law.

ICE的男女成员正在尽一切努力不仅遵守法律，而且#执行#法律。

bilibili 00:32:11

⏮ And it's about time that has happened because we had four years of an administration who completely ignored and evaded our nation's uh very clear administration uh immigration laws.

而这早就该发生了，因为我们经历了四年完全忽视和逃避我国呃非常明确的呃移民法律的政府。

▶ and the Supreme Court has reaffirmed that.

Um, but all of the issues that you just mentioned, I know are very important to the president and it's quite common sense.

▶ Is the administration looking into what process allowed this to take place?

政府是否正在调查是哪个环节导致了这种情况的发生？

 00:36:54

▶ Yes, we absolutely are.

是的，我们绝对在调查。

🎤 As soon as we saw this case, we ensured that the Department of Homeland Security and the Department of Justice were on it.

我们一看到这个案件，就确保了国土安全部和司法部着手处理。

🎤 And I can assure you that they are.

我可以向你们保证他们正在处理。

🎤 This is another heinous act of violence against someone who should have never been on our country illegally in the first place.

这是又一起#骇人听闻#的暴力行为，受害者本就不该非法留在我们国家。

🎤 And that's exactly why the deportation of illegal criminals from our country is a top priority for this administration.

这也正是为什么将非法罪犯驱逐出境是本政府的首要任务。

 00:37:14

🎤 And it's something that is happening every single day.

并且这是每天都在发生的事情。

🎤 And I would encourage all of you to continue to report on the very violent illegal alien criminals that we are deporting daily from American communities across the country.

我鼓励大家继续报道我们每天从全国各地的美国社区驱逐出境的暴力非法外籍罪犯。

这是总统会支持的事情吗？尽管我们看到一些枪支团体反对这个想法。

 00:37:59

▶ Uh I saw reporting on this.

呃我看到了相关报道。

▶ I understand there were very preliminary low-level discussions about this at the Department of Justice and then sometimes those discussions are reported as fact.

我知道司法部对此进行过非常#初步#的低级别讨论，然后有时这些讨论被当作事实报道出来。

▶ I'm not tracking any potential actions on this front.

我没有追踪到这方面有任何潜在行动。

▶ Um and I'll let the president weigh in on that.

嗯，我会让总统对此发表看法。

▶ It's a policy decision and it's far too early or would be premature or inappropriate for me to weigh in on it at this point in time.

这是一个政策决定，目前就让我发表看法还为时过早，或者说不成熟、不合适。

bilibili 00:38:22

▶ Behind you.

后面的（记者）。

▶ Go ahead.

请讲。

▶ Um after the uh immigration raid at the plant in Georgia on Friday, the president said over the weekend that he's open to some kind of changes in perhaps rules or or you know visa rules or law that would prevent something like that happening in the future for uh skilled workers to train American workers.

嗯，在周五佐治亚州工厂的移民突袭行动之后，总统在周末表示，他愿意考虑对规则或签证规则或法律进行某种修改，以防止未来再发生类似情况，以便 uh 技术工人能够培训美国工人。

bilibili 00:38:41

▶ That's right.

是的。

▶ Can you confirm that and that the administration supports those changes and what exactly would that look like?

您能确认这一点吗？政府支持这些改变吗？具体会是什么样子？

▶ Well, the president said it himself in a statement that uh he put out on Sunday night uh where he is very grateful for foreign companies from around the world uh and the investments that they are making right here in the United States of America.

嗯，总统在周日晚上发表的一份声明中亲自说过，呃，他非常感谢来自世界各地的外国公司，呃，以及它们正在美利坚合众国进行的投资。

bilibili 00:38:59

▶ And he understands that these companies want to bring their highly skilled and trained workers with them, especially when they're creating very niche products like chips or in this point in this case in Georgia like batteries.

他也理解这些公司希望带来他们技术高超、训练有素的工人，特别是当他们在生产像芯片这样非常利基的产品，或者像在佐治亚州这个案例中生产电池时。

▶ But the president also expects these foreign companies to hire American workers and for these foreign workers and American workers to work together uh to train and to teach one another.

但总统也期望这些外国公司雇用美国工人，并期望这些外国工人和美国工人一起工作，呃，互相培训和教导。

▶ And so he expects these foreign companies to hire American labor.

因此，他期望这些外国公司雇用美国劳动力。

 00:39:26

▶ Uh we want Americans to have these jobs.

呃我们希望美国人得到这些工作。

▶ We want Americans need these jobs.

我们需要美国人得到这些工作。

▶ Uh but he also understands the need for these companies to bring over their workers who already have these skills.

呃但他也理解这些公司需要带来他们已经拥有这些技能的工人。

▶ So I think it's a very light on what those changes might be.

所以我认为对于可能做出哪些改变，目前还很不明确。

▶ I think it's a very nuanced uh and responsible and sensible approach for the president to take.

我认为总统采取了一种非常微妙、呃、负责任且明智的做法。

 00:39:41

▶ And I know that the Department of Homeland Security and the Department of Commerce are working on this matter together.

我知道国土安全部和#商务部#正在共同处理此事。

▶ I would defer to uh you to them for any further action on this front.

关于这方面的任何进一步行动，我建议您#咨询#他们。

▶ Follow Caroline.

卡罗琳追问。

▶ Uh thank you.

呃谢谢。

▶ Just I want to follow up on something you said.

我只是想跟进一下你刚才说的话。

▶ You said the the Epstein documents are a hoax that Democrats are perpetrating against the president.

你说爱泼斯坦文件是民主党针对总统策划的一个#骗局#。

bilibili 00:39:57

▶ You've said he didn't sign that check that he didn't uh sign the the birthday card that he allegedly signed.

你说他没有签那张支票，他没有呃签那张他#据称#签了的生日卡。

▶ So what is the theory since these documents came from the Epstein estate?

那么，既然这些文件来自爱泼斯坦遗产，背后的说法是什么？

▶ Who is who is I guess in your view faking these documents?

是谁，是谁，我猜在你看来，是谁伪造了这些文件？

▶ I did not say the documents are a hoax.

我并没有说这些文件是#骗局#。

▶ I said the entire narrative surrounding Jeffrey Epstein right now that is absorbing many of the liberal cable channels on on television is a hoax that is being perpetuated by

opportunistic Democrats like Roana and the others whom you saw on that press conference outside of Capitol Hill uh who are trying to push this hoax against the president of the United States.

我说的是，目前围绕杰弗里·爱泼斯坦的整个叙事——它占据了许多自由派有线电视频道——是一个骗局，是由像罗安娜（Roana）和其他你在国会山外那次新闻发布会上看到的投机民主党人 perpetuated（持续推行）的，呃，他们试图用这个骗局来攻击美国总统。

 00:40:33

 What exactly is the hoax?

到底什么是#骗局#？

 I'm just trying to understand what's fake.

我只是想弄明白什么是假的。

 What's fake is not the documents.

假的不是文件。

 The hoax is the Democrats pretending to care about victims of crime when they do not care about victims of crime.

这个#骗局#在于民主党人假装关心犯罪受害者，而实际上他们并不关心犯罪受害者。

 When they have done nothing to solve crimes, when they have done nothing to lock up child pedophiles and child rapists across the country, uh, and when they are now using victims as political props to try and again smear the president of the United States and drag on this bad story about him, it is a distraction.

当他们没有采取任何行动来解决犯罪，没有采取任何行动来监禁全国各地的儿童性侵犯和强奸犯时，呃，而现在他们正利用受害者作为政治道具，试图再次抹黑美国总统，并拖延这个关于他的负面报道，这是一种干扰。

 00:40:59

 The Democrats view this story as nothing more than an attempt to distract from the accomplishments and the achievements of this administration.

民主党人认为这个故事无非是想#分散#人们对该政府成就和成绩的注意力。

▶ And that is what we mean when we call it a hoax.

这就是我们称之为#骗局#的原因。

▶ But if he didn't sign these, if you said he didn't sign the birthday card, he didn't do this, he also didn't do the check.

但是，如果他没有签这些，如果你说他没签生日卡，他没做这个，他也没签支票。

▶ Those were in documents from the estate.

这些都出现在遗产的文件中。

 00:41:16

▶ So what is the working theory as to why he's in the president has one of the most famous signatures in the world and he has for many, many years.

那么，目前的工作理论是什么？为什么他——总统拥有世界上最著名的签名之一，并且多年来一直如此。

▶ You know that Maggie, you've covered him for a long time, long before he assumed this office when he was a businessman in New York.

你知道的，玛吉，你报道他很长时间了，早在他担任这个职务之前，当他在纽约做商人时。

▶ The president did not write that letter.

总统没有写那封信。

 00:41:32

▶ He did not sign those documents.

他没有签署那些文件。

▶ he maintains that position and that position will be argued in court by his lawyers.

他坚持这一立场，他的律师将在法庭上为此辩护。

▶ The president is very confident he is going to win this case.

总统非常有信心他将赢得这场官司。

▶ Thank you.

谢谢。

▶ Is the president planning to meet with Eric Adams in New York?

总统计划在纽约与埃里克·亚当斯会面吗？

▶ Maybe at the Yankees game.

也许在洋基队的比赛上。

▶ And has he personally talked to him about the race?

他亲自和他谈过关于种族的问题吗？

 00:41:49

▶ I am not tracking uh any meeting with Mayor Adams at this time.

我目前没有追踪到呃与亚当斯市长的任何会面。

▶ Um but if that happens, I'm sure the New York Post will be one of the first people to know about it.

嗯但如果发生的话，我确信《纽约邮报》会是最先知道的之一。

▶ I'll take a couple more questions while we go to the back.

我们再回答几个问题，然后到后面去。

▶ Tom Dempsey with NewsNation.

NewsNation的汤姆·邓普西。

▶ Regarding the growing US military, News Nation all the way in the back.

关于不断增长的美国军事存在，News Nation，在最后面。

 00:42:06

▶ Uh, regarding the US military, the growing US military presence in the Caribbean, uh, when asked directly about possible future military action, President Trump responded, "You're going to find out."

呃，关于美国军事，美国在加勒比海地区不断增长的军事存在，呃，当被直接问及未来可能的军事行动时，特朗普总统回答说：“你们会知道的。”

▶ What could the US public expect with that situation moving forward?

美国公众可以对这一局势的未来发展有何期待？

▶ And what sort of ongoing threat does Trende?

以及Trende（可能指委内瑞拉马杜罗政府或相关实体）构成了什么样的#持续#威胁？

bilibili 00:42:21

▶ I think it would be very unwise of me to preview what the president meant from this podium.

我认为我从这个讲台上#预告#总统的意图将是非常不明智的。

▶ Uh, but I think what the heart of what the president was saying, I know what the heart of what the president was saying in this administration believes um is that the regime in Venezuela is illegitimate and it is unacceptable to this president in this administration to traffic illegal deadly drugs into the United States of America.

呃，但我认为总统讲话的核心，我知道总统讲话的核心，本届政府认为，嗯，委内瑞拉的政权是非法的，并且向美利坚合众国贩运非法致命毒品是这位总统和本届政府所不能接受的。

▶ And that's why the president and the administration took very strong action against a boat and 11 narot terrorists um in international waters as you all saw.

这就是为什么总统和政府采取非常强有力的行动，在国际水域打击了一艘船和11名毒梟恐怖分子，嗯，就像你们都看到的那样。

bilibili 00:42:52

▶ I think that sends a very strong message to drug traffickers around the world.

我认为这向世界各地的毒贩发出了一个非常强烈的信息。

▶ The president will not tolerate it and the amount of drugs on that boat represents the lives of thousands of Americans that could have been killed by that deadly poison.

总统不会容忍这一点，那艘船上的毒品数量代表着可能被那种致命毒药夺去生命的数千美国人的生命。

▶ And we're not going to allow that deadly poison to come into our country.

我们不会允许那种#致命#的毒药进入我们的国家。

bilibili 00:43:07

▶ You, the president, will be signing a proclamation in the Oval Office later this afternoon.

各位，总统今天下午早些时候将在#椭圆形#办公室签署一份公告。

▶ Um, and we will see you all later.

嗯，我们待会儿见。
