▶ Today we've had the official announcement from the Israeli military that its operation to invade Gaza City has begun alongside the announcement that it will call up tens of thousands of Israeli troops.

今天，以色列军方正式宣布其入侵加沙城的行动已经开始，同时宣布将征召数万名以色列士兵。

▶ Despite that official announcement coming today for the Palestinians in Gaza City, they will feel like for days the operation has already begun.

尽管官方声明是今天发布的，但对于加沙城的巴勒斯坦人来说，他们会感觉行动在几天前就已经开始了。

 00:02:27

▶ We've seen the relentless bombardment of outer neighborhoods of the Gaza City alongside the reports of thousands of Palestinians already packing up their tents, packing up their homes and trying to flee for safety elsewhere.

我们目睹了对加沙城外围社区的无情轰炸，同时有报道称，成千上万的巴勒斯坦人已经在收拾帐篷和家当，试图逃往其他地方寻求安全。

▶ We've heard criticism this evening from Yehla Pid, one of the leaders of the opposition here in Israel who has denounced this operation, saying that it's the pursuit of an illusion and the illusory idea that Israel can occupy Gaza City, but Israel's government has defended it as the best way to return the hostages and to defeat Hamas and end the war.

今晚我们听到了以色列反对派领导人之一耶赫拉·皮德的批评，他谴责了这次行动，称这是追求一种幻想，是以色列能够占领加沙城的虚幻想法，但以色列政府为其辩护，称这是让被扣押人员返回、击败哈马斯并结束战争的最佳方式。

▶ We've also heard criticism from some of Israel's international allies, such as France with Emmanuel Macron, saying that this invasion of Gaza City could drag the region into an unending cycle of permanent conflicts.

我们也听到以色列一些国际盟友的批评，例如法国的埃马纽埃尔·马克龙，他表示这次入侵加沙城可能会将该地区拖入一个永无止境的永久冲突循环。

 00:03:18

因此，对这次入侵加沙城的行动存在着巨大的担忧。

▶ Meanwhile today we have also had the official approval by an Israeli government department of the controversial plan to build the E1 settlement in the West Bank that would divide that Palestinian territory into two.

与此同时，今天以色列一个政府部门也正式批准了在有争议的约旦河西岸修建E1定居点的计划，该计划将把巴勒斯坦领土一分为二。

▶ It's been announced by the Israeli Finance Minister, indeed, as doing just that, bearing the possibility of a future Palestinian state.

以色列财政部长确实宣布，此举正是为了扼杀未来建立巴勒斯坦国的可能性。

⌂ There's a complex maneuver, a set of maneuvers going on right now, between three parties.

目前正在三方之间进行一场复杂的、一系列的运作。

⌂ The government of Israel, Hamas itself, its leadership outside its leadership in the tunnels and the US administration, particularly President Trump.

以色列政府、哈马斯本身（包括其外部领导层和隧道内的领导层）以及美国政府，特别是特朗普总统。

⌂ I would view the offensive, which indeed has begun in circling Gaza as part of a pressure tactic to induce, along with other pressures being brought, including from the United States and Arab negotiators on Hamas to come to an agreement.

我认为，确实已经开始的对加沙的包围攻势是一种施压策略的一部分，目的是连同其他正在施加的压力（包括来自美国和阿拉伯谈判代表对哈马斯的压力）来促使其达成协议。

 00:04:36

⌂ That agreement may not be for a complete comprehensive deal.

该协议可能不是一个完全全面的协议。

🎧 It may be for a partial deal, indeed, but I would rule out nothing in terms of whether this offensive continues or not, whether Hamas does agree to a partial or a comprehensive deal, whether Israel in the end accepts a partial deal.

它可能确实是一个部分协议，但我不会排除任何可能性，无论是这次攻势是否会继续，哈马斯是否会同意部分或全面协议，还是以色列最终是否会接受部分协议。

🎧 All of it hinges on whether Hamas does or does not agree comprehensively to the terms of either the full deal or the partial deal and the pressures brought to bear on the government of Israel by the United States.

所有这一切都取决于哈马斯是否全面同意全面协议或部分协议的条款，以及美国对以色列政府施加的压力。

 00:05:09

🎧 Things open right now.

目前局势尚不明朗。

🎧 Given how much of Hamas' leadership has been decimated by all these attacks by Israel, do you get a sense, or do we have a sense of what they're thinking or who is left in charge of Hamas?

考虑到哈马斯的领导层有多少已被以色列的这些袭击所重创，您是否感觉到，或者我们是否了解他们在想什么，或者谁在负责哈马斯？

🎧 There's clearly a leadership remaining, not only outside, but also inside in the tunnels in Gaza.

显然仍有领导层存在，不仅在外面，也在加沙的隧道内部。

 00:05:31

🎧 And I have seen enough experience of campaigns against non-state actors with one after another leaders eliminated, yet the organization still continues to fight, still retains cohesiveness to be extremely modest in appraisals of when a leadership is finished or not.

我有足够的经验看到针对非国家行为体的行动中，其领导人被一个接一个地清除，但该组织仍然继续战斗，仍然保持凝聚力，因此对于领导层何时被消灭的评估要极其谨慎。

▶ Hamas can certainly still fight, he can certainly still make decisions whether or not to continue the campaign.

哈马斯肯定还能战斗，肯定还能就是否继续战斗做出决定。

▶ And I do want to give you thoughts on the West Bank then with Israel's approval to build a settlement there.

▶ David Lamy, the British foreign minister, has called it a flagrant breach of international law.

英国外交大臣戴维·拉米称这是对国际法的公然违反。

▶ It also has longer term implications on a possible two-state solution.

它对可能的两国解决方案也具有更长期的影响。

▶ What's certainly that latter part that's most important, the E1 block where settlement activities have now been authorized has long been for decades in discussion.

当然，后一部分才是最重要的，E1区块的定居点活动现已获得批准，而该区块几十年来一直处于讨论之中。

bilibili 00:06:24

▶ And the common assumption was that if E1 were ever indeed to move from technical approval, to actual construction of settlements, it would both isolate Jerusalem and would provide a significant separation within the West Bank itself.

普遍的假设是，如果E1区块真的从技术批准转为实际的定居点建设，它将既孤立耶路撒冷，又将在约旦河西岸内部造成严重的分隔。

▶ It would be a blow to any model of a contiguous West Bank Palestinian entity, whether a state or something else.

这对任何形式的连续的约旦河西岸巴勒斯坦实体（无论是一个国家还是其他形式）都将是一个打击。

▶ So it has enormous symbolic importance for the settlement movement and it has substantive importance in terms of further dislocation and separation of Palestinian communities.

因此，它对定居点运动具有巨大的象征意义，并且在进一步造成巴勒斯坦社区流离失所和分离方面具有实质重要性。

bilibili 00:06:59

▶ And what do you make of Israel making these moves simultaneously with its activities in Gaza?

您如何看待以色列在加沙采取行动的同时做出这些举动？

▶ I would see it all as part of the unique circumstances that are a product of this coalition, where Prime Minister Netanyahu must constantly on a daily basis balance whether it is speaking of the Gaza campaign, delivery of humanitarian assistance into Gaza, or policies in the West Bank to avoid the exit from his government, from his coalition of the two extremist religious nationalist parties and members of his own Likud Party.

我认为这一切都是这个联合政府所产生的独特环境的一部分，内塔尼亚胡总理必须每天都在平衡，无论是谈论加沙战役、向加沙提供人道主义援助，还是在约旦河西岸的政策，以避免那两个极端宗教民族主义政党以及他自己利库德集团的成员退出他的政府、退出他的联盟。

▶ It is a constant balancing act.

这是一个持续不断的平衡行为。

bilibili 00:07:35

▶ To the United States now, whether you Republican led a Texas House of Representatives has approved a new congressional map designed to hand Republicans five seats in the U.S. Congress after the midterm elections next year.

现在转向美国，由共和党领导的德克萨斯州众议院批准了一份新的国会选区地图，旨在明年中期选举后为共和党赢得美国国会中的五个席位。

▶ The plan faced a strong opposition by state Democrats who left Texas for two weeks in an effort to block a vote, but they returned on Monday.

该计划遭到了州民主党人的强烈反对，他们曾离开德克萨斯州两周以试图阻止投票，但他们于周一返回。

▶ President Donald Trump has been pushing Texas State Republicans to go ahead with the redraw.

唐纳德·特朗普总统一直在推动德克萨斯州共和党人继续进行重新划分。

bilibili 00:08:00

▶ Democrats have responded by trying to draw maps in their own favor in Democrat majority states like California.

民主党人则通过在加利福尼亚等民主党占多数的州尝试绘制对自己有利的地图作为回应。

▶ Under the most recent proposal in Texas, Republicans would have won three more congressional districts in the 2024 general election.

根据德克萨斯州的最新提案，共和党将在2024年大选中赢得另外三个国会选区。

▶ In states like Ohio and Indiana, Republicans are looking for ways to redraw their maps as well.

在俄亥俄州和印第安纳州等州，共和党人也在寻找重新绘制地图的方法。

bilibili 00:08:19

▶ Republicans could determine control of the House of Representatives in Congress where Republicans have a slim majority.

共和党人可以决定国会众议院的控制权，目前共和党在众议院拥有微弱多数。

▶ My correspondent in Washington, DC, Irwin DeMuccigy, has been telling us more about the background to this battle of the electoral maps.

我在华盛顿特区的记者欧文·德穆奇吉向我们详细讲述了这场选举地图之争的背景。

▶ For a fair bit of drama that we've seen sort of take place over the last couple of weeks, but this was something that the Republicans were really pushing for.

过去几周我们看到上演了不少戏剧性场面，但这是共和党人真正在推动的事情。

bilibili 00:08:40

🎧 So at least for now, it is definitely a political victory for the Republicans as they'd been pushing for this redistricting, which is why you'd seen this kind of political opposition that came in from the Democrats.

所以至少就目前而言，这绝对是共和党人的一场政治胜利，因为他们一直在推动重新划分选区，这也是你看到来自民主党的这种政治反对的原因。

🎧 They left the state to try and stall the voting that would have happened in Texas, but then when they came back, they said that look we're back, but hopefully there's a lot more widespread knowledge about what really was happening.

他们离开该州以试图拖延在德克萨斯州本应进行的投票，但当他们回来时，他们说，看，我们回来了，但希望有更多人广泛了解真正发生的事情。

🎧 So the political battle, which has played out between Democrats and Republicans, is very significant.

因此，在民主党和共和党之间上演的这场政治斗争非常重要。

 00:09:15

🎧 We're talking about one particular state, but obviously the wider political ramifications would affect the entire country as they look at the midterms, which are likely to be closely fought as well.

我们谈论的是一个特定的州，但显然，更广泛的政治影响将波及整个国家，因为他们都在关注中期选举，而中期选举很可能也会是一场激烈的角逐。

🎧 And beyond the Republican Party has been pushing for this specifically because while they have narrow majority in the House of Representatives, they would like to further solidify that and dominate in a bigger way, which is why every seat counts, which is why you've seen this kind of a deliberate political push to get this over the line.

此外，共和党之所以特别推动此事，是因为尽管他们在众议院拥有微弱多数，但他们希望进一步巩固这一优势并以更大的方式占据主导地位，这就是为什么每一个席位都至关重要，这就是为什么你看到了这种刻意的政治推动来促成此事。

🎧 Yeah, and with the midterms and next year in mind, how quickly might we see other states also trying to do similar things, and even Democratic states, or Democrat states might do the same?

是的，考虑到中期选举和明年，我们多快会看到其他州也尝试做类似的事情，甚至民主党州也可能这样做？

 00:09:54

 Well, Steve, you're already seeing sort of murmurs of that.

嗯，史蒂夫，你已经看到一些这方面的风声了。

 You have states like New York or Ohio, Florida, which have already started talking about it, considering political plans of how they might want to go ahead as far as redistricting is concerned.

像纽约、俄亥俄、佛罗里达等州已经开始讨论，考虑他们可能希望如何推进重新划分选区的政治计划。

 But one of the states, which has really sort of gone aggressive by way of the kind of statements we've seen from the governor is California.

但其中一个州，通过我们从州长那里看到的那种声明，可以说是真正采取了激进态度，那就是加利福尼亚州。

 00:10:13

 You know, they're also looking at a possibility of redistricting the state.

你知道，他们也在考虑重新划分该州选区的可能性。

 And if those plans are approved significantly, and very interestingly, that would give the Democrats five Democrat leaning seats to their advantage.

如果这些计划在很大程度上获得批准，非常有趣的是，那将给民主党带来五个倾向于民主党的席位，对他们有利。

 And if you look at simple mathematics, then that would cancel out the five seats that the Republicans have managed to generate by way of Texas.

如果你看看简单的数学计算，那将抵消共和党通过德克萨斯州设法产生的五个席位。

 00:10:33

▶ So you can expect a lot of this to kind of now, you know, come up as this would open the gates of more states looking at redistricting and setting up Republican versus Democrat battles, if you may have it, when it comes to redistricting specifically with an eye on what is likely to be a very, very closely fought midterm election.

所以你可以预期，现在会有很多这样的事情出现，因为这将打开闸门，让更多州考虑重新划分选区，并引发共和党与民主党之间的争斗，特别是在重新划分选区方面，各方都着眼于了一场很可能非常、非常激烈的中期选举。

北约军事委员会主席在早些时候的一次会议后在社交媒体上发文称，这是北约国防首长之间一次精彩而坦率的讨论，并坚称优先事项仍然是实现公正、可信和持久的和平。

▶ Russia's defense minister, so gay, Russia's foreign minister, so gay lover of however called any such discussions without his country at the table, eroded to nowhere.

俄罗斯国防部长... 俄罗斯外交部长谢尔盖·拉夫罗夫称任何此类没有他的国家参与的讨论都将毫无结果。

bilibili 00:11:39

▶ I spoke with William Taylor for me, U.S. Ambassador to Ukraine on the current diplomatic talks.

▶ The whole purpose of security guarantee, and a force that the coalition of the willing, that the British and the French are putting together, was like 30 other nations.

安全保证以及由英国和法国正在组建的意愿联盟（大约还有其他30个国家）的整个目的，是为了威慑俄罗斯再次攻击乌克兰

 00:12:04

这支部队的目的是阻止俄罗斯再次攻击乌克兰。

▶ So you're going to ask Russia if they agree with a deterrent force that's designed to keep them out.

所以你要去问俄罗斯是否同意一支旨在将他们拒之门外的威慑力量。

▶ No, it makes no sense.

不，这毫无意义。

▶ It doesn't matter what Lavrov says about this, pay no attention.

拉夫罗夫对此说什么都无关紧要，不必理会。

▶ So what sort of details will NATO defense to be trying to iron out?

那么北约国防部长们将试图敲定哪些细节呢？

bilibili 00:12:29

▶ Well, who's going to do what?

嗯，谁将负责什么？

▶ Number one, the Americans have said, President Trump has said that we're going to be willing to do air cover and air operations, probably some intel sharing and targeting logistics, the British and the French, and sound like the Estonians are thinking seriously about putting troops on the ground.

首先，美国人已经表示，特朗普总统说过我们愿意提供空中掩护和空中行动，可能还有一些情报共享和 targeting 后勤，英国人和法国人，听起来爱沙尼亚人正在认真考虑部署地面部队。

▶ The British are going to supply other capabilities.

英国人将提供其他能力。

bilibili 00:12:56

▶ So that's one set of issues, who's going to do what?

所以这是一组问题，谁将做什么？

▶ But another big important issue is rules of engagement.

但另一个重要的大问题是交战规则。

▶ That is this design, as I say, to keep the Russians out, to enforce a ceasefire.

正如我所说，这个设计是为了把俄罗斯人挡在外面，是为了强制执行停火。

▶ And so the question is going to have to be, what is our response when the Russians test it?

因此，问题将必须是，当俄罗斯人试探它时，我们作何反应？

▶ And certainly they will test it.

而且他们肯定会试探。

bilibili 00:13:17

▶ They've tested it every in either tested or violated every ceasefire that they put together in Ukraine.

他们在乌克兰达成的每一次停火，他们要么试探了，要么就违反了。

▶ And any other places as well.

以及其他任何地方也是如此。

▶ So those are the hard questions that need to be discussed, sound like we're making some progress.

所以这些是需要讨论的难题，听起来我们正在取得一些进展。

▶ And speaking of making progress to make this progress of account, will Zewinsky have to make concessions, do you think, give up land, for example, to be able to stop the fighting and get security guarantees from its allies?

说到取得进展，为了让这一进展算数，泽连斯基是否将不得不做出让步，例如放弃土地，以便能够停止战斗并从其盟友那里获得安全保障？

 00:13:43

▶ I don't think so.

我不这么认为。

▶ Again, this is not a discussion with the Russians in terms of Ukrainian and consessive to the Russians for this one.

再次说明，这不是与俄罗斯人的讨论，不是乌克兰人在这个问题上对俄罗斯人做出让步。

▶ No, this is a relation.

不，这是一种关系。

▶ This is a deal.

这是一项交易。

▶ It's understanding.

这是一种谅解。

▶ This is a agreement between the Ukrainians and the NATO allies that are part of the coalition of the willing.

这是乌克兰人与作为“意愿联盟”一部分的北约盟友之间的一项协议。

▶ Now, there is a question about territory.

现在，存在一个关于领土的问题。

 00:14:08

▶ And I think it's really important that they make the same distinction about territory that the West Germans and East Germans made after World War II.

我认为非常重要的一点是，他们要像二战后的西德和东德那样对领土做出同样的区分。

▶ The West Germans said, look, we don't recognize Russia and Soviet at the time, ownership of East Germany.

西德人说，听着，我们不承认俄罗斯以及当时的苏联对东德的所有权。

▶ And we will get it back someday.

并且我们总有一天会把它拿回来。

▶ And of course they did.

当然他们确实拿回来了。

 00:14:35

▶ And so the Ukrainians had the same mind.

因此乌克兰人也有同样的想法。

▶ That is, they'll never recognize Russian ownership, legal ownership, incorporation of those four or five oblasts into Russia itself.

也就是说，他们永远不会承认俄罗斯对那些四五个州的所有权、合法所有权，以及将其并入俄罗斯本身。

▶ They will never recognize it.

他们永远不会承认这一点。

▶ Or will the Europeans understand it?

或者说欧洲人会理解这一点吗？

▶ And nor should the Americans.

美国人也不应该承认。

▶ That should not be that the Russians get to keep, to control, to have, to incorporate the results of aggression, change borders by violence.

不应该让俄罗斯人得以保留、控制、拥有、合并侵略的成果，通过暴力改变边界。

bilibili 00:15:04

▶ That should not happen.

那不应该发生。
