▶ Israel says it's destroyed at least two high-rise buildings in Gaza City, which it accuses Hamas of having used as command and control centres, specifically intelligence gathering centres.

以色列称已摧毁加沙城至少两栋高层建筑，指控哈马斯将其用作指挥控制中心，特别是情报收集中心。

 00:05:31

▶ In many cases, Israel has just given warnings of a couple of hours before those buildings were blown up, telling residents not only to evacuate, but to move further south to what it's calling safe humanitarian zones, particularly around Amawasi in southern Gaza.

多数情况下，以色列仅在建筑被炸毁前数小时发出警告，要求居民不仅撤离，还需南移至其所谓的安全人道主义区域，特别是加沙南部的阿马瓦西周边。

🎧 Israel says now that 300,000 people have left Gaza City, but the United Nations quoted in some media reports, is saying that in many cases, people are turning around again and heading back north because the aid and the food, and in particular the shelter that Israel has promised it's going to supply in these areas, is simply non-existent.

以色列称已有30万人离开加沙城，但据媒体报道引述联合国说法，许多人因援助物资、食物特别是以色列承诺在这些区域提供的庇护所根本不存在，而再次折返北上。

🎧 And according to the UN, nowhere in Gaza can be considered safe.

联合国表示，加沙无一地区可被视为安全。

 00:06:11

🎧 There's been a lot of international criticism, of course, and appeals for Israel to stop its military offensive in Gaza, but also from some Israelis themselves, particularly the families and the supporters of the hostages.

当然国际社会提出大量批评，呼吁以色列停止在加沙的军事行动，但部分以色列人——特别是人质家属和支持者——也发出类似诉求。

🎧 There was a big rally in Tel Aviv in the last 24 hours, at which families of the hostages said that the continued military activity in Gaza, and particularly that Israeli military attack on Hamas leaders in Qatar last week, has basically quashed any hopes they have of the hostages being released anytime soon.

过去24小时特拉维夫举行大规模集会，人质家属表示加沙持续的战事，特别是以军上周对卡塔尔哈马斯领导人的袭击，基本粉碎了人质近期获释的希望。

🎧 Well, for more of this, I'm joined by Amin Saqal, Emirates professor of Middle East and Incentral Asian Studies, the Australian National University.

就此我们连线澳大利亚国立大学中东与中亚研究讲座教授阿明·萨卡尔。

 00:06:55

🎧 I mean, we've heard President Trump and Marco Rubio say that they're not happy with Israel's actions in Qatar, but those are just words.

我们听到特朗普总统和马克·卢比奥表示不满以色列在卡塔尔的行动，但这仅是口头表态。

▶ Will we see any actions?

会有具体行动吗？

▶ Well, so far we haven't seen any actions, and of course, if you're sitting in Doha and looking at Secretary Rubio appearing together with Prime Minister Nakanyahu with a caper on his head and on a waiting wall, that is reaffirmation of the deep strategic and judo-Christian ties between the United States and Israel.

目前未见任何行动。若从多哈视角看，卢比奥国务卿与内塔尼亚胡总理头戴便帽一同出现在隔离墙前的画面，恰恰 reaffirmation 了美以之间深厚的战略及犹太-基督教纽带。

bilibili 00:07:32

▶ And that could only make Prime Minister Nakanyahu in his extremist ministers extremely happy, but I think it would be very, very disappointing to some of the people who are really gathering in Doha for an emergency meeting.

这只会让内塔尼亚胡总理及其极端主义部长们极为欣喜，但对那些齐聚多哈参加紧急会议的人士而言，无疑令人极度失望。

▶ And speaking of that meeting, that Arab Islamic summit, the Qatar Prime Minister said the time has come for the international community to stop using double standards and to punish Israel for all the crimes it has committed.

谈及阿拉伯-伊斯兰峰会，卡塔尔首相表示国际社会应停止双标，就以色列犯下的所有罪行予以惩处。

▶ Can we expect any actions being taken by Qatar or other regional players or other regional neighbors of Israel?

卡塔尔或其他地区力量、以色列邻国会采取行动吗？

bilibili 00:08:06

▶ Well, I think there's going to be a lot of diplomatic support for Doha.

我认为多哈将获得大量#外交#支持。

▶ And I think the very strong statement will be issued, the condemning Israel not only for its actions in Doha, but also its continued courage in Gaza and what's really going on there.

我认为将发布非常强烈的声明，不仅谴责以色列在多哈的行动，还包括其在加沙持续的军事行动及当地真实局势。

🎧 I mean, many Muslim leaders and for that matter, Arab leaders are absolutely fuming about what has been happening in Gaza, but no disemergency meeting really comes at a time that Israel for the first time has also attacked all of the United States.

我的意思是，许多穆斯林领导人乃至阿拉伯领导人都对加沙发生的事件极为愤怒，但此次紧急会议召开之际，以色列却史无前例地同时攻击了所有美国目标。

 00:08:53

🎧 And as we know, President Trump is a transactional leader.

众所周知，特朗普总统是交易型领导人。

🎧 He does appreciate that the lucrative ties that the United States has with some of the Arab states, particularly the all-rich Arab states, and it doesn't want to see that being sacrificed.

他确实重视美国与某些阿拉伯国家——尤其是那些资源富集的阿拉伯国家——之间的利益关系，不愿看到这种关系被牺牲。

🎧 But at the same time, it is very clear that the United States remains absolutely committed to its alliance with the Israel, and that, of course, will underline once again the duplicity of contradiction in America's Middle East policy.

但与此同时，美国显然仍全力维持与以色列的同盟关系，这无疑再次凸显了其中东政策中的矛盾性与双重标准。

 00:09:28

🎧 And if we recognize then that Israel is not listening to external parties, whether they're U.S. parties or others, what about domestic voices then within Israel?

既然我们认识到以色列不听从外部势力——无论是美国还是其他国家——那么其国内的声音呢？

🎧 We know there have been protests against actions in Gaza as they're seen to perhaps lessen the chances of any hostages being returned to Israel.

我们知道以色列国内一直有反对加沙行动的抗议，因为人们认为这些行动可能降低人质获释回国的几率。

▶ Is that domestic pressure or anything that may swing things when it comes to Benjamin Netanyahu and Israeli leaders?

这种国内压力或其他因素会改变内塔尼亚胡和以色列领导人的决策吗？

bilibili 00:09:55

▶ There has been domestic pressure on Prime Minister Netanyahu in the ministers over a long period of time.

内塔尼亚胡总理及其内阁成员长期面临国内压力。

▶ I mean, the Israeli public has come out very strongly demanding a ceasefire and the release of all the hostages.

以色列民众强烈#要求#停火并释放所有人质。

▶ But Prime Minister Netanyahu has totally ignored those sort of protests, and he has not really given a chance to any negotiations resulting in a substantial agreement.

但内塔尼亚胡总理完全无视这类抗议，也从未给任何可能达成实质性协议的谈判真正机会。

bilibili 00:10:25

▶ I mean, every time that there has been the talk of a possible deal, Prime Minister Netanyahu has done everything to sabotage it.

每次出现可能达成协议的迹象时，内塔尼亚胡总理总会千方百计进行#破坏#。

▶ I mean, in the last round, his attack on Hamas leadership in Doha was basically designed to disrupt the negotiation which was really going on for a ceasefire between Hamas and Israel.

最近一次针对多哈哈马斯领导层的袭击，根本目的就是破坏当时正在进行的哈以停火谈判。

▶ I mean, we're going to have to leave it there, but thanks very much as always.

今天的讨论就到这里，非常感谢您一如既往的分享。
