All right.

好的。

This is morning news, CNN reporting on the giant.

这里是早间新闻，CNN正在报道这架巨型飞机。

747 President Trump wants the U.S. to accept as a gift from Qatar and then use as Air Force One.

特朗普总统希望美国接受卡塔尔赠送的这架747飞机，并将其用作空军一号。

This is what the president has said on it.

这是总统对此事的说法。

So I think it's a great gesture from Qatar.

所以我认为这是卡塔尔的一个很好的姿态。

我的意思是，我可能会是个愚蠢的人。

Say, no, we don't want a free, very expensive airplane.

说“不，我们不想要一架免费的、非常昂贵的飞机”。

but it turns out there's nuance here.

但事实证明，事情并非如此简单。

Sources tell CNN it was the Trump administration that made the initial approach.

消息人士告诉CNN，是特朗普政府首先提出了这一请求。

这。

President Donald Trump has talked about this potential deal for a Qatari Boeing 747 to act as Air Force One as a gesture, a gift from the Qatari royal family, which the U.S. would receive for free, he said.

唐纳德·特朗普总统曾表示，这架卡塔尔波音747作为空军一号的交易是一种姿态，是卡塔尔王室赠送的礼物，美国将免费获得。

But sources tell my colleagues in me that it was the Trump administration that first made the outreach to Qatar after Trump came into office that it is, in fact, the U.S. that made this request of Doha.

但消息人士告诉我和我的同事，实际上是特朗普政府在特朗普上任后首先联系了卡塔尔，是美国向多哈提出了这一请求。

The administration was told by Boeing, which is making the next generation of Air Force One planes, that the two planes would not arrive until 2027.

波音公司告诉政府，新一代空军一号飞机要到2027年才能交付。

Trump wanted something sooner, so the Pentagon, with the White House's backing, reached out to Qatar.

特朗普希望更快获得飞机，因此五角大楼在白宫的支持下联系了卡塔尔。

Boeing had given the administration a list of possible planes that could work as Air Force One in the meantime, and Qatar had one of those planes.

波音公司向政府提供了一份可以作为空军一号的飞机清单，而卡塔尔拥有其中一架。

The president's Middle East envoy, Steve Witt Coffee, also helped facilitate these early meetings.

总统的中东特使史蒂夫·威特·科菲也帮助促成了这些早期会议。

The Pentagon then offered to buy the plane, and Qatar offered to sell it.

随后五角大楼提出购买这架飞机，而卡塔尔同意出售。

Now, we're told the lawyers are still hashing out the details, but the white House is still claiming that this is going to be a donation Or, as Trump wrote on True Social recently, a gift free of charge.

目前，我们被告知律师仍在敲定细节，但白宫仍声称这将是一次捐赠，或者如特朗普最近在“真实社交”上所说，是一份免费礼物。

Trump had said that a Qatar official had told him, if I can help you, let me do that now.

特朗普曾表示，一名卡塔尔官员告诉他：“如果我能帮到你，现在就让我这么做。”

Publicly, Qatar has not refuted Trump and in his visit to Doha last week, everything went smoothly.

公开场合下，卡塔尔并未反驳特朗普，而他在上周访问多哈时一切顺利。

But the real story is certainly more nuanced and different from how Trump and his aides have been telling it.

但真实情况显然更加复杂，与特朗普及其助手所描述的不同。

 00:02:18

Even if this deal is signed, current and former officials have told CNN that it could take two years and hundreds of millions of dollars, several times the value of the plane, to strip it down and rebuild it with technical and security standards fit for a US presidential aircraft.

即使这笔交易签署，现任和前任官员告诉CNN，可能需要两年时间和数亿美元（是飞机价值的数倍）来拆解并重建这架飞机，使其符合美国总统专机的技术和安全标准。

Remember that plane from Qatar that the Trump administration said was a gift?

Sources tell CNN that it actually was the Trump administration, which approached the country about a new Boeing 747 that could be used as Air Force One.

消息人士告诉CNN，实际上是特朗普政府主动联系该国，希望获得一架可以作为空军一号的新波音747。

So those sources say immediately after President Trump took office in January, the Pentagon contacted Boeing and was told it wouldn't be able to produce a new presidential jet for at least another two years.

这些消息人士称，特朗普总统在1月上任后不久，五角大楼就联系了波音公司，并被告知至少两年内无法生产新的总统专机。

这届政府的优先事项是，他们上任后就说：“我们必须让空军一号飞机重新回到停机坪上，就是我们上一届政府订购的那些。”

I mean, you know, this plane thing, honestly, is just insane.

我的意思是，说实话，这架飞机的事情简直疯了。

[Back to Top](#)

I know it's my fault because I read the introduction, but it feels I did this to us.

but it feels like it's not going away.

 00:03:46

Hey, do you think we can get a plane?

嘿，你觉得我们能弄到一架飞机吗？

Okay.

好的。

Yeah, yeah.

是的，是的。

I mean, I think that the reason we're talking about this is because corruption is such a hit that Republicans have made on Democrats for a really long time, whether it's Nancy Pelosi's stock trades or also the defenses of of Trump taking this plane of talked about Qatar's general influence in a lot of Democratic policies, making spaces.

我的意思是，我认为我们讨论这件事的原因是腐败问题一直是共和党长期攻击民主党的重点，无论是南希·佩洛西的股票交易，还是为特朗普接受这架飞机辩护，都提到了卡塔尔在许多民主党政策中的广泛影响力。

I don't really buy this argument, but I think a lot of voters do feel that because Washington is such a swamp, they've bought that argument from Trump.

And so to take a plane from them, it does have this question.

所以接受他们的飞机确实会引发这个问题。

It's true for people in DC.

Like I am personally bothered by this, but at the same time, I don't think it's true that regular people watching this news story are just upset about this kind of corruption because you hear stories about corruption in DC all the time.

They kind of all blur together.

它们似乎都混在一起了。

This is why I, I think, I think one of the other problems with this is, is about the United States and the way that it's seen in the world.

这就是为什么我认为，另一个问题是关于美国及其在世界上的形象。

And so when you have the plane of the American president being sort of like a branded gift, as if you're a soccer team, you know, you know, with the Qatar emblazoned over your jersey.

所以当美国总统的飞机像一种品牌礼物时，就像一支足球队，你知道，球衣上印着卡塔尔的名字。

[Back to Top](#)

 00:06:42

I mean, there is something about that that, you know, we're supposed to be the most powerful country in the world, and yet we're getting a plane from a tiny emirate.

我的意思是，这有点，你知道，我们应该是世界上最强大的国家，但我们却从一个很小的酋长国那里得到一架飞机。

I mean, this is slightly probably like Boeing can't build the plane.

我的意思是，这可能有点像波音公司无法建造这架飞机。

[Back to Top](#)

Is this just pressure on Boeing or it.

这只是对波音公司的压力还是。

Although that was my theory at first.

虽然这最初是我的理论。

And now it seems like, no, they really just want them.

但现在看来，不，他们真的只是想要这架飞机。

No, I think Trump is obsessed with the plane.

不，我认为特朗普对这架飞机很着迷。

I think it's like the actual plane.

我认为就是这架飞机本身。

You he loved he loved the president.

你知道，他热爱总统。

[Back to Top](#)

I would say this, to the point about sort of a cutter being aligned with America's enemies.

我想说的是，关于卡塔尔与美国敌人的关系这一点。

If I, if I were a journalist on Air Force on this new Air Force One, I'd watch what I'd say.

如果我，如果我是这架新空军一号上的记者，我会注意我说的话。

Like what what what what sort of, what sort of things or although it's supposed to be a defense to Defense Department thing, and this is the cost of trying to fit it to be secure.

比如什么什么什么样的事情，或者虽然这应该是国防部的事情，而这是试图使其安全的成本。

[Back to Top](#)

 00:07:26

And that that cost in of itself is something that would make things across.

而这个成本本身会让事情变得复杂。

And one more thing about the plane, which is they just, in the times showed, this sort of brochure because it would have been trying to sell it for a while.

关于这架飞机的另一件事是，他们刚刚在《纽约时报》上展示了这种宣传册，因为他们可能已经试图出售它一段时间了。

嗯，这架747是在美国制造的，然后根据他们的信用进行了配置。

But it's been in.

目前，你乘坐的空军一号已经很旧了，而新的飞机还没有准备好。

And, and there's, there's during this transition period, there may very well be a way to utilize this aircraft that actually helps us make that transition, because there's tools and parts that can be used not only in this one, but in the brand new ones as well.
