⏮ Since President Trump's intervention, there have been more than 1,283 arrests right here in the District of Columbia.

⏮ Total crime in DC is down 19% and violent crime is down 30%.

⏮ And assaults with dangerous weapons are down 23% and property crime is down 18%.

⏮ These numbers prove the president's bold actions to make DC safe and beautiful again are working just like he said they would.

 00:05:34

⏮ He also signed a separate executive order addressing the crime emergency in DC by instructing the National Park Service to hire additional United States Park Police officers to support public safety and directing the US Attorney's Office for DC to hire additional prosecutors to focus solely on violence and property crimes.

⏮ So, while liberal Democrats across the country continue to double down on their failed soft on crime approach, the American people, including local DC leadership, business owners, and residents, are rallying behind President Trump's crime crackdown.

因此，虽然全国各地的自由派民主党人继续加倍推行他们失败的对犯罪软弱的做法，但美国人民，包括哥伦比亚特区的领导层、企业主和居民，正团结支持特朗普总统的打击犯罪行为。

关于任何军事行动或相关问题，我永远不会抢先于总统发表意见。

▶ Uh but what I will tell you is that many Caribbean nations and many nations in the region have applauded the administration's counterdrug operations and efforts and the president is prepared to use every element of American power to stop drugs from flooding into our country and to bring those responsible to justice.

呃，但我可以告诉你的是，许多加勒比国家和该地区的许多国家都赞扬了政府的禁毒行动和努力，总统准备动用美国的全部力量来阻止毒品涌入我国，并将责任人绳之以法。

▶ And as I've said from this podium before, the Maduro regime is not the legitimate government of Venezuela.

正如我以前在这个讲台上说过的，马杜罗政权不是委内瑞拉的合法政府。

bilibili 00:16:05

▶ It is a narco terror cartel.

它是一个毒品恐怖卡特尔。

▶ Maduro is not a legitimate president.

马杜罗不是合法总统。

▶ He is a fugitive head of this drug cartel.

他是这个毒品卡特尔的逃犯头目。

▶ He has been indicted in the United States for trafficking drugs into our country.

他因向我国贩运毒品而在美国被起诉。

⏮ And it is the utmost responsibility of this president in this administration uh to prevent the illicit flow of drugs into our country and to protect uh citizens from those deadly poisons.

而防止非法毒品流入我国、保护呢公民免受这些致命毒品的侵害，是本届政府这位总统的最高责任。

00:16:26

⏮ Reagan, thanks Caroline.

里根，谢谢卡罗琳。

⏮ I have two questions for you.

我有两个问题要问你。

⏮ Democrats, including former White House press secretary Jen Saki and Minneapolis Mayor Jacob Bray, attacked prayer and pushed gun control in the aftermath of yesterday's shooting.

民主党人，包括前白宫新闻秘书珍·萨基和明尼阿波利斯市长雅各布·弗雷，在昨天的枪击事件后攻击祈祷并推动枪支管制。

⏮ What's the White House's response to their comments?

白宫对他们的言论有何回应？

⏮ Yes, I saw the comments of my predecessor, Miss Saki, and um frankly, I think they're incredibly insensitive and disrespectful to the tens of millions of Americans of faith across this country who believe in the power of prayer.

是的，我看到了我的前任萨基女士的评论，呃，坦率地说，我认为他们对全国数千万相信祈祷力量的美国信徒来说是极其麻木不仁和不尊重的。

00:16:57

⏮ um who believe that prayer works and who believe that in a time of mourning like this when beautiful young children were killed while praying in a church, it's utterly disrespectful um to deride um the power of prayer in this country and it's disrespectful to the millions of Americans of faith and I would encourage Miss Saki to pray for these families themselves who need it right now more than ever.

呃，他们相信祈祷是有效的，他们相信在这样一个哀悼的时刻，美丽的年轻孩子们在教堂祈祷时被杀，嘲笑呃这个国家祈祷的力量是极其不尊重的，呃，这是对数以百万计美国信徒的不尊重，我鼓励萨基女士亲自为这些家庭祈祷，他们现在比以往任何时候都更需要祈祷。

▶ Last question for you is that there have been media outlets who have glazed over the fact that the shooter was confused in their gender identity.

最后一个是，有些媒体轻描淡写地忽略了枪手对其性别认同感到困惑的事实。

▶ Does the administration believe that this element needs to be investigated in the shooting?

政府是否认为枪击事件中的这一因素需要被调查？

 00:17:36

▶ All of the elements are being investigated in the shooting.

枪击事件中的所有因素都在调查中。

▶ Absolutely.

当然。

▶ Which is why part of the reason the FBI director came out and immediately confirmed that facet of the investigation.

这就是为什么联邦调查局局长出面并立即确认了调查的这一方面，这也是部分原因。

▶ John, thanks a lot.

约翰，非常感谢。

▶ Caroline, two questions on two separate issues.

卡罗琳，两个关于不同议题的问题。

▶ First of all, the drone and missile strikes that took place overnight in Ukraine.

首先，昨夜发生在乌克兰的无人机和导弹袭击。

 00:17:56

▶ General Keith Kellogg, the the president's special envoy, has described these attacks as egregious.

总统的特使基思·凯洛格将军将这些袭击描述为恶劣。

▶ Do you agree with that description?

您同意这种描述吗？

▶ And do you view President Putin as an impediment to getting peace between these two countries?

您是否认为普京总统是这两个国家实现和平的障碍？

▶ Well, it's not about if I agree, it's about what the president thinks.

嗯，不在于我是否同意，而在于总统怎么想。

▶ And I know what the president thinks because I talked to him about this.

我知道总统的想法，因为我跟他谈过这件事。

 00:18:18

▶ He was not happy uh about this news, but he was also not surprised.

他对这个消息呢感到不高兴，但他也并不惊讶。

▶ These are two countries that have been at war for a very long time.

这是两个已经交战很长时间的国家。

▶ Russia launched this attack on Kiev.

俄罗斯对基辅发动了这次袭击。

▶ And likewise, Ukraine recently dialed a blow to Russia's oil refineries.

同样地，乌克兰最近也对俄罗斯的炼油厂造成了打击。

▶ They have taken out, as a matter of fact, 20% of Russia's oil refinery capacity over the course of their attacks throughout the month of August.

事实上，在他们整个八月份的袭击过程中，他们已经摧毁了俄罗斯20%的炼油能力。

▶ So the president is continuing to watch this intently and this killing unfortunately will continue as long as the war continues which is why the president wants it to end and that's why he's worked harder than anyone to end this war uh which would have never started if he were president but perhaps uh both sides of this war are not ready to end it themselves.

所以总统继续密切关注此事，不幸的是，只要战争继续，杀戮就会继续，这就是为什么总统希望结束战争，也是为什么他比任何人都更努力地结束这场战争呢，如果他是总统，这场战争根本就不会开始，但也许呢战争的双方自己还没有准备好结束它。

▶ The president wants it to end but the leaders of these two countries need it to end and want it to end must want it to end as well and I think the president will make some additional statements on this later.

总统希望结束战争，但这两个国家的领导人需要结束战争，并且想要结束战争的人也必须想要结束战争，我想总统稍后会就此发表一些补充声明。

▶ My second question has to do with Can I I just had one more if I may.

我的第二个问题与... 如果可以的话，我还有一个问题。

▶ It has to do with the president's intention to remove Lisa Cook as a member of the Federal Reserve Board.

这与总统打算解除丽莎·库克联邦储备委员会成员的职务有关。

▶ Uh he is going or acting upon allegations that have been made uh by uh Trump administration official Bill Pi.

呃，他正在根据呃特朗普政府官员比尔·派提出的指控采取行动。

▶ These are just allegations.

这些只是指控。

▶ She hasn't been convicted yet of any crime.

她尚未被判定犯有任何罪行。

▶ Is the administration opposed to allowing uh Miss Cook to have due process to challenge what has been alleged against her?

政府是否反对允许呃库克女士通过正当程序挑战对她的指控？

bilibili 00:19:39

▶ I believe she is challenging it.

我相信她正在挑战。

▶ I believe she just filed a lawsuit today and Mr. PY has deferred those allegations over to the Department of Justice to investigate them.

我相信她今天刚提起了诉讼，而派先生已将那些指控移交司法部进行调查。

▶ What I will say is that you had a these mortgage receipts uh very clearly shown to the president and he has the cause that he needs to fire this individual.

我要说的是，这些抵押收据呃已经非常清楚地展示给总统看了，他有需要解雇此人的理由。

bilibili 00:19:58

▶ He laid it out in the letter that he provided to her and to the public as well.

他在提供给她信中也向公众阐明了这一点。

▶ And so we'll continue to fight this battle.

所以我们将继续打这场仗。

▶ Carrie, hi Caroline.

嘉莉，你好卡罗琳。

▶ So the president just announced that he wants to have a convention right towards the midterms next year.

所以总统刚刚宣布，他想要在明年中期选举前夕举行一次大会。

▶ PNC has countered that they too want to have a convention right before the midterms as well.

PNC（可能指民主党全国委员会）则反击说他们也想在中期选举前举行大会。

⏮ Uh what's the White House's response to that?

呃，白宫对此有何回应？

⏮ And can you give us a little bit of a hint or tease here as to how the president envisions convention?

您能给我们一点暗示或预告，总统设想的大会是什么样的吗？

⏮ Look, the president put out a statement on this earlier today.

听着，总统今天早些时候就此事发表了声明。

⏮ I'll let him speak uh further on the plans that he envisions, but I think he's very proud of the accomplishments and the achievements of his administration, as he should be, the most secure border in United States history, a crackdown on crime here in our nation's capital, uh an attack or a reversal of the attack on our energy industry uh from the previous administration.

我会让他呃进一步阐述他设想的计划，但我认为他为他政府的成就和功绩感到非常自豪，这是应该的，美国历史上最安全的边境，对我们国家首都犯罪的打击，呃对上一届政府对我们能源行业攻击的逆转。

⏮ As I just pointed out to you, gas prices today, this Labor Day, are the lowest they've been since Labor Day in 2020.

正如我刚才向你们指出的，今天这个劳动节，汽油价格是自2020年劳动节以来的最低点。

⏮ Our economy is bringing in millions trillions of dollars in revenue from all over the world again.

我们的经济再次从世界各地带来数百万亿的收入。

⏮ So there is so much for Republicans and for the president and for Americans across the country to be proud of and I think the president wants to see that celebrated but for any further details on this as they come we'll provide you with them.

所以，共和党人、总统以及全国各地的美国人都有很多值得骄傲的地方，我认为总统希望看到这些得到庆祝，但关于此事的任何进一步细节，我们会在得到后提供给你们。

 00:21:13

 Iris, thank you Caroline.

艾里斯，谢谢卡罗琳。

 Two questions on the shooting.

两个关于枪击事件的问题。

 What's the administration's message to some concerned parents across the country who might be now worried about their kids' safety related incident?

政府对全国一些可能现在担心孩子安全的忧心忡忡的父母有什么要说的？

 We completely and totally understand the concerns of parents across the country.

我们完全理解全国父母的担忧。

 It this tragedy is it's heartbreaking.

这场悲剧是令人心碎的。

 00:21:33

 As a parent myself, there are no words to describe just the the heartbreak that these families must be enduring.

作为一位家长 myself，我无法用言语描述这些家庭正在承受的心碎。

 Um which is why the president and the first lady have encouraged everyone um to continue to pray for these families and these victims.

呃，这就是为什么总统和第一夫人鼓励每个人呃继续为这些家庭和受害者祈祷。

 Um, and it's why this administration is focused on removing public safety threats from our communities.

呃，这也是为什么本届政府专注于从我们的社区中清除公共安全威胁。

bilibili 00:21:54

⌂ And in fact, I can share with all of you that last night in Washington DC when arrests were being made, there was an arrest of a juvenile right here in DC in Ward 7 for threats to kidnap and injure, receiving stolen property, possession of a large capacity feeding device, unlawful possession of firearms and ammunition.

事实上，我可以告诉大家，昨晚在华盛顿特区进行逮捕时，在第七区逮捕了一名青少年，罪名是威胁绑架和伤害、接收赃物、持有大容量供弹装置、非法持有枪支和弹药。

⌂ A search warrant was executed.

执行了一份搜查令。

⌂ Seven firearms were recovered and the juvenile was arrested after an investigation was initiated based on social media posts allegedly threatening violence towards a school.

在根据据称威胁对学校实施暴力的社交媒体帖子启动调查后，缴获了七支枪支，并逮捕了这名青少年。

bilibili 00:22:24

⌂ Um so this was a juvenile um who was a risk to not just himself but the community here in Washington and he was removed from the community last night because of the law enforcement efforts of this administration.

嗯，所以这名青少年不仅对他自己，也对华盛顿的社区构成了风险，由于本届政府的执法努力，他昨晚被从社区中带走。

⌂ And I would also point to the statement of our wonderful first lady that she released yesterday.

我还要提一下我们出色的第一夫人昨天发表的声明。

⌂ She wrote, "The tragic mass killing in Minnesota illuminates the need for preemptive intervention in identifying school shooters.

她写道：“明尼苏达州发生的悲惨大规模杀戮事件，说明了在识别校园枪手方面进行先发制人干预的必要性。

bilibili 00:22:47

▶ Early warning signs are often evident with many individuals exhibiting concerning behaviors and making violent threats online prior to their actions."

早期预警信号通常很明显，许多人在采取行动前会表现出令人担忧的行为并在网上发出暴力威胁。”

▶ We encourage all Americans, as the old saying goes, if you see something, say something.

我们鼓励所有美国人，正如老话所说，如果你看到什么，就说出来。

▶ If you see warning signs or threats, report it to law enforcement.

如果你看到警告信号或威胁，请向执法部门报告。

 00:23:02

▶ This administration, federal law enforcement, will take those reports and those threats seriously.

本届政府、联邦执法部门将认真对待这些报告和威胁。

▶ they will be treated as a law enforcement emergency and we will act accordingly.

它们将被视为执法紧急情况，我们将采取相应行动。

▶ And on the first lady's statement, would the administration consider ramping up resources on these fronts to parents and schools across the country to help them look into these signs and prevent more tragedies?

关于第一夫人的声明，政府是否会考虑在这些方面为全国各地的家长和学校增加资源，以帮助他们关注这些迹象并防止更多悲剧发生？

 00:23:21

▶ It's a very fair question, Iris.

这是一个非常合理的问题，艾里斯。

▶ As for any potential future policy decisions or funding questions, it's just been over 24 hours since the this tragedy occurred.

至于任何未来潜在的政策决定或资金问题，这场悲剧发生才刚过24小时。

▶ Right now, we're focused on the FBI and their investigation and covering all the facts.

目前，我们专注于联邦调查局及其调查，并覆盖所有事实。

▶ We'll leave those very important policy discussions to another day.

我们将把这些非常重要的政策讨论留到改日。

 00:23:38

▶ Um, go ahead, Megan.

嗯，请说，梅根。

▶ Um, I had a question uh about the Lisa Cook lawsuit that you mentioned.

嗯，我有一个关于你提到的丽莎·库克诉讼的问题。

▶ Does the president plan to wait until that lawsuit is resolved to appoint her replacement?

总统是否计划等到该诉讼解决后再任命她的接替者？

▶ Um, I will leave that to the president to make that decision in that announcement himself.

嗯，我将把这个问题留给总统，由他亲自做出决定并宣布。

▶ Brian, uh, thank you Caroline.

布莱恩，呃，谢谢卡罗琳。

▶ Uh, two questions.

呃，有两个问题。

 00:23:58

▶ Um, bouncing off the CDC situation CDC, I'm curious if if administration officials are pushing back on the president's agenda privately, publicly, however, should they fear uh to lose their jobs going forward.

嗯，关于CDC的情况，我好奇的是，如果有政府官员私下或公开地抵制总统的议程，他们是否应该担心将来会丢掉工作。

▶ Um, look, I think if you're doing your job well and if you are executing on the vision and the promises that the president made to the public who elected him back to this office, then you should have no fear about your job.

嗯，听着，我认为如果你工作做得好，并且你在执行总统向选举他重返办公室的公众所许下的愿景和承诺，那么你就应该担心你的工作。

▶ Just do your job.

只管做好你的工作。

bilibili 00:24:26

▶ That's what this president wants to see.

他希望看到有幸在联邦政府为美国纳税人服务的人遵守那些绝大多数再次选举他进入内阁的美国纳税人的愿望，嗯，让美国再次伟大，或者在这种情况下让美国再次健康。

bilibili 00:24:46

▶ On the Intel deal where the US got a stake in that company um there's two two things I want to ask about that.

关于美国在那家公司获得股权的英特尔交易，嗯，有两件事我想问。

▶ First is what did the US get back in return uh for that for that deal and the second thing is what are the future plans for giving any form of money to another company it could be through the chips act like this deal or some other form of funds what are the plans there by this widest administration

首先是美国从那笔交易中得到了什么回报，呃，第二件事是未来向另一家公司提供任何形式资金的计划是什么，可能是通过芯片法案像这笔交易一样，或其他形式的资金，本届政府在这方面有什么计划

▶ look as you know Brian very well because you cover it often the intel deal is still being ironed out by the department of commerce the tees are still being crossed the eyes are still being dotted um these you know it's very much still under discussion uh but the president's thinking I can share with you is certainly to ensure that the United States government um is is making our country wealthy again and is benefiting um from some of these deals and it's a creative solution.

听着，正如你非常了解的那样，布莱恩，因为你经常报道它，英特尔交易仍在由商务部敲定，细节仍在完善中，嗯，你知道，这很大程度上仍在讨论中，呃，但我可以与你分享总统的想法，当然是确保美国政府，嗯，正在让我们的国家再次富裕，并正在从一些这类交易中受益，这是一个创造性的解决方案。

bilibili 00:25:36

▶ I know it's outside the box thinking which is uncommon um in this city um but it's something that he proposed and something that the secretary of commerce is working on putting into action.

我知道这是跳出框框的思维，在这个城市里并不常见，嗯，但这是他提出的，也是商务部长正在努力付诸行动的事情。

▶ Mary, thanks Caroline.

玛丽，谢谢卡罗琳。

▶ I have a couple questions on the shooting yesterday.

关于昨天的枪击事件，我有几个问题。

▶ Uh the first one, this is the second shooting involving a transidentifying shooter who specifically targeted Christians and Catholic kids.

呃，第一个，这是第二起涉及跨性别认同的枪手专门针对基督徒和天主教孩子的枪击事件。

bilibili 00:25:58

⏮ Uh what kind of consequences do the gender affirming therapists, doctors, or even the parents of these shooters face after these types of shootings?

呃，在这类枪击事件发生后，性别肯定治疗师、医生，甚至这些枪手的父母会面临什么样的后果？

⏮ Well, as for the parents and potential therapists in this case, again, all of that is still currently being investigated by the FBI.

嗯，至于本案中的父母和潜在的治疗师，再次强调，所有这一切目前仍由联邦调查局调查中。

⏮ I know the Secretary of Health and Human Services this morning said that HHS is um investigating perhaps links between some of these drugs and these prescription drugs that some of these minors may be taking and an increase in violence.

我知道卫生与公众服务部部长今天早上说，HHS正在调查这些药物，这些一些未成年人可能正在服用的处方药与暴力行为增加之间可能存在的联系。

 00:26:27

⏮ Um and obviously we have mental health problems in this country that this administration and Secretary Kennedy will continue to speak out about and in the work that we're doing to solve it.

嗯，显然我们国家存在心理健康问题，本届政府和肯尼迪部长将继续就此发声，并致力于解决这个问题。

⏮ Thank you.

谢谢。

⏮ And just to follow up, I've seen a lot of calls for action, you know, among these lawmakers saying that we should always be praying.

只是想跟进一下，我看到了很多要求采取行动的呼声，你知道， among these lawmakers saying that we should always be praying. (在这些立法者中说我们应该一直祈祷。)

 00:26:42

⏮ One that I've seen on the right actually is calls for the FBI to institute a new class of domestic terrorism that involves trans ideology.

实际上，我在右派看到的一个呼声是要求联邦调查局设立一种涉及跨性别意识形态的新型国内恐怖主义类别。

▶ Is that something that the administration would support?

这是政府会支持的事情吗？

▶ Um I would have to check with the appropriate people on that.

嗯，我必须就此事与有关人员核实。

▶ Daniel, thank you Caroline.

丹尼尔，谢谢卡罗琳。

bilibili 00:27:05

白宫对此有何反应？

▶ And is this sort of the president's vision beginning to come to life after the big beautiful bill is passed in July?

这是否是总统的愿景在七月份通过那项伟大而美丽的法案后开始变为现实？

▶ Yes.

是的。

▶ I mean, look, we did say that once the big beautiful bill was signed into law, we're going to see the effects of the this massive progrowth piece of legislation.

我的意思是，听着，我们确实说过，一旦那项伟大而美丽的法案签署成为法律，我们将会看到这项大规模促增长立法的影响。

bilibili 00:27:21

▶ As I laid out for you as we head into the Labor Day weekend, um there's many positive economic indicators that the American people can be hopeful about.

正如我在劳动节周末前夕向你们阐述的那样，嗯，有许多积极的经济指标可以让美国人民抱有希望。

▶ Uh but don't forget we are reversing four years of of uh reckless spending from the previous administration of slamming regulations down the throats of American business owners and consumers across the country.

呃，但不要忘记，我们正在扭转上届政府四年的鲁莽支出，以及将法规强加给全国美国企业主和消费者的做法。

▶ But the administration is working very hard to unravel all of that uh and to ensure that small business owners and workers uh are thriving and that they have more money in their own pockets to spend.

但政府正在非常努力地消除所有这一切，呃，并确保小企业主和工人，呃，蓬勃发展，并且他们口袋里有更多的钱可以花。

bilibili 00:27:52

▶ Thank you.

谢谢。

▶ Thanks so much Caroline.

非常感谢卡罗琳。

▶ uh back on the CDC, there was reporting that some of the initial problems between RFK and the CDC director stemmed from uh miscommunications or differences on vaccine policy.

呃，回到CDC，有报道称，RFK（罗伯特·肯尼迪？）和CDC主任之间的一些最初问题源于，呃，沟通不畅或疫苗政策上的分歧。

▶ So, I wonder if you could just say whether or not the president believes that the COVID vaccine should be available to and covered by insurance for all Americans regardless of age and pre-existing conditions.

所以，我想知道你是否能说明总统是否认为COVID疫苗应该提供给所有美国人并由保险覆盖，regardless of age and pre-existing conditions. (不论年龄和既存状况)。

 00:28:17

Um, what I will tell you is that the FDA recently revoked the emergency youth authorizations for three COVID vaccinations while simultaneously greenlighting four new CO 19 vaccines with 2025 and 2026 formulas.

嗯，我要告诉你的是，FDA最近撤销了三种COVID疫苗的青少年紧急使用授权，同时批准了四种含有2025和2026配方的新冠疫苗。

The reason for the revocation of that emergency youth authorization is because obviously the COVID pandemic and the public health emergency is over.

撤销该青少年紧急使用授权的原因是因为显然COVID大流行和公共卫生紧急状态已经结束。

But just to correct the record because there's been a lot of misinformation on this.

但只是为了纠正记录，因为这方面有很多错误信息。

 00:28:42

The FDA's decision does not affect the availability of co vaccines for Americans who want them.

FDA的决定不影响想要接种新冠疫苗的美国人的疫苗可及性。

We believe in individual choice.

我们相信个人选择。

That's a promise both the president and the secretary have made and it's a promise they have now delivered on.

这是总统和部长都做出的承诺，也是他们现在已经兑现的承诺。

Question if I could Caroline question if I could.

问题，如果可以的话，卡罗琳，问题，如果可以的话。

Sorry.

抱歉。

Um, I wonder if you could ask uh I wonder if you could answer why the president hasn't acknowledged the shooting at CDC headquarters that took place earlier in August where a police officer was killed.

嗯，我想知道你是否能问，呃，我想知道你是否能回答为什么总统没有承认八月初发生在CDC总部的枪击事件，那起事件中一名警察丧生。

 00:29:08

Um, and it was reported that the motivation for the shooting was somebody who was um really unhappy with the effects of the COVID vaccine.

嗯，据报道，枪击事件的动机是有人，嗯，对COVID疫苗的效果非常不满。

We absolutely were very much aware of that shooting.

我们绝对非常清楚那起枪击事件。

The Secretary of Health and Human Services put out a statement immediately.

卫生与公众服务部部长立即发表了一份声明。

He was in touch with the CDC and he actually traveled to Georgia to assess the situation and to mourn with the the people who work in that building there.

他与CDC保持联系，并且实际上前往佐治亚州评估情况，并与在那里那栋大楼工作的人们一起哀悼。

 00:29:34

Go ahead.

请说。

Uh with respect to Labor Day, one of the most underrepresented groups right now, police officers, 30,000 police officers short in America right now.

呃，关于劳动节，目前最未被充分代表的群体之一，警察，美国目前短缺三万名警察。

Uh to Brandon's question, 1300 short in Chicago, 3,000 short in New York, 500 short here in Washington DC.

呃，回应布兰登的问题，芝加哥短缺1300人，纽约短缺3000人，华盛顿特区这里短缺500人。

▶ What can the White House, what can the president do to help recruitment of police officers?

白宫能做什么，总统能做什么来帮助招募警察？

bilibili 00:29:55

▶ He's done well with the military and border patrol.

他在军队和边境巡逻队方面做得很好。

▶ What can be done to more police officers on the streets of America?

能做些什么来让更多警察出现在美国街头？

▶ Well, the president has certainly been very successful in recruiting federal law enforcement.

嗯，总统在招募联邦执法人员的方面当然非常成功。

▶ If you look at the ICE recruitment campaign that was led by he and our secretary of homeland security, we've seen more than, I believe, 130,000 applicants to join ICE, which is just amazing.

如果你看看由他和我们的国土安全部部长领导的ICE招募活动，我相信我们已经看到超过13万人申请加入ICE，这真是太棒了。

bilibili 00:30:14

▶ Um, there's more applicants now than there are jobs to fill, and we're very grateful for that.

嗯，现在的申请者比需要填补的职位还多，我们对此非常感激。

▶ Clearly, Americans want to serve their communities.

显然，美国人想要服务他们的社区。

▶ They just need a leader who encourages them to do so.

他们只需要一个鼓励他们这样做的领导者。

🎧 So maybe Governor Pritzker should spend less time demonizing the police, more time trying to recruit more police and more time trying to call the president of the United States to get crime in his city under control.

所以也许普利茨克州长应该少花点时间妖魔化警察，多花点时间尝试招募更多警察，多花点时间尝试打电话给美国总统，以控制他城市的犯罪。
