▶ Well, the fact of this gap arises out of the Chancellor having her own limits on borrowing that she wants to hear, that she says is non-negotiable, and there's been lower than expected growth.

目前我们不确定这一预测绝对准确，情况可能变化，预测也可能出错，但它符合整体趋势——需要在秋季填补的预算缺口比预期稍大。

为新学期购买校服可能既压力重重又花费不菲，因此一些家庭来到这种被称为"校服银行"的地方购买二手校服。

 00:25:46

▶ That's just going into year seven, I've got to buy a whole lot, the blaze of the shirt, the skirt, it's all got to be low-goed, the PEE kit, the blaze alone is £35 for a new one, very expensive, the cost of living is extreme pressure on everyone.

▶ It's not necessarily low-income families, it's also those that might earn a lot of money.

然而账单不断上涨，生活成本持续攀升，我们正处于一场危机中，所有人都在想方设法节省开支。

 00:26:24

▶ The Department for Education says parents, on average, need around £440 for a secondary school student and around £340 for primary school.

教育部表示，家长平均需要为中学生花费约440英镑，小学生约340英镑。

⏮ Now that covers everything required for the actual uniform, as well as PEE and sports kit, but also things like coats, bags, school shoes and sports shoes, which all add to that total figure.

这包括校服本身、体育装备，还有外套、书包、校鞋和运动鞋等所有物品，这些都计入总费用。

⏮ Now for people struggling to meet those costs, only around one in five councils in England offer any formal support, but if you live in Scotland, Wales or Northern Ireland, eligible families receiving certain benefits can claim between £93 to £200 per child for back-to-school clothing.

对于难以负担这些费用的家庭，英格兰只有约五分之一的议会提供正式支持，但在苏格兰、威尔士或北爱尔兰，符合条件领取某些福利的家庭可以为每个孩子申请93至200英镑的返校服装补贴。

▶ It looks like the relationships built up between female gorillas are more important than previously understood, according to a study that's been carried out in Rwanda over decades.

根据卢旺达长达数十年的研究，雌性大猩猩之间建立的关系比之前认为的更重要。

 00:28:21

▶ Here's our science correspondent, Victoria Gill.

本台科学记者维多利亚·吉尔带来报道。

▶ Mounting gorillas, like humans, move around throughout their lives from one social group into another.

山地大猩猩和人类一样，一生中会在不同社会群体间迁移。

▶ It's something that shapes the animal's society.

这种行为塑造了它们的社群结构。

🎧 And the relationship between individual female gorillas is key when they're deciding which new group to join.

雌性大猩猩个体间的关系是它们选择加入新群体的关键因素。

🎧 Researchers tracked the movements of 56 female gorillas using decades of data that was gathered in a protected habitat in Rwanda that's been monitored since the 1960s.

研究人员利用数十年的数据追踪了56只雌性大猩猩的迁移轨迹，这些数据来自卢旺达自1960年代起监测的保护区。

 00:28:54

🎧 It turned out that when they moved, the animals sought out their female friends or the gorillas they'd grown up with or ones they'd made a social connection with more recently.

结果发现，当它们迁移时，会寻找雌性伙伴、一起长大的同伴或近期建立社交联系的个体。

🎧 We found that the presence of females that they knew, that they had either grown up with or that they knew from other groups, they also mattered a lot.

我们发现，它们认识的雌性——无论是从小一起长大还是来自其他群体——都非常重要。

🎧 So they were really attracted to those groups that contained those familiar females.

因此它们会被那些有熟悉雌性的群体强烈吸引。

 00:29:15

🎧 And scientifically, I don't know if I can talk about friendship because it's not something that we have directly measured.

从科学角度，我不确定能否称之为友谊，因为我们没有直接测量这点。

🎧 But here we're showing that same-sex relationships, they also matter.

但我们的研究表明，同性关系确实很重要。

🎧 The findings suggest that these great apes, some of our closest evolutionary cousins, maintain those important social relationships throughout their lives.

这些发现表明，这些与我们进化关系最近的大型猿类，终其一生都保持着重要的社会关系。

 00:29:38

 00:30:18

▶ Northern Ireland will see the strong southwestern winds and rain first, then Scotland, Northern Western England and Wales during the early hours.

 00:30:57

▶ And then for Friday, higher pressure to the south.

周五南部将受高压控制。

▶ Lower pressure is close to the north.

北部则受低压影响。

▶ So Scotland, Northern Ireland will remain quite blustery with some rain for our garland, the highlands, the northern western hours.

因此苏格兰、北爱尔兰仍将多风有雨，特别是高地地区和西北部。

▶ But elsewhere, dry plenty of sunshine.

但其他地区干燥晴朗。

▶ The winds will be lighter across the south and it'll start to warm up.

南部风力减弱，气温开始回升。

▶ Around the year 2425 mark for many across England and Wales.

英格兰和威尔士大部分地区气温将在24-25度左右。

 00:31:16

▶ A little bit warmer as well across at Scotland, despite more breeze and outbreaks of rain.

尽管有更多阵风和阵雨，苏格兰也会稍微暖和些。

▶ High pressure really builds in for the weekend, as you can see here.

如你所见，高压将在周末真正建立。

▶ Warding off the weather fronts to some extent, but there'll always be grays in the northwest of the UK.

虽然能在一定程度上阻挡锋面，但英国西北部总会有些阴天。

▶ So for Northern Ireland and Northern western Scotland, it will be often cloudy and breezy as some spots of rain for the weekend.

因此北爱尔兰和苏格兰西北部周末将经常多云有风，偶有零星降雨。

 00:31:35
