我相信其他各方很快也会这样做。

▶ But we're not going to wait for that process for those strategic sectors.

但我们不会为了那些战略部门而等待那个过程。

 00:21:41

▶ It goes back to the earlier question about the workers and the businesses and steel and the most affected sectors.

这回到了早先关于工人、企业、钢铁和受影响最严重部门的问题。

▶ We're very focused on this right now, taking a number of measures to support them directly in Canada, including by Canada, diversification, other aspects.

我们现在非常关注这一点，正在采取一系列措施在加拿大直接支持他们，包括通过加拿大、多元化和其他方面。

▶ But of course part of this is getting to a better balance with the United States, and that's the immediate discussions around it.

但当然，其中一部分是为了与美国达成更好的平衡，这就是围绕它进行的即时讨论。

 00:22:07

▶ I pretty much every stop during the election, you reference doubles up and saying that was going to be this strategy you take with the Americans.

在选举期间的几乎每一站，你都提到要加倍努力，并说这将是你对美国人采取的策略。

▶ You also consistently said that Donald Trump was trying to break us so he could own us.

你也一直说唐纳德·特朗普试图打垮我们，以便能够控制我们。

▶ Your new argument today is that Canadian should accept basically the best of a bad deal.

你今天的新论点是加拿大人基本上应该接受一个糟糕协议中最好的部分。

 00:22:21

 What's been the change?

发生了什么变化？

 I reject the premise of that question or your characterization of what I'm saying.

我拒绝这个问题的前提或你对我所说的话的描述。

 We have the best deal with the United States right now.

我们目前拥有与美国最好的协议。

 We have the best deal.

我们拥有最好的协议。

 Look at the numbers.

看看数字。

 Our tariff is 5.5%, we have 85% of our goods are free trade.

我们的关税是5.5%，我们85%的商品是自由贸易。

 It's not what we used to have.

这不是我们过去拥有的。

 Nobody has a deal with the United States that they used to have.

没有人拥有他们过去与美国那样的协议。

 00:22:51

 Nobody does.

没有人有。

 They have fundamentally changed.

他们已经从根本上改变了。

 It's their right.

这是他们的权利。

▶ We respect it.

我们尊重这一点。

▶ They have fundamentally changed their trade policy.

他们已经从根本上改变了他们的贸易政策。

▶ They have new objectives.

他们有新的目标。

▶ And they haven't just talked about those objectives.

而且他们不仅仅是谈论这些目标。

▶ They put in place tariffs and they have signed a series of trade deals, including with the European Union, including with others that have put those into effect.

他们实施了关税，并签署了一系列贸易协议，包括与欧盟的协议，以及与其他已经生效的协议。

 00:23:12

▶ We're in a position where we have held out not signed a deal that we don't agree with or that we don't think is in the best interest of Canadians.

我们处于一个坚持不签署我们不同意或认为不符合加拿大最佳利益的协议的立场。

▶ And focused on and we will remain focused on those strategic sectors to the best interest of Canada first.

并且专注于，我们将继续首先专注于那些对加拿大最有利的战略部门。

▶ Of course, America will focus on the best interest in the US.

当然，美国将专注于美国的利益。

▶ But we do so from a position where we're respecting with this decision.

但我们这样做是出于一个尊重这一决定的立场。

 00:23:40

▶ We're respecting our agreement with the United States.

我们尊重我们与美国的协议。

▶ And we are matching what they have done.

我们正在效仿他们所做的的事情。

▶ That puts us in a good position for the next phase of these negotiations.

这为我们进入下一阶段谈判奠定了良好基础。

▶ Rachel Haynes, CTV.

Rachel Haynes, CTV新闻。

▶ Hi, Prime Minister.

您好，总理先生。

▶ Rachel Haynes from CTV.

我是CTV的Rachel Haynes。

▶ I'd like to ask you a little bit more about what you're saying about this matching the US deal and or what US has put on Canada.

我想进一步询问您关于效仿美国协议和/或美国对加拿大所采取措施的说法。

 00:24:07

▶ In fact, it's only matching the goods under Kuzma, but in other areas, we're not matching the US at all.

事实上，这只是在Kuzma下的商品方面进行匹配，但在其他领域，我们根本没有效仿美国。

▶ They have 50% tariffs on our steel and aluminum products, but we only have 25% tariffs in return.

他们对我们的钢铁和铝产品征收50%的关税，但我们只征收25%的关税作为回报。

▶ Are you going to raise those tariffs to match that?

你们会提高这些关税以与之匹配吗？

▶ We're raising those today.

我们今天正在提高这些关税。

▶ We've matched the tariffs on autos, similar structures as the US.

我们已经匹配了汽车关税，结构与美国类似。

 00:24:33

▶ We do have a difference between our tariff on US steel and our tariff on US aluminum.

我们在对美国钢铁和铝的关税上确实存在差异。

▶ Those are part of the intensive discussions that we're underway right now.

这些是我们目前正在进行深入讨论的一部分。

▶ I think that's something that you'd look at in the future.

我认为这是你们未来会考虑的事情。

▶ And also.

还有。

▶ I'll give you three questions.

我会回答你三个问题。

▶ I'll give you a short answer to that, which is that we'll look at everything.

我会给你一个简短的回答，那就是我们会考虑所有事情。

 00:24:58

▶ I mean, we look at our industry both in terms of how we support their retooling, their investment in the industries, liquidity for today, helping their workers, buying Canadian, diversifying markets, but of course trade policy, including with the United States is part of that.

我的意思是，我们从如何支持他们进行设备更新、行业投资、当前流动性、帮助他们的工人、购买加拿大产品、市场多元化等方面来看待我们的行业，但当然，贸易政策，包括与美国的贸易政策，也是其中的一部分。

▶ We're engaged in discussions with the United States about exactly those sectors.

我们正在与美国就这些具体部门进行讨论。

▶ And that's what we want to advance to the benefit of our workers in our economy.

这就是我们想要推进的，以造福我们的工人和经济。

bilibili 00:25:25

▶ And I'll make this extra call up very quickly.

我会非常快速地补充这一点。

▶ You're talking about this putting us in a good position in the next phase, presumably the Kuzma negotiations, but as other people have pointed out, we've already folded on the digital services tax.

你说这让我们在下一阶段，大概是Kuzma谈判中处于有利地位，但正如其他人指出的，我们已经在数字服务税上让步了。

▶ We're taking away these counter tariffs.

我们正在取消这些报复性关税。

▶ How is this a position of strength going into those negotiations?

这如何能让我们在进入那些谈判时处于强势地位？

bilibili 00:25:44

▶ We're in a position first off.

首先，我们处于一个位置。

▶ We're in I'm in the negotiation.

我们处于——我正处于谈判中。

▶ So I have a sense of how the negotiations are.

所以我对谈判的进展有感觉。

▶ This puts us and directly the conversation the president and I had yesterday is that we'll be following up in short order.

这使我们处于有利地位，总统和我昨天的直接对话是我们将很快进行跟进。

▶ He and I.

他和我。

▶ On the progress on our our discussion.

关于我们讨论的进展。

▶ So the teams are engaged to re-engaging on this.

因此，团队正在重新参与此事。

 00:26:07

▶ This helps accelerate that look.

这有助于加速这一进程。

▶ It's a negotiation with this.

这是一个谈判。

▶ There's no guarantees in these things.

这些事情没有保证。

▶ But the basis of this is we're matching with the United States is done.

但这样做的基础是我们正在效仿美国已经完成的事情。

▶ We're matching with the United States is done.

我们正在效仿美国已经完成的事情。

▶ We're putting ourselves in a position which is consistent with Kuzma.

我们正将自己置于一个与Kuzma一致的立场。

▶ And that both clears away an issue with the US.

这既清除了与美国的一个问题。

 00:26:37

▶ The group goes on where we're not matching with the US is done in the US.

小组继续讨论我们在哪些方面没有效仿美国在美国已经完成的事情。

▶ The Carvo what they call the US MCA Carvo, but effectively is this free trade for 85%.

Carvo, 他们称之为美国MCA Carvo, 但实际上就是这85%的自由贸易。

▶ They just made that official two weeks ago.

他们两周前才正式确认这一点。

▶ They just made that official with the executive work.

他们通过行政工作刚刚正式确认了这一点。

▶ So we're responding to that is obviously in our judgment, the right thing to do so we can focus in on those strategic sectors.

因此, 我们对此作出回应, 在我们看来显然是正确的做法, 这样我们就可以专注于那些战略部门。

 00:27:00

▶ And also be consistent with Kuzma where there is going to be you know Kuzma.

同时也与Kuzma保持一致, 因为Kuzma将会...

▶ In a very different trade environment is going to look different.

在一个非常不同的贸易环境中, 它将看起来不同。

▶ And and what we need to do is is to make sure we're focusing in areas that.

我们需要做的是确保我们专注于那些...

▶ Where.

在那些...

▶ It's the mutual benefits are very clear.

互利非常明确的领域。

🎧 So in other words, the the arrangements and strategic sectors.

换句话说，战略部门的安排。

bilibili 00:27:28

🎧 Are mutually reinforcing the mutual benefits.

是相互强化互利的。

🎧 So the agreement supports it.

因此协议支持它。

🎧 But the economics drives it.

但经济因素驱动它。

🎧 And that's the way we move forward.

这就是我们前进的方式。

🎧 So we have time for two more questions.

所以我们还有时间再问两个问题。

🎧 One will be one will be French will start with Olivia Stefanovich from CBC.

一个将是法语问题，从CBC的Olivia Stefanovich开始。

🎧 Do you have any assurances from the Americans that this will kick start negotiations?

您从美国人那里得到任何保证，这将启动谈判吗？

bilibili 00:27:50

🎧 Did President Trump specifically say that in his conversation with you?

特朗普总统在与您的谈话中具体说过这一点吗？

🎧 Yes.

是的。

▶ And what do you say to premieres who have called for stronger retaliatory measures against the US?

对于那些呼吁对美国采取更强硬报复措施的省长，您有什么要说的？

▶ I look we.

我看，我们...

▶ Let me say something general and then I'll be more specific, which is that I want to salute the premieres and particularly those.

让我先说些概括的，然后再具体些，我想向省长们致敬，特别是那些...

 00:28:14

▶ Some provinces are affected more than others because of the sectoral nature of these tariffs.

由于这些关税的行业性质，一些省份受到的影响比其他省份更大。

▶ And I want to salute those premieres for the collaborative way we've been able to work together in the focus on the workers and the and the businesses themselves.

我想向那些省长致敬，因为我们能够以合作的方式共同努力，关注工人和企业本身。

▶ And there's a combination of.

并且结合了...

▶ Support for the workers and businesses such as we provided in the steel sector liquidity capital.

对工人和企业的支持，例如我们在钢铁行业提供的流动性资金。

 00:28:43

▶ By Canadian at the federal level at the provincial level across and working in collaboration, for example, and steel with the province of Ontario.

由加拿大联邦层面、各省层面共同提供，并协同工作，例如，在钢铁方面与安大略省合作。

▶ In the end, what we all want is to make sure for those strategic sectors that they get fair access to the US market.

最终，我们所有人都希望确保那些战略部门能够公平进入美国市场。

▶ What we're doing again is matching what the US is doing.

我们再次所做的就是效仿美国的做法。

bilibili 00:29:13

▶ That's fair.

这是公平的。

▶ It's fair to match what they've done.

效仿他们所做的事情是公平的。

▶ It puts us in a better position to focus in on exactly those sectors, work for it.

这使我们处于更有利的位置，能够专注于这些具体部门，并为之努力。

▶ So sometimes.

所以有时候...

▶ You know, you to go back to the earlier question.

你知道，回到早先的问题。

▶ Yeah, you dropped the gloves in the first in the first period.

你确实在第一节就摘下了手套（意为准备打架）。

▶ You know, when you're late in the game dropping the gloves and taking the extra penalty might not be the best thing to do.

你知道，在比赛后期摘下手套并接受额外处罚可能不是最好的做法。

bilibili 00:29:36

▶ And that's the situation right now.

这就是现在的情况。

▶ And our last question comes from Olivier.

我们的最后一个问题来自奥利维尔。

▶ Hello, Mr. Premier.

你好，总理先生。

▶ You said we're not the best in the world with the US.

你说我们和美国在一起并不是世界上最好的。

▶ The Mexico also has the CME.

墨西哥也有CME。

▶ We have a surcy of 90 days for the first time.

我们首次有了90天的调查期。

▶ What is the situation in the best in the United States?

美国最好的情况是什么？

▶ It's a question of the world at first.

这首先是一个世界性的问题。

 00:30:01

▶ And it's a question of the United States.

这也是一个美国的问题。

▶ It's the calculation of the US government that the US is the second in the world.

美国政府的计算结果是美国是世界第二。

▶ The US government is the only one in the world.

原因在于世界是基于全球总量的博览会。

▶ It's more like Canada.

这更像加拿大。

 00:30:33

▶ It's more than 97% of Canada.

这超过了加拿大的97%。

▶ It's all our exposition.

这都是我们的博览会。

▶ It's based on the South.

这是基于南方的。

▶ It's based on the South.

这是基于南方的。

关于你的第二点。

▶ Yes, as I just said, I'm Adam.

是的，正如我刚才所说，我是亚当。

▶ We will be starting to support the negotiations.

我们将开始支持谈判。

▶ We will be intensified.

我们将加强力度。

 00:31:02

 That's the conversation I had with the President.

这就是我与总统的对话。

 That's the conversation I had with the President.

这就是我与总统的对话。

 Yes.

是的。

 What we're talking about with the President of the Ukraine situation, is that you have discussed a real and relevant role for Canada in the security guards who have been discussing Washington's idea in your absence?

我们与总统讨论的乌克兰局势是，你们是否讨论过加拿大在安全保卫工作中（他们曾在您缺席时讨论过华盛顿的想法）扮演一个真正且相关的角色？

 00:31:24

 Yes, that's the case.

是的，是这种情况。

 What's the problem with Canada?

加拿大有什么问题？

 I have a question.

我有一个问题。

 That's the problem.

这就是问题所在。

 The other question is, I have conversation with the government.

另一个问题是，我与政府进行了对话。

▶ The United Kingdom, France, Germany, Italy, Canada and other Australia and New Zealand, Japan and European countries.

英国、法国、德国、意大利、加拿大以及其他澳大利亚和新西兰、日本和欧洲国家。

▶ And we have made preparations with the 7th coalition, which is concerned with the security guards.

我们已经与第七联盟做了准备，该联盟与安全保卫工作有关。

 00:32:02

▶ Our Canadian force chief, he participates in all discussions with the US.

我们的加拿大部队首长，他参加了所有与美国的讨论。

▶ So we are taking, it's a situation, we are taking to develop the tangible aspect of the security guards, but what is clear is that we start with the security guards.

所以我们正在采取，这是一个情况，我们正在着手发展安全保卫工作的具体方面，但清楚的是我们从安全保卫工作开始。

▶ We need to be careful with the security guards.

我们需要对安全保卫工作谨慎行事。

▶ We need to have security guards on the ground, on the ground.

我们需要在现场、在现场部署安全保卫人员。

 00:32:42

▶ And what will be the role of Canada and other countries with a backstop in effect with the United States?

加拿大和其他国家在实际上有美国作为后盾的情况下将扮演什么角色？

▶ That's the question, I have had conversations with President Trump during the last weeks.

这就是问题，我在过去几周与特朗普总统进行了对话。

▶ We are doing progress.

我们正在取得进展。

▶ We are progressing.

我们正在进步。

▶ No.

不。

▶ Ah, de d'alletté.

啊，de d'alletté（法语，可能为口误或专名）。

▶ There is now an opportunity.

现在有一个机会。

▶ Segueire, Segueire Holy, injustiée, illegal, causé absolument peur par Monsieur Putin.

Segueire, Segueire Holy（可能为专名或口误），不公正的，非法的，完全由普京先生引起的恐惧。

 00:33:35

▶ Ah, les garanti de sécurité, c'est une aspect, une aspect essentielle, afin de voir de faire le fait de la pièce.

啊，安全保证，这是一个方面，一个基本的方面，以便看到并完成拼图的一部分。

▶ En verra, les leaux-holdes des attaçons nils, les primordiales, le Horde du Canada, sur un empholte.

将会看到，我们对主要攻击点的控制，加拿大队伍在一个职位上。

▶ Merci.

谢谢。

▶ Just the last bit or the...

只是最后一点或者...

▶ Okay. The... I'll try and be quick, which is that the...

好的。那个... 我会尽量快一点，那就是...

▶ We are participating through the coalition of the willing, which is this broader group, 30 countries, France, the UK, Germany, Italy, Canada, Australia, at the fore.

我们通过自愿联盟参与，这是一个更广泛的团体，30个国家，法国、英国、德国、意大利、加拿大、澳大利亚走在前列。

▶ Okay.

好的。

▶ We've been participating in that for several months.

我们已经参与其中好几个月了。

▶ And our Chief of Defense staff, national security adviser, been contacted with the American, directly with the American counterparts on exactly these issues as well.

我们的国防参谋长、国家安全顾问也一直与美国方面、直接与美国对应官员就这些确切问题进行联系。

▶ The modalities, how this would work.

各种模式，这将如何运作。

▶ It's a fluid situation, it's a delicate situation, you know, so I'm not going to describe specifics, except to say that obviously it starts with any security guarantee, it starts with a robust Ukrainian army.

这是一个多变的局势，一个微妙的局势，你知道，所以我不会描述具体细节，除了说显然任何安全保证都始于一支强大的乌克兰军队。

 00:35:04

⏮ And that means weapons, that means training, that means viability.

这意味着武器，这意味着训练，这意味着生存能力。

⏮ And we're talking about after some cessation of hostilities.

我们谈论的是在某种敌对行动停止之后。

⏮ Secondly, it means that there has to be security on the land, in the air, in the sea.

其次，这意味着必须在陆地、空中和海上都有安全保障。

⏮ There's a role, potential for the members of the coalition to provide support for all of those elements.

联盟成员有潜力为所有这些要素提供支持。

 00:35:25

⏮ We'll see what role Canada might play within that within a broader group.

我们将看看加拿大在一个更广泛的团体中可能扮演什么角色。

⏮ And of course, there's an essential role of the United States as a backstop to whatever's provided through the coalition of the willing and by the Ukrainians.

当然，美国有一个基本角色，即为自愿联盟和乌克兰人提供的任何东西提供后盾。

⏮ As well, I would, I finished by saying that the actions of the United States are fundamental, they're essential.

同样，我会，我最后要说，美国的行动是根本性的，是至关重要的。

 00:35:46

⏮ The actions of the President have created an opportunity for peace and the end of hostilities in the senseless war, the unjustified war, this is more entirely caused by Putin's aggression.

总统的行动为结束这场无谓的战争、不正当的战争中的敌对行动创造了和平的机会，这更完全是由普京的侵略造成的。

▶ And security guarantees are one element of that.

安全保证是其中的一个要素。

▶ The U.S., I guess I do shockingly, I repeated myself, the U.S. being essential there.

美国，我想我令人震惊地，我重复了自己，美国在那里是至关重要的。

 00:36:14

▶ But Canada having an important role, Canada has potentially having an important role.

但是加拿大扮演着重要角色，加拿大 potentially 扮演着重要角色。

▶ So we're very engaged in these sets of issues.

所以我们非常投入于这些系列问题。

▶ And I think the final component was, the President and I have exchanged views in and around this.

我想最后一个部分是，总统和我已经就此交换了意见。

▶ We'll continue to do so.

我们将继续这样做。

▶ Okay.

好的。

▶ Thank you.

谢谢。

▶ That concludes today's press conference.

今天的新闻发布会到此结束。

 00:36:33

▶ Thank you very much.

非常感谢。

 Merci beaucoup.

非常感谢（法语）。
