🎧 And so I hope we see a Trump that we've seen in the last month, not the President Trump that we've seen the first 7 or 8 months of his presidency, where I thought he was way too weak on Putin.

因此我希望看到最近一个月那样的特朗普，而非执政前七八个月对普京过分软弱的特朗普。

🎧 And so what we want to see a stronger Trump standing up for freedom and standing on the right side of this war.

我们期待看到更强硬的特朗普捍卫自由，站在这场战争中正确的一边。

 00:05:04

🎧 President Zelensky reiterated today that he is not willing to cede any land in eastern Ukraine because it would give Putin a springboard to invade other parts of his country.

泽连斯基总统今日重申不愿割让乌东部领土，因这将给普京提供入侵其他地区的跳板。

🎧 Do you agree with Zelensky, or do you think ultimately he will need to cede some land in order for there to be any sort of peace?

您认同泽连斯基，还是认为他最终仍需割让部分领土才能换取和平？

🎧 Well, he clearly shouldn't cede any land that hasn't been taken by Russia.

显然他不应放弃俄罗斯尚未占领的土地。

 00:05:27

🎧 And that's been floated out there that the whole Donbas or the whole, you know, those 2 or 3 provinces that will totally be ceded over not just the areas that Russia controls.

有传言称整个顿巴斯或两三个州都将割让，而不仅是俄控区。

🎧 I think that would be a terrible mistake.

我认为这将是太错特错。

🎧 In the end, I have to defer to the Ukrainians on what land, if any, that they cede.

最终，关于割让哪些领土（如果有的话），我尊重乌克兰人的决定。

▶ But I do think this: if any land is ceded to Russia, we must provide security guarantees to Ukraine, whether it's NATO or bilateral security guarantees because I believe it's 95% certain that if we just do a truce next year, Putin will break it again and start the invasion all over.

但我认为：若割让任何领土给俄罗斯，我们必须向乌克兰提供安全保障——无论是北约还是双边保证——因为我95%确定若仅达成停火，普京明年就会撕毁协议再次入侵。

bilibili 00:06:06

▶ And so whatever agreement is done, if Ukraine cedes anything, security guarantees are very important to prevent Putin from doing this invasion again.

因此无论达成何种协议，若乌克兰做出让步，安全保障对防止普京再次入侵至关重要。

他写道，1986年里根在冰岛会见苏联领导人戈尔巴乔夫时"带着绝不妥协的坚定原则"。

bilibili 00:06:30

▶ Reagan's refusal to budge, even at risk of increasing Cold War tensions and the failed summit one month before midterm elections, ultimately set the conditions for the end of the Cold War.

里根即使冒着加剧冷战紧张和中期选举前一个月峰会失败的风险也拒不退让，这最终为冷战结束创造了条件。

▶ Do you think Trump will be able to be that stern with Putin, too or do you think maybe his desire to strike a deal, to be seen as this great dealmaker, might override the actual quality of the deal?

您认为特朗普也能对普京如此强硬，还是他达成协议、展现"伟大谈判家"形象的欲望可能压倒协议的实际质量？

▶ He needs to be strong, like Reagan, like we saw it, right?

他需要像里根那样强硬，就像我们见证的那样。

 00:07:01

▶ When Reagan walked away when he saw that Gorbachev was making demands that went against his principles.

当戈尔巴乔夫提出违背其原则的要求时，里根选择了离开。

▶ So we need Trump to have that same mindset. And that is a weakness with Americans in general.

因此特朗普需要具备同样的心态。这其实是美国人的普遍弱点。

▶ I mean, I study history, we want to get a deal.

我研究历史发现，我们总急于达成协议。

▶ We want to get a deal fast because our opponents know that.

我们想快速达成协议，而对手深知这点。

▶ And they make we make unnecessary concessions and put ourselves in a bad spot.

这导致我们做出不必要的让步，陷入被动。

 00:07:22

▶ And a case in point: before President Trump's even met with Putin, he's talking about Ukraine having to do land swaps before he's even talked to Putin.

典型案例：特朗普甚至未见普京就谈论乌克兰必须进行土地交换。

▶ And I think so, doing any kind of concessions before you even meet with Putin, that's a bad thing.

我认为在见普京前就做出任何让步都是错误的。

▶ And that's not just a President Trump thing.

这不只是特朗普的问题。

我想请您回应副总统万斯周末的言论。请听：

▶ "I think the president and I certainly think that America, we're done with the funding of the Ukraine war business. We want to bring about a peaceful settlement to this thing. We want to stop the killing. But Americans, I think, are sick of continuing to send their money, their tax dollars, to this particular conflict."

"我认为总统和我都确信美国已厌倦资助乌克兰战争生意。我们希望促成和平解决，停止杀戮。但美国人已厌倦继续将税款投入这场冲突。"

 00:08:09

▶ What did you make of that?

您对此有何看法？

▶ I think he's wrong.

我认为他错了。

▶ First of all, I take offense when he says we're tired of sending money to the Ukrainian war business.

首先，他说"厌倦资助乌克兰战争生意"让我感到冒犯。

▶ This is not Ukrainian war business.

这不是乌克兰的战争生意。

▶ This is the Russian invading Ukraine, an innocent sovereign country.

这是俄罗斯入侵一个无辜的主权国家。

▶ That's the war going on.

这才是正在发生的战争。

▶ So this isn't Ukraine's war.

因此这不是乌克兰的战争。

▶ This is Russia's invasion of Ukraine.

这是俄罗斯对乌克兰的入侵。

bilibili 00:08:33

▶ And he seems to not have the moral clarity to see that.

他似乎缺乏看清这点的道德明晰度。

▶ And it bothers me.

这令我困扰。

▶ And by the way, two out of three Americans support Ukraine.

顺便说，三分之二美国人支持乌克兰。

▶ These guys are taking a political stance that most Americans disagree with.

他们采取的立场与大多数美国人相悖。

▶ I wish our leadership in the White House stood tall on principle.

我希望白宫领导层能坚守原则。

▶ We're the land of the free.

我们是自由之地。

▶ We're the defenders of freedom.

我们是自由的捍卫者。

bilibili 00:08:52

▶ America is a bright light on the hill and we should act that way.

美国是山巅闪耀的灯塔，我们应言行一致。

▶ Trying to treat Ukraine and Russia as equals when one country is actually invading the other.

在一个国家实际入侵另一个时试图将乌俄平等对待

▶ That's a failure.

这是失败的。

▶ So I would like to see moral clarity out of our vice president on this.

因此我希望副总统在此事上展现道德明晰。

▶ And I think he's standing with one third of Americans, not the two thirds in this.

我认为他站在三分之一美国人那边，而非三分之二。

 00:09:10

▶ And if he spoke up more clearly, it would be more than two out of three, maybe would see three out of four Americans standing here.

若他更明确表态，支持者可能从三分之二增至四分之三。

▶ So we need a president or vice president advancing leadership here, not moral weakness.

因此我们需要总统或副总统在此展现领导力，而非道德软弱。
