【BBC晚间新闻 20250822 英国庇护申请创历史新高：酒店安置争议 | 第三大钢铁厂倒闭致1500名工人面临失业 | 以色列推进加沙军事行动】

Summary: Record numbers of asylum seekers have arrived in the UK, with over 111,000 applications in the past year—the highest since 2002. Despite faster processing by the government, the use of hotels to house asylum seekers has sparked protests and legal challenges. Meanwhile, the collapse of the UK's third-largest steelworks threatens 1,500 jobs, and GCSE pass rates in England have dropped while narrowing the gender gap. Additional reports cover Israel's Gaza operations, a controversial dolphin attack in Lyme Bay, and the premiere of "The Thursday Murder Club."

▶ Thanks, Rita.

谢谢，丽塔。

▶ Let's look first at that political hot potato, the number of asylum seekers living in hotels at taxpayers' expense.

首先，我们来看看那个政治上的烫手山芋，即由纳税人支付费用、住在酒店里的寻求庇护者人数。

▶ As we've heard the new figure for June this year is just over 32,000, a slight reduction on the previous quarter, but it is still higher than June last year just before Labour came to power, promising to end the use of hotels by the next election.

正如我们听到的，今年6月的新数字是刚刚超过3.2万，比上一季度略有减少，但仍高于去年6月工党上台前的水平，当时工党承诺在下届选举前停止使用酒店。

bilibili 00:06:30

▶ On the other hand, it's way below the peak of over 56,000 in 2023 under the Conservatives.

另一方面，这远低于2023年保守党执政期间超过5.6万人的峰值。

▶ On this map, the darker areas have the highest number of asylum seekers getting financial support relative to the local population, with Glasgow, Birmingham and Hillington in West London at the top of the list.

在这张地图上，颜色较深的地区获得财政支持的寻求庇护者人数相对于当地人口比例最高，格拉斯哥、伯明翰和西伦敦的希灵登位居榜首。

▶ But the most striking figure today is the record number of asylum applications in the year to June more than 111,000 people came to asylum.

但今天最引人注目的数字是截至6月的一年中庇护申请数量创下纪录，超过11.1万人申请庇护。

bilibili 00:07:00

▶ That's 8,000 higher than the previous peak way back in 2002.

这比2002年的前一个峰值高出8000人。

▶ Just under 40% of the asylum seekers arrived in a small boat and half of them were granted asylum at the first stage in the process.

只有不到40%的寻求庇护者是乘小船抵达的，其中一半人在程序的第一阶段就获得了庇护。

▶ 11% arrived by other irregular routes such as Lories, while 37% had arrived on a normal work study or visit a visa or a similar document.

11%的人通过其他非正常途径抵达，例如货车偷渡，而37%的人持有正常的工作、学习或访问签证或类似文件抵达。

bilibili 00:07:23

▶ But then claimed asylum.

但随后申请了庇护。

▶ The nationalities with the highest number of asylum applications were Pakistan, who were mostly refused, followed by Afghanistan, Iran and Eritrea and Bangladesh, who were also mostly refused.

申请庇护人数最多的国籍是巴基斯坦人，他们大多被拒绝，其次是阿富汗、伊朗、厄立特里亚和孟加拉国，他们也大多被拒绝。

▶ For those who wanted lower overall immigration, there was some good news away from the asylum system.

对于那些希望整体移民数量减少的人来说，在庇护系统之外有一些好消息。

bilibili 00:07:44

▶ There have been significant drops in visas being granted with work visas down 36%.

发放的签证数量大幅下降，工作签证下降了36%。

▶ In particular, work visas for care workers down 88% and nurses down 80%.

特别是，护理人员的工作签证下降了88%，护士的工作签证下降了80%。

▶ Visas for dependents of students are down 18% after a change in the rules.

规定变更后，学生家属的签证下降了18%。

▶ So a mixed picture for the government with the large numbers of people housed in hotels at public expense still causing huge frustration.

因此，对政府来说，情况好坏参半，大量由公费安置在酒店的人仍然引起巨大的挫折感。

bilibili 00:08:09

▶ And the most pressing problem of all remaining, the record number of migrants arriving on small boats, despite that election promise to smash the gangs.

而所有问题中最紧迫的仍然是，乘小船抵达的移民人数创下纪录，尽管选举时承诺要粉碎犯罪团伙。
