What's up guys, My name is Ryan and I want to show you some of the most impressive places in China, so here is my Chinese top 10!

大家好，我是Ryan，我想带你们看看中国最令人惊叹的地方，以下是我的中国十大推荐！

Where do I even start, China is one incredible country, home to some of the world's most fascinating landscapes!

从何说起呢，中国是一个不可思议的国家，拥有世界上最迷人的风景！

[Back to Top](#)

 00:00:20

When you look at China from a map, you realize how massive it is.

从地图上看中国，你会意识到它有多么辽阔。

It shares its borders with 14 different countries which is more than any other place on earth.

它与14个国家接壤，是世界上接壤国家最多的地区。

China's landscapes range from the Himalayas to the oddly shaped Karst Mountains!

中国的风景从喜马拉雅山脉到奇特的喀斯特地貌应有尽有！

[Back to Top](#)

 00:00:34

I really enjoyed making this video and I can't wait to share with you some places the outside world rarely sees.

制作这个视频让我非常开心，我迫不及待想与你们分享一些外界鲜为人知的地方。

Let's start this video off in the magical mountains of Zhangjiajie National Forest Park.

让我们从张家界国家森林公园的神奇山脉开始这段视频。

Hope I said that right.

希望我没念错名字。

Now located in Hunan Province, this forest is home to some of the world's most bizarre scenery.

它位于湖南省，拥有世界上最奇特的景观之一。

[Back to Top](#)

 00:00:52

The park is full of these rock pillars that ascend from the forest floor, they are covered in lush vegetation and often misty clouds adding to their magic.

公园里遍布从森林地面拔地而起的石柱，覆盖着茂密的植被，常被云雾缭绕，更添神秘。

These rock pillars are the inspiration behind the floating mountains in the movie Avatar.

这些石柱是电影《阿凡达》中悬浮山的灵感来源。

[Back to Top](#)

 00:01:07

One of the most notable features of the park is the Hallelujah mountain, it's the tallest pillar in the park with a height over 3500 feet.

公园最著名的景点是“哈利路亚山”，它是园内最高石柱，高度超过3500英尺。

To get around the park you can take a cable car, or do plenty of hikes around these majestic mountains!

游览公园可以乘坐缆车，或在这些雄伟的山脉间徒步！

[Back to Top](#)

 00:01:21

Afterwards, we're going to head over to the province of Sichuan!

接下来，我们将前往四川省！

Located in southern China, Sichuan is an incredible province home to some of the country's best scenery.

四川位于中国南部，是一个拥有全国最美风景的绝佳省份。

One thing in particular that I love about Sichuan are the mountains, they remind me of the Italian dolomites and honestly these mountains rival the beauty of European alps!

我尤其喜爱四川的山脉，它们让我想起意大利多洛米蒂山，甚至可与欧洲阿尔卑斯山媲美！

[Back to Top](#)

 00:01:39

Just absolutely incredible!

简直不可思议！

Almost feels like your in Switzerland or something.

仿佛置身瑞士一般。

Some impressive mountains include Mount Siguniang which is about 5 hours outside Chengdu.

令人印象深刻的山峰包括四姑娘山，距离成都约5小时车程。

There's also the Genyen Massif in Litang County.

还有理塘县的格聂山。

Which hosts some of the world's most unexplored peaks!

那里有世界上最少被探索的山峰！

[Back to Top](#)

 00:01:53

I just want to drive around exploring all of the mountain and wild terrain here.

我只想驾车探索这里所有的山脉和荒野。

Another incredible mountain location is Daocheng and Yading, it's considered to be the ancient heartland of Shangri-la!

另一个绝佳山地景点是稻城亚丁，它被认为是香格里拉的古核心！

You can visit the Yading Nature Reserve to marvel at alpine lakes and towering peaks.

你可以参观亚丁自然保护区，欣赏高山湖泊和巍峨山峰。

[Back to Top](#)

 00:02:11

Aside from mountains, Sichuan is home to the world's tallest stone buddha statue with a height of 71 meters!

除了山脉，四川还拥有世界上最高的石佛雕像，高达71米！

The province is also where some of the last wild pandas roam in the lush Minshan mountains.

这里也是最后一批野生熊猫在岷山茂密山林中栖息的地方。

One last place in Sichuan is the Jiuzhai Valley National Park, and it's famous for having the most beautiful waters in all of china!

四川最后一站是九寨沟国家公园，以全中国最美的水域闻名！

[Back to Top](#)

 00:02:31

I'd love to come here in the fall to experience the autumn colors!

我很想秋天来这里欣赏秋色！

Sichuan is an incredible province!

四川是一个不可思议的省份！

After were going to head over to neighboring Tibet.

之后我们将前往邻近的西藏。

Located in south western China, Tibet is this plateau, and its the highest region in the world with an average height of 14,000 feet.

西藏位于中国西南部，是世界上海拔最高的地区，平均海拔14000英尺。

[Back to Top](#)

 00:02:49

It's home to some of the world's tallest mountains including Mount Everest.

这里拥有包括珠穆朗玛峰在内的世界最高山峰。

I think one incredible place I want to go in Tibet is Sepu Kangri, it features this enormous glacier, and its this perfectly shaped triangle mountain right at the base of two glacial lakes!

我想去的西藏神奇之地是色浦岗日，那里有巨大的冰川，以及两座冰川湖旁完美三角形的山峰！

[Back to Top](#)

 00:03:04

I guess you could call it the Matterhorn of China!

或许可以称它为中国的马特洪峰！

Honestly Tibet is such an incredible destination that I believe deserves more recognition!

说实话，西藏是如此神奇的目的地，值得更多关注！

Afterwards, let's head over to the city to visit Shanghai!

接下来，让我们前往城市——上海！

Located right on the central coast next to the Yangtze river, Shanghai is China's biggest city with a population around 25 million.

上海位于长江入海口的中心海岸，是中国最大的城市，人口约2500万。

[Back to Top](#)

 00:03:21

It's a global center for finance, education and trade.

它是全球金融、教育和贸易中心。

One thing I love about Shanghai, is the waterfront along the river.

我喜欢上海的一点是它的滨江景观。

You can walk along it and just marvel at Shanghai's skyscrapers!

你可以沿江漫步，欣赏上海的摩天大楼！

The tallest building in the city is the Shanghai Tower, with a height of 2073 feet it's the second tallest building in the world!

上海最高建筑是上海中心大厦，高2073英尺，是世界第二高楼！

[Back to Top](#)

 00:03:41

Now after Shanghai, we're going to head over to the Yellow Mountains.

离开上海后，我们将前往黄山。

Also called Huangshan, the Yellow Mountains are a set of peculiarly shaped granite peaks famous for its mystical views and sunrises.

黄山是一组形状奇特的花岗岩山峰，以神秘景观和日出闻名。

Now the mountain range is located about a 5 hour drive from Shanghai making it a very popular destination.

黄山距离上海约5小时车程，是非常热门的旅游地。

[Back to Top](#)

 00:03:57

These mountains have been a source of artists and poets for thousands of years with over 20,000 poems written about them.

千百年来，这些山脉是艺术家和诗人的灵感源泉，有超过2万首诗歌描写它们。

It's Just unfair how beautiful these mountains are!

这些山美得简直不公平！

Afterwards, we're going to head to the Great Wall of China!

之后，我们将前往中国长城！

This may be the most notable feature of China and with reason!

这可能是中国最著名的标志，而且理由充分！

[Back to Top](#)

 00:04:15

When I think of the Great Wall of China, I imagine one giant wall that stretches across the country, but it's actually a series of walls that were built by different dynasties as far back as the 7th century bc.

想到长城时，我以为是横贯全国的单一城墙，但实际上它是公元前7世纪起各朝代修建的一系列城墙。

The walls that are most famous and recognizable today are the walls that were built by the Ming dynasty during the 14th century, which are located about two hours outside of Beijing!

如今最著名的是14世纪明朝修建的城墙，距离北京约两小时车程！

[Back to Top](#)

 00:04:35

Now in total, there are over 13,000 miles of walls across China, making it one of the greatest architectural feats in human history!

中国境内长城总长超过13000英里，是人类历史上最伟大的建筑壮举之一！

The walls were used to help protect against invaders such as the Mongols, but it also had other uses like managing immigration and taxing goods that passed through on the silk road!

长城用于抵御蒙古等入侵者，但也有管理移民、对丝绸之路商品征税等功能！

[Back to Top](#)

 00:04:53

The cost of the wall is unknown but it's believed that hundreds of thousands of people died during the making of it!

长城的造价未知，但据信有数十万人在修建过程中丧生！

It really is a crazy piece of human history!

这真是人类历史上疯狂的一页！

After we're going to head to the province of Xinjiang.

之后我们将前往新疆。

Located in north western China, Xinjiang is China's largest province.

新疆位于中国西北部，是中国最大的省份。

[Back to Top](#)

 00:05:09

The area is truly massive, it borders eight countries such as Russia and Pakistan.

这片区域极其辽阔，与俄罗斯、巴基斯坦等八国接壤。

The landscape of Xinjiang varies from towering mountains to open grasslands.

新疆地貌多样，从巍峨高山到开阔草原应有尽有。

One of the more peculiar places is the Tarim Populus Euphratica Forest.

较奇特的地方是塔里木胡杨林。

It's this forest full of ancient trees on the edge of Taklamakan Desert.

这是塔克拉玛干沙漠边缘的古老森林。

[Back to Top](#)

 00:05:29

It doesn't look real, it reminds me of those water filled sand dunes over in Brazil.

它看起来不真实，让我想起巴西的水上沙丘。

Truly such a bizarre location.

真是个奇异的地方。

Now another one of my favorite places in the province is the Tian Shan Mountains.

另一个我喜爱的地方是天山山脉。

They are a mountain range located not just in China but also in Kyrgyzstan and Kazakhstan.

这条山脉不仅在中国，还延伸至吉尔吉斯斯坦和哈萨克斯坦。

[Back to Top](#)

 00:05:45

They boast some insane terrain with two peaks over 7000 meters.

它们拥有两座7000米以上的险峻山峰。

Another incredible feature of northwest China is the Yardang Landform Groups.

中国西北另一奇观是雅丹地貌群。

They are some of the most peculiar shaped rock formations I've seen.

它们是我见过最奇特的岩石构造。

They're unique shape is due to millions of years of wind erosion.

其独特形状源于数百万年的风蚀。

[Back to Top](#)

 00:06:02

Pretty cool if you ask me!

我觉得超酷！

Afterwards, we're going to visit Luoping!

接下来我们将前往罗平！

Located in the province of Yunnan, Luoping is famous for its yellow canola fields that surround the limestone mountains!

罗平位于云南省，以环绕石灰岩山脉的黄色油菜花田闻名！

Every spring the fields turn a striking yellow color creating a one of a kind landscape!

每年春天，田野变成醒目的黄色，形成独一无二的景观！

[Back to Top](#)

 00:06:19

The area around Jinji Peak is home to isolated peaks surrounded by canolas and it's just one of my favorites.

金鸡峰丛区域有被油菜花包围的孤立山峰，是我的最爱之一。

You can also visit the Niuji Luosi field which is just this terraced garden full of terraced flowers!

你还可以参观牛街螺丝田，那是布满梯田花海的梯田花园！

The best time to come and see the fields in bloom is around late January into early april.

观赏花海的最佳时间是1月下旬至4月初。

[Back to Top](#)

 00:06:39

Also in the area is the home to incredible waterfalls such as Jiulong Falls!

该地区还有九龙瀑布等壮观瀑布！

Now for our last destination, we are going to visit the province of Guangxi, located in southern China on the Vietnam border.

最后一站是广西，位于中国南部，与越南接壤。

This place is incredible!

这里太棒了！

When I imagine China, this is the type of landscape I imagine.

我想象中的中国就是这样的风景。

[Back to Top](#)

 00:06:56

Lush valleys, vast cave systems, and mountains that look like they are from a Dr. Seuss book!

葱郁的山谷、庞大的洞穴系统，还有像苏斯博士绘本里的山！

One of my favorite places in the province is Yangshuo.

我最爱的地方是阳朔。

Located near the city of Guilin, Yangshuo is an incredible area I want to visit most!

阳朔靠近桂林，是我最想探访的绝佳地区！

The area is full of the iconic Karst mountains.

这里遍布标志性的喀斯特山峰。

[Back to Top](#)

 00:07:14

Throughout the province there are thousands of these unique shaped mountains which are made from Eroded limestone, and I think they are so fascinating!

全省有数千座由石灰岩侵蚀形成的独特山峰，我觉得它们太迷人了！

Anyways, I just want to take a boat down the Li river and explore all that Yangshuo has to offer!

总之，我想乘船沿漓江而下，探索阳朔的一切！

Another incredible place in Guangxi is Mount Danxia.

广西另一个神奇的地方是丹霞山。

[Back to Top](#)

 00:07:29

It's home to these insane mountains that I've never seen anything like!

那里有我从没见过的那种疯狂山体！

So many unique formations that rise out of the lush jungle floor, just another jaw dropping spot in China!

无数独特构造从葱郁丛林拔地而起，又是中国一个令人惊叹的地方！

Well that is it for my china top 10!

这就是我的中国十大推荐！

I'm barely scratching the surface and there's so many more unknown places to visit in this insane China!

我只是触及皮毛，在这疯狂的中国还有无数未知之地等待探索！
