

NATO on High Alert: Russian Jets Test Airspace, Cyber Attacks Hit European Airports, and AI Threatens Fashion Industry

【BBC News 20250921 特朗普政府宣布大幅提高H1B签证申请费用,数千名印度工人受影响 | 北约紧张应对俄罗斯战机挑衅 | 欧洲机场遭网络攻击瘫痪】

Summary: NATO is bolstering its eastern flank defenses after Russian fighter jets violated Estonian airspace, prompting the UK to send Typhoons over Poland. The Trump administration announces a massive fee hike for skilled visa applications, affecting thousands of Indian workers. European airports face severe delays due to a cyber attack on check-in systems. Meanwhile, the fashion industry fears AI could replace models and creative teams, as London Fashion Week highlights calls for regulation. In Gaza, Israeli attacks continue amid international moves to recognize Palestinian statehood.

▶ You say you think the NATO response thus far has been the appropriate course of action, but Russia is being accused of boiling the frog here, very gradually slowly turning up the temperature.

您说您认为北约迄今的反应是恰当的做法，但俄罗斯被指责在这里“温水煮青蛙”，非常缓慢地逐渐升温。

▶ Is there an argument that a more forceful NATO response earlier on would have prevented us getting to this point now?

是否有论点认为，北约早些时候做出更#强硬#的回应本可以防止我们走到现在这一步？

bilibili 00:06:51

🎧 Well, everybody is all obviously concerned about escalation.

嗯，显然每个人都担心局势升级。

🎧 Do you want to shoot down a Russian aircraft that is in Estonian airspace, even if it's not taking hostile action?

您想击落一架在爱沙尼亚领空、即使没有采取#敌对#行动的俄罗斯飞机吗？

🎧 That's a big deal, right?

这可是件大事，对吧？

🎧 Then we're looking at a possible direct war between NATO and Russia.

那么我们面临的可能就是北约和俄罗斯之间的直接战争。

🎧 So I think NATO all along since this war in Ukraine began has acted prudently but not rashly.

所以我认为，自乌克兰战争开始以来，北约一直行动谨慎而不#轻率#。

bilibili 00:07:18

🎧 More troops on the eastern flank, more warships, more aircraft, more patrols without doing things that would potentially escalate.

在东#翼#部署更多部队、更多军舰、更多飞机、更多巡逻，但不做可能#升级#局势的事情。

🎧 So I think the message that Putin is getting is a clear one.

所以我认为普京得到的信息是明确的。

🎧 Why he's continuing to push is a bit difficult to understand, because he said he wanted to roll back the post-Cold War settlement.

他为什么继续施压有点难以理解，因为他说他想推翻冷战后达成的解决方案。

bilibili 00:07:41

🎧 He wanted to push back NATO's frontier.

他想把北约的#前沿#推回去。

▶ What has he gotten?

他得到了什么？

▶ Sweden and Finland joined NATO, and you don't have a lot more NATO forces on the eastern flank today than you did before he invaded Ukraine.

瑞典和芬兰加入了北约，而如今北约在东翼的部队并不比他入侵乌克兰前多很多。

▶ So in many respects, this whole plan is backfiring.

所以在很多方面，这个计划正在事与愿违。

▶ If we can touch just now on these most recent strikes that we've seen

如果我们能现在就谈谈我们看到的这些最近的袭击

bilibili 00:08:01

▶ On both Ukrainian territory and Russian territory, how do you assess how things are playing out on the ground at the moment?

▶ Well, unfortunately, the diplomatic effort that Trump launched is pretty much dead in the water.

嗯，不幸的是，特朗普发起的#外交#努力基本上已经彻底失败。

▶ Putin has not said yes to meeting with Zelensky and Trump.

普京尚未同意与泽连斯基和特朗普会面。

▶ He continues to press on the front line in the east.

他继续在东部前线施加压力。

bilibili 00:08:24

▶ He's sending some of the largest bomb barrages to Western Ukraine since the war began.

他正发动自战争爆发以来对乌克兰西部最大规模的炸弹轰击。

🎧 I think the Ukrainians, because they're not seeing the Russians negotiating in good faith, are continuing to try to raise the cost to Russia.

我认为乌克兰人由于看不到俄罗斯真诚谈判的迹象，正持续尝试提高俄罗斯的战争代价。

🎧 And the best way to do that is to hit targets inside Russia, both to degrade Russia's military capability, the arms depots, the fuel depots, but also to bring home the war to the Russians, because Putin is trying to insulate the Russian population from the war.

最佳方式就是打击俄罗斯境内目标，既削弱俄军军事能力——摧毁武器库和燃料库，也让战争波及俄罗斯本土，因为普京正试图让俄罗斯民众远离战争影响。

 00:08:57

🎧 Zelensky wants to tell the average Russian, no, this war is coming to your homeland.

泽连斯基想要告诉普通俄罗斯人：不，这场战争正在降临你们的家园。

🎧 Right now, I think we're going to see this tit for tat continue for the indefinite future until we see some progress on the diplomatic front.

目前看来，这种以牙还牙的局面将会无限期持续，直到外交战线取得某些进展。

🎧 Okay, Charles Kuchin, senior fellow at the Cairns of the Foreign Relations and Professor of International Affairs at Georgetown University, Professor, thank you so much for joining us.

好的，查尔斯·库钦，外交关系协会高级研究员兼乔治城大学国际事务教授，非常感谢您参与我们的节目。

祝您晚安。

🎧 Now, India says a new \$100,000 fee for applicants seeking U.S. skilled work of visas will have humanitarian consequences.

印度表示，对美国技术工作签证申请者收取10万美元新费用的举措将产生#人道主义#后果。

▶ President Trump ordered the new fee for the H-1B visa applications on Friday, meaning the coveted paperwork will now cost 60 times more than the current fee.

特朗普总统周五下令对H-1B签证申请征收新费用，这意味着令人趋之若鹜的签证文件成本将比现有费用高出60倍。

bilibili 00:09:43

▶ Around 70% of H-1B visas issued go to Indian workers.

目前签发的H-1B签证中约70%授予印度籍工作者。

▶ Thank you for being with us.

感谢您参与节目。

▶ How important is the H-1B visa to the American economy?

H-1B#签证#对美国经济有多重要？

 00:10:32

▶ The H-1B visa is a guest worker program.

H-1B#签证#属于客工计划。

▶ It's the largest of our skilled guest worker programs, so college-educated foreign workers.

这是我国技术类客工计划中规模最大的，针对拥有大学学历的外国工作者。

▶ There's about 600,000 skilled guest workers on the H-1B visa program in the U.S.

目前美国约有60万名技术客工持H-1B#签证#。

▶ So it's a significant share of the foreign guest worker programs.

因此在外国客工计划中占据显著比例。

▶ What kind of industries do we see these visas predominantly going towards?

这些签证主要#集中#在哪些行业？

 00:10:57

▶ Yeah, so these visas can actually be used in any white collar job, any job that typically requires a bachelor's degree, a four-year degree, so anywhere from journalism to a county to technology.

这类签证实际上可适用于任何白领工作，任何通常需要学士学位（四年制学历）的岗位，从新闻业到县政再到科技行业皆可。

▶ What we've seen is a big concentration in the technology companies, in part because they've gotten in the habit of using this program almost indiscriminately.

但我们观察到科技公司高度集中使用该计划，部分原因是他们已形成几乎不加甄别使用该计划的习惯。

▶ Well, why'd you say indiscriminately?

为何您用"不加甄别"这个词？

bilibili 00:11:22

▶ Well, because they haven't been very selective, and that's part of the executive order is to ensure that the program is not used.

因为他们一直缺乏#选择性#，而本次行政令的部分目的就是确保该计划不被滥用。

▶ It's used basically as a last resort, as opposed to being used just as a regular part of hiring.

应将其作为最后手段使用，而非作为常规招聘流程的一部分。

▶ We mentioned that the majority of these visas at the moment go to Indian workers.

我们提到目前这类签证大部分发放给印度籍工作者。

▶ How much has that played into the president's decision to up the fee?

这对总统提高费用的决定产生了多大影响？

bilibili 00:11:52

▶ Well, that's a little bit harder to discern what's going on.

这方面动机较难#辨明#。

▶ I mean, so the Indian industry, which is one of their largest export industries, the IT services companies like Atata or Kognizan or Infosys, are heavily reliant.

印度IT服务业（是其最大出口产业之一），诸如塔塔、高知特或印孚瑟斯等公司都高度依赖该计划。

▶ They're some of the top users of the H1B program, and it fuels the offshoring of those services to their workers back in India.

他们是H1B计划的最大用户群体，这助推了将服务外包给印度本土员工的做法。

bilibili 00:12:16

▶ So that's been a big part of why one of the main reasons why there's such a large share of Indian IT, Indian H1B workers.

因此这是印度IT从业者、印度H1B工作者占比巨大的主要原因之一。

🎧 This \$100,000 fee is of course a substantial amount of money.

10万美元费用当然是一笔巨额资金。

🎧 It would be a big fee for a medium or small company, but if you're a big company, you're Google's, your Amazon's, your Metas, and you really want someone to come across the US and work for you, this isn't really going to put you off hiring that person.

对中小型企业而言费用高昂，但如果你是谷歌、亚马逊或Meta这样的大公司，且真心希望某人赴美为你工作，这并不会阻碍你聘用此人。

 00:12:45

🎧 Yeah, and I think that's part of the rationale behind setting the fee as high as it is, so that instead of the firms being indiscriminate in terms of who they hire and how they hire, that they're going to be very selective, it's really going to be workers who have special skills.

是的，我认为这正是设定如此高额费用的部分 rationale（考量）——促使企业不再随意雇佣，而是精挑细选，真正引进具备特殊技能的工作者。

🎧 Right now most H1B workers just have ordinary skills, skills that are competing directly with US workers who are already here.

目前大多数H1B工作者仅具备普通技能，这些技能与本土美国工作者形成直接竞争。

🎧 When you put the fee in, then those Google's will be very selective about who they decide to put forward in terms of the H1B program.

实施该费用后，谷歌等公司将会严格筛选通过H1B计划引进的人才。

 00:13:18

🎧 On Friday, Amazon is reported to have told its employees who have this visa, who were already in the US to remain there.

周五有报道称，亚马逊已通知持该#签证#且已在美国的员工留在当地。

🎧 Any of these visa holders who are out of the country, it basically told them to come home ASAP.

对于身处境外的#签证#持有者，公司基本要求他们尽快返美。

▶ What kind of fear will this generate amongst some American firms?

这会在美国企业#当中#引发何种担忧?

▶ Well, I think it's very unclear what, you know, where the fee applies and this information still coming out even as we speak, there's new news reports about what's going to happen.

目前费用适用范围仍很不明确，即便此刻仍有新消息不断披露。

bilibili 00:13:48

▶ So they haven't been very clear about which applicants, which firms, you know, the \$100,000 will actually apply, will be on renewals, will only be on workers who are outside the US, will it be new applicants?

官方尚未明确说明哪些申请人、哪些企业需要支付10万美元——是续签者？仅针对境外工作者？还是新申请人？

▶ And in fact, there's a new batch of 85,000 H1Bs that are going to start in about 10 days.

事实上，约10天后将有新#批#8.5万份H1B签证启动申请。

▶ Does it apply to them?

新规是否适用于他们？

bilibili 00:14:08

▶ Okay, Ron Hira, associate professor of political science at Howard University, professor Hira, thank you very much for joining us.

好的，霍华德大学政治学副教授罗恩·平井，非常感谢您参与节目。

▶ Thank you.

谢谢。

▶ Now sticking with US news and President Trump has used his social media platform, Truth Social, to warn Venezuela that it must accept the return of quote all prisoners, whom he said, have been forced into the US.

继续关注美国新闻：特朗普总统通过其社交平台"Truth Social"警告委内瑞拉必须接受引渡"所有囚犯"，他称这些囚犯被强制送入美国。

Mr. Trump wrote on Saturday, we want Venezuela to immediately accept all of the prisoners and people from mental institutions, which includes the worst in the world insane asylum, the Venezuelan quote leadership has forced into the United States of America.

特朗普周六发文写道："我们要委内瑞拉立即接收所有囚犯及精神病院人员——包括世界上最恶劣的精神病患收容所的人——委内瑞拉'领导层'强行送入美利坚合众国的所有人员。"

Mr. Trump went on to say thousands of people have been badly hurt and even killed by these quote monsters.

特朗普继续表示：数千人遭到这些"怪物"严重伤害甚至杀害。

All capitals get them the hell out of our country right now or the price you pay will be incalculable.

全大写写道：立即将这些家伙清除出我国，否则你们付出的代价将#不可估量#。

Here's our correspondent David Willis on the differences between the US and Venezuela.

本台#记者#大卫·威利斯将报道美委两国分歧。

Such is the growing tension between the two nations that Venezuela's well as President, Nicolas Maduro, is now seeking direct talks with the Trump administration.

两国紧张局势持续升级，委内瑞拉总统尼古拉斯·马杜罗现正寻求与特朗普政府直接对话。

Of writers is reporting that a letter was sent from Mr. Maduro to President Trump, in which Mr. Maduro rejects US claims that the major drug trafficking that's going on from South America is coming through Venezuela and he strikes or seeks to strike a conciliatory tone saying that, I hope together, we can defeat the falsehoods that have solid our reputation, which must be historic and peaceful.

作家协会报道称马杜罗致信特朗普总统，信中驳斥美国关于"南美主要毒品贩运经由委内瑞拉"的指控，并采取（或试图采取）和解语气表示："希望我们能共同破除损害我国声誉的谎言，这必须通过历史性与和平的方式实现。"

⏮ These and other issues will always be open for a direct and frank conversation to overcome media noise and fake news as he puts it.

正如他所说，这些以及其他问题将始终对直接而坦率的对话保持开放，以克服媒体噪音和虚假新闻。

⏮ Well, the Trump administration, of course, doesn't recognize the administration of Nicolas Maduro.

当然，特朗普政府不承认尼古拉斯·马杜罗政府。

⏮ Recently doubled the bounty for information leading to his arrest to \$50 million and it has accused Nicolas Maduro of leading a drug trafficking gang.

最近将悬赏缉拿他的信息奖金翻倍至5000万美元，并指控尼古拉斯·马杜罗领导着一个贩毒集团。

bilibili 00:16:21

⏮ Now recently, in addition to economic sanctions imposed on Venezuela, the Trump administration deployed warships to international waters just off the coast of Venezuela and it's launched airstrikes on Venezuelan vessels in those international waters, the most recent of which was announced on Friday by President Trump on his truth social media platform and included an image of a vessel in those international waters bursting into flames.

近期除了对委内瑞拉实施经济制裁外，特朗普政府还在委内瑞拉沿岸的国际水域部署军舰，并对该国际水域的委内瑞拉船只发动空袭。最近一次空袭由特朗普总统于周五在其真相社交媒体平台上宣布，并附有一艘船只在该国际水域起火的图像。

⏮ Now, the Trump administration has also, of course, sought to deport hundreds of thousands of Venezuelan migrants who are currently in the United States.

当然，特朗普政府还试图#驱逐#目前在美國的數十萬委內瑞拉移民。

⏮ President Trump has accused them of being criminals or people from mental institutions, although he's in advance no evidence to support that claim.

特朗普總統指責他們是罪犯或精神病院出來的人，儘管他事先沒有證據支持這一說法。

bilibili 00:17:15

▶ Meanwhile, Nicolas Maduro previously declared the Trump administration was intent on waging what he called an undeclared war in that part of the Caribbean and he called on the United Nations to investigate those recent airstrikes and the Maduro administration maintains that to Mr. Trump and the administration here has been guilty of targeting what it calls defenseless fishermen and that they amount those assaults to crimes against humanity.

与此同时，尼古拉斯·马杜罗此前宣称特朗普政府意图在加勒比海地区发动他所谓的“未宣之战”，并呼吁联合国调查近期空袭事件。马杜罗政府坚称特朗普及其政府一直以他所谓的无防御能力的渔民为目标，并将这些袭击定性为反人类罪。

▶ Now, Nicolas Maduro has accused the United States as well of seeking regime change in his country and looking to install a puppet government there in order to get access to Venezuela's oil supplies and Mr. Maduro has repeatedly bowed that his country will exercise what he called all legitimate rights in order to defend itself.

尼古拉斯·马杜罗还指控美国寻求在其国家进行政权更迭，企图建立傀儡政府以获取委内瑞拉的石油供应。马杜罗先生多次表示，该国将行使他所谓的一切合法权利进行自卫。

她认为自己的形象已被AI盗用并出现在广告中。

🎵 I got on the tube and obviously to me was an ad and the more I was looking and the more I could see that it was me because it hadn't changed the pose.

我在地铁上看到一幅广告，越看越发现那是我——因为连姿势都没变。

 00:25:12

🎵 It's about consent that I didn't consent to but some say tighter rules could leave the UK behind in the AI race.

关键在于我并未#同意#这种使用，但有人认为严格监管会使英国在AI竞赛中落后。

🎵 I think more legislation means that we in the short term feel comforted that we will be protected against these changes but in the long term it means that we will be slower to adapt and therefore be less competitive internationally.

我认为更多立法短期内能带来受保护的安全感，但长期会导致适应速度放缓，从而削弱国际竞争力。

🎵 London Fashion Week is known for pushing boundaries but now the industry is grappling with the changing face of technology.
