 Well, Lisa Cook, one of the governors of the US Central Bank is suing President Donald Trump over his attempt to fire her.

莉萨·库克，美国中央银行（美联储）的一位理事，正在就唐纳德·特朗普总统试图解雇她一事提起诉讼。

 Now, it is the first time in US history that a president has tried to sack a federal reserve governor and as a challenge to the central bank's long held autonomy.

这是美国历史上总统首次试图解雇美联储理事，这对央行长期持有的自主权构成了挑战。

 Ms. Cook argues that the president's move is illegal and has asked a US court to declare his decision unlawful and void.

库克女士认为总统的举动是非法的，并已请求美国法院宣布他的决定非法且无效。

 President Trump alleged without providing evidence that Cook is guilty of mortgage fraud.

特朗普总统在没有提供证据的情况下声称库克犯有抵押贷款欺诈罪。

 President Trump has put increasing pressure on the fed over what he sees as an unwillingness to lower interest rates.

特朗普总统对他认为的美联储不愿降息的态度施加了越来越大的压力。

 00:21:07

▶ Cook is part of the board that determines those interest rates.

库克是决定这些利率的董事会成员。

▶ And our North America correspondent Anthony Zorkar explains where this goes next.

我们的北美记者安东尼·泽克将解释此事接下来的走向。

▶ We're going to see it hit a district court, a federal court first, but I think this is going to be on a fast track to the Supreme Court.

我们将看到它首先进入地区法院，即联邦法院，但我认为这将很快进入最高法院审理。

▶ We have seen the Supreme Court step in, even earlier this year in what's called the shadow docket where they weigh in on whether an injunction that essentially suspends the firing is proper or not, and they could step in and lift that.

我们已经看到最高法院介入，甚至在今年早些时候所谓的“影子案卷”中，他们就一项实质上暂停解雇的禁令是否恰当进行了权衡，他们可能会介入并解除该禁令。

 00:21:36

▶ So we could see in a matter of months, the Supreme Court decided to whether to let her be fired and then let the gears of justice grind forward or to keep her in her job while this this lawsuit proceeds.

因此，我们可能在几个月内看到最高法院决定是让她被解雇，然后让司法程序缓慢推进，还是在此诉讼进行期间保留她的职位。

▶ The Supreme Court has said in the past that the federal reserve is different while the court has said that Trump has broad powers to fire people in the executive branch, including the head of the CDC and other folks.

最高法院过去曾表示美联储是不同的，尽管法院也表示特朗普拥有广泛权力解雇行政分支的人员，包括疾控中心主任和其他人。

▶ When it comes to federal reserve because of the incredible power it has over the US economy and the political implications of that, that the governors and the people in the

federal reserve have a certain amount of independence that must be respected.

当涉及到美联储时，因为它对美国经济拥有巨大权力以及由此带来的政治影响，美联储的理事和人员拥有一定必须受到尊重的独立性。

 Now a group of United Nations experts says it's alarmed by reports of enforced disappearances of starving Palestinians near eight sites run by the Israel and US backed gods like humanitarian foundation.

现在，一个联合国专家小组表示，他们对有关在以色列和美国支持的“加沙人道主义基金会”运营的八个援助点附近发生饥饿巴勒斯坦人被强迫失踪的报道感到震惊。

 A statement by the seven independent experts said that a number of people had been quote forcibly disappeared near food distribution sites in Rafa and they said that Israel's military was reportedly directly involved in the enforced disappearances of people seeking aid.

七位独立专家发表声明称，有相当数量的人在拉法的食品分发点附近被“强迫失踪”，并表示据报道以色列军方直接参与了针对寻求援助者的强迫失踪行为。

 The foundation tells the BBC it condemns so called enforced disappearances and that there was no evidence for these claims are corresponded in Jerusalem.

该基金会告诉BBC，它谴责所谓的强迫失踪，并表示没有证据支持这些说法，BBC在耶路撒冷的记者报道。

 Now as famine plays out in Gaza, seeking food aid continues to be a deadly challenge for Palestinians.

当前，随着饥荒在加沙上演，寻求食品援助对巴勒斯坦人来说仍然是一项致命的挑战。

▶ We've heard today of 22 Palestinians who've been killed while seeking aid and over 200 people injured according to the Hamasra Ministry of Health.

我们今天听到，据哈马斯管理的卫生部称，有22名巴勒斯坦人在寻求援助时丧生，超过200人受伤。

bilibili 00:23:14

▶ We've also reported four more deaths from malnutrition.

我们还报道了另外四例因营养不良死亡的病例。

▶ The Secretary General of the United Nations and Tony O'Gaterra has said that deaths from hunger are the result of deliberate decisions that defy basic humanity.

联合国秘书长安东尼奥·古特雷斯表示，饥饿死亡是违背基本人性的蓄意决策的结果。

▶ However, we've also heard from an independent group of rights experts working with the United Nations who've released a new report alleging that there are Palestinians being forcibly disappeared by Israeli authorities at food distribution sites in the Gaza strip.

然而，我们也从一个与联合国合作的独立人权专家小组那里获悉，他们发布了一份新报告，指控有巴勒斯坦人在加沙地带的食品分发点被以色列当局强迫失踪。

bilibili 00:23:45

▶ They found a trend of Palestinians who've gone while seeking food aid at the aid distribution sites operated by the Gaza Humanitarian Foundation and they go there and don't return and relatives who try to find out information about what's happened to their loved ones aren't able to do so and the UN experts accuse the Israeli military of being directly involved in these disappearances and saying it is a heinous crime.

他们发现了一种趋势，即巴勒斯坦人在由加沙人道主义基金会运营的援助分发点寻求食品援助时前往那里后没有返回，而试图查明亲人下落的亲属无法做到这一点，联合国专家指责以色列军方直接参与了这些失踪事件，并称这是一种滔天罪行。

▶ Now we've approached the Israeli military for a comment on this.

我们已经联系以色列军方就此置评。

▶ We haven't yet had a response from them.

我们尚未收到他们的回应。

 00:24:17

▶ The Gaza Humanitarian Foundation whose food distribution sites have been linked to so much chaos and death over the past months have told us they have seen no evidence of enforced disappearances at their aid sites but the UN experts say that they are worried that reports of disappearances will discourage Palestinians from seeking food there and that could further aggravate the starvation crisis in Gaza.

加沙人道主义基金会的食品分发点在过去几个月中与诸多混乱和死亡事件相关联，该基金会告诉我们，他们没有在其援助点看到强迫失踪的证据，但联合国专家表示，他们担心有关失踪的报道会阻止巴勒斯坦人去那里寻求食物，这可能会进一步加剧加沙的饥饿危机。
