

High-Stakes Diplomacy at UNGA: Abbas Rejects Hamas, Trump Meets Erdogan, and Europe on Alert

【CNN News 20250926 美国总统特朗普与土耳其总统埃尔多安在白宫会晤 | 欧洲多地因疑似俄罗斯无人机入侵领空事件接连关闭机场】

Summary: Palestinian Authority President Mahmoud Abbas, in a video address to the UN General Assembly, explicitly stated that Hamas would have no role in a future Palestinian state. He urged broader international recognition of Palestine and called for full UN membership. Meanwhile, U.S. President Donald Trump met with Turkish President Recep Tayyip Erdogan at the White House, suggesting potential lifting of F-35 sanctions on Turkey. In Europe, a series of unauthorized drone incursions and airspace violations, attributed to Russia, have forced airport closures and heightened security alerts. NATO officials emphasized readiness to respond to threats, while critics called for stronger deterrence measures.

但马哈茂德·阿巴斯能以视频连线方式向联合国安理会发言，本身已说明问题。

bilibili 00:04:52

▶ And of course we'll see Netanyahu address the UN General Assembly.

当然我们还将看到内塔尼亚胡在联大发言。

▶ That's tomorrow meet with President Trump, I believe that's on Monday.

明日他与特朗普总统的会晤据信安排在周一。

▶ But we have heard hopes or the breakthrough many, many times.

但我们已无数次听到希望或#突破#之说。

▶ But now we're talking about a 21 point plan that President Trump presented or spoke to with Arab leaders.

如今讨论的是特朗普总统向阿拉伯领导人提出的21点方案。

▶ Do we have any more details about what that plan actually entails, Nick?

关于该方案的具体内容，是否有更多细节尼克？

 00:05:15

 Not really.

并不明确。

 But again, the list of the items that we believe, because President Trump and none of the Arab countries have really been clear about what's on it.

因为特朗普总统及阿拉伯国家均未明确披露具体条款。

 I think the Turkish President today indicated that it might be helpful, fruitful.

我认为土耳其总统今日暗示该方案或具建设性，#富有成效#。

 I think is the word that he used to describe the meeting President Trump had where he laid out those 21 points.

这应是他对特朗普提出21点方案的会议描述。

 00:05:42

 The President again today saying that he felt good that it could happen.

总统今日再次表示对方案落地感到乐观。

 That was echoing what Steve Whitkov has said.

这与史蒂夫·维特科夫的表态相呼应。

 The releasing the hostages again, the key detail, ending a permanent end to the war.

关键细节仍是释放人质、永久终止战争。

 But it's all 21 points.

但整套方案共21点。

 And look, the way that, and nowhere where this is being negotiated at the moment, Qatar is not playing the role of mediator at the moment.

目前该方案未在任何场合进行谈判，卡塔尔也未扮演调解人角色。

▶ Egypt hasn't really picked it up.

埃及也未真正接手。

▶ So it's really not clear where these 21 points are really going to be hashed out and finalized.

因此这些条款最终在何处磋商定稿尚不明确。

▶ Perhaps some details coming out of it that there may be sort of an international police security force, Arab and other Muslim countries there to help establish.

或许某些细节显示可能组建由阿拉伯及其他穆斯林国家协助的国际警察安全部队。

▶ But really, it's skinny on deep.

但实质内容仍#肤浅#。

▶ Very briefly met with Erdogan, of course, asking him for help in bringing the war in Ukraine to an end.

当然，与埃尔多安的简短会晤中，特朗普请求其协助结束乌克兰战争。

▶ But also asking him to stop buying Russian oil.

同时要求停止购买俄罗斯石油。

▶ How did you respond to that?

埃尔多安作何反应？

▶ Erdogan didn't respond to it.

埃尔多安未予回应。

▶ Oh, OK.

哦，好吧。

▶ It was very much a President Trump speaking.

基本是特朗普总统单方面发言。

▶ And I think Erdogan just spoke once.

埃尔多安仅发言一次。

▶ And the area of leverage for the United States, President Trump, is with these F-35s.

美国的#筹码#领域在于F-35战机。

▶ It was originally going to buy 2019.

土耳其原计划2019年采购。

 00:07:04

▶ They got taken off the buying list or list of buyers, if you will, because they bought Russian service to MSR defense systems.

因其购买俄制MSR防御系统而被移出采购名单。

▶ That's where the leverage is.

这正是#筹码#所在。

▶ Erdogan does want parity with others in the region.

埃尔多安确实希望获得与地区国家同等待遇。

▶ And of course, that's a concern.

这自然是关注点。

▶ F-35s, F-16s, MSR Patriot, MSR defense systems.

F-35、F-16战机，MSR#爱国者#及MSR防御系统。

▶ If Trump can have leverage over the oil, what was interesting, I think, in Trump's comments today, speaking on the issue, he called what Russia is doing in Ukraine a rampage.

若特朗普能在石油问题上掌握筹码，有趣的是他今日谈及此事时将俄罗斯在乌克兰的行动称为"肆虐"。

▶ That language, when we've been looking to see, is President Trump going to flip flop on his assertion that Ukraine can take background and essentially win back territory.

我们一直关注特朗普会否在"乌克兰能收复失地"的主张上#反复#。

▶ He hasn't flipped flop.

他并未#反复#。

▶ The language was still there strongly against Russia.

其言辞仍鲜明反对俄罗斯。

▶ Well, at least he hasn't flipped flop and last 48 hours.

至少过去48小时内未有#反复#。

▶ Let's see, Nick, I appreciate it.

持续关注吧尼克，感谢分析。

▶ Thank you very much indeed.

非常感谢。

▶ Was the UN General Assembly grinds ahead in New York European regional security, as well as diplomacy, is being put to the test yet again, unauthorized drones, forced the Alborg airport in Northern Denmark to shut down on Wednesday.

联合国大会在纽约推进之际，欧洲区域安全与外交再次面临考验，未经授权的无人机迫使丹麦北部的奥尔堡机场于周三关闭。

▶ It is the second airport to close in the country just this week.

这是本周该国第二个关闭的机场。

▶ Well, it is unclear who was manning the drones.

目前尚不清楚是谁在操控这些无人机。

 00:08:24

▶ This comes as Europe is on high alert following a slew of airspace violations by Russia.

此前俄罗斯多次侵犯领空，欧洲正处于高度#警戒#状态。

▶ I laid out these recent incursions earlier.

我早些时候已详细说明了近期这些入侵事件。

▶ While a lot of questions remain, here is what we do know so far.

尽管许多疑问仍未解开，以下是目前我们掌握的情况。

▶ On September 9th, Poland says it saw as many as 21 Russian drones entering its airspace.

9月9日，波兰称有多达21架俄罗斯无人机进入其领空。

▶ Each one scattered across the country.

每架无人机都在该国境内#分散#飞行。

 00:08:48

▶ NATO fighter jets shot down multiple of these drones, with authorities later telling the media many were unarmed dummy drones.

北约#战斗机#击落了其中多架无人机，当局随后向媒体表示许多是无武装的假目标无人机。

▶ Moscow denied responsibility.

莫斯科方面否认对此负责。

▶ Five days later, if you come with me, NATO member Romania said it deployed two F-16 fighter jets in an attempt to intercept a Russian drone that crossed into its airspace after attack on neighboring Ukraine.

五天后，请跟我看——北约成员国罗马尼亚称在俄军袭击邻国乌克兰后，其部署了两架F-16战斗机试图拦截一架闯入领空的俄罗斯无人机。

 00:09:14

▶ Romania says the drone hovered inside its territory for roughly 50 minutes, 5'0.

罗马尼亚表示该#无人机#在其境内盘旋约50分钟。

▶ The foreign ministry there pointing the fingers squarely at Moscow and its, quote, irresponsible actions.

该国外交部直指莫斯科及其所谓的"不负责任行为"。

▶ The Kremlin, though, clapped back saying that the accusation lacked evidence.

但克里姆林宫反击称该#指控#缺乏证据。

▶ And then last Friday, if you come with me, move the incursions as we've seen, moved further north to Estonia, which says three Russian fighter jets violated its airspace for a total of 12 minutes, triggering an emergency security council meeting in which the EU's top diplomat said was an incident that was a deliberate provocation.

接着在上周五，请继续看——如我们所见，入侵事件向北蔓延至爱沙尼亚。该国称三架俄罗斯战斗机侵犯其领空达12分钟，引发紧急安全会议，欧盟最高外交官称此事为蓄意挑衅。

bilibili 00:09:56

▶ Russia later denied its jets had entered Estonian airspace, insisting the flight was carried out in, quote, strict accordance with international rules and without violating the borders of that country.

俄方随后否认其战机进入爱沙尼亚领空，坚称飞行是"严格遵循国际规则，未侵犯该国边界"。

▶ Now, these incursions, as you can see, were mostly along NATO's eastern flank, and it's still unclear whether all of these incidents were intentional.

如您所见，这些入侵主要沿着北约东部#侧翼#发生，目前尚不清楚所有事件是否均属#故意#行为。

▶ But the incidents have put Europe on high alert.

但这些事件已使欧洲保持高度#警戒#。

bilibili 00:10:22

🎧 And then this week, we have seen airports in Oslo and in Copenhagen forced to shut down after at least two drones were spotted.

而本周，奥斯陆和哥本哈根的机场在发现至少两架无人机后被迫关闭。

🎧 Just yesterday, flights from Alborg Airport in Northern Denmark were also disrupted for exactly the same reason.

就在昨天，丹麦北部的奥尔堡机场也因同样原因导致航班中断。

🎧 It is not clear who was behind these drones, deployments, of course, and Russia has denied involvement, but this is how the Danish government has responded.

当然，目前尚不清楚这些无人机部署的幕后黑手，俄罗斯已否认参与，但丹麦政府作出如下回应。

 00:10:49

🎧 Have a listen.

请听。

🎧 And without drawing any conclusions regarding the evening and nights events in Denmark, we can state that sabotage and cyber attacks and other forms of hybrid attacks have become an all-too-reoccurring part of European reality.

对于丹麦近日事件暂不妄下结论，但我们可以断言破坏活动、网络攻击及其他形式的混合攻击已成为欧洲现实中屡见不鲜的常态。

🎧 The purpose is to stress test borders and correct fear and uncertainty among the population and decision makers, and we must also state that the threat from hybrid attacks is something that is here to stay and is developing rapidly.

其目的是对边界进行压力测试，并在民众和决策者中制造恐惧与不安。我们必须指出，混合攻击的威胁将长期存在且快速发展。

 00:11:19

🎧 Well, to break down what the slew of incursions into European airspace mean for NATO and peace in your own joint now in the Gubriela Slandsburgers, former Foreign Minister of Lithuania.

现在有请立陶宛前外长加布里埃拉·斯兰兹伯格斯解析这一系列欧洲领空入侵事件对北约与和平的意义。

▶ Great to see you, Gubriela S.

很高兴见到您，加布里埃拉·S。

▶ We just laid out, as you saw there, the latest incursions.

如您所见，我们刚阐述了最新入侵事件。

▶ How do you assess these, I think we can call them regular incursions?

您如何#评估#这些——或许可称之为常规入侵？

bilibili 00:11:39

▶ I mean, that has certainly been the case in the last week, two weeks.

毕竟过去一两周确实如此。

▶ And indeed, it's intentions here.

关键问题在于其意图。

▶ Well, first of all, it's good to be back on the show.

首先，很荣幸再次参与节目。

▶ I think that we need to call them what it is.

我认为应该直面事实本质。

▶ It's a Russian operation against the Western countries on the Eastern flank and the Northern flank, so to say, because, as you very well mentioned, Northern countries, Northern European countries are also facing these elements, these operations.

这是俄罗斯针对东部与北部侧翼西方国家的行动。正如您所言，北欧国家同样面临这些行动。

bilibili 00:12:10

▶ And we have to be very clear, not just by naming them, but also be very clear about what we're going to do about them.

我们必须明确表态，不仅要正名定性，更要明确应对措施。

▶ And so far, we have not yet heard a very clear answer as to that.

但至今我们尚未听到明确答案。

▶ Yeah, I'm glad you brought it up, because President Trump said he would agree, and you would have heard this, Gubriela S. with NATO shooting down Russian jets and flying object that entered its airspace.

感谢您提及这点。特朗普总统曾表示会支持北约击落闯入其领空的俄罗斯战机与飞行物，加布里埃拉·S您应该有所耳闻。

 00:12:32

▶ But here's how the NATO Secretary General, what he said to my colleague, Cristiano Mampol, have a listen.

但请听北约秘书长对我同事克里斯蒂亚诺·曼波尔的表态：

▶ Our military, our military commanders, our fighter jet pilots, they can do what is necessary to keep our people safe.

我们的军队、指挥官和#战斗# #机#飞行员有权采取必要措施保护人民。

▶ If there is no direct threat, they will escort these planes out of Allied airspace.

若无直接威胁，他们将#护送#这些飞机离开盟国领空。

▶ If there is a direct threat, they might ultimately do the ultimate thing.

若存在直接威胁，他们最终可能采取终极手段。

 00:12:57

▶ Which you shoot them down.

即将其击落。

▶ Yeah, if necessary.

是的，必要时如此。

▶ Is that the right strategy in your view and is that a strong enough deterrence?

您认为这是正确策略吗？其威慑力是否足够？

🎧 I think that it lacks a clear message to put in, because he still thinks that we are afraid to do what is necessary.

我认为这缺乏明确信号，因为对方仍认为我们不敢采取必要行动。

🎧 Because we might not know when a jet or a drone poses a direct threat.

毕竟我们可能无法判断#战机#或#无人机#何时构成直接威胁。

 00:13:23

🎧 And if it's operating in the area of any country, a NATO country, we need to say that if it's there illegally, it will be taken down.

若任何北约国家领空出现非法飞行物，我们应声明其将被击落。

🎧 That is the message that Putin needs to hear.

这是普京需要听到的讯息。

🎧 And so far he has not heard it.

但至今他仍未听闻。

🎧 Right, so how can he translate that message, Gabriella?

那么如何将这一讯息转化为行动，加布里埃拉？

🎧 Sorry, how do you translate that message then into action?

抱歉，具体该如何落实？

 00:13:44

🎧 What would that mean in real terms?

实际意味着什么？

🎧 Well, we need to take down.

我们需要实施击落。

▶ We need to be very clear that if you enter illegally, an airspace of NATO country with either drone or a jet, Russia is fighting a war against European and its Western ally, Ukraine.

必须明确：俄方正与欧洲及其西方盟友乌克兰交战，若其无人机或战机非法进入北约国家领空。

▶ So it is very clear that it doesn't have good intentions, neither against Ukraine nor against any Western country.

其恶意昭然若揭——无论对乌克兰还是任何西方国家。

 00:14:11

▶ That means that if they enter, they need to be not escorted, not have a phone call with Moscow and ask about the intentions, why are you in a stone airspace?

这意味着入侵者不应被护送，也不该与莫斯科通话询问意图。

▶ But take it down.

而应直接击落。

▶ Like Turkish leaders did a couple of years ago, the plane flew in, it was taken down.

如土耳其领导人几年前所做：敌机闯入即被击落。

▶ No World War III started, but no other plane has ever reached Turkish airspace ever again.

第三次世界大战并未爆发，但再无飞机敢犯土耳其领空。

 00:14:36

▶ Making it clear that that is the red line.

这明确划定了红线。

▶ Of course, our viewers would know this, you know, NATO announced the eastern century.

当然观众们知道，北约宣布了东翼增兵计划。

▶ I mean, how effective do you think they can be realistically?

您认为其实效如何？

▶ And how prepared would you say Gabriella's are NATO countries in terms of, in technological terms, to stop these drones we've seen, of course, more than 10, more than three incursions in 10 days, in terms of Europe, NATO's preparations when it comes to drones.

加布里埃拉，就技术层面而言，您认为北约国家应对无人机的准备程度如何？毕竟十天内我们已目睹超过十起、至少三波入侵事件。

bilibili 00:15:03

▶ Your assessment?

您的#评估#是？

▶ Well, unfortunately, we are not very well prepared.

遗憾的是，我们准备不足。

▶ And the operation against Poland has clearly shown that, you know, 20 drones have flown in, four were taken down.

波兰事件清楚表明：20架无人机入侵，仅击落4架。

▶ Imagine if those drones, if the rest of 16 drones would be armed head drones, which Ukraine sees hundreds of every single night.

试想若其余16架是武装攻击无人机——乌克兰每夜都要应对数百架此类无人机。

▶ So that tells us that we don't have a radar capability, we don't have means to take down slow-flying, low-flying objects that Russians are using these days in the war.

这说明我们缺乏雷达能力，没有手段击落俄军当前使用的低速低空飞行器。

bilibili 00:15:36

▶ So paradoxically, we need to be very fast of learning Ukrainian lessons.

矛盾的是，我们必须快速汲取乌克兰的经验教训。

▶ It's no longer that we need to teach Ukrainians anything.

现在已不是我们指导乌克兰的时候了。

▶ You know, we are just wasting our time if we're not still doing that.

若不及时行动，我们只是在浪费时间。

▶ Learn, procure, help Ukrainians strengthen their aid defenses, and, you know, and establish the same systems on our countries.

要学习、#采购#、帮助乌克兰#加强#防空，并在本国部署相同系统。

 00:15:57

▶ Let me get your thoughts on Ukraine, because, obviously, we'll know you were very well-sourced and connected.

请谈谈对乌克兰的看法，您显然有丰富消息来源和人脉。

▶ So let me get your thoughts on what we've heard.

请就我们听到的内容分享见解。

▶ Yesterday, the media, European leaders, were trying to make sense of what we heard from President Trump on social media where he basically said Ukraine can regain all land lost to Russia since the invasion.

昨日，媒体和欧洲领导人都在试图解读我们从特朗普总统社交媒体上听到的言论——他基本表明乌克兰能收复自入侵以来被俄罗斯占领的全部领土。

 00:16:18

▶ Is that you think a shift in your view, a spur of the moment feeling from a president who is quite frankly pretty unpredictable and has really hovered on Ukraine?

这是否意味着您认为其观点转变，只是一位坦白说相当不可预测、在乌克兰问题上始终态度暧昧的总统一时心血来潮？

▶ Well, it is difficult to say.

嗯，这很难说。

▶ You know, we applaud when it is, you know, right moment.

您知道，我们会在恰当时机#表示赞赏#。

▶ So I think it is a good moment to do that today.

因此我认为今天正是合适时机。

▶ It's strengthened Ukrainian's arguments.

这强化了乌克兰的论据。

bilibili 00:16:42

▶ President Zelensky has now more arguments to persuade members of Congress, members of Senate, you know, to speak out in the world, because he's not alone in this, not he and, you know, and European leaders, but he and President Trump are exactly the same thing.

泽连斯基总统现在有更多理由去说服国会议员、参议员在国际上发声，因为他并非孤军奋战，不仅与欧洲领导人立场一致，更与特朗普总统完全同调。

▶ What I would like to see here is that the words would be followed by action.

我希望看到的是言辞之后能有实际行动。

▶ And clearly, just as with the incursions into Europe, just with Trump's words on Ukraine, you know, a new technology that would be provided to Ukraine would actually put a lot more weight to the words that have been said.

显然，正如对欧洲的入侵事件一样，正如特朗普关于乌克兰的言论，若能为乌克兰提供新技术，将极大增强已表态内容的分量。

bilibili 00:17:15

▶ So let's talk about Tomahoff's.

那么我们来谈谈战斧导弹。

▶ Let's talk about Taurus, missile Taurus, you know, long-range missiles that could be used by Ukrainians to hit targets deep within Russia.

再来讨论金牛座，#导弹#金牛座，这种乌军可用以打击俄境内纵深目标的长程导弹。

▶ And actually, you know, control the escalation, so that it's not just Russians who are telling how far and how deep they're going to go into Europe, into Ukraine, but actually us in

the West helping Ukrainians to set the tone.

实际上这能控制局势升级，让设定行动边界的不仅是决定深入欧乌腹地的俄罗斯，更是我们西方协助乌克兰掌握主动权。

 00:17:40

▶ Yeah, and we've heard, of course, today, as Nick Robertson was saying, the President talk about rampage, Russian rampage, but like you clearly stated there, Gabriella, we haven't heard any words on sanctions, on timelines, or to meetings.

是的，今天我们当然也听到总统谈及俄罗斯的暴行，但正如你明确指出的，加布里埃拉，我们未听到任何关于制裁、时间表或会晤的声明。

▶ We haven't heard anything in the last 48 hours or so.

过去48小时左右我们什么消息都没收到。

▶ Gabriella, as always, great to see you.

加布里埃拉，一如既往很高兴见到你。

 00:17:57

▶ Thank you very much indeed.

衷心感谢。

▶ And still to come tonight, the potential indictment of the very high-profile political figure in US may be imminent ahead why the Justice Department could be getting ready to prosecute former FBI director James Comey.

今晚后续内容：美国一位极具影响力的政治人物可能即将被起诉，司法部为何准备起诉前FBI局长詹姆斯·科米。

▶ And then an aid group on the ground in Gaza, chooses Israel of a war on healthcare.

而后加沙当地援助组织指控以色列发动医疗系统战争。

▶ Sources say the US Justice Department could make a decision as early as today on whether to indict former FBI director James Comey.

消息人士称美国司法部可能最早今日决定是否#起诉#前FBI局长詹姆斯·科米。

bilibili 00:21:10

▶ But they are at a turn-in general, Pam Bondi, and prosecutors have reservations about the case.

但总检察长帕姆·邦迪与检察官们对此案存有保留意见。

▶ An ad issue here is whether Comey lie to Congress in 2020 despite a lengthy investigation that proved otherwise about Russian interference in the 2016 election.

核心争议点是科米是否在2020年对国会撒谎——尽管漫长调查已证实2016年大选俄方干预的相反结论。

🎵 Critics have long accused Comey of tipping the election to Mr. Trump by reopening an investigation into Hillary Clinton's emails just days before voters cast their ballots.

批评者长期指责科米在投票日前几天重启希拉里邮件调查，从而将选举导向特朗普先生。

bilibili 00:21:38

🎵 Since then, the former FBI director has become a top-trump critic.

此后这位前FBI局长成为特朗普的顶级#批评者#。

🎵 And one the president has repeatedly vowed to get revenge on just a few as ago.

而总统曾多次誓言要对其实施#报复#，就在不久前还如此表态。

🎵 Trump called Comey a sick man.

🎵 Not only a sick man, Caitlin Polans joins me now, but a sick man that did terrible things at the FBI.

不仅是病态，凯特琳·波兰斯现在加入讨论，更是在FBI期间行为恶劣的病态之人。

🎵 So what more are you learning from the CNN sources and these reservations with the Attorney General, Pam Bondi, as well as prosecutors here?

那么您从CNN消息源以及邦迪总检察长和检察官们的保留意见中还了解到哪些信息？

bilibili 00:22:05

🎵 Well, there are a lot of moving parts here in this story today, in this afternoon, where we are watching court houses very closely in the eastern district of Virginia.

当前此事存在诸多变数，今天下午我们正密切关注弗吉尼亚东区的法院动态。

🎵 This would be a very unusual, even unprecedented case, although we use that word a lot now in the legal sphere against a former FBI director.

这将是非常特殊甚至前所未有的案件——尽管我们在法律领域常如此形容——针对前FBI局长的起诉。

▶ What we know from our sources is that prosecutors have been looking at possibly charging Jim Comey with perjury related to testimony he gave to the Senate Judiciary Committee in 2022.

据消息源透露，检方一直在考虑以伪证罪起诉吉姆·科米，涉及其2022年向参议院司法委员会所作的证词。

 00:22:34

▶ So five years ago, and the time that they could bring that case, it's about to expire.

那是五年前的事，而提起诉讼的时效即将#到期#。

▶ Next Tuesday, so they are down to the wire here.

下周二截止，因此他们已到关键时刻。

▶ There's a newly installed attorney, U.S. attorney leading the office of prosecutors in the eastern district of Virginia.

▶ Her name is Lindsay Halligan.

她曾是特朗普的私人律师。

▶ She was a former personal lawyer to Donald Trump.

而如今她成为决策者之一。

 00:22:55

▶ And now she's one of the people who would be a decision maker.

其他决策者包括司法部长、副部长托德·布兰奇。

▶ Others would be the Attorney General, the Deputy Attorney General Todd Blanch on whether to bring this case, our team of reporters on this, though.

但我们的报道团队获悉。

▶ We have learned through sources today that there is hesitation, especially about the strength of a case against Jim Comey.

今日通过消息源了解到存在犹豫情绪，尤其针对起诉科米一案的证据力度。

▶ We don't know exactly what answer the prosecutors would be looking here as a possible lying charge.

我们不清楚检方具体希望以何种撒谎指控立案。

bilibili 00:23:21

▶ But we do know that there are reservations that prosecutors who have looked at it at the ground level in Virginia, that they have reservations about it, wrote a memo about that, and then the Attorney General Pam Bondi has also had concerns about the strength of the case.

但确定的是，弗吉尼亚基层检察官经审查后存有疑虑，曾就此撰写备忘录，而邦迪司法部长同样对案件证据强度存在顾虑。

▶ That doesn't mean, though, that a case wouldn't be brought.

但这并不意味着不会提起诉讼。

▶ And what we are watching for now is

我们目前正密切关注的是

bilibili 00:23:40

▶ Whether a grand jury is asked in the federal court house or one of the federal court houses in Virginia to approve an indictment against Jim Comey, that he would then have to face in court, all at the same time as having a lot of political pressure, including from Donald Trump himself, saying publicly that justice must be served and that he would like to see an opponent of his indicted.

无论是由联邦法院还是弗吉尼亚州的某个联邦法院召集大陪审团，要求批准对吉姆·科米提起起诉，使他不得不出庭应诉——这一切还伴随着巨大的政治压力，包括唐纳德·特朗普本人公开表态必须伸张正义，并希望看到自己的对手被起诉。

▶ And Caitlin critics may look this a thing.

而凯特琳的批评者或许会关注此事。

▶ This is Trump, really president, Trump going after political adversaries, and now we're also hearing from senior justice department leaders.

这正是特朗普——这位前总统——追击政敌的作风，如今我们还听到司法部高层领导的声音。

 00:24:15

▶ They're advocating it seems for a charge against John Bolton, right?

他们似乎在推动对约翰·Bolton 的指控，对吗？

▶ Trump's former adviser turned, I should say, critic.

这位特朗普的前顾问转变成了——我应该说——#批评者#。

▶ What are you hearing on that front?

关于这方面你听到了什么消息？

▶ Yeah, another case that the White House is making clear that they would love to see some sort of charge around somebody who is a political opponent of the president.

是的，这是白宫明确表示希望看到对总统政敌提出某种指控的又一案例。

 00:24:37

▶ In this situation, it's a little bit different than the Comey case.

这种情况与科米案略有不同。

▶ The concerns here are not about the strength of the case.

此处的担忧并非关于案件证据是否充分。

▶ The concerns are about the timing.

而是关于时机问题。

▶ And what I've learned this week through sources, along with our producer Hannah Rubinoitz, we were talking to sources who tell us that there are worries of prosecutors on this case against John Bolton looking at evidence gathered from his home in Maryland, as well as his office in Washington, D.C., looking at whether he mishandled national security records.

本周通过消息源（与我们的制片人汉娜·鲁比诺茨共同）了解到，我们与知情人士交流得知，检察官对约翰·Bolton 案存在顾虑——他们正在审查从其马里兰州住所和华盛顿特区办公室收集的证据，调查他是否不当处理国家安全记录。

bilibili 00:25:06

▶ They think that they could bring a case just not by the end of this week, but that is what the political appointees in the Justice Department, essentially people from the Deputy Attorney General's office, that's what they want.

他们认为本周五前可能无法提起诉讼，但司法部的政治任命官员——主要是副部长办公室人员——却坚持要求在此期限前完成。

▶ They're giving them a deadline of Friday knowing that it would appease or placate the president wanting to prosecute his political opponents.

他们设定了周五为#最后期限#，明知这是为了#安抚#或#平息#总统想要#起诉#政敌的意愿。

▶ So a lot is going on here.

因此局势非常复杂。

bilibili 00:25:27

▶ None of these instances are the same.

这些案例各有不同。

▶ They are going to all be very different cases, but the overt political pressure on bringing cases against people that Donald Trump does not like in his political spheres, the retaliation he wants.

它们将成为截然不同的案件，但针对特朗普在政治圈内不喜之人提起诉讼的公开政治压力，及其渴望的报复行动。

▶ That is a common thread through them all.

这是贯穿所有案件的共同主线。

▶ It is, it is indeed.

确实如此，千真万确。

▶ Kalein, appreciated as always.

凯琳，一如既往感谢你。

 00:25:46

 Thank you very much.

非常感谢。

稍后继续。
