🎧 The, unfortunately, during the Biden years, the US military seemed to be striving to achieve excellence in everything.

不幸的是，在拜登执政期间，美国军队似乎力求在一切方面追求卓越。

🎧 But those things that necessarily have to do with being a warrior.

但那些与成为一名战士必然相关的事情除外。

🎧 And that's why you've got these burgeoning, re-enlistment rates that are just incredible to watch.

这就是为什么你会看到这些蓬勃发展的再入伍率，简直令人难以置信。

🎧 And I'm thrilled to see these young men and women are proud to be in the military a year ago.

而且我很激动地看到这些年轻男女一年前就以参军为荣。

🎧 That was not the case.

以前情况并非如此。

🎧 Well, there had been a slight uptick in recruitment in advance of January, but yes, there have been a lot more signing up since President Trump came into office.

 00:08:04

▶ What does that say to Americans?

这向美国人传达了什么样的信息？

🎧 Well, you know, the US military has a long history of being deployed by secretaries of war, given the orders of the President to enforce where they have had to go into situations on America streets.

嗯，你知道，美国军队有着悠久的历史，被战争部长部署，根据总统的命令去执行任务，他们曾不得不进入美国街头的各种局势中。

🎧 I mean, the reconstruction period after the Civil War, the US Army was down in the South for almost a full decade.

所以这类事情在过去发生过。

🎧 I don't think anybody likes to see it happen.

我认为没有人愿意看到这种情况发生。

🎧 But, you know, if the President and his within his own authority is he sees it.

但是，你知道，如果总统在他的权力范围内认为有必要。

🎧 And hopefully the courts will uphold it wants to put American military personnel in a situation where they can support law enforcement, not do law enforcement themselves, but support it.

并且希望法院会支持他想要让美国军事人员处于一种可以支持执法部门，而不是自己进行执法，而是支持执法的局面。

 00:08:55

🎧 Then I think we're going to see it continue on and I really don't think the name change is going to have much of an impact on anybody when it comes to that particular.

那么我认为我们会看到这种情况继续下去，而且我真的不认为名称的改变对任何人在这方面会产生太大影响。

这些疲软的数据加剧了人们的预期，即美联储将在本月早些时候降息。

▶ President Trump blamed the Fed for the poor numbers earlier, saying Fed Chair Jerome Powell should have lowered rates long ago, calling him too late.

特朗普总统早些时候将这些糟糕的数据归咎于美联储，称美联储主席杰罗姆·鲍威尔早就应该降息，说他行动太迟。

 00:11:12

⏮ While the White House economic adviser Kevin Hassett called today's report disappointing, he did say he expects revisions in future months to paint a brighter picture.

虽然白宫经济顾问凯文·哈塞特称今天的报告令人失望，但他确实表示他预计未来几个月的修正数据会描绘出一幅更光明的图景。

⏮ The President Trump knows that we're super optimistic about the future of the jobs numbers because we're seeing a massive blowout at Capitol Spending at new factory construction, something that happened because of the tax reforms that we had.

特朗普总统知道我们对未来的就业数据非常乐观，因为我们看到资本支出和新工厂建设出现大规模井喷，这是由于我们进行的税改而发生的。

⏮ So people are allowed to expense factories.

所以人们被允许将工厂作为费用支出。

 00:11:40

⏮ Capitol Spending is growing at a rate.

资本支出正以一定速度增长。

▶ Well, I've been speaking to the Attorney General of Illinois Kwame Raul about the president's plans.

嗯，我一直在就总统的计划与伊利诺伊州总检察长夸梅·劳尔交谈。

▶ And I began by asking him what they had in Chicago and Illinois been officially told about any potential deployment.

我首先问他，在芝加哥和伊利诺伊州，他们被官方告知了哪些关于任何潜在部署的信息。

bilibili 00:12:54

▶ We haven't been told anything directly from the president or the from the federal government with regards to that deployment much to our dismay because we've had a history of great collaboration with federal law enforcement agencies that has led to a decline in crime here in Chicago.

让我们非常沮丧的是，关于这次部署，我们没有从总统或联邦政府那里直接得到任何消息，因为我们与联邦执法机构有着悠久的历史良好合作历史，这种合作导致了芝加哥这里的犯罪率下降。

▶ But we haven't heard anything other than what we hear as the president talks to immediate large about deploying National Guard to Chicago.

但我们除了听到总统在即时大型访谈中谈到要向芝加哥部署国民警卫队之外，没有听到任何其他消息。

▶ Now you touched on it there in relation to the crime statistics, but he would present it as there being an overwhelming problem with crime in Chicago.

刚才你提到了犯罪统计数据，但他会将其描述为芝加哥存在严重的犯罪问题。

 00:13:36

▶ Is that the case on the ground?

地面的实际情况是这样吗？

▶ That is not the case.

情况并非如此。

▶ Do we have a crime problem?

我们有犯罪问题吗？

▶ Absolutely, as all major cities in the United States do and in many nations abroad as well.

▶ However, our homicide rate for this past summer is the lowest it's been in 60 years.

然而，我们过去这个夏天的凶杀率是60年来的最低水平。

▶ Violent crime at large has drastically been reduced.

总体暴力犯罪已大幅减少。

⏮ And again, that's through collaboration on a sort of one-teens sort of philosophy with law enforcement partners on a local and state level as well as a federal level.

再次强调，这是通过与地方、州以及联邦各级执法伙伴按照一种“一体”的理念进行合作实现的。

⏮ 00:14:18

⏮ But that does not include turning the military on our own citizens.

但这并不包括把军队对准我们自己的公民。

⏮ So why do you think that is what the president is talking about doing?

那么，你为什么认为总统正在谈论要这样做呢？

⏮ Because he has the lack of knowledge of what works.

因为他缺乏对什么方法有效的了解。

⏮ Instead of, for instance, we have a great collaboration with our Bureau of Alcohol Tobacco and Firearms that has collaborated with us in fighting gun trafficking and gun crimes.

例如，我们与烟酒枪炮及爆炸物管理局（ATF）有着良好的合作，该局与我们合作打击枪支贩运和枪支犯罪。

⏮ 00:14:44

⏮ But the president is defunding the ATF instead of resourcing it to fight crime.

但总统正在削减ATF的资金，而不是为其提供资源来打击犯罪。

⏮ And instead offering this option of this sort of performative sending out military troops who are not trained to fight local crime into the street just as a means of demonstration.

反而提供了这种选择，即这种表演性的派出未受过打击地方犯罪训练的军队到街上去，仅仅作为一种示威手段。

⏮ I think it's performative.

我认为这是表演性的。

⏮ I think he's mimicking what we see in authoritarian nations.

我认为他是在模仿我们在威权国家看到的情况。

▶ But that's not what the American people want.

但这不是美国人民想要的。

▶ Now, you've used the word collaboration a few times there.

刚才你几次使用了“合作”这个词。

▶ The president has said he'd love Governor Pritzker to call him as of now when we're speaking.

总统表示，他希望普利兹克州长在我们说话的时候给他打电话。

▶ Has he or have you or have any of the authorities there made contact with President Trump about this issue?

他、您或那里的任何当局是否就此事与特朗普总统联系过？

▶ No.

没有。

▶ Neither the governor,

州长没有，

▶ Governor Pritzker or myself has asked for a military intervention.

普利兹克州长或我本人要求过军事干预。

▶ And so we have no desire to call to ask for it.

因此我们无意打电话去请求它。

▶ What we have and what we have on a local level is communication with federal special agents in charge that run the agencies on the local level.

我们在地方层面上拥有的是与负责管理地方机构的联邦特别主管人员的沟通。

▶ And that's where the communication historically has taken place.

而这就是历史上沟通发生的地方。

 00:16:06

▶ Historically in all American cities, the process is not that you call the White House to deal with collaboration on law enforcement.

历史上，在所有美国城市，程序都不是你打电话给白宫来处理执法协作。

▶ You call the local agencies of the federal government.

你打电话给联邦政府的地方机构。

▶ And they likewise call us on the local level and we collaborate.

他们同样在地方层面上给我们打电话，我们进行协作。

▶ And we've had a great collaboration.

我们一直有很好的协作。

▶ I began my 10 years attorney general during President Trump's first term as president.

 00:16:32

▶ In during that entire term, we had great collaboration with federal law enforcement.

在那个整个任期内，我们与联邦执法部门有着很好的协作。

▶ And so I'm not opposed to the president wanting to help out.

因此我不反对总统想要提供帮助。

▶ But we just want to help the right way through those who are trained and who have traditionally worked on crime fighting.

但我们只是希望通过那些受过训练且传统上从事打击犯罪工作的人，以正确的方式提供帮助。

▶ So what are you going to do then when these troops arrive because he has said he is sending them?

那么当这些部队到达时你打算怎么做，因为他说过他正在派遣他们？

 00:16:56

 Yeah.

是的。

 So you know, what we have heard is a little bit of back and forth from the president.

所以你知道，我们从总统那里听到的是一些反复无常的说法。

 The latest is this notion that there's going to be an immigration enforcement surge.

 00:17:25

 If that's what their governor wants, that's that's fine.

如果那是他们州长想要的，那那很好。

 However, if he unconstitutionally or unlawfully sends a national guard into the state of Illinois, we are prepared to challenge it in court.

然而，如果他违宪或非法地向伊利诺伊州派遣国民警卫队，我们准备在法庭上对此提出质疑。

🎧 She's very proud of having come from very working-class routes in the north of England that she used to work as a care worker and then went into trade unions and then worked her way up into Parliament and then to one of the most powerful positions in the country.

她非常自豪自己来自英格兰北部非常工人阶级的路线，她曾是一名护理员，然后进入工会，之后一步步进入议会，再到国家最有权势的职位之一。

🎧 Because of her background and her sort of forthright way of putting things, she has an appeal to some part of the Labour Party, to some Labour voters in the UK, that Kier Starmer might not appeal to quite so much and so as a duo, that has really helped Kier Starmer to be able to do some of the things he wants to do.

因为她的背景和她那种直率的说话方式，她对工党的某些部分、对英国的一些工党选民有吸引力，而基尔·斯塔默可能没有那么大的吸引力，因此作为一对搭档，这确实帮助了基尔·斯塔默能够完成一些他想做的事情。

🎧 And so the loss of her from government is politically a big blow to him and also the loss of her is a really big figure that has pretty well loved within the Labour Party from the government.

因此，她离开政府对他而言在政治上是一个重大打击，而且失去她也是失去一个在工党内深受爱戴的重要人物。

🎧 We'll be seen as a blow and I think the speed with which he's decided to do this much bigger reshuffle of his senior ministers rather than just choosing to replace the roles that she did shows that he is trying to sort of turn that around and seize it as a moment to try and

look like he is taking decisive action to try and move that on from what has been quite a damaging week for the government really.

这将被视为一个打击，我认为他决定进行这次规模更大的高级部长改组，而不仅仅是选择接替她之前的角色，这种速度表明他正试图扭转局面，并将其作为一个时刻，试图表现出他正在采取果断行动，试图从对政府而言相当具有破坏性的一周中继续前进。

🎧 So what's been the reaction to that reshuffle to the new positions?

那么对这次改组和新职位的反应如何？

 00:20:58

🎧 I mean particularly say moving David Lamy out of the role of foreign secretary considering the links he's made with the administration here in the US for example.

我的意思是，特别是考虑到他与美国这里政府建立的联系，比如将戴维·拉米调离外交大臣的职位。

🎧 You're right, it was only a few weeks ago that we saw those pictures of him fishing on the the lake at Chievening which is the foreign secretary's official residence here in the in the UK, the sort of country residence they can use with with JD Vance, the US Vice President that the two have become friends and they clearly had a good and strong relationship there.

你说得对，就在几周前，我们还看到他在切维宁的湖上钓鱼的照片，那是外交大臣在英国这里的官邸，一种他们可以使用的乡村住所，他和美国副总统JD·万斯在一起，两人成了朋友，他们显然在那里建立了良好而牢固的关系。

🎧 But that relationship will now have to be started with a new person, Ivec Cooper, I have to see how that how that pans out.

但这种关系现在必须与一个新的人，伊维特·库珀重新开始，我得看看情况如何发展。

 00:21:34

🎧 I mean these are all quite recent moves, these have only happened this afternoon so I think the reaction to it is sort of starting to trickle out and trickle down.

我的意思是，这些都是相当近期的变动，今天下午才发生，所以我认为对它的反应正在开始慢慢流出和渗透。

🎧 I think there's been some sort of backing for some of the moves that have been made for example the promotion of Shabbana Mahmoud who was the justice secretary to home secretary that seems to have gone down pretty well as she's seen as something of a rising star within the labor party so I think there's certainly interest in the moves that have been made and we wait to see how it all shakes down.

我认为对一些已经做出的变动有某种支持，例如将司法大臣沙巴娜·马哈茂德提升为内政大臣，这似乎反响相当好，因为她被视为工党内的一颗新星，所以我认为人们对已经做出的变动肯定感兴趣，我们等待看一切如何尘埃落定。

🎧 Indeed more interesting times ahead no day, Helen Katte, their live in Westminster, thanks so much for that.

确实，前方是更有趣的时期，海伦·卡特在威斯敏斯特现场报道，非常感谢。

▶ We've analysed images like this from the beginning of August and you can see that areas already badly destroyed but just a month on that destruction is more widespread in areas here as well and this matches up with footage of intense bombing we've located nearby like this and we've also seen on satellite images rose and rose of tents where Palestinians once took shelter who've already been displaced by the Israeli military campaign those tents have since disappeared and here's another satellite image from the first of September.

我们分析了从八月初开始的此类图像，你可以看到一些区域已经被严重破坏，但仅仅一个月后，破坏在这里的区域也变得更加广泛，这与我们在附近发现的猛烈轰炸的画面相符，就像这样，我们还在卫星图像上看到过一排排的帐篷，那是曾被以色列军事行动驱逐流离失所的巴勒斯坦人曾经避难的地方，那些帐篷此后也消失了，这是另一张来自9月1日的卫星图像。
