我来这里参加会议，这几天相当艰难——基本上每天都要花两小时#通勤#。

🎧 Today's the first time I've seen this so I probably should have left the office a little bit earlier.

今天第一次遇到这种情况，或许我该更早离开办公室的。

🎧 So you're still sticking the tubes not getting on a bike?

所以您还是坚持坐地铁不骑自行车？

🎧 If you can find one, I mean that's the tough part.

能找到车的话——问题是找车太难了。

 00:02:37

闸门紧闭。

▶ And then on the other side over here is the Elizabeth line and that is where the big cues are forming and because it's getting too congested those barriers get closed every five minutes.

另一侧的伊丽莎白线则排起长队，由于过于拥挤，该线路闸门每五分钟就要关闭一次。

▶ These big groups of people all form again and then they wait to get let through.

人群不断重新聚集，等待放行。

▶ And as you heard there there was some of the frustration people have found throughout the week trying to make their way to work.

正如您所听到的，这周人们通勤途中都感受到了某种#挫败感#。

bilibili 00:03:37

▶ Well, there's certainly not being ruled out at the moment more strikes but we have heard some slightly more positive noises that I think.

目前不能排除继续罢工的可能性，但我们也听到了一些更积极的信号。

bilibili 00:06:03

▶ The issue is this reduction in the working week.

争议焦点在于缩短每周工时。

▶ That's the big sticking point.

这是主要分歧点。

▶ This reduction that the RMT want down to 32 hours a week.

RMT要求将每周工时缩短至32小时。

▶ TFL say that's a red line it'll cost 200 million pounds a year but this is what the mayor and the RMT union had to say a little bit earlier have a listen to this.

伦敦交通局称这是条红线，每年将耗费2亿英镑。但之前市长和RMT工会是这么说的：

▶ What we've seen is a situation where skilled negotiators from TFL are talking to RMT up until the strikes began and I'm confident those talks will resume once the strikes are over.

我们看到的是，伦敦交通局的专业谈判代表在罢工开始前一直与RMT工会进行对话，我相信罢工结束后这些谈判将会恢复。

 00:06:35

▶ These strikes are bad for London they're bad for us as said in mind so those that can't reach hospital appointments they're bad for those parents who can't drop their children off at school they're bad for those who can't reach place of work because they haven't got the luxury it I call a user of the luxury the liberally.

罢工对伦敦不利，对我们也不利——无法按时就医的人、不能送孩子上学的家长、因为缺乏我所说的"奢侈选择权"而无法上班的人都在受影响。

▶ We are pleased to see finally Siddi Khan has instructed TFL to meet us.

很高兴看到萨迪克·汗最终指示伦敦交通局与我们会谈。

我现在正等待正式邀请，一旦收到将立即重返谈判桌，寻求解决争端的方法，让伦敦重新恢复正常运转。

▶ Well the latest development that we've heard is Transport for London have written to the RMT asking them to talk next Wednesday but we are still quite a long way apart when it

comes to this 32-hour week I think what we need is a compromise from both sides and we haven't seen much of that so far.

最新进展是伦敦交通局已致函RMT要求下周三会谈，但在32小时工作制问题上双方仍存在较大分歧。我认为需要双方妥协，但目前尚未看到太多让步。

🎧 And overall how would you say London has coped?

总体而言，伦敦的应对情况如何？

 00:07:27

🎧 Well I don't think tube strikes are as completely devastating as they used to be if you look at the stats what that shows is there's been a drop overall in the number of people using oyster and contactless by about 25% every day.

从数据看，牡蛎卡和感应支付卡使用量每日总体下降约25%，说明地铁罢工已不像过去那样造成全面瘫痪。

🎧 Now that suggests that lots of people are either working from home or switching to walking and cycling as Frankie mentioned there also those people who did travel there's been this switch to other forms of transport buses up 5% over ground 20% and a crucial one the Elizabeth line up 26% and also this new form of transport or relatively new form e-bikes line bikes they report being up 74% for us the other operator 300% so I think London did keep moving.

这表明很多人选择居家办公或改为步行骑行。如弗兰基所说，出行人群也转向其他交通方式：公交增长5%，地上铁增长20%，关键线路伊丽莎白线增长26%。相对新型的电动自行车也报告增长74%，另一运营商甚至增长300%。所以伦敦确实保持了运转。

🎧 And importantly when do the strikes finish?

重要的是罢工何时结束？

 00:08:15

🎧 Well officially they finished tonight at midnight but don't be caught out because there's going to be little or no service on the tubes until 8 a.m. tomorrow so just keep an eye on that.

官方说法是今晚午夜结束，但请注意：明早8点前地铁班次仍然极少甚至停运，请密切关注相关通知。

一场精彩的表演，向过去的红玫瑰致敬，英格兰队正在为女子橄榄球世界杯决赛做准备。与此同时，电动自行车在罢工期间无疑是一种流行的出行方式，但人们对其存在一些担忧。白教堂皇家伦敦医院的外科医生表示，他们发现由电动自行车造成的严重伤害数量正在上升，然而支持者坚称其益处远大于风险。以下是他们的政治编辑卡梅萨的报道，为了给他非工会的（部分）提供额外的稳定性，不管怎样，我们会打一颗更大的钉子。

 00:10:32

⏮ Surgeon Jason Patel is seeing more and more cases like this.

#外科医生# 贾森·帕特尔看到越来越多这样的病例。

⏮ We've looked at the difference between the pages that are coming with e-bike injuries and those I have in injuries from traditional bikes so if you have an injury with an e-bike you

are twice as likely to have an injury that requires an operation and you've definitely got a you're definitely more likely to get a more severe injury as well.

我们研究了电动自行车伤害和传统自行车伤害病例的区别，所以如果你因电动自行车受伤，你需要手术的可能性是后者的两倍，而且你肯定也更有可能会受到更严重的伤害。

🎧 It's a massive burden on our department and I'm sure it's the same across a whole of London and if we can reduce the number of patients coming with these sorts of injuries it'll be great for the patients obviously but also takes a massive pressure off us in the NHS.

这对我们部门来说是一个巨大的负担，我相信整个伦敦的情况都是一样的。如果我们能减少因这类伤害而来的病人数量，对病人来说显然是好事，也能大大减轻我们NHS的压力。

电动自行车的困难在于它们重得多，人们的控制力没那么强，所以更难在车流中穿行。而且我认为那些跳上电动自行车的人并不是骑行者，在伦敦不怎么骑车的人不习惯交通状况，因此可能更容易受伤。

今晚，前红玫瑰队（英格兰队）的球员们将在伦敦眼举行的一场特别活动中接受表彰，克里斯·莱格从现场发回了报道。

▶ What a celebration of rugby this world cup has been and here at the base of the London Eye today we've been celebrating the history of the England team because we have got here 267 stunning handmade silk red roses to represent each one of the players who have piled on the England shirt over the years and everyone has got the name and legacy number of one of those players on the stand.

这届世界杯真是一场橄榄球的庆典，今天在伦敦眼脚下，我们一直在庆祝英格兰队的历史，因为我们这里有267朵精美的手工丝绸红玫瑰，代表着多年来每一位身披英格兰队战袍的球员，每朵玫瑰的底座上都刻有其中一位球员的名字和传承编号。

⌂ Now England are favourites to win this world cup but they have won it twice before and those triumphs of 2014 and 1994 weren't as widely celebrated as they should have been.

现在英格兰队是赢得本届世界杯的热门，但她们之前曾两次夺冠，而2014年和1994年的那两次胜利并没有得到应有的广泛庆祝。

⌂ 00:20:07

⌂ Society, the games governing bodies us in the media didn't give those teams a spotlight that they deserve.

社会、赛事管理机构以及我们媒体，都没有给予那些球队应有的关注。

⌂ That is finally starting to change and we've got two members of that 1994 world cup winning team with us nonetheless and the vice captain Janice Ross and the captain Karen Olmond.

这种情况终于开始改变，我们请来了1994年世界杯冠军队的两名成员，副队长贾尼丝·罗斯和队长卡伦·奥尔蒙德。

⌂ Janice what's it like to see your name on this stunning display?

贾尼丝，在这个令人惊叹的展示中看到自己的名字是什么感觉？

⌂ 00:20:28

⌂ Well I think the display is amazing it's a beautiful bit of art and it is absolutely incredible to see my name on a rose but also just to see it amongst all the roses here and all the ones that have been before and will come afterwards it's just beautiful.

嗯，我认为这个展示太棒了，是一件美丽的艺术品，看到我的名字在一朵玫瑰上绝对令人难以置信，但同时也看到它在这里所有的玫瑰之中，包括之前和之后的所有球员，这真是太美了。

⌂ Karen finally some recognition being given to the players at the past and the generations who have grown the game to what it is now.

卡伦，过去的球员们以及将这项运动发展到今天这个样子的几代人终于得到了一些认可。

🎵 I think it's just amazing this whole world cup has just been a fantastic spectacle of women's sport and I've been looking up to go to a few games and everyone just loves it all the girls are there cheering for their favourite players and this display is just amazing.

我认为这太了不起了，这届世界杯简直就是女子运动的一场精彩盛会，我一直很期待去看几场比赛，每个人都很喜欢，所有的女孩都在那里为她们最喜欢的球员加油，这个展示真是太棒了。

bilibili 00:21:04

🎵 Janice I've been looking back at some of the footage of that 1994 the final pitch wasn't great the stadium up in Edinburgh wasn't great I don't suppose it mattered but it must feel incredible the way things have changed.

贾尼丝，我回顾了一些1994年的录像，决赛的场地不是很好，爱丁堡的体育场也不是很好，我想这并不重要，但看到事情发生如此大的变化，感觉一定很不可思议吧。

🎵 It was amazing it was amazing to be in that stadium on a pitch in Edinburgh with people hanging off the roofs watching us but it is absolutely you know it's it's sort of we're all a bit tearful us you know watching players in stadiums of 40,000 and the finals going to be in 80,000 it's incredible and like Karen says the players and the game just brings a huge joy and to see girls who are going oh yeah I want to do that I want to do that it's just brilliant.

那太棒了，能在爱丁堡那个体育场的场地上比赛，还有人挂在屋顶上看我们，这真是太棒了，但这绝对，你知道，这有点让我们都热泪盈眶，你知道，看到球员们在四万人的体育场比赛，而决赛将在八万人的体育场举行，这太不可思议了，就像卡伦说的，球员和比赛带来了巨大的快乐，看到女孩们说‘哦，是的，我也想那样做，我也想那样做’，这真是太棒了。

🎵 Karen described that moment because not many people in any sport have lifted a world cup as captain for England.

卡伦，描述一下那个时刻吧，因为在任何体育项目中，没有多少人能以英格兰队队长的身份举起世界杯。

bilibili 00:21:52

🎵 I think the thing is when you're captain of a rugby team you're really just one of a squad of players who've all worked really hard for that moment so I know for me it was probably the proudest moment of my life and I'd say that's the same for anybody who lifts a world cup.

我认为，当你是一支橄榄球队的队长时，你实际上只是整个队伍中的一员，所有队员都为那一刻付出了巨大的努力，所以我知道对我来说，那可能是我一生中最骄傲的时刻，我想这对任何举起世界杯的人来说都是一样的。

▶ Janice the pressure really on this England team as hosts as tournament favourites do you feel confident they can do it go all the way.

贾尼丝，作为东道主和赛事热门，这支英格兰队压力真的很大，你觉得她们有信心能一路走下去吗？

▶ I do actually feel really confident I think that they have an incredible feeling which you can feel from the outside that they're really well organised that that they have a real passion I'm confident.

我确实感到非常有信心，我认为她们有一种难以置信的感觉，你可以从外部感受到，她们组织得非常好，她们拥有真正的激情，我有信心。
