 Well, a spokesperson for the German Chancellor confirmed that Frederick Mertz had spoken to President Trump and stressed that Germany expects Kiev to be included in any negotiations.

德国总理发言人确认默茨已与特朗普通话，强调德国希望基辅参与所有谈判。

 The Chancellor expressed his hopes for the talks that we are clearly committed to involving the Ukrainians in this process, because the goal is to truly achieve a sustainable and just piece that is only conceivable with Ukraine.

总理表示希望乌克兰参与进程，因为只有乌克兰参与才能实现可持续的公正和平。

 00:04:12

 It's completely out of the question to achieve this goal over the heads of Ukrainians.

绕过乌克兰实现这一目标完全不可行。

 For us, the question of Ukraine's territorial integrity and sovereignty is a question not only of solidarity with our neighbour, but first and foremost, a question of our security.

尽管如此，尽管欧洲领导人和北约官员一直在劝说特朗普让乌克兰总统也参与谈判。

 00:06:34

▶ He did suggest afterwards that potentially there could be another meeting between Zelensky and Putin, at which the President, President Trump, may or may not be there, depending on the outcome of how this goes.

他后来确实提出，泽连斯基和普京之间可能会举行另一次会晤，特朗普总统可能会也可能不会在场，这取决于此次会晤的结果。

▶ But I just wonder, the fact that the President is saying that he finds it very respectful that the Russian leader is coming to the U.S. meeting him on U.S. soil.

但我只是想知道，总统表示他认为俄罗斯领导人来到美国本土与他见面是非常值得尊敬的。

▶ I wonder, what's your assessment?

谈判是空洞的，但这足以让特朗普摆脱这种与北约情绪一致的对莫斯科的对抗行动。

▶ Same happening here.

同样的事情正在这里发生。

▶ As soon as Trump is coming to the boiling point when he is about to do something like he is going to introduce the sanctions against 30 parties, those ones who are buying Russian oil and refueling the Russian war machine.

 00:07:58

▶ Putin is offering something like this time is meeting in Alaska.

普京这次提出的是在阿拉斯加会面。

▶ We hope that this is the last time the President Trump is allowed this situation to happen and he will see through the attempts of Putin just procrastinate more, get more time, buy more time and do what he is doing just fighting and killing.

我们希望这是最后一次允许特朗普总统让这种情况发生，他将看穿普京拖延时间、争取更多时间、继续战斗和杀戮的企图。

▶ So that was Vladimir Prishniko.

以上就是弗拉基米尔·普里什尼科的观点。

 00:08:20

▶ He was the former Ukrainian ambassador to the UK and before that minister of foreign affairs for Ukraine, just talking through what we are going to potentially see in Alaska on Friday and just a state that some of these new lines coming through are from Donald Trump.

他曾是乌克兰驻英国大使，在此之前担任乌克兰外交部长，他刚刚谈到了我们周五在阿拉斯加可能看到的情况，并提到其中一些新表态来自唐纳德·特朗普。

▶ He was giving a press conference about a completely different issue, but he was obviously asked about this upcoming meeting because it is important that he is meeting President Putin, but it is also causing a lot of concern that Vladimir Zelensky will not be there.

他当时正在就一个完全不同的问题举行新闻发布会，但显然有人问到了这次即将举行的会晤，因为他与普京总统会面很重要，但弗拉基米尔·泽连斯基不会出席也引发了很大担忧。

▶ He will not be present, although we heard today that Donald Trump was saying that actually he will potentially call President Zelensky straight after his meeting with his Russian counterpart.

他不会出席，尽管我们今天听到唐纳德·特朗普表示，他可能会在与俄罗斯领导人会晤后立即致电泽连斯基总统。

bilibili 00:09:04

▶ So a little bit of fleshing out of what we can expect, but arguably the main thing is that Zelensky has always maintained that when it comes to territory, Ukrainian territory, that is not up for negotiation and yet we heard earlier on today, Donald Trump reiterating that territories' lands is he put it will have to be swapped.

因此，我们对可能发生的情况有了一些了解，但可以说最重要的是，泽连斯基一直坚持认为乌克兰领土问题不容谈判，然而我们今天早些时候听到唐纳德·特朗普重申，用他的话说，领土必须交换。

▶ So we're keeping an eye out on any further lines when it comes to any more coming out there, but we also know that President Zelensky is his evening address to Ukraine.

因此，我们正在密切关注任何进一步的表态，但我们也知道泽连斯基总统今晚将对乌克兰发表讲话。

▶ He was saying that according to the details that they're getting from intelligence services that actually when it comes to Russia, it doesn't look like they are doing anything to stand down.

他表示，根据情报部门提供的细节，实际上俄罗斯似乎并没有采取任何行动来缓和局势。

bilibili 00:09:51

▶ So a lot to discuss, we can speak to Daniel Fried, who's the distinguished fellow at the Atlantic Council also.

因此，有很多问题需要讨论，我们也可以采访大西洋理事会的杰出研究员丹尼尔·弗里德。

▶ So you're a former US coordinator for sanctions and policy during the Obama and first Trump administrations.

你曾在奥巴马和特朗普第一届政府期间担任美国制裁与政策协调员。

▶ Once again hearing a little bit more about what to expect from Friday, but I just want to initially from you.

再次听到一些关于周五可能发生的情况的预测，但我首先想听听你的看法。

 00:10:14

▶ Donald Trump is saying that he's not going to be making any decisions.

唐纳德·特朗普表示他不会做出任何决定。

▶ It's up to Zelensky and Putin, but obviously Zelensky and Putin aren't the ones who are meeting on Friday.

这取决于泽连斯基和普京，但显然泽连斯基和普京并不是周五会面的双方。

▶ Yes, there seems to be a great deal of confusion on the American side as to what we intend to get out of the meeting in Alaska and what the Russian are going in position is.

是的，美国方面似乎对我们在阿拉斯加会晤中希望达成什么以及俄罗斯的立场是什么存在很大困惑。

 00:10:40

▶ Last week, the special envoy Steve Witkopf appears to have misunderstood and told him, so you've had a great deal of confusion, I think, in Washington and communicated by Washington to key European allies.

上周，特使史蒂夫·惠特科普夫似乎误解了并告诉他，所以我认为华盛顿方面存在很多困惑，并且这种困惑已经传递给了关键的欧洲盟友。

▶ But take a step back.

但退一步来看。

▶ There are two huge issues that need to be settled for the war to end.

要结束战争，有两个重大问题需要解决。

▶ One is the demarcation of the line of contact that is territory.

一个是接触线的划分，也就是领土问题。

bilibili 00:11:09

▶ The second is long-term security for Ukraine.

第二个是乌克兰的长期安全问题。

▶ Russia's position is maximalist.

俄罗斯的立场是最大化的。

▶ They're demanding that Ukraine withdraw from all five oblasts territories that it claims to have annexed, even though it hasn't managed to conquer the null.

他们要求乌克兰从他们声称已吞并的五个州领土撤出，尽管他们尚未完全控制这些地区。

▶ Secondly, the Russians have demanded restrictions on Ukraine's ability to defend itself.

其次，俄罗斯要求限制乌克兰的自卫能力。

bilibili 00:11:33

▶ Neither one should be acceptable to us and neither one is acceptable to the Ukrainians.

这两点对我们来说都是不可接受的，对乌克兰人来说也是如此。

▶ There is a possible space for a deal.

达成协议是有可能的。

▶ But to get to a deal, the Americans are going to have to be prepared to increase the pressure on Russia and the problem is Trump always steps up right to that line of putting additional pressure on Russia and then he backs away.

但要达成协议，美国必须准备好加大对俄罗斯的压力，问题是特朗普总是在即将对俄罗斯施加额外压力时退缩。

 00:12:00

🎧 So until Putin is convinced that he has to negotiate more seriously, he will continue to be maximalist.

因此，除非普京确信他必须更认真地谈判，否则他将继续坚持最大化立场。

🎧 And until the Americans pull themselves together, pull ourselves together, and have some discipline in the process and understand what we're dealing with when we talk to the Russians, Putin will run circles around us.

除非美国人团结起来，保持纪律性，并理解我们在与俄罗斯人谈判时面对的是什么，否则普京将把我们耍得团团转。

🎧 That said, it is possible the American position could come together before Friday in a way to give us a decent chance of a successful outcome.

话虽如此，美国立场有可能在周五之前达成一致，从而为我们提供一个成功结果的合理机会。

 00:12:32

🎧 What would in that case a successful outcome look like given that ultimately, Zelensky has always been adamant, saying that territory is not up for grabs.

在这种情况下，考虑到泽连斯基一直坚持认为领土不容谈判，成功的结局会是什么样子？

🎧 But yet we know that a place like annexed Crimea is very unlikely to fall back into Ukrainian hands.

但我们知道，像被吞并的克里米亚这样的地方不太可能重新回到乌克兰手中。

🎧 Well, a professional diplomat, the job I used to have, can find a way to deal with this.

嗯，作为一名职业外交官，我曾经的工作就是找到解决这个问题方法。

 00:12:56

🎧 One way is to recognize the de facto occupation by the Russians and parts of Ukraine without recognizing it de Jure, without formally recognizing the occupation.

一种方法是承认俄罗斯对乌克兰部分领土的事实占领，但不从法律上正式承认这种占领。

🎧 So it's like South Korea or East and West Germany during the Cold War.

就像冷战时期的韩国或东德和西德。

🎧 There is a line both sides respect a armistice line, but both sides can maintain their own positions as the ultimate territorial decision.

双方尊重一条停战线，但双方可以保持自己对领土最终归属的立场。

bilibili 00:13:25

🎧 And that can go on for a long time.

这种情况可以持续很长时间。

🎧 And I think that there are some people in the US side like Senator Graham, who on yesterday's talk shows made reference to East-West Germany and Korean precedents.

我认为美国方面有一些人，比如参议员格雷厄姆，他在昨天的脱口秀节目中提到了东西德和韩国的先例。

🎧 And he's on something.

他说的有道理。

🎧 You recognize an armistice line without recognizing Russian occupation.

你可以承认一条停战线，但不承认俄罗斯的占领。

🎧 That could do it.

这可能行得通。

bilibili 00:13:49

🎧 Plus, there has to be security for Ukraine.

此外，乌克兰必须获得安全保障。

🎧 We can't accept Russia's demands that Ukraine be essentially disarmed.

我们不能接受俄罗斯要求乌克兰实质上解除武装的要求。

▶ We just have to say no.

我们只能说不行。

▶ It's not there, it's not their business, how Ukraine defends itself.

这不是他们该管的事，乌克兰如何自卫与他们无关。

▶ Now Putin may not like this, but we have cards to play.

普京可能不喜欢这样，但我们有牌可打。

▶ We, the West.

我们，西方。

▶ And I think the British French-led coalition of the willing can play a role here as well.

我认为英国和法国领导的志愿联盟也可以发挥作用。

 00:14:16

▶ In short, there is a path to a decent outcome, even now, but the American side, the Trump administration has been, let us say, terribly unsteady over the past few days, but they may be pulling themselves together.

简而言之，即使在现在，也有可能达成一个不错的结果，但美国方面，特朗普政府在过去几天里可以说非常不稳定，但他们可能会团结起来。

▶ I hope so.

我希望如此。

▶ And I'm sure Ukraine does as well.

我相信乌克兰也是如此。

▶ Daniel Fried, a distinguished fellow at the Atlantic Council.

丹尼尔·弗里德，大西洋理事会的杰出研究员。

 00:14:39

▶ Thank you very much for your insight and your expertise, fascinating insight there.

非常感谢你的见解和专业知识，这些见解非常精彩。

▶ Thanks for the opportunity.

感谢这次机会。

▶ Well, of course, I continue to keep your update with any lines coming from Ukraine in reaction to what we heard from Donald Trump, but we are going to take a short break right now around the world across the UK.

当然，我会继续关注乌克兰方面对唐纳德·特朗普表态的反应，但我们现在将在英国各地稍作休息。

▶ Also, as has been the issue throughout the war, there's the question of proportionality.

此外，正如战争期间一直存在的问题，还有一个比例性的问题。

bilibili 00:19:32

⏮ 00:19:57

⏮ I just wonder initially can I just get your reaction to the death of these five journalists?

我首先想知道，你对这五名记者的死亡有何反应？

⏮ Well, only not just in Gaza.

嗯，不仅仅是在加沙。

⏮ When journalists are targeted, it is critical for those doing the targeting to defend those actions.

当记者成为目标时，实施攻击的一方必须为其行为辩护。

⏮ I think it's in Israel's interests first and foremost.

我认为这首先符合以色列的利益。

⏮ And the interests of Al Jazeera to establish the facts of what in fact was the nature of this individual and his colleagues role and the broader question of appropriateness of the targeting.

而半岛电视台的利益在于查明事实，即这个人及其同事的真实身份，以及更广泛的关于攻击合理性的问题。

⏮ 00:20:33

⏮ This is not a new issue.

这不是一个新问题。

⏮ It's occurred in the past.

过去也曾发生过。

⏮ And again, in the absence of a strong and compelling presentation of evidence, the standard around the world for attacking journalists needs to be an extremely high one

indeed.

再次强调，在没有强有力的证据的情况下，全球范围内攻击记者的标准必须非常高。

▶ Does Israel is it doing enough to give evidence as to why it has targeted, has been targeted in this particular instance, this person.

以色列是否提供了足够的证据来说明为什么在这个特定情况下针对这个人？

但从约翰的报告中听到，证据只是一份电子表格。

▶ It didn't feel like it was enough in order to justify this attack.

▶ As I said, the criteria presentation of evidence in defense of such strikes, such attacks, has to be a very high one, has to be a compelling one indeed.

正如我所说，为这类打击辩护的证据标准必须非常高，必须非常有力。

▶ And throughout this conflict, that standard has been only one occasion met with respect to targeting of civilians, not just journalists, but civilians in general.

在这场冲突中，针对平民（不仅仅是记者，而是所有平民）的攻击，只有一次达到了这一标准。

bilibili 00:21:38

▶ Well, on that issue, on the wider point, when it comes to what is happening in Gaza, just reflect on the proportionality of what we're seeing is of course what happened on the 7th of October, was a heinous crime.

关于这个问题，更广泛地说，当我们看到加沙发生的事情时，当然要反思比例性——10月7日发生的事情是滔天罪行。

▶ But now where we are today, proportionality is Israel getting it wrong.

但如今，比例性问题上以色列是否做错了？

▶ Sure.

当然。

▶ The issue has two dimensions and it's important to reflect carefully on both.

这个问题有两个层面，仔细思考两者都很重要。

 00:22:02

▶ The first is the classic definition of proportionality, contemplates a conflict, wars, in circumstances where there are clearly identifiable parties holding territory opposed by another party.

第一是比例性的经典定义，即在冲突或战争中，双方明确占据领土并对立。

▶ This is a very different kind of conflict.

这是一种非常不同的冲突。

▶ This is the most complex civilian embedded conflict in modern history.

这是现代历史上最复杂的平民嵌入式冲突。

▶ Hamas deliberately located its military forces in, under, within civilian infrastructure, including humanitarian infrastructure.

哈马斯故意将其军事力量部署在民用基础设施（包括人道主义设施）内部、下方或周围。

 00:22:38

▶ That makes any effort to dislodge, to cripple, to harm, to compel the disillusion of, or elimination, your choice of words of this terrorist organization, exceedingly difficult.

这使得任何试图驱逐、削弱、伤害、瓦解或消灭这个恐怖组织的努力变得极其困难。

▶ Does proportionality, though, still matter?

但比例性仍然重要吗？

▶ The answer is yes, it does.

答案是肯定的。

▶ It matters for any military.

它对任何军队都很重要。

🎧 It matters for the ability of a military, such as Israel, to have the time and the space politically, internationally and domestically, in order to conduct what is a highly complex and long campaign.

它对像以色列这样的军队来说很重要，因为它需要在政治、国际和国内层面获得时间和空间，以开展这场高度复杂且长期的行动。

 00:23:13

🎧 So it matters, but Gaza presents a circumstance that the world, frankly, has not seen in this magnitude, in modern history.

所以它很重要，但加沙的情况坦率地说，是现代历史上世界从未见过的规模。

🎧 And that is Hamas' calculation, to make it difficult, if not impossible, for Israel to pursue a campaign against it over time.

这就是哈马斯的算计，目的是让以色列难以（如果不是不可能）长期对其采取行动。

▶ Saturday's protest against the banning of Palestine action as a terrorist group involved displaying signs in support of the organization.

周六的抗议活动反对将“巴勒斯坦行动”列为恐怖组织，抗议者展示了支持该组织的标语。

▶ But today, the Home Secretary, who introduced the ban, questioned whether the protestors knew what Palestine action was accused of.

但今天，提出禁令的内政大臣质疑抗议者是否知道“巴勒斯坦行动”被指控的罪名。

▶ There may be people who are objecting to prescription who don't know the full nature of this organization, because of court restrictions on reporting while serious prosecutions are underway.

可能有些人反对禁令，但并不完全了解该组织的性质，因为法院在严重诉讼期间限制了相关报道。

据称一名警察受伤，这两起案件尚未开庭审理。

▶ Those incidents and other unspecified information about further attacks led to the ban that brought hundreds of people out in protest on Saturday.

这些事件以及其他未明确的关于进一步袭击的信息导致了禁令，并在周六引发了数百人的抗议。

▶ Anyone arrested here on Saturday who's charged and then convicted will have a terrorism offence on their records, which means that they may have problems in future with things like traveling to America and getting certain jobs, which may explain why around half of those arrested were over 60.

周六被捕并被定罪的人将在其记录中留下恐怖主义罪行，这意味着他们未来可能在前往美国或获得某些工作方面遇到问题，这可能解释了为什么被捕者中约有一半超过60岁。
