 00:07:14

▶ Do you think the Netanyahu does feel that he has the support of the people to carry out this military plan?

你认为内塔尼亚胡是否觉得他得到了人民的支持来执行这一军事计划？

▶ No, I don't think so.

不，我不这么认为。

▶ I don't think that he even has the support of the public opinion in the West.

我认为他甚至没有得到西方舆论的支持。

🎧 He does have is the support of powerful Western governments, mainly the United States.

他确实得到了强大西方政府的支持，主要是美国。

🎧 This couldn't have been done without the arms sales, without the financial support, without the political support, diplomatic support of the United States that we keep hearing in the Security Council, the vetoes, the statements, and all of that.

如果没有美国的军售、财政支持、政治支持、外交支持，我们在安理会不断听到的否决、声明等等，这一切都不可能实现。

 00:07:52

🎧 The moment the US lifts that support, removes that support, or stops it even pauses.

一旦美国取消、撤回甚至暂停这种支持。

🎧 I think this can't continue going on.

我认为这无法继续下去。

🎧 So the public opinion, even here in the US, is not really on the side of college ethnic cleansing, or could go genocide, but policy, unfortunately, is still on the side.

因此，舆论，甚至在美国这里，并不真的支持大学种族清洗或可能的种族灭绝，但不幸的是，政策仍然站在这一边。

🎧 And I think the public opinion and policy, policy basically has some catching up to do.

我认为舆论和政策，政策基本上需要赶上。

 00:08:17

🎧 In the United States, poll after poll has shown that even US public opinion is no longer supportive.

在美国，一次又一次的民意调查显示，甚至美国公众舆论也不再支持。

🎧 There's been a major shift, both in the Democratic and Republican party constituency.

民主党和共和党的选民都发生了重大转变。

▶ It gays Israeli actions in Gaza, but US policy hasn't really caught up to that, and it's still kind of supporting one side of this conflict, and we've seen the humanitarian and civilian tool of that.

它批评以色列在加沙的行动，但美国的政策还没有真正跟上，仍然在某种程度上支持这场冲突的一方，我们已经看到了由此带来的人道主义和平民代价。

bilibili 00:08:42

▶ We've been following that UN emergency debate for the last hour or so on here on BBC News.

我们一直在BBC新闻上关注联合国紧急辩论，大约过去一小时。

▶ Do you think there's any chance that Netanyahu would be listening, watching that, and considering what different countries are saying about his actions?

你认为内塔尼亚胡有没有可能在听、在看，并考虑不同国家对他的行动的评价？

▶ Absolutely.

绝对有。

▶ I think this is as much a war of narratives as it is a war in the battlefield, and that's why the Israeli side cares so much about having an absolute control in the narrative.

我认为这既是一场战场上的战争，也是一场叙事战争，这就是为什么以色列方面如此在意对叙事的绝对控制。

bilibili 00:09:09

▶ Over 200 journalists have been killed in Gaza, and many of them now report a targeted, I don't think this is a coincidence, the fact that foreign journalists have not been entered into Gaza, it's absurd.

超过200名记者在加沙被杀，其中许多人现在报告称有针对性的，我不认为这是巧合，外国记者不被允许进入加沙的事实是荒谬的。

▶ For two years, the Israelis have not let any international journalists independently get into Gaza, even aerial footage of the enclave has been so controversial, just recently coming out by international outlets, and what we're seeing from Gaza has basically our eyes and ears on

the ground have been Palestinian journalists, which are doing this at a great risk also to their lives.

两年来，以色列人不让任何国际记者独立进入加沙，甚至该飞地的航拍画面也极具争议，最近才由国际媒体发布，我们从加沙看到的画面基本上来自巴勒斯坦记者，他们冒着生命危险在做这件事。

🎧 So I think it really matters what other countries are saying, especially countries who are considered allies or friends of Israel, so Western countries, Europeans, the US, and I think the Israelis are losing the narrative, this war of narrative, but at the same time it really matters to them, and that's why we see sort of this pushing back on some of these talking points or the shift of narrative.

因此，我认为其他国家的言论真的很重要，特别是被视为以色列盟友或朋友的国家，如西方国家、欧洲国家、美国，我认为以色列人正在输掉这场叙事战争，但同时这对他们真的很重要，这就是为什么我们看到他们对一些论点或叙事转变的反击。

 00:10:05

🎧 We can go live to Washington now and our North America correspondent, Orinadeh Makaji, Orinadeh, we heard at that United Nations Security Council debate we heard from the Palestinian ambassador followed by the Israeli ambassador.

我们现在可以连线华盛顿和我们的北美记者奥里纳德·马卡吉，奥里纳德，我们在联合国安理会辩论中听到了巴勒斯坦大使的发言，随后是以色列大使的发言。

🎧 What did you make of what each of them said?

你对他们的发言有何看法？

🎧 Well, unexpected lines, obviously, the representations from the members and Palestine was, of course, talking about how this war must end and focusing on the humanitarian crisis and questioning the objectives of Israel, and then you heard the very aggressive defence that came in from the Israeli side as well, talking about why they need to go ahead with its military plans, which was also outlined and highlighted by Prime Minister Netanyahu in that address earlier in the day, where he talked about Israel's clear objectives, why they need to do this, and how this essentially is not a takeover, permanent takeover of Gaza, or anything it is about eliminating Hamas's threat to Israel about getting the hostages back.

嗯，显然，巴勒斯坦代表的发言出人意料，当然谈到了这场战争必须结束，并关注人道主义危机，质疑以色列的目标，然后你也听到了以色列方面非常激进的辩护，谈到为什么他们需要推进军事计划，这也是内塔尼亚胡总理在当天早些时候的讲话中概述和强调的，他谈到了以色列的明确目标，为什么他们需要这样做，以及这本质上不是接管、永久接管加沙或任何其他事情，而是关于消除哈马斯对以色列的威胁，关于让人质回归。

 00:11:09

🎧 You know, we saw a lot of that echo in the UN earlier today when the United Nations met.

你知道，我们今天早些时候在联合国会议上看到了很多这样的回声。

🎧 It was essentially a majority of those nations criticizing those plans by Israel, highlighting how this is just going to be leading to a worsening humanitarian crisis, talking about the risks of violating international law.

基本上是大多数国家批评以色列的这些计划，强调这将如何导致人道主义危机恶化，谈论违反国际法的风险。

🎧 You had the United Nations talking about the need to lift restrictions in order to allow a UN and affiliated agencies to restart their work there in Gaza so that they can accurately or successfully distribute aid, which Gaza is in dire need of.

联合国谈到了需要解除限制，以便联合国及其附属机构能够在加沙重新开始工作，以便他们能够准确或成功地分发援助，加沙急需这些援助。

 00:11:46

🎧 What was also important is, you know, the messaging that came out of these countries essentially, saying that this was not the time for war, this was now a time for peace.

同样重要的是，你知道，这些国家发出的信息基本上是，现在不是战争的时候，现在是和平的时候。

🎧 And Ali, we heard from the ambassador from the US as well, and can you just reflect what she had to say?

阿里，我们也听到了美国大使的发言，你能简单回顾一下她说了什么吗？

🎧 Well, amidst all that criticism that we heard from the member nations against Israel's plans, you saw the US representative talk about why this was important for Israel.

嗯，在我们听到成员国对以色列计划的批评中，你看到美国代表谈到了为什么这对以色列很重要。

 00:12:15

▶ She talked about the need for Israel to defend itself from the threats of Hamas.

她谈到了以色列需要自卫，抵御哈马斯的威胁。

▶ They said that the accountability lies with Hamas and not Israel, essentially criticizing in many ways the member nations there, saying that this was counterproductive.

他们说责任在于哈马斯而不是以色列，基本上在很多方面批评了成员国，说这是适得其反的。

▶ You know, this is not, you know, this work can end if Hamas decides to return the hostages.

你知道，这不是，你知道，如果哈马斯决定归还人质，这项工作就可以结束。

 00:12:35

▶ That was the message.

这就是信息。

▶ The US also making it clear when, you know, there have been questions about humanitarian aid, talking about the good work that the Gaza Humanitarian Foundation, which is Israel and US backed, has been doing.

美国也明确表示，当有关人道主义援助的问题出现时，他们提到了由以色列和美国支持的加沙人道主义基金会所做的出色工作。

▶ Talking about the kind of aid that has been distributed to dispel those, the criticism that has come in for the way in which aid has been distributed by the GHF.

谈到所分发的援助类型，以消除针对GHF分发援助方式的批评。

 00:12:55

▶ So the US very clearly saying that, you know, this is not, you know, the Israeli military offensive plan did not, the decision to do that was not a decision taken in a vacuum, essentially saying that Hamas is who needs to be held responsible.

因此，美国非常明确地表示，以色列的军事进攻计划并非在真空中做出的决定，实质上是在说哈马斯需要为此负责。

🎧 And also said it was unfortunate that countries here at the UN who have been speaking were accusing Israel of genocide.

同时还表示，联合国中一些国家指责以色列实施种族灭绝是不幸的。

🎧 So this was essentially taking forward the tone and tenor that we heard from President Donald Trump earlier last week, where, you know, when questioned about Israel's decision to go ahead with its takeover of Gaza, President Trump said, well, it's up to Israel.

这实质上延续了上周早些时候唐纳德·特朗普总统的论调，当时在被问及以色列决定接管加沙时，特朗普总统表示，这取决于以色列。

 00:13:31

🎧 What you saw today was, you know, the US spelling it out.

今天你所看到的是美国明确表态。

🎧 So very significant the US continues with its support of Israel when it comes to this.

因此，美国在这一问题上继续支持以色列非常重要。

🎧 Arundelia, thank you very much.

阿伦德莉亚，非常感谢。

🎧 So that's arundelia Makadjian North, America correspondent there.

以上就是北美记者阿伦德莉亚·马卡吉安的报道。

这种认为战争必须结束，但不能以奖励俄罗斯入侵的方式的情绪，不仅存在于首都，而且遍及整个欧洲。

 00:14:47

🎧 It was reflected at a meeting of European and Ukrainian security officials yesterday, and will no doubt be a theme at a meeting of foreign ministers scheduled for tomorrow.

昨天的欧洲和乌克兰安全官员会议反映了这一点，明天外长会议无疑也将以此为主题。

一个关键问题是领土交换，这实际上将是乌克兰的让步。

🎧 Some say it is inevitable.

有人说这是不可避免的。

 00:15:48

🎧 The brutal reality is that if you want to get to peace in this in this scenario conflict, you're going to have to accommodate some E-Russian determinations.

残酷的现实是，如果你想在这种冲突中实现和平，你将不得不接受一些俄罗斯的决定。

🎧 For example, Russia is never going to return Crimea to Ukrainian jurisdiction.

例如，俄罗斯永远不会将克里米亚归还乌克兰管辖。

🎧 Similarly, for the two provinces of Denetsk and Luhansk, it is very unlikely that they will do so.

同样，对于顿涅茨克和卢甘斯克这两个省份，他们也不太可能这样做。

 00:16:09

特朗普也面临巨大压力，要兑现承诺，确保在多次虚假承诺结束战争后，他能达成某种协议。

⏮ Trump continues to believe there's a simple outcome to be struck by pressurising Zelensky, who he'd never had a lot of time for anyway.

特朗普仍然相信，通过向泽连斯基施压可以达成简单的结果，反正他从未对泽连斯基有多少耐心。

 00:17:24

⏮ And suggesting Putin can somehow march away with much of the territory, it's sort of controls.

并暗示普京可以带着大部分领土离开，这是某种控制。

⏮ There are four regions there, Luhansk, Donetsk, Zeprinica and Kyrzon.

那里有四个地区：卢甘斯克、顿涅茨克、扎波罗热和赫尔松。

这正是普京真正想做的。

 00:17:44

⏮ And it's not surprising to see that Keph is, and European capitals.

基辅和欧洲各国首都对此并不感到意外。

🎧 I've got huge reservations about this, but this has huge echoes of 1938, that Munich agreement where we saw land seeded to Hitler in Eastern Europe.

我对此有巨大保留，但这让人强烈联想到1938年的慕尼黑协定，当时东欧领土被割让给希特勒。

🎧 And of course, it's just emboldened the bully to then go on, to regroup, to rearm, and take us into more war.

当然，这只会让欺凌者更加胆大妄为，重新集结、重新武装，将我们带入更多战争。
