🎧 Commerce at BBC London.

BBC伦敦台#商务#报道。

🎧 In other news, patients in England with potentially serious illnesses could be diagnosed sooner under new guidance known as Jess's rule.

另讯，根据名为"杰斯规则"的新#指南#，英格兰潜在重症患者或能更早获得诊断。

🎧 It's named after 27-year-old Jessica Brady from Hartford who died from cancer after repeated GP visits.

该规则以哈特福德27岁的杰西卡·布雷迪命名，她多次就诊全科医生后仍因癌症离世。

▶ The rule urges GPs to take a three strikes and rethink approach to patients who returns several times with the same symptoms to help avoid missing potentially deadly diseases.

规则要求全科医生对反复出现相同症状的患者采取"三次预警再评估"法，以避免漏诊潜在致命疾病。

bilibili 00:05:07

▶ Dominic Hughes has the story.

多米尼克·休斯报道。

▶ Jessica Brady was a talented engineer at Airbus, involved in the design of satellites.

杰西卡·布雷迪是空客公司的天才工程师，参与卫星设计工作。

▶ The first thing that struck me here when I came to Airbus was just how many women are in STEM and all around and how inspiring they are.

初到空客最令我震撼的是STEM领域女性之多，以及她们带来的鼓舞。

▶ But in the summer of 2020, Jessica began to feel unwell.

但2020年夏天，杰西卡开始感到不适。

▶ Over the course of more than 20 GP appointments, she was told her symptoms were related to long COVID and that she was too young for cancer.

历经20余次全科医生问诊，她被告知症状与长期新冠有关，且年纪太轻不可能患癌。

bilibili 00:05:38

▶ Finally, a private specialist diagnosed stage 4 cancer.

最终私立专家确诊其罹患四期癌症。

▶ But by this time it was too late, Jessica died just three weeks later at the age of 27.

但为时已晚，三周后杰西卡离世，年仅27岁。

▶ So she was a real people person, but she was also incredibly bright and she had immense integrity and quiet determination.

她极擅人际交往，同时才华横溢，拥有#巨大#的#正直#与沉静决心。

▶ Since the loss of her daughter, Jessica's mum Andrea has been campaigning to improve GP's awareness and the diagnosis of cancer.

自女儿离世，杰西卡的母亲安德烈亚一直致力于提升全科医生对癌症的#意识#与#诊断#水平。

bilibili 00:06:07

▶ So for her, the introduction of Jess's rule is a big step forward.

对她而言，杰斯规则的推出是重大进步。

▶ Jess's rule really is to try and empower doctors to say, you know, often we go against our instinct that if we've made a diagnosis, we probably want to stick to that diagnosis.

杰斯规则旨在赋予医生勇气：我们常会违背直觉，一旦作出诊断便倾向于坚持己见。

▶ So we do experience human beings unconscious bias or a young person comes into a doctor's surgery like Jess who exercises, doesn't smoke, doesn't drink, eats healthily.

人类难免存在无意识偏见——当像杰斯这样坚持运动、不烟不酒、饮食健康的年轻人就诊时。

bilibili 00:06:39

▶ The assumption naturally is that these red flag symptoms could be indicative of something much more simple and, you know, not serious at all.

自然会产生#预设#：这些危险信号可能#预示#着更简单的病症，而非重症。

▶ So Jess's rule is three strikes and we rethink.

故杰斯规则要求三次预警后重新评估。

▶ Under Jess's rule, GP's will be asked to think again if after three appointments they haven't been able to offer a firm diagnosis or the patient's symptoms have escalated.

根据该规则，若三次问诊后仍无法明确诊断或患者症状加剧，全科医生需重新评估。

bilibili 00:07:07

▶ That might mean arranging a face-to-face consultation, a thorough physical examination or more diagnostic tests.

这可能意味着安排面对面#会诊#、全面体检或更多诊断检测。

▶ GP's will also be encouraged to seek second opinions from colleagues, review patient records and think about specialist referrals.

还将鼓励全科医生寻求同事二次意见、复查病历并考虑转诊专科。

▶ My hope and the hope for Jess would be that young people in particular are diagnosed early enough to allow them that treatment that they deserve and to live the life that they need to live.

我与杰斯的共同期望是年轻人能及早确诊，获得应有治疗，活出精彩人生。

 00:07:37

▶ Four years in, I'm still really enjoying it.

四年过去，我依然乐在其中。

▶ Jessica Brady missed out on the care she needed with devastating consequences.

杰西卡·布雷迪错失所需治疗，造成毁灭性后果。

▶ And while many GP's already operate a similar approach to Jess's rule, it's hoped this new scheme will mean everyone, no matter their age or background, gets the right treatment when they need it.

尽管许多全科医生已采用类似方法，新方案有望让所有人无论年龄背景都能及时获得正确治疗。

▶ Dominic Hughes on Jess's legacy there.

由于左半身瘫痪无法活动，他只能靠电梯井道支撑着腿艰难上行。

▶ Many of the residents have told the BBC that they've contacted the relevant councils and the management of the hotel but they've received no response.

杰克·卡明斯袭击首名受害者时是特别警员，侵害另两名女性时已转任伦敦警厅警员。

 00:11:52

 The judge concluded he was dangerous and posed a risk.

法官认定其具高度危险性。

 And City Thameslink has been named the worst of Britain's busiest railway stations when it comes to cancellations.

城市泰晤士线车站被评为英国最繁忙火车站中取消班次最严重者。

 In a year to August about one in 13 trains due to stop there was cancelled according to BBC analysis.

BBC分析显示截至八月的一年内，该站约1/13预定班次被取消。

 Of the 10 worst stations for cancellations, eight were in London.

班次取消最严重的10个车站中，8个位于伦敦。

 00:12:13

 Thameslink and network rail said they were sorry for disruption experienced.

泰晤士连线及铁路网络公司对造成的困扰致歉。

🎧 Well sort of on that note we know that finding somewhere affordable to live in the capital can be a challenge to say the least.

由此联想到在伦敦觅得宜居之所实非易事。

🎧 A new research out today shows how proximity to our transport system can push up housing costs as well as which transport lines have the biggest premiums to live near.

今日新研究揭示了毗邻交通系统如何推高房价，以及哪些线路周边住宅溢价最高。

 00:12:38

🎧 Well to talk us through it is Frankie McCannley.

弗兰基·麦坎莱将为我们解读。

🎧 When you look at the figures they're not shocking but it is an interesting insight into how much more it costs Londoners to live closer to a tube or train station.

数据虽不惊人，却清晰展现伦敦人为居住在地铁或火车站附近付出的额外成本。

🎧 So let's break down that research it compares how much a house costs 1500 metres away from a station which is around a 15 minute walk to those living within 500 metres.

研究对比了距车站1500米（约步行15分钟）与500米内的房价差异。

 00:13:04

🎧 So as we move closer a house that is a thousand metres away has around a 3.5% premium.

距车站1000米处房价溢价约3.5%。

🎧 At 750 metres the price increases by 5.6% then a property that is 500 metres or less from a station has an 8% premium which equates to around 42.5 thousand pounds.

750米处溢价5.6%，500米内则达8%，约合4.25万英镑。

🎧 Now as you can expect Londoners are paying a higher premium to live closer to station than other cities in Manchester you'd expect to pay just under 11000 pounds to live within 500 metres of a station and in Glasgow is just under 9000 pounds.

伦敦人支付的车站邻近溢价远高于其他城市——曼彻斯特500米内住宅溢价仅1.1万镑，格拉斯哥不足9000镑。

 00:13:44

▶ The study did however find that Londoners are paying less to live closer to a station than they did before.

但研究发现伦敦人当前支付的车站邻近溢价低于以往。

▶ We asked one property expert what he thinks about the change.

我们采访了房产专家对此变化的看法。

▶ I think because of the pandemic changing working patterns the rise of working from home it's given people a lot more options on where they can live they don't have to be potentially as close to central London as they want to use to.

疫情改变工作模式，远程办公兴起让人们有更多居住选择，不必再执着于毗邻市中心。

 00:14:07

▶ So actually if you're looking to them by you are looking further afield looking probably out into the suburbs looking further out towards Dartford or Milton Keynes or sort of southwards.

因此购房者会将目光投向远郊，如达特福德、米尔顿凯恩斯或南部区域。

▶ So you have a valley for money affordability particularly when you're jumping into home buying is really important.

性价比成为重要考量，尤其对首次购房者而言。

▶ Well the study also looked at the lines that served the most expensive homes and the circle line came out on top with the capital's most expensive properties as it is mainly in central and west London.

研究还统计了服务最昂贵住宅的线路：环线因主要覆盖中心城西区位居榜首。

 00:14:38

▶ For that was followed closely by the Bakerloo line then the Victoria line while the Elizabeth line had the lowest average house prices because most of its stations are in suburban areas.

贝克卢线紧随其后，维多利亚线次之，伊丽莎白线因多数站点位于郊区均价最低。

⌂ But finally researchers carried out a study to find out where the most popular lines were and interestingly the circle line was the least favourite while the Elizabeth line was the most popular.

最后调查显示伊丽莎白线最受欢迎，环线意外垫底。

⌂ So I think we can say accessibility to transport still really matters to renters and buyers and following the pandemic with more working from home commuting a little further to save those extra pounds is clearly becoming more attractive.

可见交通便利性仍是租购核心要素，但后疫情时代通勤距离换房价差更具吸引力。

 00:15:18

⌂ OK to inspiring role models and the lionesses are right up there with Hannah Hampton's goal keeping heroic this year helping England and Chelsea win trophies last night she was voted the world's best goalkeeper at the prestigious Ballon d'Or awards in Paris.

现在关注励志典范——母狮队门将汉娜·汉普顿今年屡建奇功，助英格兰队和切尔西队夺冠，昨夜更在巴黎荣膺金球奖世界最佳门将。

西伦敦阿克托尼安斯俱乐部的球迷球员也密切关注此成就，现在连线体育记者克里斯·莱格。

⌂ Yeah there is Hannah Hampton story really resonates here in west London because we're not a million miles away just down the 84 the other end from Chelsea which is where Hannah Hampton's development has come on leaps and bounds in the last couple of years

是的，汉娜·汉普顿的故事在西伦敦这里引起共鸣，因为我们离切尔西并不远，就在84路另一端——过去几年汉娜·汉普顿正是在那里取得了飞跃性进步

点球扑救包括对阵西班牙时挡出玛蒂的射门——昨晚玛蒂第三次当选世界足球小姐 汉娜·汉普顿这一年可谓硕果累累 而她的背景故事更是不凡 她天生患有严重眼疾

bilibili 00:16:39

⏮ she had multiple surgeries

曾被断言永远不能从事运动 但她从未让这阻碍追梦 昨晚她更登台领取了金球奖首次设立的最佳门将奖项

⏮ I think it's an achievement for women's goalkeeping that the award is finally now taken part I stand on the shoulders of so many great goalkeepers of the past sitting around and sitting around and having a chance to see the first woman to win a best goalkeeper award at the Ballon door.

我认为这个奖项的设立是女足守门员领域的突破 我站在历代伟大门将的肩膀上 有幸成为金球奖首位女性最佳门将得主

▶ I actually played for England development goalkeepers and we all went to St. George's Park and met Mary Hannah and Chiara and it was just it was so cool like again like such a big inspiration we watched some train and she was just incredible like she barely let in any shots and that is like crazy.

我曾入选英格兰青训门将 全队去圣乔治公园时见到了玛丽 汉娜和基娅拉 真的太酷了 她给我们巨大鼓舞 观摩训练时她几乎零失误 简直不可思议

▶ Megan what do you make of this team as a whole the lionesses and what they've achieved the last few years?

梅根你如何评价母狮军团整体 以及她们近年取得的成就

▶ I mean it's just so inspirational I mean I coached from the younger players here seeing them walking around with players on their back you know bronze and Hampton and all of these other players and it's just so inspiring to see them be inspired and being able to watch them on the big TV and 90,000 people at Wembley it's just such an inspiration that really makes women's football so much more important to everyone else as well now.

这实在太激励人心 我执教年轻球员时 看到她们背着印有布龙泽 汉普顿等球星名字的球衣 看到她们深受鼓舞的样子 再加上温布利九万人观赛的盛况 这些都让女足运动愈发深入人心

 00:19:08

▶ Thanks for your time we'll let you get back to training I know you coached for once you there Hannah Hanson's next game is live on the BBC West Ham Chelsea Sunday 230 on the I player.

感谢接受采访 不耽误你们训练了 汉娜·汉森下一场比赛将于周日两点半在BBC iPlayer直播 西汉姆联对阵切尔西

▶ Chris as always thanks ever so much and talking of inspiring stories it's almost time for this year's BBC Radio London make a difference awards a chance to recognize and celebrate those in our communities who go above and beyond to help others and well make a difference.

克里斯一如既往感谢你 说到励志故事 即将举行的BBC伦敦电台"创造改变"颁奖礼正是为了表彰那些无私奉献的社区楷模

▶ Jeremy is tomorrow in this very building hosted by BBC Radio London's Gabby Roslin and Eddie Nesta who has joined us here hi Eddie I for one can't wait because it is such an uplifting moment when the world doesn't always feel that way.

杰里米 明天就在这栋大楼 由加比·罗斯林和埃迪·内斯塔主持 埃迪也来到了现场 我个人非常期待在阴霾笼罩的世界里这无疑是振奋人心的时刻

bilibili 00:19:53

▶ No we notice some difficult stories at the minute and to be able to shine the light on local people doing brilliant things is a great great honor.

当前确实有不少艰难叙事 此时能聚焦本地英雄的善行义举实属荣幸

▶ And this started during the pandemic it's now the fourth year.

这个奖项始于疫情期间 今年已是第四届

▶ It started in a terrible time but we notice that people doing great things helping people get newspapers help people group people get what they need and we thought we'd celebrate it and I think you can see and I can see it's getting bigger and bigger yeah just inundated eight categories I believe eight categories four finalists per category and last year I think I saw you crying is.

虽诞生于艰难时期 但我们看到人们送报上门 组织互助 我们决定颂扬这种精神 如今规模越来越大 今年有八个类别 每类别四位入围者 去年我好像看到你落泪了

bilibili 00:20:28

▶ I don't think I was the animal category.

应该不是动物类别吧

▶ Yes it was.

就是那场

▶ The difference that pets make to people's lives don't I'm going to go again again but the thing that always strikes me Eddie and I will be there tomorrow obviously is that the people who are nominated or animals you know they just don't think they're doing anything extraordinary but they so are.

宠物对生活的改变真大 我又要哽咽了 但最打动我的是 所有提名者（包括动物）都不觉得自己做了非凡之事 但事实恰恰相反

 00:20:50

▶ And I think it's a humbling moment when all they can do is defer it to somebody else and you think look we're here to say thank you to you for the wonderful things you're doing keeping connectivity and communities together as I say it's an honor.

当获奖者不断谦让时总是令人动容 我们想对他们说：你们凝聚社区的行为值得感谢 能参与其中是我的荣耀

▶ Do you get nervous you're presenting and his Gabby said such a high standard.

你和加比主持时会紧张吗 她的水准很高

▶ You didn't answer the question no notice.

你还没回答这个问题呢

 00:21:12

▶ I get nervous because I want to do it right you want to celebrate somebody and you want to celebrate what they're doing and you don't want it to be about me or Gabby is it it's about those wonderful people and we want to provide a platform where they can show themselves at their best yeah and it certainly is it is about them it's about London and it and it really is just a moment to to celebrate that but also just immerse ourselves in it and you can see what it means to everyone to meet other people in that way I think that was the thing I saw last year for the first time.

会紧张 因为想完美呈现 这不是关于我和加比 而是为那些优秀人士提供展示平台 这是属于伦敦的高光时刻 去年首次看到获奖者相互交流的场景时 我深刻感受到这个奖项的意义

▶ We allowed them to speak to each other and when positivity meets positivity is like what can we do who else can we help how well can we make this even better and it's a lovely moment for local TV local radio to come together and celebrate now obviously it is tomorrow but but doesn't moment sort of stand out in your mind from the ones gone by.

当正能量相互碰撞 会产生"我们还能做什么 还能帮助谁 如何做得更好"的连锁反应 这是地方媒体合作的美好时刻 明天颁奖礼上 有哪些过往瞬间令你记忆犹新

选择音乐剧形式是因为喜爱《汉密尔顿》《西尔维娅》等作品 用音乐叙事的方式再现历史

bilibili 00:23:43

🎵 The only thing that I wanted to do differently in that was I didn't want to tell I guess a white story with a black cast.

我唯一想做出不同处理的是，我不希望用黑人演员去讲述一个白人故事——或者说一个主流叙事的故事。

🎵 And with that let's get a check on the weather with lovely K2's here matching the berries but one partly standard.

接下来有请可爱的凯特带来天气播报——她今天的着装和提词器配色很搭呢，虽然有一处不太标准。

🎵 That's how I pick my pictures they have to match my outfit good evening well it is feeling a little cooler this week in comparison to last week temperatures at the end of the week we're in the mid 20s it is feeling chilly at this week but it is fairly settled now as they fairly settled we've had quite a bit of sunshine in fact there's very little cloud first thing but it has been rolling in and the afternoon was especially cloud you've had a few showers as well and see rather dark clouds down in Sutton now as we head into the evening and overnight we still could get one or two showers but they're likely to be confined down in the far south east now we're hanging on to the cloud we're hanging on to the breeze one or two showers could just clip the Essex coast elsewhere it's largely drive further west you go it's largely drive you breaks in the cloud as well.

我选背景图的标准就是必须搭配着装。晚上好！本周体感较上周凉爽，周末气温在二十度中段。虽然这周偏凉，但天气相对稳定——稳定体现在我们享有充足阳光，清晨基本无云，不过云层午后会逐渐聚集，尤其下午多云，局部地区还有阵雨。现在萨顿上空可见浓密乌云。入夜后至凌晨仍可能有一两场阵雨，但主要集中在东南远郊。目前我们仍受云层和微风影响，埃塞克斯海岸可能偶有阵雨掠过，其他地区尤其是越往西走天气越晴朗，云层也会逐渐散开。

🎧 The minimum temperature not quite as cool as last night we've got cloud coverage so around seven or eight Celsius last night we got down into low single figures so for tomorrow morning again we've still got that north easterly breeze there is some cloud particularly around the middle part of the day but it will start to break up and clear towards the end of the day so we'll get some more sunshine by the end of Wednesday still breezy though dry tomorrow in the sunshine temperatures just sneaking up with the degree or two 18 Celsius the maximum temperature now as we head overnight Wednesday.

最低温度不会像昨夜那么低（因有云层覆盖，约七八摄氏度，昨夜最低至个位数低段）。明天早晨仍维持东北微风，中午前后云量较多，但傍晚将逐渐转晴。周三结束前会迎来更多阳光，明日虽有微风但晴朗，气温微升一两度，最高18摄氏度。现在正值周三深夜。

 00:26:55

🎧 We're going to be in Thursday the high pressure which is bringing these relatively settled conditions we've got all the weather coming around the outside just starts to drift out towards an all seen out towards Scandinavia so we will see a bit of cloud overnight the cloud for Thursday there is the potential in there for the south east might get a spot or two of drizzle but largely dry and elsewhere we have sunshine that cloud is going to sink south as we head through the course of Thursday temperatures 18 or 19 Celsius now we've still got the high pressure towards the end of the week it's blocking the way to the end of the day.

周四高压系统将继续带来相对稳定天气，周边天气系统正逐渐向斯堪的纳维亚半岛移动。夜间会有少量云层，周四东南部可能偶有毛毛细雨，但大部分地区干燥晴朗。随着周四推进，云层将南移，气温18-19摄氏度。目前高压系统持续至周末，阻挡了其他天气系统的侵入。

🎧 We're looking at this cold front so it is looking largely fine and dry through to the weekend.

观察这道冷锋动向，周末前整体天气以晴朗干燥为主。

🎧 Sounds good thank you Kate.

听起来不错，谢谢凯特。
