基辅安全部门称击毙涉嫌在首都谋杀乌军上校的俄方"杀手"。

 From your assessment, do we know to what extent this war is being carried out, not just on the battlefield, but also through targeted killings?

据您评估，这场战争在战场外通过定点清除进行的程度如何？

[Back to Top](#)

▶ Sure.

当然。

▶ Well, thanks for having me.

感谢邀请。

▶ There's a war within the war, right?

这是战争中的暗战。

▶ There's the Conventional War, the drones, the missiles raining down on Ukraine almost every night.

常规战争是无人机导弹夜袭乌克兰。

▶ But there is a war of targeted assassinations and both sides are engaging in it.

但定点清除的暗战双方都在进行。

▶ And in fact, people often forget that the Russian invasion was actually initiated with a chechen hit squad that was sent to kill President Zelensky in the very early hours of the invasion.

实际上俄入侵初期就派出车臣杀手小队企图刺杀泽连斯基。

[Back to Top](#)

▶ And so, instead of an assassination being something that has developed over the war, it's actually been with us through the entirety of the war and high-profile targets, such as an SBU colonel all the way up to the president of Ukraine, have been on the Russian hit list.

刺杀并非随战争发展而来，而是贯穿始终，从安全局上校到总统都是俄方目标。

▶ And I should add, the Russians have a long history of doing this back into Soviet history across Europe and the rest of the world as well.

俄方自苏联时期就在欧洲乃至全球有此传统。

▶ So, this is very much part and parcel of the Russian playbook.

这完全是俄方惯用手法。

[Back to Top](#)

 00:12:24

▶ Well, let me ask you this, then, with regards to what you just stated about the beginning of the war.

那么关于您提到的战争初期情况——

▶ And of course, some of those dramatic scenes that we saw of President Zelensky being encircled by his own security services with that risk.

泽连斯基被安保团队团团保护的戏剧性画面。

▶ Do high-ranking officials, whether they be ministers or so on, do they still face those same risks?

高官如部长等是否仍面临同样风险？

▶ Yeah, they absolutely do.

绝对如此。

[Back to Top](#)

 00:12:50

▶ And in fact, someone like President Zelensky early on, the face of a new Ukrainian rebirth of sovereignty and of patriotism, he would of course go right up to the top of the list for the Russians, because he's not their man, he would never be their man.

泽连斯基作为乌克兰主权与爱国精神复兴的象征，自然是俄方头号目标，因他绝不屈服。

▶ And instead of just being the president of Ukraine, he was sort of channeling, as I'm sure you'll remember, his inner Churchill, right?

他不仅作为总统，更如丘吉尔般展现战时领袖气质。

▶ His inner wartime leader was coming out, and he was rallying his nation, meaning that the Russians have, I would imagine, always had him directly in their sights, because he's one of these people that you just can't really replace easily.

他凝聚国民的领袖魅力使其成为俄方眼中必须清除的不可替代目标。

[Back to Top](#)

 00:13:33

▶ So, it's not just that he's the president.

他不仅仅是总统。

▶ He's a particular kind of president and a particular sort of inspirational wartime leader.

他是特定类型的总统，也是一种特定类型的鼓舞人心的战时领袖。

▶ And so, the Russians very much wanted to get rid of him in any way that they could.

因此，俄罗斯人非常想尽一切办法除掉他。

▶ And so, I do want to ask you this, is there a scenario where this war perhaps doesn't end on the battlefield, but through something more akin to that?

所以我想问你，是否存在一种情况，这场战争不会在战场上结束，而是通过更类似的方式？

[Back to Top](#)

 00:13:58

▶ I don't think so.

我不这么认为。

🎧 I think the battlefield is going to reflect a political settlement, and the political settlement will ultimately, of course, in any kinetic war, it will reflect battlefield realities.

我认为战场将反映政治解决方案，而政治解决方案最终当然会反映战场现实。

🎧 And so, the conventional forces will play the major role.

因此，常规部队将发挥主要作用。

🎧 But this assassination is just another indication of, frankly, how desperate the Russians are getting, going all the way down to, not to generals or political leaders, but going down to a widely admired and talented and experienced SBU colonel in Ukraine.

但这次暗杀只是另一个迹象，坦率地说，表明俄罗斯人变得多么绝望，他们不仅针对将军或政治领导人，甚至针对乌克兰一位广受尊敬、才华横溢且经验丰富的安全局上校。

[Back to Top](#)

 00:14:36

🎧 And, of course, we've seen the Ukrainians also take the fight in this way to the Russians.

当然，我们也看到乌克兰人以这种方式对俄罗斯人展开反击。

🎧 You'll remember that Alexander Dugin was targeted for assassination with the car bomb.

你会记得亚历山大·杜金曾是汽车炸弹暗杀的目标。

🎧 It ultimately got his daughter.

最终炸死了他的女儿。

🎧 And about nine months ago, in December of 2024, we saw probably the Ukrainians undertake an operation, a successful operation to kill Lieutenant General Krelov, who was the commanding general of Russian sort of WMD protection troops, if you like.

大约九个月前，即2024年12月，我们可能看到乌克兰人实施了一次行动，成功击毙了克里洛夫中将，他是俄罗斯大规模杀伤性武器保护部队的指挥官。

 00:15:11

▶ So, again, a key vulnerability and a key target.

因此，这再次表明了一个关键弱点和关键目标。

▶ And the Ukrainians decided that these are the sorts of people, both senior generals, and also Dugin, who's often considered to be so-called Putin's brain, sort of his nationalist whisperer.

乌克兰人认为这些人包括高级将领，以及杜金——他常被视为所谓的“普京的大脑”，即他的民族主义智囊。

▶ And in recent months, we've been talking so much about the supply of weaponry for the battlefield, but I suppose then, just as important is the shape of the security services on either side and also that intelligence support in the case of Ukraine that they'll be receiving from Western allies.

近几个月来，我们一直在讨论战场武器供应，但我想同样重要的是双方安全机构的形态，以及乌克兰将从西方盟友那里获得的情报支持。

 00:15:45

▶ It's absolutely critical.

这绝对至关重要。

▶ I mean, there's been lots of reporting about the transformation that the SBU and their military, the Ukrainian military intelligence service, the HUR, have undergone.

我的意思是，有很多报道关于乌克兰安全局及其军事情报机构HUR所经历的转型。

▶ Russia has capable services as well, though.

不过，俄罗斯也有强大的情报机构。

🎧 And they operate in a sort of analytical deficit, if you like, because they have to tell Putin what Putin wants to hear.

而且，如果你愿意这么说的话，他们在分析能力上存在缺陷，因为他们必须告诉普京他想听的话。

[Back to Top](#)

因此在分析上，他们相当糟糕。

🎧 Just as, for instance, they all told President Putin that the Ukrainians would sort of welcome the Russians as liberators, and they would all fold, that really all they just wanted to be Russian again.

例如，他们都告诉普京总统，乌克兰人会欢迎俄罗斯人作为解放者，他们会屈服，他们真的只是想再次成为俄罗斯人。

🎧 Of course, nonsense.

当然，这是胡说八道。

🎧 And many of the actual Russian intelligence officers know for well that that's nonsense, but it's not something that can be said in an authoritarian regime, such as Putin's.

许多真正的俄罗斯情报官员很清楚这是胡说八道，但在普京这样的威权政权中，这是不能说的。

▶ Well, in May, the Homeland Security Secretary, Kristi Noem, said that the conditions in Afghanistan no longer merit it, the need for US protections.

今年5月，国土安全部长克里斯蒂·诺姆表示，阿富汗的条件不再需要美国的保护。

▶ She wrote in a statement saying, review the conditions in Afghanistan, whether it's into agency partners, they do not meet the requirements for a TPS designation.

她在声明中写道，审查阿富汗的条件，无论是与机构合作伙伴，他们都不符合TPS指定的要求。

▶ Afghanistan has had an improved security situation, and it's stabilizing economy no longer prevents them from returning to their home country.

阿富汗的安全局势有所改善，经济稳定不再阻止他们返回祖国。

🎧 Well, meanwhile, conditions in Afghanistan remain dire, while the international criminal court has issued arrest warrants for two senior leaders of the Afghan Taliban, and judges say that they are on reasonable grounds to suspect the Taliban supreme leader and chief justice of being guilty of persecuting women and girls.

然而，与此同时，阿富汗的局势仍然严峻，国际刑事法院已对阿富汗塔利班的两名高级领导人发出逮捕令，法官表示有合理理由怀疑塔利班最高领袖和首席法官犯有迫害妇女和女童的罪行。

🎧 Well, I spoke to John Moses, co-founder of the Massachusetts Afghan Alliance for more, and what the termination of TPS means for Afghan nationals in the US.

我与马萨诸塞州阿富汗联盟的联合创始人约翰·摩西进行了交谈，了解TPS终止对美国阿富汗国民意味着什么。

🎧 To begin with, tell us about the Afghans and some of those Afghan nationals residing in the US right now who have received TPS.

首先，请告诉我们关于阿富汗人以及目前居住在美国并获得TPS的一些阿富汗国民的情况。

 00:18:10

🎧 You know, in some of the cases, the kind of work that they had been doing, for example, alongside the US military in Afghanistan.

你知道，在某些情况下，他们所做的工作，例如在阿富汗与美军共事。

🎧 Absolutely.

当然。

🎧 So the TPS family's temporary protected status are some of the most vulnerable Afghans.

因此，TPS家庭的临时保护身份是一些最脆弱的阿富汗人。

🎧 Those Afghans in particular tend to come in on a different type of route.

这些阿富汗人尤其倾向于通过不同类型的途径进入。

▶ They're not able to come in through a traditional, traditional method through the State Department.

他们无法通过国务院的传统方法进入。

[Back to Top](#)

 00:18:33

▶ So they have to find other ways to get into the United States, and that was granted legally under the Biden administration.

因此，他们必须找到其他方式进入美国，这是在拜登政府下合法授予的。

▶ However, these people tend to be very vulnerable inside of Afghanistan and not able to return.

然而，这些人在阿富汗国内往往非常脆弱，无法返回。

▶ And there are many cases like this, not just TPS, too.

而且有很多这样的情况，不仅仅是TPS。

▶ We can talk about reunification in many types of cases.

我们可以讨论许多类型的团聚案例。

[Back to Top](#)

 00:18:51

▶ And I think the largest story is this creep towards the removal of Afghans from the United States.

我认为最大的问题是这种逐渐将阿富汗人从美国移除的趋势。

▶ And we think that's going to continue.

我们认为这种情况将继续下去。

▶ You say that in many cases, these Afghans in particular vulnerable if they go back to Afghanistan.

你说在很多情况下，这些阿富汗人如果返回阿富汗会特别脆弱。

▶ Why is that?

为什么？

▶ These are typically people that have been supported by either veterans or organizations or other groups that really want to help these particular families.

这些人通常是受到退伍军人、组织或其他团体的支持，这些团体真正想帮助这些特定家庭。

[Back to Top](#)

 00:19:16

▶ These could be women's right workers.

这些可能是妇女权利工作者。

▶ These could be LGBTQ.

这些可能是LGBTQ群体。

▶ These could be Christians, right?

这些可能是基督徒，对吧？

▶ These could be any numerous things that are dangerous in the country of Afghanistan.

这些可能是阿富汗国内危险的任何事物。

▶ And so they are particularly vulnerable and they are typically self-funded, meaning that Americans have paid to get them here, to help them find housing and to help all those things, which brings another level of, hey, you support the Americans, and this is where you want to be.

因此，他们特别脆弱，通常是自费的，这意味着美国人花钱让他们来到这里，帮助他们找到住房并帮助所有这些事情，这带来了另一层含义，即你支持美国人，这是你想去的地方。

[Back to Top](#)

 00:19:40

▶ And so if they return, that is pretty well known at this point that they've left.

因此，如果他们返回，那么他们离开的事实现在已经相当清楚。

▶ I just wanted to read you some of the comments, which of course I'm sure you've already seen from the Homeland Security Secretary, Kristi Nome.

我只是想读给你听一些评论，当然我相信你已经看到了国土安全部长克里斯蒂·诺姆的评论。

▶ And she says that TPS is no longer warranted, because Afghanistan has improved security.

她说TPS不再有必要，因为阿富汗的安全状况有所改善。

[Back to Top](#)

 00:19:57

▶ She says also a stabilizing economy.

她还说经济稳定。

▶ How do you respond to that?

你对此有何回应？

▶ What do you make of that?

你怎么看？

▶ What are Afghan nationals in this country say to that?

这个国家的阿富汗国民对此有何看法？

▶ It's a tag wash.

这是胡说八道。

▶ And as a veteran of Afghanistan, it's absolute hog wash.

作为阿富汗的老兵，这完全是胡说八道。

▶ They have a million new refugees coming in, 800,000 from Iran and another 250,000.

他们有100万新难民涌入，80万来自伊朗，另外25万。

▶ They just fired 100,000 Taliban workers because they don't know how to pay them.

他们刚刚解雇了10万名塔利班工人，因为他们不知道如何支付工资。

[Back to Top](#)

 00:20:20

▶ They don't have any way to generate revenue that's real.

他们没有任何办法产生真正的收入。

▶ And quite frankly, I still have families in hiding in Afghanistan.

坦率地说，我仍然有家庭在阿富汗躲藏。

▶ Many advocates do.

许多倡导者也是如此。

▶ So we still pay rent for people that were SIVs or interpreters, but it's absolute hog wash.

因此，我们仍然为那些曾是SIV或翻译的人支付租金，但这完全是胡说八道。

▶ It's untrue.

这不是真的。

▶ It is a reason to say that they can send people back there.

这是一个理由，说他们可以把人送回那里。

[Back to Top](#)

 00:20:38

⏮ But I think the mistake they're making in misunderstanding is that veterans of this war really strongly oppose it and will continue to oppose it.

但我认为他们在误解中犯的错误是，这场战争的老兵强烈反对并将继续反对。

⏮ You mentioned there, of course, your role on the ground there in Afghanistan.

你当然提到了你在阿富汗的角色。

⏮ And we know that, of course, many people had worked along with US forces in a number of roles as translators, interpreters, guides and so on.

我们知道，当然，许多人曾与美军共事，担任翻译、口译员、向导等角色。

[Back to Top](#)

 00:21:01

⏮ But I also just wonder, even for people who haven't had that role, perhaps women, for example, perhaps wives, daughters, the risk is presumably sending them back to a country where women face ever dwindling human rights.

但我也想知道，即使对于那些没有这种角色的人，例如妇女，也许是妻子、女儿，风险可能是将他们送回一个妇女人权日益减少的国家。

⏮ Absolutely.

当然。

⏮ So I have families in Afghanistan that aren't able to go to school, young women, young girls.

因此，我在阿富汗有家庭，年轻妇女、年轻女孩无法上学。

▶ They were approaching adult ages and they're very frightened of becoming 17, 18 years old.

她们即将成年，非常害怕成为17、18岁。

▶ Women generally, some of women have actually been interpreters and some of those women are being sent back.

一般来说，妇女中有些人实际上是翻译，其中一些妇女正被送回。

▶ So you have to understand that even some of these people that didn't really risk themselves and do other things.

因此，你必须明白，即使是那些没有真正冒险做其他事情的人。

▶ The return is going to be exactly what you think it is.

返回的结果将完全如你所想。

[Back to Top](#)

 00:21:41

▶ They'll come back.

他们会回来。

▶ They'll be sexual assaults.

他们会遭受性侵犯。

▶ They'll be people disappeared or they'll be married off.

他们会失踪或被嫁出去。

🎧 And after 23 years of war in Afghanistan, we did so much to help the woman rise up and become part of their society and part of American society and other societies.

在阿富汗23年的战争之后，我们做了很多工作帮助妇女崛起，成为她们社会的一部分，美国社会和其他社会的一部分。

🎧 And to watch them try to send people back and then back into that pit of despair with no hope is an unacceptable outcome for me.

看着他们试图把人送回那个绝望的深渊，没有任何希望，对我来说是不可接受的结果。

约翰，当然，你显然在与官员等的互动中反对这一点。

🎧 Do you have any indications that this could be reversed?

你有任何迹象表明这可能会被逆转吗？

🎧 What kind of reception are your arguments getting right now?

你的论点现在得到了什么样的回应？

🎧 None.

没有。

🎧 I think, you know, we had challenges in the Biden administration getting Afghans through.

我想，你知道，我们在拜登政府中遇到了让阿富汗人通过的挑战。

[Back to Top](#)

▶ I think we're at the point now with the current administration won't even answer phone calls about Afghans.

我想我们现在处于现任政府甚至不会接听关于阿富汗人的电话的地步。

▶ Many, many of the advocates inside of Congress, Republicans and otherwise are no longer have the voice or the ear of the president.

国会内部的许许多多倡导者，共和党人和其他人，不再有总统的声音或耳朵。

▶ Excuse me.

抱歉。

▶ And they are not able to change things and everything that we've pushed up and we keep saying, hey, we're veterans.

他们无法改变事情，我们一直在推动的一切，我们一直在说，嘿，我们是老兵。

[Back to Top](#)

▶ We took care of these people.

我们照顾了这些人。

▶ We cared so much about Afghans that when the government stopped paying for them to come here, we raised our own money as veterans.

我们如此关心阿富汗人，以至于当政府停止支付他们来这里的费用时，我们作为老兵筹集了自己的资金。

▶ So, yeah, I'm very much against what's happening.

所以，是的，我非常反对正在发生的事情。

▶ I think they really need to listen to the veteran community and I think these veterans that were in Congress that had a big voice need to speak up again and speak for the people that

that really care in not this administration.

我认为他们真的需要听取退伍军人社区的意见，我认为这些在国会中有很大大发言权的退伍军人需要再次发声，为那些真正关心的人而不是本届政府发声。

切坦·帕特克为您带来最新报道。

So Wimbledon 20-25 comes to an end with two first-time winners first eager Shiontech winning the women's final and now Yannick Sinner avenging his five-set defeat to Carlos Alcarath at the French Open final a few weeks ago.

2025年温网以两位新科冠军落幕——先是希昂泰克赢得女单决赛，如今辛纳复仇几周前法网决赛五盘败给阿尔卡拉斯的失利。

Unlike in that final it was Alcarath who took the first set here getting the first break of serve but he couldn't push on from there in his quest to join Borg, Sampras, Federer and Jokovic in winning three Wimbledon titles in a row.

与那场决赛不同，阿尔卡拉斯本次先赢一盘并率先破发，但未能延续优势以实现比肩博格、桑普拉斯、费德勒和德约科维奇的三连冠壮举。

[Back to Top](#)

And that's because where at times he lost focus and his first serve Sinner was the more consistent.

原因在于阿尔卡拉斯时而专注力下降且一发不稳，而辛纳表现更稳定。

Alcarath's magical ability still lit up this match but Sinner found special moments too and this time he was unrelenting this time he made sure he was the champion winning in four sets.

阿尔卡拉斯的魔力仍闪耀赛场，但辛纳也抓住关键分且毫不松懈，最终四盘夺冠。

That is now seven Grand Sam finals in a row won by either Carlos Alcarath or Yannick Sinner two finals in a row that they've played against each other.

这是阿尔卡拉斯与辛纳连续第七次包揽大满贯决赛，也是两人连续第二次决赛对决。
