

U.S. Backs Israel's Gaza Control Plans Amid Rising Tensions

【BBC国际新闻 P2 20250808 美国支持以色列控制加沙计划 中东局势紧张升级 | 特朗普立场引争议 | 人道危机加剧】

Summary: The U.S. ambassador to Israel stated that the Israeli government must decide its approach to Gaza, with the U.S. refraining from direct interference. Former envoy Frank Lewinstein noted Netanyahu likely has cabinet support for military expansion but warned of risks, including hostage safety and long-term governance challenges. Meanwhile, Trump's administration faces domestic criticism for its perceived unconditional backing of Israel, as humanitarian conditions worsen. Arab states reject involvement unless the Palestinian Authority leads post-conflict efforts, but Netanyahu opposes this.

🎵 Welcome back to this extended hour of World News America.

欢迎回到这期延长的《世界新闻美洲》节目。

🎵 Let's return to our top story.

让我们回到我们的头条新闻。

🎵 President Trump's ambassador to Israel has responded to Prime Minister Benjamin Netanyahu's plans to take control of all of Gaza, saying it's up to the Israeli government to decide.

特朗普总统驻以色列大使回应了本杰明·内塔尼亚胡总理控制整个加沙的计划，表示这取决于以色列政府的决定。

▶ Let's have a listen to what Mike Huckabee told our news partner, Sivius.

让我们听听迈克·赫卡比对我们的新闻合作伙伴西维乌斯说了什么。

 00:00:28

▶ It's not our job to tell them what they should or should not do.

我们的工作不是告诉他们应该或不应该做什么。

▶ Certainly, if they ask for wisdom, counsel advice, I'm sure the President would offer it.

当然，如果他们寻求智慧、建议，我相信总统会提供。

▶ But ultimately, it's the decision that the Israelis and only the Israelis can make.

但最终，这是以色列人且只有以色列人能做的决定。

▶ And I remember him saying that I know what I would do, but I'm not sure anybody else would do it.

我记得他说过，我知道我会怎么做，但我不确定其他人会这么做。

 00:00:48

▶ I think we got the inference of it would not be good for Hamas.

我想我们得到的暗示是这对哈马斯不利。

▶ Now to U.S. Special former U.S. Special Envoy for Israeli Palestinian negotiations, Frank Lewinstein, who joins us.

现在有请美国前巴以谈判特使弗兰克·莱文斯坦加入我们。

▶ Frank, for the last few days, we've been discussing whether or not this is just a negotiating tactic from Prime Minister Netanyahu.

弗兰克，过去几天我们一直在讨论这是否只是内塔尼亚胡总理的谈判策略。

▶ But as the hours ticked by in this security cabinet meeting continues, it seems like he does need it and he probably has the votes to push it through.

但随着安全内阁会议的持续进行，他似乎确实需要这个，而且很可能有足够的票数推动通过。

 00:01:17

 Would that be your read on it?

这是你的看法吗？

 Yes, I think that's exactly right.

是的，我认为完全正确。

 I think it's likely that the security cabinet will approve an expansion of the military campaign tonight.

我认为安全内阁今晚很可能会批准扩大军事行动。

 It will be interesting to see exactly what form that takes out, because there's been very significant opposition to a phone and definite occupation by the IDF.

看看具体采取什么形式会很有趣，因为对以色列国防军的长期明确占领存在强烈反对。

 00:01:34

 The chief of staff called it a black hole.

参谋长称其为黑洞。

 Another general described it as a Vietnam and an endless quagmire.

另一位将军将其描述为越南和无尽的泥潭。

 I think in the first instance, the main concern is the hostages.

我认为首要问题是人质。

 If they go into areas where the hostages are being held, they're very likely to be killed.

如果他们进入人质被关押的地区，他们很可能被杀。

 I think more broadly, the IDF does not want to be governing two million Palestinians, providing basic services in the context of a catastrophic humanitarian crisis.

我认为更广泛地说，以色列国防军不想在灾难性的人道主义危机中管理两百万巴勒斯坦人并提供基本服务。

 00:01:55

▶ So, Netanyahu is saying he'll turn it over to an hour or four once he's done.

所以内塔尼亚胡表示完成后会将其移交给某个机构。

▶ But for now, it seems like the goal of the mission is to drive all the Palestinians into southern Gaza and hope that they'll voluntarily migrate, which is just a recipe for a continuation of the current disaster.

但目前看来，任务目标是将所有巴勒斯坦人驱赶到加沙南部，并希望他们自愿迁移，这只会延续当前的灾难。

▶ On a very fundamental level is Al Zameer, the head of the IDF, also just not concerned, that he doesn't have the resources.

从根本上说，以色列国防军负责人阿尔·扎米尔也不担心他没有资源。

 00:02:17

▶ He doesn't have the people or the reservists to actually make this happen.

他没有足够的人员或预备役来实现这一目标。

▶ Yeah, well, that's not exactly right.

是的，这不完全正确。

▶ He's very concerned about the toll this two-year war is taking on the IDF, especially when the ultra-orthodox refuse to serve in the military, which is a major point of contention over there.

他非常担心这场两年战争对以色列国防军的影响，尤其是极端正统派拒绝服役，这是那里的主要争议点。

▶ But yeah, he's concerned about the casualties that they'll face in a long-term guerrilla war against Hamas and Gaza.

但他确实担心他们在与加沙的长期游击战中会面临的伤亡。

🎧 So, it's an interesting push and pull between the political folks and the military folks right now.

所以现在政治人物和军事人物之间存在有趣的拉锯战。

🎧 Well, interesting to see how it turns out.

好吧，看看结果如何会很有趣。

🎧 And when he says Arab forces can just come on and afterwards and take over, who is he talking about?

当他说阿拉伯部队可以随后接管时，他指的是谁？

🎧 Because the Jordanians have thoroughly pushed back tonight, saying there's absolutely no way they're going to go in.

因为约旦人今晚坚决反对，表示他们绝对不会介入。

🎧 And the Egyptians, I'm sure, are the same.

我相信埃及人也是一样。

🎧 Yeah, you're exactly right.

是的，你说得对。

🎧 And what the offer has been from the international community, including an plan put forward by the Egyptians, was an original peacekeeping force, but under the auspices of the Palestinian Authority.

国际社会提出的提议，包括埃及提出的计划，是一支原始的维和部队，但在巴勒斯坦权力机构的主持下。

🎧 That is critical to the other Arab countries.

这对其他阿拉伯国家至关重要。

🎧 They need this to be done with the full support of the Palestinian government there.

他们需要巴勒斯坦政府的全力支持才能实现这一目标。

 00:03:15

Netanyahu today specifically ruled out any role for the Palestinian Authority.

内塔尼亚胡今天明确排除了巴勒斯坦权力机构的任何角色。

So again, it remains to be seen whether that's a serious offer from Netanyahu or an effort to message this in a way that's going to enable him to push it through the security cabinet tonight.

所以再次，这是内塔尼亚胡的严肃提议，还是为了今晚推动安全内阁通过而传递的信息，还有待观察。

What do you think President Trump's position is on this?

你认为特朗普总统对此的立场是什么？

 00:03:30

Because surely he wouldn't be suggesting this or pushing it through if he didn't have President Trump's backing and approval.

因为如果没有特朗普总统的支持和批准，他肯定不会建议或推动这一点。

Yeah, I think it's pretty clear from him how could be comments that the United States is behind this.

是的，我认为从他的评论中可以清楚地看出美国支持这一点。

I think it's fairly tap-ed our support, but we're going to, Trump's going to let these Israelis do more or less whatever they want.

我认为我们的支持相当明确，但特朗普会让以色列人或多或少地做他们想做的事。

 00:03:48

We have taken a little bit of an interest in the humanitarian crisis there.

我们对那里的人道主义危机有点关注。

▶ They're talking about expanding the Gaza-Humanitarian Foundation from four sites to 12 sites in order to address the, obviously widespread starvation that the President himself has recognized.

他们正在讨论将加沙人道主义基金会的站点从四个扩大到十二个，以解决总统本人承认的普遍饥饿问题。

▶ But again, that process has not worked at all.

但再次，这一过程完全没有奏效。

▶ So it remains to be seen whether we're actually able to ramp that up in a way that's going to be more effective.

因此，我们是否能够以更有效的方式扩大规模还有待观察。

 00:04:07

▶ But Frank, is that where you still think it's at here in the U.S.?

但弗兰克，你认为美国现在的情况就是这样吗？

▶ That Trump and his administration will just do whatever Israel wants.

特朗普和他的政府只会做以色列想要的事情。

▶ Because it does feel like there is pushback here now that is increasing.

因为现在确实感觉反对的声音在增加。

▶ Yeah, you're right.

是的，你说得对。

▶ And there are some of it has come from Trump's own base.

其中一些反对来自特朗普自己的支持者。

▶ Marjorie Taylor-Greene, one of the leaders of the MAGA movement, has described the situation there as a genocide.

MAGA运动的领导人之一玛乔丽·泰勒·格林将那里的局势描述为种族灭绝。

 00:04:31

▶ There's increasing concern that this is inconsistent with an America first policy, getting the United States deeper and deeper into this horrible war.

越来越多的人担心这与“美国优先”政策不一致，使美国越来越深地卷入这场可怕的战争。

▶ It's not something that the President ran for office on.

这不是总统竞选时的承诺。

▶ But for the time being anyway, I think Trump is really going to let Netanyahu do it every once.

但就目前而言，我认为特朗普真的会让内塔尼亚胡这么做。

▶ As time goes by, we'll see if he changes his tune on that or not.

随着时间的推移，我们会看到他是否会改变态度。

 00:04:49

▶ And just very briefly, Frank, in terms of Arab states influence on Hamas, who could play a role now there?

弗兰克，简单地说，就阿拉伯国家对哈马斯的影响力而言，现在谁可以在那里发挥作用？

▶ Well, I think there's a very significant statement that came out of the Arab, the Arab League the other day saying an effect that Hamas really needed to disarm.

我认为阿拉伯联盟前几天发表了一份非常重要的声明，称哈马斯确实需要解除武装。

▶ So it remains to be seen how much influence they have, because that would really make things a lot easier if they could push Hamas to basically see control of Gaza peacefully.

所以他们有多少影响力还有待观察，因为如果他们能推动哈马斯和平放弃对加沙的控制，事情会容易得多。

 00:05:16

▶ But I don't think there's any indication that Hamas is willing to do that.

但我认为没有任何迹象表明哈马斯愿意这样做。

▶ It's effectively a complete surrender.

这实际上是完全投降。

🎧 And so the hope is that there will be pressure put on them, but right now it doesn't feel like that's actually going to work.

所以希望是能对他们施加压力，但目前感觉这不会奏效。

🎧 Frank Lohansi, good to get your thoughts.

弗兰克·洛汉西，很高兴听到你的想法。

🎧 Thank you for joining us on the program.

感谢你参加我们的节目。

 00:05:29

🎧 Well, let's discuss this further with the Republican strategist Matt Terrell, the formally served as chief of staff of Marco Rubio and Democratic strategist, Marco Hardaway, former communications director and spokesperson for my minority leader, Huckayne Dreyfries.

好吧，让我们进一步与共和党策略师马特·特雷尔（曾担任马可·鲁比奥的幕僚长）和民主党策略师马可·哈达威（前少数党领袖哈克尼·德雷弗斯的通讯主任和发言人）讨论这个问题。

🎧 Both of you, very welcome to the program.

欢迎两位来到节目。

🎧 Matt, if I can start with you, we keep hearing time and time again.

马特，如果我可以从你开始，我们一再听到。

 00:05:49

🎧 It's President Trump that can end this, could bring about a potential ceasefire, stop the level of suffering or begin the process that could stop that.

特朗普总统可以结束这一切，可以促成潜在的停火，停止苦难或开始可能阻止这一进程的进程。

🎧 What position is he in right now?

他现在处于什么位置？

🎧 What do you think is where is he at with his thinking?

你认为他的想法是什么？

▶ Well, look, I think President Trump wants to end this war.

好吧，我认为特朗普总统想结束这场战争。

▶ He campaigned in this war.

他在竞选中提到了这场战争。

bilibili 00:06:07

▶ I think he's doing everything can end this war.

我认为他正在尽一切努力结束这场战争。

▶ And I think where he's at right now is really deferring to this really government, what they need to do to ensure their security.

我认为他现在真正听从的是这个政府，他们需要做什么来确保他们的安全。

▶ But there's other elements that play here as we all know.

但众所周知，还有其他因素在起作用。

▶ For example, the hostage situation on the ground there, Hamas choosing not to release these hostages.

例如，那里的人质局势，哈马斯选择不释放这些人质。

bilibili 00:06:25

▶ That's obviously a variable here that is not helping to end this war.

这显然是一个不利于结束这场战争的变量。

▶ And the other element of this is that the Trump administration has been clear that they feel as though, for this war to be a permanent end, not a micro-end, but a macro-end, you have to eliminate Hamas.

另一个因素是，特朗普政府明确表示，他们认为要永久结束这场战争，而不是小规模结束，而是大规模结束，必须消灭哈马斯。

▶ That you will not have sustained peace there unless Hamas is totally eliminated.

除非哈马斯被彻底消灭，否则那里不会有持久的和平。

 00:06:46

▶ So those are the things that this administration, I think, sees needs to happen to end this conflict.

所以我认为本届政府认为需要发生这些事情才能结束这场冲突。

▶ But I think ultimately, President Trump feels as though this is something that needs to be delivered on in this conflict, something he can't be done.

但我认为最终，特朗普总统觉得这是在这场冲突中需要实现的事情，他无法做到的事情。

▶ We'll see what next steps are here.

我们将看看接下来的步骤是什么。

▶ Michael, what are your thoughts in terms of public sentiment and the pressure as well that it is then put in on politicians right across the country to see some kind of resolution to this as pictures of people starving and Gaza are now everywhere that you go and people are increasingly disgusted by what they are saying?

迈克尔，就公众情绪和压力而言，你的想法是什么？现在加沙人民挨饿的照片随处可见，人们对他们所说的话越来越反感，这给全国各地的政治家带来了压力，要求他们看到某种解决方案。

 00:07:17

▶ How do you think that's changing the political dynamic?

你认为这如何改变政治动态？

▶ Holding an America increasingly shows that Americans are concerned about the famine that you just mentioned and they're eager for this war to end.

越来越多的美国人表现出对你刚才提到的饥荒的担忧，他们渴望这场战争结束。

▶ I think the way that Trump has gone about it is not a smart way because I think the reality is that if they're going to end this war, which they should, it has to be an all-hands-on-deck effort with partners in the Middle East, especially Arab states, who are going to be largely responsible for helping keep this together once this ends.

我认为特朗普的做法并不明智，因为我认为现实是，如果他们想结束这场战争（他们应该这样做），就必须与中东的伙伴，尤其是阿拉伯国家共同努力，一旦战争结束，他们将主要负责维持这一局面。

 00:07:43

⏮ And so the idea of allowing Netanyahu to do whatever he wants to do is not a smart way about going about ending this conflict, but it needs to end.

所以让内塔尼亚胡为所欲为的想法并不是结束这场冲突的明智方式，但它需要结束。

⏮ You've got many people starving to death.

很多人正在饿死。

⏮ You have many others being killed as they go to look for food.

还有很多人因为寻找食物而被杀。

⏮ And so America has a so-where leadership, but it cannot go about this alone.

所以美国有一定的领导力，但不能独自完成。

 00:08:03

⏮ You have to have other Arab states in the Middle East working together in this war.

必须有其他中东阿拉伯国家在这场战争中合作。

⏮ Can we change the topic now to something that's happening here in the US with the redistricting story?

我们现在可以换个话题，谈谈美国正在进行的选区重划故事吗？

⏮ Taking a really dramatic turn today, Matt, with the FBI being called in.

马特，今天发生了戏剧性的转折，联邦调查局被召入。

⏮ Is that the right move?

这是正确的举动吗？

⏮ Well, we'll see what happens with all of that.

好吧，我们看看会发生什么。

 00:08:22

▶ There's no question that I think many people view with the Democrats from Texas are doing here.

毫无疑问，我认为很多人对德克萨斯州的民主党人在这里所做的事情持怀疑态度。

▶ It's not a great look.

这看起来不太好。

▶ Here you have these Texas Democrats going to Illinois, which by the way, many would argue is the most gerrymandered state in the country and camping out there.

德克萨斯州的民主党人去了伊利诺伊州，顺便说一句，许多人认为伊利诺伊州是全国选区划分最不公平的州，并在那里驻扎。

▶ And that's a state where President Trump won that, excuse me, President Trump got over 30% of the vote in that state, actually over 40% of the vote in that state.

这是一个特朗普总统赢得——抱歉，特朗普总统在该州获得了超过30%的选票，实际上超过40%的选票的州。

 00:08:47

▶ And yet of these 17 congressional districts, Republicans only hold three of those congressional districts in that state.

然而在这17个国会选区中，共和党只控制了该州的三个选区。

▶ You know, Massachusetts, another example of Democrats doing gerrymandering in that state.

你知道，马萨诸塞州是民主党在该州进行选区划分的另一个例子。

▶ So Democrats do gerrymandering.

所以民主党确实进行选区划分。

▶ I don't think it's a great look to flee, I think, at the end of the day, if you're going to fight, you have to go over to the fight is.

我认为逃跑看起来不太好，归根结底，如果你要战斗，你必须去战斗的地方。

 00:09:04

▶ The fight isn't Texas right now on this issue.

目前在这个问题上，战斗不在德克萨斯州。

▶ And Democrats leaving at this time, I think, is a bad look for them.

我认为民主党此时离开对他们来说不是好事。

▶ But is this a proper use of the FBI or this is simply political?

但这是联邦调查局的正当使用，还是仅仅是政治行为？

▶ Well, that's up to a lot.

好吧，这取决于很多因素。

▶ You know, a lot of President Trump is clear that you may have to use law enforcement to get these individuals back to the state to fulfill their duties.

你知道，特朗普总统明确表示，你可能不得不动用执法部门让这些人回到州里履行职责。

 00:09:21

▶ Like haven't broken any laws?

比如没有违反任何法律？

▶ Well, neither is Texas, though, in terms of choosing to do this redistricting.

但德克萨斯州选择进行选区重划也没有违法。

▶ They haven't broken any laws.

他们没有违反任何法律。

▶ And at the end of the day, I think a lot of Americans look at this and say, you know, this wouldn't fly in the private sector.

说到底，我认为很多美国人看到这一幕会说，这在私营部门是行不通的。

▶ If you had these individuals working in a private sector company, could they just leave their job?

如果这些人在私营企业工作，他们能就这样离职吗？

 00:09:37

▶ And it's not just redistricting that he's been taking care of here.

他在这里处理的不仅仅是选区重划问题。

▶ There's issues related to, you know, flooding and relief for victims of flooding in Texas.

还有与得州洪水及灾民救济相关的问题。

▶ That's being held up right now because these Democrats chose to leave this state.

现在这些问题被搁置，因为这些民主党人选择离开该州。

▶ I think the right move for them is to go back and it's what you believe in.

我认为他们正确的做法是回去，并为自己的信念而战。

▶ Fight for it.

去争取。

 00:09:53

▶ But voters and constituents respect is those who show up and fight.

但选民和选民尊重的是那些站出来斗争的人。

▶ And the eyes of many Americans, Democrats chose to flee.

而在许多美国人看来，民主党人选择了逃跑。

▶ That's not a great look for the Democrat party right now.

这对民主党目前的形象并不有利。

▶ Michael, your view on the FBI being brought in and really how that changes the dynamic in this.

迈克尔，你对FBI介入的看法，以及这如何改变了局势。

🎵 Well, first of all, Donald Trump is trying to rig the system here.

首先，唐纳德·特朗普试图在这里操纵系统。

bilibili 00:10:11

🎵 You have the FBI.

FBI介入了。

🎵 There's no crime being committed, but he is attempting to leverage them against American citizens.

虽然没有犯罪行为，但他试图利用FBI对付美国公民。

🎵 That is illegal.

这是非法的。

🎵 First of all, second of all, Texas is actually one of the most year-renumandestates in the country outside of this current effort.

首先，其次，得州实际上是全国最.....（此处原文可能有误，暂按原句保留）

🎵 And so the idea that in the middle of a 10-year period between sentences that you would have this happen again makes absolutely no sense.

因此，在十年间隔期内再次发生这种情况是毫无道理的。

bilibili 00:10:33

🎵 And that is absolutely out American.

这完全不符合美国精神。

🎵 I think that as we look at the midterm elections, which is what all of this is about, Donald Trump is trying his best to prevent Democrats from taking over and investigating him.

我认为，鉴于这一切都与中期选举有关，特朗普正竭力阻止民主党接管并调查他。

🎵 And he's willing to do whatever it takes, whether that's weaponizing the FBI against his political opponents, whether that's rigging the system in terms of gerrymandering and Texas and beyond.

他不惜一切代价，无论是利用FBI对付政敌，还是通过操纵选区划分等方式操控系统。

 00:10:54

▶ He's willing to do whatever it takes.

他愿意不择手段。

▶ But I think that we have to follow the law.

但我认为我们必须遵守法律。

▶ And the idea that we're going to use the FBI to chase down American citizens who are lawmakers is completely insane.

而用FBI追捕身为立法者的美国公民的想法是完全疯狂的。

▶ We have to have some perspective here in terms of how far we're moving down the lane here.

我们必须理性看待事态的发展程度。

▶ And this is not the right thing to do.

这不是正确的做法。

▶ And it's really not the American thing to do.

这也不符合美国的价值观。

 00:11:16

▶ And if you look at history, that's just not something that has ever been done as it relates to lawmakers that are simply doing their job.

从历史来看，这种做法从未针对过只是履行职责的立法者。

▶ They're breaking no laws by leaving that state during this period.

他们在此期间离开该州并未违法。

▶ To Michael's point in that, does it not feel like a bit of a dangerous situation that you're really opening up this Pandora's box for the first time blurring the role of law enforcement and politics in this way with the involvement of the FBI?

就迈克尔的观点而言，首次以这种方式让FBI介入，模糊执法与政治的界限，是否感觉像打开了一个危险的潘多拉魔盒？

 00:11:38

🎧 Well, look, I think the court system that can iron all that out, and then you have the court of public opinion.

我认为法院系统可以解决这些问题，此外还有舆论的评判。

🎧 And I think in the eyes of many Americans right now, they view the Democrat Party as doing or not.

而在许多美国人眼中，他们认为民主党做得不对。

🎧 These Texas Democrats is not a great look.

这些得州民主党人的形象不佳。

🎧 Again, I go back to this fight as in Texas.

我再次强调，这是在得州的斗争。

🎧 They chose to leave and go to Illinois, which many would argue is the most gerrymandered state in the country and Democrats do gerrymandering.

他们选择离开并前往伊利诺伊州——许多人认为该州是选区划分最不公的州，而民主党也参与其中。

 00:12:02

🎧 And so, look, I think this is not a great look not only to leave, but this is something that Democrats do and many would argue Democrats do gerrymandering better than Republicans.

因此，这不仅离场形象不佳，而且民主党在这方面做得比共和党更甚。

🎧 We'll see what law enforcement does here.

我们将观察执法部门的行动。

🎧 But then the day, I think many Americans think that these lawmakers should go back to Texas, do their jobs.

但归根结底，许多美国人认为这些议员应回到得州履行职责。

▶ And this is what they believe and go there and fight for it.

这是他们的信念，他们应该去那里争取。

bilibili 00:12:20

▶ Voters and Americans have great respect for those who stand in fight, not for those who leave.

选民和美国人更尊重坚持斗争的人，而非逃离者。

▶ In the eyes of many Americans, these Democrats fled the fight, didn't go to it.

在许多人看来，这些民主党人逃避了斗争。

▶ And Michael, where does this redistricting arms race end?

迈克尔，这种选区重划的军备竞赛何时结束？

▶ Because surely Democratic states like California, New York, Maryland, they're all looking at their options now as well.

因为加州、纽约、马里兰等民主党州肯定也在考虑对策。

bilibili 00:12:39

▶ Absolutely.

确实如此。

▶ And they are.

他们确实在考虑。

▶ I mean, you know, this is not a good way to go because to your point, you could have a litany of states doing the exact same thing.

这不是好现象，因为如你所说，可能有一系列州效仿这种做法。

▶ You have a number of seats in California.

加州有许多席位。

🎧 Democrats can pick up a number of seats in New York that Democrats can pick up.

民主党可以在纽约争取更多席位。

🎧 And other states around the country.

以及其他州。

🎧 And so if Texas moves this way, which again, is not something people do in the middle of a 10-year period between censuses, then you could have complete chaos as we look to move toward the midterm elections with the number of states picking up extra seats on both sides of the aisle in a way that's not necessary.

如果得州这样做（这也不是在两次人口普查间隔十年内该做的事），中期选举前可能出现完全混乱，两党各州不必要地争夺额外席位。

 00:13:15

🎧 Good to have you both with us as the redistricting argument continues for yet another day.

很高兴两位参与讨论，选区重划争议仍在持续。

🎧 Thank you so much, Matt and Michael.

非常感谢，马特和迈克尔。

🎧 Thank you.

谢谢。

🎧 With BBC News, US tariffs we've been discussing are, but let's look at how it impacts Brazil.

在BBC新闻中，我们一直在讨论美国关税，现在看看它对巴西的影响。

▶ Because on various Brazilian goods, they were surged to 50 per cent, but with broad exemptions.

因为针对多种巴西商品，关税已升至50%，但有广泛豁免。

bilibili 00:14:46

▶ President Trump separately targeting Brazil over the trial of his right-wing ally, the former President Giabolsonarro, who was accused of planning a coup.

特朗普总统还因巴西对其右翼盟友、前总统博索纳罗的审判而单独针对巴西——博索纳罗被指控策划政变。

▶ I'll stop America correspondent, only once has more.

我将连线美国记者，了解更多细节。

▶ Well, in Brazil, the 50 per cent tariff rate came in yesterday on Wednesday, hitting some of Brazil's major exports to the US, including things like coffee and beef.

巴西的50%关税已于周三生效，影响其对美主要出口商品，如咖啡和牛肉。

bilibili 00:15:08

▶ Coffee, in particular, is a big worry for exporters here in Brazil.

咖啡尤其令巴西出口商担忧。

▶ Brazil is the biggest exporter of coffee in the world, and the US buys about a third of its coffee from Brazil.

巴西是全球最大咖啡出口国，美国约三分之一的咖啡从巴西进口。

▶ So those tariffs have now come into effect over the next few months.

这些关税将在未来几个月生效。

▶ We will see what the impact of them will be, but there are fears among both businesses here, but also US consumers and US importors of coffee and other goods that price rises could start to be seen and felt in the coming weeks and months ahead.

我们将观察其影响，但巴西企业和美国消费者、进口商担心未来几周或数月内价格上涨。

 00:15:40

🎵 Brazil so far has decided not to retaliate and implemented own tariff rates in retaliation on US goods entering Brazil.

巴西迄今未实施报复性关税。

🎵 So far, Brazil has decided to try and prioritize financial support for affected businesses, particularly smaller farmers and producers.

目前巴西优先为受影响企业（尤其是小农户和生产者）提供财政支持。

🎵 They are also trying to collaborate more with other affected nations.

他们还试图与其他受影响国家加强合作。

🎵 President Lula de Silva of Brazil spoke with Prime Minister Modi of India on Thursday.

巴西总统卢拉周四与印度总理莫迪通话。

 00:16:08

🎵 Both these countries have been hit with this 50 per cent rate, the highest rate in the world.

两国均受50%关税影响（全球最高税率）。

🎵 Now, as part of that phone call, both the US pledge to defend multilateralism.

通话中，双方承诺捍卫多边主义。

🎵 One thing that's interesting about both these countries tariffs, if they've both been implemented for political reasons.

值得注意的是，两国的关税均出于政治原因。

🎵 In the case of India, it is a Jude President Trump criticizing India for continuing to buy Russian oil, something which Brazil also does.

对印度，特朗普批评其继续购买俄罗斯石油（巴西亦然）。

 00:16:34

▶ In the case of Brazil, President Trump has blamed the 50 per cent tariffs on the trial of his ally, the former right-wing president of Brazil, J. A. Bolsonaro, who is facing trial for allegations he tried to attempt to coup after losing the last election, something which he denies.

对巴西，特朗普将关税归咎于其盟友博索纳罗的审判——后者被指控在败选后策划政变（他否认指控）。

▶ Both theodias are expected to continue talking about this and a verge further collaboration.

两国预计将继续讨论并深化合作。

▶ In the meantime though, there is still some hope in Brazil that negotiations could prevail, and next week there will be a meeting between the finance ministers, respectively, in Brazil and the US, to try and speak about potential further negotiations.

与此同时，巴西仍希望谈判能成功，下周两国财长将举行会议探讨进一步谈判。

 00:17:12

▶ Well, the US is the world's largest coffee importer, and its main supplier is Brazil.

美国是全球最大咖啡进口国，其主要供应国是巴西。

▶ And it is the world's biggest coffee exporter responsible for around 37 percent of global production.

巴西也是全球最大咖啡出口国，占全球产量的37%。

▶ In 2023, about 35 percent of US un-Rost-and-coffee imports came from Brazil.

2023年，美国约35%的生咖啡进口来自巴西。

▶ So, let's talk now to Sammy Chabia, who is vice president of what's brewing coffee roasters.

现在连线咖啡烘焙公司副总裁萨米·查比亚。

 00:17:35

▶ Sammy, good to see you.

萨米，你好。

▶ How is all of this impacting you?

这对你有何影响？

▶ Well, I mean, the coffee world in general over the past four years has seen quite a roller coaster with pricing.

过去四年咖啡价格波动剧烈。

▶ First, we had droughts of frosts in Brazil that have kind of affected the market throughout the world.

先是巴西干旱和霜冻影响全球市场。

▶ We're starting to see a little bit of relief as production in the reserves of coffee start to go up.

随着库存增加，压力略有缓解。

bilibili 00:18:04

▶ Now we're seeing this tariffs.

现在又有关税问题。

▶ The tariffs in general have not affected us much up to this point because while the prices previously had been high, now they've dropped the 10 percent pair of brought those prices up a bit.

目前关税影响不大，因前期高价已回落，10%的涨幅略有抬价。

▶ But really what's going to be interesting are the people who have thousands and thousands of pounds of Brazil.

但真正受影响的是那些囤积大量巴西咖啡的商家。

▶ They're waiting to receive and they're in warehouses right now.

这些咖啡现滞留仓库等待交付。

bilibili 00:18:33

▶ That 50 percent is going to represent a huge, huge toll on businesses such as myself.

50%关税将对我们这样的企业造成巨大冲击。

▶ Yeah, what's going to happen to that coffee then, do you think, Sammy?

你认为这些咖啡会怎样处理？

▶ Oh, I mean, it's going to get tax.

会被征税。

▶ There is a little bit of a rumor regarding our previous tariffs that there might be some amount, some way of reimbursing for tariffs, if the tariffs were to go away, I don't think that's realistic option.

有传言称若关税取消或可补偿，但我不认为这现实。

 00:18:58

▶ What about it? Sammy, what about it just being shipped elsewhere?

能否转运其他国家？

▶ The Chinese is adding to really develop a catch taste for coffee.

中国市场对咖啡的需求正在增长。

▶ I mean, the Asian markets exploding.

亚洲市场爆发。

▶ China's already had over 150 companies approved to do business with Brazil.

中国已有超150家企业获准与巴西贸易。

▶ That's definitely going to represent some competition in a marketplace where things have been so tight and with climate change, with a number of different factors.

在供应紧张、气候变化等多因素下，这将加剧市场竞争。

 00:19:27

▶ Our surplus of coffee is going to be something to watch in regards to prices.

咖啡过剩将影响价格走势。

⏮ But tariffs certainly aren't going to help that as far as the US consumers chance.

但关税无助于美国消费者。

⏮ Yeah, what does it mean, do you think, in terms of the price of a cup of coffee for the US consumer?

你认为美国消费者一杯咖啡的价格会涨多少？

⏮ Well, I mean, when you talk about the price of a cup of coffee, I mean, if you're talking about, you know, in grams, so you know, you might see for the coffee shop owner an increase of 10 to 15 cents per cup maximum, they'll easily pass that on to consumers at a 25 to 50 percent.

对咖啡店主而言，每杯成本或涨10-15美分，他们会将25%-50%转嫁给消费者。

 00:20:01

⏮ But it's not just about coffee.

不仅是咖啡。

⏮ We're talking about tariffs on cups, packaging, all these other products that are coming in from China and abroad.

还有来自中国等的杯子、包装等商品的关税。

⏮ That's really going to have, like I said, that impact on the consumer.

这将切实影响消费者。

⏮ And Sammy, what I didn't realize until today is just how massive Brazil was in terms of the coffee that it exports, and particularly to the US.

我今天才意识到巴西咖啡出口（尤其对美国）的规模。

 00:20:22

⏮ It's not like you can fill this whole by going to other countries like, say, in Africa, like Ethiopia, they're already exporting everything they've got.

无法通过转向埃塞俄比亚等非洲国家填补缺口——它们已全力出口。

⏮ Well, I mean, that's outside the purview of this, but definitely we're starting to see some, you know, comparative values in countries where we never really thought.

虽然不在此议题内，但我们确实看到一些新产地的潜力。

⏮ But for us, we've dealt directly with producers in El Salvador in Mexico to help mitigate the rising costs through tariffs or throughout the recent surge in pricing that began back in December and January of this year.

我们已直接与萨尔瓦多、墨西哥的生产商合作，以缓解关税或去年12月至今涨价的影响。

 00:20:56

⏮ So, yeah, I mean, there is no replacement for Brazilian coffee.

巴西咖啡无可替代。

⏮ And these tariffs aren't just limited to Brazil, as you all mentioned earlier, India is being affected by this.

关税不仅针对巴西，印度、印尼、越南等也受影响。

⏮ They're a producer of robusta coffees, Indonesia, Vietnam, all these tariffs kind of just surging in on the market right now.

这些罗布斯塔咖啡产国正面临关税冲击。

⏮ We're really going to have to watch it closely.

我们必须密切关注。

 00:21:21

⏮ Fortunately for us, most of our shimmings have landed, but that's not to say that our second half pricing won't be effective this year, especially in the Q4.

幸运的是，我们大部分货物已到港，但下半年（尤其第四季度）价格仍可能波动。

⏮ We'll have it's a wait and see kind of thing right now.

目前只能观望。

▶ Yeah, a really worrying time for you.

这对你们是艰难时期。

▶ Sammy, thanks so much for joining us, and you're very good-looking, roasting machine behind you.
