 This is the world today on BBC News, the latest headlines.

这里是BBC新闻的今日世界，最新头条。

 President Trump has said Russia's trade partners will face tariffs of 100 percent unless Moscow reaches a peace deal with Ukraine in 50 days.

特朗普总统表示，除非莫斯科在50天内与乌克兰达成和平协议，否则俄罗斯的贸易伙伴将面临100%的关税。

 The EU's trade commissioner warned that \$84 billion of trade with the US is at risk if talks fail.

欧盟贸易专员警告称，如果谈判失败，与美国的840亿美元贸易将面临风险。

 As the death toll in Gaza continues to rise, Israel's former Prime Minister Ehud Olmert condemns plans to move garsons to a so-called humanitarian city.

随着加沙死亡人数持续上升，以色列前总理埃胡德·奥尔默特谴责将加沙居民迁至所谓"人道主义城市"的计划。

🎧 Scientists have discovered the largest black hole merger ever recorded 10 billion light years from Earth.

科学家发现了距地球100亿光年的有记录以来最大黑洞合并。

🎧 Now, to the ongoing trade war between the EU and the United States, the EU's trade commissioner, Maros Sefkovich, says \$84 billion, that's 72 billion euros, worth of trade with the US, could be targeted if trade talks fail.

现在关注欧盟与美国持续的贸易战，欧盟贸易专员马洛斯·塞夫科维奇表示，如果贸易谈判失败，价值840亿美元（720亿欧元）的对美贸易可能成为目标。

 00:01:13

🎧 More rebalancing measures on still an aluminum are suspended until early August, and today the commission is sharing with the member states the proposal for the second list of goods, accounting of some 70 to billion euros worth of US imports.

针对钢铁和铝的更多再平衡措施将暂停至8月初，今天欧盟委员会正与成员国分享第二份商品清单提案，涉及约700亿至800亿欧元的美国进口商品。

🎧 They will now have a chance to discuss it.

成员国现在将有机会讨论该提案。

🎧 Well, he was speaking after a meeting of EU trade ministers which discussed how to respond to Donald Trump's threat to impose 30 percent tariffs against the block.

他是在欧盟贸易部长会议后发表讲话的，会议讨论了如何应对特朗普对欧盟加征30%关税的威胁。

 00:01:44

▶ Mr. Trump had warned he'll impose even higher import taxes if the US trading partner decided to retaliate.

特朗普警告称，如果美国贸易伙伴决定报复，他将征收更高的进口税。

▶ Well, the value of EU-US trade in goods and services amounted to \$2 trillion or 1.7 trillion euros in 2024.

2024年欧盟与美国商品和服务贸易额达2万亿美元（1.7万亿欧元）。

▶ The European Commission described the trade between the US and the EU as the most important commercial relationship in the world.

欧盟委员会将美欧贸易描述为世界上最重要的商业关系。

[Back to Top](#)

 00:02:08

▶ The US trade deficit with the block was more than \$235 billion or \$202 billion euros last year, that's according to the Office of the US Trade Representative.

根据美国贸易代表办公室数据，去年美国对欧盟贸易逆差超过2350亿美元（2020亿欧元）。

▶ Well, let's speak now to Ignacio Garcia-Bacero, who is a non-resident fellow at the Brussels-based Economic Sink Tank, Bruegel.

现在让我们连线布鲁塞尔经济智库Bruegel非常驻研究员伊格纳西奥·加西亚-巴塞罗。

▶ Good to speak to you.

很高兴与您交谈。

[Back to Top](#)

 00:02:28

▶ Thanks so much for joining us on the world today.

非常感谢您参加今日世界节目。

▶ So what do you think the EU has option-wise right now?

您认为欧盟目前有哪些选择？

▶ Well, I think that the issues that has come from Commissioners' escapic is very clear.

我认为委员会的表态非常明确。

▶ Between now and the first of all, I'm sure they're going to be continuous discussions with the United States to see where it is possible to reach satisfactory agreement of principles that avoids a big trade conflict.

从现在到8月1日前，我相信欧盟将继续与美国讨论，寻求达成令人满意的原则协议以避免重大贸易冲突。

[Back to Top](#)

 00:02:58

▶ But at the same time, if there is no agreement and if the United States goes ahead and applies a 30% that if increased, I have no doubt whatsoever that there would be a very substantial re-valancing package that would be applied by the European Union.

但如果没有达成协议且美国实施30%或更高关税，欧盟无疑将采取非常重大的再平衡措施。

▶ I mean, as Commissioners' escapic has indicated, this has already been decided that by the 6th of August, there would be 21 billion of Euro's trade re-valancing with the United States, and there would also be the second package of 72 billion Euro.

正如委员会所表明的，欧盟已决定在8月6日前实施210亿欧元对美贸易再平衡措施，随后还将推出720亿欧元的第二套方案。

▶ So all in all, a very, very significant re-valancing action with the United States.

总之，这将对美国非常重大的再平衡行动。

[Back to Top](#)

▶ Also taking into account, by the way, that the United States will be actually creating a lot of disruption on value chains, which are very, very closely integrated.

还需考虑的是，美国此举将严重破坏高度一体化的价值链。

▶ If the United States was going to apply a 30% tariff on imports from the European Union, this is going to harm very significantly those American companies that rely on imports from the European Union for their manufacturing.

如果美国对欧盟进口商品征收30%关税，将严重损害依赖欧盟进口进行生产的美国企业。

▶ It is chemicals, it is machinery.

包括化学品、机械设备等。

[Back to Top](#)

▶ It is a lot of things that American companies need.

这些都是美国企业必需的物资。

▶ So this will be an incredible act of serve harm by the United States.

因此这将是美国令人难以置信的自残行为。

▶ I'd like, please, that there will be some sort of agreement between now and August 1st.

我希望在8月1日前能达成某种协议。

▶ I don't want to make any predictions.

我不想做任何预测。

▶ I just, that there have been intensive discussions over the last few weeks, and that positions were not so far apart.

只是过去几周讨论非常密集，双方立场差距并不大。

 00:04:30

▶ It appears that the United States may have decided to increase the pressures through this announcement.

美国似乎决定通过这次声明加大施压。

▶ I don't think that that's a very good tactic.

我认为这不是个好策略。

▶ If anything is going to make discussions more difficult, but it's clear is that if there is no agreement, there's no other option but for the European Union to take this re-balancing action for the time being on goods.

这只会使谈判更加困难，但如果没有协议，欧盟别无选择，只能暂时对商品采取再平衡措施。

[Back to Top](#)

 00:04:50

▶ But I think in my view, if there was going to be this 30% tariff, there would also be a serious discussion about the application of restrictions on services, procurement and export controls.

但我认为如果实施30%关税，欧盟还将认真讨论限制服务、采购和出口管制的措施。

▶ Okay.

好的。

▶ In Asya Gassia, Bessera, it's good to talk to you.

加西亚-巴塞罗先生，很高兴与您交谈。

▶ Thank you very much.

非常感谢。

▶ Israel's former Prime Minister, Eud Olmert, has condemned Israeli plans to move Palestinians in Gaza to a so-called humanitarian city built on the ruins of Raffa.

以色列前总理埃胡德·奥尔默特谴责以方计划将加沙巴勒斯坦人迁至拉法废墟上建造的所谓"人道主义城市"。

奥尔默特称这就像集中营。

▶ He was asked why he chose to use those words.

当被问及为何使用这个词时。

▶ This is how the international community will understand these camps to be.

国际社会就是这样理解这些营地的。

▶ They will not, they don't need me to interpret them what it is when they are doing it.

他们不需要我来解释正在发生的事情。

▶ And those who are in charge of doing it are the ones that say that we should actually get rid of all the Palestinians living in Gaza and that all of them are Hamas and therefore they have no right to exist.

而那些负责此事的人声称应该清除加沙所有巴勒斯坦人，称他们都是哈马斯，因此无权生存。

 00:16:30

▶ So an enormous amount of energy is produced in a very short period of time.

短时间内释放出巨大能量。

▶ So this event would have been able to see this event with our eyes with normal light.

若用可见光观测，这次爆炸将使整个宇宙持续约0.1秒的闪光。

▶ This would have actually shown the entire universe for about 0.1 seconds while the explosion was happening.

(同上句补充说明)

▶ We have two detectors, two telescopes for this kind of detection in the USA.

美国设有两台此类探测望远镜。

 00:16:49

▶ So those measure the those measure the ripples in space time which are produced by those these collisions and we then have to interpret the data from that.

它们测量碰撞产生的时空涟漪，我们需对数据进行分析解读。

▶ So it takes a little bit of time just to make sure that we've made that measurement correctly.

因此需花费时间确保测量准确性。

▶ One of the really exciting things about this is the two black holes which we observe, they're mysteriously heavy, the ones which merged.

最令人兴奋的是，合并的两个黑洞质量异常庞大。

[Back to Top](#)

 00:17:11

▶ So they weigh about 100 times and 140 times as much as the sun.

质量分别约为太阳的100倍和140倍。

▶ And we just don't really know a good way of making black holes like that from stars going supernova.

目前尚不清楚超新星爆发如何形成此类黑洞。

▶ So we have lots of theories about what should happen with a supernova and what size of black hole is made and these are just a little bit too heavy.

现有超新星理论无法解释为何会产生如此质量的黑洞。

▶ So it's a little bit mysterious.

这略显神秘。

[Back to Top](#)

⏮ Now we have some theories about why that might be and one really tantalizing possibility of this is that those black holes were themselves the result of a merger which happened even earlier on.

现有理论认为，它们可能是更早期黑洞合并的产物。

⏮ So there's an awful lot going on in this graveyard of stellar remnants, this graveyard of black holes.

这个恒星残骸墓地——黑洞墓地中正发生诸多奇妙现象。

⏮ Graveyard of black holes sounds like a pop song.

"黑洞墓地"听起来像流行歌曲名。

[Back to Top](#)

⏮ And now video games, they're hugely popular aren't they?

电子游戏如今极受欢迎，不是吗？

⏮ But it can cost a small fortune with some of the latest releases costing around 70 pounds and that's after having to fork out on the console.

但最新游戏售价约70英镑，加上主机费用堪称巨额开销。

⏮ But it seems the retro gaming market is seeing a boost, not just for that nostalgic hit but also to help with the rising cost of living.

复古游戏市场却逆势增长，既因怀旧情怀，也因应对生活成本上涨。

你为什么这么喜欢索尼克？

▶ It's just the character like when you're not like moving the character he's like just nodding his thought and the thing go like I'm going funny I found that interesting.

就是这个角色，即使你不操作他，他也会点头晃脑，显得很有趣，我觉得很有意思。

▶ And what about you Jason what's your favourite?

杰森，你最喜欢什么？

▶ I was very much in Nintendo guy rather than the Sega but for me it's in the stelger you know just on your on the last one there where he was on about the retro gaming and how people in their forties go back and that's me you know I'm in my forties and I love going back playing these older games but the kids do too you know and it's right so you know these older games are becoming cheaper but they're also collectors items so some of them can be really expensive as well but you do play you do pay that one off cost you know there is no in that purchase is you know there's no there's no trying to sell you more addons as the game goes on and I think that's what we like yeah it does what it does what it says on the Tim basically Absolutely well listen Spencer and Jason it's been such a lovely thing to chat to both of you thank you so much for coming on to my show and talking to me about Spencer arcade and your love of retro gaming Thank you so much for having us bye bye both of you thank you how wonderful now you might have heard about the new Superman film have you

seen it of course there's a lot of focus on the human star Superman that's great but the man of steel has a canine companion and we on the world today we love to talk about dogs don't we crypto the superdog it is four-legged sidekick in the new movie he's a bit of a handful even for a superhero have a look and a noise that so many dog owners around the world can totally understand but crypto isn't the only superdog out there take a look at these powerful pooches these dogs donned their capes and join their humans under the stars for a rooftop screening of the new Superman movie in Los Angeles costumes treats photo opportunities and all for the dogs many of them use their own superpowers as support and therapy dogs for their owners several dozen dogs and their owners filled the outdoor movie theater to watch the film excited to see the return of crypto who was first introduced in 1955 in that Superman comic I did actually watch Superman with my eight year old son over the weekend and he did love crypto at the dog what is there not to laugh he's a cutie that's it from me and the team on the world today Ben is here with the context in a moment stay with us on the BBC bye bye

我更喜欢任天堂而非世嘉，但对我来说是《斯特尔格》——就像刚才提到的怀旧游戏，四十多岁的人会重温这些，我就是其中之一。孩子们也喜欢，这些老游戏越来越便宜，但也是收藏品，有些可能很贵。但这是一次性付费，没有后续内购，我们喜欢这种纯粹性。斯宾塞、杰森，和你们聊怀旧游戏太愉快了，感谢做客节目。现在来聊聊新《超人》电影：除了人类主角，钢铁之躯还有四条腿搭档Crypto超级狗，它连超人都头疼！洛杉矶的狗狗们披着斗篷参加屋顶观影会，它们很多是主人的治疗犬。Crypto最早出现在1955年超人漫画中，我周末带八岁儿子看了电影，他超爱这只狗——谁能抗拒它的可爱呢？本期节目到此结束，稍后请继续关注BBC。
