多米尼克，请再提醒我们一下“巴勒斯坦行动”为何被禁，以及政府对该组织说了什么。

▶ Yeah, very simply, Palestine action is what particular direct action group is not part of the main Palestine solidarity campaign.

好的，很简单，“巴勒斯坦行动”是一个特定的直接行动组织，不属于主要的巴勒斯坦团结运动。

bilibili 00:07:33

▶ They had a separate march today, although their leaders did come along to Parliament Square at the end of their march to actually witness what was going on.

他们今天举行了单独的游行，不过他们的领导人确实在游行结束时来到了议会广场，亲眼目睹了发生的事情。

▶ The effect of it is show solidarity with other people concerned about guards from Palestine.

其目的是与其他关心来自巴勒斯坦的人的人们表示团结。

▶ The difference with Palestine action is the government says it crossed the threshold into terrorism because of the number of incidents where it broke into defense facilities and firms linked to Israel in particular, a company called Elbit Systems which is predominantly based in Bristol and carried out major acts of serious criminal damage causing in the government's words millions and millions of pounds worth of damage.

“巴勒斯坦行动”的不同之处在于，政府称其越过了恐怖主义的门槛，因为其多次闯入国防设施和与以色列有关的公司，尤其是一家主要位于布里斯托尔、名为埃尔比特系统的公司，并实施了严重的刑事破坏行为，用政府的话说造成了数百万英镑的损失。

bilibili 00:08:10

▶ Now, definition of terrorism doesn't just include

现在，恐怖主义的定义不仅仅包括

▶ The threat or use of violence for a cause but also criminal damage at such a serious level that it effectively goes beyond what everyone in the police and scutes service believe is acceptable.

为了某种事业而威胁或使用暴力，还包括造成如此严重程度的刑事损害，以至于实际上超出了警察和安全部门所有人都认为可以接受的范畴。

▶ That led to the ban.

这导致了禁令的出台。

▶ The precise trigger was the break into RIF rise, Norton in late June where seven million pounds worth of damage the government says the cause of two RIF jets.

直接的导火索是六月底对RIF rise, Norton的闯入事件，政府称该事件造成价值七百万英镑的损失，并导致两架RIF喷气式飞机停飞。

bilibili 00:08:38

▶ The ban was passed by Parliament, it's been contested by the founder of the group, the group now officially no longer exists but one of the co-founders of the group, she's contesting that ban in the high court, although the government is also appealing that at the same time.

该禁令由议会通过，但遭到该团体创始人的质疑，该团体现在已正式不复存在，但其中一位联合创始人正在高等法院对该禁令提出质疑，尽管政府同时也对此提出了上诉。

▶ All of this is organized by an entirely separate group called Defend our Juries who have been basically rallying people to this court saying this ban should be lifted because there's just an effective excessive use of terrorism doors.

所有这些都是由一个完全独立的名为“捍卫我们的陪审团”的组织策划的，他们基本上一直在召集人们来到这个法庭，声称应该取消这项禁令，因为（政府）实际上过度使用了恐怖主义相关法律。

▶ The extraordinary thing also here is the number of people from the huge range of backgrounds.

这里非同寻常的还有来自各种不同背景的人数之多。

bilibili 00:09:14

▶ There are and the awful lot of people here who are pensioners, I spoke to a woman earlier, 79 year old Margaret from Dorset, she said she found the ban to be absolutely outrageous and she said she wanted to be here to test against it and was prepared from her camp chair holding up her sign to be arrested.

而且这里有很多人是养老金领取者，我之前和一位来自多塞特郡的79岁老妇人玛格丽特说过话，她说她觉得这项禁令绝对令人愤慨，她说她想在这里进行抗议，并且已经准备好坐在她的折叠椅上举着标语牌被逮捕。

🎧 I'm not quite sure what happened to her but there have been an awful lot of people I've seen arrested today who are clearly pensioners.

我不太清楚她后来怎么样了，但我今天看到很多人被捕，其中很明显有很多养老金领取者。

🎧 They've all seems to have got involved by the environmental movement, there's a bit of a crossover going on here.

他们似乎都是通过环保运动参与进来的，这里存在一些交叉。

 00:09:44

🎧 So we're just going to see how this plays out really, it's really, it's the protesters I think they thought there was going to be a bit of a face off of the police to see if the police would stand down but the police are pretty determined to go ahead and arrest everybody who's holding the sign.

所以我们只是要看看事态如何发展，真的，真的是，我认为抗议者们本以为会和警察发生一点对峙，看看警察是否会退让，但警察相当坚决地要继续行动，逮捕每一个举着标语牌的人。

🎧 Dominic Ashianne, it could be a long night for you, thanks very much indeed.

多米尼克·阿什安尼，对你来说这可能是一个漫长的夜晚，非常感谢。

🎧 We're staying here in the UK, migrants arriving in small boats has been the dominant issue over the summer and migration is now seen as the number one concern for voters here and today more than 700 migrants are thought to have crossed the channel that coming on Shabana Mahmood's first full day as the new British home secretary.

我们继续留在英国，乘坐小船抵达的移民一直是整个夏天的主要议题，移民现在被视为这里选民最关心的问题，而今天，在莎巴娜·马哈茂德作为新任英国内政大臣的第一个完整工作日，据认为有超过700名移民穿越了英吉利海峡。

 00:10:23

🎧 There has been a spell of windy weather out at CN, these were the first crossings for 11 days.

▶ Let's speak to Simon Jones who is here with us in the studio.

▶ Simon, a visceral illustration for Shabana Mahmoud of the challenge she faces.

西蒙，这对莎巴娜·马哈茂德来说是她所面临挑战的直观例证。

▶ What does Sikir Stammer think that she can bring to the role?

Sikir Stammer认为她能给这个角色带来什么？

▶ Well, I think what they want is something perhaps more hard line, perhaps some harder policies on immigration because under her predecessors watch under event Cooper's time as home secretary, 52,000 people made the crossing and as you say what we've seen today really a timely reminder of the challenge of this issue because it's been incredibly calm at sea and so we've seen the board of force and the R&LI bring several groups of migrants to shore at Dover.

嗯，我认为他们想要的可能是更强硬的立场，可能是一些更严厉的移民政策，因为在她前任（原文为event Cooper，疑为笔误或指代不清）担任内政大臣期间，有52,000人完成了偷渡，正如你所说，我们今天看到的情况确实及时提醒了这个问题的挑战性，因为海面一直异常平静，所以我们看到边防部队和皇家全国救生艇协会（R&LI）将几批移民带到了多佛尔岸上。

bilibili 00:11:07

▶ Once the migrants get halfway across the channel having launch from beaches in northern France they become the responsibility of the UK authorities.

一旦移民从法国北部的海滩出发，穿越海峡到一半时，他们就成为英国当局的责任。

▶ So I'm hearing around 700 people have already made the crossing so far today that will be one of the highest figures we've seen so far this year but I understand there are a couple of boats still out in the channel so that number may rise further putting further pressure on the government.

所以我听说今天到目前为止已有大约700人完成了偷渡，这将是今年迄今为止我们看到的最高数字之一，但我知道还有几艘船仍在海峡中，所以这个数字可能还会进一步上升，给政府带来更大压力。

▶ Simon Jones, thanks very much indeed.

西蒙·琼斯，非常感谢。

bilibili 00:11:33

今天在接受劳拉·库恩斯伯格采访时，他被要求澄清。

bilibili 00:12:25

▶ But just to be clear with people watching this you're promised therefore would be not if you get into power that you would stop the boats within two weeks it's that after you passed legislation which might take a long time to go through parliament you think it takes four nights to have to.

但只是为了让观众此节目的人清楚，你因此承诺的不是如果你上台就会在两周内阻止偷渡船只，而是在你通过立法之后——这可能需要很长时间才能通过议会——你认为需要四个晚上。

本，这位首相曾承诺在保守党14年的混乱之后恢复稳定，但在许多人看来，这根本不像稳定。

 00:15:20

🎧 No, another resignation of a senior cabinet minister this week was the last thing the Prime Minister wanted as MPs returned from their summer break.

▶ And then we heard that from Harry Fali at the Reform Conference in Birmingham.

与去年相比，其规模的扩大是非凡的，达到了现在的规模。

▶ And I was talking to so many of the new party members there, how many have had nothing to do with politics before.

我和那里许多新党员交谈过，他们中有很多人以前从未接触过政治。

▶ He had never been in a political party but felt that reform was speaking to them.

他从未加入过任何政党，但觉得改革党说出了他们的心声。

▶ Now, big proviso, reform could blow up as quickly as it has ballooned.

现在，有一个重要的前提，改革党可能会像它迅速壮大一样迅速瓦解。

▶ We are a long way from the next general election, but they are clearly a force in British politics at the moment causing huge concern to the government, the Tories, everybody else.

我们距离下一次大选还有很长一段时间，但他们目前显然是英国政坛的一股力量，正引起政府、保守党以及其他所有人的高度担忧。

▶ And right now, reform feels that it has a pretty unstoppable momentum.

而眼下，改革党感觉它拥有着几乎不可阻挡的势头。

▶ Then right, thanks very much indeed.

好的，非常感谢。

▶ To Portugal now, because the country's national transport safety authority says that it hopes to announce by this evening the main lines of inquiry into the crash of Lisbon's Gloria Funicular that killed 16 people on Wednesday.

现在关注葡萄牙，该国国家运输安全局表示，希望能在今晚公布对周三造成16人死亡的里斯本格洛丽亚缆车事故的主要调查方向。

▶ Lisboners and tourists have been leaving tributes near the site of the deadly accident.

里斯本市民和游客一直在致命事故发生地附近留下悼念物品。

▶ Nationals of Portugal, South Korea, Switzerland, Canada, Ukraine, France and the US are among the dead.

遇难者中包括葡萄牙、韩国、瑞士、加拿大、乌克兰、法国和美国公民。

▶ Two of the British victims have been named, theatre director Kayleigh Smith and her partner Will Nelson, a drama lecturer who were on holiday in the Portuguese capital.

其中两名英国遇难者已被确认身份，他们是剧院导演凯莱·史密斯和她的伴侣、戏剧讲师威尔·尼尔森，他们当时正在葡萄牙首都度假。

 00:18:19

▶ A third Britain has not yet been named.

第三名英国遇难者的身份尚未公布。

▶ Let's speak to Lisbon correspondent Alison Roberts, who is there in the Portuguese capital at the scene of the accident.

让我们连线在葡萄牙首都事故现场的里斯本记者艾莉森·罗伯茨。

▶ Alison just give us a sense of what the preliminary lines of inquiry are likely to focus on, do we think and we thought it was going to come through yesterday.

艾莉森，给我们介绍一下初步的调查方向可能会聚焦于哪些方面，我们原以为昨天会有消息。

 00:18:40

▶ Do we believe that they will still be announced today?

我们是否相信今天仍会公布？

▶ Yes, we are still hearing that it should come out this evening, but we shouldn't really get our hopes up in terms of the any conclusions.

是的，我们仍然听说应该会在今晚公布，但我们真的不应该对任何结论抱太大希望。

▶ As you say, main lines, it will probably just be a litany of the facts as the investigators know them and perhaps something of what they found in terms of evidence at the scene, but really very little.

正如你所说，是主要方向，很可能只是列举调查人员目前所了解的事实，以及他们在现场发现的一些证据，但信息量真的会非常少。

 00:19:06

▶ Just the main lines, as you mentioned there, meanwhile the funeral of the break man, the driver of the Pinaquilla Car that crashed behind me up the slope there is taking place shortly in his village outside of Lisbon.

就像你提到的，只是主要方向。与此同时，在我身后山坡上发生事故的那辆缆车的司机，即刹车员的葬礼，即将在里斯本郊外他的村庄举行。

▶ The president of Portugal and the minister of infrastructure are expected to attend another funeral also taking place today.

葡萄牙总统和基础设施部长预计将参加今天举行的另一场葬礼。

▶ Of course, there were five Portuguese victims among the 16 people who lost their lives in this horrific accident.

当然，在这起可怕事故中丧生的16人里，有五名是葡萄牙遇难者。

 00:19:34

▶ Yes, Alison, we cross paths there in Lisbon when I was there reporting on this tragedy over the last couple of days.

是的，艾莉森，过去几天我在里斯本报道这场悲剧时我们见过面。

▶ What are your feelings?

你的感受如何？

▶ You've lived there for many, many years.

你在那里生活了很多很多年。

▶ Give us your sense of how this has shaken the city and the country more widely.

给我们讲讲你感觉这件事如何震动了这座城市以及更广泛的葡萄牙。

▶ Well as you can see behind me, there's a lot of movement now, really a growing number of people coming.

嗯，如你在我身后所见，现在这里人很多，来的人确实越来越多。

 00:19:56

▶ Initially, there were just people who came to leave flowers and candles and then quite he went away.

最初，只是有人来献花和点蜡烛，然后很快就离开了。

▶ Really quite big crowds now coming to look and see some of them still leaving tributes.

现在真的是相当大的人群前来观看，其中一些人仍在留下悼念物。

▶ Some of the tributes have been messages in various languages, so locals really making an effort to show that they're so sorry that foreign visitors, the city of whom there are millions every year, some of them would have lost their lives or been injured.

一些悼念物上用各种语言写着信息，所以当地民众确实在努力表达他们的悲痛之情，为每年数以百万计来这座城市的外国游客中有人丧生或受伤感到非常难过。

 00:20:21

▶ Of course, there are still people in hospital in various Lisbon hospitals now that those people should have suffered such a terrible fate.

当然，现在里斯本各家医院里还有伤者住院，这些人遭遇如此可怕的命运实在令人痛心。

▶ On a visit to the city and to what was in itself a major tourist attraction.

他们本是来这座城市游览，而缆车本身就是一个主要的旅游景点。

▶ Yeah, indeed, and a symbol of that city, which will now forever be remembered for that tragedy.

是的，确实如此，它是那座城市的象征，而现在它将因那场悲剧而被永远铭记。

▶ Now the UN Postal Agency says nearly 90 international operators have now partially or fully suspended deliveries to the United States.

现在，联合国邮政机构表示，近90家国际运营商目前已部分或完全暂停向美国投递邮件。

▶ The Universal Postal Union said postal traffic plunged by more than 80 percent after the Trump administration ended a duty-free exemption for parcels valued at under \$800 late last month.

万国邮政联盟称，自上月底特朗普政府取消对价值800美元以下包裹的免税豁免后，邮政业务量暴跌了80%以上。

 00:21:06

▶ Let's speak to our North America correspondent, Arunade Mukaji in Washington.

让我们连线我们在华盛顿的北美记者阿鲁纳德·穆卡吉。

▶ Arunade, how much disruption has this caused?

阿鲁纳德，这造成了多大的混乱？

▶ Well, a fair bit, at least going by the data that has been shared by the Universal Postal Union as you pointed out those figures as well.

嗯，相当大，至少根据万国邮政联盟分享的数据来看是如此，你也提到了那些数字。

▶ But essentially, even in the run-up to these changes taking effect starting 29th of August, there have been a fair bit of concern and confusion expressed on part of these postal service companies around the world as they tried to figure out ways in which they would tackle this and tide over this.

但基本上，甚至在这些变更于8月29日开始生效之前，全球这些邮政服务公司就已经表达了相当多的担忧和困惑，因为他们试图找出应对和渡过难关的方法。

 00:21:36

▶ You've got several countries who have suspended partially or fully their shipments to the US.

有几个国家已经部分或完全暂停了对美国的货运。

▶ They've stopped accepting orders and these countries include the UK, Australia, Japan, India, a few European nations as well.

它们已停止接受订单，这些国家包括英国、澳大利亚、日本、印度以及一些欧洲国家。

▶ So it is causing a fair bit of disruption as they try to figure out what to do next.

因此，在他们试图弄清楚下一步该怎么做的时候，这造成了相当大的混乱。

🎧 In fact, the head of the Universal Postal Union, that you and Postal Agency had also said that they're looking to try and rectify this as soon as they can so they can get all these shipments moving back into the United States and restore that traffic into the US.

事实上，万国邮政联盟的负责人，就是你提到的那个邮政机构，也表示他们正在寻求尽快解决这个问题，以便让所有这些货物重新运往美国，恢复对美国的邮政流量。

 00:22:05

🎧 But essentially, the challenge faced by a lot of these postal companies is that given these new expenses, do they bear the costs now?

但基本上，许多邮政公司面临的挑战是，考虑到这些新的费用，是他们现在承担这些成本吗？

🎧 Do they pass it down to the consumers?

还是将其转嫁给消费者？

🎧 And this is all happening because of the executive order signed by Donald Trump where he removed that exemption.

而发生这一切都是因为唐纳德·特朗普签署的行政命令取消了该豁免。

🎧 So now essentially anything below \$100 is fine, but beyond that, these goods coming into the US or these shipments coming into the US by post are likely to face the same tariffs that other goods coming in from their countries of origin.

所以现在基本上100美元以下的物品没问题，但超过这个金额，这些进入美国的商品或通过邮政进入美国的货物可能将面临与从原产国进口的其他商品相同的关税。

 00:22:33

🎧 Yeah, and when you look at the tariff rate for country like India, 50%, I mean, it would be an extraordinary surcharge to be added to shipments coming in from India.

是的，当你看到像印度这样的国家的关税税率，50%，我的意思是，这将对从印度运来的货物征收的额外巨额费用。

🎧 I mean, why is Donald, why does the Trump administration say it's doing this?

我的意思是，唐纳德，为什么特朗普政府说他们要这样做？

▶ What's the reason behind it?

其背后的原因是什么？

▶ So that's the big point, really.

所以这确实是关键点。

bilibili 00:22:53

▶ As you said initially, this is a cost that is likely to be borne by consumers and that's why it becomes a very pressing concern.

正如你最初所说，这可能是一项由消费者承担的成本，这就是为什么它成为一个非常紧迫的问题。

▶ But having said that, the reasoning and the rationale behind the Trump administration's decision to do this is they are tying this in with national security in many ways.

但话虽如此，特朗普政府决定这样做的理由和依据是，他们在很多方面将其与国家安全联系在一起。

▶ Essentially, Donald Trump and the White House issued a statement earlier on where they said that they were looking to do this because according to them, it was important to combat what they said was escalating deceptive shipping practices.

基本上，唐纳德·特朗普和白宫早些时候发表了一份声明，称他们打算这样做是因为，据他们所说，这对于打击他们所谓的日益猖獗的欺诈性运输行为非常重要。

bilibili 00:23:19

▶ They said that countries were essentially circumventing duties and sending in things which are illegal into the U.S.

他们说，一些国家基本上是在规避关税，并向美国输送非法物品。

▶ They even claim that a lot of countries had abused this exemption, this earlier exemption, and even sent in illicit drugs into the U.S.

他们甚至声称，许多国家滥用了这项豁免，这项先前的豁免，甚至向美国输送非法毒品。

▶ So that has been their reasoning.

这就是他们的理由。

⌂ And what's also important to point out, Mark, is that a lot of the countries which are the major beneficiaries under this exemption are countries like China, Canada and Mexico, and we are all very aware of the kind of tenuous and fairly complex conversations that the U.S. has had with these countries when it has come to the issue of tariffs around the world.

另外很重要的一点是，马克，这项豁免的主要受益国是中国、加拿大和墨西哥等国家，而我们都非常清楚美国在与这些国家就全球关税问题进行的那种微妙且相当复杂的对话。

bilibili 00:23:53

⌂ Yeah, the White House is saying that they hope to bring in \$10 billion a year by this move extraordinary to watch.

是的，白宫表示，他们希望通过此举每年增加100亿美元的收入，这非常值得关注。
