 00:06:35

▶ Great to see you all.

Jeanette，我从你开始。

▶ President Trump on the one hand saying that he doesn't believe that a cease fire is necessary on the other hand sitting together with European leaders.

特朗普总统一方面表示他认为停火没有必要，另一方面又与欧洲领导人坐在一起。

▶ How do you see President Trump's negotiating in all of this?

你如何看待特朗普总统在这方面的谈判？

▶ Do you see him leaning one way more than the other towards President Putin or towards Ukraine and European allies?

 00:06:57

▶ I think he wants peace, number one.

我认为他首先想要和平。

▶ He's wanted it since he came into office.

▶ He ran on a platform of ending the war in Ukraine, of ending the, the, the, the, fighting in Israel and Gaza.

▶ He wants to be known as a peacetime president.

他希望被称为和平时期的总统。

▶ He wants to do about peace prize, right?

他想获得和平奖，对吧？

▶ But he's, he's not going to demand something.

但他不会要求什么。

 00:07:17

▶ He knows he's not going to get from Putin.

他知道他不会从普京那里得到。

🎧 And right now, Putin is not going to agree to a cease fire.

而现在，普京不会同意停火。

🎧 I think he's made progress simply by having both sides coming to the table, the summit that we saw the other day with Putin and Alaska.

我认为他通过让双方坐到谈判桌前取得了进展，前几天我们看到了普京和阿拉斯加的峰会。

🎧 And now, Zelinsky meeting with President Trump in the White House, which we haven't seen since that explosive meeting several months ago in February.

现在，泽连斯基在白宫与特朗普总统会面，这是自几个月前2月那次爆炸性会面以来的首次。

 00:07:42

🎧 If they can get to this trilateral meeting that President Trump talked about and all sides are at the table, I think that will be great progress.

如果他们能举行特朗普总统提到的三方会议，各方都坐到谈判桌前，我认为这将是一个巨大的进步。

🎧 But right now, the big holdout here is Vladimir Putin.

但现在，最大的阻碍是普京。

🎧 We know that Putin is not going to agree to anything unless he has some fear that he's going to lose something.

我们知道普京不会同意任何事情，除非他担心会失去什么。

🎧 There's some pressure on him or if he's going to get something himself.

他面临一些压力，或者他自己能得到什么。

 00:08:08

🎧 Kurt, I want to get your first thoughts as well on what we've seen so far today.

Kurt，我也想听听你对今天到目前为止所见所闻的第一反应。

🎧 All I think that anything that doesn't end with the President, Zelinsky being insulted in the Oval and in a jousting match with the Vice President is a better ending than the last time he had visited Washington and was in the White House.

我认为，只要不是以泽连斯基总统在椭圆形办公室被侮辱或与副总统发生争执结束，就比他上次访问华盛顿和白宫时的结局要好。

🎧 And so I think that it's encouraging that in this case, you know, Trumpers did not get the best of anybody.

因此，我认为在这种情况下，没有人发脾气是令人鼓舞的。

 00:08:38

🎧 Everyone seems to be appropriately measured in what they're saying, acting responsibly, seeing the video playing at there's even been, you know, some some smiles.

每个人似乎都言辞谨慎，行为负责，从视频中甚至可以看到一些微笑。

🎧 In the Oval, it's quite a different guide dress to the last time.

在椭圆形办公室，与上次的情况截然不同。

🎧 And I think the goal is to now evolve this, move this forward, really get President Zelinsky and President Putin in the same room.

我认为现在的目标是推进这一点，真正让泽连斯基总统和普京总统坐到同一个房间里。

 00:09:00

🎧 Ultimately, no deal is going to ever come until these two are in the room together negotiating.

最终，除非这两人一起在房间里谈判，否则不会有任何协议。

🎧 And I don't think it's unreasonable for President Zelinsky and European allies to put out a framework saying it would be much more convincing to believe that you actually want to make this strive towards peace if you would stop trying to murder us.

我认为泽连斯基总统和欧洲盟友提出一个框架并不过分，即如果你停止试图杀害我们，那么相信你真正想要为和平努力会更加可信。

▶ That's not an unreasonable posture to take when trying to really be at a negotiating table for peace.

在真正为和平谈判时，这并不是不合理的姿态。

bilibili 00:09:27

▶ And so now the ball is going to be in President Putin's court to see, hey, how serious are you about this?

因此，现在球将传到普京总统的场地上，看看他对这件事有多认真。

▶ Because Zelinsky showed up.

因为泽连斯基出现了。

▶ The European union has showed up.

欧盟出现了。

▶ America has shown up.

美国出现了。

▶ What will Putin do next?

普京接下来会做什么？

▶ And before we come to you, Nina, I want to just bring in a photo that we've seen posted on X by the White House.

在我们转向你之前，Nina，我想提一下白宫在X上发布的一张照片。

bilibili 00:09:50

▶ Under the banner, pursuing peace, I think we have the picture that we can bring up.

在“追求和平”的标语下，我想我们有这张照片可以展示。

▶ There it is.

就是这张。

▶ President Trump and Zelinsky walking closely, sharing what appears to be a smile.

特朗普总统和泽连斯基走得很近，似乎面带微笑。

🎧 And under that banner, as I said, pursuing peace, that is significant because that was the banner that was on hand in Alaska for the summit between President Putin and Trump.

正如我所说，在“追求和平”的标语下，这很重要，因为这是阿拉斯加普京和特朗普峰会时的标语。

 00:10:10

🎧 So the White House using the same messaging there.

因此白宫在那里使用了相同的信息。

🎧 Nina, if you look at where European leaders are in all of this, they sat down, of course, commending President Trump for bringing all sides together.

Nina，如果你看看欧洲领导人在这一切中的位置，他们当然坐下来赞扬特朗普总统将各方聚集在一起。

🎧 How difficult a task do you think it is for them ahead today?

你认为今天对他们来说任务有多艰巨？

🎧 I think they tried to walk a very difficult tightrope here.

我认为他们在这里试图走一条非常困难的钢丝。

 00:10:28

🎧 And in fact, they obviously gained this out as much as they could on the fly because these negotiations and meetings have been hastily put together.

事实上，他们显然是在匆忙中尽可能做到这一点，因为这些谈判和会议是匆忙安排的。

🎧 You could just see from the choreography of who is sitting where and which meeting was where.

你可以从谁坐在哪里以及哪些会议在哪里的安排中看出这一点。

🎧 This was happening at lightning speed, but nevertheless, there was so much at stake for the Europeans in terms of their security.

这一切发生得非常快，但对欧洲人来说，他们的安全面临巨大风险。

 00:10:50

🎧 And also their economy, because remember that they've only just managed to sort out a big trade deal after being pummeled with a threat of hugely punitive economic tariff spite, the US President, that they really needed to get a few messages across.

还有他们的经济，因为请记住，他们在受到美国总统极具惩罚性经济关税威胁的打击后，刚刚才设法解决了一项重大贸易协议，他们确实需要传达一些信息。

🎧 One was obviously that if there isn't any US involvement in an important enough security backstop, whether it's a NATO-light agreement, like we hear, is being discussed, which would be collective defense, but not under the guise of NATO, if Russia were to agree to that.

一个显然是，如果没有美国的参与，没有一个足够重要的安全后盾，无论是我们听到的类似“轻北约”协议正在讨论中，即集体防御但不以北约的名义，如果俄罗斯同意的话。

🎧 If there wasn't significant involvement by the United States and commitment by the United States, and that the war in Ukraine wouldn't stop in eastern Ukraine, it wouldn't stop in Ukraine at all.

如果没有美国的重大参与和承诺，乌克兰战争不会在乌克兰东部停止，它根本不会在乌克兰停止。

 00:11:29

🎧 It would soon bleed through to European shores.

它很快就会蔓延到欧洲海岸。

🎧 And so that was one of the messages that they had.

因此这是他们传达的信息之一。

🎧 They also had other messages, like for instance, Immanuel Macron, the French President, who remember won't be in office for very long, keen to point out that Europe still needs to be around the table.

他们还有其他信息，比如法国总统埃马纽埃尔·马克龙，他记得自己不会在任太久，急切地指出欧洲仍需留在谈判桌上。

▶ So Germany is trying to float this idea of a trilateral meeting between Russia, the United States, and Zelensky but on European soil.

因此德国正试图提出一个在欧洲土地上举行俄罗斯、美国和泽连斯基三方会议的想法。

bilibili 00:11:56

▶ France's president is keen to push for more than that, saying that Europe should also be around the table thereafter.

法国总统则迫切希望更进一步，表示此后欧洲也应留在谈判桌上。

▶ I think that's an acknowledgement of just how difficult it's going to be to get a peace deal done within the timeframe that the US President wants, which is probably before the Nobel Peace Prize has awarded in a couple of months from now.

我认为这承认了在美国总统希望的时间框架内达成和平协议将有多么困难，这个时间可能是在几个月后诺贝尔和平奖颁发之前。

▶ Kurt, I want to bring you back in again now.

库尔特，我现在想再请你谈谈。

bilibili 00:12:17

▶ And I wonder were you encouraged at all at that earlier meeting with President Zelensky when President Trump said that he wanted to make sure that any deal would last.

我想知道，在早些时候与泽连斯基总统的会晤中，当特朗普总统表示他希望确保任何协议都能持久时，你是否感到鼓舞。

▶ He said it's got to be something that sticks, that doesn't just last for a couple of years.

他说这必须是一个能持久的协议，而不仅仅是维持几年。

▶ And he said we'll give them very good protection, very good security.

他还说我们将为他们提供非常好的保护，非常好的安全保障。

bilibili 00:12:35

▶ Was that a sort of thing that you were looking to see in here?

这是你希望在这里看到的吗？

🎧 Yeah, I think that for anyone to buy into the idea that this could be a long lasting peace, and that Putin will not try to do yet another land grab at some point.

是的，我认为要让任何人相信这可能是一个持久的和平，而且普京不会在某个时候再次试图夺取土地。

🎧 There needs to be iron combat security guarantees.

需要有铁一般的战斗安全保障。

🎧 And any time that that's being put out there, so definitively, that is an encouraging step.

任何时候这样明确地提出这一点，都是一个令人鼓舞的步骤。

 00:12:59

🎧 That is going to be one of the main considerations in any peace deal that is brokered as long-term security and sovereignty of Ukraine, or at least whatever is left of Ukraine after this will take its course.

这将成为任何斡旋达成的和平协议的主要考虑因素之一，即乌克兰的长期安全和主权，或者至少是乌克兰在此之后剩下的部分将按其进程发展。

🎧 And again, that's the crux of the whole issue.

而这又是整个问题的关键。

🎧 Putin started in 2014 with Crimea.

普京从2014年克里米亚开始。

🎧 He continued it when he began this war, history of Shiloh, that he over a period of time, continued to try to grab more and more and more.

他在发动这场战争时继续这样做，希洛的历史，他在一段时间内不断试图夺取越来越多的土地。

 00:13:24

🎧 And so, unless there is an absolute security guarantee in place to prevent that adherence from happening, there's not going to be a deal.

因此，除非有绝对的安全保障来防止这种情况发生，否则就不会有协议。

⌂ And because of Putin, Shiloh himself, someone willing to completely ignore the world order and just act as a tyrant.

而因为普京，希洛本人，是一个愿意完全无视世界秩序、只做一个暴君的人。

⌂ And if you really remember, this is a one-sided war.

如果你真的记得，这是一场单方面的战争。

⌂ The started with Putin as the aggressor, Ukraine as the victim, Ukraine as defending itself.

以普京为侵略者，乌克兰为受害者，乌克兰在自卫。

⌂ 00:13:48

⌂ And I think that's why Zaletsky has been so determined not to give up and surrender officially any land at all that belongs in Ukraine's territory.

我认为这就是为什么泽连斯基如此坚决不放弃和正式投降任何属于乌克兰领土的土地。

⌂ –Junet President Trump clearly knows what he wants to do himself.

——朱内特，特朗普总统显然知道自己想做什么。

⌂ But what do you think those closest to him, his advisors around him are saying?

但你认为他最亲近的人，他身边的顾问们在说什么？

⌂ And what do you think his supporters, his voters want him to do about Ukraine and about getting to a deal?

你认为他的支持者、他的选民希望他在乌克兰问题和达成协议方面做什么？

⌂ 00:14:18

⌂ Well, those are two different things.

嗯，这是两件不同的事情。

⌂ I mean, I think voters support for the war has significantly declined for sending money to Ukraine.

我的意思是，我认为选民对战争的支持在向乌克兰提供资金方面已经显著下降。

⏮ But I think, you know, Republicans in Congress and Democrats in Congress as well, there is bipartisan support to continue funding weapons for Ukraine and to support Ukraine's fight here and allow it to be a sovereign state and allow it to be independent here.

但我认为，你知道，国会中的共和党人和民主党人也有两党支持继续为乌克兰提供武器资金，支持乌克兰在这里的战斗，并让它成为一个主权国家，让它在这里独立。

 00:14:44

⏮ I think Kurt is right.

我认为库尔特是对的。

⏮ We cannot allow Putin to continue its quest to take more of Ukraine and allow Putin to continue to unfettered here because he will march through Ukraine.

我们不能允许普京继续寻求夺取更多乌克兰领土，也不能允许普京在这里继续不受约束，因为他将横扫乌克兰。

⏮ He will march through Europe if we allow him to.

如果我们允许他，他将横扫欧洲。

⏮ He's not someone that can be trusted here.

他不是一个在这里可以信任的人。

⏮ I think President Trump's advisors are telling him, you know, we want to end this, but we need to ensure peace through strength here.

我认为特朗普总统的顾问们告诉他，你知道，我们想结束这一切，但我们需要在这里通过力量确保和平。

 00:15:11

⏮ And I think one of the messages of the summit in Alaska the other day that was very clear was the flying of the B2 bomber over Putin's head.

我认为前几天阿拉斯加峰会传达的一个非常明确的信息是B2轰炸机在普京头顶飞过。

▶ You know, the American military is strong and, you know, we won't allow it to be undermined.

你知道，美国军队很强大，你知道，我们不会让它被削弱。

▶ And if you look at what happened in our Iran, you know, deterrence works.

如果你看看我们在伊朗发生的事情，你知道，威慑是有效的。

▶ Iran is a key ally of Russia.

伊朗是俄罗斯的关键盟友。

 00:15:35

▶ It was not allowed to make a nuclear weapon.

它不被允许制造核武器。

▶ So I think, you know, President Trump won't be tested and I think that there will be some key guarantees in place as this war ends.

所以我认为，你知道，特朗普总统不会被考验，我认为随着这场战争的结束，将会有一些关键的保障措施到位。

▶ And Nina here in London, obviously we heard those European leaders say to President Trump again and again, you know, this was about Ukrainian security but also about European security, the wider continent.

而在伦敦的尼娜，显然我们听到那些欧洲领导人一再对特朗普总统说，你知道，这不仅是关于乌克兰的安全，也是关于欧洲的安全，更广泛的大陆。

 00:15:59

▶ Do you think from your perspective that President Trump, he obviously wants a deal, but does he think that it shouldn't be a deal at any price?

从你的角度来看，你认为特朗普总统显然想要一个协议，但他是否认为不应该不惜任何代价达成协议？

▶ I think that when it comes to Europe's involvement in this, it's really secondary in the year's president's mind and that has become more and more obvious.

我认为，当谈到欧洲的参与时，这在总统的头脑中确实是次要的，而且这一点变得越来越明显。

▶ The way Donald Trump appears to be thinking about the new world order is that it is tri-partite.

唐纳德·特朗普似乎认为新世界秩序是三方组成的。

 00:16:24

▶ That involves not just the United States as the first and supreme economic and military superpower in the world, but also two other countries, China and Russia that aren't democracies.

这不仅涉及美国作为世界上首要和至高无上的经济和军事超级大国，还涉及另外两个非民主国家——中国和俄罗斯。

▶ This has huge implications for the new world order.

这对新世界秩序有着巨大的影响。

▶ On the one hand, what he may be trying to do is peel Russia away from China and then take on China thereafter.

一方面，他可能试图做的是将俄罗斯与中国分开，然后再对付中国。

 00:16:48

▶ Perhaps he feels that business ties with Russia are first and foremost in his mind if he can get the Ukraine war situation resolved pronto and that that will help him in his quest to try and take on China economically.

也许他觉得，如果能迅速解决乌克兰战争局势，与俄罗斯的商业关系是他头脑中的首要任务，这将有助于他在经济上对付中国的努力。

▶ And Europe doesn't figure in any of those considerations.

而欧洲不在这些考虑之列。

▶ That's the main problem that all of those EU leaders know that they have to deal with in the back of their minds.

这是所有欧盟领导人知道他们必须在内心深处处理的主要问题。

 00:17:14

▶ They also know that they can't make weaponry as quickly as the United States.

他们也知道他们不能像美国那样快速制造武器。

▶ They can't make the same sort of sophisticated weaponry as the United States has, so they have to buy it from him, but he is increasingly behaving like an unreniable ally many of them will feel even if they will have had to hold their tongues in that room.

他们无法制造美国拥有的那种复杂武器，所以他们必须从他那里购买，但他越来越表现得像一个不可靠的盟友，许多人会这样觉得，即使他们不得不在那个房间里保持沉默。

▶ That's an important point that you make there, Nina.

尼娜，你提出的这一点很重要。

▶ Welcome back to the Contacts USA.

欢迎回到《联系美国》。

 00:18:53

▶ We're all day.

我们全天都在。

▶ We've been following what's happening here at the White House.

我们一直在关注白宫发生的事情。

▶ This President Trump has welcomed President Zelensky and European leaders here.

特朗普总统在这里欢迎了泽连斯基总统和欧洲领导人。

▶ They are now in the White House hashing out details trying to work on trying to bring peace to Ukraine.

他们现在正在白宫商讨细节，试图努力为乌克兰带来和平。

▶ Yes, the two presidents were joined by a number of European leaders, including the leaders of France, Italy, Germany and the UK.

是的，两位总统与许多欧洲领导人一起，包括法国、意大利、德国和英国的领导人。

 00:19:22

▶ They were all there as a show of support for President Zelensky part of the coalition of the willing.

他们都在那里表示对泽连斯基总统的支持，作为自愿联盟的一部分。

▶ Let's have a listen to some of them now starting with France's President Macron.

现在让我们听听其中一些人的讲话，从法国总统马克龙开始。

▶ In order to organize such a trilateral meeting, you are the idea to ask for a truce or to stop the killings as we discuss is a necessity.

为了组织这样的三方会议，你提出的要求停火或停止杀戮的想法是我们讨论的必要条件。

 00:19:43

▶ And we also support this idea.

我们也支持这个想法。

▶ And in order to have such a longstanding peace for Ukraine and for the whole continent, we do need security guarantees.

为了为乌克兰和整个大陆带来如此持久的和平，我们确实需要安全保障。

▶ To be honest, we all would like to see a ceasefire and the latest from the next meeting on.

老实说，我们都希望看到停火，并从下次会议开始的最新情况。

▶ I can't imagine that the next meeting would take place without a ceasefire.

我无法想象下次会议会在没有停火的情况下举行。

 00:20:07

▶ So let's work on that and let's try to put pressure on Russia because the credibility of these efforts we are undertaking today are depending on at least a ceasefire from the beginning of the serious negotiations from next step on.

所以让我们在这方面努力，并试图对俄罗斯施加压力，因为我们今天所做的这些努力的可信度取决于从下一步开始的严肃谈判之初至少要有停火。

▶ So I would like to emphasize this aspect and would like to see a ceasefire from the next meeting which should be a trilateral meeting wherever it takes place.

所以我想强调这一点，并希望看到下次会议时停火，无论在哪里举行，这应该是一个三方会议。

▶ We all want peace.

我们都希望和平。

 00:20:37

▶ The war in Ukraine has had a huge impact, particularly on the Ukrainians who have borne the brunt of it.

乌克兰战争产生了巨大的影响，尤其是对那些首当其冲的乌克兰人。

▶ But it has also had an impact on Europe and on the United Kingdom.

但它也对欧洲和英国产生了影响。

▶ There is not a family or community that hasn't been affected.

没有一个家庭或社区没有受到影响。

▶ And when we talk about security, we are talking about the security, not just of Ukraine, we are talking about the security of Europe and the United Kingdom as well which is why there is

such an important issue.

当我们谈论安全时，我们谈论的不仅是乌克兰的安全，还有欧洲和英国的安全，这就是为什么这是一个如此重要的问题。

 00:21:01

🎧 So Nina, just listening to those clips, they are fascinating to hear the German and then French leaders speaking about the necessity of a ceasefire.

所以尼娜，只听这些片段，听到德国和法国领导人谈论停火的必要性很有趣。

🎧 One almost wonders if they had coordinated that beforehand and if that is going to be a big focus now behind the scenes, behind doors as they are working towards security guarantees, what's your take?

人们几乎想知道他们是否事先协调过，以及这是否将成为现在幕后、闭门造车时的一个大焦点，因为他们正在努力争取安全保障，你有什么看法？

🎧 Well they are desperately trying to keep the issue of a ceasefire on the agenda even if they have to mention it themselves and it falls on deaf ears.

嗯，他们拼命试图将停火问题留在议程上，即使他们不得不自己提出，而它却无人理会。

 00:21:29

🎧 And the significance of the German Chancellor, first of all, continuing to press the case for that, is because he is the one who is trying to organize this trilateral meeting between Russia, the US and President Zelensky of Ukraine.

而德国总理首先继续推动这一点的重要性，是因为他是试图组织俄罗斯、美国和乌克兰总统泽连斯基三方会议的人。

🎧 Indeed, he hit the airwaves on Saturday evening on German television after he'd managed to digest what would have come out of the Anchorage summit on Friday saying that immediately he wished to try and organize this trilateral meeting on European soil, so to keep the Europeans engaged and to keep the subject of a ceasefire on the table.

事实上，他在周六晚上在德国电视上播出，在他消化了周五安克雷奇峰会的成果后，立即表示他希望尝试在欧洲土地上组织这次三方会议，以保持欧洲人的参与，并将停火议题留在谈判桌上。

🎧 And then as you heard there, Immanuel Macron, the President of France, I pointed out before, only has she a short time left for his legacy to cement his own legacy.

然后正如你在那里听到的，法国总统埃马纽埃尔·马克龙，我之前指出过，他只剩下很短的时间来巩固自己的遗产。

 00:22:12

🎧 He made himself, at the risk of making himself more unpopular, he said a truth, not ceasefire, found a simulum for it, still was one of those key demands from Europe.

他冒着让自己更不受欢迎的风险，说出了真相，不是停火，而是找到了一个类似的替代方案，仍然是欧洲的关键要求之一。

🎧 So again, keeping it on the table and keeping Europe on the table from the two biggest economies and leaders of Europe.

所以再次，将这个问题留在谈判桌上，并将欧洲留在谈判桌上，来自欧洲两个最大经济体和领导人。

🎧 Let me just say that we're seeing as of a few minutes ago those talks between President Trump and all the other leaders gathered there in Washington today are still going on.

让我说一下，就在几分钟前，我们看到特朗普总统和今天聚集在华盛顿的所有其他领导人之间的会谈仍在进行。

 00:22:42

🎧 We may well hear from some of them when they're finished with their discussions.

当他们结束讨论时，我们很可能会听到其中一些人的讲话。

🎧 But Jeanette, so the question of a ceasefire, obviously as we've just been talking about it, some of those European leaders really want that ceasefire to come before anything else.

但是珍妮特，所以停火的问题，显然正如我们刚才讨论的那样，一些欧洲领导人真的希望停火在其他任何事情之前实现。

🎧 If it doesn't, let's talk a little bit more about sequencing.

如果没有，让我们再谈谈顺序问题。

 00:22:59

▶ And as we were discussing a little earlier this hour, not much mention of territory, just a reference to a map at one point.

正如我们在这个小时早些时候讨论的那样，没有太多提到领土，只是在某个时候提到了地图。

▶ But then the subject of security guarantees, do you think that is in terms of the sequencing, the essential thing to focus on first of all?

但然后是安全保障的主题，你认为在顺序方面，这是首先要关注的关键吗？

▶ Yes, I thought we're President Zelensky, I would demand it.

是的，我认为我们是泽连斯基总统，我会要求它。

 00:23:19

▶ I wouldn't agree to any other conditions without it, because otherwise Putin could continue to take more territories.

没有它，我不会同意任何其他条件，因为否则普京可能会继续夺取更多领土。

▶ It would be meaningless certainly without it.

没有它，这肯定是毫无意义的。

▶ And I think certainly the only person who is not agreeing to a ceasefire here is Putin.

而且我认为，这里唯一不同意停火的人是普京。

▶ And I think President Trump would certainly welcome a ceasefire, but he's not putting that on the table because he doesn't want to look foolish when Putin says that that's not on the table for him.

而且我认为特朗普总统肯定会欢迎停火，但他没有将其摆在桌面上，因为他不想在普京说这不在他的桌面上时显得愚蠢。

 00:23:45

▶ Courage, do you think that this is something President Trump will be able to move on?

勇气，你认为这是特朗普总统能够推进的事情吗？

▶ He seems to think that it's just a non-starter with President Putin.

他似乎认为这对普京总统来说根本行不通。

▶ Yeah, I mean, I think if if President Trump thought that a ceasefire was realistic possible or that Putin would be open to it, he'd be out there pronouncing his disaster ceasefire.

是的，我是说，我认为如果特朗普总统认为停火是现实可行的，或者普京对此持开放态度，他早就公开宣布他的停火主张了。

bilibili 00:24:07

▶ And this is again, this is the movable object in the, you know, in measure of force, it's, you know, you cannot say that Putin is serious about negotiating a peace deal if he's still waiting for a grain.

这再次表明，在衡量力量时，这是一个可变因素，如果普京还在等待时机，你就不能说他是认真谈判和平协议的。

▶ If Putin's not even willing to pause being the aggressor to get to the negotiating table, that's not someone who's serious about peace.

如果普京甚至不愿意暂停侵略行为以回到谈判桌前，那他就不是认真对待和平的人。

▶ That's not someone who's interested in negotiation.

那也不是对谈判感兴趣的人。

bilibili 00:24:29

▶ That's someone who's interested in a hostile takeover.

那是对敌意接管感兴趣的人。

▶ And so I think that what we're seeing today in a language from the European leaders is very straightforward and very clear and very reasonable.

因此，我认为今天我们看到的欧洲领导人的表态非常直白、清晰且合理。

▶ We're not going to negotiate if you're literally putting a gun to everyone's head.

如果你实际上是把枪顶在每个人的头上，我们就不会谈判。

▶ It's up to Putin to decide to choose peace.

选择和平取决于普京。

bilibili 00:24:49

▶ Peace is a choice, ultimately.

和平终究是一种选择。

▶ Nothing we have seen for Vladimir Putin suggests that he actually wants peace.

我们从普京身上看到的没有任何迹象表明他真正想要和平。

▶ And if he's not even willing to stop the hostilities to get to the negotiating table, we already have our answers whether or not this is needed or realistic or not.

如果他甚至不愿意停止敌对行动以回到谈判桌前，我们就已经得到了答案，无论这是否必要或现实。

▶ And we have just less than a minute now, Nina, so very briefly we heard President Trump asked earlier when he was with President Zelensky if this could be soon the end of the road for U.S. involvement.

尼娜，我们现在只剩不到一分钟了，所以简单来说，我们早些时候听到特朗普总统在与泽连斯基总统在一起时被问到，这是否可能很快成为美国介入的终点。

bilibili 00:25:14

▶ And he said it's never the end of the road.

他说这永远不会是终点。

▶ Do you think the Europeans will take some comfort from that?

你认为欧洲人会因此感到些许安慰吗？

▶ That he seems more determined to stick this through?

他似乎更有决心坚持到底？

▶ See this through?

坚持到底？

▶ Yeah, I think he's realized that having said last time, you know, if you're not with us, you don't play ball with us.

是的，我认为他意识到上次说过的话，你知道，如果你不站在我们这边，你就不会与我们合作。

▶ It's over and the U.S. is backing out.

一切都结束了，美国正在退出。

 00:25:32

▶ That empty threat hasn't really helped.

这种空洞的威胁并没有真正起到作用。

▶ And he's probably also realized that other threats on Russia haven't really come to pass either.

他可能也意识到，其他对俄罗斯的威胁也没有真正实现。

▶ So obviously the U.S. President trying a different tack and European leaders will probably take some sucker from how mildly these meetings have gone today.

因此，显然美国总统正在尝试不同的策略，而欧洲领导人可能会从今天这些会议的温和进展中得到一些安慰。

▶ But whether or not they achieve much, that's the big question.

但他们是否能取得很大进展，这是个重大问题。

 00:25:52

▶ Okay, Nina, Jeanette and Kurt, we'll be back with you in a few minutes, we'll take a break but continue to keep a very close eye on negotiations happening in the White House behind me.

好的，尼娜、珍妮特和库尔特，我们几分钟后回来，我们会休息一下，但继续密切关注我身后白宫正在进行的谈判。
