

剑桥雅思10 | 听力真题 Test 4 Section 2

【剑桥雅思10 | 听力真题 Test 4 Section 2 | 穿越千年时光 | 探秘英国马纳姆河港历史主题公园 | 铜矿奇遇·复古学堂·古船探秘】

Summary: Manum Riverport in England is a historical theme park that brings a thousand years of history to life. Visitors can explore a copper mine, experience 19th-century life, and learn about the port's rise as a bustling hub during the industrial revolution. The park, now restored by the Manum Trust, offers immersive activities like dressing in period costumes and boarding an old sailing ship. Located on the Great River Aivan, it showcases the region's mining heritage and cultural revival.

摘要：英国马纳姆河港历史主题公园将千年历史生动再现。游客可深入铜矿探险、体验19世纪生活，了解该港口在工业革命时期的繁荣盛景。经马纳姆信托基金会修复后，公园提供复古服饰换装、古船参观等沉浸式活动。坐落在艾凡河畔，这里展现了当地的采矿传统与文化复兴。

🎵 Section 2.

第二部分。

🎵 You will hear a recorded talk giving an introduction to the historical theme park of Manum Riverport in England.

你将听到一段录音介绍英格兰马纳姆河港历史主题公园。

▶ First, you have some time to look at questions 11-15.

首先，你有时间看一下问题11至15。

▶ Now listen carefully and answer questions 11-15.

现在请仔细听并回答问题11至15。

▶ Welcome to Manum Port, where a thousand years of history are brought to life.

欢迎来到马纳姆港，这里千年的历史栩栩如生。

▶ All the family can enjoy a day out at Manum, visit our copper mine, see models of the machinery it used, have your photo taken in 19th century costume, experience at first hand how people lived at different stages throughout history, and especially how children studied, worked and played.

全家人都可以在马纳姆度过愉快的一天，参观我们的铜矿，看看曾经使用的机械模型，穿上19世纪的服装拍照，亲身体验历史上不同阶段人们的生活，尤其是孩子们如何学习、工作和玩耍。

 00:01:21

▶ The port of Manum is located in beautiful and peaceful countryside, on a bend in the Great River Aivan, and developed here because it's the highest navigable point of the Aivan.

马纳姆港位于美丽宁静的乡村，坐落在艾文大河的一个弯道上，之所以在这里发展，是因为它是艾文河的最高通航点。

▶ Boats can go no higher up this river, and proved a handy place to load and unload cargo to and from the sea, which is over 23 miles away.

船只无法再往上游航行，因此这里成为装卸来自23英里外海洋货物的便利之地。

▶ A small port was already established here, when about 900 years ago tin was discovered nearby, though it wasn't until the industrial revolution, when a tremendous need for metals of all kinds developed, that Manum expanded to become one of the busiest ports in the country.

大约900年前，这里已经建立了一个小港口，当时附近发现了锡矿，但直到工业革命时期，对各种金属的需求激增，马纳姆才扩展成为全国最繁忙的港口之一。

 00:02:04

⏮ And because it was already so busy, prospectors began to look for other minerals, and by the end of the 19th century, lead, copper, manganese and arsenic were added to the cargo's leaving Manum.

由于港口已经非常繁忙，勘探者开始寻找其他矿物，到19世纪末，铅、铜、锰和砷也被加入从马纳姆运出的货物中。

⏮ In the early days, the oars had been smelted or processed in the same area they were mined.

早期，矿石在开采的同一地区被冶炼或加工。

⏮ But as demand grew, the smelting process required huge factory furnaces or fires to melt the metal from the rock, and there was not enough coal in the local area, so the rocks containing minerals had to be shipped long distances.

但随着需求增长，冶炼过程需要巨大的工厂熔炉或火焰从岩石中提取金属，而当地煤炭不足，因此含矿岩石不得不长途运输。

 00:02:42

⏮ Sadly, in the 20th century, the great port of Manum declined, and thousands of workers were forced to emigrate out of the area.

遗憾的是，20世纪时，伟大的马纳姆港衰落了，成千上万的工人被迫离开该地区。

⏮ The building at the port fell into disrepair, and the place became almost forgotten.

港口的建筑年久失修，这个地方几乎被遗忘。

⏮ But then the Manum Trust was formed to conserve the historical resources of the area.

但后来成立了马纳姆信托基金，以保护该地区的历史资源。

⏮ It organized scores of local volunteers to remove undergrowth to find the original outlines of the installations.

它组织了大量当地志愿者清理灌木丛，寻找设施的原始轮廓。

 00:03:11

🎧 It then brought in paid professionals to match installations with maps of the original port complex and to set about reconstructing it.

随后聘请了专业人员，将设施与原港口综合体的地图匹配，并着手重建。

🎧 Today, you can see the results of this ambitious program of restoration.

今天，你可以看到这一雄心勃勃的修复计划的成果。

🎧 The intention, and we believe this will be realized before the end of the year, is to return Manum Port to the condition it reached at its peak as the greatest copper port in the country.

我们的目标是在年底前将马纳姆港恢复到其作为全国最大铜港的巅峰状态，我们相信这一目标将实现。

 00:03:38

🎧 Before you hear the rest of the talk, you have some time to look at questions 16 to 20.

在听接下来的内容之前，你有时间看一下问题16至20。

🎧 Now listen and answer questions 16 to 20.

现在请听并回答问题16至20。

🎧 But what can you do and see on your visit today?

但今天参观时你能做什么、看什么呢？

🎧 Here are just a few highlights.

这里有一些亮点。

🎧 We suggest you start with the visit to the copper mine.

我们建议你从参观铜矿开始。

🎧 Travel on converted mining trains, and journey into the depths of the mountain, along seams once worked by hundreds of miners.

乘坐改造后的矿车，沿着数百名矿工曾经开采的矿脉深入山中。

 00:04:29

▶ Watch out especially for the great pumping machines which rid the mine of water.

尤其要注意那些为矿井排水的大型抽水机。

▶ But please be warned that like all mines, hours is very dark and closed in, and we do say that children under five and also dogs should not be taken into the mine.

但请注意，和所有矿井一样，这里非常黑暗和封闭，我们建议不要带五岁以下儿童和狗进入矿井。

▶ The next recommended visit is to the village school.

下一个推荐参观的是乡村学校。

▶ While looking around the classrooms, take a special look at our display of games, which is one of the largest in the world.

在参观教室时，特别看看我们的游戏展览，这是世界上最大的展览之一。

 00:04:58

▶ And it's recommended that you time your visit to coincide with a guided tour.

建议你安排时间参加导览游。

▶ This will give you the opportunity to ask lots of questions.

这将给你机会提出许多问题。

▶ Near the school is the beautiful old sailing catch called the George.

学校附近有一艘名为“乔治”的美丽老式帆船。

▶ You're welcome to board the boat and look round the cabins.

欢迎登船参观船舱。

▶ Look out for the ship's wheel, which was missing until only five years ago when it was dredged out of the silt by a local fisherman.

留意船舵，它在五年前才被当地渔民从淤泥中打捞出来，之前一直失踪。

 00:05:24

▶ We have no idea how it got there, but it's been polished and proudly restored to its original place on the boat.

我们不知道它是如何到那里的，但它已被抛光并自豪地恢复到船上的原位。

▶ Please take care going down the ladders if you wish to visit the lower deck.

如果你想参观下层甲板，请小心爬下梯子。

▶ We don't recommend you allow young children to use them.

我们不建议让年幼的孩子使用梯子。

▶ So we hope you have a memorable visit to Manon Port and we'll tell your friends all about us.

因此，我们希望你马纳姆港有一次难忘的访问，并向你的朋友介绍我们。

 00:05:44

▶ That is the end of section two.

第二部分到此结束。

▶ You now have half a minute to check your answers.

现在你有半分钟时间检查答案。

▶ No turn to section three.

现在转到第三部分。
