And our correspondent, Weirad Davis, has more from Jerusalem.

本台#记者#维拉德·戴维斯在耶路撒冷带来更多报道。

Well, with the peace process, Moribund and cease-fire talks going nowhere, the IDF, the Israeli military has stepped up its military offensive, particularly on Gaza City itself.

由于和平进程停滞不前、停火谈判陷入僵局，以色列国防军加强了军事攻势，特别是针对加沙城本身。

There have been many more airstrikes over the last 24 hours.

过去24小时空袭次数大幅增加。

Israel says it's destroyed at least two high-rise buildings in Gaza City, which it accuses Hamas of having used as command and control centers, specifically intelligence gathering centers.

以色列称已摧毁加沙城至少两栋高层建筑，指控哈马斯曾将这些建筑用作指挥控制中心，特别是情报收集中心。

🎧 In many cases, Israel has just given warnings of a couple of hours before those buildings were blown up, telling residents not only to evacuate, but to move further south to what it's calling safe humanitarian zones, particularly around Amawasi in southern Gaza.

以军多次仅在炸毁建筑前数小时发出警告，要求居民不仅撤离，还要继续南移至其所谓的人道主义安全区，特别是加沙南部的阿马瓦西周边地区。

🎧 Israel says now that 300,000 people have left Gaza City, but the United Nations quoted in some media reports is saying that in many cases, people are turning around again and heading back north because the aid and the food and in particular shelter that Israel has promised it's going to supply in these areas is simply non-existent and according to the UN, nowhere in Gaza can be considered safe.

以色列称已有30万人离开加沙城，但据某些媒体报道，联合国指出许多民众因以方承诺的援助物资、食品尤其是庇护所根本不存在而再次折返北上。联合国表示加沙无一地区可称安全。

🎧 There's been a lot of international criticism, of course, and appeals for Israel to stop its military offensive in Gaza, but also from some Israelis themselves, particularly the families and the supporters of the hostages.

国际社会当然出现大量批评之声，呼吁以色列停止在加沙的军事行动，但部分以色列人也提出批评，尤其是人质家属及其支持者。

🎧 There was a big rally in Tel Aviv in the last 24 hours, at which families of the hostages said that the continued military activity in Gaza and particular that Israeli military attack on Hamas leaders in Qatar last week has basically quashed any hopes they have of the hostages being released anytime soon.

过去24小时特拉维夫举行大型集会，人质家属表示加沙持续的战事，特别是以军上周对卡塔尔哈马斯领导人的袭击，基本粉碎了人质近期获释的希望。

🎧 Let's cross-live now to Christina Rufini, host of the Foreign Affairs podcast, one decision to unpack what we've just heard.

现在连线《外交事务》播客主持人克里斯蒂娜·鲁菲尼，请她解读刚报道的内容。

▶ Christina, what do you make of this statement coming out of the Arab Islamic summit in Doha, and how much of a challenge is it going to present for the Trump administration's Middle East policy?

克里斯蒂娜，您如何看待多哈阿拉伯伊斯兰峰会发布的声明？这对特朗普政府的中东政策将构成多大挑战？

bilibili 00:07:17

▶ Well, I think that's what they have to figure out at the summit.

我认为这正是他们需要在#峰会#上解决的问题。

▶ They have very limited options because it's not like any of these countries are going to unilaterally strike back.

他们的选择非常有限，因为这些国家都不会单方面反击。

▶ It is real.

这是现实。

▶ I don't think we're at that point yet.

我认为还没到那一步。

▶ And they have to find a way of pushing back without antagonizing the United States and President Trump.

他们必须找到既能反击又不激怒美国和特朗普总统的方法。

bilibili 00:07:34

▶ It was a bit surprising to hear the President of the United States, not necessarily side with Qatar, but say openly he was very displeased with the actions.

令人稍感意外的是，美国总统虽未明确支持卡塔尔，但公开表示对相关行动极为不满。

▶ And you saw Rubio and JD Vance meet with El-Thani, you know, the Qataris before he went on this pre-plan trip to Israel.

值得注意的是，卢比奥与JD万斯在按计划访以前会见了卡塔尔官员埃勒萨尼。

▶ Now, Rubio's got a bit of a fine line to walk because he's doing this visit at the same time the summit is going on.

现在卢比奥需要谨慎行事，因为其访问恰与峰会同期进行。

bilibili 00:07:57

▶ And we're about to head into the United Nations General Assembly where there are two different motions, including one by France and the Saudis, to recognize Palestinian statehood.

联合国大会即将召开，届时将审议两项不同动议（包括法国与沙特提出的动议），涉及承认巴勒斯坦建国权。

▶ So what they

因此他们

▶ Have to figure out at this summit is what they can do diplomatically that's actually going to make a difference because one of the criticisms of the Arab Gulf leagues at this point is they don't really have a tangible plan for Gaza.

这次峰会必须搞清楚的是，他们能在#外交#上做些什么才能真正有所作为，因为目前对阿拉伯海湾联盟的一个批评是，他们并没有为加沙制定一个切实可行的计划。

bilibili 00:08:19

▶ They have a lot of criticism and a lot of valid criticism of what's been going on there, but they haven't really stepped in to take charge and come up with a day one plan if and when that happens.

他们对那里发生的事有很多批评，很多也是合理的批评，但他们并没有真正介入并负责，为一旦发生的情况制定一个“第一天”计划。

▶ And we'll have to see if maybe this will be the impetus for them to really start moving forward and taking a little more concrete action when it comes to this conflict.

我们还得看看，这是否会成为他们在#这场冲突#中真正开始向前推进并采取更具体行动的动力。

▶ How likely do you think that is that we would see them start to formulate or perhaps move forward on a plan now that you have all these leaders in one place having issued this fairly strong statement?

现在所有这些领导人都齐聚一堂，并发表了这份相当强硬的声明，你认为他们开始制定或推进一项计划的可能性有多大？

bilibili 00:08:49

▶ I think it depends on what they can get done.

我认为这取决于他们能做成什么。

▶ I think it depends on if they can get on the same page.

我认为这取决于他们能否达成共识。

▶ It's not for nothing.

这不是没有原因的。

▶ We tend to just group countries and blocks and think, oh, they get along.

我们倾向于把国家和集团归类，然后想，哦，他们相处得很好。

▶ That's not true.

事实并非如此。

▶ I mean, the fact that the Saudis are there with the UAE, with Qatar.

我的意思是，沙特与阿联酋、卡塔尔坐在一起这个事实本身。

▶ These are three nations who didn't even have diplomatic relations not too long ago.

这三个国家在不久前甚至还没有#外交#关系。

bilibili 00:09:08

▶ The thing they really have that I think they could potentially hold over the Trump administration is the Abraham Accords, right?

我认为他们真正拥有并可能用来牵制特朗普政府的是《亚伯拉罕协议》，对吧？

▶ Is this effort to normalize relations between Gulf nations and Israel?

就是那个推动#海湾#国家与以色列关系正常化的努力？

▶ If you remember that started during the first Trump administration was very successful and it includes the UAE, that's something that they've already talked about re-examining in the wake of this strike on Qatar.

如果你还记得，那始于特朗普第一届政府，非常成功，包括了阿联酋。而在此次对卡塔尔的袭击之后，他们已经讨论过要重新审视该协议。

bilibili 00:09:30

▶ And that really I think is one of their only diplomatic cards they could play with the Trump administration to say you need to put more pressure on Israel to end this conflict or we're going to denormalize and we're going to unravel this big effort and this big diplomatic victory that you had in your first term that Trump holds very dear.

我认为这确实是他们能与特朗普政府打的为数不多的外交牌之一，以此表明：你需要向以色列施加更大压力以结束这场冲突，否则我们将使关系非正常化，并瓦解你在第一任期取得的这一重大努力和外交胜利，而特朗普对此非常珍视。

▶ Now you've mentioned those comments we heard from the administration saying that they're very unhappy with this Israeli strike on Doha.

现在你提到了我们从政府那里听到的那些评论，说他们对以色列这次对多哈的袭击非常不满。

▶ How do you think Trump's personal relationship with the Qataris and with the Israelis has is going to shape his approach to what comes next?

你认为特朗普与卡塔尔人以及以色列人的个人关系将如何影响他下一步的应对方式？

bilibili 00:10:03

▶ I think we're going to have to see.

我认为我们还得观望。

▶ I think what's interesting here is the Qataris have done a really good job of ingratiating themselves to Trump the second time around.

我认为有趣的是，卡塔尔人在特朗普第二次执政期间，在#讨好#他方面做得非常好。

🎧 And it's no secret that Trump and BB have an on-again, off-again bromance.

🎧 At some point the rubber is going to meet the road and the Trump administration is going to have to decide if these nations keep falling out.

所以我们最终得看看谁胜出，是他的老朋友，还是那些送上漂亮新飞机的人，以及什么对白宫更重要。

bilibili 00:10:59

▶ It really does, as you say, put the administration in a difficult position.

正如你所说，这确实让政府处境艰难。

▶ And amid this, we've got Secretary of State Rubio going to Israel where he will be meeting with Netanyahu.

而#在此背景下#，国务卿鲁比奥将前往以色列，与内塔尼亚胡会面。

▶ How much pressure do you think he will be putting on the Israeli government?

你认为他会在多大程度上向以色列政府施压？

▶ It's a matter of how much pressure the United States really can put on the Israeli government.

这取决于美国究竟能在多大程度上向以色列政府施压。

bilibili 00:11:17

▶ I find this very interesting because we saw this a lot with the Biden administration.

我觉得这很有趣，因为我们在拜登政府时期经常看到这种情况。

▶ No, Secretary Blinken went to the Middle East, went to Israel almost a dozen times trying to get the Israelis to agree to a piece of gold, trying to get them to fall into step with the goals of the administration to end this conflict.

不，布林肯国务卿去了中东，去了以色列近十几次，试图让以色列人同意（某个方案），试图让他们与政府结束这场冲突的目标保持一致。

▶ And as one Middle Eastern diplomat said to me, it was like Lucy and the football, right?

正如一位中东#外交官#对我说的，这就像露西和橄榄球，对吧？

bilibili 00:11:39

▶ The Biden administration kept going back to kick in the Israelis with snatched another way.

拜登政府不断回去尝试，以色列人却用另一种方式把球抢走了。

🎧 We're seeing this a little bit now with Trump in the Israelis and for better, worse with Putin and Trump.

我们现在在特朗普和以色列人之间也看到了一点这种情况，而特朗普和普京之间，无论是好是坏，也是如此。

🎧 So he's got two leaders who are basically doing what they want and promising him, oh, yeah, oh, yeah, we're going to do the thing.

所以他有两个领导人，基本上都在做自己想做的事，同时向他承诺，哦，是的，哦，是的，我们会做的。

 00:11:54

🎧 We're going to do the thing and continually not doing it.

我们会做的，但却#持续#不去做。

🎧 So it's going to come down to the president and whether or not he's willing to go head to head and take on these, these men that he's called friends or at least been friendly with because they are not doing what he's asking them to do.

所以最终将取决于总统本人，看他是否愿意正面交锋，对付这些他称之为朋友或至少关系友好的人，因为他们没有按照他的要求去做。

🎧 At some point, he's going to have to make a decision whether he wants to maintain the facade of those relationships or whether he really wants to enforce policy.

在某个时刻，他将不得不做出决定，是想要维持那些关系的表面文章，还是真的想要执行政策。

 00:12:18

🎧 And it's going to be interesting to see which one of those kind of gives first.

看看哪一方会先让步，将会很有趣。
