

Air Canada Strike Fallout, Gaza Offensive Intensifies, and Trump's Museum War

【加拿大新闻 Global News 20250821 加航大罢工后续：9万旅客滞留，天价机票谁买单？ | 特朗普向博物馆“宣战”：不准再提奴隶制黑历史】

Summary: Air Canada is gradually resuming operations after a 3-day strike by flight attendants, but faces severe customer backlash and government scrutiny over its handling of mass cancellations. Israel begins a major military offensive to occupy Gaza City, displacing nearly a million Palestinians amid stalled ceasefire talks. U.S. President Trump attacks the Smithsonian museums, accusing them of being "too woke" and focusing too much on negative aspects of American history like slavery, prompting fears of historical whitewashing.

摘要：加拿大航空在乘务员为期三天的罢工后逐步恢复运营，但因处理大规模航班取消的方式而面临严重的客户反弹和政府审查。以色列开始重大军事行动占领加沙城，在停火谈判停滞之际，导致近百万巴勒斯坦人流离失所。美国总统特朗普抨击史密森尼博物馆，指责其“过于觉醒”，过分关注美国历史上的负面内容如奴隶制，引发了对历史被洗白的担忧。

▶ It's well established that smoking causes lung cancer, but there are a number of other factors that can increase your risk, even if you have never smoked a day in your life.

吸烟导致肺癌已是公认的事实，但还有许多其他因素会增加你的风险，即使你一生中从未吸过烟。

▶ Katherine Ward explains.

凯瑟琳·沃德解释。

▶ 56-year-old Steve Blake has always been happy on the green.

56岁的史蒂夫·布莱克在高尔夫球场上总是很快乐。

▶ But in 2023, the pro golfer knew something wasn't right.

但在2023年，这位职业高尔夫球手知道有些不对劲。

bilibili 00:17:11

▶ I was struggling walking up the, you know, small hills up to a green or, you know, looking for somebody else's ball.

我当时走路上，你知道，走上果岭的小坡或者，你知道，去找别人的球都很吃力。

▶ And uh and it got to the point where where I actually couldn't finish a round of golf uh without being uh extremely uh winded, you know, out of breath.

呃，而且情况严重到我实际上无法打完一轮高尔夫球，呃，而不感到呃极度呃气喘，你知道，上气不接下气。

bilibili 00:17:35

▶ Sure enough, they did.

果然，症状恶化了。

▶ And within weeks, Blake received a stage 4 lung cancer diagnosis.

几周内，布莱克就收到了第四期肺癌的诊断书。

▶ And that's when they give me the prognosis of 12 to 24 months.

就在那时，他们告诉我预后是12到24个月。

▶ A hard reality given his history.

鉴于他的历史，这是一个残酷的现实。

▶ I'm been a non-smoker all my life.

我一生都不吸烟。

▶ Um, you know, have always been very active in sports.

嗯，你知道，我一直非常积极参加体育运动。

▶ But a growing body of research suggests many people who develop lung cancer have a similar story.

但越来越多的研究表明，许多患上肺癌的人都有类似经历。

▶ Dragon flies are beautiful, unparalleled masters of flight, and they have managed to thrive for hundreds of millions of years.

蜻蜓是美丽的、无与伦比的飞行大师，它们成功地繁衍生息了数亿年。

▶ Now, a group of researchers out of Montreal is making headlines after they confirm the discovery of a dragonfly wing fossil.

如今，蒙特利尔的一个研究小组在确认发现一块蜻蜓翅膀化石后登上了头条。

▶ It's been identified as a new species, and as Mike Armstrong explains, it is the first fossil of its kind found in Canada that dates all the way back to the era of the dinosaurs.

它已被确定为一个新物种，据迈克·阿姆斯特朗解释，这是在加拿大发现的同类化石中第一个可追溯到恐龙时代的化石。

bilibili 00:19:42

▶ It was one of those discoveries made by accident.

这是一次偶然的发现。

▶ A team of paleontologists from McGill University was working in Alberta's Dinosaur Provincial Park in 2023, a very special place for people in their business.

2023年，麦吉尔大学的一个古生物学家团队在艾伯塔省的省立恐龙公园工作，这对他们这一行的人来说是一个非常特别的地方。

▶ Oh, I mean, it's it's the place to be.

🎧 It was in fact the hind wing of a dragonfly and a special one.

它事实上是一只蜻蜓的后翅，而且很特别。

🎧 a dragonfly fossil that predates the dinosaurs has been found before and some from after the dinosaurs, but none have been found in Canada that lived in the era of the dinosaurs.

年代早于恐龙的蜻蜓化石以前发现过，一些年代晚于恐龙的也发现过，但在加拿大从未发现过生活在恐龙时代的蜻蜓化石。

🎧 There was a 30 million-year gap.

存在一个3000万年的空白。

🎧 The fact that we got one smack dab in the middle helps bridge that evolutionary mystery, missing link, one could say.

我们正好在中间时期发现了一个，这有助于填补那个进化之谜，可以说是缺失的一环。

 00:20:55

🎧 Dragonflies are one of the oldest lineages of winged insects.

蜻蜓是最古老的有翅昆虫谱系之一。

🎧 They've barely changed in more than 300 million years and have lived through multiple mass extinctions.

在超过3亿年的时间里，它们几乎没有什么变化，并经历了多次大规模灭绝。

🎧 Now, what the team found would have been larger than the ones in nature today.

如今，该团队发现的蜻蜓比现在自然界中的蜻蜓要大。

▶ Its wingspan was about the width of a human hand.

它的翼展大约相当于人手的宽度。

▶ Finding a new species means the team gets to decide what to call it.

发现一个新物种意味着该团队可以决定其命名。

 00:21:18

▶ We named it Cordo Aladensa Acorn Eye after uh John Acorn.

我们以呃约翰·埃克恩的名字将其命名为 Cordo Aladensa Acorn Eye（埃克恩眼弓蜓）。

▶ No doubt about it.

毫无疑问。

▶ I'm a nut.

我是个怪人。

▶ The University of Alberta's John Acorn hosted a show devoted to nature.

阿尔伯塔大学的约翰·埃克恩主持过一个专注于自然的节目。

▶ Hey, did you see that?

嘿，你看到了吗？

▶ Many on the team that made the discovery grew up watching and following Acorn's work.

做出这一发现的团队中，许多人都是看着并追随埃克恩的作品长大的。

▶ Naming the new species after him was meant as a small gesture to show he was a big inspiration.

以他的名字命名这个新物种是一个小小的姿态，以示他是巨大的灵感来源。
