▶ It was around 1 o'clock in the morning here in Kiev when I began to see reports on my phone that Russian drones had crossed into Poland.

基辅时间凌晨1点左右，我开始在手机上看到俄罗斯无人机进入波兰的报道。

▶ It was on the telegram channels that monitor the skies whenever Russia launches an attack on Ukraine and usually they're warning people here when they need to seek shelter.

这些消息来自监测空域的Telegram频道，每当俄罗斯攻击乌克兰时，这些频道通常会警告当地民众寻求庇护。

▶ But this time what I was seeing was warning of the threat across the border.

但这次我看到的是对跨境威胁的警告。

▶ Jaren Gukrysis meeting, Poland's Prime Minister said 19 drones had violated his country's airspace.

波兰总理在雅伦·古克瑞西斯会议上称，19架无人机侵犯了其国家领空。

▶ His words then to Parliament was stark.

他随后对议会的发言是#严峻#的。

▶ This situation brings us the closest we have been to open conflict since World War II.

这一局势使我们处于自二战以来最接近公开冲突的边缘。

▶ We need to say it again loudly and clearly.

我们需要再次大声而明确地声明。

▶ Poland today has a political enemy beyond its eastern border which doesn't conceal its hostile intentions.

今天的波兰在其东部边界外有一个毫不#掩饰#其#敌对#意图的政治敌人。

▶ So in London a meeting of European Defence Ministers suddenly had new focus.

因此在伦敦举行的欧洲国防部长会议突然有了新的焦点。

▶ These are the first shots NATO has fired since Russia's full scale invasion of Ukraine.

这是自俄罗斯全面#入侵#乌克兰以来北约首次开火。

▶ The Kremlin has refused to comment.

▶ I think they had to do something.

我认为他们必须采取行动。

▶ They didn't shoot them all down.

他们并没有击落所有无人机。

▶ They would shoot down the ones that seemed most likely to hit something I guess bad.

我猜他们会击落那些最有可能击中重要（或糟糕）目标的无人机。

▶ It is striking that the air defenses were weak enough that it required a kind of overwhelmingly strong response from F-16s at 35 jets to be scrambled on what would be

kind of light night.

引人注目的是，防空力量如此薄弱，以至于需要出动多达35架F-16战机进行压倒性强势回应，来应对一个本应是相对平静的夜晚。

 I think Russia is a very strong force for Ukrainian air defenses.

我认为俄罗斯对乌克兰防空系统而言是一支非常强大的力量。

 As your reporter said, Russia is not accidental.

正如你们的记者所说，俄罗斯的行为并非偶然。

 Two or three drones have crossed the border before, but 19.

之前有两三架无人机曾越界，但这次是19架。

 It's hard to explain that away.

这很难解释为意外。

 And I think what we're seeing here is some probing of the eastern flank of NATO in terms of the strength of its air defenses.

我认为我们在这里看到的是对北约东翼防空力量的一些试探。

 00:24:12

 I think if I were Putin, I would say, wow, not a very impressive response so far.

我想如果我是普京，我会说，哇，到目前为止（北约的）反应并不令人印象深刻。

 And why do you think he would be wanting to test the resolve that?

你为什么认为他想测试（北约的）这种决心？

 Do you think he has ambitions for his military activity beyond Ukraine?

你认为他的军事活动有超越乌克兰的野心吗？

 Well, I think he has those ambitions, whether he has that ability is a big question.

嗯，我认为他有那些野心，但他是否有那种能力是个大问题。

🎧 It is after all we're three and a half years into his attack on Ukraine.

毕竟他对乌克兰的进攻已经持续了三年半。

🎧 And of course, Russia doesn't control all of Ukraine, which was clearly the initial goal, but it controls about 20% of Ukraine, but it's certainly taking a very long time to get any further than that.

当然，俄罗斯并未控制整个乌克兰（这显然是初始目标），但它控制了约20%的乌克兰领土，而要更进一步显然需要非常长的时间。

🎧 I do think that one of Putin's long-term goals has been to try and disrupt the unity of NATO and to weaken NATO.

我确实认为普京的长期目标之一是试图#破坏#北约的#团结#并#削弱#北约。

bilibili 00:25:05

🎧 And so here we have a situation where Article 4 is involved of a NATO treaty, which is calling a meeting about what to do.

因此我们遇到了涉及北约条约第四条的情况，该条款要求召开会议商讨对策。

🎧 And if the response continues to be weak, especially from the United States, I thought President Trump's response was particularly baffling today.

如果回应持续软弱，尤其是来自美国的回应，我认为特朗普总统今天的回应尤其令人困惑。

🎧 I think he said something.

我想他说了些话。

🎧 He put on truth social or something like, what's with Russia violating Poland's airspace with drones?

他在Truth Social或其他平台上发了类似“俄罗斯用无人机侵犯波兰领空是怎么回事？”的话。

🎧 Here we go, exclamation point.

来了，#感叹#号。

⏮ But there was no clear condemnation from him of what was the first time that NATO has actually engaged Russia directly over NATO territory in its entire history.

但他没有明确谴责这起北约在其整个历史上首次在其领土上空与俄罗斯直接交战的事件。

⏮ So it's also shocking that he did not immediately underscore the U.S. commitment to NATO into defending its allies.

同样令人震惊的是，他没有立即#强调#美国对北约及其保卫盟友的承诺。

⏮ He could have warned of clear consequences that could happen.

他本可以警告可能发生的明确后果。

 00:26:00

⏮ He could have said you do that again, and we have the right to defend Ukrainian airspace.

他本可以说“你们再这样做，我们有权保卫乌克兰领空”。

⏮ He didn't do any of those things.

这些他一样都没做。

⏮ And I think that's that is quite telling and kind of indicates that the alliance is perhaps shaky.

我认为这很能说明问题，并某种程度上表明#联盟#或许并不稳固。

⏮ And it has nothing around to talk about.

而且（他）也没有什么可说的了。

⏮ Thanks very much.

非常感谢。

⏮ For your thoughts, we're going to have to leave it there.

感谢您的见解，我们的话题不得不就此打住。
