⏮ Wouldn't many see that as a good thing especially in London where child care is more expensive?

很多人难道不认为这是一件好事吗？尤其是在托儿费用更昂贵的伦敦。

⏮ Yes it's it's in principle it's a very good thing but I think it's sadly has been maybe mismanaged in in what the promise is so parents I think we're expecting to have their fees really reduced and be available you know it be available at very low cost for the 52 well 51 weeks of the year.

是的，原则上这是一件非常好的事情，但我认为遗憾的是，在承诺方面可能管理不善，所以我认为父母们原本期望他们的费用能真正减少，并且能在一年52周（嗯，51周）内以非常低的成本获得服务。

 00:17:48

🎧 So the issue is because it's term time you have to stretch it in effect so what you're saying is it doesn't quite see what it says on the tin but as we've heard there the shortage of places and staffing is even more acute here so much so that in London parents and guardians are putting their name down on multiple nurseries which sometimes costs them up to a hundred pounds each as a deposit which is not the case elsewhere in the country.

所以问题是，因为这是学期时间，你实际上必须把它分摊开，所以你的意思是它并不完全像宣传的那样，但正如我们听到的，这里名额和人员的短缺甚至更加严重，以至于在伦敦，父母和监护人会在多个托儿所登记名字，有时每个托儿所要花费高达一百英镑的押金，这在国内其他地方是没有的情况。

🎧 No that's true and at the moment the funding is sort of flat so there it isn't regionalised so therefore London doesn't get an extra uplift because of the additional cost because in London it's more expensive on every level and therefore you want to pay your staff higher so your staff can afford to live in London we that's one of our major problems they need to move out because they simply can't afford when they particularly have their own children even at leaf where we give a 70% discount for parents you know parents of children who work for us that still makes it very hard for them so there are some tensions on that there are really really always go back to the funding and also because leaf works in 75% of our nursery society and areas of deprivation some of the parents who won't meet the threshold so they won't access the service so if you think about the point of it isn't simply so parents can work that's an infrastructure issue it's also about the quality the children must experience and we have children who've got already a bit of a tough start you really really want to give them the best quality so you want the best staff and the best funding so as you said you would be looking for an uplift in terms of London regionalised but given that that is not happening as we speak what is your advice briefly particularly to families as you say on low incomes struggling to find nursery places even with this change I mean it's a very it's a very hard question to answer because I don't know what to say to them I mean we simply say make contact of course but also one of the things that really needs to be sorted out is there is a huge confusion in the way fees are structured now because of a challenge that was placed by local authority outside of London about how you how you identify your fees that's not really

helping parents either so I think all you have to do is they have to come and knock at the door and ask questions so perhaps more transparency and recognition and some clarity perhaps the real clarity would be really helpful really good to speak to you Dr. Duno Sullivan many thanks for your time now for some they are the lifeblood of our city

不，这是真的，目前的资金是统一的，没有按地区划分，因此伦敦不会因为额外的成本而获得额外的补贴，因为在伦敦，各个层面的成本都更高，因此你想支付员工更高的工资，这样你的员工才能负担得起在伦敦的生活——这是我们面临的主要问题之一，他们需要搬出去，因为他们根本负担不起，尤其是当他们有了自己的孩子时，即使在我们LEAF（伦敦早期基金会），我们为员工父母提供70%的折扣，你知道，那些为我们工作的孩子父母，这对他们来说仍然非常困难，所以在这方面存在一些紧张关系，真的真的总是要回到资金问题上，而且因为LEAF在我们75%的托儿所所在的社会和贫困地区运营，一些父母无法达到门槛，因此他们将无法获得服务，所以如果你考虑这一点，它不仅仅是为了让父母能够工作，那是一个基础设施问题，它也关乎孩子们必须体验的质量，我们有一些起步已经有点艰难的孩子，你真的真的想给他们最好的质量，所以你需要最好的员工和最好的资金，所以正如你所说，你会寻求伦敦地区化的补贴，但鉴于目前这种情况还没有发生，你简要的建议是什么，特别是对你所说的低收入家庭，即使有了这个变化，他们也在努力寻找托儿所名额？我的意思是，这是一个非常非常难回答的问题，因为我不知道该对他们说什么，我的意思是我们当然只能说去联系，但另一件真正需要解决的事情是，由于伦敦以外的地方当局对如何确定费用提出了质疑，现在费用的构成方式存在巨大的混乱，这对父母没有任何帮助，所以我认为他们所能做的就是必须来敲门并提出问题，所以也许更多的透明度、认可度和一些清晰度，也许真正的清晰会非常有帮助。很高兴与您交谈，杜诺·沙利文博士，非常感谢您的时间。对一些人来说，他们是我们城市的命脉。

▶ Our canals and rivers bring lots of joy to Londoners as well as the waterways.

我们的运河和河流给伦敦人带来了许多欢乐，水道也是如此。

bilibili 00:20:25

▶ the canal paths are bustling too and in many places the surrounding areas are watched over carefully by volunteers

运河边的小路也很热闹，而且在许多地方，周边区域都有志愿者精心看护。

▶ one of them is Alina Hokahol who finds litter picking along the canal helps her mental health

其中一位是阿丽娜·霍卡霍尔，她发现沿着运河捡垃圾有助于她的心理健康。

▶ here she is the glove and a trash bag and we go for it

看，她戴着手套，拿着垃圾袋，我们开始吧。

🎧 I'm Alina every morning I wake up around two hours prior to work and I just go along the canal path and fill it with any waste that I find

我是阿丽娜，每天早上我比上班时间早大约两小时起床，然后我就沿着运河小路走，把我找到的任何垃圾都捡起来。

 00:20:52

🎧 and I do that before work ahead of people coming and using the canal

我在人们来使用运河之前、上班之前做这件事。

🎧 my mind got really overwhelmed with the fact that I can't control what's happening in the world

我的大脑被世界上正在发生、而我无法控制的事情压得喘不过气。

🎧 we can talk about my lentium flooding we can talk about food on and war we can talk about anything

我们可以谈论洪水，我们可以谈论食物和战争，我们可以谈论任何事情。

🎧 all of that information very isolating and overwhelming for me so I decided to start walking along the canal in the morning

所有这些信息都让我感到非常孤立和难以承受，所以我决定开始早晨沿着运河散步。

 00:21:11

🎧 but as I was walking down the canal I realized no one would be looking after the trash flash there was no bins

但当我沿着运河散步时，我意识到没有人会照看那些垃圾，那里没有垃圾桶。

🎧 so I just decided one morning to just go along with a trash bag and some gloves and it's not been a year I'm still doing that

所以就在一天早上，我决定就拿上一个垃圾袋和一些手套去捡，到现在还不到一年，我仍然在这样做。

▶ it's quite tricky to do because the canal of a trash don't accept responsibility for the waste so there's no one to take away the waste

这做起来相当棘手，因为运河管理部门不承担处理这些垃圾的责任，所以没有人来把这些垃圾运走。

 00:21:31

▶ and at the one man show it's also really hard to transport these waste bags

而且单靠我一个人，运输这些垃圾袋也非常困难。

▶ it got to a point where it got really bad with the CRT7 trying to contact the canal of a trash for about year

情况变得非常糟糕，我尝试联系运河管理部门大约有一年了。

▶ it got to a point with email where I was like you're really slow I'll try social media

邮件联系到了一个地步，我觉得他们实在太慢了，我要试试社交媒体。

▶ it's open it's transparent I was like you know what feeling everybody should know the CRT don't look after their canal

它是开放的，是透明的，我当时想，你知道吗，我觉得每个人都应该知道运河河流信托没有维护好他们的运河。

 00:21:55

▶ so that's why I decided to post because I was about to drop cleaning and then I had like over 400 people be like go on girl you're so cool

这就是我决定发帖的原因，因为我当时快要放弃清理了，然后有超过400人鼓励我，说“加油，姑娘，你太酷了”。

▶ so I haven't stopped it's just been really good it's just been like every day or every other day

所以我没有停止，这感觉真的很好，就像是每天或每隔一天。

▶ I just got a notification I was like you go girl you're amazing that's just been kindness

我刚收到一条通知，上面写着“加油，姑娘，你真棒”，这充满了善意。

 00:22:18

⌂ well it's fairly busy along the region's canal here in Islington we've got lots of dog walkers and runners and people

嗯，在伊斯灵顿的这段运河边相当繁忙，这里有很多遛狗的人、跑步的人和其他人。

⌂ I was enjoying an evening drink actually just behind the camera here and while there's not much litter in this section

实际上，就在镜头后面这里，我正享用着傍晚的饮品，虽然这段运河的垃圾不多。

⌂ I actually walked here from Victoria Park and spotted a fair bit of litter on my walk here including a fair few beer cans

其实我是从维多利亚公园走过来的，在路上看到了相当多的垃圾，包括不少啤酒罐。

 00:22:38

⌂ now the canal and river trust told us in relation to Eleanor that while she might feel alone in tackling London's litter waste she is in fact at one of hundreds of volunteers

现在，运河与河流信托就埃莉诺的事告诉我们，虽然她可能觉得独自在应对伦敦的垃圾问题，但她实际上是数百名志愿者中的一员。

⌂ who help the charity keep London's canals alive by picking up litter and also carrying out general maintenance

他们通过捡垃圾和进行日常维护来帮助该慈善机构保持伦敦运河的活力。

⌂ and the trust said it is delighted when more local people take an interest in the tow paths and the canals

该信托机构表示，当更多当地人对纤道和运河产生兴趣时，他们感到很高兴。

 00:23:02

⌂ but said it would be more effective to collect bagged waste when it's part of the regular organized volunteer events that the charity runs

但表示，在慈善机构组织的定期志愿者活动中收集装好的垃圾会更有效。

⌂ and a little earlier I spoke with Eddie Davis from the charity

稍早前，我采访了该慈善机构的埃迪·戴维斯。

▶ it would be great if people could go on to the canal and river trust website and look up our volunteering opportunities

如果人们能访问运河与河流信托的网站，查询我们的志愿者机会，那就太好了。

bilibili 00:23:20

▶ they can have a look at how they can help out in their local area and take their rubbish home

他们可以看看如何在自己所在的地区提供帮助，并把垃圾带回家。

▶ and any way that you want to come and help out we want to try and facilitate it we want to try and make everyone happy and safe in looking after their local area

无论您想以何种方式来帮忙，我们都希望尽力促成，希望尽力让每个人在照看本地环境时感到快乐和安全。

▶ well the canal and river trust say we all have a part to play in ensuring that the canals and tow paths are kept clear

嗯，运河与河流信托表示，我们都在确保运河和纤道保持清洁方面发挥着作用。

bilibili 00:23:42

▶ they're advising us all not to drop litter and if we're in a position to pick some up and bag it away well that is what we should do

他们建议我们大家都不要乱扔垃圾，并且如果情况允许，我们应该捡起一些垃圾并装袋带走。

▶ and they're hoping that if we all do that places like these along the regions canal will be more pleasant for us all

他们希望，如果我们都这样做，那么像这段运河沿岸这样的地方对我们所有人来说都会更加宜人。

▶ Riz noted Barry thanks very much now to a Londoner who's gone viral on social media over wait for it her love of London buses

🎵 this bus is a beautiful London is beautiful if you go on red buses at night you just enter Trafalgar Square and you see the light what is more beautiful than that

这巴士很美，伦敦很美。如果你晚上坐上红色巴士，进入特拉法加广场，看到那些灯光，还有什么比这更美的呢？

🎵 isn't that beautiful look one of my leads that will like people to take out of this really is please take time to appreciate those bus drivers

难道不美吗？看。我真正希望人们从这件事中得到的一点启示是，请花点时间去感激那些巴士司机。

🎵 I think I should become a bus driver should I hello when I'm not doing this video I'm actually a qualified nurse I'm a mental health nurse

我想我应该去当一名巴士司机，我应该吗？嗨，当我不拍这些视频的时候，我其实是一名合格的护士，一名精神健康护士。

 00:25:25

🎵 I want to thank them personally for all their hard work through covid without them I won't be able to get to work

我想亲自感谢他们在新冠疫情期间的所有辛勤工作，没有他们，我就无法去上班。

🎵 you know what every time I come to work now I'm a bit more enthusiastic I want to see it on the roads it bring me a smile on me

🎵 and when they see me on the road is a smile at me because I'm definitely going to smile back isn't she great

当他们在路上看到我时对我微笑，因为我肯定会回以微笑。她是不是很棒？

🎧 and with that also great Kate's here with a look at September's weather higher thank you very much Riz good evening

同样很棒的是，凯特将为我们带来九月的天气展望。非常感谢里兹。晚上好。

🎧 while it is of course the first day of meteorological autumn and the weather it seems is proving thus

虽然今天当然是气象学上的秋天的第一天，而天气似乎也证明了这一点。

 00:26:02

🎧 we have had quite an unseical day but we've had some sunshine too and in the sunshine actually the temperature got up to 20 Celsius at London City Airport today

我们度过了相当反常的一天，但我们也迎来了一些阳光，而且在阳光下，今天伦敦城市机场的气温实际上升到了20摄氏度。

🎧 we've also had a fair few of these as well some really pokey showers through the course of the day the south-dening out towards south Buckinghamshire south-west Harvacher

我们也遇到了不少这样的天气，一天当中下了一些真正急骤的阵雨，向南延伸到白金汉郡南部和哈罗西南部。

🎧 we've had some rumbles of thunder in there as well not so much across London and the south next few days very similar sunshine and showers and longer spells of rain

那里还听到了一些雷声，但在伦敦和南部地区不太多。未来几天天气非常相似，晴间阵雨，还有较长时间的降雨。

 00:26:28

🎧 now all driven by this area of low-pressing sea these fronts moving through the ice of ours squeezing together so it's going to be quite blustery over the next few days as well

这一切都是由这片低压海域驱动的，这些锋面掠过我国上空，挤压在一起，所以未来几天风也会很大。

🎧 but back to the ceiling now those showers from the south-dening still one or two around but they're going to clear through largely dry

但现在回看雷达图，那些来自南方的阵雨还有一两场，但它们会逐渐消散，大部分地区会转干。

▶ but as we head into tomorrow morning you'll start to see these showers coming back towards us maximum or other minimum temperature 11 to 13 the wind falling a bit lighter overnight as well

但随着明天早晨的到来，你们会开始看到这些阵雨又回来了。最高温度，或者更确切地说最低温度在11到13度之间，夜间风力也会减弱一些。

 00:26:53

▶ now for tomorrow some sunny spells to start but you can see the cloud increases those showers arrive still the charts a few rumbles of thunder perhaps less so than today and the wind a little lighter still blustery clearing through but we could get some brightest spells by the end of the day

至于明天，开始时会有几段晴朗天气，但你们可以看到云量增加，阵雨到来。从图表看可能还会有几声雷响，但也许不如今天多，风会小一些，但仍然有风，天气会转晴，但到一天结束时我们可能会迎来最晴朗的时段。

▶ temperatures tomorrow similar to today in the high teens around 18 or 19 Celsius then overnight Tuesday and through Wednesday so drier overnight

明天的气温和今天相似，在十八九度左右，大约18或19摄氏度。然后周二夜间到周三全天，夜间会更干燥。

▶ then we're going to see this band of quite heavy rain moving through on Wednesday itself clearing gradually into the afternoon some sunny spells blustery temperatures 20 Celsius

随后在周三，我们会看到这片强降雨带移动经过，下午时分逐渐转晴，有几段阳光，大风，气温20摄氏度。

 00:27:26

▶ then as we head through third day still a few showers around for third day but they should clear through and then a ridge of high pressure starts to build as we head through Friday in into the weekend

然后到了周四，当天仍然有几场阵雨，但它们应该会消散，之后一道高压脊开始建立，持续到周五进入周末。

▶ and actually things are going to get more settled and warmer by Sunday oh thankfully thanks Kate so hello September

实际上，到周日天气会变得更加稳定和温暖。哦，谢天谢地。谢谢凯特。所以说，你好九月。
