北美记者欧文·纳迪·马卡吉纳，您如何评价特朗普在与欧洲领导人和泽连斯基交谈后对周五会议的表态？

bilibili 00:05:35

▶ Well, the kind of optimism that we've heard that has come out of both the European side as well as the U.S. seems to suggest that there were some assurances or at least indications that were given in those meetings between Donald Trump and the European leaders that seemed to have, well, at least for now satisfied, the European side, as they tried to make a case to Donald Trump before he goes into that very important meeting with Vladimir Putin.

欧美双方流露的乐观情绪似乎表明，特朗普与欧洲领导人的会晤提供了某些保证或暗示，至少暂时让欧洲方面满意。他们试图在特朗普与普京重要会晤前阐明立场。

▶ They had those red lines that they wanted to discuss and put forth very aggressively saying that these are non-negotiables, which is what they seem to have done.

他们激烈讨论并提出了不可谈判的红线，看来已经这么做了。

▶ And Donald Trump, you know, in his statement so far, is not suggesting talking about swapping of territories.

而特朗普目前的声明并未提及领土交换。

bilibili 00:06:11

▶ He's simply talking about the fact that I had a good meeting with the European leaders.

他只是说与欧洲领导人进行了良好会晤。

▶ I am going to meet Vladimir Putin and kind of get a sense of what exactly he's thinking, how serious he is.

我将与普京会面，了解他的真实想法和认真程度。

🎧 So that's where things stand at the moment.

这就是当前情况。

🎧 And I think when Donald Trump is talking about, you know, talking about severe sanctions if Russia does not agree to a ceasefire, I think he's also sending that message to both.

当特朗普谈到若俄罗斯不同意停火将实施严厉制裁时，我认为他同时向双方传递信息。

bilibili 00:06:33

🎧 He's sending a message to Russia as well before he goes into that meeting.

在会晤前向俄罗斯发出信号。

🎧 But he's also sending a message to those who have been skeptical from the European quarters about this meeting and what kind of concessions might be discussed.

同时也向欧洲那些对会议持怀疑态度、担心会做出让步的人传递信息。

🎧 So I think he's making it very clear a day before that meeting to some of those critics who perhaps believe that there wouldn't be enough tough talk.

因此在会晤前一天，他向那些认为不会有强硬表态的批评者表明立场。

bilibili 00:06:51

🎧 They believe that there wouldn't be enough representation of the Ukrainian voice or the European voice.

他们认为乌克兰或欧洲的声音得不到充分代表。

🎧 So I think he's making it very clear that all options are still on the table when it comes to, you know, sanctioning Russia if they don't in Donald Trump's own words, if they don't say things that Donald Trump is not happy to hear about.

因此他明确表示，用特朗普自己的话说，如果俄罗斯不说让他高兴的话，所有制裁选项都摆在桌面上。

🎧 And really, there's pressure on Mr. Trump, isn't there to come through on this meeting given how much hype there's been surrounding it?

鉴于外界对此次会议的高度期待，特朗普确实面临必须取得成果的压力，不是吗？

 00:07:14

▶ You know, this has been one war that Donald Trump has not been able to stop despite having claimed earlier that he could do it in one day.

这是特朗普此前声称一天就能结束、却未能阻止的战争。

▶ He has repeatedly expressed that frustration and that impatient as well, you know, in every conversation he's talked about how he stopped other wars and he would like to see this, you know, go over the line.

他在每次谈话中都表达挫败感和不耐烦，总提及自己如何结束其他战争，希望看到这场战争也能结束。

▶ He's also talked about in that same breath, he says, look, this is not my war, this is Biden's war, you know.

同时他强调：这不是我的战争，是拜登的战争。

 00:07:35

▶ So he's been fairly impatient in trying to get this done, which is why you've seen that hardening of stance, hardening and toughening up of language as well from Donald Trump when he issue those ultimatums to the Kremlin saying that they need to do this otherwise face-to-face sanctions.

他迫切希望解决此事，因此立场日趋强硬，向克里姆林宫发出最后通牒称必须这样做否则面临制裁。

▶ He's also given a hint of that by sanctioning countries like, or other secondary tariffs, you know, on countries like India who've been doing business with Russia as well.

他还通过对印度等与俄贸易的国家实施次级关税释放信号。

▶ So he has sort of, you know, changed his stance when it comes to Russia, but, you know, having said that, this has been one war that has certainly left him frustrated.

可以说他改变了对俄立场，但这场战争确实让他感到挫败。

 00:08:08

▶ He's tried repeatedly, but he's not got the answer that he's been wanted.

多次尝试都未得到想要的结果。

▶ He said himself that he's been disappointed in the past, which is why.

他自称过去很失望，因此...

▶ He's also going into this circumspect, keeping expectations low, saying that we'll see what happens after the first meeting.

他这次保持谨慎，降低预期，表示先看第一次会晤结果。

▶ We'll see whether there is a second meeting or not.

再看是否举行第二次会晤。

▶ So he's also keeping all those options open, but he would like nothing more than to see this lead to something which talks about a possible peace agreement.

因此保留所有选项，但他最希望看到这能促成可能的和平协议。

▶ Jim, thanks so much for joining us.

吉姆，感谢参加节目。

▶ It's good to have you on the show.

很高兴您能来。

 00:08:48

▶ Let me ask you for your assessment of where you think we are, given all of this two in and throwing that we've seen over the last few days from Mr. Trump, but also what we've been hearing from Mr. Zelensky as well.

鉴于特朗普近几天的言论和泽连斯基的表态，您如何评估当前形势？

▶ Well, it's confusing in a lot of ways.

很多方面令人困惑。

▶ We also heard from JD Vance, who made a speech before US troops in the UK, and was talking about the need for strong military to back up agreements with bad guys.

我们还听到JD·万斯对驻英美军的演讲，谈到需要强大军力来支持与"坏人"的协议。

 00:09:13

▶ And so there's some that have said, well, is this the US coming along with the coalition of the willing?

因此有人说这是美国要与"自愿联盟"合作吗？

▶ So we've heard so many different things.

我们听到各种不同说法。

▶ The most important thing that I've heard is that if he can get a ceasefire and a freezing of the line of communication there, the line of battle, and if we can have something that then has experts take over afterwards, between that meeting Friday and the meeting with Zelensky and the other two, that would be the best thing.

最重要的是，如果能实现停火并冻结战线，在周五会晤与后续可能的三方会谈期间让专家接手，那将是最理想的结果。

 00:09:44

▶ So that's what I'm hoping we're going to see.

这是我期待看到的。

▶ I haven't spoken to many people who have been very hopeful about Friday.

我没遇到多少对周五会谈持乐观态度的人。

▶ No one seems to be very keen to say, yeah, I think something great is going to come out of this.

似乎没人愿意说"我认为会有重大成果"。

▶ How much damage would it do to Mr. Trump if it isn't successful?

如果失败会对特朗普造成多大伤害？

▶ And what does success even look like?

成功的标准又是什么？

▶ Well, you're absolutely right.

你说得对。

 00:10:04

▶ I think Trump will have a lot of criticism rained down on his head if nothing comes from this.

如果毫无成果，特朗普将面临如潮批评。

▶ Because of the hype, there's been a lot of hype.

因为外界期待太高了。

▶ He's tried to walk that back.

他试图降低预期。

▶ And so he's going to come away with frowns on everyone's faces, and then what he could do, either he will actually go through with those severe consequences for Russia that he's been talking about.

所以他会带着众人的不满离开，之后要么兑现对俄严厉后果的威胁。

bilibili 00:10:29

▶ But he might flip it on Zelensky too.

要么把责任推给泽连斯基。

▶ We don't know how he might react if things don't go well, and he gets criticized.

如果进展不顺遭批评，不知他会如何反应。

▶ But if he can come up with something like a ceasefire, I think that could be seen as a success.

但若能促成停火，就可视为成功。

▶ And of course, we heard earlier from Mr. Trump that if the first meeting is successful, then there'll be a second one with Mr. Putin, Mr. Trump, Mr. Zelensky sitting around one table, how would you think that would go down if it happens at all?

当然，特朗普说若首次会晤成功，将举行普京、特朗普、泽连斯基的三方会谈。您认为若真举行会怎样？

bilibili 00:10:56

▶ Well, I think like I said earlier, if they can get the ceasefire, and then they can turn things over to a group of experts that can outline what the future agreement could look like, and they could get agreement by all three parties that this is a good outline for an agreement.

如我之前所说，若能实现停火并交由专家制定未来协议框架，三方都认可这个框架。

▶ At that point, the three could meet.

那时三方可以会晤。

▶ But if they can't meet, if there's nothing for them to talk about, there's a personality clash between all three of them.

但如果没什么可谈的，三人又性格不合。

bilibili 00:11:20

▶ And I'd hate to see them around the table, unless they're, if they've got a sheet of paper there that's been agreed to ahead of time, that they could maybe put the finishing touches

on.

除非提前达成书面共识只需最后敲定，否则我不愿看到他们同桌而坐。

▶ What is the personality clash here?

性格冲突指什么？

▶ What are the dynamics, do you think?

您认为互动关系如何？

▶ Well, I don't think either.

我认为...

▶ No one really trusts the other.

三方互不信任。

▶ All of them have had some pretty rough times between each other, Zelensky and Trump, particularly.

彼此间有过不愉快，尤其是泽连斯基和特朗普。

 00:11:44

▶ They're under a lot of pressure, and they're not in a place right now to agree to something specific.

他们压力巨大，目前难以就具体事项达成一致。

▶ And so until they can reach a point where things like security guarantees, things like the so-called landswap, those kinds of things have been settled, then they could, they could sit down as diplomats, if you will, or heads of state and agree to something.

因此，在他们达成诸如安全保障、所谓的土地交换等事项之前，他们可以以外交官或国家元首的身份坐下来达成协议。

▶ But their personalities are not such where they can, they can sit together and actually negotiate something.

但他们的性格并不适合坐在一起真正谈判。

▶ That's got to be done by experts.

这必须由专家来完成。

▶ Jim, it's so good to talk to you.

吉姆，很高兴和你交谈。

▶ Let's look at who controls what in Ukraine and what might be at stake in any peace agreement.

▶ That was followed by a Moscow-backed separatist movement in the area known as the Donbass, specifically the two regions, or oblasts known as Donetsk and Lohansk, a war simmered there for eight years.

随后，莫斯科支持的分离主义运动在顿巴斯地区兴起，特别是顿涅茨克和卢甘斯克两个州，那里的战争持续了八年。

bilibili 00:13:08

bilibili 00:13:35

▶ President Zelensky says that what's needed now is an unconditional ceasefire.

泽连斯基总统表示，现在需要的是无条件停火。

▶ But in the run-up to his Alaska summit with Putin, President Trump has started talking instead about territorial swaps, causing shockwaves in Kiev and across Europe.

但在与普京的阿拉斯加峰会前夕，特朗普总统却开始谈论领土交换，这在基辅和整个欧洲引发了震动。

▶ But what could these swaps mean, given that all the territory in question legally belongs to Ukraine?

但这些交换意味着什么？毕竟所有争议领土在法律上都属于乌克兰。

 00:13:58

▶ Let's look at the Donbass.

让我们看看顿巴斯地区。

▶ Some reports suggest that Mr. Putin is demanding that Ukraine hand over the remaining territory it controls in both oblasts.

一些报道称，普京要求乌克兰交出其在两个州控制的剩余领土。

▶ But that would mean Kiev giving up on places which tens of thousands of Ukrainian soldiers have died trying to protect.

但这将意味着基辅放弃数万名乌克兰士兵为保护而牺牲的地方。

▶ For Kiev, such a concession would represent a bitter pill.

对基辅来说，这样的让步将是一颗苦果。

 00:14:19

▶ Ukraine's leader, President Zelensky, says Ukraine will not leave the Donbass.
