Summary: Israel launched a targeted strike in Doha, Qatar, aiming to eliminate senior Hamas leadership. Prime Minister Benjamin Netanyahu claimed full responsibility, stating the operation was independent despite prior U.S. notification. The White House expressed concerns, noting the strike did not advance shared goals.

▶ And let me start by asking you this.

请允许我首先问您这个问题。

▶ You've talked previously about the need for de-escalation in terms of what's happening in the Middle East.

您之前谈到过中东局势需要降级。

▶ How does this attack by Israel in Doha fit in with that?

以色列在多哈的这次袭击如何与此相符？

▶ Well I understand your question but being Secretary General of NATO I'm always a bit careful on the comment and what's happening in the Middle East.

我理解您的问题，但作为北约秘书长，我对评论中东发生的事情总是比较谨慎。

 00:05:39

▶ Because there's so far outside NATO territory, inevitable NATO allies are navigating.

因为这远远发生在北约领土之外，（但）北约盟国不可避免地会涉足其中。

▶ Of course the situation we all want to fight and to stop and want our hostages to be released.

当然，我们都希望对抗并制止这种局势，希望我们的人质获释。

▶ But other than that I'm always a bit careful on the comment.

但除此之外，我发表评论总是比较谨慎。

▶ But can you say anything about what's happened?

但您能就所发生的事件说些什么吗？

▶ I mean we've heard from the Qataris that what's happened tonight is a blatant violation of international law.

▶ To the studio to discuss the fantastic UK new defence industrial strategy and the great success of the deal with Norway of 10 billion.

来到演播室是为了讨论英国出色的新国防工业战略以及与挪威达成的100亿协议的巨大成功。

▶ But I can imagine that you want to discuss other things.

但我能想象您希望讨论其他事情。

▶ But that was originally brought into the studio to discuss it.

但这原本被带到演播室就是为了讨论此事。

▶ Absolutely but this is a huge global event that's happened in the Middle East and you are the general Secretary General of NATO.

确实如此，但这是中东发生的重大全球性事件，而您作为北约秘书长。

 00:06:25

▶ So it's understandable that we want to know what you think.

因此我们想了解您的看法是可以理解的。

▶ I totally understand but as I said NATO is about 32 countries trying to defend the Northern Atlantic area.

我完全理解，但如我所说，北约是32个国家共同保卫北大西洋地区。

▶ Our main threat is Russia.

我们的主要威胁是俄罗斯。

▶ Our upcoming problem of course is China.

我们#即将面临#的问题当然是中国。

▶ That's what we are working on and we want to keep the 32 countries 1 billion people as safe as possible.

这正是我们在努力的方向——让32个国家10亿人口尽可能安全。

 00:06:48

▶ But the Middle East is really far out of my territory and my big weight.

但中东确实远超出我的职权范围和能力所及。

▶ Okay well let's move on now and talk about what's happening in Ukraine specifically because that's what you're here in this country for.

好的，让我们继续专门讨论乌克兰局势，因为这正是您此次来访的目的。

▶ What do you think the path to peace in Ukraine looks like?

您认为乌克兰的和平之路应该是怎样的？

▶ Well I must say the positive thing is that under a keyer's starmer's leadership, your Prime Minister and the President of France, and Malim Amarcon, your opinions have now agreed on what security guarantees would look like.

必须肯定的是，在基尔·斯塔默首相与法国总统马克龙的领导下，双方已就安全保障方案达成共识。

 00:07:16

⌂ If there was a peace deal or a long-term ceasefire, this is important for Zelensky if he would sit down one day if Putin would add all come to a table of course not yet arranged.

若达成和平协议或长期停火，这对泽连斯基至关重要——当然目前尚未安排他与普京的谈判。

⌂ And America has said that they want to get involved.

美国已表示希望参与其中。

⌂ So that British French leadership get in the security guarantees going as important and that will be an important first step to bring this war to an end.

因此英法主导推动安全保障至关重要，这将是结束战争的重要第一步。

 00:07:40

⌂ And in the meantime of course we have to make sure this was what today's meeting under John Healey, your Defense Secretary's leadership, together with the German Defense Minister Boris Pistorius, the meeting we had with all these countries who are helping Ukraine, making sure they have to weapons, the systems, both defensive and lethal to protect themselves in the meantime.

同时我们通过今日的会议——在贵国防长约翰·希利与德国防长鲍里斯·皮斯托里乌斯主持下，与所有援乌国家确保乌克兰获得防御性和致命性武器系统以自卫。

⌂ So it is a continuous support to Ukraine and get the security guarantees going.

因此这是对乌克兰的持续支持与安全保障的双轨推进。

⌂ Margaret, you've said that it's not up to Russia to decide if Western troops can be sent to Ukraine as part of any peace deal at the end of a war, but is this not unrealistic?

玛格丽特，您说过西方是否派兵乌克兰作为战后和平协议内容不应由俄罗斯决定，但这难道不现实吗？

 00:08:15

▶ Is it not in fact dangerous?

这难道不危险吗？

▶ Because Putin has made clear that Russia will not accept any NATO countries under whatever badge they are in Ukraine.

因为普京已明确表示俄罗斯不会接受任何北约国家以任何#名义#驻军乌克兰。

▶ Well, don't forget it was Putin, Russia, which invaded Ukraine.

但别忘了是普京领导的俄罗斯入侵了乌克兰。

▶ Totally unprovoked thanks to President Trump.

完全是无端入侵——这要"归功"于特朗普总统。

▶ When he came in office he broke the deathlock with Putin.

他上任后打破了与普京的僵局。

 00:08:37

▶ He started the dialogue.

他开启了#对话#。

▶ He was then able to get NATO to commit to the 5% spending target, noticed by the Russians as a clear signal we are united.

他推动北约承诺5%军费目标，向俄罗斯明确传递了我们的团结信号。

▶ It was Trump who then decided to send lethal weapons again into Ukraine, paid for by the Allies of the United States.

是特朗普决定再次向乌克兰输送#致命性#武器（由美国盟友支付费用）。

▶ There's a clear signal to Putin.

这向普京释放了明确信号。

▶ It was also Trump who decided to put secondary sanctions on India, because they still trade with Russia without putting pressure on Russia to end the war.

也是特朗普决定对印度实施次级制裁——因其继续与俄贸易却未向俄罗斯施压以结束战争。

 00:09:04

⏮ So that again was a clear signal to the Russians that the Alliance, NATO, under President Trump's leadership, is united and is clear item this.

因此，这再次向俄罗斯人发出了一个明确信号：在特朗普总统的领导下，北约联盟是团结一致的，并且在这一事项上立场明确。

⏮ And in the end it's not up to Putin to decide on how we make sure collectively that he will never again try to invade Ukraine post a peace deal.

归根结底，如何集体确保他在达成和平协议后永远不会再次试图入侵乌克兰，这不是由普京决定的。

⏮ Let's talk a little bit about the U.S.

我们来谈谈美国。

 00:09:25

⏮ You've mentioned the United States there, and there has been talk hasn't there over U.S. backstop of the need for them to deter Russia from attacking again.

你刚才提到了美国，而且一直有讨论，关于美国需要提供后盾以威慑俄罗斯再次发动攻击。

⏮ It's always been the assumption that U.S. would provide a backstop, but what does the backstop look like?

人们一直#假设#美国会提供后盾，但这个后盾具体是什么样的？

⏮ Well the interesting thing is that yes, the world discussions was the Americans, till a couple of weeks ago, what how and what their involvement would be look like, what it would look like in the security guarantees, but there was only three weeks ago that President Trump said yes, the U.S. will be involved.

有趣的是，确实如此，直到几周前，全世界的讨论焦点都是美国人，讨论他们将如何参与、参与什么，以及在安全保证中会是什么样子，但就在三周前，特朗普总统才表示同意，美国将会参与。

 00:09:56

▶ And that discussion is now ongoing, what exactly would mean in terms of what U.S. could provide and wants to provide.

关于美国能够提供什么以及愿意提供什么的具体含义，这项讨论目前正在#进行中#。

▶ We are not yet there, but the fact that Europeans and other partners have now agreed on the security guarantees, what they would look like.

我们尚未达成最终方案，但欧洲人和其他伙伴现在已经就安全保证及其具体形式达成了共识。

▶ And then the U.S. having said we want to get involved, that conversation is now ongoing, so I don't know exactly how that will end, but it is very positive that the U.S. is being involved.

然后美国表示希望参与，现在对话正在进行中，所以我还不确切知道最终结果会如何，但美国的参与是非常积极的。

bilibili 00:10:20

▶ I mean, is it positive that President Trump has been talking about deadlines, talking about automations, continuously time and time again, and we've been pushing through these deadlines and automations and nothing has happened?

我的意思是，特朗普总统一次又一次地谈论最后期限，谈论自动化，而我们不断推迟这些最后期限和自动化措施，却什么也没发生，这能算是积极吗？

▶ So what are people going to take seriously here?

那么人们在这里到底要拿什么当回事？

▶ Well, a lot has happened.

嗯，已经发生了很多事。

▶ NATO, on his leadership, is stronger than ever with a commitment on the European side and the Canadian side now to equalize our spending with the U.S.

在他的领导下，北约比以往任何时候都更强大，欧洲方面和加拿大方面现已承诺在支出上与美国持平。

bilibili 00:10:42

▶ It's total 5% commitment.

这是总计5%的承诺。

▶ Of course, he has decided mid-July to again send his lethal weapons into Ukraine.

当然，他已在七月中旬决定再次向乌克兰输送其#致命性#武器。

▶ So I think President Trump has done a lot, and he is at the same time, because only he can do this.

所以我认为特朗普总统已经做了很多，同时，因为只有他能做到这一点。

▶ Being the President of the most powerful country on Earth, he is engaging with Putin.

作为地球上最强大国家的总统，他正在与普京#接触#。

▶ And I mean, this is not ending because of one intervention or one action.

我的意思是，这不会因为一次#干预#或一个行动而结束。

 00:11:07

▶ It is multifaceted.

它是多方面的。

▶ We have to work on every issue at the same time, including making sure that when President Zelensky would sit down with Putin, Zelensky knows that his country is safe, post-a-piece deal, because he has those...

我们必须同时处理每一个问题，包括确保当泽连斯基总统与普京坐下来谈判时，泽连斯基知道在达成和平协议后，他的国家是安全的，因为他拥有那些...

▶ But do you actually trust President Putin to sit down with him?

但你真的相信普京总统会和他坐下来谈吗？

▶ Again.

再说一次。

▶ Sorry, I missed a question.

抱歉，我漏听了一个问题。

▶ Do you trust President Putin?

你信任普京总统吗？

▶ Talk about Mr. Zelensky sitting down with President Putin.

谈谈泽连斯基先生与普京总统坐下来谈判的事。

▶ President Putin?

普京总统？

▶ No, I don't trust President Putin, other than that he is willing to invade another country.

不，我不信任普京总统，除了我知道他愿意#入侵#另一个国家。

▶ So the guy is capable of a lot.

所以这家伙什么事都干得出来。

▶ So let's not trust him.

所以我们不能信任他。

▶ And that is why post-a-piece deal, if that would happen, Ukraine clearly, and with European U.S. help, needs the security guarantees in place, because you would never know whether Putin would try again.

这就是为什么在达成和平协议后（如果真能达成的话），乌克兰显然需要在欧洲和美国的帮助下落实安全保障，因为你永远不知道普京是否会再次尝试。

▶ And we don't want him to try again to capture one square kilometer.

我们也不希望他再次尝试占领哪怕一平方公里的土地。

▶ I mean, the Minsk agreement was there and Putin broke it.

我的意思是，明斯克协议摆在那里，而普京破坏了它。

▶ There was the Budapest Memorandum already in 1994, giving security guarantees to Ukraine.

早在1994年就有布达佩斯#备忘录#，为乌克兰提供安全保障。

▶ So these have to be strong and lasting, and there's exactly a person in Trump and Europeans are working on.

因此这些保障必须强大且#持久#，而特朗普正是欧洲人在与之合作的关键人物。

bilibili 00:12:12

▶ I noticed that you're talking about President Trump or talking him up at least in this sense.

我注意到您正在谈论特朗普总统，至少在这个层面上是在肯定他。

▶ You've been called the Trump whisperer.

您被称为"特朗普的耳语者"。

▶ What's your secret, Martritter?

您有什么秘诀吗，玛尔特里特？

▶ Well, the thing is that I like him.

嗯，其实是因为我喜欢他。

▶ I think he's a strong leader, and I think he is doing the good stuff, and it comes to all these issues, keeping one billion people safe on the American leadership, but also expecting the Europeans to spend more in terms of equalizing with what the U.S. was spending.

我认为他是位强有力的领导者，在处理所有这些问题时都做得很好——既通过美国的领导力保障十亿人的安全，也要求欧洲增加支出以与美国持平。

bilibili 00:12:36

▶ So he was really irritated, like all American presidents since Eisenhower, about the fact that Europeans were getting all this done on the cheap.

和艾森豪威尔以来的每位美国总统一样，他对欧洲以低成本享受这一切的事实感到非常恼火。

▶ And he forced us to spend more and he was successful.

他迫使欧洲增加支出，并且成功了。

🎧 And I think that's still one of his biggest foreign policy sources.

我认为这仍是他最重要的外交政策成果之一。

🎧 But even if he forces Europe to spend more, even if we see Germany lifting its limits on defense spending, the UK hitting 2.5% of GDP, Russia's 7.5% of GDP on defense.

但即便他迫使欧洲增加军费，即便德国取消国防开支上限、英国达到GDP的2.5%，俄罗斯的军费却占GDP的7.5%。

 00:13:02

🎧 I mean, it's on a war footing.

这意味着俄罗斯已处于战时状态。

🎧 How can one compete with that?

这要如何竞争？

🎧 Well, if the Europeans, all the plans we have in NATO, and this is deeply studied and agreed upon by the Defense Ministers, all our plans leading to the crucial capability targets we need to defend ourselves, over the coming years, lead to the conclusion that we need to spend 3.5% on core defense, and 1.5% on defense related spending, which brings you to this famous 5%.

如果欧洲各国（我们在北约的所有计划都经过国防部长们深入研究并达成一致）未来数年的所有规划都指向关键防御能力目标，最终结论就是我们需要将3.5%用于核心国防，1.5%用于国防相关支出，这就是著名的5%目标。

 00:13:29

🎧 So this is deeply rooted in keeping us safe from the Russians, also acknowledging a rapidly arming China, which has now more navy ships even sailing than the US.

这完全基于抵御俄罗斯威胁的需求，同时也考虑到快速武装的中国——其现役海军舰艇数量已超过美国。

🎧 We have seen the parade last week, which of course is more ballet than a real military thing, but still they try to impress us, but we're not successful, but China is ramping up, so

we have to take care of that.

上周的阅兵式更像芭蕾表演而非实战展示，但他们仍在试图震慑我们。虽然未达目的，但中国正在加速扩张，我们必须应对这个威胁。

▶ And this 3.5% will get us there.

这3.5%的投入将实现目标。

 00:13:56

▶ This is a massive increase in spending in Germany, will more than double their defense spending in only 8 years.

对德国而言这是巨额增长，其国防开支将在8年内翻倍有余。

▶ 2020 won compared to 2019.

2020年相较2019年有所增长。

▶ I just need to ask you one more question before you go.

离场前我最后问一个问题。

▶ You don't want to talk about what's happened in Doha, but let me ask you this.

您不愿谈论多哈事件，但请允许我这样问。

▶ If Russia bombed aiming to kill the peace negotiators from Ukraine in what is purportedly a neutral country, what would your reaction be to that?

若俄罗斯在所谓中立国针对乌克兰和平谈判代表实施轰炸，您会作何反应？

 00:14:20

▶ Well, there's a what if question, where you try to again direct me into what happened today, which of course is massive and big, but again, I should not comment.

这是个假设性问题，您试图再次引导我评论今日重大事件，但我依然不便表态。

▶ Marta, thank you very much.

玛尔塔，非常感谢您。

▶ Thank you very much.

非常感谢。

▶ Well, let's get some more analysis now on what happened in Doha with someone who actually wants to talk about it.

现在让我们连线愿意讨论多哈事件的安全事务#记者#弗兰克·加德纳。

bilibili 00:14:37

▶ Our security correspondent Frank Gardner joins me now in Frank.

我们的安全#记者#弗兰克·加德纳正在连线。

▶ Tell me you want to talk about Doha.

请告诉我您愿意讨论多哈事件。

▶ I thought we were going to be turning it on.

我还以为我们要开启这个话题了。

▶ I'm kidding.

开个玩笑。

▶ Yes, I course I want to talk about Doha.

我当然愿意讨论多哈事件。

▶ I mean, this is huge.

这无疑是重大事件。

▶ And I shouldn't, I'm sorry to give it because it really is a very serious escalation this.

恕我直言——这确实是极其严重的局势升级。

bilibili 00:14:58

▶ I think it's less important exactly who was targeted and how the fact that is wrong did this at all.

我认为具体针对谁以及错误事实如何促成此事并不那么重要。

▶ And this is quite unprecedented for them to be taking this overt, a vowed escalation against a sovereign country.

而他们采取如此#公开的#行动，誓言升级对一个#主权#国家的攻势，这相当#前所未有#。

▶ So it's been condemned by the UN by the British by minister by Qatar itself.

因此此举遭到联合国、英国、部长级官员及卡塔尔本身的谴责。

▶ Of course, more details have come out.

当然，更多细节已经浮出水面。

bilibili 00:15:26

▶ It involved 15 Israeli Air Force aircraft, mainly F-35s by understanding firing 10 munitions.

据知此次行动出动15架以色列空军战机（主要是F-35），发射了10枚#弹药#。

▶ I would have expected that if the Israelis were going to do something like this, they would have done it in a rather more overt way, perhaps in the serious carbon, something like that, instead of which, this was an airstrike.

我本以为以色列若采取此类行动会以更公开的方式进行，比如通过严肃的碳会议等途径，但实际发生的却是空袭。

▶ So we now know that Israel informed the United States this morning, that would be Tuesday morning, and the US in turn informed Qatar.

现在我们知道以色列于今晨（即周二早晨）通报了美国，美国随后转告了卡塔尔。

bilibili 00:15:56

▶ Qatar is absolutely furious because they have invested a lot of time and effort over the last few months in trying to broker an end to the horrendous war in Gaza following the atrocities of October the 7th, 2023.

卡塔尔方面极为愤怒，因为在2023年10月7日暴行后，他们过去数月投入大量时间精力试图斡旋结束加沙的可怕战争。

▶ They put a lot of time and effort into this.

他们为此付出了大量心血。

▶ We had a briefing only in the last few days from a country official on where this was going or not going.

就在几天前还有该国官员向我们简报谈判进展与困境。

bilibili 00:16:21

▶ Clearly, these really seems to have lost patience and decided that they will just eliminate the Hamas leadership, what is left of it.

显然以方似乎已失去耐心，决定直接#清除#哈马斯残余领导层。

▶ I think it was already very difficult for Hamas's leaders in Qatar to communicate effectively with the fugitive leadership in the rubble of Gaza.

我认为卡塔尔的哈马斯领导人本就难以与加沙#废墟#中的#流亡#领导层有效沟通。

▶ Because Hamas, as an organization, is shattered.

因为哈马斯作为一个组织已被击溃。

bilibili 00:16:41

▶ It's dismembered.

它支离破碎。

▶ It's still fighting on in small pockets, but it's very difficult for them to actually establish communications.

虽然仍在零星抵抗，但实际建立通讯联络非常困难。

▶ And these peace negotiations now seem to have come to a juggling full stop.

如今这些和平谈判似乎已陷入彻底停滞。

▶ So what next, Frank?

那么接下来会怎样，弗兰克？

▶ Well, I think the biggest concern for Israel isn't particularly for the families of the hostages is what happens to them because Hamas and its affiliates are still holding these hostages so there will be concern there.

我认为以色列最大的担忧并非针对人质家属，而是人质本身的命运——哈马斯及其附属组织仍扣押着这些人质，这必然引发忧虑。

 00:17:11

▶ But of course, the desperate need is for the people of Gaza to have some relief.

但当然，加沙民众最迫切需要的是获得喘息之机。

▶ They desperately need an end to this war.

他们迫切渴望结束这场战争。

▶ It's being flattened Gaza, district after district.

加沙正被夷为平地，街区接连消失。

▶ And so we shouldn't see this in isolation from what is going on in Gaza with the Israeli army advancing and warning people to withdraw from Gaza City.

因此我们不能孤立看待此事，需联系以军在加沙的推进态势——他们正警告民众撤离加沙城。

 00:17:35

▶ People who have done that in the past Palestinians who have left their homes in Gaza City, only to move from one location to another through desperate situations in Moasian-attended camp where they're still not safe and have gone back to Gaza City in the north.

那些曾听从撤离的巴勒斯坦人离开加沙城的家后，只能在莫亚辛难民营等地的绝望境遇中不断辗转，发现仍不安全后最终又返回了北部的加沙城。

▶ They don't want to move.

他们不想搬迁。

▶ They are they are they are exasperated.

他们感到非常愤怒。

 00:17:56

▶ So it's a really dire situation there.

所以那里的情况确实#严峻#。

▶ And having now removed Qatar as a base for any future negotiations.

并且现在已经排除了卡塔尔作为未来任何谈判基地的可能性。

▶ Where let's not forget they did produce results early on in the Gaza war thanks to Qatar and US mediation between Israel and Hamas.

我们不要忘记，在加沙战争初期，正是通过卡塔尔和美国在以色列和哈马斯之间的调解，他们确实取得了成果。

▶ It wasn't direct to talks to Israel and Hamas.

这并不是与以色列和哈马斯的直接会谈。

▶ Qatar was the main mediator, the foreign ministry.

卡塔尔是主要的调解方，即其外交部。

 00:18:20

▶ Thanks to that a considerable number of Israeli hostages were released and an even larger number of Palestinian prisoners were released from Israeli jails.

得益于此，相当数量的以色列人质获释，而数量更多的巴勒斯坦囚犯也从以色列监狱中获释。

▶ That can't happen now because Israel has bombed Qatar, a sovereign nation.

现在这不可能发生了，因为以色列轰炸了卡塔尔这个#主权#国家。

▶ So the region is pretty angry about this.

因此，该地区对此感到非常愤怒。

▶ And I think some of that anger will be directed United States.

而且我认为其中一些矛头将会指向美国。

 00:18:41

▶ We've had a statement in the last few minutes from the White House, which is stopped just short of being pretty critical of it.

就在过去几分钟，我们收到了白宫的一份声明，其措辞几乎接近于对此事的严厉批评。

▶ And President Trump has promised Amirah, the Amirah of Qatar, and the leadership to mean and fairly that this will never happen again on Qatar's soil.

并且特朗普总统已向卡塔尔的埃米尔（国家元首）及其领导层郑重而公正地承诺，此类事件绝不会再在卡塔尔的领土上发生。

▶ I'm not sure that that's necessarily much consolation to Qatar, which is twice now in the last four months being attacked first by Iran in June and now by Israel.

我不确定这对卡塔尔来说是否算得上多大的安慰，该国在过去四个月里已两次遭到袭击，先是六月份遭伊朗袭击，现在又是以色列。

 00:19:11

▶ And Qatar is a peaceful, tranquil, Gulf nation.

而卡塔尔是一个和平、#宁静#的#海湾#国家。

▶ They didn't ask for this kind of violence on their shores.

他们并未招致这种降临在其海岸的暴力。

▶ Okay, Frank Gardner, thank you very much indeed.

好的，弗兰克·加德纳，非常感谢您。

▶ Let's take a short break now around the world and across the UK.

现在让我们短暂休息一下，环顾世界和全英国。

▶ This is the well today on BBC News.

这里是BBC新闻的“The Well”节目。

▶ Well, let's bring you back to that developing story this evening.

那么，让我们为您带回今晚那则正在发展的新闻。

 00:20:28

▶ And that is that Israel has hit inside of Qatar in Doha, it says that it has targeted Hamas's leadership team.

即以色列袭击了卡塔尔境内的多哈，以方称其目标是哈马斯的领导层。

▶ The leadership team, the team that was there negotiating a ceasefire agreement.

领导团队，当时正在那里谈判停火协议的团队。

▶ Hamas say six people were killed in the strike, but they say that their leadership team has survived.

哈马斯称空袭导致六人死亡，但表示其领导团队幸存了下来。

▶ We're trying to verify that statement.

我们正在尝试#核实#这一说法。

 00:20:59

▶ But let's cross live now to Daniel Levy, who's president of the US Middle East project.

现在让我们连线美国中东项目主席丹尼尔#列维#。

▶ And you've also worked Daniel as a negotiator and advisor for previous Israeli prime ministers.

您还曾作为谈判代表和顾问为以色列前总理们工作过。

▶ And I want to ask you, first of all, what do you make of this latest move by Israel?

首先请问，您如何看待以色列这次的最新行动？

▶ Well, it's all a bit too transparent, isn't it, Maryam?

玛丽安，这一切都太过明目张胆了，不是吗？

 00:21:18

▶ You kill the people you're supposed to be negotiating with when there's a new negotiating proposal that's on the table that they are discussing.

当对方正在讨论桌上的新谈判方案时，你却杀害了本该与之谈判的对象。

▶ And you do so in the sovereign territory of the country that's mediating on where your negotiating team has been going back and forth from.

而且你还在调停国的主权领土上动手——你的谈判团队可是频繁往来于那个地方的。

🎧 If there remained any I owe to have doubt as to the intentionality of this Israeli government whose eyes are not towards a negotiated outcome, then this has removed it.

若此前还有人怀疑这个不追求谈判结果的以色列政府是否故意为之，那么这次行动彻底消除了这种怀疑。

 00:21:47

🎧 Israel is intent on continuing the mass killing displacement ethnic cleansing and genocidal actions that it is taking against the Palestinians in Gaza, the displacement destruction and attempt to further pull the West Bank territory into being.

以色列执意继续在加沙对巴勒斯坦人实施大规模杀戮、流离失所、种族清洗和灭绝行为，同时推进对约旦河西岸的驱逐破坏，企图进一步吞并该地区。

🎧 Part of Israel and it has just sent a very clear signal to cut up, but it has apparently done so.

它刚刚发出了非常明确的切割信号，尽管表面上确实这么做了。

🎧 With the backing of the United States and it seems that President Trump has brought into this idea, bicycle and fantastical as it is, that if we just up the pressure more and kill a few more of the Hamas leadership, then something that hasn't happened for almost two years now will eventually happen.

在美国的支持下，特朗普总统似乎还接受了这种荒谬的想法：只要加大压力再多杀几个哈马斯领导人，近两年来从未实现的局面终将出现。

 00:22:34

🎧 Unfortunately, that says more about the current US leadership than it does about any prospect for a break.

不幸的是，这更多反映了当前美国领导层的态度，而非任何突破的可能性。

🎧 And of course, we've heard this evening from the hostage families who are desperately worried now about what this means for those hostages still alive inside Gaza.

当然，今晚我们听到人质家属的呼声，他们极度担忧这对仍困在加沙的生还人质意味着什么。

▶ And of course, that concern is palpably real.

这种担忧显然真实可感。

▶ They know most of those families that their Prime Minister is indifferent to the fate of their loved ones who are being held.

这些家庭大多明白，他们的总理对被扣押亲人的#命运#漠不关心#。

bilibili 00:23:06

▶ But I actually think, Mariam, that in most respects this has less to do with what Israel is assuring in Gaza and against the Palestinians more broadly because it is going ahead with that anyway.

但我认为玛丽安，从多数方面看，这与以色列在加沙及更广泛针对巴勒斯坦人的行动关联不大，因为那些行动本就在持续推进。

▶ I actually think this was a regional signal.

我认为这实际上是对地区释放的信号。

▶ I think this would not have taken place without a premeditated decision to go after Katari sovereign territory and to send this message.

若非经过预谋决定进入卡塔尔#主权#领土并传递这一信息，此事根本不会发生。

bilibili 00:23:33

▶ That Israel is the regional Hegemon and it will assert itself militarily wherever it likes, unless and until there is a capacity to contain or deter it.

即以以色列是地区霸权，可以在任何它想要的地方展示军事力量，除非出现能够制约或威慑它的力量。

▶ And I think many people are looking at this and saying, wait a minute, isn't Katari also an American ally?

我认为很多人看到这一幕都在说，等等，卡塔尔不也是美国的盟友吗？

▶ Doesn't it host the US largest base there, the Allaudade air base?

美国最大的军事基地——乌代德空军基地不就设在那里吗？

bilibili 00:23:56

▶ What's going on here?

这到底是怎么回事？

▶ And I think the US is sending the message.

我认为美国正在传递一个信息。

▶ What is the point in being our ally?

做我们的盟友有什么意义？

▶ We can't control or we refuse more accurately to control Israel.

我们无法控制，或者更准确地说，我们#拒绝#控制以色列。

▶ It may be that you spoke earlier to a delusional Secretary General of NATO who thinks this is going to end up okay for Europe when it comes to this administration.

也许你之前是和一位妄想的北约秘书长交谈，他认为在这届政府任内，这件事最终会对欧洲有利。

bilibili 00:24:17

▶ I don't think that's the case and it poses the question, who is going to contain Israel?

我认为情况并非如此，这引出了一个问题：谁来遏制以色列？

▶ And I think an awful lot of heads are being scratched in the Middle East, West Asia region today when they're saying, wait a minute, coming to a neighborhood near me.

我想今天中东、西亚地区有无数人感到困惑，他们都在说，等等，这就要发生在我家附近了。

▶ Israel is apparently trying to suggest it can act with impunity, thus far it's a gamble that has succeeded for Prime Minister Nuttanyahu.

以色列显然试图表明它可以#不受惩罚地#行动，到目前为止，这对内塔尼亚胡总理来说是一场成功的赌博。

bilibili 00:24:41

🎧 I don't think this ultimately plays out well for him because this looks like overreach and hubris to me.

我认为这最终不会对他有利，因为在我看来，这像是过度扩张和傲慢自大。

🎧 Daniel, thank you very much indeed.

丹尼尔，真的非常感谢你。

🎧 Daniel Levy, they're talking to us and of course we are bringing the updates as and when we get them here on BBC News.
