

Is Charlie Kirk's killing a dangerous moment for America? | BBC Americast

【BBC播客：查理·柯克之死会成为美国的危险时刻吗？】

Summary: America is once again confronting the horror of political violence with the assassination of Charlie Kirk, a prominent 31-year-old conservative activist. Kirk was shot and killed while speaking at Utah Valley University during his campus debate tour. As an influential voice on the right, he played a crucial role in mobilizing young voters for Trump's reelection. The White House responded with grief and anger, lowering flags to half-mast, while Trump accused the left of demonizing conservatives. Kirk's death has ignited fierce partisan rhetoric and raised concerns about escalating polarization in American society.

事实上其在美国年轻群体中的影响力如何#高估#都不为过。

🎧 I was talking to a a a congressman uh earlier today who said he thought he actually thought that Donald Trump would not have won last time round without Charlie Kirk's help.

也有人认为他激化了这群人。

🎧 But it's a much more um varied thing, isn't it, than just the politics of it.

但这远不仅是政治层面的影响，其意义更为复杂多元。

⏮ because he had this podcast and my daughter Claraara, the the American citizen, very aware of him.

通过他的播客节目，连我女儿克拉拉——这位美国公民——都对他十分了解。

⏮ Um, actually knew about the attack on him and and his death before I did.

她甚至比我先得知其遇袭及离世的消息。

 00:02:41

⏮ Friends of hers I was talking to who are not American citizens, just young people in in Britain in their 20s.

我接触到的她的朋友们——这些二十多岁的英国年轻人虽非美国公民。

⏮ An awful lot of people know about Charlie Kirk and feel whether they agree with him or not, and plenty actually who were aware of him don't necessarily agree with him because he had some pretty extreme views on all sorts of things.

但多数人都知晓查理·柯克并对其持有立场，事实上许多知晓他的人未必认同其观点，因为他在诸多议题上的立场都相当极端。

⏮ But there is just this sense exactly as you said, he was a talker.

但正如你所说，他本质是位对话者。

 00:03:05

⏮ He was someone who wasn't just spouting off his own stuff and just putting it out there.

他并非单纯输出自身观点。

⏮ He actually wanted to engage people.

而是真正希望与人交锋。

⏮ And it seems to me, isn't that right, Sarah, that that is the key to who he was and what he was trying to do.

莎拉，这似乎正是理解其人格特质与事业追求的关键，对吗？

▶ Oh, absolutely.

完全正确。

▶ And he was prolific.

而且他堪称#多产#。

▶ Kimmy, he was a a a broadcaster and a podcaster, spreading this message, but at the same time, he was out there organizing youth groups and students as well as taking part in live debates himself all of the time.

金米，他既是广播主持也是播客主，在传播理念的同时，还持续组织青年团体、学生群体并亲自参与现场辩论。

bilibili 00:03:33

▶ And that was one of the things that he did.

这正是他的特色之一。

▶ He said he would take on and debate anybody who wanted to come and disagree with him.

他曾公开表示愿接受任何持异议者的挑战。

▶ So rather than being somebody who did exist in their own echo chamber, he was very much um taking on debates uh from the left, people who um had a different point of view and and hashing that out.

因此他并非固守回音壁之人，而是积极与左翼阵营、与持不同观点者展开辩论交锋。

▶ Now, as you say, there were a lot a lot of people who didn't agree with him, but among those who think that he was absolutely material to Donald Trump being returned to the White House is Donald Trump himself and close members of his family and many important people in the administration.

诚如所言，固然有许多人反对其观点，但认为他对特朗普重返白宫至关重要的人群中，包括特朗普本人、其家族核心成员及政府诸多要员。

bilibili 00:04:05

▶ So, they are in shock uh at the moment about this.

此刻他们正深陷震惊。

▶ I was at the White House yesterday when firstly when the news came in that he had been shot uh and there were gasps around the place and people looking extremely worried about it.

昨日我恰在白宫，当首次传来其遭枪击的消息时，现场一片惊呼，人们神情凝重。

▶ It became obvious quite quickly that the White House had a bit more information than was being released publicly yet.

很快便明显感觉到白宫掌握着尚未公开的更多信息。

 00:04:25

▶ Um and Donald Trump started referring to Charlie Kirk in the past tense before there had been an announcement about him actually having been killed.

在官方尚未确认其死讯前，特朗普已开始用过去式指称查理·柯克。

▶ By the time that information was widely known, people were openly in tears.

当死讯广泛传开时，人们已公开落泪。

▶ White House staff.

白宫工作人员们。

▶ Um, and and a lot of people then gathered on the the north lawn to watch um the flags over the White House being lowered to half mass, which happened pretty quickly.

许多人聚集在北草坪目睹白宫降半旗仪式，整个过程相当迅速。

 00:04:48

▶ And you could tell there's always shock when there's a political killing like this, but this was sadness, grief, and anger that was perpetrating the White House.

这类政治刺杀总会引发震惊，但此刻弥漫白宫的是悲恸与愤怒。

⏮ Uh, and that is a measure of what a big figure Charlie Kirk was, but also what impact this might have.

这既印证了查理·柯克的重要地位，也预示此事可能产生的冲击。

⏮ Yeah, I I don't really think it's possible to overstate how influential someone like well well how influential Charlie Cook has been because in lots of ways he's the pioneer of a certain type of blueprint for a certain type of political influencer or activist in the social media age.

确实难以言尽查理·柯克的影响力，因为在诸多层面，他堪称社交媒体时代某类政治意见领袖或活动家的范式开创者。

该组织核心宗旨在于传播保守主义理念。

⏮ Um, to talk about conservative uh issues, discussions at what were considered liberalleaning, left-leaning US colleges.

在那些被视为偏自由派、左倾的美国高校中探讨保守派议题。

⏮ Um, and he absolutely like like Sarah said is someone who has perhaps become best known for being willing to debate people often on very very controversial subjects.

正如莎拉所言，他最为人称道的正是愿就极具争议性议题与人辩论。

 00:05:51

⏮ And I know that I always talk about the algorithms.

虽然我总强调算法机制。

⏮ In fact, I almost it's almost as much as I talk about Elon Musk.

事实上提及频率堪比埃隆·马斯克。

▶ But I think it is worth saying that one of the reasons why Charlie Kirk was so effective at what he did is because he was very very good at getting that content clips of him uh clips from his podcast promoted to people beyond the echo chamber as well.

但必须指出，查理·柯克的成功部分归功于他极擅长将辩论内容剪辑传播，突破信息茧房触达不同立场群体。

bilibili 00:06:10

▶ People who don't agree with you because a lot of this is about outrage.

因为其内容常涉及#激愤#情绪。

▶ It's often what we call sort of rage bait and his positions.

即我们所说的#愤怒# #诱饵#，这与其立场密切相关。

▶ Therefore, there are some people who really really really took serious offense to some of the positions he held and others who who liked them.

因而有些人对其部分立场深感愤怒，另一些人则深表认同。

▶ Let's hear a few of those positions.

我们来听听他的部分立场陈述。

▶ Why I believe that abortion should be legal is because of instances like rape and incest.

我认为#堕胎#应合法化是基于强奸和#乱伦#等特殊情况。

bilibili 00:06:30

▶ But I already know that your belief on that because you've already stated that if your daughter were to be raped at 10 years old, you would make her give birth to the baby would be delivered.

但我已知晓你的立场——你曾声明若十岁女儿遭强奸，仍会要求她生下孩子。

▶ And let me tell you why.

请允许我阐述理由。

▶ And so, but first of all, let let me try to find common ground.

首先让我尝试寻求共识。

▶ If I say we will make rape and incest abortions legal and get rid of all the other abortions, would you agree with that?

若我说仅允许强奸和#乱伦#情况下的堕胎，禁止其他所有堕胎，你可同意？

bilibili 00:06:47

▶ Yeah.

同意。

▶ See, I don't believe that abortion should be used as a form of birth control.

我认为不应将#堕胎#作为避孕手段。

▶ So 99% of the time it is.

但现实中99%的堕胎正属于此类。

▶ That's all that we're debating in the country right now.

这才是当前全国辩论的焦点。

▶ So Charlie Kirk's position is a very fringe minority.

因此查理·柯克的立场实属#边缘#少数派。

▶ People are talking about still exceptions.

人们仍在讨论例外情况。

▶ So we should get rid of 99% of abortions.

我们应消除99%的堕胎。

▶ I'm a gay conservative and I just want to kind of ask you like what do you have to say for people like me who kind of feel like I guess it's kind of hard for gay conservatives because there's not a lot of us.

我是名保守派的同性恋者。想请问对于像我这样——意识到保守派同性恋者处境艰难（毕竟我们群体规模小）——的人，您有何建议？

▶ So like what do you have to say to other gay people who re who need to realize like they do have a choice?

您想对其他需要意识到自己确有选择权的同性恋者说些什么？

▶ Yeah.

好的。

▶ First of all, welcome to the conservative movement.

首先欢迎加入保守派运动。

▶ I don't think you should introduce yourself just based on your your sexual attraction agree because that's not who you are.

我认为你不必仅以性取向定义自我，因为这并非你的全部。

▶ I like to be thought of as a person and for sure you are a complete human being and I'm sure you treat people well and you're studying something.

我希望被视作完整的人——你当然也是，且我相信你待人友善、学业有成。

▶ So I want to get away with this idea that you're gay anything.

因此我希望摆脱"同性恋者"这类标签化认知。

▶ I just think that we have gone a long way in the negative direction of this country where we act as if the most important part of your identity is what you do in the bedroom.

我认为我国已过度强调私生活作为身份核心的重要性。

▶ It doesn't mean that much to me.

这对我而言并不重要。

▶ But if you ask from a perspective as a Christian, I I I don't agree with that lifestyle.

但若从基督徒视角出发，我确实不认同这种生活方式。

bilibili 00:07:48

▶ You will never live in a society when you have an armed citizenry and you won't have a single gun death.

在公民持枪的社会里，绝对零枪击死亡是不可能的。

▶ That is nonsense.

这种想法荒谬至极。

▶ It's dril.

纯属空想。

▶ But I am I I think it's I think it's worth it.

但我认为这是值得付出的代价。

▶ I think it's worth to have a

我认为拥有（持枪权）

▶ Cost of unfortunately some gun deaths every single year so that we can have the Second Amendment to protect our other god-given rights.

不幸的是，每年都会发生一些枪支死亡事件，这是我们为拥有保护其他天赋权利的第二修正案所付出的代价。

bilibili 00:08:08

▶ I'm sorry.

我很抱歉。

▶ If I see a black pilot, I'm going to be like, "Boy, I hope he's qualified."

如果我看到一个黑人飞行员，我可能会想，“伙计，我希望他是合格的。”

▶ So like you right now should come out and be like, "You know what? the young man who's about to win the state championship in the long jump in female sports, right?"

所以就像你现在应该站出来说，“你知道吗？那个即将在女子体育的跳远项目中赢得州冠军的年轻人，对吧？

▶ That's that that shouldn't happen.

那件事本不应该发生。

▶ You as the governor should step out and say no.

你作为州长应该站出来说不。

bilibili 00:08:23

▶ No.

不。

▶ And I appreciate and and but like would you do something like that?

我很感激，但是，比如你会做那样的事吗？

▶ Would you say no men in female sports?

你会说不允许男性参加女子运动吗？

▶ Well, it's I think it's an issue of fairness.

嗯，我认为这是一个公平性的问题。

▶ I completely agree with you on that.

我完全同意你这一点。

▶ That actually that last clip that we heard there was really fascinating because that was with Gavin Newsome and Gavin Newsome the governor of California when he decided to do outreach to those who are the enemies of the Democrats the first person he chose was Charlie Kirk.

实际上，我们刚才听到的最后一段剪辑非常引人入胜，因为那是加文·纽森，加利福尼亚州州长，当他决定向民主党的敌人伸出橄榄枝时，他选择的第一个人是查理·柯克。

bilibili 00:08:47

▶ Um, and for all that he's labeled by some as an extremist and all the rest of it, he felt that Charlie Kirk was the right person to come on his show uh and to defend indeed to proitize for the right-wing point of view and he Gavin Newsome would come up against him.

嗯，尽管他被一些人贴上极端分子之类的标签，但他觉得查理·柯克是上他节目的合适人选，来捍卫甚至可以说是宣扬右翼观点，而他加文·纽森则会与他交锋。

⏮ And of course that actual that their discussion there caused quite a news stir because Newsome chose I don't think it was forced out of him by Charlie Kirk but Newsome chose that moment to say on this issue Charlie Kirk which is men and women's sports um he Gavin Newsome was willing to be persuaded by Charlie Kirk.

当然，他们那场实际的讨论引起了不小的新闻轰动，因为纽森选择了——我不认为是查理·柯克逼他的——但纽森选择在那个时刻说，在查理·柯克提出的这个男女运动的问题上，嗯，他加文·纽森愿意被查理·柯克说服。

⏮ Some American casters might be a little bit shocked by some of the things that he said in that montage because they're not part of mainstream debate in the UK, but they are of course talked about much much more often in the US.

一些美国播音员可能会对他蒙太奇式发言中的一些内容感到有点震惊，因为这些在英国不是主流辩论的一部分，但它们在美國当然被谈论得频繁得多。

 00:09:33

⏮ And that's one of the things that Charlie Kirk did was not just enthuse young people and get them involved and excited in politics, but he moved issues uh like what he's talking about on abortion, on race into the mainstream um argument.

而查理·柯克所做的一件事，不仅仅是激励年轻人并让他们参与政治、为之兴奋，他还将诸如他谈论的堕胎、种族等问题推入了主流辩论。

⏮ He was material in taking what were kind of fringe ideas about 10 years ago or something and turning them into mainstream political discourse which of course allowed space for Donald Trump to come in and maximize that because he wasn't just somebody who disseminated a Trump message.

他在将大约10年前还属于边缘的思想转变为主流政治话语方面发挥了重要作用，这当然为唐纳德·特朗普的登场并最大化利用这一点创造了空间，因为他不仅仅是传播特朗普信息的人。

⏮ He helped to shape that message.

他帮助塑造了那个信息。

 00:10:08

⏮ He took some of Donald Trump's more raw political instincts and had a way of honing them into something that was easier and better to communicate than Donald Trump himself sometimes articulates these things and spread them through the political debate making them both acceptable, popular and thus paving the way for Donald Trump and very much certainly for his second term.

他吸收了唐纳德·特朗普一些更原始的政治直觉，并有一种方法将其打磨成比特朗普本人有时阐述这些东西更容易、更好沟通的形式，并通过政治辩论传播它们，使其变得既可接受又受欢迎，从而为唐纳德·特朗普，当然也很大程度上为他的第二个任期铺平了道路。

⏮ So, and this is one of the reasons why he will be missed so very very badly by people in the administration who are devastated by this and by people in the wider movement because he was a he was an intellectual of it all who both had his fingers on the pulse of the grassroots and could report that back to the White House and also take what Donald Trump wanted to do and and and help find a way of selling that.

所以，这也是为什么政府内部对此感到悲痛欲绝的人以及更广泛运动中的人会如此非常非常想念他的原因之一，因为他是一个，他是这一切的智囊，他既能把握基层的脉搏，又能将情况反馈给白宫，还能接过唐纳德·特朗普想做的事，并帮助找到推销的方法。

⏮ Um, and that's almost certainly why Donald Trump sounded quite as angry as he did when he recorded a video in the Oval Office that he then put out last night.

嗯，这几乎可以肯定就是为什么唐纳德·特朗普在椭圆形办公室录制昨晚发布的视频时，听起来如此愤怒的原因。

 00:11:05

⏮ This is a dark moment for America.

这对美国来说是一个黑暗的时刻。

⏮ Charlie Kirk traveled the nation joyfully engaging with everyone interested in good faith debate.

查理·柯克愉快地走遍全国，#接触#每一位对真诚辩论感兴趣的人。

⏮ His mission was to bring young people into the political process, which he did better than anybody ever, to share his love of country and to spread the simple words of common sense.

他的使命是让年轻人参与政治进程，他在这方面做得比任何人都好，分享他对国家的热爱，传播常识性的简单道理。

 00:11:31

🎵 On campuses nationwide, he championed his ideas with courage, logic, humor, and grace.

在全国各地的校园里，他以勇气、逻辑、#幽默#和风度倡导他的思想。

🎵 It's long past time for all Americans and the media to confront the fact that violence and murder are the tragic consequence of demonizing those with whom you disagree day after day, year after year in the most hateful and despicable way possible.

所有美国人和媒体早就该正视这样一个事实：暴力和谋杀是日复一日、年复一年以最可恨、最卑劣的方式妖魔化与你意见不同的人所导致的悲剧性后果。

🎵 For years, those on the radical left have compared wonderful Americans like Charlie to Nazis and the world's worst mass murderers and criminals.

多年来，#激进#左派一直将像查理这样的优秀美国人比作纳粹和世界上最恶劣的大屠杀犯和罪犯。

 00:12:07

🎵 This kind of rhetoric is directly responsible for the terrorism that we're seeing in our country today and it must stop right now.

这种言论直接导致了我们今天在美国看到的恐怖主义，它必须立即停止。

🎵 I was shocked when I watched the president doing that last night.

昨晚我看到总统那样做时，我感到震惊。

🎵 Uh because that is certainly not the message you normally get from top politicians at a time like this when there has been this kind of political violence and atrocity.

呃，因为这肯定不是在这种政治暴力和暴行发生时，你通常从顶级政客那里得到的信息。

 00:12:31

🎧 It's usually a moment of unity when everybody from all sides of the political debate come together and condemn political violence.

这通常是一个#团结#的时刻，政治辩论各方的每个人都聚集在一起，#谴责#政治暴力。

🎧 And that's what was happening with every living former president put out a statement saying this is completely unacceptable.

这就是正在发生的情况，每一位在世的前总统都发表声明，称这完全不可接受。

🎧 This is not who America is.

这不是美国该有的样子。

🎧 um it is undermining our democracy to have um political violence like this, but not Donald Trump, who of course he was angry, but was demonizing part of the political debate, blaming them for Charlie Kirk's murder.

嗯，发生这样的政治暴力正在破坏我们的民主，但唐纳德·特朗普没有（谴责），他当然很愤怒，但却在妖魔化政治辩论中的一方，指责他们应对查理·柯克的谋杀负责。

 00:13:02

🎧 And he then went on to to list uh a number of other Republicans who've been attacked, referencing, of course, the attempt on his own life in Butler last year, which was absolutely terrible, other um right-wingers who've been attacked.

然后他继续列举了呢一些其他遭到袭击的共和党人，当然也提到了去年在巴特勒发生在他自己身上的未遂刺杀，那绝对可怕，还有其他呢遭到袭击的右翼人士。

🎧 But he left off that list the Minnesota uh lawmaker who was shot um in her home with her husband a few months ago.

但他漏掉了明尼苏达州那位呢几个月前在家中和丈夫一起遭枪击的议员。

🎧 Another one who was attacked.

另一位遭到袭击的人。

 00:13:24

▶ He missed out the attack on Josh Shapiro, the Democrat governor's house in uh Pennsylvania.

他漏掉了对乔什·夏皮罗，宾夕法尼亚州#民主党#州长官邸的袭击。

▶ You know, he he listed only people from the right who had been attacked and blamed the left for it.

你知道，他只列举了来自右翼的遇袭者，并为此指责左翼。

▶ And I was I was genuinely worried that it sounded incendiary.

而我，我真的很担心这听起来是煽动性的。

▶ Um and I think Justin, we've we've had an email on this topic as well, haven't we?

嗯，我想贾斯汀，我们也收到了一封关于这个话题的电子邮件，不是吗？

 00:13:44

▶ Yeah, it comes from Mike in Portsmouth, uh, who says, "I've just watched Trump's response to the Charlie Kirk shooting.

是的，来自朴茨茅斯的迈克，呃，他说：“我刚刚看了特朗普对查理·柯克枪击事件的回应。

▶ He seems to be going full partisan rather than trying to calm the situation.

他似乎完全陷入了#党派#之争，而不是试图平息局势。

▶ He's pouring mountains of petrol on it."

他这是在火上浇油（直译：倒上成山的汽油）。"

▶ Can you have a mountain of petrol?

汽油能堆成山吗？

▶ Anyway, um, yeah, he's he says, Mike also says it's almost as if he's going to use it as an excuse to try and become ever more authoritarian, even more authoritarian than he was trying to become.

总之，嗯，是的，他说，迈克还说，这几乎就像他要以此为借口，试图变得更加专制，甚至比他之前试图成为的样子还要专制。

bilibili 00:14:08

▶ Anyway, am I reading it wrong?

总之，我解读错了吗？

▶ Mike asks.

迈克问。

▶ I hope so because from where I'm sitting the omens of that response are not good.

我希望是我解读错了，因为在我看来，那种回应的征兆并不好。

▶ Um I was thinking as well just to back up what you were saying Sarah as well when we were listening to Charlie Kirk on the subject of abortion.

嗯，我也在想，莎拉，正好可以支持你刚才说的，当我们听查理·柯克谈论堕胎话题时。

▶ It's not so much of a big deal now is it?

现在这没那么重要了，是吗？

bilibili 00:14:26

▶ But certainly when I was doing your job attacks on abortion clinics were a really big deal.

但肯定在我做你这行的时候，对#堕胎#诊所的袭击是件大事。

▶ attacked by people who regarded themselves as right-wing and and abortion as a progressive left cause, which I suppose it generally is, and abortion rights as a as a progressive left cause.

袭击者自认为是右翼，并将堕胎视为进步左派的事业——我想这通常是成立的——并将堕胎权视为进步左派的事业。

▶ And it became, you know, when you go to an abortion clinic, as as we all have done in our professional lives to go and talk to people because it has been such an issue in American politics and culture recently.

然后这就变成了，你知道，当你去堕胎诊所时——就像我们职业生涯中都做过的那样——去和人们交谈，因为最近这在美国政治和文化中一直是一个大问题。

bilibili 00:14:53

▶ You know, there is security, there is real fear, and there were killings as well.

你知道，那里有安保，有真实的恐惧，而且也有过杀人事件。

▶ I mean, there were murders.

我的意思是，有过谋杀案。

▶ So, it's not just that Minnesota case that you mentioned that is from this year.

所以，不仅仅是你提到的今年发生的那个明尼苏达州的案子。

▶ There is also a wider way in which if you are on the left, the kind of moderate left, you might say, "Well, hang on a second.

还有一种更广泛的看法是，如果你在左翼，那种温和左翼，你可能会说，“嗯，等一下。

bilibili 00:15:08

▶ Um, Donald Trump should have mentioned exactly as Sarah said, Marian, should have mentioned a few other things as well."

呃，唐纳德·特朗普应该像莎拉说的那样，玛丽安，也应该提到其他一些事情。”

▶ It's a little bit of a sort of chicken and egg situation here where you've got politicians including the president criticizing what they perceive to be demonizing and uh violent rhetoric from the left which they feel could have contributed to the climate in which this happened.

这里有点像是先有鸡还是先有蛋的情况，政客们，包括总统，批评他们认为来自左翼的妖魔化和暴力言论，他们觉得这可能助长了发生此事的气候。

▶ But then that seems to have further fueled this really divisive rhetoric.

但这似乎又进一步助长了这种真正#分裂#的言论。

bilibili 00:15:35

▶ So you've got Donald Trump speaking like this.

所以你看到唐纳德·特朗普这样说话。

▶ You need only scroll on X.

你只需要在X（推特）上滚动一下。

▶ Obviously, there is a huge amount of grief, outpouring of support, upset for for Charlie Kirk, his his wife, his two little kids.

显然，有大量的#悲痛#，涌出的支持，对查理·柯克、他的妻子、他的两个小孩的难过。

▶ Um, but then there's also there's really violent language being used to kind of say, "Right, we need retribution.

嗯，但同时也有人使用非常暴力的语言，像是在说，“好了，我们需要#报复#。

bilibili 00:15:52

▶ This is it.

就是这样。

▶ We've had enough.

我们受够了。

▶ The left need to stop this."

左翼需要停止这一切。”

▶ And then if you look on, for

然后如果你再看，

▶ Example, Tik Tok, which has got a bit of a different demographic to X, you've then got people on the left who are saying, "Well, hang on a second.

例如Tik Tok，其用户群体与X平台略有不同，你会看到左派人士说：“等等，先别急。

▶ you know these kinds of influencers use violent rhetoric and the politicians do on the right and this is the consequence of that and it becomes this you know it further entrenches the polarization which people have said that they're worried about.

你知道这类网红使用暴力言论，右派政客也如此，这就是后果——这进一步加剧了人们一直担忧的#极化#现象。

▶ Yeah.

确实。

▶ I just Sarah I my feel I think you're exactly right in what you were saying about about what Trump said but there is a sense isn't there and it's a reasonable sense that um a lot of people on the right in America recently including Donald Trump himself have been targeted called authoritarian called fascists called whatever um and that has somehow allowed a whole cohort of people and it is often young people, and it's often online, so maybe they don't quite mean it or whatever, to use incredibly violent rhetoric um uh in a way that maybe they wouldn't have done in the past.

莎拉，我觉得你对特朗普言论的分析完全正确，但确实存在一种普遍感受——近期美国右派包括特朗普本人常被贴上#威权主义者#、#法西斯分子#等标签，这无形中纵容了特定人群（尤其年轻网民）肆意使用极端暴力言论，其程度可能是过去难以想象的。

▶ I mean, I'm thinking, Sarah, about um Luigi Manion, the guy who is accused of killing that that insurance executive in New York.

比如莎拉，我想到被控杀害纽约保险高管的#路易吉·马尼翁#。

▶ People will remember he was was shot in the street.

人们应该记得受害者当街遭枪击的新闻。

▶ He's got a wife and a young family.

他身后留下妻子和年幼的孩子。

▶ I mean that death I mean it's not putting it too sharply to say it's been actually celebrated by some on the American left who say the insurance companies have got it coming to them and this individual had it coming to him etc.

毫不夸张地说，这起命案竟受到部分美国左派欢呼，他们认为保险公司罪有应得，死者也是咎由自取。

▶ There is a kind of nastiness there that albeit I agree with you about Trump generally speaking but I mean he is pointing at something that is real.

这种恶意确实存在——尽管我大体认同你对特朗普的看法，但他确实指出了一个真实现象。

 00:17:29

 Oh, he is.

确实如此。

 He is.

正是这样。

 Just because I'm saying he he wasn't uh he didn't reflect that it was happening on both sides doesn't mean that he hasn't put his finger on something about um the vicious language that's used on both sides of the debate.

我说他未承认双方都存在这种现象，不代表他没精准指出辩论中双方都在使用恶毒语言的事实。

 But yes, people like Charlie Kirk are regularly being compared to Nazis and mass murderers.

没错，像#查理·柯克#这样的人就常被比作纳粹和屠杀者。

 00:17:48

 Um, Luigi Manion genuinely celebrated uh around the country by some people who think it was heroic to go up to uh a healthcare executive and murder them in the street.

路易吉·马尼翁甚至受到全国某些人的真心喝彩，他们认为当街杀害医疗高管是英雄行为。

 And when you have reached a point where people are applauding political violence, it's frightening.

当人们开始为政治暴力喝彩时，这非常可怕。

 And of course, we know that Donald Trump feels this very viscerally because he knows how close he came to losing his life just over a year ago in Butler, Pennsylvania.

当然，我们知道特朗普对此有切肤之痛——他清楚一年前在宾州巴特勒镇与死神有多近。

 00:18:16

⏮ So, and and then there was, you know, another um pretty realistic um assassination attempt on him a few months later as well.

而且几个月后他还遭遇了另一次相当真实的#暗杀#图谋。

⏮ So, you know, he he feels it, you know, viscerally how frightening this is.

所以他真切体会到这种恐怖。

⏮ So, I'm not surprised that he's got, you know, a pretty strong reaction to it.

因此我对他产生强烈反应并不意外。

⏮ I do think that we we should also point out, you know, when we talk about examples of violence that have happened across the political spectrum, including targeting people on the left, we think of, for example, um the attack on Nancy Pelosi, the the former speaker of the House's husband, um which was uh uh that happened a couple of years ago now.

但必须指出，政治暴力是跨阵营的——包括针对左派的袭击，例如数年前前众议院议长#南希·佩洛西#的丈夫遇袭事件。

 00:18:52

⏮ And then also examples of of law ma lawmakers um uh who have lost their lives and um and political violence that was triggered for example by the suggestion that the election was stolen um when Joe Biden won.

还有立法者丧生的案例，以及拜登胜选后因"选举舞弊"言论引发的政治暴力。

⏮ There was also on the right support for some of the people who' done this stuff there there was like there were people who who kind of celebrated the the the man who attacked Nancy Pelosy's husband or spread conspiracy theories about that.

右派中亦有人为袭击佩洛西丈夫的行凶者叫好，或散布相关阴谋论。

⏮ So I think it's worth saying that that the the level of polarization here is huge.

可见两极分化极其严重。

 00:19:26

⏮ Like both sides are guilty of rejoicing and celebrating.

双方都存在庆贺暴力的行为。

🎵 I think what people on the right on social media would argue is well yeah okay we'll do that but we are much more open to debate and discussion.

右派网民可能会说：我们确实如此，但我们更愿意开放辩论。

🎵 Um and the left aren't.

而左派则不然。

🎵 The left would say well hang on a second.

左派会反驳：等等。

🎵 You know you are always the people telling us that words you know words don't matter online.

你们总说网络言论无关紧要。

 00:19:47

🎵 It's it's inconsequential.

不会造成后果。

🎵 Why are you worried about the consequence of it?

为何现在又担心起后果了？

🎵 Etc.

诸如此类。

🎵 and now you are.

现在你们倒在意了。

🎵 So there's like levels of hypocrisy sort of across the board here when it comes to the positions that people are taking.

所以各方立场都存在不同程度的#虚伪#。

🎧 I think what is worth explaining though when we talk about that language that Donald Trump used and actually some of the language that's being used on X, which is really quite violent and quite scary, I spend a lot of my time hanging out on social media and on X.

需要说明的是，特朗普使用的言辞以及X平台上某些相当暴力可怕的用语——我长期活跃于社交媒体和X平台。

 00:20:11

🎧 And this language is incredibly common.

这类语言极其普遍。

🎧 Like I think people can't, you know, there are lots of people who are really shocked today because they're looking at it, but it's used all the time.

许多人今日震惊于这些言论，但它们其实无处不在。

🎧 And I think that that visceral reaction that we're seeing online and even from the president comes down to what a big deal Charlie Kirk was and how he felt like a family member or someone who was really really close to Donald Trump and actually to huge amounts of the American public who knew him really really well.

网络乃至总统的强烈反应，归根结底是因为查理·柯克的重要性——他如同特朗普的家人，也非常了解他的广大美国民众极为亲近。

 00:20:35

🎧 Last night on the Megan Kelly show, conservative media commentator Emily Zinsky, she captured this which is why people feel so this is so emotional.

昨晚在#梅根·凯利#节目中，保守派媒体评论员#艾米丽·津斯基#精准捕捉到了这种情绪。

🎧 Yeah.

是的。

🎧 And just to say about Emily before we play the clip and it's a really interesting exchange because this is with Megan Kelly, isn't it?

介绍音频前我想说：艾米丽虽是保守派#评论员#，但非常公正。

🎧 Who we also talked to, I think we've talked to on the pod and I've certainly talked to on my other job in the Today program.

这段与梅根·凯利的对话很有趣——我们采访过凯利，我在《今日节目》中也与她交流过。

 00:20:54

🎧 I don't know her as well, but Emily I know well and she is a conservative commentator but she's also someone who's very fairminded.

虽与凯利不熟，但我很了解艾米丽——她思想公正。

🎧 Um, and this exchange I think which you're going to introduce now I think is fascinating because in a sense it underlines what Sarah's just been saying that this is a really big cultural deal as well.

接下来这段对话精彩之处在于，它印证了莎拉的观点：这是重大的文化事件。

🎧 I mean, he's almost as close to monoculture as Jenz gets.

他几乎是詹兹文化中最接近主流文化的存在。

 00:21:16

🎧 Everybody felt like they knew Charlie Kirk, even if they didn't like Charlie Kirk, they felt like they knew Charlie Kirk.

人人都觉得自己认识查理·柯克——即便不喜欢他，也感觉熟悉他。

🎧 They felt like they knew Charlie Kirk and they saw him grow up.

人们仿佛见证了他的成长。

🎧 And so, I think you've mentioned this a couple of times.

正如你多次提到的。

🎧 We are, if anything, underestimating as a as a society right now, how profoundly this will reverberate on the culture.

社会目前可能低估了此事对文化的#深远#影响。

 00:21:40

▶ Yeah.

是的。

▶ Yes.

没错。

▶ this I don't I don't know if the left fully comprehends how important he was to us.

我不知道左派是否完全理解他对我们的的重要性。

▶ I really don't.

真的不确定。

▶ I'm not sure they appreciate they they tried to marginalize him and make him into this fringy character who was just some sort of nutcase who would go on camp campuses and stir up and that is such a misrepresentation of this noble person.

他们试图边缘化他，将其塑造成在校园煽动事端的疯子——这是对这位崇高者的严重曲解。

bilibili 00:22:02

▶ Yes.

确实。

▶ Love him or hate him, I think the left would make a big mistake if they were to underestimate uh the influence that Charlie Kirk had, but also the affection within which he was held because of the way he conducted himself.

无论爱憎，若左派低估查理·柯克的影响力及其因行事风格获得的爱戴，将犯大错。

▶ He had very um confrontational points of view.

他虽持#对抗性#观点。

▶ He had some quite um controversial ideas, but he was always, you know, he was open to debate.

有些理念相当#争议性#，但他始终乐于辩论。

bilibili 00:22:23

▶ He was genial.

他#亲和#。

▶ He was extremely charismatic.

极具#魅力#。

▶ Um and he clearly had quite a long way to go in American politics as well.

他在美国政坛显然还有长远前途。

▶ So, you know, he will be seen as a martyr.

因此他将被视为#殉道者#。

▶ Donald Trump described him um as a martyr uh last night and and that's going to have a pretty profound influence as well, I think.

特朗普昨夜称其为殉道者，这也会产生深远影响。

▶ And it's worth mentioning, isn't it?

值得一提的是。

▶ I mean, when it comes to being a cultural icon, if we're really underlining just how key he was and what a big um hole is going to be there now and how angry people are going to be to be on South Park in any way, shape or form.

作为文化偶像，他的关键性、留下的巨大空白以及人们对其《南方公园》形象的愤怒都值得强调。

bilibili 00:22:57

▶ I mean, Donald Trump is a lot at the moment and possibly in a form and a shape that he doesn't want to be, but for most people it's the honor of a lifetime to be paped on South Park and in the current series of South Park, um, Charlie Kirk was and he liked it.

特朗普目前常以非自愿形式出现在剧中，但对大多数人而言，能上《南方公园》是终生荣誉——查理·柯克在最新季中出场，他很喜欢。

▶ First of all, I just think it's hilarious.

首先我觉得#太搞笑#了。

⏮ And secondly, the whole thing is like, wait, so a campus thing I've been doing for 13 years to debate random college kids has now been so important that it gets prominent prime time placement on Comedy Central.

其次整件事就像：我13年来随机与大学生辩论的校园活动，竟重要到能上喜剧中心黄金时段。

 00:23:29

⏮ I think I think the whole thing is just awesome and hilarious.

我觉得这一切太棒了#笑死人#。

⏮ There's so much more I want to say about this, but the whole shtick, by the way, Comedy Central, you South Park, you crushed the water.

有太多想说的——喜剧中心、《南方公园》，你们把喝水梗玩绝了。

⏮ I compulsively drink water on campus.

我在校园会不自觉喝水。

⏮ It's like, okay, boom.

就像这样——#砰#。

⏮ We got to stay hydrated.

得保持水分。

⏮ Now, the lozenges, we got to work a little.

现在润喉糖得加把劲。

 00:23:47

⏮ And by the way, the Holy Bible right next to it.

旁边还放着圣经。

⏮ I even said on this campus tour, I was going to bring a Holy Bible with me to every single campus dub.

我甚至说过这次校园巡讲要带圣经去每个学校#真牛#。

▶ I mean, that does sum up to a certain extent the way in which he was, you know, he was able to take a message out into the wider culture um and, you know, and enjoy and not mind being mocked about it.

我的意思是，这确实在某种程度上概括了他的行事方式，你知道，他能够将信息传递到更广泛的文化中，并且，你知道，他乐在其中，也不介意因此被嘲笑。

bilibili 00:24:07

▶ That was part of his charisma.

这正是他#魅力#的一部分。

▶ I think it's interesting as well when we think about like we're obviously talking about the impact that this has on the United States, but actually to this point I was making about how he's kind of a blueprint for this new type of political activist, social media influencer, he is so well known around the world like there'll be people waking up in every country who will know him because social media has no borders and his stuff is everywhere.

我觉得同样有趣的是，我们显然在谈论这对美国的影响，但事实上，我刚刚提到他就像是这种新型政治活动家、社交媒体影响者的蓝图，他在全世界都如此知名，每个国家都会有人醒来时知道他，因为社交媒体没有国界，他的内容无处不在。

▶ Like I I I look at my social media feed and obviously uh my undercover voters, my fictional characters feeds are a little bit tainted with American politics, but my my own feed, I get this kind of stuff all the time.

就像我，我，我看着我的社交媒体推送，显然，呃，我的卧底选民、我的虚构角色的推送有点被美国政治污染了，但我自己的推送，我整天都能看到这类东西。

bilibili 00:24:43

▶ There's British teenagers debating with him.

有英国青少年在和他辩论。

▶ He's come over here to the UK and done these debates at Oxford University.

他曾来过英国，在牛津大学进行过这些辩论。

▶ You know there's there's it's just really profound this in terms of what he is and and you imagine that actually one of the consequences of this is that there will be quite a lot of well I don't know see on the one hand you think oh maybe it will inspire more young Americans to think I want to do that I want to get into political activism I want to have a social media platform I want to do this regardless of your views the flip side is seeing people who are celebrating it you think, "Oh, hang on.

你知道，这，这在他是什么样的人这方面真的非常深刻，而且你会想象，实际上这带来的后果之一将是会有相当多的，嗯，我不知道，一方面你会想，哦，也许这会激励更多美国年轻人想‘我要那样做，我要参与政治活动，我要拥有一个社交媒体平台，我要做这个’，不管你的观点如何；另一方面，看到那些正在庆祝的人，你会想，“哦，等等。

 00:25:19

▶ Is it does anyone really realize it almost doesn't feel very real?"

真的有人意识到这感觉几乎不太真实吗？ ”

▶ Like, it's a bit like a video game.

就像，这有点像电子游戏。

▶ Like, you look at it this this horrifically violent clip, awful clip, and it's almost like it's all of this stuff has become so normal online that we don't really think about, or not we personally, but as society think about the consequences of it.

就像，你看这个极其暴力的片段，可怕的片段，这几乎就像是所有这些内容在网上已经变得如此正常，以至于我们并不真正去思考，或者不是我们个人，而是作为社会去思考它的后果。

 00:25:39

▶ I think particularly for the kinds of people that watch and consume Charlie Kirk.

我认为特别是对于那些观看和#消费#查理·柯克内容的人来说。

▶ It's worth saying, isn't it Sarah?

值得一说，不是吗，莎拉？

▶ We we we maybe ought to have mentioned this more prominently, but we can mention it now that that that mainstream Democratic politicians have been unanimous in coming out

and making very strong statements and and senior people.

我们，我们，我们也许应该更突出地提到这一点，但我们现在可以提一下，主流民主党政治家们已经一致站出来发表了非常强烈的声明，并且是高层人士。

 00:25:56

 So, we heard from Obama, didn't we?

所以，我们听到了奥巴马的表态，不是吗？

 And and Biden and Gavin Newsome, every living president has, right?

还有拜登和加文·纽森，每一位在世总统都表态了，对吧？

 Have they?

他们都表态了吗？

 Yeah.

是的。

 I didn't know that.

我之前不知道。

 They they all have.

他们，他们都表态了。

 Yeah.

是的。

 Yeah.

是的。

 00:26:05

 But but also Sarah, more than that, you know, a lot of of Democrats have have have made it absolutely plain that those who have celebrated this death are not speaking for them.

但是，但是还有，莎拉，不仅如此，你知道，很多很多民主党人已经非常明确地表示，那些庆祝这次死亡的人并不代表他们。

▶ Oh, absolutely.

哦，绝对是的。

▶ And you even heard from Gabby Gfords, a former Democratic Congresswoman who herself was shot uh a few years ago in an assassination attempt um saying that she was absolutely heartbroken and that this was completely terrible.

你甚至听到了加比·吉福兹的表态，她是一位前民主党国会女议员，自己几年前在一次暗杀未遂事件中中枪，嗯，她说她感到心碎，认为这完全是一场可怕的悲剧。

bilibili 00:26:31

▶ And yeah, the the the normal response to condemn the violence uh and and say that this this must stop and it must not happen again has been through most of the political mainstream.

是的，谴责暴力、并表示这必须停止、绝不能再次发生的正常回应，已经通过大部分政治主流渠道发出。

▶ But it's I think the the issue here is that we're not just talking about on the fringes of the internet.

但我认为这里的问题是，我们谈论的不仅仅是互联网的边缘地带。

▶ We're talking about a lot of pretty senior and very influential people who either on social media or on television uh are going a bit further than they would normally and are talking about revenge and retribution.

我们谈论的是很多相当资深且非常有影响力的人，他们在社交媒体或电视上发表的言论比平时更过火，谈论着复仇和报应。

bilibili 00:27:06

▶ And you know, I've heard I've heard a lot of very uh important um MAGA figures on TV using words like that.

而且你知道，我在电视上听到很多非常重要的，嗯，MAGA人物使用那样的词语。

▶ And it's not just on the right, you know, on the left as well.

而且这不仅仅是在右翼，你知道，左翼也是如此。

▶ If you listen to what um Alexandria Okasiocortez had to say, uh and this is this is a more measured message from her, but it's still not what you would expect in a moment like this.

如果你听听亚历山德里娅·奥卡西奥-科尔特兹说了什么，呃，这是她一条比较克制的信息，但这仍然不是你在这种时刻所期望听到的。

bilibili 00:27:29

▶ We have a political assassination that happened at the same time as a school shooting where children are dying on the same day a week after a shooting at a at a Catholic school where children were were gunned down while praying.

我们发生了一起政治暗杀，同时同一天还有校园枪击案导致儿童死亡，而一周前在一所天主教学校发生的枪击案中，孩子们在祈祷时被枪杀。

▶ Are we going to do something or are we going to argue over rhetoric?

我们是打算做点什么，还是打算争论言辞？

▶ That is my question about this.

这就是我对此的疑问。

bilibili 00:27:51

▶ We have to pass gun safety legislation and stop this.

我们必须通过枪支安全立法来阻止这一切。

▶ What one congresswoman was saying was yelling a Republican and said that was Democrat's fault.

一位女议员当时在喊叫，对一位共和党人说那是#民主党#的错。

▶ Democrats did this.

民主党人造成了这个。

▶ That's what we heard her say on the House floor.

这是我们在众议院会场听到她说的。

▶ I mean, people can fingerprint all they want.

我的意思是，人们可以随心所欲地指责。

▶ Look at the record.

看看记录。

▶ Look at the actions of what we are doing.

看看我们正在采取的行动。

 00:28:12

▶ I don't think a single person who has dedicated their entire career to preventing gun safety legislation from getting passed in this house has any right to blame anybody else but themselves for what is happening.

我认为任何将其整个职业生涯都致力于阻止枪支安全立法在本院获得通过的人，都没有任何权利将正在发生的一切归咎于除他们自己之外的任何人。

▶ We have to stop this.

我们必须阻止这一切。

▶ We can stop this.

我们能够阻止这一切。

▶ Gosh, Sarah.

天哪，莎拉。

▶ Um, we we talked a little bit about Donald Trump's tone and whether he had hit the right tone, the kind of tone that you would expect in these circumstances.

嗯，我们刚才稍微谈了一下唐纳德·特朗普的语气，以及他是否把握好了正确的语气，就是你在这种情况下会期望的那种语气。

 00:28:41

▶ If she wants to be president, which I think she does, um, I'm not sure that that is quite the tone either.

如果她想当总统（我认为她想），嗯，我也不确定她那种语气就是合适的。

▶ I found that equally shocking actually.

我，我实际上觉得那同样令人震惊。

▶ I mean, given that this is a man of 31 with two little children, um, if that's the reaction uh, from someone who wants to be in the mainstream of American politics, she wants to be president, she wants to appeal across the aisle to some extent, I suppose, to the extent that that gets you to the presidency in this day and age.

我的意思是，考虑到这是一个31岁、有两个小孩的男人，嗯，如果这是一个想要进入美国政治主流、想当总统、想要在一定程度上吸引两党支持的人的反应（我猜，在当今时代，吸引两党支持是能让你入主白宫的程度），那在我看来在语气上是错误的。

bilibili 00:29:11

▶ That seemed to me to be um tonally wrong.

那在我看来在语气上是错误的。

▶ And she of course was responding to the fact that other elected politicians in Congress were blaming Democrats for this happening.

而她当然是在回应国会中其他当选政客指责民主党造成此事发生的言论。

▶ I mean I can't remember a time when there has been fingerpointing to this extent or at this level and certainly not so quickly um after somebody has been murdered essentially in front of our eyes because we can all see these kind of things now as well.

我的意思是，我不记得有过如此程度或如此级别的相互指责，当然也没有在有人基本上在我们眼前被谋杀之后这么快就发生，因为我们现在也都能看到这类事情。

bilibili 00:29:37

▶ This is why I think it just it feels to me that there is something slightly different about the tone here.

这就是为什么我觉得这里的语气感觉有点不同。

🎵 Um very different even than there was last year after the attempt on Donald Trump's life which you know when fortunately he was not badly injured.

嗯，甚至与去年针对唐纳德·特朗普生命的企图之后的情况也非常不同，你知道，当时幸运的是他没有受重伤。

🎵 It's just there's something febrile in the way that people who frankly know better have been responding to this.

只是那些#坦率地说#更明事理的人对此回应的方式中，有一种狂热的东西。

 00:30:01

🎵 There was an old world in politics where there was a rule book and you did certain things when something bad happened and you calmed it down.

政治中曾有一个旧世界，那里有一套规则手册，当坏事发生时，你会做某些事情来平息事态。

🎵 And now that you're playing to your audiences online, like if she's if she doesn't sound like that, she'll get absolutely piled upon by the leftwing people that follow her, which is not to say that that's right, but you can see how and also, you know, she's consuming like politicians themselves, particularly younger politicians, will be across the board, consuming information in their echo chambers as well.

而现在你是在迎合你的线上观众，就像如果她不那样说，她绝对会被追随她的左翼人士围攻，这并不是说那样做是对的，但你可以理解原因，而且，你知道，她自己也像政客们一样，特别是年轻政客，普遍都在他们的回音室里消费信息。

🎵 So the way they view events is different as well.

所以他们看待事件的方式也不同。

 00:30:34

🎵 And lots of things can all be true at once.

很多事情可以同时成立。

🎵 I think that the sad reality of this which is the most difficult thing is it doesn't even feel like everyone can agree on the fact that whatever you think or believe you don't deserve to be killed.

我认为这其中可悲的现实，也是最困难的一点是，似乎甚至不能让所有人都同意一个事实：无论你怎么想或相信什么，你都不应该被杀死。

🎧 Well, look on that.

好吧，关于这一点。

🎧 Let us give the last word then to the governor of Utah because this happened of course as we were saying earlier at a university in Utah and quite soon afterwards the governor spoke.

那么，让我们最后听听犹他州州长怎么说，因为这件事正如我们之前所说发生在犹他州的一所大学，之后不久州长就发表了讲话。

 00:31:00

🎧 This is a dark day for our state.

这对我们州来说是黑暗的一天。

🎧 It's a tragic day for our nation.

这对我们国家来说是#悲剧性#的一天。

🎧 I want to be very clear that this is a political assassination.

我想非常明确地指出，这是一次政治#暗杀#。

🎧 He comes on college campuses and he debates that is foundational to the formation of our country to our most basic constitutional rights.

他来到大学校园进行辩论，这对我们国家的成立、对我们最基本的宪法权利至关重要。

🎧 Now that was somebody who did strike a mature tone and I thought that was actually that was a very powerful uh speech that he gave there.

这才是一个语气成熟的人，我认为他当时的演讲实际上非常有力。

 00:31:32

🎧 uh and of

呃，并且

🎧 Course he has absolutely hit the nail on the head as to what this means for debate and conversation and the free exchange of ideas which is yes the I mean the foundation of democracy uh and essential to politics to operate in any kind of functional level

他确实一针见血地指出了这对辩论、对话和思想自由交流的意义——这无疑是民主制度的根基，也是政治体系在任何功能层面运作的核心要素。

🎧 whenever we have these conversations the conversation often centers on the different politicians involved

每当进行这类讨论时，焦点往往集中在涉事的政客身上。

 00:31:53

🎧 obviously it will center on whoever is responsible for this and that is completely understandable and makes sense

显然讨论会围绕责任方展开，这完全在情理之中。

🎧 there is very little focus on in my view the social media media companies, these very rich unaccountable companies

但在我看来，很少有人关注社交媒体公司——这些极其富有却不受约束的企业。

🎧 who if you removed the platforms, if they didn't exist in the way they do, if algorithms and recommendation systems didn't exist in the way that they do, I don't think any of this would have ever happened.

若是移除这些平台，改变其现有运作方式，取消算法推荐系统，我认为这一切根本不会发生。

 00:32:16

🎧 I don't think Charlie Kirk would exist in the way he does.

查理·柯克也不会以现在这种形式存在。

🎧 I don't think the rhetoric and the debate would be as it is.

舆论风向和辩论形态也不会是现在这样。

🎧 And that's not to say political violence hasn't existed for absolutely ages, decades, centuries.

这并非否认政治暴力自古有之，延续了数十年甚至几个世纪。

▶ Of course, it has.

确实如此。

▶ But I just don't think it would be the same.

但我认为其形态会截然不同。

▶ And no one will be asking questions of what gets us to this point really because ultimately all of the politicians have to play that same system in order to even exist now.

实际上没人追问根源，因为如今所有政客都必须遵循这套规则才能生存。

▶ Right.

没错。

▶ Okay.

好的。

▶ Well, that's a really good point.

这个观点非常犀利。

▶ My last thought is going to be slightly more optimistic actually and in a way taking issue with that and I absolutely accept what Sarah said.

最后我想提出个稍乐观的看法，某种程度上与刚才的观点商榷——虽然我完全认同莎拉的见解。

▶ This is a really critical time for America and not only was the event itself horrific, but the potential ramifications of it are horrific, too.

美国正处在紧要关头，事件本身令人震惊，其潜在影响同样可怕。

bilibili 00:33:01

▶ I absolutely accept that.

我完全认同这点。

▶ But to your point about social media and all the rest of it, and you made the point yourself, Mayor, there's been political violence before.

但关于社交媒体的问题，市长您自己也提到过，政治暴力早有先例。

▶ Oh my goodness, there's been political violence before in the United States.

天哪#，美国历史上确实发生过政治暴力。

▶ If you think back to the late 60s and the early '7s, not only the assassinations that we know about, but also a huge amount of political violence kind of behind the scenes of genuine domestic terrorism, uh, America goes through these awful paroxysms of rage and distress and comes out of them the other side.

回溯60年代末70年代初，不仅有众所周知的暗杀事件，还有大量幕后政治暴力与本土恐怖主义。美国总会经历这种愤怒与痛苦的剧烈发作期，最终又能挣脱出来。

 00:33:36

▶ And I think even if it is in one of those paroxysms now, there is still at least a chance, if not a good chance, that the nation will come to its senses.

即便当前正处于这种发作期，这个国家仍有可能——至少存在机会——恢复理智。

▶ The republic will endure, I'm sure.

我相信共和国终将#长存#。

▶ But I just think for anybody who maybe wasn't that familiar with Charlie Kirk or his place in American politics, you know, whilst these things have happened in history before, to give this its historical context, we have to consider that we may be living in one of those moments that you say, Justin, that America has endured before and come through.

但对于不熟悉查理·柯克及其政治影响力的人，贾斯汀，正如你所说，虽然历史上有过先例，但若置于历史语境中审视，我们可能正处在美国曾经历并度过的某个特殊时刻。

 00:34:10

▶ But, you know, this is this is not minor league stuff that we're talking about now.

但眼下我们讨论的绝非小事。

🎵 Okay.

好吧。

🎵 My point would be why why now?

关键在于为何是现在？

🎵 why is this happening in this period of time which is for all sorts of reasons but I don't think you can take the role of social media in it out of it.

为何在这个时间点爆发？虽有各种成因，但社交媒体的作用不容忽视。

🎵 Okay.

好的。

🎵 Well, we certainly raised an awful lot of things that people are going to be thinking about and talking about and we're going to hear unquestionably from American casters and we'll be discussing all of this and plenty of episodes to come.

我们确实提出了许多值得人们深思探讨的议题，后续无疑会听到美国同行的声音，未来节目中也将继续深入讨论。

 00:34:34

🎵 That's it for now from all of us.

以上就是今天的全部内容。

🎵 Bye-bye.

再见。
