这是否表明核禁忌出现松动？

 00:12:08

▶ Yes, that nuclear taboo that the Nobel Peace Prize Committee talked about in awarding last years, overdue but extraordinarily well deserved.

诺贝尔委员会去年颁奖时提到的核禁忌虽迟但实至名归。

▶ Peace prize to Nihon Hedunky or the survivor organisation in Japan talked about the importance of their role in maintaining this nuclear taboo, this sense that these global suicide bombs essentially must never be used again.

日本被爆者团体获奖正因其在维护核禁忌——即这些全球自杀性武器绝不可再用——方面的重要作用。

▶ There are no small nuclear weapons, even the very smallest tactical sized nuclear weapons deployed today are around a thousand times the size just in the explosive power of the bombs that destroyed the cities in Hiroshima and Nagasaki.

核武器无分大小，现今最小战术核武器的爆炸当量也是摧毁广岛长崎原子弹的千倍。

 00:12:51

▶ And all of the available evidence from nuclear policies, from exercises, from war gaming, from what the people who have managed nuclear weapons tell us is that if that nuclear threshold is crossed, then the risk of very rapid and uncontrolled escalation is very likely.

所有核政策、演习、兵棋推演及核武管理者的证据表明：一旦跨越核门槛，局势极可能迅速失控升级。
