

UK Recognizes Palestinian State Amid Major Policy Shift

【BBC周末新闻 20250922 英国联合多国承认巴勒斯坦国，以方强烈谴责 | 欧洲机场遭网络攻击 | 特朗普出席查理·柯克追悼会】

Summary: The UK government has formally recognized Palestine as a sovereign state, joining over 150 countries in a move that marks a significant shift in foreign policy. This decision has sparked anger from Israel, which claims it rewards Hamas, while Palestine hails it as a long-overdue right. Meanwhile, European airports including Heathrow face continued disruptions due to a suspected cyber attack. In other news, US President Trump attends the memorial of conservative activist Charlie Kirk, and British athlete Keely Hodgkinson misses gold in Tokyo.

bilibili 00:06:41

And there will also be a special conference to discuss the viability of a two-state solution.

还将召开特别会议讨论两国解决方案的可行性。

And that's what this is really all about.

这才是核心所在。

Nobody here thinks that a Palestinian state is imminent.

无人认为巴勒斯坦国#即将#建立。

Nobody here thinks that peace is about to break out in the Middle East.

无人认为中东即将实现和平。

What they're simply trying to do is to preserve, to protect an idea that at some stage, the only way you're going to get peace in the region is by having a Palestinian state alongside an Israeli one.

他们只是试图守护一个理念：未来某个阶段，实现地区和平的唯一途径是让巴勒斯坦国与以色列并存。

bilibili 00:07:06

So, yeah, this is really just about keeping a political target on the horizon for everybody in the region.

因此这实质上是为地区各方维系一个政治#愿景#。

There's nobody here who's thinking this is going to have any real immediate impact on the ground as of tomorrow.
