▶ And in fact, in that time period we've had 2700 food kits expire in our trucks.

▶ So not only are things sitting there waiting, things are expiring and we usually pack things that have up to a year's long shelf life.

▶ Food.

▶ You've got the aid there and there are people starting.

▶ This is not a situation where it's logistically impossible to get in food.

▶ It's not a situation where the food is not there.

▶ The food is right there at borders waiting to be allowed in and for safe pack passage and distribution once inside.

食物就在边境等待准入，需要安全通道和内部配送。

 00:06:30

▶ So take us what you go through.

请说明你们的具体流程。

🎧 If you've got this a truck sitting in Jordan waiting to get across the paperwork, the logistics who you deal with, what happens?

卡车在约旦等待通关时，你们如何处理文件、对接哪些物流方？

🎧 Why can't you get it in?

为何无法进入？

🎧 Yeah, so the name of the authority, the Israeli authority that controls this is called Cogat.

控制此事的以色列当局叫"领土政府活动协调处"(COGAT)。

🎧 And, you know, we've just gotten repeated denials from Cogat with no reasons given, no explanations given.

我们屡遭COGAT拒绝，且无理由无解释。

 00:06:52

🎧 So every day you're going with paperwork, you're hoping you're waiting, you're looking at those trucks.

每天提交文件、等待、看着那些卡车。

🎧 In the meantime, internally what our staff have been able to do is they have been able to get clean water and taking water to people that need it.

同时，我们员工在加沙内部尽力提供清洁用水。

🎧 But even that sometimes isn't available because those water desalination plants require fuel to operate regularly and they're having a hard time getting it in.

但有时连这也做不到，因为海水淡化厂需持续燃料供应，而燃料难以进入。

 00:07:14

🎧 But even once even if Cogat says, okay, fine, those things can come over the border.

即便COGAT放行物资过境。

▶ Then once they are over the border, then we have to try to negotiate safe passage and allowed access to get it out.

还需谈判安全通道才能配送。

▶ Israel controls what comes in, they control how you deliver it, what routes you will use, when you're available to use those routes.

以色列控制准入物资、配送方式、路线及使用时间。

▶ And so sometimes things come at very short notice on these routes or they can be dangerous routes and you just have no choice.

有时路线通知极短，或路线危险，但别无选择。

 00:07:39

▶ Well, you still have no choice.

确实别无选择。

▶ So the situation today with these trucks of attorney and people will die.

所以今天这些卡车滞留，人们就会死亡。

▶ Yeah, and that's exactly, these are desperate people, right?

是的，这些人已经绝望。

▶ I think the image that people want to believe is that this is all Hamas and everyone lurking.

有人想相信这都是哈马斯在操纵。

▶ The reality and what I'm hearing from my staff is it is a lot of women and children out there, like looking for food, begging for food, like knowing a truck is coming over, throwing themselves on top of trucks, throwing themselves underneath trucks.

但员工告诉我，实际是大量妇孺在乞食，甚至扑向卡车。

 00:08:05

▶ And that's just the pure desperation of that lack of food available.

这就是食物短缺下的绝望。

▶ Israel's Prime Minister Benjamin Netanyahu is expected to hold a cabinet meeting on Thursday to discuss a reported plan for the full occupation of Gaza.

以色列总理内塔尼亚胡预计周四召开内阁会议，讨论全面占领加沙的计划。

▶ This has been met with opposition from the IDF, their chief of staff, Al Zamiya, reportedly saying full occupation would not only endanger the remaining hostages left in Gaza, it would also exhaust the army.

以军总参谋长哈莱维反对该计划，称全面占领不仅危及加沙剩余人质，也会拖垮军队。

bilibili 00:08:31

▶ A correspondent Hugo Bateger has more from Jerusalem.

驻耶路撒冷记者雨果·巴蒂格带来更多报道。

▶ The Israeli security cabinet is expected to meet on Thursday and make a decision about Israel's operations in Gaza amid the expectation that the Israeli Prime Minister Benjamin Netanyahu is going to defend an expansion of military activities at possibly the full occupation of the territory.

以色列安全内阁预计周四开会决定加沙行动，外界预期内塔尼亚胡将主张扩大军事行动，可能全面占领该地区。

▶ We don't know whether this occupation would be a temporary measure or a permanent takeover of the territory.

尚不清楚这是临时措施还是永久占领。

bilibili 00:09:02

▶ But there have been reports suggesting that this idea of a fully occupying Gaza is facing resistance in the military, the chief of staff apparently told the Prime Minister that this would be a trap that would endanger soldiers and also the hostages who remain in captivity in Gaza because this would possibly involve soldiers going to parts of Gaza where the hostages are believed to be held.

但有报道称军方反对全面占领，总参谋长告知总理这将是陷阱，危及士兵和加沙人质，因部队需进入人质疑似关押区域。

▶ There's also opposition from the families of the hostages who say that the policy of putting pressure on Hamas, military pressure on Hamas hasn't really worked and that the only solution to get the hostages out is through a negotiated deal.

人质家属也反对，称军事施压哈马斯无效，唯一解决方案是谈判。

▶ Now obviously there have been ministers in the governing coalition defending the occupation of Gaza, Petzalus Motrich, it's a mapping of the hairline ministers in the government, have been defending the idea of expaling Palestinians from Gaza and resettling it with Jews.

执政联盟中有部长支持占领加沙，如财政部长斯莫特里赫主张驱逐巴勒斯坦人并迁入犹太人。

 00:10:01

▶ But polls in this country have been consistent in saying that the vast majority of the public are in favor of a deal with Hamas and they want the end of the war and may believe that the Prime Minister is prolonging the conflict for political purposes to guarantee the survival of his governing coalition.

但民调显示绝大多数民众支持与哈马斯达成协议结束战争，并认为总理为维持执政联盟而延长冲突。

US is also announced an additional 25 percent tariffs on goods imported from India of its purchases of Russian oil.

美国给克里姆林宫设定的停火协议最后期限是周五，否则将面临次级制裁。美国还对印度购买俄油的商品加征25%关税。

▶ So let's talk now to Fawar Ahmad, who's director of South Asia initiatives at the Asia Society Policy Institute.

bilibili 00:10:55

▶ Fawar what's the reaction in Delhi being to these sanctions?

法瓦尔，德里对这些制裁有何反应？

▶ The reaction is largely overwhelming because there was a lot of optimists regarding a trade deal to be broken before the August 1 deadline having been through five rounds of negotiations between sort of the trade teams on both sides and there's a lot of confidence that India would be able to avoid tariffs but not only did India receive a 25 percent adjusted reciprocated tariff it has now been slapped with a rough share.

反应普遍震惊，因双方贸易团队经过五轮谈判，印度原对8月1日前达成协议避免关税很乐观。但不仅没获得25%的对等调整关税，还遭重击。

▶ So it's a particularly challenging time.

bilibili 00:11:34
