So, it was another pretty extraordinary meeting at the White House.

这又是白宫一次相当不寻常的会晤。

Depending on how you see things, it was an example of openhouse democracy that Donald Trump enjoys.

取决于你的视角，这要么是特朗普所推崇的开放式民主的范例。

Or it was another Oval Office ambush rather like that of the Ukrainian President Vladimir Zelinski a few weeks ago.

要么就是几周前对乌克兰总统泽连斯基那类椭圆形办公室突袭的重演。

上周，50多名南非白人农民作为难民抵达美国，受到特朗普政府欢迎。

Today's meeting at the White House started off cordially enough, but soon President Trump told his staff to dim the lights and play a video to the South African leader, which he said verified his claims about the killings of white farmers.

[Back to Top](#)

 00:05:04

Let me clarify that because what you saw the speeches that were being made one that is not government policy.

请允许我澄清，你们看到的演讲内容并非政府政策。

We have a multi-party democracy in South Africa that allows people to express themselves political parties to adhere to various policies and in many cases or in some cases those policies do not go along with government policy.

南非实行多党民主制，允许政党和民众表达不同政见，但这些政策常与政府政策不一致。

[Back to Top](#)

 00:05:31

Our government policy is completely completely against what he was saying even in the parliament and they a small minority party which is allowed to exist in terms of our constitution but you do allow them to take land.

No no no you do allow them to take land.

不，你们确实允许他们强占土地。

[Back to Top](#)

Nobody can take and then when they take the land they kill the white farmer and when they kill the white farmer nothing happens to them.

没人能强占...但他们强占土地后会杀害白人农民，却不用承担后果。

No, there is quite nothing happens to them.

不，他们完全不用承担后果。

There is criminality in our country.

and the people that are being killed in large numbers and you saw all those grave sites and those are people that loved ones going I guess on a Sunday morning they told me to pay respect to their loved ones that were killed their heads chopped off their they died died violently and you know I mean we're here to talk about it and I didn't know we'd get involved here but I will say this that if the news wasn't fake like NBC which is fake news.

[Back to Top](#)

 00:07:09

Well, that's just a flavor of that meeting in the Oval Office um a little bit earlier on.

这就是稍早前椭圆形办公室会晤的片段。

And in fact in the last couple of minutes we've heard from uh Sir Ramapose of the South African president saying that his meeting with Donald Trump went quote very well.

事实上，南非总统拉马福萨几分钟前表示，他与特朗普的会晤"非常顺利"。

[Back to Top](#)

 00:07:23

Well our South Africa correspondent Puma Fellani was following that meeting in the Oval Office uh as it was being broadcast live.

我们的南非记者普玛·费拉尼实时跟踪了这场椭圆形办公室会晤。

uh she's in Johannesburg and she explained to us the background behind those claims from the Trump administration that white farmers in South Africa are being persecuted and killed and also she told us more about exactly what was being shown in that video in the Oval Office.

她在约翰内斯堡向我们解释了特朗普政府关于南非白人农民被迫害杀害说法的背景，并详细说明了白宫播放的视频内容。

[Back to Top](#)

 00:07:49

What we were looking at there were two separate clips.

视频包含两个独立片段。

one from an opposition party leader Julius Malemma who is known here in South African politics for his fire brand uh narratives around how the economy should be restructured to more favorably suit black South Africans saying that the government of Nelson Mandela over the years had not done enough to tilt the power balance.

其一是反对党领袖朱利叶斯·马勒马的激烈言论，他主张经济重构应更有利于南非黑人，并指责曼德拉政府多年来未能改变权力平衡。

[Back to Top](#)

 00:08:15

So he is incredibly uh divisive in South Africa a lot of people have said and perhaps is the reason why his party is not in government currently.

许多南非人认为他是极具分裂性的人物，这或许是其政党未能执政的原因。

And the other clip was of former President Jacob Zuma who went on after he was sacked from the African National Congress went on to form a political party.

另一片段是前总统雅各布·祖马被非国大开除后组建新政党的内容。

[Back to Top](#)

 00:08:34

That political party did fairly well in the in the recent elections here.

该党在近期选举中表现不俗。

Uh so he does have a following but again he's also a party that isn't um that isn't part of the current government.

他确实有支持者，但该党也非现政府成员。

Those two parties remain in opposition politics.

这两个政党仍属反对派。

Um the president going uh to great lengths there in that interaction with President Trump trying to say that each of the policies or the views expressed in those two clips are not part of the policies followed by South Africa.

拉马福萨总统极力向特朗普说明，视频中的观点均非南非现行政策。

[Back to Top](#)

 00:09:02

that if anything the thing that their party has advocated for over the years was working together across racial lines.

强调其政党多年来倡导的是跨种族合作。

And this would perhaps explain why you had a mixed delegation not just of that African uh political uh party leader um John Stainhazen but also on the fringes of that businessmen who have amassed great wealth here in South Africa over the years who continue to enjoy business successfully here.

这或许解释了为何代表团包含非洲政党领袖约翰·斯坦哈森及在南非积累巨额财富的成功商人等多元成员。

[Back to Top](#)

 00:09:28

You would have heard in those clips a number of the South African delegations saying that in fact South Africa has a crime problem that South Africa does not have a white genocide

problem but does really have a crime problem and that if there's any way that uh countries like the US can partner either on intelligence or surveillance or infrastructure that would go a great deal towards solving that crime problem.

南非代表团多次强调该国存在犯罪问题而非白人种族灭绝，并希望与美国在情报、监控或基建方面合作解决犯罪问题。

But if we get stuck on a numbers game, it becomes then a difficult question because how do you then say which lives matter than than which ones?

但若陷入数字比较，将难以界定哪些生命更值得关注。

[Back to Top](#)

 00:10:00

And we start looking at kind of being drawn into that conversation.

我们开始被卷入这类讨论。

A number of South Africans, particularly the majority of black South Africans, will want you to know that crime disproportionately still affects them.

许多南非人（尤其是占多数的黑人）希望外界了解犯罪对他们的不成比例影响。

What you've had over the years is a principle called willing buyer, willing seller, which is that the government will make an offer.

多年来实行的是"自愿买卖"原则，即政府提出报价。

[Back to Top](#)

 00:10:18

If the farmer accepts, then a price will be agreed.

若农民接受则达成交易。

Sometimes there's been even criticism that those prices have been inflated, but because that land the government believes is needed and can be put to a different kind of use either through building housing for the majority of people that are without houses that they usually willing to pay those costs.

尽管有人批评报价虚高，但政府认为这些土地可用于为无房者建房等重要用途，因而愿意承担成本。

[Back to Top](#)

 00:10:37

So as it stands there are no land seizures in South Africa is what security groups have repeatedly said and what the South African government has repeatedly said also over the years.

安全机构和南非政府多次强调，目前不存在土地强占行为。

That's our South Africa correspondent Punza fani there with some important context I think there um in terms of those claims that President Trump was making about the killing of white farmers in South Africa.

这是我们的南非记者普扎·法尼提供的关于特朗普总统南非白人农民被杀说法的重要背景。

[Back to Top](#)

 00:11:00

现在连线华盛顿记者杰克·权。

Um Jake, well we saw it first with President Zilinski.

杰克，我们此前在泽连斯基总统身上见过类似场景。

Now we've seen it with President Ramiposa.

现在又发生在拉马福萨总统身上。

Um a kind of roasting in the Oval Office.

这种椭圆形办公室的"拷问"。

Um it's a new kind of politics isn't it?

这是新型政治手段吧？

[Back to Top](#)

 00:11:15

A new kind of diplomacy.

Certainly, I think anybody who's watching this scene happening today will be thinking back to that awful scene in February when President Zalinski was in the Oval Office.

确实，目睹今日场景的人都会想起二月泽连斯基总统在白宫的尴尬遭遇。

And I think the difference here is that when that when that beration when that altercation that that verbal jousting was happening in the Oval Office back then, it seemed somewhat unplanned that uh that the people who were involved were getting heated uh somewhat improvised.

不同之处在于，上次的言语交锋看似即兴发挥。

[Back to Top](#)

 00:11:44

But like today, it seemed that Mr. Trump came to the office with the full understanding that there will be this ambush of the president Ramaposa.

而今日特朗普显然预谋了对拉马福萨总统的突袭。

Uh the TV screen that wasn't usually in the oval office was brought in.

不常出现在椭圆形办公室的电视屏幕被特意搬入。

He had dimmed the light and then started playing this video.

他调暗灯光后开始播放视频。

[Back to Top](#)

Everything was very carefully planned and he knew that he would be antagonizing and trying to catch the the South African president uh in this a very difficult situation and what seemed like a very cordial meeting uh had quickly frozen over as as the video was playing.

一切经过精心策划，旨在让南非总统陷入窘境——看似友好的会晤随视频播放迅速降温。

I think Mr. Ramaposa actually did a very good job not playing into uh the the conversation.

我认为拉马福萨先生成功避免了被牵着鼻子走。

Uh he remained very calm and gently uh pushed back on the idea.
