▶ Also in this clip, a Dodge Challenger, the same type of car that Utah's governor said was the killer was seen driving at the school.

同样在这段视频中，出现了一辆道奇挑战者，这是犹他州州长所说的凶手在学校驾驶的同款车型。

▶ Authorities say the suspect is now in a special extra watch at the Utah County Jail as part of protocol.

▶ I want to bring in CNN's Danny Freeman who's covering this for us from St. George Utah where the suspect live and Danny today Utah's governor appearing on a number of shows

this morning including here on CNN with our colleague Dana Bash and giving a lot of details about the accused shooter's life before his arrest including who he was living with.

我想请进CNN的丹尼·弗里曼，他正在嫌疑人居住地犹他州圣乔治为我们报道此事。丹尼，今天犹他州州长上午出现在多个节目中，包括在这里的CNN与我们的同事达娜·巴什一起，并提供了大量关于被指控枪手被捕前生活的细节，包括他与谁同住。

🎵 Yeah that's right Jessica.

是的，没错，杰西卡。

bilibili 00:01:13

🎵 I'm gonna highlight two revelations let's call them that governor Cox illustrated today on CNN which really shed light to exactly as you said what was happening in his world and his life that's Tyler Robinson the 22 year old suspect here prior to the shooting and killing of Charlie Kirk earlier this week.

我将重点说明州长考克斯今天在CNN阐述的两项我们可以称之为“披露”的信息，这些信息确实如你所说，揭示了22岁的嫌疑人泰勒·罗宾逊在本周早些时候枪杀查理·柯克之前，他的世界和生活里发生了什么。

🎵 These two revelations come with a potential note that was discussed and also about as you noted who Robinson was living with.

这两项披露涉及一份可能存在的、被讨论过的笔记，以及如你提到的关于罗宾逊与谁同住的信息。

🎵 According to the governor Robinson was roommates with a quote romantic partner who was a male transitioning to a female.

据州长所说，罗宾逊与一位，引用原话，“浪漫伴侣”是室友，此人是一名正在向女性过渡的男性。

bilibili 00:01:46

🎵 I want you to take a listen to what the governor said about this relationship on CNN with Dana Bash earlier today.

我想请你听一下州长今天早些时候在CNN与达娜·#巴什#谈到这段关系时所说的话。

▶ And yes I can confirm that I know that has been reported and that the FBI has confirmed that as well that the roommate was a a romantic partner a male transitioning to female.

是的，我可以确认我知道这已被报道，联邦调查局也证实了这一点，即室友是一位浪漫伴侣，一名正在向女性过渡的男性。

▶ I can say that that he has been very cooperative this this partner has been incredibly cooperative had had no idea that this was happening and is working with investigators right now.

我可以说，他非常合作，这位伴侣非常合作，完全不知道会发生这种事，并且正在与调查人员合作。

 00:02:20

▶ Now Jessica CNN also pressed governor Cox on whether this may have been a direct connection to any sort of motive that would have pushed Robinson to execute this shooting but the governor said that it's easy to draw conclusions though he did not end up giving any more theories as to what officially the motive is at this particular point.

杰西卡，CNN还向考克斯州长施压，询问这是否可能与某种促使罗宾逊实施这次枪击的动机有直接联系，但州长表示，虽然很容易得出结论，但他最终并未就官方目前认定的动机提供任何更多推测。

▶ The governor did note though that Robinson was part of a conservative family here in Southwest Utah though he noted that Robinson had been moving more left in recent years that's according to family members.

不过州长确实指出，罗宾逊来自犹他州西南部的一个保守派家庭，但他也指出，据家庭成员说，罗宾逊近年来思想越来越左倾。

▶ Now the other revelation as I noted Jessica that the governor illustrated today on CNN was this concept of a potential note left behind on the social and gaming platform discord a roommate and friend had mentioned quote contents of a note the suspects had left elsewhere.

杰西卡，正如我指出的，州长今天在CNN阐述的另一项披露是关于一份可能存在于社交和游戏平台Discord上的笔记的概念，一位室友和朋友提到了嫌疑人留在别处的笔记的内容。

 00:03:09

🎧 Now the governor did not go into any details about this potential note but he did appear to confirm its existence saying that this is part of the ongoing investigation right now.

州长没有详细说明这份可能存在的笔记，但他似乎确实确认了它的存在，称这是目前正在进行的调查的一部分。

🎧 Now Jessica I'll just say to you the question everyone has again continues to be the question of motive.

杰西卡，我只想对你说，每个人心中的问题再次回到了#动机#这个问题上。

🎧 The governor though is encouraging people to look towards Tuesday because that's when we're going to hear more information from those who are prosecuting.

不过，州长鼓励人们关注周二，因为届时我们将从检方那里听到更多信息。

 00:03:34

🎧 This case the formal charges are expected to be announced on Tuesday and also we're expecting to see Robinson make his first court appearance here in the state of Utah on Tuesday.

此案的正式指控预计将于周二宣布，同时我们预计罗宾逊将于周二在犹他州首次出庭。

🎧 Hopefully we'll get some more answers from not only that appearance but also information from prosecutors.

希望我们不仅能从那次出庭中得到更多答案，还能从检察官那里得到信息。

🎧 Jessica Danny Freeman with the latest in all of this thank you very much for that.

杰西卡，以上是最新消息，丹尼·弗里曼报道，非常感谢。

 00:03:53

🎧 Let's go deeper into it with criminology professor Brianna Fox of the University of South Florida.

让我们与南佛罗里达大学的#犯罪学#教授布里安娜·福克斯更深入地探讨这个问题。

🎧 She was an FBI special agent and profiler Brianna thank you so much for for joining us here.

她曾是联邦调查局的特侧写师和特工。布里安娜，非常感谢你来到这里加入我们。

▶ A lot of things to go through.

有很多事情需要梳理。

▶ Let's start first with this news that the shooting suspect is being held in the special housing unit until he gets that mental health evaluation.

让我们首先从这个消息开始：枪击案嫌疑人目前被关押在特殊住房单元，直到他接受心理健康评估。

bilibili 00:04:13

▶ Give us context on that move and how typical it is.

请为我们说明这一举措的背景以及它的普遍程度。

▶ Yeah well thanks for having me Jessica.

好的，谢谢邀请我，杰西卡。

▶ It is relatively common in my research where especially where there's a shooting like this or a very high profile suspects they will put them in solitary confinement or just protective confinement or for mental health evaluation.

根据我的研究，这是相对常见的，特别是在发生此类枪击事件或涉及非常引人注目的嫌疑人时，他们会将嫌疑人单独监禁或保护性监禁，或为了进行心理健康评估。

bilibili 00:04:33

▶ In this case it seems likely because of what he may have been experiencing prior to the shooting and also some of the reported notes left behind of both in writing and also on the shell casings.

在这个案例中，这样做似乎很可能是因为他在枪击前可能经历了一些事情，以及一些报道提到的他留下的笔记，既有书面的，也有在弹壳上的。

▶ These lead people to think that maybe not all as well and he could be at risk for suicide for instance.

这些让人们认为他可能精神状态不佳，例如，他可能有自杀的风险。

🎧 And there's also this other detail that we heard from the Utah governor today that the suspect was living with a transgender or a person transitioning romantic partner.

还有我们今天从犹他州州长那里听到的另一个细节，即嫌疑人曾与一位跨性别者或正在过渡期的浪漫伴侣同居。

 00:05:02

🎧 An investigators obviously looking to see how this might factor in what you know what might have been going through this shooter's mind.

调查人员显然想看看这可能如何影响，你知道，可能是什么念头在这名枪手的脑海中闪过。

🎧 How will they try to evaluate that piece of information knowing that when Kirk was dead he was actually discussing transgender people and shootings.

他们将如何尝试#评估#这条信息，因为知道柯克被杀时，他实际上正在讨论跨性别者和枪击事件。

🎧 Yeah the timing for anyone who was unfortunate to have watched that video it's horrific but that moment when the shot went off it struck me at first as being intentional and there was a lot that seems to have gone into being very premeditated and intentional about the lead up to this crime.

是的，对于任何不幸看过那段视频的人来说，那个时机是可怕的，但枪声响起的那一刻，我首先觉得是故意的，而且似乎有很多迹象表明这起罪行的准备过程是经过深思熟虑和蓄意的。

 00:05:42

🎧 Lessso on the back end of the crime and essentially getting away with it but it did seem like this was somebody who had watched Charlie Kirk who had known what topics he was going to discuss and pick that moment and it does strike you as potential motive where this is somebody that you know the shooter allegedly cared for and maybe thought that they were taking upon themselves to avenge this.

在犯罪的善后和逃脱方面则显得准备不足，但这确实看起来像是有人观察过查理·柯克，知道他要讨论什么话题，并选择了那个时刻，这确实让你觉得存在潜在的动机，即枪手据称关心这个人，并可能认为他们是在为自己复仇。

🎧 Again just because they have motive in their mind doesn't mean it is in any way of valid form you know to exercise a murder but in their minds for idealistic shooters that's what they

think justifies it.

再次强调，仅仅因为他们心中有动机，并不意味着这在任何意义上是一种正当的谋杀理由，但在他们心中，对于理想主义的枪手来说，这就是他们认为正当的理由。

⏮ And Governor Cox also talked about the suspect engaging what he called you know the dark corners of the internet.

考克斯州长还谈到了嫌疑人#接触#他所谓的互联网的黑暗角落。

bilibili 00:06:26

⏮ I want to play a clip about what he was talking about.

我想播放一段关于他所谈论内容的#片段#。

⏮ Seemed to happen kind of after that after after he had he had moved back to to to the southern part of Utah.

这似乎发生在那之后，在他搬回犹他州南部之后。

⏮ Clearly there was a there was a lot of gaming going on friends that have confirmed that there was kind of that that deep dark internet the the the the the Reddit culture and these these other dark places of the internet where where where this person was was going deep and you saw that on the on the casings.

很明显，进行了大量的游戏活动，朋友们证实了这一点，存在那种深层的黑暗互联网，Reddit文化以及互联网上这些其他黑暗的地方，这个人深陷其中，你在弹壳上也看到了这一点。

bilibili 00:06:58

⏮ I think I I mean I didn't have any idea what the what those inscriptions many of those inscriptions even meant but they are you know that certainly the memification that is happening in our society today.

我想，我的意思是，我完全不知道那些铭文，许多铭文甚至是什么意思，但它们，你知道，这肯定是我们社会中正在发生的模因化。

⏮ Brianna what what role might this all play these deep dark corners of the internet where where he says he the the suspect was spending a tremendous amount of time.

布里安娜，这一切可能扮演什么角色，这些互联网的深层黑暗角落，他说嫌疑人在那里花费了大量时间。

▶ Yeah several years ago actually too many that I would like to admit I did research comparing homegrown violent extremists to school shooters and mass shooters and we actually found they were very different in the modes of mat radicalization.

是的，实际上几年前——恕我直言——我做过研究，比较本土暴力极端分子与校园枪手和大规模枪手，我们实际上发现他们在激进化方式上非常不同。

 00:07:35

▶ The homegrown violent extremists did exist in those dark places of the internet the reddit areas and they would actually ratify quite quickly.

本土暴力极端分子确实存在于互联网的那些黑暗角落，如Reddit区域，并且他们实际上会相当迅速地#认可#（激进思想）。

▶ The family sometimes would not even be fully aware of it but it seems

家人有时甚至完全意识不到，但似乎

▶ Like we're actually changing where these shooters are actually becoming more radicalized in those same dark places and that's a big change for our society and and talk us to what do you mean by that?

我们实际上正在改变这些枪手在这些同样的黑暗角落变得更加激进的方式，这对我们的社会是一个重大改变，请向我们解释一下您这话是什么意思？

 00:07:59

▶ So there are phases of radicalization where a lot of times people will go into these places they feel like oh I'm seen and then it goes more extreme but before you know unfortunately shooters at different you know types of mass shooters school shooters I mean while horrific they had different radicalization or modes of getting to the point where they were willing to undertake such a horrific event.

激进化有其阶段性，很多时候人们进入这些地方，他们会觉得‘哦，我被看见了’，然后情况变得更加极端，但在你意识到之前，不幸的是，不同类型的枪手，你知道，大规模枪击案枪手、校园枪手，我的意思是，尽管都很可怕，但他们有不同的激进化路径或模式，最终达到愿意实施如此可怕事件的程度。

▶ It now seems like what is happening is where my research show there was very two different forms of radicalization they're actually starting to blend or perhaps the internet is becoming so ubiquitous that it's actually drawing in people from different areas and it's just motivating more people to do the same things.

现在的情况似乎是，我的研究表明曾经存在的两种截然不同的激进化形式实际上开始融合，或者也许是互联网变得如此无处不在，以至于它实际上吸引了来自不同领域的人，并且正在激励更多人去做同样的事情。

▶ And so how does how does a society combat that?

那么，一个社会该如何与之斗争呢？

bilibili 00:08:49

▶ I had a really great question the one thing I would say is for parents to be very aware of you know the children what they're doing I think a lot of times people think my child could never do this.

我有一个非常好的问题，我想说的一点是，父母要非常清楚孩子们在做什么，我认为很多时候人们会想我的孩子绝不可能做这种事。

▶ And what a horrific thought and I really take a moment for the father who had to essentially turn in his son that was every parent's worst nightmare but I think too if we could talk more to our kids I know he's 22 but still a young person there is hope there's nobody's lost until it's essentially over and I but I mean by that is until they do something as horrific as a murder.

这是多么可怕的想法，我确实要为那位本质上不得不告发自己儿子的父亲默哀片刻，那是每个父母最可怕的噩梦，但我也认为，如果我们能多和我们的孩子谈谈，我知道他22岁了，但仍然是个年轻人，就有希望，在事情 essentially 结束之前，没有人是无可救药的，我的意思是，在他们做出像谋杀这样可怕的事情之前。

▶ Right Rana Fonks thank you so much for your thoughts really interesting stuff we appreciate it.

乌克兰总统泽连斯基告诉我们的弗里扎·卡里亚，乌克兰正专注于摧毁这些基础设施，以阻止俄罗斯生产更多的无人机和武器。

 00:14:59

🎧 What do you expect Russia's response to be to this continued effort by Ukraine?

您预计俄罗斯对乌克兰持续的这一努力会作何回应？

🎧 Well, so far they seem to be downplaying it.

嗯，到目前为止，他们似乎对此轻描淡写。

🎧 And I think there's a reason for that because oil and gas, the energy exports Russia has are critical to its budget.

我认为这是有原因的，因为石油和天然气，俄罗斯的能源出口对其预算至关重要。

🎧 I mean anywhere from, you know, it could be like 40, 45 percent.

确实如此。

▶ And okay.

好的。

▶ So this is happening.

所以这正在成为现实。

▶ Ukraine going after these refineries where they are producing this oil.

▶ At the same time, President Trump is telling the NATO allies, look, I'll put these tougher sanctions on Russia.

▶ If you promise to stop buying oil, all of you stop promise to stop buying oil from Russia and impose those sanctions as well, what do you think might happen with that?

如果你们承诺停止购买俄罗斯石油，并同步实施制裁，你认为会产生什么效果？

▶ Well, I mean, in theory, it should have some effect.

理论上应该会有效果。

 00:16:33

▶ But I think one of the problems with that is that it is very complicated, you know, to tell Europe suddenly to switch off all the oil and gas.

但问题在于让欧洲立刻切断所有油气供应非常复杂。

▶ Now, if you look at what most of Europe has been doing, the NATO allies, EU, they have been switching off.

目前大多数欧洲国家、北约盟友和欧盟已在逐步减少依赖。

▶ They've been going green and cutting down significantly.

他们正转向绿色能源并大幅削减用量。

以天然气为例，三年前约45%的天然气来自俄罗斯。

bilibili 00:17:04

▶ Now it's down to 19 percent.

bilibili 00:17:28

▶ And one of the other ways of doing it, getting to the end of whatever, you know, this, whatever the end is, would be to allow the Ukrainians to fight back militarily and to actually

be able to take the fight to Russia.

另一种实现最终目标的方式是让乌克兰通过军事反击将战火引向俄罗斯本土。

▶ And then there is the peace involving Poland.

此外还涉及波兰的和平局势。

▶ And what we saw recently, we heard from the Secretary of State yesterday saying that the U.S. is looking into whether those drones were intentionally sent over Poland and if so, what that might mean.

昨日国务卿表示美国正在调查无人机是否故意飞越波兰领空及其潜在含义。

bilibili 00:18:01

▶ But Jill, this to me seems like it has the potential of being highly inflammatory.

但吉尔，我认为这很可能具有高度#煽动性#。

▶ Oh, definitely.

确实如此。

▶ And you know, you just have to look at the Polish response immediately.

只需看波兰的即时反应就明白了。

▶ Well, number one, interestingly and importantly, they were able to have a response that included a number of members of NATO.

首先值得注意的是，他们的反应得到了北约多个成员国的支持。

▶ And so the response looked as if they did the right thing.

因此应对措施显得恰当得体。

bilibili 00:18:24

▶ And then Poland immediately invokes article four, which is the, you know, discussion is not article five, asking for assistance from the other NATO allies.

随后波兰立即启动第四条——注意不是第五条——要求北约盟友进行磋商。

▶ But it's a step down from that.

虽然紧急程度较低。

▶ It's quite serious.

但事态依然严峻。

▶ So I think you, you know, you have to look at this as warning sign.

我认为这必须被视为预警信号。

▶ Other countries on the border, Romania has had that happens.

边境国家如罗马尼亚也遭遇过类似事件。

bilibili 00:18:47

▶ Some other is along the border.

其他边境地区同样如此。

▶ So the problem with Russia, and I think we have to remember this too, is that Russia sometimes does things that are very unclear.

俄罗斯的问题在于其行为时常令人难以捉摸。

▶ Like, was it in the state?

是否属于国家行为？

▶ Did they do it on purpose?

是否蓄意为之？

▶ Really come from so that it doesn't directly trigger NATO to have an article five response.

最终使北约无法直接#触发#第五条集体防御机制。

▶ But it's definitely a threat to threat to Europeans who could have been heard if those drones had been armed.

但若那些无人机携带武器，显然会对欧洲民众构成实质威胁。

bilibili 00:19:16

▶ And, and it's a challenge to the Europeans and to NATO to know how to respond.

这对欧洲和北约的应对能力构成挑战。

▶ Right.

没错。

▶ And we're looking at a map while you're talking.

您分析时我们正在查看地图。

▶ So while we know all of that, we also know that Russia and then Belarus kicked off these major military drills to test the readiness of their armed forces, kind of this tip for tat situation.

在知情的同时，我们也注意到俄罗斯与白俄罗斯启动大规模军演以检验战备，形成某种针锋相对的态势。

 00:19:37

▶ What did you read into that?

您如何解读这一点？

▶ Well, that is very important.

这非常重要。

▶ So these ZAPID, which means West ZAPID 2025 exercises, Russia has held them for years.

俄罗斯多年来一直举行"西方-2025"等ZAPID演习。

▶ And interestingly, the last time that they actually held them was right before the invasion of Ukraine in the full scale invasion in 2022.

值得注意的是，上次演习正是在2022年全面#入侵#乌克兰前夕举行的。

▶ And they held them with Belarus.

当时也是与白俄罗斯联合军演。

 00:20:02

▶ And that's exactly who they're holding it with right now.

当前情形如出一辙。

▶ So in response, they're smaller this year because they've got a lot of the people fighting in Ukraine.

今年规模较小是因为大量兵力投入乌克兰战场。

▶ But NATO has rustled up its own response, which has been called Eastern Century.

但北约已组织名为"东方世纪"的应对演习。

▶ And they say that this is a new answer, a new kind of I guess you call it new defense design, which includes intelligence, weapons, etc.

他们称这是包含情报、武器等要素的新型防御体系。

 00:20:30

▶ So they are gearing up to make it very clear to Russia that NATO is ready.

北约正明确向俄罗斯传递严阵以待的信号。

▶ I think the bottom line from this Jessica is that the implications of what's happening in Ukraine are growing.

杰西卡，关键点在于乌克兰局势的影响正在扩大。

▶ And there are both in seem to be any indication from Vladimir Putin that he is stepping down on the contrary.

#相反#的是，普京没有任何退让迹象。

▶ We have a lot more attacks on Ukraine, really, you know, quite vicious major attacks, killing a lot of civilians.

反而加强了对乌克兰的#恶性#大规模袭击，造成大量平民伤亡。

 00:20:58

▶ And then you also have these odd attacks kind of gray zone attacks coming in Poland, etc.

此外还有针对波兰等地的#灰色地带#袭击。

▶ So it's getting more dangerous.

局势正变得愈发危险。

▶ And the Europeans are very worried.

欧洲国家深感忧虑。

▶ And I also would say one last thing is that the European, the Europeans are very worried about the United States and its response.

最后我想说：欧洲非常担忧美国及其应对方式。

▶ If you look at what Donald Trump said, he said that this is Biden's and Zelensky's war.

特朗普称这是拜登与泽连斯基的战争。

 00:21:26

▶ He never mentioned Putin.

只字未提普京。

▶ And a lot of people, I can tell you as I was looking at response from Eastern Europeans, a lot of people in Eastern Europe said Putin's the guy who started it.

东欧民众普遍认为普京才是始作俑者。

▶ So, you know, we have, I think it's increasingly dangerous situation here.

因此我认为局势正日趋危险。

▶ All right.

好的。

▶ Jaldority, always good to see you.

贾尔多蒂，很高兴与您交流。

▶ Thank you for that.

感谢您的分析。

▶ We appreciate it.

我们非常重视。
